FIRE DEPARTMENT ORDERS.

General Order No. 15.

I. CHARLES C. McNAMARA.

It is with deep regret that the Fire Commissioner announces the death on February 19, 1936, of Master Charles C. McNamara of Engine Company 31. Master McNamara was appointed to the department on February 25, 1918, and was promoted to master on March 28, 1924.

The funeral was held from his late residence, 63 Montmorenci avenue, East Boston, at 8.15 a. m., Saturday, February 22, 1936, followed by services at St. Joseph's Church.

The chief of department made the customary detail to act as a funeral escort and the members of Engine Company 31 were excused from duty in order to attend the funeral.

II. CORRECTION IN ASSIGNMENT CARD.

The following correction should be made on the assignment card for Box 1235:

Drop Rescue 1 on second alarm.

III. A. D. T. ASSIGNMENTS.

The following signal number is to be added to the running cards of the A. D. T. Company in this department:

Signal 372.—Felton & Sons, Incorporated, 516 East Second street, South Boston. Apparatus to respond: Engine 1, Ladder 5, Chief of District 6. Nearest city box is No. 7315.

IV. BOSTON AUTOMATIC FIRE ALARM CARD.

A new page, No. 4, dated February 14, 1936, for the Boston Automatic Fire Alarm Book, is being issued to the department today. This page will take the place of old page No. 4, dated January 16, 1936. The old cards will be returned to headquarters in the envelopes provided on or before Monday, March 2, 1936.

V. COMMENDATIONS.

Hoseman Henry Hogan of Engine Company 27 and Ladderman Alonzo P. Brooks of Ladder Company 9 are hereby commended for responding to and working at fire, Box 4154, February 19, 1936, while off duty.

Apparatus Operator John F. H. Fox of Engine Company 19 is hereby commended for responding to and working at fire, Box 3565, February 22, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

RELOCATION OF STREETS.

The Acting Mayor has approved the following votes of the Board of Street Commissioners:

Voted, to change the names of the following streets:

Berry street, West Roxbury district, from Canterbury street to Cummins Highway, new name, Mt. Calvary road.

Astor street, Roxbury district, from Massachusetts avenue to Hemenway street, new name, Burbank street.

Bonnie road, Brighton district, northerly from Faneuil street for a distance of approximately five hundred and fifteen feet, new name, Adair road.

Voted, That the order of the Board of Street Commissioners of January 20,

1936, and approved by the Mayor January 20, 1936, designating coasting streets in the different sections of the city, be, and the same hereby is, amended, as follows:

Police Division 17, so as to add to said paragraph the words: "Russett road, from Weld street to the Brookline boundary line."

Voted, That the order of the Board of Street Commissioners of January 20, 1936, and approved by the Mayor January 20, 1936, designating coasting streets in the different sections of the city, be, and the same hereby is, amended as follows:

Police Division 17, so as to add to said paragraph the words: "Newburg street, from Beech street to West Roxbury Parkway, intending thereby to authorize coasting on said street."

Voted, That the name of the following public way in the City of Boston, be, and the same is hereby, changed as follows, and that said way be hereafter known under the name assigned thereto in this order:

Bonnie road, Brighton district, north-erly from Faneuil street for a distance of approximately five hundred and fifteen feet, new name, Adair road.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

The Marine Company has been granted a further extension of the time of completion of the contract for repairing hull, etc., of ferryboat "Daniel A. MacCormack" from February 21, 1936, to March 7, 1936.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY SERVICE.)

ELECTRICIAN, BOSTON STATE HOSPITAL,
APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

The minimum salary, with maintenance, is \$1,080 a year; the maximum salary, with maintenance, is \$1,380 a year; the minimum salary, without maintenance, is \$1,440 a year; the maximum salary, without maintenance, is \$1,740 a year.

Duties: To make general repairs on electrical motors. To locate and adjust defects in the general wiring of the hospital. To read electrical wiring diagrams and make installations according to blue prints. To take complete charge of re-wiring in a hospital building containing a minimum of 250 patients. To repair small electrical appliances such as electric fans, etc. To install any necessary electrical devices or motors in the institution.

Entrance Requirements: Applicants must possess a journeyman electrician's license. Applicants must have five years' experience as an electrician.

Subjects and Weights: Training and experience, 1; practical questions, 1; total, 2.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

FOREMEN OF WATER, SEWER, AND HIGHWAYS, ETC., APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

This examination is for foremen of water, sewer and highways (or streets)

in the service of the State and of all cities and of such towns in the State as are classified under civil service; and of sanitary and street cleaning in the service of Boston.

(A) Highway (or street) foremen in the service of the State, cities and of the towns classified under civil service.

Subjects and Weights: Training and experience, 14; report, 2; arithmetic, 4; practical questions on street and road construction, grading, repairing, etc., 10; total, 30.

(B) Sewer. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the quality of materials, bracing and re-filling of trenches, general maintenance and repair of sewers, catch-basins, etc.

(C) Water. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the laying and maintenance of water mains and service pipes, timekeeping, accounting for material, etc.

(D) Sanitary and street cleaning (in the service of Boston). The subjects and weights are the same as for (A) Street Foremen, except that the practical questions will concern the handling of ashes, garbage, etc., and the watering, cleaning and oiling of streets.

Passing Requirements: At least 60 per cent in practical questions and at least 70 per cent in experience and in general average in order to become eligible.

NOTE. Applicants for all services may, if they wish, take an additional paper on the use of explosives. They will be required to obtain at least 50 per cent in this subject in order to qualify, and will have it so noted as a special qualification.

Physical fitness to be determined by physical examination.

36,000 TRAFFIC DEATHS IN 1934.

The automobile casualty toll for 1934 was 36,000 persons killed in 882,000 personal-injury collisions on streets and highways, according to the Travelers Insurance Company. Pedestrians accounted for 44 per cent of the fatalities.

The death gain was 16 per cent against an increase of only 6 per cent in registrations and gasoline consumption. Fast driving is given as the dominant factor. Alcohol is known to have figured with 3.16 per cent of the drivers and 4.46 per cent of the pedestrians, compared with 2.43 and 2.99 per cent respectively in 1933.

Despite figures indicating that nine out of ten cars involved in accidents were in good condition, three out of every four cars inspected were found to be defective, says the report. Defects were as follows: Brakes bad on 29 per cent of the cars; tires fair to poor on 56 per cent; lamps needed adjustment or replacement on 63 per cent.

CITIES MAY SHARE VIRGINIA LIQUOR PROFITS.

Virginia cities are likely to have a new source of revenue if the state continues to pile up profits at the present rate. The liquor control act gives them two-thirds of the profits above \$1,675,000 per year after deducting sums for creating a surplus up to \$1,000,000. Profits from the liquor stores, says the *United States Municipal News*, have upset all previous estimates and "have confounded, as well, estimates of the members of the A. B. C. Board themselves who at the outset of the state's experiment said they feared no profits at all would result during the first year of operation."

CONTRACTS AWARDED WITHOUT ADVERTISING.

Upon varying dates, as indicated, the Acting Mayor approved contracts with firms and contractors for supplies, labor, etc. Communications from the heads of the several departments were as follows:

INSTITUTIONS DEPARTMENT.

BOSTON, February 20, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

MY DEAR MR. MAYOR,—I have the honor of requesting permission to award, without advertising, to the Bethlehem Shipbuilding Corporation, a contract for doing the following work on the steamer "O'Meara," such contract to be an amendment to the present contract:

Torch entire bottom of hull below the upper guard, wire-brush surface and apply one extra coat of good copper paint, \$160; secure steering engine to hull of vessel, build transom under the fore and aft end of steering engine, and properly secure to hull with non-corrosive metal fastening, engine to be secured to this transom in the same manner, \$350; advance main shaft $\frac{1}{2}$ inch to line-up piston, \$120; straighten propeller blades on outer edges, \$70; skim off H. P. and I. P. piston rods to insure good surface for metallic packing, \$75; overhaul metal packing on two low-pressure valve stems and low-pressure piston rods, \$120. \$895. Amount of contract (based upon estimated quantities), \$2,350; amount of this addition, \$895.

The Bethlehem Shipbuilding Corporation is now under present contract for work of a similar nature on the same boat. Of the work to be added a part is made necessary by order of the steamboat inspectors, a part has been found necessary after the boat was dry docked, and after the engine was taken down by our own engineers, and by our engineer consultant in the Bridge and Ferry Division. This work has also been approved by the steamboat inspectors. It is all in the nature of an emergency, inasmuch as the services of the boat are needed and she is now in dry dock. A prolongation of the period during which repairs are to be made is also included in this amendment to the contract.

Yours very sincerely,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

PUBLIC WORKS DEPARTMENT.

BOSTON, February 27, 1936.

To the Mayor of Boston.

On January 13, 1936, your Honor submitted to the City Council two proposed contracts for (1) furnishing illuminating gas for street lighting and (2) lighting, extinguishing and maintaining gas lamps, each for the term of five years from the date of approval of such contracts. The matter of approval of these contracts is now pending before the City Council and I understand that a public hearing was given on said contracts on February 4, 1936. At the present time the Boston Consolidated Gas Company is the only company that can furnish gas for the street lamps. In order that there may be no interruption in the service of lighting the city streets, I respectfully request your authority to award the following contracts, without inviting proposals therefor by advertisement:

1. Contract for furnishing illuminating gas for street lighting to the Boston

Consolidated Gas Company for a term beginning on the first day of March, 1936, and terminating on the earlier of the following dates: (1) the last day of March, 1936; (2) the effective date of said five-year contract for furnishing gas, if such contract should become effective, at the present rate of \$8.42 per lamp per year for single burner, sixty candle power lamps.

■ 2. Contract for equipment and the lighting and extinguishing of gas lamps for the City of Boston to the Boston Consolidated Gas Company for a term beginning on the first day of March, 1936, and terminating on the earlier of the following dates: (1) the last day of March, 1936; (2) the effective date of said five-year contract for equipment and lighting and extinguishing gas lamps, if such contract should become effective, at the present rate of \$14.70 per lamp per year.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

SUPPLY DEPARTMENT.

BOSTON, February 28, 1936.

HON. JOHN I. FITZGERALD,
Acting Mayor of Boston.

DEAR SIR,—On February 27, 1936, you approved permission to award meats, to be delivered to the city departments during March, 1936, to the lowest bidders on the various items.

On Item 27, 7,200 pounds smoked hams, 14 to 16 pounds each, permission was requested to award this item to the Faneuil Beef Company at a price of \$22.10 per hundredweight. The Faneuil Beef Company bid \$22.10 per hundredweight in the Supply Department copy of bid, and claim this price was an error, and \$23.78 on this item in the auditor's copy of bid. When there is a discrepancy between the bid at the auditor's office and the one at the Supply Department the auditor's copy prevails. Therefore the bid of Faneuil Beef Company on this item of \$23.78 is not low, and I respectfully ask permission to award this item to the lowest bidder, the Cudahy Packing Company, at a price of \$22.98 per hundredweight. The approximate totals of awards to these two concerns for meats for the month of March will now be:

Faneuil Beef Company, \$2,572.08;
the Cudahy Packing Company, \$4,623.57.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

RETIREMENT BOARD REPORT.

BOSTON, February 29, 1936.

To the Auditor.

At a meeting of the Boston Retirement Board, held on February 14, 1936, the retirement from active service of the following-named members of the Retirement System was approved to become effective at the close of business, February 29, 1936:

FINANCE COMMISSION.

Guy C. Emerson, consulting engineer, salary at time of retirement \$6,000 a year.

PUBLIC WORKS DEPARTMENT.

Joseph A. Browne, tollman, salary at time of retirement \$1,716 a year.

Daniel McKenna, sewer cleaner, salary at time of retirement \$1,872 a year.

Attest:

WILFRED J. DOYLE,
Chairman.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

BOILER INSPECTOR, DEPARTMENT OF PUBLIC SAFETY, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

The minimum salary is \$2,040 a year; the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five years of age at the time of filing application, and according to section 6, chapter 22, of the General Laws, must be not over forty-five years of age at the time of appointment. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must possess a first-class engineer's license.

Subjects and Weights: Training and experience, 8; arithmetic (embracing percentage, decimals, square and cubic measurements) and the solution of practical engineering formulae, 2; report, 2; practical questions on engineering, elementary mechanics and State Boiler Laws, 8; total, 20.

Passing Requirements: At least 50 per cent in arithmetic and in report, at least 70 per cent in experience, in practical questions, and in general average in order to become eligible.

Applicants are advised to study the Steam Boiler Laws issued by the Department of Public Safety.

Physical fitness to be determined by physical examination.

Applicants must be able to enter the manhole of a boiler 15 inches by 11 inches. Applicants will be rejected if unable to enter such a manhole.

BUILDING INSPECTOR, DEPARTMENT OF PUBLIC SAFETY, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

The minimum salary is \$2,040 a year; the maximum salary is \$2,640 a year.

Entrance Requirements: Applicants must be not less than twenty-five nor over fifty years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must have not less than four years' experience in the inspection of materials and methods of building construction or in a

skilled trade involving the practical application of methods of building construction.

Duties: To enforce the provisions of chapter 143 of the General Laws relating to the construction, maintenance and operation of public buildings, theaters, halls, churches, schools, etc. The provisions of law which they enforce relate particularly to the safe occupancy of these buildings, sufficient egress therefrom, prevention of fire and of the spread of fire, and the ventilation and sanitation of buildings. They are also called upon to enforce certain provisions of chapter 143 of the General Laws relating to unsafe buildings and their condemnation in cities and towns having no building inspector. To enforce the provisions of chapter 143 relating to inspection of elevators in cities and towns having no building inspector and the provisions of law relating to the operation of motion picture machines. To examine applicants for licenses to operate motion picture machines. They are subject to detail by the commissioner at his discretion for temporary duty in the Division of State Police. To perform such other related incidental or emergency duties as may be assigned.

Subjects and Weights: Training and experience, 3; practical questions, 4; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

HEARINGS STENOGRAPHER, STATE BOARD OF TAX APPEALS, MARCH 28, 1936.

Last date for filing applications, Saturday, March 14, 1936, at 12 noon.

Requisition is for a female, but the examination is open to both males and females.

The minimum salary is \$1,620 a year; the maximum salary is \$1,980 a year.

Duties: To take hearings of the board and do other stenographic work. Applicants must be able to take shorthand at the rate of 180 words a minute.

Subjects and Weights: Training and experience, 2; spelling, 2; arithmetic, 2; grammar, 2; filing, 1; word knowledge, 1; stenography, 10; total, 20. The dictation will be given at the following rates of speed: 150 and 180 words a minute.

The transcription will be marked for both speed and accuracy. Applicants are required to obtain at least 70 per cent in accuracy of transcription.

Applicants will also be required to obtain at least 70 per cent in spelling, at least 50 per cent in each of the other subjects, and at least 70 per cent in general average in order to become eligible.

POLICE DEPARTMENT ORDERS.

General Order No. 148.

The Department of Civil Service and Registration will hold an examination for promotion to the grade of sergeant in the Boston Police Department, according to the following notice received by this office:

This examination will be held on April 4, 1936.

1. This examination is open to the regular patrolmen in the Boston Police Department who have served as such in accordance with Civil Service Rules, for at least five years immediately preceding the date of examination. A candidate who has been off duty for over three months during the period prescribed can be admitted to the examination only by permission of the Commissioner of Civil Service.

2. Subjects and Weights of Examination: Seniority, 5; report, 2; practical questions, 8; total, 15.

3. Applicants must obtain at least 70 per cent in each subject of the examination in order to become eligible.

4. Physical examination.

5. Application blanks may be obtained from Boston Police Headquarters. The vouchers on these blanks need not be filled out. When completed, applications should be sent to the Division of Civil Service, Rooms 143-152, State House, Boston. Applications must be placed on file not later than Saturday, March 21, 1936, at 12 noon.

6. Applicants will be notified of the time and place of examination.

THOMAS H. GREEN,

Commissioner of Civil Service.

GEORGE M. HARLOW,

FRANK A. BAYRD,

Associate Commissioners.

Persons concerned will notice particularly that applications when filled out are to be returned to the office of the Civil Service Commission, State House, Boston, not later than Saturday, March 21, 1936, at 12 noon, thirteen days before the date set for the examination.

Commanding officers will promulgate this order not only by reading it at all roll calls, but by posting a copy thereof in a conspicuous and accessible place in each station house, where it may be easily read and it shall remain posted until after the date of the examination.

Commanding officers will secure a fresh copy from the superintendent, if the posted copy becomes mutilated or destroyed.

NOTE.—Application blanks referred to in paragraph 5 will be sent to the various divisions and units for distribution.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

PLUMBING PERMITS ISSUED FEBRUARY 27 TO MARCH 4.

FEBRUARY 27.

PLUMBER.	Location.	Ward.	Nature.	Estimated Cost.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935,

in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

PROCEEDINGS OF CITY COUNCIL.

Monday, February 24, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Dowd, Gleason, Peter A. Murray and Roberts.

PETITIONS REFERRED.

The following petitions were received and were referred to the committees named, viz.:

Claims.

John Auditore, for compensation for damage to truck by city truck.

Ida Botzin, for compensation for injuries caused by city truck.

Edward J. Corcoran, for compensation for injuries caused by an alleged defect in Congress Street Bridge.

James N. Fink, for compensation for damage to car by city truck.

Hilary A. Gasper, to be reimbursed for execution issued against him on account of his acts as operator of motorcycle of Police Department.

Mary Joseph, for compensation for damage to truck by city truck.

Trifon Machakas, for compensation for damage to property at 43 School street, Roxbury, caused by break in water pipe.

Charles J. McCarty Company, Incorporated, for refund on refuse tickets.

Richard McGlinchey, for compensation for damage to property at 22 Nonquit street, caused during installing of sewer.

Anthony Pell, for compensation for injuries caused by city truck.

Morris Prince, for compensation for injuries caused by an alleged defect at 356 Harvard street, Dorchester.

James L. Smith, for compensation for damage to car by fire apparatus.

Suffolk Real Estate Trust, for compensation for damage to property at 52 Beverly street, caused by break in hydrant.

John Thompson, for compensation for damage to car by city wagon.

Max Levine, to be reimbursed for execution issued against him on account of his acts as operator of truck of Sanitary Division.

Max Levine, to be reimbursed for execution issued against him on account of his acts as operator of truck of Sanitary Division.

R. T. Adams Company, for refund on refuse tickets.

REPORT OF FINANCE COMMISSION ON LAND, PERKINS STREET.

The following was received:

Boston, February 21, 1936.

To the Honorable the City Council.

Gentlemen,—The Finance Commission made a report to your Honorable Body under date of February 6 in which the Commission suggested that the Council decline to concur with the recommendation of Mayor Mansfield to give to the New England Telephone & Telegraph Company of New York the area in the Fort Hill section known as Perkins street.

At the meeting of your Honorable Body at which the report was read, your president, Councilman John I. Fitzgerald, speaking—as he stated—in defense of the Mayor's action, made certain mis-statements which in the opinion of the commission were intended to befog the issue. If these mis-statements were allowed to stand in the record unchallenged, your honorable members might be misled in regard to the true facts in the situation. Hence, the Finance Commission considers it necessary to make this further report.

Two major street widening projects, heavily laden with prospects for a rich haul by real estate speculators, who are simply "using" the New England Telephone & Telegraph Company's doubtful claim for damages against the city to accomplish their purposes, are the secret objectives in this innocent appearing swap of land between the City and the Telephone Company. It is questionable if either the Mayor or the Telephone Company officials are fully cognizant of the intentions of the promoters of the scheme. The Finance Commission has been given information to explain the manner in which the Mayor came to fall in line with the machinations of the promoters, which the commission has not yet fully substantiated, and, therefore, cannot make public at this time. The commission report is offered before completion of this part of the inquiry because the commission realizes that the matter before the City Council is likely to be rushed through at its next meeting.

The Finance Commission is relieved of the duty of exposing the fact that John I. Fitzgerald, your president, is actually one of

the group behind this proposition, since he admitted it in his speech. The Finance Commission will add that one of his associates in the attempt to force through a widening of Chardon street and a widening of Pearl street is a well-known real estate speculator, who has always had close business and political relations with a political club of which Councilor Fitzgerald is president. This particular speculator has also been the advisor and expert of an influential group which has carried on a campaign before the State Tax Appeals Board to break down the assessments on business property in the City of Boston. He was also named earlier in the Mansfield administration by Mayor Mansfield to head a committee composed entirely of the group for which he served as expert to adjust downward the assessments on business property.

Mr. Fitzgerald points out in his attempted defense of the Mayor that proper legislative authority to widen Chardon street was sought by two preceding mayoralty administrations and that neither was successful. The Finance Commission's chief objection is closely related to that admission. If proper legislative authority to make the widening cannot be obtained, the Finance Commission believes this subterfuge of trying to get the widening in by way of the back door, so called, or piecemeal, should not be countenanced.

When the telephone company set back from the lot line its building on Chardon street, it is not true it did so because of any official requirement to do so by the city. The authority to widen the street, as was requested at that time and urged by the representatives of a club which occupied a building on one corner of Chardon street, was not forthcoming. No widening having been authorized, there was no authority vested in any individual to compel the telephone company to respect a plan for a widening that had not received official sanction.

The building constructed by the telephone company was in conformance with the regular policy of that company to build square or rectangular buildings. It happens that the lines of the telephone company lot on Chardon street make an obtuse angle. A square building or a rectangular building must necessarily have wasted a small area within the lot. The telephone company wasted this small area and allowed the wasted part to be used as a sidewalk. The wasted area is 11.89 feet wide at one end and narrows down to 1.52 feet wide at the other end, 150 feet away. On account of the narrowness of the area at its widest point and the gradual narrowing of the strip until it becomes almost nothing at the other end, it is plain that the strip has little or no value to anyone. If it were fenced off because not paid for by the city, as your president has suggested, such fencing off would probably injure the occupants of that particular building more than anyone else.

In regard to Chardon street, therefore, the Finance Commission wants to make it plain that this piece-meal widening has been suggested and manipulated by interests that have a much larger and more expensive widening as their goal. The commission desires to make it plain also that it believes the telephone company officials are not enthusiastic participants in the deal.

In regard to the Pearl street widening the commission desires again to point out that the telephone company has informed the Mayor in the letter which the Mayor sent to you from Vice President Pierce that the company has no present intention of building on the Pearl street property. Therefore, no immediate prospect of jobs for Boston artisans is helped or hindered by any action you may take on the matter of giving Perkins street to the telephone company.

There is, however, the odor of another street widening speculation involved in it. No official body has ever previously considered the widening of Pearl street as a public necessity or a public convenience. It is significant that the City Planning Board has never included the widening of Pearl street in any of its plans for the development of the city, yet, as is well-known, the Planning Board has worked overtime for years plotting and planning street widenings and extensions. The lack of merit to such a plan now is, therefore, obvious.

A widening of Pearl street will be very costly to the city. The block between Franklin, Pearl, Milk and Congress streets is practically all controlled by the New England Mutual Life Insurance Company. A widening now would interfere seriously with the buildings there. Because the insurance company's property faces on Post Office square, the insurance company does not need for its area any such boon as a wider Pearl street to permit liberal calculations in figuring the height of a building which the law would allow. Therefore, to take away from the insurance company a strip of land that would

match in depth the piece taken from the telephone company would mean a very heavy expenditure by the city.

The Finance Commission insists on being recorded as opposed to any action to start a street widening until the whole objective is publicly aired and legally authorized. At the present stage the commission believes the widening of Chardon street and the widening of Pearl street are being promoted by persons who have an ulterior motive. Any street widening in the present state of public expenditures, whether it be the under-cover start, as the actions to date in both these projects amount to, or a complete and above board project is unjustifiable.

The Finance Commission sees no great harm in giving to the telephone company Perkins street, provided the city is paid for it, and provided the grant is not used to cloak a subtle scheme by some real estate speculators to commit the city to projects not in the public convenience at the present time.

Mr. Fitzgerald pointed out to your Honorable Body that the city paid for this street on two occasions, once in 1847 and again in 1853. In addition, the city has maintained it all the intervening years. The city authorities, therefore, should insist on a payment for it commensurate with its cost to the city and the value of it. If owned by a private party, the telephone company would have to pay handsomely for it to acquire it. It is time that the agents of the city corporation should guard the city's interests with equal care.

Respectfully submitted,

E. MARK SULLIVAN, Chairman,
PHILIP A. CHAPMAN,
ROBERT ROBINSON,
JAMES E. MAGUIRE,
JOSEPH A. SCOPONETTI,

The Finance Commission.

Placed on file.

MINORS' LICENSES.

Petitions were received for minors' licenses for forty-nine newsboys and five bootblacks. Licenses granted under usual conditions.

SEWER LOAN.

On motion of Coun. PETER J. FITZGERALD the Council voted to recall from the Committee on Finance the message of Mayor and order for loan of \$500,000 for sewerage works (referred February 10).

The question came on giving the order its first reading.

Coun. WILSON—Mr. President, I do not rise to oppose this order, which I understand is necessary to pay some of the wages in one of the departments of the city. But I would appreciate some information about it.

President FITZGERALD—This is simply the first reading of the order, and then in fourteen days it will have its final reading.

Coun. WILSON—This is the first money borrowed to pay current expenses this year?

President FITZGERALD—This is simply the first reading of the order. I understand that the amount has run out because they are using it for buying materials for W. P. A.

Coun. WILSON—Well, Mr. President, I move that it be sent to the Executive Committee because, while I don't want to deprive any city employee of his pay, and would not vote against the order on that basis, I do think the manner in which it is to be financed is something that we should consider. There will be no delay if it is referred to Executive Committee.

The order was referred to the Executive Committee, and President FITZGERALD directed the City Messenger to request the City Auditor and the Commissioner of Public Works to be present at the meeting.

ELECTRIC LIGHTS FOR WARD 10.

Coun. DOHERTY offered the following:

Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to change all gas lights now in use in Ward 10 to electric lights.

Passed under suspension of the rule.

REPORT OF COMMITTEE ON CLAIMS.

Coun. SELVITELLA, for the Committee on Claims, submitted the following:

1. Report on petition of Frank A. Kutz (referred August 12, 1935) to be reimbursed for amount of judgment issued against him on account of his acts as operator of motor vehicle belonging to the Paving Division, Public Works Department, recommending passage of accompanying order, viz.:

Ordered, That the sum of one thousand dollars be allowed and paid to Frank A. Kutz in reimbursement for amount of judgment issued against him on account of his acts as operator of a motor vehicle belonging to the Paving Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; and order passed.

2. Report on petition of John P. Cormican (referred February 3) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Fire Department—recommending passage of accompanying order, *Vote.*

Ordered, That the sum of five hundred dollars be allowed and paid to John P. Cormican in reimbursement for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to the Fire Department, said sum to be charged to the Reserve Fund.

Report accepted; order passed.

INFORMATION RE CITY HOSPITAL.

Coun. WILSON offered the following:

Ordered, That the Superintendent of the Boston City Hospital be requested, through his Honor the Mayor, to advise the City Council promptly as to the following:

1. Whether the nurses at the hospital are now working on approximately an 8-hour day and, if not, what are the present arrangements?

2. The average number of patients, together with the total average number of nurses available at the City Hospital during the month of January for each of the past ten years.

3. Whether or not there is a shortage of bed linen and blankets in various departments of the Boston City Hospital.

4. With reference to the possibility of better ventilation and also the installation of proper weather strips for the windows in Peabody No. 1.

Passed under suspension of the rule.

INFORMATION FROM PUBLIC WORKS COMMISSIONER IN RE SNOW REMOVAL.

Coun. WILSON offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council with reference to the following desired information, namely, the number of miles of accepted streets within the jurisdiction of each of the ten or eleven city yard districts for snow-removal work.

Ordered, That the Commissioner of Public Works and also the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, in the matter of snow removal from the city streets, to instruct that, where snowplow work along through streets results in piling snowdrifts across approaches from intersecting streets and ways, such snow obstructions shall be cleared away with reasonable promptness.

Coun. WILSON—Mr. President, both of these orders concern snow-removal work, and I believe they should be considered and acted upon together. First of all, I wish to be placed on record as supporting the contention of the member from Charlestown (Coun. Mellen) at our last meeting in reference to the assignment of buttons to members of the City Council, so that they may place a certain number of men at work on snow removal. I feel that I, personally, and I think that that is also true of the average member of the City Council, am a better judge of the needs of some of my constituents and of the requirements of the average family in my district than most people not occupying the position that we do would be. We know whether they are citizens of the United States, in a general way what their circumstances are, and our knowledge in many respects along these lines is better than that of the average employee of a city yard. For that reason, while I know that we all make mistakes, and I undoubtedly have made mistakes in such assignments, I do feel, all things considered, that the members of the Council from the different districts are in a better position to understand the whole situation. It has been my own aim to give the work as far as possible to citizens and voters in the district and for the benefit of families most needing the work, and I think the thing can be more satisfactorily worked out in that way than simply by giving the work to the men in the order in which they file. Also, speaking upon the two orders, I wish simply to call the attention of the Public Works Department, without criticism, to the custom of plowing

our main streets and blocking the exit or entrance to cross streets, which has been the almost invariable custom in the section I represent. I am in favor of plowing of the through streets, but having in mind the importance of proper entrances and exits to and from the cross and dead-end streets, I believe these should also be cleared after the plow has passed through the main streets. I consider that the mileage of streets covered by city yards is also important, because I desire to ascertain, if possible, whether the two Dorchester yards have had assigned to them a proper proportion of the city laborers and snow-removal equipment needed for this snow-removal work, as compared with the other yards of the City of Boston. If we can obtain this information we in the Dorchester district will know whether we are getting a fair break in comparison with other sections, bearing in mind the fact that the Dorchester district is entirely dependent on the city force and emergency men and is in no way aided by contract snow-removal work.

The order was passed under suspension of the rule.

FUEL DELIVERIES, WELFARE DEPARTMENT.

Coun. WILSON offered the following:

Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to promptly furnish to the Supply Department the names and addresses of welfare recipients, during the final week of February and the first two weeks of March, 1936, given fuel orders directed to the Babcock Coal Company, also those directed to Alfred E. Ventola of Hyde Park; and further

Ordered, That the Superintendent of Supplies be requested, through his Honor the Mayor, to have such tests of fuel so received in the homes of welfare recipients made as will determine the truth of persistent reports of delivery of improper and unmerchantable coal to the poor of Boston.

Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to assign one or more employees to promptly check up monthly with reference to the promptness, amounts and qualities of fuel deliveries ordered and made to welfare recipients by Alfred E. Ventola and by the Babcock Coal Company.

Coun. WILSON—Mr. President, I don't want to tire the Council by my references to these two fuel companies, which are apparently the fair-haired children under this administration. But, on the other hand, I continue to receive, day after day and night after night, criticism and almost tearful reports in regard to fuel deliveries by these two concerns. Apparently, however, no responses have come through from the Mayor's Office to our earlier orders with reference to this matter. It may be that this is a matter that eventually will need to be examined into by the Finance Commission of the City of Boston. It is to be assumed that the attitude of the Mayor and the Overseers of Public Welfare would be, first, that they would have to be fair to the taxpayers, whose money is buying this oil and coal and, second, that they would have very much at heart the situation of the unfortunate destitute families who must get their oil and coal through the charity of the city, I have already brought to the attention of the body complaints that have been made in regard to the deliveries by these companies. Those complaints have continued. I got further complaints as late as last week. I have had reports as late as Friday, both as to the quality of coal and as to the fact that deliveries are not made for a period of ten days to two weeks. I also have here—although I don't like to take it out, because I would not want to have it get into your eyes—a sample of coal dust sent to one of these people by the Babcock company and which I wish to have sent to the Mayor's Office. This is from coal delivered by the Babcock Coal Company of Roxbury to a family in the Dorchester district, and I have here a letter over the signature of the manager of the Babcock Coal Company, as follows:

"Referring to telephone conversation of the 12th instant, we have investigated the coal delivered to 85 Lucerne street, Dorchester. This coal our man reports as follows,—size satisfactory, breakage rather excessive, probably 40 or 50 pounds of under-size coal in the one-half ton, directly in the center of the pile where the bags were emptied, one on top of each other. We offered to give the lady some coal to offset this breakage but she insisted it must be removed. This we have not done."

Of course, I have no desire to dwell on one minor item, although I do say that when a dealer is furnishing fuel to a poor family in Boston he should not include in a half ton order forty or fifty pounds of this kind of stuff. I feel that it would be much better for a coal company, if it wants to dispose of that

kind of dust, to load it onto somebody who is able to pay for it, rather than to dump it on a poor family on welfare in the City of Boston. I have, therefore, asked the Overseers of Public Welfare through the Mayor, to furnish to the Supply Department the names and addresses of welfare recipients during the final week of February and the first two weeks of March, who were given fuel orders directed to the Babcock Coal Company and to Alfred E. Ventola, and have also asked the Superintendent of Supplies, through the Mayor, to make such tests of fuel so received in the homes of welfare recipients as will determine the truth of persistent reports of delivery of improper and unmerchantable coal to the poor of Boston. I do not anticipate that they are going to every welfare house, or are going to examine every load of coal, or perhaps keep that sort of inspection going for the next six weeks. But I do venture to say that if an honest effort was made to check up the fuel deliveries of these two companies, with a report within the next two weeks, the public of Boston would have a better chance of getting the coal and oil they are paying for. We remember the seventy-five constables recently appointed by this administration as against thirty-four of the previous administration. I am not fighting the constables this afternoon but, as we must have them, I would suggest that a few of them be assigned to check up on this business for at least a week, so that the hundreds of poor families in Boston may have a better chance to get the sort of fuel that the city is paying for; and I want to send along to the Mayor this box of coal dust taken from the delivery to which I have referred, made by the Babcock Coal Company on its own admission to this poor family, at least fifty pounds of this stuff in a half-ton delivery. I wish to have it taken to the Mayor with my compliments, and I trust that it may not get into the eyes of our City Messenger when he is delivering it.

The order was passed under suspension of the rule.

INVESTIGATION OF BEANO GAMES.

Coun. WILSON offered the following:

Ordered, That the Public Welfare Committee of the City Council be requested to conduct an investigation relative to the granting of licenses for and the operation of beano games in the City of Boston, especially with reference to the identity and character of the most frequent licensees, the amount of alleged receipts and expenses, and the proposed charitable, educational, fraternal or religious purposes for which the net proceeds from such games have actually been applied.

Coun. WILSON—Mr. President, I am not advocating the repeal of the Beano statute, although I have my own private opinion as to the advisability of its ever having been passed. That, however, is entirely a matter for the Legislature to deal with in their own wisdom. Under the terms of chapter 371 of the Acts of 1934, authorizing the licensing and conducting of the game commonly called Beano, or any similar game, in connection with which prizes may be won by chance, it is provided that the proceeds of the charges for admission to or participation in such games are donated solely to charitable, civic, educational, fraternal or religious purposes, and that the games shall be conducted under a license authorized to be granted in a city, by the mayor, and upon such terms and conditions as the mayor may prescribe. So the manner and nature of this gambling game, with its obvious endeavor to get in money by gambling, is wholly within the discretion of the Mayor's Office. I realize that there are some persons who engage in this game, with its so-called object of raising money for religious or charitable purposes, who would not drop a thin dime in the poor box, but who are willing to gamble in the hope that they may get an \$8 lamp. I realize that there are some people in Boston who get enjoyment in this way and once in a while win a prize in these Beano contests. The thing I am interested in, however, is the fact that the professional promoters of these Beano games are the chief beneficiaries. I see signs in my ward where every Wednesday evening some party will be run for Christmas baskets or for public welfare, and I see such signs in other parts of the city. I believe some definite check-up should be made and a definite stop put to this racketeering in this game of Beano. The Mayor's Office has made some excellent conditions. I understand they have provided that an individual cannot run the game, that it must be a real or pseudo organization. It cannot be run in a private house, but must be in a hall. They cannot have money prizes and, most important of all, within forty-eight hours or a week of the particular Beano game they must file in the Mayor's Office a report of the Beano game or the similar game, giving the name of the hall, the date of the game, the itemized prizes, and the supposed

expenses. I personally believe that the conditions of the licensing in the Mayor's Office, with his effort to restrict the thing, tend to keep the Beano racket at the minimum and I believe that a real report on this matter will, at least, throw some light on this scheme for making money in the City of Boston. I would be particularly interested in having something definite reported in regard to the private and itemized expenses, because I believe only a small fraction of the money supposed to be going to charity ever reaches the tables on Christmas Day or the home of any poor family. For these reasons, I ask that this investigation be made.

Coun. SELVITELLA—Mr. President, speaking upon this order, I wish to state my grounds for favoring it. I have no particular objection to Beanos conducted by the churches or fraternal organizations, but I do criticize the manner in which some of these racketeers, as they may be called, are conducting Beano at the present time. In my district there is an organization conducting a Beano every single night from seven to midnight. Under the present terms of the licensing department of the Mayor's Office, no organization is permitted to conduct Beano more than once a week. But this outfit in East Boston—and I suppose it holds true throughout the city—are using fictitious names of organizations that do not exist, and those that do exist receive as low as \$3 an evening for the use of their names. I have gone into these places and have been surprised to frequently see at these Beano parties men who have been either on the W. P. A. roll or upon our own welfare roll. It does seem that some action should be taken, because at the present time this is benefitting individuals and organizations that were never intended by the Legislature to receive the benefit. Those supposed to profit by the games were the churches and fraternal organizations. The competition from the professional Beano enterprises is such, in the matter of offering of prizes, and so forth, that the churches and fraternal organizations are closing their Beano parties, with the result that they are getting into professional hands. The Mayor's Office, as Councilor Wilson has said, has been doing a very good job. But something ought to be done to protect those organizations that are really deserving.

The order was passed under suspension of the rule.

TAX TITLE PROPERTIES.

Coun. WILSON offered the following:

Ordered, That the Superintendent of Public Buildings be requested, through his Honor the Mayor, in accordance with City Council orders under dates of November 15 and December 16, 1935, to at once furnish the City Council with information concerning properties formerly assessed to private owners, the titles of which, however, because of tax sales and Land Court proceedings, are now vested in the City of Boston and, in any event, that the said Superintendent of Public Buildings be requested to at once furnish such information concerning parcels which are not vacant land.

Coun. WILSON—Mr. President, as a matter of ruling, do I understand that that order will automatically go to the Superintendent of Public Buildings today, even in the absence of the Mayor himself, or should it read that this particular department be requested to furnish this information through the Acting Mayor?

President FITZGERALD—I understand that it will reach the Public Buildings Department not later than Wednesday.

Coun. WILSON—Well, I appreciate that much information, Mr. President. This may seem to be an old subject, but we are still uninformed. We had Commissioner Hall before us some time ago and learned a little in connection with these tax title properties, and I understand that the number of such properties is gradually mounting, that where awhile ago there went through the Land Court thirty-one titles there are perhaps over 600 at the present time and will soon be 700 such properties. They are coming in day by day and week by week. I asked over three months ago for an inventory sheet, not in detail, but an inventory sheet telling something about these 600 or 700 parcels of real estate on which the taxpayers owning them could not pay their taxes back in 1931 and which are now owned by the city as the result of Land Court proceedings. I would like to get that information before the City of Boston, which is now in the real estate business, is deluged with any more such properties, as the result of the 1932, 1933, 1934 and 1935 tax sales. I am fast coming to the belief that, while Mr. Hall assures us that he has been making every effort to give us the information promptly, there might well be somewhat more haste. It does seem that if a real effort was being made, we should have the information by this time, and that where there is a delay of three and one-

half months, it would almost seem that an effort is being made to hold back the information, because the City of Boston is afraid to come out and sell those tax title properties on Beacon, Hereford and other streets at \$5,000 or \$6,000. They are afraid to show that during this period of the depression they have been assessing the property owners of the city in this way. If they were making a real fight, a real endeavor to keep down the taxes, they could have reduced the rate from \$37 to \$30, and certainly if the taxpayers are, in any event, entitled to a fair and square balance sheet of the property of the City of Boston. The real effort should be toward an honest-to-God assessment of the real estate of the City of Boston, and then we will know whether it is good policy to borrow money this year to pay next year's bills, to be paid later by our taxpayers and their children. So I urge that the Mayor of Boston be on the level with the property owners of the city, before this year's tax bills are sent out and the money paid into the treasury of the City of Boston. Let us find out what the balance sheet of the city, the real balance sheet shows. We have been told a lot of times about the splendid condition of the city, how solvent it was, that it was able to borrow money from the banks and financial institutions at a lower rate than any other city. But that is foolish, as any child of ten years of age knows. Everybody who knows anything knows that the banks and financial institutions of the state are crammed with money that they cannot loan, because industry is where it is, and they are only too glad to loan that money to the only outfit, a city or town, that perhaps can give it back at some time. So the fact that we can borrow money to pay the salaries in the Police Department for the last sixty days of last year does not show that we are on a sound financial basis. It is our right, however, to know what the real balance sheet of the city is, and then if we think there is extravagance in the City of Boston or the Commonwealth of Massachusetts, we will be able to put some force into our arguments. But let us find out what these properties that we have been taking for non-payment of taxes are really worth. So I ask again that the Superintendent of Public Buildings, after the three and one half months' delay on our previous request, give us the information desired, especially on the 90 or 100 properties which are not vacant land, those properties that have buildings upon them.

The order was passed under suspension of the rule.

FINE AGAINST CERTAIN GASOLINE STATION OWNERS.

Coun. WILSON offered the following:

Ordered, That the Committee on Ordinances be requested, with the aid of the Corporation Counsel, to draft a new City Ordinance providing for the imposition of a fine against such gasoline station owners or proprietors as display a sign or signs advertising special rates on odd-gallon lots of gasoline, but who fail to attach to each of the gasoline pumps delivering such gasoline a sign of similar style and dimension.

Coun. WILSON—Mr. President, for the benefit of the other members of the Council, and I promise that I will run down after this order—this is aimed at another racket that has come to my attention, which is being practiced, and which I imagine may be somewhat familiar to other members of the Council, by those still fortunate enough to own or operate gasoline stations. Throughout the city you will see large signs at entrances of competing stations, "Seven gallons for 90 cents" or "Eight gallons for \$1," whatever the differential may be. The automobile driver goes into one of these stations to have gasoline put in his tank, and invariably finds out when he comes to pay the bill that the seven gallons for 90 cents or the eight gallons for \$1 does not apply to the particular pump at which he stopped, that he was not at the right pump to take advantage of the big sign at the sidewalk. I think it is time that this chiseling was stopped, and I am asking the Law Department to assist the Committee on Ordinances in drafting an ordinance which will make it necessary for the gasoline station proprietor to duplicate that sidewalk sign, putting a sign of the same dimensions at the particular pump where the supposed eight gallons for \$1, or whatever the price may be, is sold. I think this is a chiseling procedure that should be put a stop to, and the sooner the better.

The order was passed under suspension of the rule.

PAYMENT TO HARRY STARNFIELD.

Coun. BRACKMAN offered the following: Resolved, That the City Council of the City of Boston favors the enactment of legis-

lation for the payment of a sum of money to Harry Starnfield, for injuries received in a public school in the City of Boston, provided that such legislation contains a referendum to the Mayor and the City Council of the city of Boston.

Passed under suspension of the rule.

REPORT OF COMMITTEE ON PUBLIC LANDS.

Coun. KERRIGAN, for the Committee on Public Lands, submitted the following:

1. Report on message of Mayor and order (referred February 3) for release of land in Brookline—that same ought to pass.

Coun. TOBIN—Mr. President, I move that the matter be sent to the Executive Committee.

Coun. KERRIGAN—Mr. President, I ask the member from Dorchester why he wants to send the matter to Executive? Will the clerk read the order? It is very plain.

(The clerk read the order.)

President FITZGERALD—Do you insist on your motion, councilor?

Coun. TOBIN—Yes, Mr. President.

The report was accepted, and the President put the question on the motion to refer to the Executive Committee. The Chair, being in doubt, ordered a rising vote, and the order was declared referred to the Executive Committee.

ELECTRIC LAMPS IN WARD 13.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to supplant all gas lamps in Ward 13 with electric lights.

Passed under suspension of the rule.

SEAEVER STREET.

Coun. ROSENBERG offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to consider the advisability of making Seaver street one way, from Blue Hill avenue to Columbia road, Ward 14.

Passed under suspension of the rule.

WARD 14 STREETS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to resurface with smooth paving the following streets and avenues in Ward 14:

Clarkwood street, Bowdoin avenue, Rosseter street, Radcliffe street, Wales street, Woolson street, Ballou avenue, Jones avenue, Stanwood street, Stratton street, Devon street, Deering road, Fernboro street, Lawrence avenue, Harvard street, from Blue Hill avenue to Walk Hill street.

Passed under suspension of the rule.

BRANCH HOSPITAL IN DORCHESTER.

Coun. ROSENBERG offered the following:

Ordered, That the Board of Trustees of the Boston City Hospital be requested, through his Honor the Mayor, to investigate conditions and report to the City Council the advisability of the establishment of a branch hospital in the Dorchester area.

Passed under suspension of the rule.

GROCERY ORDERS FOR WELFARE APPLICANTS.

Coun. ROSENBERG offered the following:

Ordered, That the Overseers of the Public Welfare Department be instructed, through his Honor the Mayor, to issue grocery orders, pending investigation of the application, in all cases where the application for relief includes more than two persons.

Passed under suspension of the rule.

COLLECTION OF GARBAGE IN DORCHESTER.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to investigate the conditions of the Dorchester district relative to the present collection of garbage.

Coun. ROSENBERG—Mr. President, this is an order that deals with the collection of garbage in the Dorchester district. It has been called to my attention by a large number of the residents in my ward that for the last two weeks garbage has not been collected. One of the residents of the ward has told me that he has been burning garbage in his furnace, but does not think he will be able to keep the furnace going much longer with garbage in it. I also believe, following along a line similar to that taken by my colleague (Coun. Wilson), that perhaps constables of the city might be taken to investigate the matter of the delivery of coal, that some such steps might be taken to investigate this matter of the collection of garbage in the Dorchester district.

The order was passed under suspension of the rule.

RECESS.

The Council voted at 3.10 p. m., on motion of Coun. SELVITELLA, to take a recess subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.03 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on message of Mayor and order (referred today) for loan of \$500,000 for sewerage works—that same ought to pass.

The report was accepted and the question came on the passage of the order.

Coun. SHATTUCK—Mr. President, as I understand it, this is a loan order of \$500,000 for carrying on sewerage work. Last year we had \$250,000, and I believe in other years it has been \$500,000. But it has been an annually recurring expense. It is continuing to do work that must be done from year to year. It should be a part of the annual budget, should be treated as such, and by right should be raised from taxation each year. We should not borrow a nickel for it. I shall vote against the order, being opposed to borrowing for annually recurring purposes that should be included in the regular budget for the year and taken out of revenue.

President FITZGERALD—Still, it is for permanent construction work, and last year P. W. A. money was used, which has not been used this year.

Coun. SHATTUCK—I understand that it is permanent, but it comes in annual installments. We know in advance that we must spend the \$500,000 a year on sewers. Therefore, we should include it in the budget and vote for it as a budget appropriation. We should not load ourselves down with debt for such a purpose. It is just as much an annually recurring expense as maintenance of streets, buildings and other property.

Coun. WILSON—Mr. President, I move as an amendment that the proposed loan order be reduced from \$500,000 to \$250,000.

Coun. Wilson's amendment was declared lost. Coun. WILSON doubted the vote and asked for yeas and nays.

Coun. Wilson's amendment was rejected, yeas 4, nays 14:

Yeas—Coun. Norton, Shattuck, Tobin, Wilson—4.

Nays—Coun. Agnew, Brackman, Doherty, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Rosenberg, Selvitella—14.

The question came on the passage of the order as reported.

Coun. NORTON—Mr. President, I rise to a point of information. I would like to have the gentleman from Ward 5 tell us what his line of reasoning is for taking this money out of the tax levy?

Coun. SHATTUCK—Mr. President, if we know that we must spend a certain amount of money every year for maintaining sewers and keeping them up to date, it is an annual question and an annually recurring expense that should not be subject to borrowing. The legitimate purpose of borrowing is to provide for unusual expenses, non-recurring expenses, like the building of a city hall or of a court house, for instance. At one time schools were considered a subject for borrowing, and it was then found each year that it was necessary to build a certain number of schoolhouses. So for a number of years we went on the pay-as-you-go policy on school buildings, building such structures out of the revenue of the particular year. During the last several years we have lapsed from the policy, and, in my opinion, we should go back to it.

The order was given its first reading and passage, yeas 15, nays 3:

Yeas—Coun. Agnew, Brackman, Doherty, Finley, John I. Fitzgerald, Peter J. Fitzgerald,

Gallagher, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Rosenberg, Selvitella, Tobin—15.

Nays—Coun. Norton, Shattuck, Wilson—3. President FITZGERALD—The order has received its first reading and will come up for its final reading and passage in two weeks.

Coun. GALLAGHER in the chair.

2. Report on order (referred today) to release restrictions on land in Brookline—that same ought to pass.

Report accepted; said order passed, yeas 16, nays—Coun. Tobin—1.

PAYMENTS TO EDWARD McHUGH & SON.

Coun. SELVITELLA offered the following:

Ordered, That the City Auditor be requested, through his Honor the Mayor, to withhold all payments due, or to become due, to Edward McHugh & Son for the removal of ashes and garbage in the East Boston district unless and until he receives a certificate from the Commissioner of Public Works that the terms of the contract have been strictly complied with, and that he be further requested to deduct from payments due, or to become due, under said contract the amount, if any, allowed said Edward McHugh & Son for snow-removal work.

Coun. SELVITELLA—Mr. President, on one other occasion I filed a similar order inquiring into the propriety of certain payments made to contractors who were engaged in the removal of ashes, but who used their trucks for the removal of snow. For purposes of the record I quote registration B173 and B176, used as part of the equipment of Edward McHugh & Son, who had the contract for removal of ashes and garbage in East Boston. The total equipment of this concern amounts to four trucks, which are used or supposed to be used under the terms of the contract for six days in the week throughout the year. During the month of February, at the time of the snowstorm, the trucks I have mentioned were engaged in the removal of snow in East Boston, leaving only two trucks for the removal of ashes. This contractor received from the City of Boston \$2,499 for the removal of ashes and garbage. Up to the present time he has received, or will receive, for the removal of snow in East Boston \$1,165 for the month of February. I say it is unjust and unfair that men who become a party to a contract and obligate themselves to perform a certain service should, at a time when their trucks are being so engaged, take from the service two of the four trucks used, and in return get paid by the City of Boston for the use of the trucks, in this instance, in the snow-removal service. It does not require a practical mind to understand that if two of the four trucks are removed from the work of taking away ashes and refuse, that service is curtailed and complaints follow. That has been the practice for a number of years, and I think some action ought to be taken by this Council to stop this growing evil and prevent contractors from receiving double payment from the City of Boston. Men who may legitimately engage in snow-removal work with their trucks are not able to get snow work, yet these favored few are able to put on such work the very trucks that they are being paid to employ in another service. This contractor has received, or will receive, for the removal of snow in East Boston for the month of February \$1,165, and if the Commissioner of Public Works is sincere and wants the facts he has but to go to the East Boston yard and ascertain them. If he finds that these trucks are being paid for in this way, or will be paid for, I am calling upon the auditor to withhold payment until such time as this matter has been properly adjusted, and if this order is referred to the Committee on Public Safety I hope the chairman will call a public hearing. Let us get the facts and, once and for all, stop this growing practice.

Coun. BRACKMAN—Mr. President, year after year we hear hundreds of complaints of a similar nature from practically all the districts where the contractors are doing work. It seems to me we should have some machinery of the City Government that will enable us to have a check and balance on contractors who have contracts with the City of Boston and are placed under bond for performance of their contract, so that they will live up to their duties. Although we do not have contractors in my ward to collect garbage and ashes, I am deeply interested in the situation that exists in the city at large. I think these contractors get away with murder, violating their contracts left and right. Hundreds and hundreds of complaints are made, and yet nothing is done to relieve the situation. It seems to me, as one who has had some legal

training, that the proper place for this to go is to the Law Department, where the question of whether these contracts are being violated can be passed upon, and then if it is found that the contractors are breaking their contracts, they can be sued for violation of the contract. I am thoroughly in accord with the action the councilor is seeking, and I hope something will be done by the Law Department to protect the citizens of Boston.

The order was passed under suspension of the rule.

CONTRACT WITH JOSEPH P. McCABE COMPANY.

Coun. McGRATH offered the following: Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to cancel the contract between the City of Boston and Joseph P. McCabe Company, for removal of ashes and garbage in the Dorchester district, for the reason that the said contractor has failed to abide by the terms of the contract, and has so neglected the removal of ashes and garbage as to cause serious inconvenience and discomfort to the residents of the Dorchester section.

Coun. McGRATH—Mr. President, I have telephoned Mr. McCabe, who had the contract in the Dorchester district, about twenty-five times, leaving my telephone number so that he might call me, because of this neglect to collect ashes and garbage. In my own instance he did not make the collection for thirteen days on one occasion and twelve days on the next. When you phone to his office he is never there; if you telephone his house they tell you to call his office. I would like to know where he can be found. I believe he has trucks on the snow, and the Public Works Commissioner informs me that he will let me know. I have had about one hundred complaints in my district. Yesterday I received twenty complaints about the ashes. One morning about a month ago I was walking up the street about quarter after six, and one of the men was working. I said, "Aren't you out rather early?" He said, "Yes." "And what time do you get through?" "I may get through at six, it may be seven, or it may be eight at night." "How much do you receive a day?" "\$4." "How much was received under the previous contractor?" "\$4.50." I said, "Can I use your name?" He said, "No; I will get fired." I have asked the chairman of the Public Safety Committee to call a hearing upon this contractor, bringing him in here where he cannot duck out and having him give an account to the people of my district of why he has not removed the garbage.

Coun. TOBIN—Mr. President, I am glad to supplement the remarks of my colleague from the neighboring ward. The holder of this contract was always a chiseler, and his service to the city in the past has been unsatisfactory. I am satisfied that the contract has been violated by him and that he should lose it. In the first place, as stated by the other councilor from Dorchester, he does not fairly treat his employees. For many years the contractors who have taken over this work in the district, where they have succeeded other contractors, have always employed the men employed by the previous contractor. That was a gentleman's understanding, understood by everybody in the district. But this man who took the contract over this year, when it had been held by a different man last year, refused to employ the men in the district employed by the previous contractor, but hired men outside of the city and in at least two instances, men outside the state and in one instance a man outside the country. Furthermore, the service given to the people of Dorchester has been very poor. During my service I have before this received occasional complaints, but in this particular instance, since this man has had the contract, they have been so numerous, so general, so well founded, that as a matter of public duty, I rise to protest against the treatment this man is giving the city and the people of Dorchester. I am satisfied that if a hearing is held, as suggested, the evidence will reveal that this man has violated the contract and therefore should lose it. I am not interested in any particular contract, but it is very important for us to consider in this man's case that he secured the contract as a low bidder. He is carrying it out as a spite contract, caring not if he did not make a quarter. He secured it simply because he wanted to take it away from the previous contractor. Because of that fact the people of Dorchester are suffering and the citizens are not getting what they are paying for.

Coun. NORTON—Mr. President, I believe the power to remedy the situation exists in the Council, as expressed in executive session. We have the power to remedy the situation by holding public hearings, and I think then we will find after a few weeks that something

has been done. It will be a good thing for the city to hold such hearings, as well as on the coal and oil delivery question. If we go on in the usual way and simply argue, we will get nowhere. I will guarantee that if public hearings are held here in regard to East Boston, Dorchester and other sections, we will obtain a remedy for this situation.

Chairman GALLAGHER—The order will be referred to the Committee on Public Safety.

Coun. AGNEW—Mr. President, as chairman of the Committee on Public Safety I want to assure the councilors who have spoken and who have received complaints in regard to various contractors, that I will call a meeting of that committee as quickly as possible. But when the meeting is called, I hope the councilors who have raised these objections and told us about the many complaints they have received will be present at the meeting and will also have some evidence that will be directed to the point they have in mind. If there are any councilors who have complaints they wish to register, I shall be more than pleased if they will do so and if they will be present at any meetings we may have.

Coun. NORTON—Mr. President, I rise to a point of information. Do I understand that there is to be a public hearing?

Coun. AGNEW—Mr. President, the Committee on Public Safety can hold a public hearing, if that is the wish of the Council. The committee is at the service of the Council.

Coun. NORTON—Then, Mr. President, if it be in order I would move that there be a public hearing on this matter. Let us have that settled right here and now, so that we may remedy this situation.

Chairman GALLAGHER—The Chair will rule that the Committee on Public Safety can handle the matter, and that the committee can decide whether it will hold a public hearing or not.

Coun. NORTON—Mr. President, if in order I would move that that committee be directed to hold public hearings.

Chairman GALLAGHER—We cannot direct. We can request.

Coun. NORTON—Then, Mr. Chairman, I make the motion that this body request that public hearings be held.

Coun. Norton's motion, requesting the Committee on Public Safety to hold public hearings on the matter, was carried.

ELECTRIC LAMPS IN WARDS 15 AND 16.

Coun. McGRATH and TOBIN offered the following:

Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to supplant all gas lamps in Ward 16 and Ward 15 with electric lamps.

Coun. McGRATH—Mr. President, there is a contract, I believe, coming up with the gas company, and I think there is something in the contract which says that they will allow the electric light company to install 4,700 electric lights in place of gas lights without changing the contract. In my section of Dorchester, on one of the oldest streets out there, we have gas lights, through no fault of the people, who have complained for the last eight years. I would like to see every street in my section with electric lights in place of gas lights. I move a suspension of the rule for the passage of the order.

The order was passed under suspension of the rule.

CLEANING OF SOUTH BOSTON STREETS.

Coun. KERRIGAN and GEORGE MURRAY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to promptly clean all streets in the South Boston district so that they will be in proper condition for the Evacuation Day celebration on March 17.

Passed under suspension of the rule.

COLLECTION OF ASHES IN WARD 7.

Coun. KERRIGAN offered the following: Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to instruct Joseph P. McCabe, Inc., to comply with the terms of his contract and make immediate collections of ashes and garbage now in containers on the various streets in the Dorchester section of Ward 7 and to arrange for prompt and regular collections in the future.

Referred to the Committee on Public Safety.

DISPLAY OF FLAGS MARCH 4.

Coun. FINLEY offered the following:

Ordered, That his Honor the Mayor be requested to consider the feasibility of ordering the flags displayed on Public Buildings to be displayed at half-mast on March 4, 1936, and each year thereafter, in commemoration of the deceased Presidents of the United States.

Coun. FINLEY—Mr. President, just a few words on this order. My purpose in introducing it is this. We have had thirty Presidents of the United States, and of this number twenty-four were inaugurated on the 24th of March. Something more than the customary display of the flag at half-mast at the time of the death of our deceased Presidents should be accorded to them. For instance, on the birthdays of Washington, Lincoln and Grant the flag is displayed. For those three heroes this would be an added honor, and for the others it would be a just tribute. March 4 is associated with so many of our Presidents that I believe it would now be fitting to observe it in recognition of those who have passed away. If the intention of this order is carried out, we will display the flag at half-mast in honor of our deceased Presidents on the fourth of March. I think that would be very appropriate, inasmuch as the fourth of March is now to be discontinued as inauguration day.

The order was referred to the Committee on Ordinances.

ELIMINATING PERFORMANCE BONDS.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of eliminating performance bonds.

Coun. NORTON—Mr. President, this order has to do with performance bonds on city work. The Governor of New York State recently, in his address to the New York Legislature, recommended, in so far as New York State is concerned, that performance bonds be eliminated. The Mayor of New York at the present time has made recommendations along that same line, stopping performance bonds for New York City. I am asking our Mayor here to stop performance bonds in Boston. If that is done it will eliminate the so-called bonding racket in this city, to which I have always objected and which I have for many years felt should be eliminated. Of course, it is proper for the city to cover itself by certain provisions of the contract relative to payments, providing certain conditions upon which payment shall be made. If the great state and city of New York can see fit to eliminate so-called performance bonds, saving a million dollars a year, in this city, with a probable saving of \$100,000 a year, we ought to be interested in doing the same thing.

The order was passed under suspension of the rule.

PREFERENCE TO FORMER EMPLOYEES.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of giving preference in re-employment to those city employees, with good records, let go during the first part of his administration.

Coun. NORTON—Mr. President, this order has seemed to cause a little difficulty in the Council, but one gentleman here says that it doesn't cause any trouble in the Council, but downstairs! I think that is well put. I don't want to be unfair, but I have introduced this order at every meeting since these folks were let go, and I intend to do so as long as I am in the Council. I have informed the Mayor of Boston that I am doing so without the slightest bit of rancor or feeling, but because I think a very serious injustice has been done. I don't know of anything that touches any one so much as to see a man let go when he has served the city for thirty-eight, thirty or twenty-five years. I know that all Mayors have done that, that this is not the first Mayor to do it. Nevertheless, two wrongs do not make a right. It is a terrible thing to send a man out on the streets after thirty-eight years of faithful labor for the city. I think every member of the Council will agree with that. Of course, there is only one thing I can do, and that is to continually present this order at every meeting of the Council. You ask, "What good does that do?" Well, it may do some good. Some cognizance may be taken of the order that I have been putting in so continuously, and which at our last meeting was sent to the Committee on Rules. Just what that committee is for, nobody knows. Nevertheless, for two years I have been introducing this order, and I propose to continue. The Chair may think that it is out of order. Somebody downstairs, perhaps, does not want to hear about it. However, without any feeling, I think I have a right to introduce the order. I am simply asking that these poor

unfortunates, who were sent home after twenty-five to thirty-eight years of employment by the city be given preference in re-employment. Doesn't that sound fair? Apparently somebody doesn't like this repetition of orders on the floor of the Council. I am sorry for that, as I have no intention of creating hard feelings on the part of anybody. I think, however, that that is an entirely fair request.

Chairman GALLAGHER—Inasmuch as the wording of the order has been changed, it might be acted on by unanimous consent, if there is no objection.

Coun. AGNEW—I would ask if it might not be well to frame the order so as to include the names of individuals concerned?

Coun. NORTON—I can give the names of enough individuals, if that is desired. It would no doubt make the order far stronger to give the names of individuals. But I don't think it would be fair to the individuals or to their families to hold them up to publicity. I don't think I would like to have my father's name mentioned if he had worked for thirty-eight years for the city and then had been fired.

There being no objection the order was passed under suspension of the rule.

IMPROVEMENT OF STREETS WITH W. P. A. LABOR.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the matter of arranging to fix every non-major street in Boston with the aid of W. P. A. labor.

Coun. NORTON—Mr. President, we have a smaller street mileage than any other city in America with a population of 700,000 or more people. We have 600-odd miles of streets, Detroit has 2,600, Philadelphia 2,400, Cleveland 2,100 miles. Yet we have hundreds of miles of streets that are in bad condition. Uncle Sam, through the medium of the W. P. A., offers us an opportunity, if we furnish the materials, to fix the streets. An engineer in the Public Works Department informs me that it would not be a hard thing to do. Using a bituminous product, four inches of crushed stone and a little binder and a roller, it can be done for 97 cents a square yard. That is what the Legion Boulevard cost per square yard in Roslindale. Here is an opportunity to fix the roads still more cheaply. Road engineers tell us that with the use of bituminous products and crushed stone and a roller, putting in several inches, they can fix these streets for a nominal sum. Next year it may be too late. I certainly trust, for the benefit of the streets in my ward and in other wards, this order will pass.

The order was passed under suspension of the rule.

Adjourned at 4.40 p. m., on motion of Coun. McGRATH, to meet on Monday, March 2, 1936, at 2 p. m.

NO COST CONTROL FOR REFUSE DISPOSAL.

American cities on the whole may be clean housekeepers, but they don't know how much it is costing them to be clean or whether they are spending too much. Only a few cities are able to report accurately the unit cost of removing garbage and other refuse and of cleaning streets, according to the Public Administration Service of Chicago, Ill., which further reports that at least 90 per cent of the cities in this country have no cost control over this service.

SEWAGE TREATMENT PLANT CONSTRUCTION ON THE INCREASE.

Owing to the economic conditions prevailing during the past year, there was but a relatively small volume of sewage treatment plant construction. Within recent months, however, there has been a decided impetus to new construction of this type growing out of the Public Works Administration allotments. Nearly 700 cities have received allotments of funds from the P. W. A. for sewerage or sewage treatment, involving an aggregate expenditure of well over \$200,000,000.

PROCEEDINGS OF SCHOOL COMMITTEE.

Feb. 17, 1936.

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 8:20 o'clock P. M., the Chairman presiding.

Present: Messrs. Lyons, Mackey, Smith, Sullivan and Tobin.

APPROVAL OF MINUTES

The reading of the minutes of the previous meeting was omitted, the Committee approving them as printed.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of teachers as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

DEATH

The Superintendent reported the death of the following-named teacher who had been retired on pension:

Woodrow Wilson Intermediate District—Edith A. Scanlon, Jan. 31, 1936.

Placed on file.

RESIGNATION

The following resignation, reported by the Superintendent to take effect on the date stated, was presented:

Department of Household Science and Arts—Elinor M. Long, teacher of sewing, elementary, Jan. 31, 1936.

Accepted

RETIREMENTS ON PENSION

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting that in accordance with the provisions of Section 11 of Chapter 521 of the Acts of 1922 and the order passed Feb. 6, 1933 (see p. 19), he has made application for the retirement of Abigail Linnehan, first assistant, kindergarten, Dearborn District, because of ordinary disability.

Placed on file.

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting the retirement from active service of the following-named member of the Boston Retirement System, as certified by the Boston Retirement Board, under date of Jan. 31, 1936:

Dearborn District—Abigail Linnehan, first assistant, kindergarten, Jan. 31, 1936.

Placed on file.

The Superintendent offered the following:

ORDERED, That the following-named teacher is hereby retired on pension in accordance with the provisions of Chapter 589 of the Acts of 1908, as amended by Chapter 617 of the Acts of 1910, Chapter

569 of the Acts of 1912, and Chapter 304 of the Special Acts of 1915, the date of retirement and rate of pension to be as hereinafter specified:

Elloit District—Mary E. Hartnett, master's assistant, Feb. 29, 1936, \$600.

Passed by unanimous vote.

APPOINTMENTS AND TRANSFER

The following appointments and transfer certified by the Superintendent as being in accordance with the rules and regulations, to take effect on the date stated, were presented:

TRANSFER OF PRINCIPAL

Frederick A. Guindon, master, Quincy District, to the same position in the Lewis Intermediate District, March 9, 1936.

Approved.

(BY PROMOTION) (Principal)

(To fill vacancy resulting from retirement on pension)

Quincy District—Francis A. Duffey, master (from sub-master, Francis Parkman District), March 9, 1936.

Laid over.

(FROM THE ELIGIBLE LIST)

(To fill vacancy caused by retirement on pension).

Department on Household Science and Arts—Marie L. Daly, teacher of sewing, elementary, Mar. 9, 1936.

Laid over.

Approved.

DEPARTMENT OF EXTENDED USE OF THE PUBLIC SCHOOLS Term 1935-1936

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named persons to serve in the Department of the Extended Use of the Public Schools, for the term 1935-36:

Club Leader—Walter E. Shaughnessy, Feb. 7, 1936.

Leader—Esther F. Glavin, Feb. 7, 1936.

Assistant Leaders — Edward M. Barry, Jan. 29, 1936; James E. McAllister, Feb. 12, 1936.

General Helper—James E. McAllister, Feb. 20, 1936.

Helpers—John B. Martin, William J. O'Connell, Jan. 10, 1936; Annie J. Killoran, Jan. 29, 1936.

Attendant — Annie J. Killoran, Jan. 24, 1936.

Approved.

DESIGNATION

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting that he has made the following designation of a teacher to serve in the position indicated until such time as it shall be filled otherwise in accordance with the rules and regulations, but not beyond Aug. 31, 1936:

Dillaway District—Blanche M. Gorfinkle, assistant, kindergarten, as acting first assistant, kindergarten (vice Mary H. Crotty, absent on leave), Dec. 18, 1935.

Placed on file.

TERMINATION OF SERVICE IN AFTERNOON KINDERGARTEN

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting that subject to the approval of the School Committee, he has terminated the service of the following-named teacher in the afternoon

sessions of the kindergarten indicated, to take effect on the date stated:

Dillaway District—Blanche M. Gorfinkle, assistant, kindergarten, Jan. 31, 1936.

Placed on file and the termination of service approved.

HOME INSTRUCTION OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Feb. 17, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named temporary teachers for home instruction of physically handicapped children, to take effect on the dates stated:

Margaret M. McCann, Feb. 10, 1936; Helen A. Mahoney, Feb. 24, 1936.

Approved.

EMPLOYMENT OF SPECIAL ASSISTANT IN READING CENTER

On motion of the Superintendent, it was

ORDERED, That for the remainder of the current school year, the Superintendent is hereby authorized to employ a special assistant in the reading center of The Teachers College, compensation to be at the rate of five dollars (\$5) per day of service.

ATTENDANCE AT CONVENTION

On motion of the Superintendent, it was

ORDERED, That Susan J. Ginn, Director of Vocational Guidance, is hereby authorized to attend the meeting of the National Vocational Guidance Association, to be held at St. Louis, Mo., Feb. 17 to 22, 1936, inclusive, at an expense to the city not to exceed one hundred dollars (\$100), and is hereby granted leave of absence without loss of pay for the period Feb. 24 to 28, 1936, inclusive.

On motion of the Superintendent, it was

ORDERED, That Joseph A. F. O'Neil, Master, Warren District, is hereby granted leave of absence without loss of pay for the period Feb. 24 to 28, 1936, inclusive, to attend the annual meeting of the Department of Superintendence of the National Education Association, to be held at St. Louis, Mo.

PAYMENT OF PENSION DUE AT DEATH

On motion of the Superintendent, it was

ORDERED, That the amount due Edith A. Scanlon, deceased pensioned assistant, intermediate, in the Woodrow Wilson Intermediate District, be paid to her sister, Angela I. Scanlon.

ESTABLISHMENT OF SPECIAL CLASS CENTER

On motion of the Superintendent, it was

ORDERED, That the Samuel G.

Howe Special Class Center is hereby established in the Norcross District.

APPRECIATION OF SERVICES OF MR. SNOW

The following was offered:

ORDERED, That the School Committee herewith tenders to Mr. William B. Snow, Assistant Superintendent Emeritus, this expression of appreciation of the service he has rendered to the Boston public schools as the School Committee representative on the unpaid Special Commission on Municipal Finance, which Commission was appointed under the provisions of Chapter 48, Acts of 1935, to make investigation and study relative to the municipal finances of the City of Boston.

The order passed by unanimous vote.

DEATH OF CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Feb. 17, 1936, reporting the death, on Feb. 7, 1936, of Edward J. Peterson, custodian, Public Latin School-house, and recommending that the salary due him be paid to his brother, Otto A. Peterson.

Placed on file.

On motion, it was

ORDERED, That the salary due Edward J. Peterson, late custodian of the Public Latin School-house, be paid to his brother, Otto A. Peterson.

RETIREMENT ON PENSION

A communication was received from the Schoolhouse Custodian, under date of Feb. 17, 1936, reporting the retirement from active service of the following-named member of the Boston Retirement System, to take effect on the date stated:

George F. Barry, custodian, Dorchester High School for Boys, Jan. 31, 1936.

Placed on file.

CERTIFICATION OF AREAS

A communication was received from the Schoolhouse Custodian, under date of Feb. 17, 1936, transmitting a certification of the areas of the Patrick F. Gavin School-house, upon which the compensation for custodian service is based, to take effect Jan. 24, 1936.

Placed on file and the Chairman authorized to approve such certification, to take effect on the date stated.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Feb. 17, 1936, recommending that the following-named custodians be granted leave of absence on one-half net compensation for the periods specified because of personal illness:

John P. Barton, custodian, William Cullen Bryant School-house, Feb. 3 to 7, 1936.

Oliver L. Fortin, custodian, James J. Chittick School-house, Jan. 31 to Feb. 29, 1936.

William P. O'Brien, custodian, John Cheverus School-house, Feb. 17 to Apr. 15, 1936, inclusive.

Frederick J. Wright, custodian, William H. Kent School-house, Feb. 7 and 8, 1936.

Placed on file and leave of absence on one-half net compensation granted for the periods specified.

ANNUAL REPORT, BOARD OF TRUSTEES OF THE PERMANENT SCHOOL PENSION FUND

The twenty-eighth annual report of the Board of Trustees of the Permanent School Pension Fund for the financial year ending Dec. 31, 1935, was received. The total amount appropriated for pensions during the year was \$30,000; the balance unexpended, 1934, from pension appropriation was \$14,882.55; reimbursement received from the State, \$91,359.72; total, \$136,242.27; total payments to pensioners, \$126,555.86; balance unexpended, 1935, \$9,686.41. The total fund, Dec. 31, 1935, was \$1,211,963.02. Total number of teachers drawing pensions, Dec. 31, 1934, 263; number added during the year, 14; deaths during the year, 24; number now drawing pensions, 253.

The report was accepted.

DEFERRED MEETING

The Chairman stated that the next regular meeting of the School Committee, March 2, 1936, will be deferred until the following Wednesday, Mar. 4, 1936, at 6 o'clock, because Mr. Smith will be absent from the city on Mar. 2, 1936.

UNFINISHED BUSINESS

Mr. Smith: There is a motion of mine on the table, laid over Jan. 20, 1936, that the Press be invited to attend the conferences of the School Committee. I would like to bring it on the floor tonight.

Dr. Lyons: I second that motion heartily.

Dr. Mackey: I would appreciate it if action could go over until the March 4 meeting, if that is agreeable to Mr. Smith.

Mr. Smith: Certainly, but I shall demand on that night action on this motion. I postponed it once at the request of Mr. Tobin and now am glad to do it for Dr. Mackey, but on March 4 I shall insist upon a vote.

Dr. Lyons: I agree with Mr. Smith. It should be accepted or rejected. I am glad to see that he is willing to postpone action until the next meeting, but I agree that we should have a vote on it at that time.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

JAMAICA SPENDS \$1,000,000 ANNUALLY ON ROAD CONSTRUCTION AND MAINTENANCE.

Jamaica, an English possession, has a highway system which is almost entirely constructed of waterbound macadam, some 70 miles of which has been surface-treated. Many of the roads are under the supervision of the Department of Public Works and various parochial boards. There are about 2,500 miles of bridle and foot paths. The highway system connects all parts of the island in a very satisfactory manner, and the problem is not that of the construction of new roads, but the improvement of old ones, the surfacing and widening of these roads, and protective coatings. The roads are well maintained and, as there are not many heavy trucks, the maintenance is satisfactory. There are approximately 4,000 miles of highways, or 1.11 square miles of area to one mile of highway.

About a million dollars per year is spent on new construction and maintenance, the machinery used being both European and American.

(From a report of the American Road Builders' Association.)

RELIEF-ROLL EMPLOYEES FOR SNOW REMOVAL.

It was good news to cities throughout the country when the Federal Emergency Relief Administration notified State Emergency Relief Administrations that men on relief rolls might be used for snow-removal projects in all communities where there was need for such labor. This action gave work to thousands of men who were in urgent need of help, and at the same time it aided materially in keeping streets and sidewalks open for traffic in many communities where street cleaning departments were financially unable to cope with the storm.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR HAY, GRAIN AND STRAW.

Sealed proposals will be received at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Tuesday, March 17, 1936, at which time and place they will be publicly opened and read, for furnishing hay, grain and straw to the various city departments. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bidder must include the cost of delivery. The bidders are requested to bid on United States No. 2 timothy hay. Hay must be no less than 40 per cent green. The grade of hay must comply with the federal hay grades, and No. 2 white oats to test no less than thirty-six pounds to bushel graded under federal standards. The hay and oats must be weighed by sworn weighers and on the scales designated by the Superintendent of Supplies. All articles covered by this contract shall be the growth production of the United States. The bidder must use the form of proposal to be obtained at Room 801, City Hall Annex. Proposals must be accompanied by a certified check for \$200. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder. No reservations or stipulations submitted by the various bidders will be considered by the Superintendent.

D. FRANK DOHERTY,
(Mar. 7.) Superintendent of Supplies.

COST OF UNEMPLOYMENT RELIEF.

The annual cost of various types of unemployment relief made by the National Industrial Conference Board, based on 3,500,000 relief cases, have been estimated at from a little less than \$1,000,000,000 for direct relief of the type received by more than half of the persons now on the relief rolls to over \$8,000,000,000 for public works relief, with full-time employment, at the "prevailing wage" rate. According to the report released February 28 the story is:

"The average cost of direct relief per case during the third quarter of the past year was at the rate of slightly over \$280 per year. At this annual rate the total cost for 3,500,000 cases would amount to \$989,000,000. The average cost of work relief has been around 50 per cent greater than the cost of direct relief. The average for the third quarter of 1934 was slightly over \$35 per month, or around \$420 per year. Continuous employment for 3,500,000 persons during a period of twelve months would cost \$1,475,000,000.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FRUITS AND VEGETABLES.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments, fruits and vegetables, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. There will be a charge of thirty cents (\$0.30) for each blank proposal taken out. The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Thursday, March 19, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Mar. 7.) Superintendent of Supplies.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING MEATS.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments, meats as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out. The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read on Tuesday, March 17, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Mar. 7.) Superintendent of Supplies.

CITY OF BOSTON.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, MARCH 14, 1936.

No. 11

BOSTON'S EXPENDITURES FOR RELIEF BY OVERSEERS OF PUBLIC WELFARE DEPARTMENT SHOWING STEADY DECLINE, WITH 483 LESS CASES ACTIVE THIS PAST WEEK THAN DURING THE WEEK PREVIOUS AND 2,158 LESS CASES THAN WERE HANDLED DURING THE SAME WEEK OF LAST YEAR — FINANCIAL DEMANDS DURING THE WEEK DROPPED \$3,154.32, FROM \$211,215.81 TO \$208,061.49.

That there has been a steady improvement in the welfare relief situation for the City of Boston has been shown by the gradual decline in the numbers on the rolls of the department and the lessening of the funds required for the service.

The number of active cases on the welfare rolls last week was 27,968. For this week the number has declined to 27,485, while for the same week of last year the number on welfare relief was 29,643. Expenditures during the week immediately passed amounted to \$208,061.49; for the week before they were \$211,215.81, and the sum for the same week of last year amounted to \$223,173.83. To date there has been expended for relief purposes the sum of \$2,171,464.65 since the beginning of the year.

One of the interesting features of the report as presented for the week is the fact that \$109,367.21 has been collected from the outside cities and towns and from the state as refunds for aid given to citizens other than those of Boston settlement. Collections by the Welfare Department on account of the City Hospital amounted to \$19,640.15. The expenditures as listed include February charges for fuel, medicine, burials, cities and towns and rents.

The full report for the week as presented in tabular form follows:

STATISTICAL REPORT AND FINANCIAL STATEMENT FOR WEEK ENDING MARCH 7, 1936.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, March 16, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending March 7, 1936:

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

PUBLIC WORKS DEPARTMENT (Sewer Service).

Upon March 10 the Mayor approved permission to award a contract to the Bethlehem Shipbuilding Corporation, Limited, for repairs to No. 2 and No. 3 pumps, Union Park street station. The following bids were received March 6:

Bethlehem Shipbuilding Corporation, Limited, \$1,050; The Marine Company, \$1,380; Boston Engineering Company, \$1,500.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts for supplies, labor, etc., as indicated. Communications from the several departments interested were as follows:

ART COMMISSION.

BOSTON, March 5, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Your permission is respectfully requested to the award of a contract for the bronze work for the improvement and embellishment of the Bunker Hill memorial tablets, Winthrop square, Charlestown, without advertising, to the Gorham Company, Bronze Division, for the following reasons:

The re-enframing in bronze of the existing bronze tablets and the resetting of the united tablets to the new stone monuments is a delicate and unusual piece of work. It has required on the part of the bidders given below repeated visits to the existing monuments, the taking of many measurements to check the proposed work, an exploration of the unexposed portions of the existing tablets and many personal conferences with this commission.

The reputation of these bidders and past work of a similar nature done by them for the commission or its members proves them as particularly adapted to this complicated job. Also we are eager to get the work started just as soon as possible so that it may be fully completed before the annual celebration by the city on June 17, 1936.

The three bids for this bronze work received are as follows:

T. F. McGann & Sons Co., \$2,618; E. T. Ryan Iron Works, Incorporated, \$1,496; The Gorham Company, Bronze Division, \$1,300.

The lowest bidder, The Gorham Company, Bronze Division, is well fitted to undertake without further delay the work of taking down the existing bronze tablets, cleaning, mending and refinishing the same, building new bronze enframements for these tablets and re-erecting this work on the new stone background.

The contract based on our scale and full-size drawings is for \$1,300.

Respectfully yours,

ROBERT P. BELLOWES,
Chairman, Boston Art Commission.

BOSTON, March 5, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Your permission is respectfully requested to the award of a general

contract for repairs and alterations for the improvement and embellishment of the Bunker Hill memorial tablets, Winthrop square, Charlestown, without advertising, to D. F. & W. G. Burns, Incorporated, for the following reasons:

The work involved by reason of the retention and matching of as much of the old stone work as possible is a somewhat complicated proceeding. It has required on the part of the bidders given below repeated visits to the existing monuments, the checking of grades and sizes and many personal conferences with this commission.

The reputation of these bidders and past work of a similar nature done by them for the commission or its members proves them as particularly adapted to this job. Also we are eager to get the work started just as soon as possible so that it may be fully completed before the annual celebration by the city on June 17, 1936.

The three bids received for this work are as follows:

Walter A. Wentworth Company, \$4,605; Angus MacDonald & Sons, \$4,833; D. F. & W. G. Burns, Incorporated, \$3,990.

The lowest bidder, D. F. & W. G. Burns, Incorporated, is well fitted to undertake without further delay this work, which includes excavation, new concrete foundations, two new stone monuments, retaining walls and steps, terrace, sidewalks and drilling. The work does not include the bronze work (except dowels), which is under a separate contract, nor the possible ornamental carving.

The contract based on complete drawings and specifications prepared by this commission is for \$3,990.

Respectfully yours,

ROBERT P. BELLOWES,
Chairman, Boston Art Commission.

SUPPLY DEPARTMENT.

BOSTON, March 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Under date of February 14, 1935, a contract was awarded to Johnson & Johnson for furnishing approximately 1,000,000 yards of absorbent gauze to the various hospitals of the City of Boston, at a price of \$0.0225 per yard, for the period ending December 31, 1935.

After the termination of this contract on December 31, 1935, and before the new contract for 1936 was advertised and awarded, this department received a requisition, dated January 18, 1936, from the Boston City Hospital for 100,000 yards of gauze. This order was given to the former contractor, namely, Johnson & Johnson, at the reduced price of \$0.02146 per yard, as the Boston City Hospital requested immediate delivery.

The total amount of this order was \$2,146, and in view of the emergency that existed at that time I would respectfully request that permission be granted me to award a contract, without publicly advertising for same, to cover this emergency order, to Johnson & Johnson, for furnishing to the Boston City Hospital 100,000 yards of absorbent gauze at a price of \$0.02146 per yard.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

ADDITIONS TO AND DEDUCTIONS FROM CONTRACTS.

The following additions to and deductions from contracts have been approved:

DEPARTMENT OF SCHOOL BUILDINGS.

Rugo Construction Company, Incorporated, has been ordered to deduct from the contract for the Shurtleff School for labor on temporary heat not used: Amount of labor called for 4,000 hours at \$1.40, \$5,600; amount of labor used, 2,399 hours at \$1.40, \$3,358.60—\$2,241.40, and the amount of \$2,241.40 will be deducted therefor, making the account as follows: Contract price, \$636,800; total additions, \$8,933.23; total deductions, \$2,241.40; amount of contract, \$643,491.40.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of October 28, 1930, determining damages caused by the making of the public improvement, consisting of the widening and relocation of North Harvard street, be, and the same hereby is, amended, by striking from said order the name Harry P. Chadwick T. T., \$700, in said order and inserting in place thereof the name Arthur P. Crosby, trustee in bankruptcy of estate of Lewis T. McKenney; that the amount \$700 be, and the same hereby is, awarded to Arthur P. Crosby, trustee in bankruptcy of estate of Lewis T. McKenney, for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of December 18, 1935, determining damages caused by the making of the public improvement, consisting of the widening and construction of La Grange street, be, and the same hereby is, amended, by striking from said order the name Alice M. Keenan in said order and inserting in place thereof the name South Weymouth Savings Bank, that the amount \$500 be, and the same hereby is, awarded to South Weymouth Savings Bank for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of October 9, 1936, determining damages caused by the making of the public improvement, consisting of the widening and relocation of Centre street, be, and the same hereby is, amended, by striking from said order the name Margaret L. Ferrin in said order and inserting in place thereof the name Mary F. Cunningham; that the amount \$225 be, and the same hereby is, awarded to Mary F. Cunningham for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of June 28, 1934, as amended March 28, 1935, determining damages caused by the making of the public improvement, consisting of the laying out and construction of Peak Hill road, be, and the same hereby is, amended, by adding to said order the amount \$80 as an award to Hedley V. Howlett; that the amount \$80 be, and the same hereby is, awarded to Hedley V. Howlett for the damages so sustained.

CITY DEPARTMENTS THANKED FOR AID DURING HARBOR BLAZE.

The following is a copy of letter addressed to his Honor the Mayor from Rollin L. Tilton, Lieutenant-Colonel 9th C. A., Commanding, Headquarters Harbor Defenses of Boston:

HEADQUARTERS HARBOR DEFENSES OF BOSTON,
OFFICE OF HARBOR DEFENSE COMMANDER,
FORT BANKS, MASS.,
February 10, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—I wish to express to you my thanks for the assistance rendered the Harbor Defense by the City Institutions Department and the Fire Department in controlling and extinguishing the fire which destroyed certain buildings on and damaged the wharf at Fort Strong, Long Island, on the night of February 5.

The fire was discovered and reported by an inmate of the Long Island Hospital, who, with certain other inmates and the hospital fire department, came promptly to the assistance of the caretakers at Fort Strong and fought the fire from the shore end, thereby assisting in saving that end of the wharf.

The Fire Department answered the alarm at once with the fireboat "Mathew J. Boyle," Engine 44, Acting District Chief Ernest Chidick, in charge, assisted by Lieutenants Nugent and McGonagle. This fireboat fought and extinguished the fire, saving the wharf. The officers and men on this boat are most particularly to be commended for their willing and cheerful assistance under most adverse and difficult conditions of a high wind and sea and an ice-coated dock which made their work difficult and dangerous.

I should appreciate it if you would transmit to the City Institutions Department, the Fire Department and the commanding officer of the fireboat my thanks and the thanks of my command for their prompt and generous assistance which reflects great credit on the city services.

Sincerely yours,

ROLLIN L. TILTON,
Lt.-Col. 9th C. A., Commanding.

CLAIMS ALLOWED.

Upon recommendation of the Corporation Counsel, the Mayor has approved the following claims:

Elizabeth L. Barrett, 2 Kearsarge terrace, Roxbury, in the sum of \$25, as compensation for personal injuries caused by defect in crosswalk at the intersection of Warren and Dudley streets, Roxbury, November 22, 1935.

Ada E. Richardson, 36 Indiana avenue, Somerville, in the sum of \$75, as compensation for personal injuries caused by defect in crosswalk on Main street, at the intersection of Caldwell street, Charlestown, May 15, 1935.

Rose H. Guntner, 12B Lindale avenue, Dedham, in the sum of \$5, as compensation for damage to clothing caused when she stepped into a hole on Spring street, West Roxbury, at the Spring Street Station of the Boston Elevated, September 25, 1935.

Mary Hiatt, 10 Taft place, Roslindale, in the sum of \$50, as compensation for personal injuries caused by hole in sidewalk in front of 416 Hyde Park avenue, November 2, 1935.

Maud Frances Elliott, 46 Beacon street, Boston, in the sum of \$10, as compensation for personal injuries caused by defect in sidewalk in front of 90 Berkeley street, Boston December 5, 1935.

William M. Edmonstone, 14 New Bedford street, Hyde Park, in the sum of \$17.20, as compensation for damage to automobile caused by hole in highway in front of 846 Hyde Park avenue, November 18, 1934.

Robert Rubin, 63 Brookledge street, Roxbury, in the sum of \$40, as compensation for personal injuries caused by hole in sidewalk in front of 210 Humboldt avenue, Roxbury, October 7, 1935.

Helen A. Feeney, 130 Bunker Hill street, Charlestown, in the sum of \$200 as compensation for damage to property at above address caused by backing up of sewer June 12, 1935.

James T. Brennan, 80 Woodlawn street, Boston, in the sum of \$35, as compensation for damage to automobile caused by hole in highway about opposite 29 Woodlawn street, November 1, 1935.

Mrs. A. W. Benson, 73 Bigelow street, Brighton, in the sum of \$100, as compensation for personal injuries caused by defective sidewalk in front of 13 Matchett street, Brighton, August 15, 1935.

Radcliffe Cafe (John Frisone), 722 and 724 Dudley street, Dorchester, in the sum of \$1.10, as refund on ten unused refuse tickets which were returned to the Public Works Department, December 12, 1935.

Boston Leather Company, 116 Lincoln street, Boston, in the sum of 66 cents, as refund on six unused refuse tickets which were returned to the Public Works Department December 23, 1935.

The Sheraton, Incorporated (J. R. Haddock, auditor), 91 Bay State road, Boston, in the sum of \$6.15, as refund on forty-one unused refuse tickets purchased in March, 1927, and returned to the Public Works Department January 11, 1936.

Geneva Wine Company, 444A Geneva avenue, Dorchester, in the sum of \$1, as refund of fee for illuminated sign which was paid twice, November 29 and 30, 1935.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly West Roxbury and are bounded as follows:

A parcel of land, owners unknown, being parts of the private ways known as Pheasant street and Bobolink street, bounded:

Southwesterly by taking made for sewerage purposes by the City of Boston in Pheasant street, June 6, 1933, twelve feet; northwesterly by another part of Pheasant street and by another part of Bobolink street, four hundred feet; northeasterly by another part of Bobolink street, twelve feet and southeasterly by another part of Bobolink street and by another part of Pheasant street, four hundred feet, containing forty-eight hundred square feet, more or less.

The sewerage works to be constructed are as follows: Three hundred ninety linear feet of 10-inch pipe sanitary sewer and three hundred ninety-seven linear feet of 12-inch pipe surface drain in the above-described premises, being part of the private way known as Bobolink street between La Grange street and Pheasant street, and part of the private way known as Pheasant street adjoining Bobolink street.

This Board determines that no person sustains damages in his estate by the taking of the aforesaid easement and construction of said sewerage works and awards no damages therefor.

Ordered, That this Board estimates that the abutting lots of land on both sides of Bobolink street, excluding the lots at the corners of Pheasant street and the lots at the corners of La Grange street, will receive benefit or advantage beyond the general advantage to all real estate in said city, each in the amount hereinafter respectively set against it; said lots and the supposed owners thereof being shown on a plan marked "City of Boston, Plan No. 1149, Sewerage Works, Bobolink Street, West Roxbury, January 30, 1936, William J. Sullivan, Chief Engineer, Street Laying-Out Department," and on file in the office of said department.

POLICE DEPARTMENT ORDERS.

General Order No. 149.

The Superintendent of Police is hereby directed to make the following details for duty at the Special Election on Tuesday, March 10, 1936, to be held in Ward 22 of this city:

1. The necessary number of patrolmen from Police Division 14, to attend the several polling places in that division on Special Election Day, March 10, 1936, to preserve order and protect voters in the full exercise of their rights.

2. One sergeant to report at the office of the Board of Election Commissioners, City Hall Annex, Court square, in ample season, prepared to proceed from that place at 5.30 o'clock a. m., Tuesday, March 10, 1936, in a motor vehicle to be provided for the purpose, with ballot boxes, etc., to the sixteen precincts in Ward 22, and deliver same to the police officer detailed in each precinct.

3. One patrolman to each of the sixteen precincts in Ward 22 at the hours hereinafter stated, Tuesday, March 10, to receive ballot boxes, etc., from sergeant detailed on truck, in such case provided: such detail to continue until the ballots are counted and the result declared. They are then to bring the ballots and returns to the Election Commissioners' office on Tuesday, March 10, 1936.

4. Hours set for officers, so detailed, to report at precincts in Ward 22, on March 10, 1936:

Precincts 1, 2, 3, 4 and 5, 6.15 a. m.
Precincts 6, 7, 8 and 9, 6.30 a. m.
Precincts 10, 11, 12, 15 and 16, 6.40 a. m.
Precincts 13 and 14, 7 a. m.

5. The commanding officer concerned will take notice that it is of the greatest importance, also, that the patrolmen herein detailed report at the polling places in the various precincts promptly according to schedule.

Failure for any reason of an officer to be on hand at a polling place at the appointed time delays the sergeant in the motor vehicle in his delivery of the ballot boxes, ballots, etc., and interferes, as is plainly seen, with the balance of the delivery schedule.

6. Cards with the ward and precinct number and location of voting booth printed thereon have been forwarded to the police division concerned, on which the division commander will write the name, the division number, and the number of the officer detailed, at the time stated on the morning of March 10, at the voting booth of each respective precinct on his division. This card, to be given to the officer so detailed at the voting booth, will be retained in his possession until delivered by him to an employee of the Board of Election Commissioners, who will arrive accompanying a sergeant on motor vehicle from the Election Commissioners' office on the morning of March 10, with ballot boxes, etc., as hereinbefore stated. This card, when returned by such employee to the office of the Election Commissioners will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

7. On receipt by the patrolman from the sergeant, detailed on motor vehicle, as herein provided, of registering ballot box, voting lists and such other documents as may have been received from Election Commissioners' office, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or examine them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the ballots, which receipt will be returned to the Election Commissioners.

8. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until after the polls have closed, except that, at the request of the warden, the patrolman may allow him to open the box for the purpose of pressing down the ballots, in order to make room for more ballots, after which the patrolman will see that the box is again locked, and the key returned to the police officer.

9. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read. Tacks will be sent for the purpose.

10. The warden will deliver to the patrolman detailed at the polling booth for his use at that place a copy of the descriptive voting list, which must be returned to the warden at the close of the polls.

11. When the polls are opened, the patrolman will mark in the place indicated on the tag attached to the key the figures which the register shows before any ballots are cast.

12. At 8 p. m., Tuesday, March 10, 1936, when the polls close, a sergeant will report in Ward 22, to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in Ward 22, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, unused ballot envelope, sealed and certified (containing unused and spoiled ballots), stamps for marking

spoiled ballots, and receipts for ballots and check lists, carry them to the Election Commissioners' office and deliver same to some member of the Board of Election Commissioners.

13. When the polls are closed the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, including the list used by the police officer, to be sealed up in an envelope, the envelope to be certified by the signatures of himself and other election officers, and the same returned to the Election Commissioners, as described in section 12 of this order. The patrolman will not allow this envelope to be put into the ballot box. The sergeant, who will report on motor vehicle, will keep it about his person until delivery at the office of the Election Commissioners.

14. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

15. In case a patrolman is detailed to relieve another after the close of the polls the commanding officer will see that he is instructed as to the duty of bringing the official returns, the box of ballots cast, and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

16. When the ballots have all been counted, the ballots thus counted, tally sheets and nothing else, shall be placed by the warden in the leatheroid box sent for that purpose, which must be sealed up and signed by all the election officers. The patrolman will particularly see that this box is properly sealed up and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book, press return and stamps for marking defective ballots to the City Hall Annex, Court square, and deliver same to the Election Commissioners. The patrolman is directed not to allow the official return or record book to be placed in the leatheroid box.

17. While the polls remain open an officer of rank will visit the polling place in each precinct of Ward 22, at stated intervals, to be designated by the captain of Division 14, and in case of any disturbance will report the fact to the commanding officer at the station house without delay. If additional men are needed beyond the number available in that division, the officer in charge will communicate immediately with headquarters.

18. Attention is called to the fact that the polls at the Special Election in Ward 22 on Tuesday, March 10, 1936, shall open at 8 o'clock a. m., and close at 8 o'clock p. m.

19. The commanding officer of Division 14 will see that the officers detailed for duty on Special Election Day are furnished with a copy of the circular issued by the Board of Election Commissioners, entitled: "Instructions to Police Officers on . . . Election Days."

20. The counting of ballots will be done on one table, only, with two inspectors counting and two inspectors watching the count.

NOTES.

1. Attention is again called to the last paragraph of the circular, "Instructions

to Police Officers on . . . Election Days," which reads: "The police officer is directed not to allow the official return or record book to be placed in the leatheroid box."

That this may not happen in any of the precincts of Ward 22 at the coming Special Election, the officer of rank who will visit the polling places of the division (provided for in section 17 of this order) shall at an appropriate time call to the attention of the police officer and of the warden on duty at the polls that the official return and record book are not to be placed in the leatheroid box.

They shall be handed to the police officer who will deliver them as set out in the paragraph immediately following.

2. The officer going to the office of the Board of Election Commissioners with the leatheroid box, after the counting of the ballots, will take with him, in a separate package, the official return and record book, which he shall safely deliver to the Election Commissioners with the leatheroid box, as provided in section 16 of this order.

3. The police shall enforce the order that smoking is prohibited within the confines of the polling places during the entire day, while the polls are open, as well as after they are closed.

Particular attention by officers on duty at the polls will be shown to this.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 150.

Whereas, It appears that Patrolman Roland W. Garrison of Division 9 has performed faithful service in the Police Department for seven and seven-twelfths years; that he has requested to be retired from active service; and that the Medical Board, provided for by section 18 of chapter 521, Acts of 1922, has certified that the said Patrolman Garrison is permanently physically incapacitated, by injury sustained in the actual performance of duty, from further performing duty as such member; therefore, it is hereby

Ordered, His Honor the Mayor having approved the same, that the said Patrolman Garrison be retired from active service in the Police Department under the provisions of chapter 353, Acts of 1892, as amended by chapter 6, Acts of 1920, and chapter 387, Acts of 1930, and that his name be placed upon the department pension roll with pay at the rate of one thousand and fifty (1,050) dollars per annum (to be paid monthly), said sum being one half of the amount of compensation received by him in the office from which he is retired; to take effect as of Thursday, March 12, 1936, at 7.45 o'clock a. m.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

TRAFFIC COMMISSION RULINGS.

Voted, That the Revised Traffic Rules and Regulations as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective March 23, 1936:

Section 8, Part 2, is amended by striking out the following:

Congress Street.

Both sides, from Milk street to

Purchase street, 7 a. m. to 6 p. m.

Section 8, Part 2, is amended by adding the following:

Bedford Street.

MacMillan, Ward 2; Earl Woods, Ward 2; Thomas E. Reilly, Ward 3; Charles B. McLaughlin, Ward 4; William D. Strong, Ward 4; Dana J. Walton, Ward 4; Frederick L. Johnson, Ward 5; Thomas Patrick Mahoney, Ward 5; George M. Schrott, Ward 5; Clifford D. Stewart, Ward 5; Raymond A. Warren, Ward 5; William F. Danwer, Ward 6; Michael J. Lee, Ward 6; Peter Joseph Scanlon, Ward 6; Joseph F. Cahill, Ward 7; Thomas J. Curran, Ward 7; Patrick H. Jennings, Ward 7; William H. Lynch, Ward 7; John J. Ring, Ward 7; Michael O'Neill, Ward 8; William W. Walsh, Ward 8; Thomas Currie, Ward 9; Burton B. Armstrong, Ward 10; Thomas Cunningham, Ward 10; Thomas J. Healey, Ward 10; George L. Wilfert, Ward 10; Philip Bellotti, Ward 12; George Brindley, Ward 12; William E. Harrington, Ward 12; Frederick W. Bartlett, Ward 13; James E. Doherty, Jr., Ward 13; Harris J. Fifield, Ward 13; Charles E. Mahoney, Ward 13; Hyman P. Halsband, Ward 14; Edward P. Howell, Ward 14; John F. Kelly, Jr., Ward 14; Myer Weiner, Ward 14; Richard Baker, Ward 15; Charles J. Brant, Ward 15; Albert C. Burgess, Ward 15; Aurel Otis Buzzell, Ward 15; Max Karp, Ward 15; John G. Merrick, Ward 15; Horace J. Craig, Ward 16; George H. Crowingshield, Jr., Ward 16; Arthur S. Merow, Ward 16; William Ohrenberger, Ward 16; Richard N. Ratchford, Ward 16; Mihkel Saul, Ward 16; Paul V. Scally, Ward 16; Henry A. Hunt, Ward 17; Henry G. Rankin, Ward 17; Louis Wallace, Ward 17; William G. Cranshaw, Ward 18; Alfred E. Feist, Ward 18; George W. Goodwin, Ward 18; Warren E. Holdridge, Ward 18; Michael B. Kenney, Ward 18; Ralph J. Lee, Ward 18; Francis Minehan, Ward 18; Edward M. Olson, Ward 18; George R. Tacey, Ward 18; Joseph C. Ernst, Ward 19; Edward H. Imberger, Ward 19; James McDermott, Ward 19; John J. Dailey, Ward 20; Charles R. Dean, Ward 20; Ferdinand A. Fruh, Ward 20; Arthur D. Gramer, Ward 20; Adam F. Hain, Ward 20; Ralph C. Holton, Ward 20; Frederick A. Publicover, Ward 20; Frederick C. Wolf, Ward 20; Frank B. Crocker, Ward 21; Herman Levi, Ward 21; Lloyd B. Lynch, Ward 21; Henry A. Sydel, Ward 22.

Ninety-seven traverse jurors, Superior Civil Court, April Sitting, to appear April 6, 1936:

Jacob Bruff, Ward 1; Joseph S. Butt, Ward 1; Kenneth H. Goodwin, Ward 1; Joseph L. Russell, Ward 1; John W. Denehy, Ward 2; Manuel J. Enos, Ward 2; John Marshall, Ward 2; Joseph L. O'Brien, Ward 2; Isidor Barres, Ward 3; Anthony J. Fabiano, Ward 3; Michael P. Kelley, Ward 3; Alfred Liberatore, Ward 3; James M. Murphy, Ward 3; Michael Penta, Ward 3; George A. Bolton, Ward 5; James F. McDonough, Ward 5; Alfred Nettle, Ward 5; Charles W. Treadwell, Ward 5; Clarence M. Warner, Ward 5; Bernard E. Campbell, Ward 6; John P. Cavanaugh, Ward 6; Thomas F. Joyce, Ward 6; William L. McCarthy, Ward 6; Michael J. Norton, Ward 6; George L. Schmidt, Ward 6; Thomas J. Cotton, Ward 7; Thomas J. Hennessey, Ward 7; George H. Mathieson, Ward 7; Robert E. Murphy, Ward 7; James L. Ross, Ward 7; Joseph H. Baker, Ward 8; Robert Foley, Ward 8; John J. Goslin, Ward 8; Edmund Hassie, Ward 8; Edward J. Radigan, Ward 8; Joseph A. Haley, Ward 9; Niels Ingstrup, Ward 9; William J. O'Hara, Ward 9; John H. Hill, Ward 11; Edmund G. Ihlefeldt, Jr., Ward 11; John W. Johns, Ward 11; Carl G. Lundell, Ward 11; James H. Monroe, Ward 11; James H. Allen, Ward 12; Herbert F. Burt, Ward 12; Alexander Morrison Gwynne, Ward 12; Jerome L. Kelly, Ward 12; Benjamin Tilt, Ward 12; Richard Arnold, Ward 13; John Thomas Collins, Ward 13; Lewis H. Holiday, Ward 13; William G. Hussey, Ward 13; Edwin J. Lennon, Ward 13; Lawrence J. Noel, Ward 13; Joseph Baker, Ward 14; Raphael Brown, Ward 14; Louis Harris, Ward 14; Herman Lewis, Ward 14; Harry Rosenberg, Ward 14; Samuel Schaffer, Ward 14; Morris Spitzer, Ward 14; Warren G. Boberg, Ward 15; Henry Goldsmith, Ward 15; George H. Hanlon, Ward 15; Stanley E. Marvin, Ward 15; Benjamin Wolff, Ward 15; Raymond H. Collins, Ward 16; Richard L. Gallivan, Ward 16; John A. Ide, Ward 16; William J. McGee, Ward 16; Leon R. Rhodes, Ward 16; James B. Russell, Ward 16; John J. Keating, Ward 17; Francis F. Maguire, Ward 17; Robert A. Ranton, Ward 17; George

Revman, Ward 17; Carl F. Assmus, Ward 18; Edward G. Clement, Ward 18; Henry U. Holzer, Ward 18; Robert H. Kenney, Ward 18; John Albert Larson, Ward 18; John H. Martin, Ward 18; Herbert B. Norris, Ward 18; Herbert A. Ellis, Ward 19; Edward Emms, Ward 19; Francis A. Lynch, Ward 19; Arthur B. Blanchard, Ward 20; Edwin C. Long, Ward 20; Daniel K. Nelson, Ward 20; James F. Stevens, Ward 20; Charles Henry Watts, Ward 20; Roland Gallagher, Ward 21; Chester N. Grenier, Ward 21; Edward Russell, Ward 21; Martin V. Dowd, Ward 22; James C. Driscoll, Ward 22; Edward F. Loonie, Ward 22.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz:

Claims.

Boston Penny Savings Bank, for compensation for damage to property at 857 Beacon street, caused by city truck.

Carrie Champlin, for compensation for injuries caused by an alleged defect at Harrison avenue and Motte street.

Morris and Louis Cohen, for compensation for damage to car and injuries caused by city truck.

Paul Collins, for compensation for damage to car by city truck.

Driscoll's, for compensation for damage to property at 152 Washington street, caused by breaking of water main.

Mrs. Ida Gay, for compensation for damage to property at 47 Hansborough street, Dorchester, by lightning.

Joseph Keller, for compensation for damage to car by city truck.

James T. Killian, for compensation for damage to car caused by an alleged defect at 1016 Harrison avenue.

Effie Lee, for compensation for injuries caused by an alleged defect at Welles avenue and Dorchester avenue.

Dr. Phillip Levine, for compensation for damage to car by fire truck.

Etta Lichter, for compensation for injuries caused by an alleged defect in Humboldt avenue.

Edna F. Mosher, for compensation for injuries caused by an alleged defect in Nassau street.

Oscar Auerbach and Philip Needle, for compensation for damage to property and injuries caused by city car.

Lettie I. Rolsten, for compensation for damage to property at 630 South street, caused by ash collector.

Silver Star Cafe, for refund on part of fee paid for six-day license.

Ryan Cab Company, for compensation for damage to cab caused by city truck of Paving Division.

Executive.

Petition of Catherine V. Goode, to be paid an annuity on account of the death of her husband, James E. Goode, a member of the Fire Department, who died of injuries received in performance of his duty.

CHANGING NAMES OF STREETS.

A communication was received from the Board of Street Commissioners, stating the Board had voted to change the names of the following streets:

Berry street, West Roxbury district, from Canterbury street to Cummins Highway, new name, Mt. Calvary road.

Astor street, Roxbury district, from Massachusetts avenue to Hemenway street, new name, Burbank street.

Bonnie road, Brighton district, northerly from Faneuil street for a distance of approximately 515 feet, new name, Adair road.

Placed on file.

ORGANIZATION OF BOSTON HOUSING AUTHORITY.

Notice was received of organization of Boston Housing Authority on January 24 as follows: Francis J. Murray, chairman; Harold Field Kellogg, vice chairman.

Placed on file.

MENINGITIS CASES.

Coun. ROBERTS offered the following:

Ordered, That his Honor the Mayor request the Health Commissioner to enforce a strict quarantine of all meningitis cases reported in Boston, using all modern fumigation methods at any residence or house in which a patient has been confined with this disease.

Ordered, That his Honor the Mayor investigate the circumstances relative to the death of Walter McDonough, 15 Rutland square, who was allowed to leave Long Island while suffering from meningitis and who did not receive medical attention for a number of hours while in Boston, in spite of repeated calls to the City Hospital and, finally, why the Health Commissioner has taken no precautions to guard against the spread of the disease by taking proper precautions on the premises at 15 Rutland square.

Coun. ROBERTS—Mr. President, just a word in regard to these two orders. I do not like to hastily condemn or hold responsible the Health Commissioner of Boston, because he is newly appointed, for what happened in this particular case to Walter McDonough, a guard employed at the Long Island Hospital. While there he was taken down with an illness similar to meningitis. Instead of holding him at Long Island, however, where he could be quarantined, they sent him back to Boston, to 15 Rutland square, where he had a room. I understand, while I have not been able to check this up, that the authorities at Long Island called up the City Hospital and asked that his particular case be watched, although I don't understand that there was a suggestion that he should be, because of the nature of the disease, confined. After several hours without medical attention, and after numerous calls to the hospital, an ambulance was sent to 15 Rutland square and Walter McDonough was on his way to the City Hospital when he died. There is, however, a much larger question involved than the McDonough case. He might have been saved with proper attention; it may be that if he had stayed on the Island he would be alive today. But there is this aftermath. When people are on Long Island and are on the point of leaving, and there is reason to suspect that they have this disease, surely they should not be allowed to leave the Island under such circumstances. The facts, therefore, call for an investigation by the Mayor as to why first, he was allowed to leave the hospital, and, second, it would be interesting to know why the Health Commissioner, when such a case had been reported, has taken no action to fumigate the premises or has taken no further precautions to prevent the spreading of the disease. I don't know how serious the menace has been to the occupants of 15 Rutland square. I understand that the landlady called the Health Department five times, asking what they intended to do. She has had the floor of the house containing the room that McDonough last used shut off, and it is not being used. But, as regards the clothing or other articles in the house, the Health Commissioner or the hospital authorities have done nothing to prevent the spread of the disease. I don't know what more could be required of the landlady. She evidently did what she could and she can hardly be supposed to undertake the cost of fumigation herself. She is operating a small lodging house, getting in return a small amount of money, and it was not her fault that the lodger was sent back to the house with this disease. These orders call upon his Honor the Mayor to see what the Health Department has been doing or is doing in such matters, and they call for an investigation of the circumstances surrounding the death of Walter McDonough.

The orders were passed under suspension of the rule.

NAMING OF JOSEPH A. TOMASELLO PARK.

Coun. SELVITELLA offered the following:

Ordered, That the Board of Park Commissioners be requested, through his Honor the Mayor, to name the North End Park Joseph A. Tomaseello Park.

Coun. SELVITELLA—Mr. President, a week ago last Friday Boston lost one of its finest citizens. The death of Joseph Tomaseello brought the greatest regret to everybody, regardless of race, color or creed. We knew him as a well-known contractor for public works, including the building of roads, bridges, sewers, race tracks and waterworks. He was one of the largest employers of men in New England. Every man who worked for him loved him; everyone who knew him, or even knew of him, was familiar with his quiet philanthropies, his unflinching friendships, his splendid qualities as a husband, father, employer and citizen. His place in our hearts can never be filled. He held many positions of honor and trust in our community, including chairmanship of the Board of Appeal and Building Examiners of the City of Boston. He was one of the first of his race to serve as Boston's Fourth of July orator. He was a director of the Home for Italian Orphan Children, formerly a president of the New England Road-builders Association, director of several banks, president of the League of Italian-American Neutrality, vice president of the Eastern Racing Association. I know of no better way in which to perpetuate the memory of the late Joseph A. Tomaseello than by naming for him a park in the heart of the North End, where he was born and brought up, so that those living in that district may be inspired by his life and by his successful struggle. There could be no more fitting memorial at this time than the naming of this park for Joseph A. Tomaseello.

The order was passed under suspension of the rule.

(Coun. Selvittella also had the following editorial from the Boston Traveler of Monday, February 24, 1936, inserted in the record.)

"ART AND HEART HAD HE.

"Modestly among us, for not enough years (he died at forty-eight), lived a mighty builder who was yet a patron of the exquisite. Dually the artist, Joe Tomaseello wrought stone and steel and mortar into works of beauty and durability; equally accomplished was he in appreciation and patronage of finer arts, particularly of music, operatic and instrumental.

"But he had a far better quality. He had character. I have never in my life been associated with a man at the point of this generous man, who with a smile of friendliness and understanding had tried to enter to me his own contributions to individuals uncounted and to good causes of all sorts."

Whether a general supervising great works, or as a formal, dressed-up man, Joe Tomasello walked the world in the fragrance of kindness. Quick to smile, a smile of quiet dignity and full friendship, Joe Tomasello lifted many a heart. Always he was ready to listen patiently to the troubles of others, always he was ready to help. If he had cares and worries of his own he burdened no one with them. He was too considerate of others to do so. Yet he gladly shared their cares. And these memories of Joe Tomasello are his best monument, as enduring as the mightiest of his works."

REPORT OF COMMITTEE ON PUBLIC LANDS.

Coun. KERRIGAN, for the Committee on Public Lands, submitted the following:

1. Report on message of Mayor and order (referred November 12, 1935) that \$10,000 be transferred from Sale of City Property to Playground, Wood Avenue, Hyde Park—that same ought to pass.

The report was accepted, and the question came on giving the order its first reading and passage.

Coun. WILSON—Mr. President, I realize, of course, that this is very near to the heart of a member of the Council from an adjoining ward. But I do understand that this \$10,000 means in effect the exempting of a rather large amount of taxes owed by Mr. Foss, formerly Governor of the State, to the city. I suggest, therefore, that the matter be sent to Executive Committee, so that we may at least find out the amount of the unpaid taxes and whether the city should not, perhaps, instead of making a credit, do in this case what is done to the average poor property owner, take the property through Land Court procedure.

Chairman GALLAGHER—The order requires two readings, and this is only the first. It will come up for final action in two weeks.

Coun. NORTON—Mr. President, if it were possible to take the land through such proceedings as have been spoken of by the councilor from Ward 17 (Coun. Wilson) I feel sure that the city authorities would have done so. Here is a piece of land adjacent to the Hyde Park High School. Not one cent is to be paid out by the city, but in lieu of such payment ex-Governor Foss has made an arrangement with the city officials whereby the land is to be taken at its assessed value. In the opinion of Mr. Timothy Murphy, chief assessor, this is a good bargain for the city, and apparently such is the feeling in the Mayor's office. The gentlemen from Ward 17 spoke of this as something that I am especially interested in. No. Vote it down, if you wish. Look at it on its merits. I am not asking any favor on this particular order. I knew nothing about it until the Mayor sent it in. I don't want anybody to think that in voting for it he is doing me a favor. I would not put myself in that position. If any member does not like it, vote against it. Somebody has facetiously remarked that Norton is always against spending money. Yes; he has been and will be. But here is a chance for the city, without expenditure of money, in lieu of such expenditure, to put through this bargain. Furthermore, I have always contended in the years I have been in the Council, that an opportunity should be afforded in every section of the city to have a suitable playground, a play area, where children can play and keep off the streets. We lose twenty or more children by death every year, killed by automobiles in the highways, and we have thousands of children injured. Here is an opportunity where the city can take this vacant land in Hyde Park for a play area, a section where it is much needed according to those who have studied the situation. It has not got to be a big playground. A playground perhaps twice as large as this room would do very well for small children, so that they would not have to play in the streets. We are told that there should be an acre of ground for each child. Well, Boston would have to go far before it got to that point! Now, gentlemen, what are we going to do? Simply stand by? Are we going to sit, stare and do nothing? Are we going to place obstacles in the way of this movement? I favor the idea of municipal buildings, playgrounds, anything at all that will give the youngsters a chance. You will never find me opposing a play area. I never have and never will, where land can be taken for anywhere near the assessed value, because in the next ten years we are going to need more play areas. 90 per cent of the crime comes from 10 per cent of our area, and most of the juvenile delinquencies come from crowded and congested sections. 95 per cent of those who entered Concord last year were under the age of twenty-three. This will give a chance for a playground adjacent to the Hyde Park High School to children about there and in the adjoining area, and the city is not going to spend a cent. The city has driven this bargain with Mr. Foss who owns a large area out there, and the city thinks it is a good bargain.

Coun. WILSON—Mr. President, apparently I did not make my point clear. I intended no

attack on playgrounds. The point I was gropingly trying to make is this: That Mr. Foss owed the city a large amount in unpaid taxes. I don't know for what year or on what land. But if he owes a substantial amount of money for unpaid taxes, over two or three years, I see no reason why the same procedure that is followed with others, that is followed with poor people in this city, should not be followed with Mr. Foss, you, me or any one else. I therefore raise the question about this \$10,000 simply because I wanted to get the facts, and I thought it should go to the Executive Committee. I was not arguing against playgrounds, but I would like to know the situation in regard to Mr. Foss's holdings.

Coun. NORTON—Mr. President, the City of Boston has never taken any piece of land of anything like the size of this under confiscatory proceeding. Why start now, unless it is absolutely necessary? I am perfectly willing to send this to the Executive Committee, but why hold the thing up. But I don't like this holding up business. In November of last year an order was sent in here which would have resulted in the carrying through of this project with the help of \$225,000 from the Federal Government. That would have meant putting men at work on the project, \$225,000 ear-marked down there for this purpose. The moment we passed it here that moment the men would go to work. That thing should have been put through. We have had it here since November 25 of last year. The National Government said that it would spend \$225,000 putting men at work on that project, men not only from that district but from every district of Boston. But since November 25, 1935, we have done nothing about it. Now, somebody criticizes the national administration for doing nothing, the same as we have criticized other administrations for doing nothing. Let us remember, however, that the National Government simply stood ready to appropriate \$225,000 on this project, and said to Boston, "Spend it." Just ask John Murphy, the chief engineer of the Park Department, in charge of this project, if that is not the situation. I wondered how they were going to spend \$225,000 out there.

Coun. WILSON—And so do I!

Coun. NORTON—But he says that it will not be done by machinery but will be done by hand labor; that it is proposed to level that off with hand labor. It may be, says Mr. Murphy, that when the Council gets around to passing the order, the Government will not have the money. Here that thing has been pending since November 25 of last year, the Federal Government saying, "We will spend \$225,000 putting men at work out there," and still, in spite of unemployment because of the depression, nothing has been done with that order in this Council. Men are walking the street, and we are criticizing the national administration for doing nothing. Who is to blame? Who will answer that question? Does anybody care to take the responsibility? Should we care? Should we hold this thing up for months longer?

Coun. WILSON—Mr. President, may I ask if there is anything on file from Uncle Sam, or anybody in charge of his business, to the effect that \$225,000 will be spent on this land, which still belongs to Mr. Foss?

Chairman GALLAGHER—The Chair knows of none.

Coun. NORTON—I know of it, and you ought to know. Just send for John Murphy, in charge of these projects. You can conjure up a thousand reasons, if you want to, why action has not been taken, but the fact remains that ever since November 25, in spite of this proposal from Uncle Sam to allow \$225,000 for this project, which will be spent on labor, nothing has been done.

Coun. ROBERTS—Mr. President, will the councilor furnish information in regard to what the Council has been holding up since November?

Coun. NORTON—The Mayor's order in connection with this piece of land. I understand Councilor Kerrigan to say that on November 25 this order came in here.

Coun. KERRIGAN—May I say to Councilor Norton that the new committees for this year were not appointed January 1, but since they were appointed our committee has had several meetings upon the order.

Coun. NORTON—Well, my statement is substantially correct, that this thing has been held here since November 25 without any action being taken. That information is open to any citizen, and I refer to John Murphy as authority to any statement I have made in regard to the proposal of the National Government.

Coun. DOWD—Mr. President, I am thoroughly in accord with the councilor from Hyde Park in his position in regard to playgrounds. But, if I may say so, this is the first time I have had knowledge of this order. I disagree with the gentleman, however, when he says that the Boston City Council is holding this up. This is not a fair statement. I agree, in view of the facts that when John Murphy said it is time the Council should pass the order, that is undoubtedly correct, and that if we do not do so, we may have no money left. But I also say to the Park Commissioner and to Mr. Murphy that if they were on the job and kept us informed of the situation, as they should have done, action would have been taken and people would have been placed at work. I thoroughly agree with the councilor from Hyde Park that we should not hesitate. If the Government is going to spend \$225,000 or \$50,000, we

should pass the order immediately. But I resent the statement that the Council is in any way responsible, because we all understand and know that that order came in to us practically on the first of December, when the old Council was dying, and we all realize that orders coming in at such a time are usually held over until after the first of the year. We all realize, also, that it takes the President of this Council or any president two or three weeks to appoint his committee, and when the committees were appointed, I understand that the chairman of the Committee on Public Lands held his committee meetings and has today presented the order. We are going to act upon it favorably, there is no question at all of that. But it is unfair for either Mr. Murphy or for the chairman of the Park Department, who get their salaries from the Boston City Council, to blame us in this matter, if they do. They should get on to themselves in regard to these projects and keep us informed, particularly if there is a danger of money otherwise available being taken away from Boston. Certainly, the Council would not be responsible for that. The committee has now acted on the matter and has reported favorably, and I know that the Council as a whole stands ready to act favorably.

Coun. NORTON—Mr. President, do I understand the gentleman from Roxbury (Coun. Dowd) to think that this matter has been acted upon with expedition or in the normal run of events?

Coun. DOWD—Mr. President, I said that the Council has acted upon it just as quickly as they possibly could.

Coun. NORTON—Mr. President, I am astounded at that answer. I don't know whether my ears belie me! Uncle Sam made this offer as far back as November 25. If it had gone through at that moment the Government stood ready to spend \$225,000 to put men at work. But three months have gone by and nothing has been done, with 100,000 men walking the streets. Do you say that is expeditious? Do you say that that is proper procedure, in the light of what is going on in this city? Uncle Sam says to Boston, "Here is \$225,000 to put men at work," and the Mayor sent it in here on November 25, 1935. Over three months have gone by, and not one man has gone to work. The Council has been holding up this order in the worst winter that our city has ever known, holding it up for three months, and then the councilor says it is all right. It may be all right, and I may be all wrong. But that statement sounds rather queer to me.

Coun. KERRIGAN—Mr. President, as chairman of the Committee on Public Lands, although I am wholly in accord with the councilor from Hyde Park (Coun. Norton) on playgrounds, I think he is unfair. He is unfair to the members of my committee, and he is unfair to me in saying that we have been slow this year, and for purposes of the record I want to say here that our committee has held three meetings on this matter. Neither the Committee on Public Lands nor any other committee was appointed in this body until the latter part of January, and now it is only the first of March. So I think the councilor from Hyde Park should correct some of his remarks in regard to the committee of this year, anyway.

Coun. NORTON—Correct what remarks, Mr. President? Correct what remarks. I made the remark that this order had been in this body for three months, that over three months ago we were informed that the Federal Government stood ready to spend \$225,000 on this project, which would have gone for labor, and yet nothing has been done to date.

Coun. ROBERTS—Mr. President, if the councilor from Hyde Park felt that way about it, let me simply say that he has been a member of the body all this time, and that at any time he could have called for a report of the Committee on Public Lands.

Chairman GALLAGHER—The clerk will call the roll on the passage of the order.

Coun. WILSON—Mr. President, what has become of my motion to refer to the Executive Committee?

Chairman GALLAGHER—The councilor suggested that it be sent to that committee, but made no motion.

Coun. WILSON—I now move, Mr. President, that it be sent to Executive.

Chairman GALLAGHER—The roll call has been ordered.

The order was given its first reading and passage, yeas 17, nays 1:

Yeas—Coun. Agnew, Brackman, Doherty, Dowd, Finley, Peter J. Fitzgerald, Gallagher, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Norton, Roberts, Rosenberg, Selvittella, Tobin—17.

Nays—Coun. Wilson—1.

The order will take its second and final reading and passage in not less than fourteen days.

REPORT OF COMMITTEE ON CLAIMS.

Coun. SELVITELLA, for the Committee on Claims, submitted the following:

1. Report on petition of Max Levine (referred February 24) to be reimbursed for amount of judgment issued against him on account of his acts as operator of motor vehicle belonging to

Sanitary Division of the Public Works Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of seventy-five dollars be allowed and paid to Max Levine in reimbursement for amount of judgment issued against him on account of his acts as operator of a motor vehicle belonging to the Sanitary Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

2. Report on petition of Max Levine (referred February 24) to be reimbursed for amount of judgment issued against him on account of his acts as operator of a motor vehicle belonging to Sanitary Division, Public Works Department, recommending passage of accompanying order, viz.:

Ordered, That the sum of three hundred and twenty-five dollars be allowed and paid to Max Levine in reimbursement for amount of judgment issued against him on account of his acts as operator of a motor vehicle belonging to the Sanitary Division, Public Works Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

3. Report on petition of Hilary A. Gasper (referred February 24) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Police Department—recommending passage of accompanying order, viz.:

Ordered, That the sum of three hundred and fifty dollars be allowed and paid to Hilary A. Gasper in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Police Department, said sum to be charged to the Reserve Fund.

Report accepted; said order passed.

AUTOMATIC TRAFFIC SIGNALS.

Coun. KERRIGAN offered the following:

Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to provide for the installation of automatic traffic signals, either as a P. W. A. project or otherwise, at the 101 intersections with high-accident frequency mentioned in the report of the Boston Traffic Commission submitted to the City Council under date of July 15, 1935, in order that the great increase in traffic this coming summer will not bring a consequent increase in the number of deaths and injuries which will surely come unless these traffic precautions are taken without delay.

Coun. KERRIGAN. Mr. President, I hope the Mayor will get in touch with the Traffic Commissioner and make every arrangement possible to bring about what is suggested in this order. There are 101 dangerous street intersections in our city, and unless these are eliminated we are going to continue to have plenty of accidents. So I hope the Mayor of Boston will push this through as a P. W. A. project or otherwise.

The order was passed under suspension of the rule.

WARD 11 IMPROVEMENTS.

Coun. KILROY offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Byron court, Ward 11, as a public highway.

Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Amory and Boylston streets, Ward 11.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to replace the gas lamps in Ward 11 with electric lights.

Severally passed under suspension of the rule.

ELECTRIC LIGHTS FOR WARD 6.

Coun. GEORGE A. MURRAY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to supplant all gas lamps now in use in Ward 6 with electric lights.

Passed under suspension of the rule.

REPAVING OF WARD 14 STREETS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth paving the following streets in Dorchester, Ward 14:

Greenheya street, Magnolia street, Kerwin street and Glenarm street.

Passed under suspension of the rule.

BUS LINE FROM FRANKLIN PARK STATION.

Coun. ROSENBERG offered the following:

Ordered, That the Board of Trustees of the Boston Elevated Railway be requested, through

his Honor the Mayor, to establish a bus line from Franklin Park Station at Columbia road and Blue Hill avenue to run down Columbia road through Edward Everett square to Columbia Station and terminate at Carson Beach, during the summer months, at such times as it is deemed advisable for the convenience of the patrons of these beaches, and that said route be at the five-cent rate.

Coun. ROSENBERG—Mr. President, the people of Dorchester, as well as the people of other sections of the city, want to reach the beaches along the Strandway in the most convenient and comfortable manner. The Strandway was developed with a great deal of work by the present Governor of the Commonwealth, James M. Curley, spending a great deal of money upon it, and it is certainly now desirable that access to the waterfront there should be facilitated as much as possible. The people of Dorchester, especially from my section, sometimes have to change to three or four lines in order to reach the beaches along the Strandway. The central terminus at Franklin Park, at the corner of Columbia road and Blue Hill avenue, is a convenient place to establish a bus line. It would there connect up with the Egleston-Mattapan line, the Ashmont-Dudley-Talbot and Blue Hill avenue line, and the Columbia road car that comes from Andrew square to Franklin Park, Blue Hill avenue and Columbia road. It would connect with and serve that group of lines. The establishment of this bus line, at Columbia road and Blue Hill avenue, running down Columbia road, through Edward Everett square to Columbia Station and terminating at Carson Beach, running during the summer months, would not only accommodate the residents of Ward 14, but also of Wards 13 and 15 and other sections. It would be of great convenience, and would not result in any great expense.

The order was passed under suspension of the rule.

EXPENSES OF LAWYERS IN DOLAN CASE.

Coun. McGRATH offered the following:

Ordered, That the Corporation Counsel, through his Honor the Mayor, be requested to inform the City Council if the City of Boston is to pay the expenses of a group of lawyers who are to travel to Florida for the purpose of witnessing depositions in the so-called Dolan case, and also to inform the Council upon what authority the City Auditor may allow such payments.

Coun. McGRATH—Mr. President, without discussing the merits of the so-called Dolan case last week I read in the newspapers that about ten or twelve lawyers were going to Florida to interview a witness. One of the principal subjects of discussion in this Council every week is, how we can save the taxpayers some money. I think we can save money right here. Send for this man and bring him up here. I would like to go to Florida myself, but I cannot afford it. If I put in a requisition for a fountain pen, I have to pay for it, and somebody took the last one! Now, I hold no brief for Eddie Dolan. I hardly know the man. But I don't think it is fair to the city to send ten or a dozen lawyers South to interview witnesses in this case. If they have information, let them tell it in the court, not spending the taxpayers' money in this way.

The order was passed under suspension of the rule.

USE OF SCHOOLHOUSES FOR ADULT EDUCATION.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of conferring with the School authorities relative to the matter of using the 300-odd school buildings in Boston for adult educational purposes during late afternoon and evening hours.

Coun. NORTON—Mr. President, we have 300 school buildings in Boston, erected at a cost of more than \$60,000,000, that are idle most of the time. People over forty years of age must go to school again. What they learned from five to twenty they must now relearn because of progress. Many were educated for a world that no longer exists. It may be important in this way to build up education for adults, so that if business picks up—if it ever does—they will be prepared for new jobs. This is, at least something that we should be thinking of.

The order was passed under suspension of the rule.

STUDY OF USES OF TEACHERS COLLEGE.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of conferring with the School Committee relative to the matter of having a study made as to the advisability of discontinuing Teachers College for the training of teachers, but using it for the giving of regular collegiate courses to the 5,000 or more graduates of Boston's high school system who prepared for college but who are unable to enter because of the depression.

Coun. NORTON—Mr. President, rather than continuing to turn out teachers who can never obtain work but will only add to the 1,000 unemployed graduates, Teachers College should give collegiate courses to the 5,000 or more graduates

of our high schools who prepared for four years for college but are unable to enter because of the depression. Many of these high school grads are now walking the streets. They would benefit by such a plan as this.

The order was passed under suspension of the rule.

PREFERENCE TO FORMER EMPLOYEES.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of giving preference in employment to those city employees let go during the first part of his administration.

Passed under suspension of the rule.

GREATER USE OF BUSES.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of conferring with the officials of the Boston Elevated Railroad system relative to the more extensive use of buses in Boston.

Coun. NORTON—Mr. President, there are hundreds of schools in Boston where transportation facilities are far removed from the homes, and the same thing is true of much of our adult population in getting to and from business. The Boston Elevated Railway system should use more buses. The old-fashioned electric car, in many instances, is slow, noisy, and inefficient compared to the modern bus. President Sheeran of the New York Railways Corporation advises that all surface cars there be replaced by buses this summer. The modern bus in Boston can go through districts that the old-fashioned electric car never properly serviced. Some people walk a mile or more to the nearest Boston Elevated service today.

The order was passed under suspension of the rule.

GARMENT CUTTING SERVICE.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of conferring with W. P. A. authorities relative to the matter of establishing a "garment cutting service" to supplement the "garment making" projects.

Coun. NORTON—Mr. President, 200 children a day are kept from school because of having no proper clothes. A W. P. A. clothes cutting service would help these unfortunates. We have the help and the materials. I introduced an order two weeks ago and nothing has been done. I am now asking that the Mayor of Boston use his influence to have a clothes cutting service inaugurated, to cut garments for children. As I say, we have the help and the materials, and all we need is the executiveship to put the idea into action.

The order was passed under suspension of the rule.

UNPAID TAXES IN WOOD AVENUE SECTION.

Coun. WILSON offered the following:

Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to advise the City Council not later than March 16, 1936, full information concerning unpaid taxes owed to the City of Boston by the present owner of the tract of land in the Wood avenue section of Hyde Park which it is contemplated the city shall purchase for the \$10,000 item set forth in order submitted to the Council on November 7, 1935, and which order received its first reading on March 2, 1936, giving in detail (1) the size and location of the area, consisting of "approximately nine acres," which it is proposed to purchase for \$10,000; (2) the amount of the unpaid taxes outstanding on said tract for each of the years 1931 to 1935, inclusive, plus accrued interest on the same; (3) the total amount of all unpaid taxes owed to the city by the taxpayer in question for each of the years 1931 to 1935, inclusive, plus accrued interest on the same; and (4) the exact disposition proposed to be made of the \$10,000 requested to be transferred from Sales of City Property and which the City Council has been informed is to be applied to certain unpaid taxes of the owner.

Passed under suspension of the rule.

Adjourned, on motion of Coun. DOWD, at 3.10 p. m., to meet on Monday, March 9, 1936, at 2 p. m.

CITY PURCHASING UNDER THE CODES.

Caught between two fires, American cities are feeling the influence of the National Industrial Recovery Act codes in their purchasing in a way they had not foreseen. On one side taxpayers ask for economy in budget-making. On the other, application of codes, which has resulted in collective price-fixing, has increased prices of supplies for city use to an almost prohibitive point.

CIVIL SERVICE EXAMINATIONS. (STATE AND CITY SERVICE.)

ELECTRICIAN, BOSTON STATE HOSPITAL,
APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

The minimum salary, with maintenance, is \$1,080 a year; the maximum salary, with maintenance, is \$1,380 a year; the minimum salary, without maintenance, is \$1,440 a year; the maximum salary, without maintenance, is \$1,740 a year.

Duties: To make general repairs on electrical motors. To locate and adjust defects in the general wiring of the hospital. To read electrical wiring diagrams and make installations according to blue prints. To take complete charge of rewiring in a hospital building containing a minimum of 250 patients. To repair small electrical appliances such as electric fans, etc. To install any necessary electrical devices or motors in the institution.

Entrance Requirements: Applicants must possess a journeyman electrician's license. Applicants must have five years' experience as an electrician.

Subjects and Weights: Training and experience, 1; practical questions, 1; total, 2.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

FOREMEN OF WATER, SEWER, AND HIGHWAYS, ETC., APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

This examination is for foremen of water, sewer and highways (or streets) in the service of the State and of all cities and of such towns in the State as are classified under civil service; and of sanitary and street cleaning in the service of Boston.

(A) Highway (or street) foremen in the service of the State, cities and of the towns classified under civil service.

Subjects and Weights: Training and experience, 14; report, 2; arithmetic, 4; practical questions on street and road construction, grading, repairing, etc., 10; total, 30.

(B) Sewer. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the quality of materials, bracing and refilling of trenches, general maintenance and repair of sewers, catch-basins, etc.

(C) Water. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the laying and maintenance of water mains and service pipes, timekeeping, accounting for material, etc.

(D) Sanitary and street cleaning (in the service of Boston). The subjects and weights are the same as for (A) Street Foremen, except that the practical questions will concern the handling of ashes, garbage, etc., and the watering, cleaning and oiling of streets.

Passing Requirements: At least 60 per cent in practical questions and at least 70 per cent in experience and in general average in order to become eligible.

NOTE. Applicants for all services may, if they wish, take an additional paper on the use of explosives. They will be required to obtain at least 50 per cent

in this subject in order to qualify, and will have it so noted as a special qualification.

Physical fitness to be determined by physical examination.

FIRE DEPARTMENT ORDERS.

General Order No. 16.

I. CHANGES IN NAMES OF STREETS.

The Board of Street Commissioners has voted to change the names of the following streets:

Berry street, West Roxbury district, from Canterbury street to Cummins Highway, new name, Mt. Calvary road.

Astor street, Roxbury district, from Massachusetts avenue to Hemenway street, new name, Burbank street.

Bonnie road, Brighton district, northwesterly from Faneuil street for a distance of approximately five hundred and fifteen feet, new name, Adair road.

II. AMERICAN DISTRICT TELEGRAPH ASSIGNMENT.

The following number of the American District Telegraph Company is to be added to their running cards in this department:

Signal 383, 46 Wareham street. Apparatus to respond: Engine 3, Ladder 3, Chief of District 7. Nearest city box is 1643.

III. BOSTON AUTOMATIC FIRE ALARM SIGNAL.

The Boston Automatic Fire Alarm Signal 584, located in building 121 and 123 South street, has been discontinued as of February 29, 1936.

IV. COMMENDATIONS.

The commissioner is in receipt of a letter from Mr. Joseph A. Maynard, chairman of the 1936 Birthday Ball for the President, which he is pleased to publish herewith for the information of the department:

BOSTON, February 28, 1936.

HON. EDWARD F. McLAUGHLIN,
Fire Commissioner.

DEAR COMMISSIONER McLAUGHLIN,—In behalf of the President's Birthday Ball Committee I wish to take this opportunity to thank you for your kind cooperation in our efforts to raise funds to assist those afflicted with infantile paralysis.

The splendid assistance given by the members of the Boston Fire Department, and that of other willing friends, made possible the success of the ball. It is a fine testimonial to the sympathy and interest of the citizens of Boston in those who suffer from this dread disease. It is also an expression to the President of the United States for his leadership in the cooperative efforts of the nation in the fight against infantile paralysis.

Again thanking you for your wholehearted cooperation, and with kind personal regards, I am,

Sincerely,

JOSEPH A. MAYNARD,
Chairman.

Aide to the Chief of Department, Francis J. Scott, is hereby commended for rendering valuable assistance at a fire in Brookline on March 1, 1936, while off duty.

By order of Fire Commissioner
EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

LOW FATALITY RATE IN PROVIDENCE.

The fatality rate in Providence in 1934 was the lowest in all the years since modern traffic problems have existed, according to figures compiled by the city's traffic bureau. It is believed that the activity herein described was one of the many which have contributed toward this result. Certainly, if speeds can be consistently held down or reduced, there is small doubt that accidents will be decreased.

Traffic authorities in Providence decided in 1932 that a plan of monthly "sampling" of vehicular speeds by actual measurements be carried out, covering about fifty-four locations, none of which should be in congested traffic. This system was worked out and tested in that year, and has been in full operation during 1933 and 1934.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING PORTLAND CEMENT.

The Supply Department of the City of Boston invites proposals for furnishing to the various city departments, Portland cement, as per specifications, to be delivered in such quantities as required. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter of the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. *There will be a charge of forty cents (\$0.40) for each set of proposals taken out.* Bids, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Thursday, March 19, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent of Supplies reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Mar. 14.) Superintendent of Supplies.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSAL FOR FURNISHING TOILET PAPER IN ROLLS FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing toilet paper in rolls for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Toilet Paper in Rolls." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Wednesday, March 25, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO GENERAL CONTRACTORS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for alterations in the Benjamin Cushing School, Robinson street, near Adams street, Dorchester, Boston, and giving bond of a surety company satisfactory to the Superintendent of Construction therefor in the full amount of the contract price. Plans ready for contractors March 16, 1936. Only proposals obtained at the office of the Superintendent of Construction, eighth floor, 11 Beacon street, Boston, signed by the bidder and left before 2 o'clock p. m. of Monday, March 23, 1936, at said office, with a certified check for \$250, payable to the city if the proposal is not carried out will then and there be publicly opened and read. The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for opening proposals. The Superintendent of Construction reserves the right to reject any or all proposals. A deposit of a certified check in the sum of \$25 will be required in order to procure a complete set of plans and specifications, said sum to be refunded to all but the successful bidder. If all unused plans and specifications are not returned prior to noon of Monday, March 30, 1936, said deposit for specifications shall be forfeited. Mutilation of the plans and specifications will be deemed sufficient cause for the forfeiture of the said deposit.

WM. W. DRUMMEY,
(Mar. 14.) Superintendent of Construction.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, MARCH 21, 1936.

No. 12

PARK DEPARTMENT INDOOR ATHLETIC SEASON SOON CLOSING ONE OF BEST IN HISTORY OF CITY, WITH MORE THAN 40,000 PERSONS REGISTERED AND TAKING PART IN VARIOUS EVENTS—MORE WOMEN AND GIRLS THAN EVER SHARED IN CONTESTS—BASEBALL SEASON WITH MAYOR MANSFIELD, HONORARY PRESIDENT OF CITY LEAGUE, TO GET UNDER WAY EARLY IN APRIL, WITH SEASON OPENING FORMALLY ON MAY 18.

With the opening of the spring season Commissioner William P. Long of the Park Department is preparing to present his report to Mayor Mansfield on the success of the winter recreation season.

During the winter season more than 40,000 persons registered and took part actively in the program of athletics provided by the department. Of these, 24,489 were in basketball, with 35,000 spectators sharing the enthusiasm of the players. In boxing there were 5,395 participants; in wrestling, 4,585; indoor track, 13,807, and informal games, 24,502, and volley ball, 12,372. In many of these sports the same persons participated in two or more classes.

The department is now making ready for the spring season and the program will start about the second of April. This program will consist of roller-skating, races, cross-country running, hiking, marble tournament for girls, May Day Party and rowing. During this period the recruiting of 24,000 young Park regular baseball players will be in operation for the opening of the League on May 18, of which his Honor the Mayor, Frederick W. Mansfield, will be the president. In fact, he is the president of the largest baseball league in the world.

During the winter, on Tuesdays, Wednesdays and Friday mornings, and from five to seven on the same evenings, also on Saturday from twelve to ten, a regular program of athletics has been carried on throughout eleven gymnasiums. On Monday and Thursday mornings, and from five to seven on the same evenings, a similar program has been conducted for the young women. The department also carried on programs these same days in two regulation indoor swimming pools. The men and boys' program attracts the greater number of people and most every form of athletic activities has been carried on, the most popular being basketball, boxing, wrestling, volley ball, etc. A very exceptional staff of trained athletic instructors have officiated and coached in various sports.

The girls' program consisted of calisthenic training, marching technique and informal gym games. Basketball is the most popular sport with the young ladies and one of the most successful girls' basketball leagues has just drawn to a close with a staff of physical, educational graduates acting as officials and coaches. During the month of March championships of various sports have been conducted.

Handball drew a capacity audience at the Paris Street Court in the finals on Saturday, March 7. Volley ball had its followers and attendants at the novice championships held at the Roslindale Gymnasium the same day. Novice wrestling championships were conducted at Curtis Hall on Saturday, March 14. Five thousand persons witnessed the trials in the afternoon and the finals in the evening. A team of seven champions from each of the eleven gymnasiums participated. These contests were conducted under the Olympic rules. Basketball, the most popular of all the Olympic games, in which 304 uniform teams have participated in 1,374 games, had their tournament day on Saturday, March 21, when the youngsters played off the junior tournament in the afternoon and the older boys contested for the city championship in the evening.

Novice boxing championships will be held at Curtis Hall on Saturday, March 28, when a team of seven from each of the eleven teams will compete for the city amateur boxing championships.

Closing the season will be the novice swimming meet on Saturday, April 25, at Curtis Hall, when 250 competitors will fight for the novice city swimming championships.

The young ladies will conclude their indoor season with gymnastic exhibitions and basketball at the Vine Street Gymnasium on April 9.

An outdoor program during the winter was also carried on, including skating, skiing, tobogganing and snow sculpture, which was unusually attended in view of the unusual weather.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, March 23, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, March 19:

COLLECTING DEPARTMENT.

Due to the resignation of John J. Shea as deputy collector, approval has been given to change the budget estimates on A-1, Personal Service, from seventeen deputy collectors at \$2,400 to sixteen deputy collectors at \$2,400, and in lieu thereof an addition of two clerks and stenographers at \$1,000 each has been approved, thus making in the budget six clerks and stenographers at \$1,000 each.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the continued employment of Edward J. Cummings as a temporary clerk-typist, for a period of ninety days, at \$24 a week.

The following promotions have been approved, effective March 13, due to the death of George H. Murray, clerk in the general division of the department at \$2,000 a year:

John J. Dolan, clerk, general division, at \$1,800, to clerk, general division, at \$2,000, *vice* George H. Murray, deceased.

Thomas A. Welch, clerk, general division, at \$1,600, to clerk, general division, at \$1,700, *vice* John J. Dolan, promoted.

Maurice P. Downey, clerk, general division, at \$1,400, to clerk, general division, at \$1,600, *vice* Thomas A. Welch, promoted.

Albert E. Kyle, clerk, Water Division, at \$1,100, to clerk, general division, at \$1,400, *vice* Maurice P. Downey, promoted.

These changes will necessitate the employment of a new clerk in the Water Division, *vice* Albert E. Kyle, promoted.

HEALTH DEPARTMENT.

Approval has been given to employ John T. Mulhern as supervisor at \$40 a week, for a period of three months on uncompleted E. R. A. and W. P. A. projects, effective January 31.

William Regan has been employed as inspector of electrical refrigeration and equipment and maintenance, for three months, at \$5 a day.

HOSPITAL DEPARTMENT.

Owing to an extremely large number of ill patients in the hospital at this time, and due to the fact that many floor duty nurses are off duty ill, approval has been given to employ the following six nurses, for a period of from forty to sixty days:

Jean Peppard, Evelyn Byrnes, Tekla Quigley, Lena Garber, Beatrice Bowdy, Irene Bergeron.

Stephen Donohoe, John O'Toole, pavers, 1 day, \$6 each; Stephen Earner,

paver, 1 day, \$5.50; Samuel Flanagan, carpenter, 1 day, \$6; Alfred Flannery, chauffeur-laborer, 1 day, \$5.50; Frank A. Kutz, chauffeur-laborer, 1 day, \$5; Settimio Arcieri, paver, 1 day, \$5.50; Michael Abruzzese, Michael Connolly, Maurice G. Connell, Thomas F. Duran, Harold J. Grant, William Hurley, Thomas F. Jones, Patrick Joyce, William P. Sheehan, Michael Vareika, laborers, 1 day, \$5 each; Edward C. Walaschek, chauffeur-laborer, 1 day, \$5.50; Thomas Broderick, Michael J. Costello, George H. Huber, teamster-laborers, 1 day, \$5 each; Martin J. McDonough, chauffeur-laborer, 1 day, \$5; Thomas Butler, auto mechanic, 1 day, \$6; George L. Gomez, chauffeur-laborer, 1 day, \$5.50; George T. King, chauffeur-laborer, 1 day, \$5; Edward J. Maher, rammer, 1 day, \$5; Albert I. Collier, laborer, 1 day, \$5; Anthony Corrado, chauffeur-laborer, 1 day, \$5; William J. Doren, Pasquale Defoe, laborers, 1 day, \$5 each; Vincenzo DeSimone, paver, 1 day, \$5; James J. Duffy, William J. Hamilton, Lewis C. Timmins, Michael Trunfo, Frederick D. O'Brien, laborers, 1 day, \$5 each; William A. Riley, chauffeur-laborer, 1 day, \$5; Antonio Laconti, teamster-laborer, 1 day, \$5; Walter T. Murray, hostler, 1 day, \$5; Giovanni Vaccaro, carpenter-laborer, 1 day, \$5.50; William Flaherty, carpenter's helper, 1 day, \$5; George F. Ramsdell, William C. Fleming, John P. Vallen, laborers, 1 day, \$5 each; Thomas Ring, John J. O'Sullivan, chauffeur auto mechanics, 1 day, \$6 each; Mark A. Foley, Herbert F. Gunning, John J. Ward, Charles F. Conlon, laborer-chauffeurs, 1 day, \$5.50 each; Charles J. Dolan, chauffeur-teamster, 1 day, \$5.50; John J. Carney, laborer, 1 day, \$5; Michael J. Carney, chauffeur-laborer, 2 days, \$10; William Cowhig, Frederick A. Eaton, Giuseppe Ignoto, laborers, 1 day, \$5 each; Ignazio Giglio, assistant blacksmith, 1 day, \$5.50; John Meehan, William J. Riley, Charles J. Sheehan, Daniel F. Sullivan, Gaetano Vincent, laborers, 1 day, \$5 each; Edward Timlage, chauffeur-laborer, 1 day, \$5.50; Thomas J. Conlon, teamster-laborer, 1 day, \$5; Joseph Vitelli, paver, 1 day, \$5; Stephen H. Duffy, paver, 1 day, \$6; Alexander McDonald, paver, 2 days, \$12; Edward J. O'Malley, Joseph T. Ward, John J. Lydon, pavers, 1 day, \$6 each; John W. Danner, carpenter, 1 day, \$6; Henry T. Brennan, auto mechanic, 1 day, \$5.50; John J. Brooks, chauffeur-laborer, 1½ days, \$8.25; Frank P. Craven, chauffeur-laborer, 1 day, \$5; James J. Collier, chauffeur-laborer, 1 day, \$5.50; Frederick A. Hohn, chauffeur-laborer, 1½ days, \$7.50; James P. Hooley, William F. Huber, Edward A. Leslie, Francis McGinnis, Edward F. Murdock, chauffeur-laborers, 1 day, \$5.50 each; James J. Maloney, paver, 1½ days, \$8.25; John Huber, laborer, 1 day, \$5; George T. Buckley, teamster, 1 day, \$5; John J. Dolan, laborer, 1½ days, \$7.50; Charles Doherty, Benjamin Glennon, Frank E. Haley, Michael Hannelly, Patrick McDonough, Charles J. O'Rourke, Robert T. Robertson, Michael T. Scanlon, laborers, 1 day, \$5 each; Arthur F. Walsh, wheelwright-carpenter, 1 day, \$6; Emmett F. Kelley, lamplighter-laborer, 1 day, \$5; Louis T. Luzzio, paver, 1 day, \$5.50; John T. Blye, Donato DeVincenzo, Michael J. Kelly, Eugene Sullivan, teamster-laborers, 1 day, \$5 each; William A. Lyons, stonecutter, 1 day, \$6; Leo P. Sullivan, John H. Fitzgerald, laborers, 1 day, \$5 each; Thomas McDonough, Pat-

rick Ridge, pavers, 1 day, \$6 each; John Connolly, paver, 1 day, \$5.50; Thomas F. Tivenan, chauffeur-laborer, 1 day, \$5.50; Thomas Cleary, James A. McCabe, chauffeur-teamsters, 1 day, \$5.50 each; Richard M. Kilduff, chauffeur-teamster, 1 day, \$5.25; Eugene O'Keefe, chauffeur-laborer, 1 day, \$5.50; William S. Glennon, chauffeur-mechanic, 1 day, \$6; Daniel Murphy, stonecutter, 1 day, \$6; Edward P. McGuire, teamster, 1 day, \$5; Thomas Lerner, teamster-laborer, 1 day, \$5; William T. Sweeney, chauffeur-laborer, 1 day, \$5; Walter Boltz, James L. Brooks, Timothy F. Desmond, Joseph Donohue, James J. Dowdell, Martin Fitzpatrick, John F. Gallagher, William J. Gleavey, Herman L. Hodapp, Thomas J. Joyce, laborers, 1 day, \$5 each; Neil Kearney, chauffeur-laborer, 1 day, \$5.50; John Mack, Edward Monahan, chauffeur-laborers, 1 day, \$5 each; Thomas F. McLaughlin, Maurice V. Rogers, Dennis Walsh, Michael F. Green, Louis N. Wingsted, laborers, 1 day, \$5 each; Maurice Fitzgerald, stableman, 1 day, \$5; Robert D. Connolly, Thomas J. Gavin, pavers, 1 day, \$6 each; Michael Green, paver, 1 day, \$5.50; James Lynch, William J. Monahan, pavers, 1 day, \$6 each; John F. Kelley, stonecutter, 1 day, \$6; William T. Watson, carpenter, 1 day, \$6; Henry J. Wagner, James T. Craffey, Patrick Francis, painters, 1 day, \$6 each; Joseph R. Curley, fireman, 1 day, \$5.50; Thomas F. Cashman, Edward A. Keefe, laborer-chauffeurs, 1 day, \$5 each; Alexander McLaughlin, Michael McGonagle, John H. McGann, laborer-chauffeurs, 1 day, \$5.50 each; Timothy Calnan, teamster, 1 day, \$5; George D. Currey, feeder, 1 day, \$5; James Canney, Bernard R. Donnelly, John J. Kenzie, Edward McCullough, Patrick J. Mullen, Patrick Norton, Thomas Finneran, Francis E. Ryan, Walter R. Williams, Patrick Kelley, teamster-laborers, 1 day, \$5 each; Michael Carroll, Arthur P. Connor, Patrick Connor, James A. Doherty, James Fallon, Patrick Fay, laborers, 1 day, \$5 each; George N. Fletcher, carpenter, 1 day, \$5; Daniel J. Foley, Stephen H. Hughes, Patrick Joyce, David C. Kelleher, Dennis McCarthy, Michael J. Kelley, George E. Mason, Stephen H. Carty, Jr., John J. McConn, John J. Pierce, John M. O'Neil, Henry J. Vierkant, Thomas Walsh, 1st, Charles Wildberger, laborers, 1 day, \$5 each; Joseph J. Vincent, stonecutter, 1 day, \$6; James F. Foran, laborer, 1 day, \$5; Randall McDonald, teamster-laborer, 1 day, \$5; James J. Henneberry, chauffeur-teamster, 1½ days, \$6.19; Arcangelo Faiella, paver, 1 day, \$6; Patrick A. Grady, paver, 1½ days, \$9.75; Frank Galida, paver, 1 day, \$5.50; William McCarthy, paver, 1½ days, \$7.50; Edward McLaughlin, paver, 1 day, \$6; Donato Salvucci, paver, 1 day, \$6; Alexander Cassidy, blacksmith, 1 day, \$6; Basilio Comforti, stonecutter, 1½ days, \$5.63; Daniel Doherty, John A. Mahoney, engineers, 1 day, \$6.92 each; Joseph C. Joyce, blacksmith's helper, 1 day, \$5.50; Walter J. Clancy, auto mechanic, 1 day, \$5.50; James J. Stewart, chauffeur-auto mechanic, 1 day, \$6; Michael F. Fitzgerald, painter, 1½ days, \$6.19; Albert J. Day, James N. Gallagher, Peter B. Kilduff, Thomas F. King, William J. Jeffers, William C. McGee, Thomas H. Minton, Roger J. O'Connor, laborer-chauffeurs, 1 day, \$5.50 each; Michael J. McGuire, carpenter's helper, 1 day, \$5; John J. Lombard, teamster, 1 day, \$5; William Curran, laborer, 1 day, \$5; Edward B. Cunning-

ham, laborer, 1½ days, \$5.63; Patrick Costello, laborer, 1 day, \$5; James P. Craig, Anthony Deamore, Matthew E. Farrell, Jr., laborers, 1 day, \$5 each; Pasquale Landolf, paver, 1 day, \$5; Thomas M. McDonough, James Moran, Richard McGrath, John L. Quirke, Michael J. King, Dennis J. Reagan, laborers, 1 day, \$5 each; Bernard F. Rogan, laborer, 1½ days, \$6.25; William D. Smith, William J. Sruhan, laborers, 1 day, \$5 each; Thomas J. Whalen, laborer, ½ day, \$0.63; Edward Barrett, teamster-laborer, 1½ days, \$5.63; Matthew J. Russell, Patrick J. Sheehan, James A. Sullivan, Nathaniel Harris, teamster-laborers, 1 day, \$5 each; Gerald J. Finitny, teamster-laborer, 1½ days, \$5.63; Domenici Pollini, stonecutter, 1 day, \$6; William Downey, John Murray, pavers, 1 day, \$6 each; Alfred Wilson, teamster, 1 day, \$5; Bernard F. Cunningham, auto mechanic, 1 day, \$6; Thomas Byron, chauffeur-teamster, 1½ days, \$8.25; Martin J. Callahan, Joseph M. Coffey, Cain E. Crowley, John Doyle, laborers, 1 day, \$5 each; Bernard Flynn, laborer, 1½ days, \$7.50; Edward P. Garvey, Paul Guido, laborers, 1 day, \$5 each; George J. Kelley, laborer, ½ day, \$2.50; Thomas Kilduff, Andrew J. McGann, laborers, 1½ days, \$7.50 each; Joseph J. McDonald, Thomas D. McGann, Thomas McDonough, laborers, 1 day, \$5 each; John Connors, paver, 1½ days, \$7.50; Martin J. Mitchell, Mark Gilmartin, teamster-laborers, 1½ days, \$7.50 each; Morris Goldstein, teamster-laborer, 1 day, \$5; Joseph Yout, teamster-laborer, 1½ day, \$7.50; John F. Blake, chauffeur-laborer, 1 day, \$5.50; Nathan Goldstein, chauffeur-laborer, 1 day, \$5; Thomas H. Lyons, chauffeur-laborer, 1½ days, \$7.50; Frank Nicolette, Joel Shapiro, chauffeur-laborers, 1 day, \$5 each; Thomas Iverson, Edward M. Ryan, chauffeur-laborers, 1 day, \$5.50 each; Paolo Barretti, George L. Berry, John J. Crowley, Edward Feeney, Maurice G. Fitzgibbons, John J. Flaherty, Albert Gillingham, Samuel Platzman, Michael Pulsomi, John F. Wiegiers, William H. Veno, laborers, 1 day, \$5 each; Edgar J. Barry, Walter A. Bliven, teamster-laborers, 1 day, \$5 each; John J. Cavanaugh, chauffeur-teamster-laborer, 1 day, \$5; Harry Davis, auto mechanic, 1 day, \$6; Nicholas Dunn, Lawrence Shanney, laborers, 1 day, \$5 each; Frank D. Stein, auto mechanic, 1 day, \$6; Frederick A. Doyle, teamster-chauffeur, 1 day, \$5; William B. Traynor, auto repairman, 1 day, \$6; Joseph Z. Lamothe, Bertram Badger, Daniel F. Berry, William H. Connelly, auto mechanics, 1 day, \$6 each; John C. Crowley, auto mechanic, 2 days, \$12; Harry Darrigo, Joseph DeLuca, Thomas Glynn, Joseph MacLean, Harry J. Marshall, George Rogers, auto mechanics, 1 day, \$6 each; Harry C. Ferner, master welder-auto mechanic, 1 day, \$6; Michael J. Solan, auto mechanic, 1 day, \$6. Total, \$1,633.37.

LAND-TAKING IN BRIGHTON.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of an extension of Chiswick terrace, Brighton district, as a highway, northeasterly, bounded and described as follows:

An extension of the highway named Chiswick terrace is hereby laid out north-

easterly for a distance of approximately three feet and ordered constructed.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southwesterly by the northeasterly line of said Chiswick terrace as it existed previously to this extension, forty feet; northwesterly by the northwesterly line of said extension of said Chiswick terrace as hereby laid out, three feet; northeasterly by the northeasterly line of said extension of said Chiswick terrace as hereby laid out, forty feet; and southeasterly by the southeasterly line of said extension of said Chiswick terrace as hereby laid out, three feet.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of an extension of Chiswick terrace, Brighton district, as a highway, under the order of the Board of March 11, 1936, and awards no damages therefore.

Both sides, between Gainsborough street and Massachusetts avenue.

The following streets are one way in the direction indicated:

Gainsborough Street.

From Massachusetts avenue to St. Botolph street.

St. Botolph Street.

From Gainsborough street to Massachusetts avenue.

FINANCING SEWAGE WORKS BY SPECIAL ASSESSMENT IN IOWA.

The cost of constructing sewage disposal plants in a number of states, and in Iowa in particular, may be levied against the various lots, parts of lots or parcels of ground draining to, or susceptible to drainage to, the site of the disposal plant. Such assessments must be in proportion to the benefits to each property and must not, in any case, exceed one-fourth of the fair value of the property in question. These special assessments are payable in the same manner as other municipal improvement costs; that is, in ten annual equal installments, paid at the same time and place as the March 1 installment of ordinary taxes in Iowa. Any property owner may pay off the unpaid portion of such tax at any time. Interest on the deferred payment must not exceed 6 per cent.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Rosebery road, Hyde Park and Dorchester districts, as a highway, from Greenfield road to Taunton avenue, bounded and described as follows:

A highway named Rosebery road is hereby laid out, from Greenfield road to Taunton avenue, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

REASON FOR GRANTS IN EXCESS OF \$5.

- 23 grants of \$5:
18 supplementing Children's W. P. A. earnings.
4 large family.
1 man separated.
- 1 grant of \$5.21: To supplement earnings on National Youth Project.
- 8 grants of \$6:
6 supplementing Children's W. P. A. earnings.
2 large family.
- 1 grant of \$6.44: To supplement earnings on National Youth Project.
- 5 grants of \$7: To supplement Children's W. P. A. earnings.
- 2 grants of \$8:
1 large family.
1 supplementing Children's W. P. A. earnings.
- 1 grant of \$10:
1 large family.

Northerly by Greenfield road, forty and 95-100 feet; easterly by the easterly line of said Rosebery road as hereby laid out, eight hundred twenty-three and 88-100 feet; southerly by Rutledge road, forty feet; and westerly by the westerly line of said Rosebery road as hereby laid out, eight hundred thirty-two and 64-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Rosebery road, Hyde Park district, as a highway, from Greenfield road to Taunton avenue, under the order of the Board of March 13, 1936, and awards no damages therefor.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

SUPPLY DEPARTMENT.

Upon March 13 permission was given by the Mayor to award a contract to the lowest bidder, as indicated, for cases (industrial and medicinal) for the various city departments, as required, during 1936. The approximate totals of awards were as follows:

E-K Medical Gas Laboratories, Incorporated, \$3,748.43; The Linde Air Products Company, \$2,452.20; The Ohio Chemical and Manufacturing Company, \$115. Total, \$6,315.63.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 31, were as follows:

Approximate Amounts on All Items.

Various City Departments, 238 Tanks Acetylene, Per C. Cubic Feet.—Air Reduction Sales Company, \$2.85, delivered; \$2.70, taken at plant; The Linde Air Products Company, \$2.25, product; 15 cents, delivery; \$2.40, delivered.*

Sanatorium Division, 8 Tanks Carbon Dioxide, 100 Gallons Each, Per Tank.—E-K Medical Gas Laboratories, Incorporated, \$1*; The Ohio Chemical and Manufacturing Company, \$1.50 cylinder S; The S. S. White Dental Manufacturing Company, \$1.75.

Fire Department, Two 55-cubic-foot Tanks Nitrogen, Per Tank.—The Linde Air Products Company, \$1 C. cubic feet, product, 200-cubic-foot tanks; 74 cents C. cubic feet, delivery; \$1.74 C. cubic feet, f. o. b. cars, Boston.*

Long Island Hospital, Twelve 450-Gallon Tanks Carbon Dioxide 5 Per Cent, Oxygen 95 Per Cent, Per Tank.—E-K Medical Gas Laboratories, Incorporated, \$2.18*; The Ohio Chemical and Manufacturing Company, \$2.50, cylinder F; The S. S. White Dental Manufacturing Company, \$3.50.

Boston City Hospital, 1,200 Tanks Nitrous Oxide, Cylinder D, 250-Gallon Tanks, Per Tank.—E-K Medical Gas Laboratories, Incorporated, \$1.85*; The Ohio Chemical and Manufacturing Company, \$2.30; The S. S. White Dental Manufacturing Company, \$2.195.

Sanatorium Division, 1-B and 20-D Tanks Nitrous Oxide, Refills, 100-Gallon Cylinders, Per Gallon.—E-K Medical Gas Laboratories, Incorporated, 1.09 cents, 1-B tank; .74 cents,* 20-D tank; The Ohio Chemical and Manufacturing Company, 1.35 cents, 1-B tank; .92 cent, 20-D tank; The S. S. White Dental Manufacturing Company, 1.2 cents, 1-B tank; 1.2 cents, 20-D tank.

Long Island Hospital, Fifty 80-Gallon Tanks Nitrous Oxide, Per Tank.—E-K Medical Gas Laboratories, Incorporated, \$1.09; The Ohio Chemical and Manufacturing Company, \$2.30,* 250-gallon tank; The S. S. White Dental Manufacturing Company, \$1.20.

Various City Departments, 365 Tanks Oxygen, Per C. Cubic Feet.—The Linde Air Products Company, \$1.10 product; 10 cents, delivery; \$1.20, delivered*; Air Reduction Sales Company, \$1.45, Air Company plant; \$1.55, delivered.

Sanatorium Division, 50-D and 2-B Tanks Oxygen, Refills, 40 and 60 Gallon Cylinders, Per Tank.—E-K Medical Gas Laboratories, Incorporated, 69 cents,* 2-B tank; 85 cents,* 50-D tank; The Ohio Chemical and Manufacturing Company, 75 cents, 2-B tank; \$1, 50-D tank;

The S. S. White Dental Manufacturing Company, \$1, 2-B tank; \$1.40, 50-D tank.

City Hospital, 800 Tanks Gas Mixture, 90 by 10 Cylinder D, Per Tank.—E-K Medical Gas Laboratories, Incorporated, 90 cents*; The Ohio Chemical and Manufacturing Company, \$1.25; The S. S. White Dental Manufacturing Company, \$1.40.

City Hospital, 800 Tanks Cylinder D Oxygen, 80-Gallon Tanks, Per Tank.—E-K Medical Gas Laboratories, Incorporated, 85 cents*; The Ohio Chemical and Manufacturing Company, \$1; The S. S. White Dental Manufacturing Company, \$1.40.

Long Island Hospital, Fifty 40-Gallon Tanks Oxygen, Per Tank.—E-K Medical Gas Laboratories, Incorporated, 69 cents*; The Ohio Chemical and Manufacturing Company, 75 cents; The S. S. White Dental Manufacturing Company, \$1.

Cash Discount, Ten Days, and Remarks.—E-K Medical Gas Laboratories, Incorporated, 2 per cent; Air Reduction Sales Company, bid unsigned and identified by certified check; The Ohio Chemical and Manufacturing Company, 2 per cent; The S. S. White Dental Manufacturing Company, 2 per cent; The Linde Air Products Company, see rider as to empty cylinders and change in prices.

* Contract awarded.

Upon March 13 permission was given by the Mayor to award contracts with E. R. Squibb & Sons and the Mallinckrodt Chemical Company for furnishing ether for the various city departments, as required during 1936. On the first item, 17,600 half-pound cans ether, practically all of this item, with the exception of 300 cans, is to be used at the Boston City Hospital. The Boston City Hospital Department has requested that Squibb ether be purchased for their uses. The remaining 300 cans will be used at the Sanatorium Division, Mattapan, and this department has informed us that Squibb ether will be satisfactory for their purposes. Therefore it was recommended that this item of 17,600 half-pound cans ether be awarded to E. R. Squibb & Sons, the lowest bidder, at a price of 24 cents per half-pound can.

The second item, 2,000 quarter-pound cans ether, will be used at the Long Island Hospital, Institutions Department, and this department has requested that Mallinckrodt ether be purchased for their needs. Therefore permission was given to award this item, 2,000 quarter-pound cans Mallinckrodt ether, as desired, to the Mallinckrodt Chemical Company, the second lowest bidder, at a price of 16 cents per quarter-pound can, as the difference between this bid and the low bid is but \$20. The approximate totals of awards were as follows:

E. R. Squibb & Sons, \$4,224; Mallinckrodt Chemical Works, \$320. Total, \$4,544.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. City to be given advantage of any drop in price. Bids, opened January 27, were as follows:

Approximate Amounts on All Items.

17,600 Half-Pound Cans, Per Can.—E. R. Squibb & Sons, 24 cents*; Mallinckrodt Chemical Works, 25 cents.

2,000 Quarter-Pound Cans, Per Can.—E. R. Squibb & Sons, 15 cents; Mallinckrodt Chemical Works, 16 cents.*

Total.—E. R. Squibb & Sons, \$4,524; Mallinckrodt Chemical Works, \$4,720.

Cash Discount, Ten Days.—E. R. Squibb & Sons, 2 per cent; Mallinckrodt Chemical Works, 1 per cent 10th proximo.

Upon March 13 permission was given by the Mayor to award a contract with E. L. Le Baron Foundry Company for approximately 100,000 pounds E iron castings (9 by 9 flanged frames) for the Water Service, at 1.95 cents a pound. The approximate amount of the contract was \$1,950. Bids, opened February 26, were as follows:

Approximately 100,000 Pounds E Iron Castings.—Foran Foundry and Manufacturing Company, 2.35 cents per pound; total, \$2,350; E. L. Le Baron Foundry Company, 1.95 cents per pound; total, \$1,950; Johnson City Foundry and Machine Company, 2.9 cents per pound; total, \$2,900.

Location of Foundry.—Foran Foundry and Manufacturing Company, Flemington, N. J.; E. L. Le Baron Foundry Company, Brockton, Mass.; Johnson City Foundry and Machine Company, Johnson City, Tenn.

Upon March 13 permission was given by the Mayor to award a contract with Mechanics Iron Foundry Company for approximately 600,000 pounds B iron castings (gates and hydrants) for the Water Service at 3.4 cents per pound. The approximate amount of the contract was \$20,400. Bids, opened February 26, were as follows:

Approximately 600,000 Pounds B Iron Castings.—Foran Foundry and Manufacturing Company, 3.89 cents a pound; total, \$23,340; Mechanics Iron Foundry Company, 3.4 cents a pound; total, \$20,400.

Location of Foundry.—Foran Foundry and Manufacturing Company, Flemington, N. J.; Mechanics Iron Foundry Company, Boston, Mass.

Upon March 13 permission was given by the Mayor to award a contract to the Eagle Oil and Supply Company for metal polish to be delivered to the various city departments, as required, during 1936. The approximate amount of the contract was \$546.26. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened February 17, were as follows:

Approximate Amounts on All Items.

60 Half-Gallon Cans, Per Can.—Boston Janitor Supply Company, Incorporated, 39 cents; Eagle Oil and Supply Company, 22 cents*; Noxon, Incorporated, 24 cents; Korite, Incorporated, 25 cents; Heaney Manufacturing Company, 25 cents.

1,193 1-Gallon Cans, Per Can.—Boston Janitor Supply Company, Incorporated, 60 cents; Eagle Oil and Supply Company, 33.5 cents*; Noxon, Incorporated, 42 cents; Korite, Incorporated, 38 cents; Heaney Manufacturing Company, 45 cents.

48 Half-Pint Cans, Per Can.—Boston Janitor Supply Company, Incorporated, 7 cents; Eagle Oil and Supply Company, 5.5 cents*; Noxon, Incorporated, 5 cents; Korite, Incorporated, 6.5 cents; Heaney Manufacturing Company, 8 cents.

1,862 1-Pint Cans, Per Can.—Boston Janitor Supply Company, Incorporated, 15 cents; Eagle Oil and Supply Company, 8 cents*; Noxon, Incorporated, 6.92 cents; Korite, Incorporated, 8 cents; Heaney Manufacturing Company, 14 cents.

Total.—Boston Janitor Supply Company, Incorporated, \$987.96; Eagle Oil

and Supply Company, \$546.26; Noxon, Incorporated, \$630.47; Korite, Incorporated, \$601.92; Heaney Manufacturing Company, \$785.37.

Cash Discount, Ten Days.—Boston Janitor Supply Company, Incorporated, 2 per cent; Noxon, Incorporated, 1 per cent; Korite, Incorporated, 1 per cent; Heaney Manufacturing Company, 2 per cent.

WITHOUT ADVERTISING.

Upon March 14 the Mayor approved a contract with the Otis Elevator Company for furnishing Otis Service to elevators. A communication from Joseph T. Manning of the City Hospital was as follows:

HOSPITAL DEPARTMENT,

BOSTON, February 10, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR SIR,—At a meeting of the Board of Trustees held on January 6, 1936, it was voted, subject to your approval, to award a monthly contract to the Otis Elevator Company for the furnishing of Otis Service to twenty-six elevators in the Hospital Department at a total monthly cost of seven hundred and ninety-five dollars (\$795).

The service calls for regular and systematic examinations, adjustments, lubrication and if conditions warrant repair machine, motor and control parts and replace accessory equipment as outlined in estimate.

This recommendation is being made as the result of a careful study of elevator repair costs, work having been done by outside concerns as emergencies presented themselves.

In view of the fact that nineteen of the above-mentioned elevators were built and installed by the Otis Company there is nothing to be gained by the city through competitive bidding.

The service will be furnished from the date of approval and thereafter until agreement is terminated by thirty days' notice to that effect.

Respectfully submitted,

JOSEPH P. MANNING,
President Board of Trustees
of the Boston City Hospital.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of water service construction, estimated to be two (2) days, vehicles are excluded from the following street, effective March 17, 1936:

Bedford Street.

From Chauncy street to Harrison avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective March 16, 1936:

Nightingale Street, Dorchester.

From Bernard street to Talbot avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewer construction, vehicles are excluded from Avon street, between Washington street and Chauncy street, between 5.30 p. m. March 14, 1936, and 8 a. m. March 1, 1936.

BUILDING PERMITS ISSUED MARCH 12 TO MARCH 18.

CIVIL SERVICE EXAMINATIONS.
(STATE AND CITY SERVICE.)ELECTRICIAN, BOSTON STATE HOSPITAL,
APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

The minimum salary, with maintenance, is \$1,080 a year; the maximum salary, with maintenance, is \$1,380 a year; the minimum salary, without maintenance, is \$1,440 a year; the maximum salary, without maintenance, is \$1,740 a year.

Duties: To make general repairs on electrical motors. To locate and adjust defects in the general wiring of the hospital. To read electrical wiring diagrams and make installations according to blue prints. To take complete charge of re-wiring in a hospital building containing a minimum of 250 patients. To repair small electrical appliances such as electric fans, etc. To install any necessary electrical devices or motors in the institution.

Entrance Requirements: Applicants must possess a journeyman electrician's license. Applicants must have five years' experience as an electrician.

Subjects and Weights: Training and experience, 1; practical questions, 1; total, 2.

Passing Requirements: At least 70 per cent in each subject in order to become eligible.

Physical fitness to be determined by physical examination.

FOREMEN OF WATER, SEWER, AND HIGHWAYS, ETC., APRIL 11, 1936.

Last date for filing applications, Saturday, March 28, 1936, at 12 noon.

This examination is for foremen of water, sewer and highways (or streets) in the service of the State and of all cities and of such towns in the State as are classified under civil service; and of sanitary and street cleaning in the service of Boston.

(A) Highway (or street) foremen in the service of the State, cities and of the towns classified under civil service.

Subjects and Weights: Training and experience, 14; report, 2; arithmetic, 4; practical questions on street and road construction, grading, repairing, etc., 10; total, 30.

(B) Sewer. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the quality of materials, bracing and re-filling of trenches, general maintenance and repair of sewers, catch-basins, etc.

(C) Water. The subjects and weights are the same as for (A) Highway, except that the practical questions will concern the laying and maintenance of water mains and service pipes, timekeeping, accounting for material, etc.

(D) Sanitary and street cleaning (in the service of Boston). The subjects and weights are the same as for (A) Street Foremen, except that the practical questions will concern the handling of ashes, garbage, etc., and the watering, cleaning and oiling of streets.

Passing Requirements: At least 60 per cent in practical questions and at least 70 per cent in experience and in general average in order to become eligible.

NOTE. Applicants for all services may, if they wish, take an additional paper on the use of explosives. They will be required to obtain at least 50 per cent

in this subject in order to qualify, and will have it so noted as a special qualification.

Physical fitness to be determined by physical examination.

POLICE DEPARTMENT ORDERS.

General Order No. 151.

A trial board, consisting of Captains Killen, Gleavy and Towle, having heard by reference a complaint made by Archibald F. Campbell, captain, Division 7, against Walter J. Burkinshaw, patrolman, Division 7, for alleged violation of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming of an officer.

Specification: In that on the fourth day of March, 1936, the said Patrolman Walter J. Burkinshaw, while in uniform, and on duty in a public place, was under the influence of intoxicating liquors to such an extent that he would be unable to properly perform police duty, if called upon so to do, tending to bring into disrepute and criticism himself and his associates in the Police Department, has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, accepts the plea of guilty of the said Patrolman Walter J. Burkinshaw. This officer has been before a trial board on one previous occasion for a similar offense and ordinarily the Board would be inclined to recommend imposition of the extreme penalty of dismissal in view of the seriousness of the present offense. However, Captain Campbell testified that Burkinshaw is an exceptionally good police officer, an intelligent investigator, that he has a large family of dependent children, and that he (Captain Campbell) believes that Burkinshaw (having been previously commended five times in General Orders) can redeem himself and prove to be a worthwhile member of the department. Therefore, the Board respectfully recommends that the said Patrolman Walter J. Burkinshaw be suspended from duty for a period of twenty days, effective as of March 4, 1936, and that at the expiration of the said period of suspension the said Patrolman Walter J. Burkinshaw be ordered to perform 315 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Walter J. Burkinshaw be suspended from duty for a period of twenty days, effective as of March 4, 1936, at 5.45 o'clock p. m., and that at the expiration of the said period of suspension the said Patrolman Walter J. Burkinshaw perform 315 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner, upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the Service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. McSWEENEY,
Commissioner.

PROCEEDINGS OF CITY COUNCIL.

Monday, March 9, 1936.

Regular meeting of City Council in Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Peter A. Murray.

FUEL FOR NEEDY FAMILIES.

The following was received:

City of Boston,
Office of the Mayor, March 6, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Superintendent of Supplies relative to your order of February 10, 1936, concerning changes in the form of proposals for furnishing fuel to needy families through the Public Welfare Department in 1936.

Respectfully,

JOHN I. FITZGERALD, Acting Mayor.

City of Boston,
Supply Department, March 5, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—Replying to yours of March 3, 1936, re attached order passed by the City Council upon motion of Councilor Wilson, you are respectfully informed that this department will comply with the requests contained in the attached order.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Placed on file.

PETITIONS REFERRED.

Coun. McGRATH offered the following:

Ordered, That the Licensing Board of the

City of Boston be requested, through his Honor the Mayor, to delay the granting of licenses for the sale of alcoholic beverages at the major league baseball parks in Boston until such time as the City Council of Boston grants such baseball clubs a license to conduct Sunday sports at such ball parks.

Referred to Committee on Licenses.

PERMIT FOR CHILDREN TO APPEAR.

A petition for children under fifteen years of age to appear at places of public amusement was received, and permit granted under usual conditions, viz:

Gino Gallozzi, Michelangelo School, March 11.

WARD 3 IMPROVEMENTS.

Coun. JOHN I. FITZGERALD offered the following:

Ordered, That the Commissioner of Public Works be requested to have Bowdoin street, between Cambridge street and Bulfinch place, resurfaced.

Ordered, That the Commissioner of Public Works be requested to have the Water Department place the water box, situated at the corner of Cambridge and Staniford streets, in proper condition.

Severally passed under suspension of the rule.

WARD 12 IMPROVEMENTS.

Coun. BRACKMAN offered the following:
Ordered, That his Honor the Mayor be requested to instruct the Park Commissioner

to make provision for a wading pool in Ward 12 section of Boston.

Ordered, That his Honor the Mayor be requested to instruct the Park Commissioner to build a roller skate rink in Franklin Park.

Ordered, That his Honor the Mayor be requested to instruct the Public Works Commissioner to repave with smooth paving the following streets: Howland, Ruthven, Rockland, Ottawa, Sherman and Gaston.

Severally passed under suspension of the rule.

BORROWING CAPACITY OF CITY.

The following was received:

City of Boston,
Commissioners of Sinking Funds,
February 25, 1936.
To the Members of the City Council.

Gentlemen,—In accordance with the provisions of chapter 93, Acts of 1891, chapter 267, Special Acts of 1916, and chapter 225, Acts of 1931, it is estimated that the amount which the city will be able to borrow during the present municipal year within the debt limit established by law, is \$6,202,298.12, as per schedule annexed.

Respectfully,

ELIOT WADSWORTH,
WILLIAM ARTHUR DUPEE,
GUY W. COX,
WILLIAM SPOTTISWOODE,
MICHAEL H. CORCORAN,
JOHN E. HANNIGAN,

Board of Commissioners of Sinking Funds,

CHARLES J. FOX, City Auditor,

JOHN H. DORSEY, City Treasurer.

DEBT INCURRING POWER IN 1936.

Total debt incurring power within the debt limit (2½ per cent of \$1,675,264,600, the average assessed valuation for three years less abatements)..... \$41,881,615 00

Debts incurred:.....

Total funded debt, city and county..... \$165,402,166 61

Funded debt outside the debt limit (debt exempted from the operation

of the law limiting municipal indebtedness):

City debt..... \$38,131,300 00

Water debt..... 288,000 00

Traffic Tunnel debt..... 16,000,000 00

Traffic Tunnel debt, "Series B,"..... 3,000,000 00

Traffic Tunnel debt, "Series C,"..... 300,000 00

County debt..... 962,666 61

Rapid Transit debt..... 57,789,700 00

\$116,471,666 61

Funded debt for Public Works Administration projects, issued under authority of chapter 366, Acts of 1933, as amended by chapter 21, Acts of 1934,..... 4,689,000 00

121,160,666 61

Funded debt within the debt limit..... \$44,241,500 00

Offsets to funded debt:

Sinking funds..... \$30,892,462 08

Less sinking funds for debt outside the debt limit:

City..... \$10,306,099 25

County..... 853,250 36

Rapid Transit..... 13,872,379 66

Traffic Tunnel..... 97,711 00

Traffic Tunnel, "Series B,"..... 36,066 00

25,165,506 27

\$5,726,955 81

Premiums on loans inside limit..... 2,155 64

Offsets to funded debt within the debt limit..... 5,729,111 45

Net indebtedness within the debt limit December 31, 1935..... \$38,512,388 55

Loans authorized but not issued (within the debt limit)..... 1,192,000 00

Used debt incurring power within the debt limit..... \$39,704,388 55

.....

Unused debt incurring power within the debt limit, January 1, 1936..... \$2,177,226 45

Estimated increase during the year by:

Interest on sinking fund investments..... \$206,000 00

Appropriation for sinking funds for debt within the debt limit..... 92,405 00

Serial bonds redeemable during year..... 3,726,666 67

4,025,071 67

.....

Estimated amount of indebtedness that may legally be incurred within the debt limit

during the municipal year..... \$6,202,298 12

Placed on file.

NON-RESIDENT SCHOOL TEACHERS.

Coun. KERRIGAN, McGRATH and DOWD offered the following:

Ordered, That the School Committee, be requested, through his Honor the Mayor, to conduct an investigation relative to non-resident school teachers and to consider the advisability of replacing such nonresidents, wherever possible, with bona fide resident teachers of Boston.

The order was passed under suspension of the rules.

Coun. BRACKMAN.—Mr. President, I don't want to enter into a prolonged discussion of this order, but it seems to me we are running things in everybody's jurisdiction but

our own. This is a matter that pertains to the Boston School Committee, over which this body has no jurisdiction and has not had for a great many years. It seems to me we are constantly passing orders affecting the Boston School Committee and that they might very well retaliate by passing orders affecting the City Council. But they are gentlemanly enough to mind their business up there. I am heartily in accord with the substance of this order, that all employees should be residents of Boston. If the city is good enough to get a salary from it should be good enough to live in. But I am rather tired of listening to orders dealing with matters concerning which we have no authority or responsibility. We have absolutely no authority over

the subject matter of this order. I understand that in 1932 they passed a rule that from that time on every person employed in the School Department of the city should be a resident of Boston. I understand, however, that they have no power to go back of 1932 to accomplish that purpose, that it could not be retroactive. It seems to me we have work enough to do in cleaning our own house, dealing with matters with which the City Council of Boston is properly concerned. At present I know of no law that requires employees of the City of Boston to live in Boston or to be legal residents. It is true that there is an ordinance on the books which the Corporation Counsel in 1934 said was illegal and could not be enforced. That is a rather lengthy opinion, at page 396 of the Minutes of 1934, in answer to an order introduced by Councilor Finley, in which he asked whether or not we have authority to pass an ordinance requiring employees of the city to live in the city, and in which the Corporation Counsel stated that we have no such authority, that it is definitely vested in the Civil Service Commission and the Legislature. I think if we really want to do something effective for our constituents in Boston, something that will prevent this discrimination against citizens of Boston, we should endeavor to have some steps taken at the State House to pass legislation which will cover the matter, providing that only citizens of Boston be employed. That can be done, and according to this opinion it can only be done by legislation. I intend to introduce such an order later on.

President FITZGERALD—The Corporation Counsel changes his opinion, too.

Coun. Dowd — Mr. President, while I agree somewhat with what my colleague has said in so far as the order being an empty order, dealing with a matter over which we have no direct jurisdiction, is concerned I would like to say that, as a matter of fact, we are elected by the people of Boston, just as the School Committee are, to spend the money of the city and spend it wisely. We find the situation in the City of Boston, that out of 5,400 employees in the School Department 1,609, getting salaries from \$2,000 to \$3,500 a year, in the aggregate about \$3,000,000 a year, live outside of the City of Boston. Whether we have any jurisdiction or not, it certainly is our business to take the initiative and see that, so far as we can help in bringing it about, every one getting a salary from the city should at least live in Boston and pay a poll tax here. It was three years ago—I believe on June 5, 1933—that I introduced an order on this very subject, and I asked the School Committee at that time to prepare legislation and to require the employees living outside of Boston after six months' time to move into the city or to forfeit their jobs. We find the Everett City Council taking action in this matter, to require teachers in Everett to live in that city, and I am not criticizing them for doing so. If I were a member of the Everett City Council I should take the same action that they are taking, firing teachers living in Boston; and, by the same token, we in Boston should have enough courage, both in the City Council and the School Committee, to immediately take steps to remove from our roll 1,609 salaried people in the School Department living outside of Boston. They get pretty good jobs here, at \$2,000 to \$3,500, and immediately join the high-class Irish and move out to one of the suburban towns. Boston is no longer good enough for them to live in, although it is good enough to pay their salaries. If I were in authority and had anything to do with the situation, I would fire those 1,609 school teachers who are living in other places, but are employed here. God knows there are plenty in Boston looking for jobs who can fill their places, and I would let them go back to Milton and other cities and towns to live. While we have no direct jurisdiction over them, this is certainly an important matter. Take young girls born in Boston, going to the Teachers College, learning how to teach, and then being unable to get a job. Can they go and get a job in Milton, where there are 151 Boston school teachers residing? Can they get a job in Everett, where there are twenty-five teachers of the City of Boston, getting salaries from Boston, residing? Oh, no. Could they go to Somerville or Brookline and get jobs? Of course not. Still, we find 24 per cent of the teaching population of the City of Boston living outside the city. I say to the School Committee it is about time that they got on to their job. It is about time that they realized, as we should, that Boston money is meant for Boston people. Therefore, while I agree with the councilor from Ward 12 (Coun. Brackman) that we have no jurisdiction over the matter, I still feel that steps should be taken to prepare legislation under which these teachers may be immediately ordered to live in Boston or for-

feit their jobs. I really doubt even that legislation would be required if the School Committee should take action in the matter. If that Board should call before it these outside teachers getting from \$2,000 to \$3,500 a year—and twenty out of the twenty-two members of this Council would be willing, I daresay, to quit their jobs here tomorrow if they could get a \$3,000 salary—there would be no legislation required. Those people would come into Boston. If they were threatened with the alternative of losing their jobs or moving into Boston they would come here very quickly. So I say to the Mayor of Boston it is time that he looked into this matter to see what can be done, and while he is about it I believe he should contact every department head so as to find out about those who live in the city and those who do not. Where they do not live in the city they should be fired. Not a single soul drawing money from the taxpayers of this city, and who does not live here, should be retained. If Boston is not good enough for them to live in it is not good enough for them to draw salaries from. That same argument, no doubt, is the reason for the action of the city officials of Everett. I say again that I commend the attitude of the Everett city officials. They are absolutely right. The only people who are wrong are those having authority in this city who do not have the courage to act in the same way, possibly for fear that they will lose a few votes when election time rolls around. I say to the Mayor of Boston, I say to you, Mr. President, and I say to every member of the Council and to the School Committee, that it is a damnable outrage to allow such a thing to go on. Out of 5,400 employees 1,609 live outside of Boston and are not even paying a poll tax here. I now go on record as saying that if I had authority, or ever will have authority, I would fire every nonresident drawing a salary from the City of Boston.

Coun. MELLE—Mr. President, if the gentleman from Ward 8 (Coun. Dowd) feels so strongly in this matter, I would suggest that he take the action proposed by the gentleman from Ward 12 (Coun. Brackman), cleaning our own house first; and I will be with him one hundred per cent when he takes the initiative in cleaning our own house first, dealing with the situation as it affects employees of the city with whom we have something to do.

Coun. BRACKMAN—Mr. President—

President FITZGERALD—The order has been passed.

Coun. BRACKMAN—Well, Mr. President, I ask unanimous consent to make a statement. I think just a few words more may be necessary to explain my stand on this measure. I am one hundred per cent in accord with what the gentleman from Roxbury (Coun. Dowd) has just said, and I think he knows that. I introduced a similar order some time ago. But I am going to vote against this order today, as I am against meddling with public officials elected by the City of Boston as an independent body, as we are, as a body over whom we have no control, and I think, further, that that body has the interest of the people of Boston at heart as much as we have. This is their responsibility and not ours. They are elected to perform their duties and will have to go before the people and explain their position. They are the body elected to deal with school affairs. I will back the councilor from Roxbury on any order he puts in relating to employees of the City of Boston dealing with any matter with which we have the right to meddle. But I am against this order.

Coun. WILSON—Mr. President, not having been here when the order was first introduced and read, I wish to be recorded at this time in favor of the joint order that has been introduced. I feel that the situation in regard to the school teachers is a great deal stronger than that of even the average city employee outside of the schools, because I have in mind the fact that the City of Boston, through the taxpayers, supports the Teachers College, formerly called a normal school, attended not by children out of the kindergarten or the grammar or common schools, but by high school graduates in high grade A's or B's, or those who get into it as the result of a rigid examination. They spend four years in that college at the expense of the taxpayers of this city, learning to teach school in accordance with the requirements of the Boston School Committee, and they should not be left walking the streets in many cases for anywhere from two to eight years. I bear in mind in connection with that college, carried on with the money of the taxpayers, that over seven hundred graduates of the school are still not in permanent positions, and that that is the fact after all these years. I feel, therefore, that the case of the graduates of the Boston Teachers College is extremely strong as compared perhaps with the case of the average city employee. While I feel, also, that such a rule, if enforced in Boston,

will call for retaliation by other cities and towns, knowing that we are employing in the School Department 1,609 who live outside of Boston, and that there are 700 graduates of the Teachers College not yet placed at work, we can perhaps stand a little such retaliation from the outside cities and towns and still function.

Coun. MELLE—Mr. President, it seems to me that any position we may take with regard to school teachers holds with equal force as applied to those holding other positions in the city's employ. I think the argument in favor of Boston employees living in Boston is equally forcible whether applied to school teachers or to men shoveling a sidewalk.

WARD 14 IMPROVEMENTS.

Coun. ROSENBERG offered the following:
Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at the junction of Blue Hill avenue, American Legion Highway, Dorchester, Ward 14.

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at Blue Hill avenue and Glenway street, Ward 14.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide for better lighting facilities at Ellington street and Old road, Ward 14.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to consider the advisability of replacing all gas lamps now in use in Ward 14 with electric lights.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, Bradshaw, Fowler, McLellan and Bernard streets, Ward 14.

Severally passed under suspension of the rule.

LEGAL RESIDENCES OF EMPLOYEES.

Coun. BRACKMAN offered the following:
Ordered, That the Legislative Committee of the City Council be instructed to draw suitable amendments to the General Laws, said amendments to pertain to employees of the City of Boston, requiring the same to have a legal residence in Boston at the time of employment by the city, and that said legal residence must continue during the entire period of employment as a City of Boston employee.

Coun. BRACKMAN—Mr. President, this is something that the Boston City Council can do. I understand that our city ordinance has been construed to be illegal by our Corporation Counsel. Whether or not his opinion will change later I don't know. But the opinion of 1934 is the latest opinion, and that ordinance, if construed strictly, applies only to the time of employment. But a man might be a resident of Boston at the time of his employment and then cease that residence a month later, and nothing can be done about it. Furthermore, the ordinance applies to males, and, unless construed, having in view the present rights of women, would not apply to females. It is an archaic ordinance, having been many years in existence. We should try to bring it up-to-date with something that has teeth in it, through some legislation passed by the Legislature.

The Corporation Counsel states that under the present law the Civil Service Commission has no alternative but to approve, in accordance with the law, whether they be residents of Boston or not. If that is so, we ought to have the provision changed as soon as we possibly can, and it is the sworn duty of every one of us to appear before the Legislature and urge something of this kind. It is the only way in which we can actually make effective what we all desire—to have all employees in the City of Boston live in our city. It seems to me an outrage that we have no control over this matter under a strict construction of the statutes and laws. That opinion of the Corporation Counsel leads me to believe that he is right and that we have no power at the present time. The next step is to try to get this power. I filed an order over two years ago in connection with which I stated that a thousand employees were living outside of Boston. I think I was conservative in making that statement. The loss of taxes to the city because of this nonresidence is great, because most of the employees own their own homes in other cities and towns. I feel that this is an important order, and I hope it will pass.

Coun. SHATTUCK—Mr. President, there

can be no doubt, I think, other things being equal, that it is desirable to have employees of the City of Boston reside here. But in my service in the Council, when matters having to do with the School Department have come up, I have not heard anything—

Coun. BRACKMAN—Mr. President, I rise to a point of order. This does not apply to the School Department.

President FITZGERALD—The Chair will have to rule that it is a related matter, and that the remarks are relevant.

Coun. SHATTUCK—When questions come up regarding matters of this kind, the question of the city's service does not seem to be stressed. It would seem to me the most important thing is to have competent, efficient, faithful and honest people, and that is particularly true in the schools, for instance. We hear a great deal about the question of where the teachers shall live, but we hear very little about the quality of their teaching, which is the most important thing. And so it is in the other departments to a somewhat less degree. I hope that this measure will be referred to the Committee on Legislative Matters, which has to do with questions before the Legislature.

Coun. DOWD—Mr. President, I hope that the councilor from the Back Bay (Coun. Shattuck) does not want the people of Boston to believe that there are not plenty of men and women school teachers living in Boston with as much ability to teach our pupils as those living outside. If he wants us to believe that, I certainly cannot agree with him, because I am firmly convinced that there are men and women living in Boston just as smart and able as any individuals living in any city in America.

Coun. SHATTUCK—Mr. President, I believe the question of merit should be considered, and if, considering their qualifications here as teachers, they are the best, of course they should be appointed from every point of view. But I say the most important thing is to get the best qualified teacher, and if the best qualified teacher in a particular branch does not live in Boston, we should have that teacher in preference to one less well qualified.

Coun. MELLE—Mr. President, speaking to the order, for which I intend to vote, it seems to me that it does lack force, because every one of us knows what an easy matter it is to obtain legal residence in any city or town. I just want, therefore, to suggest that thought.

Coun. McGRATH—Mr. President, I believe in 1932 or 1933 the School Committee passed an order that in the future all school teachers must be bona fide residents of Boston. The order, I understand, was not retroactive. But, in answer to Councilor Shattuck, I would suggest this thought. I will agree that we should get the best teachers possible, that we should have examinations and select the outstanding teachers. But I would also like to add this—after they are selected let them become taxpayers of Boston. I know of a case in point where a girl from Cambridge took the examination, and in order to comply with what she thought, a few years ago, were the rules of the School Committee, she purchased a house in Brighton, in order to become a resident and taxpayer of the City of Boston. If we had more of that type it would be a good thing. And it could be easily done. If they originally come from Maine, New Hampshire, Vermont, Rhode Island or other places, if they come from any city or town outside of Boston, let them then become taxpayers. We have a military instructor in our schools, named Kelly, and, if I am correctly informed, he has said that nobody teaching in our schools here would care to bring up his children in Boston. I say, let such a man stay in Belmont. We can find plenty of military instructors in Boston to take Mr. Kelly's place.

The order was referred to the Committee on Legislative Matters.

CLEANING OF CATCH-BASINS.

Coun. BRACKMAN offered the following: Ordered, That his Honor the Mayor be requested to make suitable provisions in the annual budget for the cleaning of catch-basins.

Passed under suspension of the rule.

PROVISIONS OF PUBLIC WORKS CONTRACTS.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to instruct all inspectors in his department with reference to the provisions of all contracts awarded by him and as to their powers in the supervision of such contracts.

Coun. PETER J. FITZGERALD—Mr. President, I am prompted to file this order after the hearing we had last Friday relative to the ash contract in Dorchester. We had the spectacle of ten inspectors of the department appearing before the Committee on Public Safety and stating that they did not know that there was a provision in the contract calling for the return of barrels to the homes from which they were collected. The Mayor of Boston in his inaugural message calls special attention to the fact that all ash contracts throughout the city required that barrels must be returned, and the commissioner stated that he understood that all men were instructed to see that that provision of the contract was enforced. Still, apparently the inspectors knew nothing about the provision. When we stop to think that \$169,000 of the taxpayers' money is being spent for these inspectors and that they are being paid anywhere from \$1,500 to \$1,800 a year, and still don't know the provisions of these contracts, something is wrong. I don't blame the inspectors. I blame it to the commissioner's office, not to the commissioner himself. I am satisfied that the commissioner issued those instructions but somebody under him has failed. If we are going to spend an enormous amount of money in supervising contracts, I think we have a right to at least expect that those contracts shall be enforced. I am sick and tired of seeing contractors, once they get a contract, dictating not only to the City Council but to the Mayor of Boston, irrespective of who he may be. The contractor should be taken from his throne and we should get the full benefit of the money spent for the removal of ashes and garbage.

The order was passed under suspension of the rule.

ALL-NIGHT OPENING OF CRESCENT AVENUE ENTRANCE.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That the trustees of the Boston Elevated Railway Company be requested, through his Honor the Mayor, to keep the Crescent avenue entrance of the Columbia Station open all night.

Passed under suspension of the rule.

\$500,000 SEWERAGE LOAN.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Ordered, That under the provisions of chapter 426 of the Acts of 1897, as amended by chapter 204 of the Acts of 1908, and by chapter 178 of the Acts of 1930, the sum of \$500,000 be, and hereby is, appropriated, to be expended under the direction of the Commissioner of Public Works, for Sewerage Works, and that the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount.

On February 24, 1936, the foregoing order was read once and passed, yeas 15, nays 3.

The order was given its second reading and passage, yeas 17, nays 4:

Yeas—Coun. Agnew, Brackman, Doherty, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Rosenberg, Selvitella, Tobin—17.

Nays—Coun. Norton, Roberts, Shattuck, Wilson—4.

PAYMENT TO FATHER OF MARY MARGARET KEENE.

Coun. GALLAGHER, for Coun. Murray, offered the following:

Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing the City of Boston to pay a sum of money to the father of Mary Margaret Keene, a minor, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

REPORT OF COMMITTEE ON SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families for the month of March, 1936.

Report accepted; said order passed.

SIDEWALK CONSTRUCTION.

Coun. KERRIGAN offered the following: Ordered, That the Commissioner of Public Works make a sidewalk along Annabel street, Ward 7, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Passed under suspension of the rule.

NAMING OF SULLIVAN SQUARE.

Coun. KERRIGAN and PETER FITZGERALD offered the following:

Ordered, That the space at the junction of Columbia road and Moseley street, Ward 7, be named James F. Sullivan square in honor of said Sullivan, who is a late veteran of the World War, and that suitable signs be erected designating same.

Passed under suspension of the rule.

PARKING VIOLATIONS BETWEEN 9 P. M. AND 7 A. M.

Coun. McGRATH offered the following: Ordered, That the Police Commissioner be requested, through his Honor the Mayor, to report to the City Council whether or not it is possible and advisable to arrange that arrests on default warrants in cases arising out of automobile parking violations shall not be made between the hours of 9 p. m. and 7 a. m.

Coun. McGRATH—Mr. President, it has been called to my attention the past week that two of my constituents were taken out of their homes about two o'clock in the morning by a couple of Sherlock Holmes for parking their automobiles overtime. I think it could have been very easily arranged that they appear in court without being served with a warrant for their arrest for parking overtime in the city at such an hour. I think if the Police Commissioner knew that this sort of thing was going on he would put an end to it.

The order was passed under suspension of the rule.

DORCHESTER UNIT FOR DISTRIBUTION OF FOOD AND CLOTHING.

Coun. ROSENBERG offered the following: Ordered, That his Honor the Mayor request the Federal Commodities Administrator to establish a local unit for the distribution of food and clothing in the Dorchester district.

Coun. ROSENBERG—Mr. President, certainly residents of Dorchester should not be expected to come into Park street to secure necessary food and clothing that has been distributed by the Federal Government. A number of times people have come into Boston and have been told that there were no supplies available and that they might come back at a later date. I believe, for the convenience of those poor and needy persons who apply for food and clothing, some place should be located in the central part of Dorchester, so that they could go there and receive assistance that is being provided by the Federal Government. In that way, also, a local agency could be established which would give employment to those engaged in the work of handling such food and clothing for the poor people of the Dorchester district.

Coun. McGRATH—Mr. President, Park street happens to be in my district. I agree with the councilor that more men should be employed. I think perhaps another branch might be opened up. I would object, however, to any order that would take away from my constituents the convenience they now have.

Coun. ROSENBERG—Mr. President, let me say that, from the information given me by a group of people, I thought it was necessary for them to go to an office on Park street in Boston, not Dorchester. If there is already one established in Councilor McGrath's ward, I would like to have my order read so that another one may be opened in Ward 14.

The order was amended to read "an additional local unit" instead of "a local unit," and as amended was passed under suspension of the rule.

RELEASE OF AQUEDUCT PROPERTY.

President FITZGERALD called up, under unfinished business, No. 2 on the calendar, viz.:

2. Whereas, The City of Boston, acting under the authority of an act of the Legislature dated March 30, 1846, acquired property for aqueduct purposes in a certain part of the town of Brookline more fully described in

a taking recorded in Norfolk Deeds, Book 181, page 203; and

Whereas, The Commissioner of Public Works of the City of Boston has notified the City Council of the City of Boston that a portion of the said aqueduct property is no longer needed for public purposes; now, therefore, it is hereby

Ordered, That his Honor the Mayor be, and he hereby is, authorized, in the name and behalf of the City of Boston, and by a written instrument in form satisfactory to the Law Department of the City of Boston, to release all its right, title and interest in and to a portion of said aqueduct property in the following described parcel of land owned by Margaret A. O'Neill, to wit, a certain parcel of land in Brookline, County of Norfolk, Commonwealth of Massachusetts, bounded and described as follows:

Northerly by Crafts road, ten and 57-100 (10.57) feet; and by land of the town of Brookline, by two lines measuring respectively ninety-six and 27-100 (96.27) feet and twenty-six and 67-100 (26.67) feet; westerly by land of the town of Brookline and by Eliot street, nine and 47-100 (9.47) feet; northerly again by Eliot street, by three lines measuring respectively ninety and 26-100 (90.26) feet, forty-three and 03-100 (43.03) feet, and about one hundred eighty (180) feet; southeasterly on land of town of Brookline, about three hundred and ten (310) feet; southwesterly on Reservoir road, fifty-nine (59) feet; westerly by lots 7 and 6 on plan dated November 24, 1925, recorded with Norfolk Deeds, Book 1681, page 141, one hundred forty-eight and 67-100 (148.67) feet; southerly by lots 6 and 4 on said plan by two lots measuring ninety-seven and 35-100 (97.35) feet, and two hundred one and 24-100 (201.24) feet; westerly by other land of said O'Neill, one hundred two and 97-100 (102.97) feet, to the point of beginning, containing about 718,000 square feet.

A portion of said premises is shown on plan of land in Norfolk Book of plan 85, plan 413, and the remainder of said premises is shown on plan by H. F. Bryant & Son, dated November 24, 1925, and recorded with Norfolk Deeds, Book 1681, page 141.

It is hereby further ordered that his Honor the Mayor be, and he hereby is, authorized to deliver to the said Margaret O'Neill the said release in form and with conditions satisfactory to the Law Department of the City of Boston upon the payment to the City of Boston by the said Margaret A. O'Neill of the sum of one dollar.

On February 24, 1936, the foregoing order was read once and passed, yeas 16, nays 1.

The order was given its second and final reading and passage, yeas 19; nays—Coun. Tobin—1.

PREFERENCE TO FORMER EMPLOYEES.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of showing preference in re-employment to those old city employees, with good records, let go during the first part of his administration.

President FITZGERALD—The order is out of order.

Coun. NORTON—Mr. President, I thought I was back in good graces again! I have introduced this order at least a couple of hundred times, asking the Mayor of Boston to show preference in appointment of old employees who were let go during the first part of his administration—one man, for example, who had been for thirty-eight years in the service, and others who had occupied offices in the city for many years. You may rule this out of order if you wish, Mr. President. I don't want to be unfair in the matter. Yet I am encouraged to see that some one thinks enough of it to rule this out of order. It shows that some one is thinking about it and that I have made a little progress. I am sorry that the order antagonizes anybody. It is too bad that a man who has been in the service for thirty-eight years and has been dropped, should be remembered! But you can do as you please with the order, Mr. President. I would like to know, however, what is the objection to introducing it?

President FITZGERALD—It is before the Committee on Rules, and we are awaiting a report upon it from that committee.

Coun. SHATTUCK—Mr. President, we have learned once a week for a great many weeks what the gentleman thinks on this subject, and no doubt the Mayor has learned the same thing once a week for a great many weeks. So it seems to me this is almost an abuse of privilege. Suppose every one of the twenty-two members who thought a certain thing should be done decided every week to introduce the same order; it would be clearly something that could not go on. I don't think we should allow one member to do what we wouldn't allow all the members to do. I think if such an order should be introduced,

say, once in three months, it would advise both this body and the Mayor what the member thought about this particular situation.

President FITZGERALD—I think Councilor Shattuck has clearly stated the issue here.

Coun. NORTON—Well, Mr. President, that may be your opinion and Councilor Shattuck's. He wants it introduced once every three months; I have felt that it should be introduced once a week. I am sorry if that order antagonizes any member of the Council, yet I am tremendously pleased to think that calling attention to this matter is at least having some effect. How cold the world can be if the gate is locked against us! One man who has been in the service of the city thirty-eight years, another man twenty-five years, and then let go. I am sorry that the introduction of this order each week, as I say, antagonizes anybody. Perhaps I should confine its introduction to once every three months, or once every six months, or possibly for a year, or until we are about to go out of office. But I think a manifest injustice has been done some of these old employees. It is nothing that this Mayor has started. Other mayors have done the same thing. Nevertheless, it is wrong, and how can we draw attention to it except by iteration and reiteration every week? True, some may feel, "Well, a man is fired, let us forget it! Who cares about it?" That is human nature, perhaps. To some the introduction of such an order every three months might seem all right, but I rather think I am going to take advantage of every possible legal prerogative to have this matter come not only before this Council but before the Mayor of Boston. I wonder how the individuals and families who have lost their jobs feel about it? I wonder if they are anxious to have it forgotten or if they object to having attention called to it?

President FITZGERALD—There have been a number of requests made to the Mayor by members of the Council, and they have waited on him in regard to the matter. It has not been overlooked by other members of the Council, by any means.

Coun. NORTON—Mr. President, I have waited on the Mayor, myself. The last time I was in his office was in reference to this matter. Perhaps we should forget it. Perhaps committees have spoken to the Mayor. But I venture to say that nothing has brought it to his attention more forcibly than these orders I have introduced here each week.

LOWER PRICED CARS FOR DEPARTMENT HEADS.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of supplying all department heads with lower priced popular cars when the present autos are turned in.

Passed under suspension of the rule.

OPERATION OF BOSTON TEACHERS COLLEGE.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of conferring with W. P. A. Federal and State authorities relative to working out a program whereby the national and state governments would contribute towards operating the Boston Teachers College as a regular academic institution with the power to grant degrees.

Coun. NORTON—Mr. President, we have 6,000 college graduates in Boston. This is the third, fourth or fifth time that I have introduced this order. We have graduates of college and graduates of high school, with no job and with no place to go in this depression, in every ward in the City of Boston. We have this Teachers College with thousands of graduates without jobs and with no opportunity offered to most of them in the future. I think this is a matter that should be considered as a W. P. A. and possibly a state proposition, working out a program whereby the National and State Governments would contribute toward operating this college as a regular academic institution with the power to confer degrees. Whether this can be worked out is impossible to say without some such investigation. It is a fact, however, that we have some three hundred school buildings in Boston that are only partially utilized at the present time. We have thousands of people who, particularly in times like this when they are not employed, would like to go to school and be brought up to date educationally. Many over forty years of age, for example, would like to go back to school for a spell and catch up in a changing world. Here is a possible opportunity to cooperate with the Nation and State, through

the W. P. A. or otherwise, in a project of this kind.

The order was passed under suspension of the rule.

RELIEF GIVEN BY BOSTON TYPOGRAPHICAL UNION.

Coun. NORTON—Mr. President, I would like to make a statement, with unanimous consent. I think you will all be very much interested to learn that the Boston Typographical Union during the depression, in the past five years, has disbursed \$324,467.94 in relief to its unemployed members, which sum has been raised by a voluntary assessment on employed members. In order to meet the unemployment situation, the International Typographical Union, through a referendum, voted that all situation holders on newspapers give out one day's work a week to unemployed members—which amounted in money to over \$52,000 in Boston alone during the past year. It has been the proud boast of the Boston Typographical Union that through the raising of this fund for unemployment relief, the burden on the City of Boston has been lightened by not having their members apply for welfare relief. I think that is a splendid contribution to the common weal, and that this statement should be incorporated in the record.

(The letter quoted by Coun. Norton is in full as follows:

Boston Typographical Union No. 13,
262 Washington Street,
Boston, February 11, 1936.

Coun. Clement A. Norton,
City Hall, Boston.

Dear Councilor,—Knowing of your interest in such humanitarian undertakings, I am sending under separate cover an edition containing a historical sketch and pictures of the Union Printers Home located at Colorado Springs, Colorado, which, I believe, will prove interesting to you. This home is maintained by payment of 40 cents per member each month to the International Typographical Union.

I might also add that Boston Typographical Union No. 13 during the past five years has disbursed \$324,467.94 in relief to our unemployed members, which sum has been raised by a voluntary assessment of employed members.

In order to meet the unemployment situation the International Typographical Union, through a referendum, voted that all situation holders in newspapers give out one day's work a week to unemployed members—which amounted in money to over \$52,000 in Boston alone during the past year.

It has been the proud boast of Boston Typographical Union that through the raising of this fund for unemployment relief the burden on the City of Boston has been lightened by not having our members apply for welfare relief.

Wishing you continued success and good health, I am,

Very truly yours,
J. ARTHUR MORIARTY,
Secretary-Treasurer.)

SAVINGS BANK LIFE INSURANCE FOR WELFARE RECIPIENTS.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston consider the advisability of conferring with the trustees of Public Welfare relative to the matter of advising families, now on welfare, holding insurance policies, regarding the economies to be gained by taking out Massachusetts Savings Bank Life Insurance.

Coun. NORTON—Mr. President, this is perhaps the fifteenth time I have introduced that order. I don't know of any way of bringing the matter to the attention of the Mayor and the trustees of Public Welfare. You may call it abusing my privilege here as a member. Well, that is an argumentative point. But the order points out something that should be considered. Some families on welfare, with four children, are paying \$4.50 for insurance that they could get for 80 cents a week, perhaps. I am simply asking the department to afford such protection to these families. I am asking that attention be drawn to the advantages of Massachusetts Savings Bank Life Insurance. I believe this is a question in which the people of Boston are vitally interested. I would like to present for the record these figures that I have. Now, what am I to do? Introduce an order once and forget about it? I don't think so.

Following are the figures submitted by Coun. Norton:

SAVINGS BANK INSURANCE.

INSURANCE IN FORCE.

	September 30, 1935.	January 31, 1936.	Average Increase Per Month.
Level.....	\$96,997,332	\$101,091,433	\$1,023,525
Group.....	11,543,900	11,990,100	111,550
One-year term.....	717,400	715,400	500
Total.....	\$109,258,632	\$113,796,933	\$1,134,575

	September 30, 1934.	January 31, 1935.	Average Increase Per Month.
Level.....	\$88,818,278	\$91,327,793	\$627,379
Group.....	10,488,150	10,908,650	105,125
One-year term.....	700,000	701,000	250
Total.....	\$100,006,428	\$102,937,443	\$732,754

INSURANCE ISSUED.

	September 30, 1935, to January 31, 1936.	Average Amount Issued Per Month.
Level.....	\$5,194,605	\$1,298,651
Group.....	581,425	145,356
One-year term.....	13,000	3,250
Total.....	\$5,789,030	\$1,447,257

The order was referred to the Committee on Public Welfare.

WARD 9 IMPROVEMENTS.

Coun. GLEASON offered the following:
Ordered, That the Commissioner of Public Works, through his Honor the Mayor, be requested to resurface with smooth paving, Juniper terrace, Ward 9.

Ordered, That the Commissioner of Public Works make a sidewalk along Juniper terrace, Ward 9, in front of the estates bordering thereon; said sidewalk to be from 8 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Severally passed under suspension of the rule.

TRAFFIC LIGHTS, WARD 9.

Coun. GLEASON and DOHERTY offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at the junction of Tremont street and Columbus avenue, Roxbury, Ward 9.

Passed under suspension of the rule.

SIDEWALK ON HEATH STREET.

Coun. DOHERTY offered the following:
Ordered, That the Commissioner of Public Works make a sidewalk along Heath street, Ward 10, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Passed under suspension of the rule.

Adjourned at 3.10 p. m., on motion of Coun. GALLAGHER, to meet on Monday, March 16, 1936, at 2 p. m.

MAYOR AIDS CHARITY.

The Mayor, on March 12, purchased tickets from Mrs. Margaret E. Rideing, Volunteer Secretary of the New England Kurn Hattin Homes, for the Trudi Schoop Ballet, given at Symphony Hall, on Saturday afternoon, March 14. The ballet was given for the benefit of the New England Kurn Hattin Homes. These homes are established for homeless boys and girls of the New England states.

FIRE DEPARTMENT ORDERS.

General Order No. 17.

I. EVACUATION DAY PARADE.

The Boston Fire Department Band will participate in the Evacuation Day Parade in South Boston on Tuesday, March 17, 1936. The band will report not later than 1.15 p. m., on Washburn street, South Boston. All members of the band must report to President of the Band Hugh A. Shute to be checked off for attendance.

Members will bring with them their instruments and small band books.

The regulation uniform of the department, with overcoats, will be worn.

Members may leave their instrument cases at the quarters of Engine Company 43, where they can be called for after the parade. The commanding officer of Engine Company 43 will assign a member of that company to take care of the instrument cases while they are at Engine 43's quarters.

Members who are on the day tour of duty will be excused from 11.30 a. m. to 6 p. m. Members who are on the night tour of duty will be excused until 7 p. m. Members who are on a twenty-four hour tour of duty will be excused from 11.30 a. m. to 7 p. m.

II. RETIREMENT.

The following retirement is hereby announced to take effect at 8 a. m., Friday, March 13, 1936:

Ladderman Thomas R. McConologue of Ladder Company 22.

Ladderman McConologue was appointed to the department on April 30, 1906. He leaves the department with the best wishes of his associates.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

GOVERNMENT REPORTS ON ELECTRIC RATES.

Two government bodies reported on electric rates in February. Indeed, the joint legislative committee of New York included gas as well as power and light rates, finding them all unfavorable to the consumer. This was on February 15, and twelve days prior to this the Electric Rate Survey of the Federal Power Commission made public a set of comparative tables showing the widely differing rates effective on January 1, 1935, in the 191 cities of 50,000 or more, constituting 49 per cent of the residential customers in the United States. All communities of 1,000 or more will eventually be covered by June 30 next.

This latter survey, under the direction of William E. Mosher, shows that cities owning their own plants charge less than do the commercial utilities. In cities of 100,000 or more having the lowest rates, this was invariably the case. In these cities where rates were highest, Jacksonville was the only municipally served city.

CITIES MAY SHARE VIRGINIA LIQUOR PROFITS.

Virginia cities are likely to have a new source of revenue if the state continues to pile up profits at the present rate. The liquor control act gives them two-thirds of the profits above \$1,675,000 per year after deducting sums for creating a surplus up to \$1,000,000. Profits from the liquor stores, says the *United States Municipal News*, have upset all previous estimates and "have confounded, as well, estimates of the members of the A. B. C. Board themselves who at the outset of the state's experiment said they feared no profits at all would result during the first year of operation."

PROCEEDINGS OF SCHOOL COMMITTEE.

Mar. 4, 1936

A deferred regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 6:55 o'clock P. M., the Chairman presiding.

Present: Messrs. Lyons, Mackey, Smith, Sullivan, and Tobin.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the previous meeting was omitted. The Committee approving them as printed.

On motion, the minutes of the meeting on Oct. 7, 1935, were amended on page 123 to provide that the appointment of May D. Fordan as teacher of sewing, intermediate, in the Department of Household Science and Arts, to take effect Nov. 1, 1935, shall read to take effect Dec. 2, 1935.

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of a principal and teacher, as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

APPROVAL OF STATE-AIDED COURSE

A communication was received from the Director of Vocational Education, Massachusetts Department of Education, under date of Feb. 27, 1936, reporting the approval for the continuance of a course in Welding for Plumbers at the Boston Trade School, in accordance with plans set forth and submitted in memoranda on file in the office of the Division of Vocational Education. If these plans are carried out as submitted, the work of this course will be given approval and reimbursement recommended under the provisions of Chapter 74 of the General Laws, to take effect Jan. 22, 1936.

Placed on file.

DEATHS

The Superintendent reported the deaths of the following-named teachers:

Eliot District—Katharine G. Sutliff, assistant, elementary, Mar. 1, 1936.

Oliver Hazard Perry District—Margaret A. Murphy, assistant, elementary, Feb. 2, 1936.

Placed on file.

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting the death of the following-named master who had been retired on pension under the provisions of the Boston Retirement System:

Lewis Intermediate District—Edward J. Carroll, master, Feb. 7, 1936.

Placed on file.

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting the deaths of the following-named teachers who had been retired on pension under the provisions of the Boston Retirement System:

Dearborn District—Abigail Linnehan, first assistant, kindergarten, Feb. 25, 1936.

Franklin District—Lillian Tishler, assistant, elementary, Feb. 12, 1936; Etta M. Smith, master's assistant, Feb. 26, 1936.

Placed on file.

APPOINTMENTS

The following appointments, certified by the Superintendent as being in accordance with the rules and regulations, to take effect on the dates stated, were presented:

(FROM THE ELIGIBLE LIST)

(To fill vacancy caused by increase in numbers)

Department of Physical Education—Margaret E. Hennessey, assistant instructor, physical education, Mar. 23, 1936.

Laid over.

(To fill vacancy caused by promotion)

William Howard Taft Intermediate District—Simeon J. Domas, assistant, intermediate, Mar. 23, 1936.

Laid over.

(BY PROMOTION)

(To fill vacancy caused by promotion)

Francis Parkman District—Arnold L. Ganley, sub-master (from assistant, intermediate, William Howard Taft Intermediate District), Mar. 9, 1936.

The rules were suspended and the appointment approved.

(To fill vacancies resulting from retirements on pension.)

Dudley District—Helen B. Peterson, master's assistant (from assistant intermediate, Thomas A. Edison Intermediate District), March 23, 1936.

Ulysses S. Grant District—Clare L. Zimmerman, master's assistant (from assistant, intermediate, Michelangelo Intermediate District), March 23, 1936.

Laid over.

(CHANGE OF RANK)

A communication was received from the Superintendent, under date of March 4, 1936, reporting that subject to the approval of the School Committee and at the request of the teacher, he has appointed Adelaide R. Becker, teacher of sewing, intermediate, Department of Household Science and Arts, to the rank of teacher of sewing, elementary, in that department, to take effect February 3, 1936.

Approved.

LIST OF TEACHERS APPROVED FOR TEMPORARY SERVICE

The Superintendent submitted under the provisions of section 265, paragraph 3, of the regulations, the following additions to the list of

teachers approved by him from which assignments may be made for temporary service:

Day High Schools—Mary G. Adams, Anna F. Bell, James H. Good, Alice P. Larson.

Day Intermediate Schools—Matilda Camer, Joseph Lapidus, John T. Murphy, Patrick F. O'Connor.

Day Elementary Schools—Evelyn E. Cronin, Frances E. Heenan.

Kindergartens—Sylvia Friedman.

Continuation and South End Intermediate Schools—Ruth B. Dowd, Edwin F. Trueman.

Boston Clerical School—Walter M. Drohan, Hugh McNulty.

Disciplinary Day School—Katherine A. Riley.

Department of Household Science and Arts—Katherine E. Scott, teacher of sewing.

Department of Music—Joseph A. Trongone.

Approved.

Teaching Assistants

Day Elementary Schools—Edith R. Eldracher, Rose M. Haddad.

Approved.

TEMPORARY TEACHERS

Hyde Park High School—John R. Fatersik, co-operative instructor, Feb. 24, 1936.

Department of Manual Arts—Vincent P. Conners, instructor, manual training, special classes, Feb. 24, 1936.

Trade School for Girls—Helen M. Scott, trade assistant, Feb. 27, 1936.

Approved.

SPECIAL ASSISTANT

Day School for Immigrants—Mary M. Manning, special assistant, Feb. 3, 1936.

Approved.

EVENING SCHOOLS

Term 1935-36

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that subject to the approval of the School Committee, he has appointed the following-named persons for service in the evening schools for the term 1935-1936:

Charlestown Evening Commercial High School—John C. Ronan, assistant, Feb. 3 and Feb. 4, 1936 (two evenings).

East Boston Evening Commercial High School—Edward J. McCarthy, assistant, Feb. 25, 1936 (one evening).

Roxbury Evening Commercial High School—Hilda M. McNally, assistant, Feb. 24 to Feb. 27, 1936 (three evenings).

Bigelow Evening School—Rosa-mond A. Wilson, assistant, Feb. 24, 1936.

Franklin Evening School—Var-senig B. Boyajian, assistant, lip-reading, Feb. 24, 1936 (one evening); Margaret H. O'Leary, assistant, Feb. 24, 1936.

Grover Cleveland Evening School—Thomas J. Collieran, assistant, Feb. 6 to Feb. 11 (three evenings); Mary E. Bryant, assistant, Feb. 10, 1936 (one evening).

Joseph H. Barnes Evening School—Frances D. O'Leary, assistant, Feb. 4, 1936.

Michelangelo Evening School—Mary F. McCarthy, assistant, Feb. 11, 1936 (one evening).

Phillips Brooks Evening School—Helen M. C. Mullen, assistant, Feb. 25 and Feb. 27, 1936 (two evenings).

Approved.

Boston Trade School (Evening Classes)—Charles F. Fagone, tool-keeper, Feb. 3 to Feb. 13, 1936, (six evenings).

Approved.

DEPARTMENT OF EXTENDED USE OF THE PUBLIC SCHOOLS

Term 1935-36

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named person to serve in the Department of the Extended Use of the Public Schools, for the term 1935-36:

Leader—Charles F. Devlin, Jan. 1, 1936.

Approved.

TRANSFERS

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that subject to the approval of the School Committee, he has made the following transfers of teachers:

Estelle K. Kennedy, master's assistant, Dudley District, to the same position in the Edward Everett District, Mar. 23, 1936.

Annie O'Connor, assistant, special class, Sherwin District, to the same position in the Norcross District, Mar. 9, 1936.

Rachael T. Riley, assistant, special class, Hancock District, to the same position in the Sherwin District, Mar. 9, 1936.

Approved.

Mary G. Gallagher, assistant, Roger Wolcott Evening School, to the same position in the Washington Evening School, Feb. 24 and Feb. 27, 1936 (two evenings).

Florence Lappin, assistant, Edward Everett Evening School, to the same position in the Roger Wolcott Evening School, Feb. 13, 1936 (one evening).

Sarah A. Quinn, assistant, Washington Irving Evening School, to the same position in the Grover Cleveland Evening School, Feb. 4, 1936 (one evening).

John J. Riley, assistant, Brighton Evening Commercial High School, to the same position in the Dorchester Evening Commercial High School, Feb. 25, 1936 (one evening).

Nathan Spector, assistant, Roxbury Evening Commercial High School, to the same position in the High Park Evening Commercial High School, Feb. 6, 1936 (one evening).

Approved.

LEAVES OF ABSENCE

On the report of the Superintendent, leave of absence was granted each of the following-named teachers for the terms specified:

Public Latin School—Ralph F. V. Quinn, junior master, Feb. 10 and 11, 1936, two days, court summons.

Jeremiah E. Burke High School—Dorothy M. Casserly, secretary, Jan. 14, 15, 16, 1936, three days, court summons.

Boston Clerical School—Helen J. Gilmore, assistant, Feb. 5, 1936, one day, court summons.

Edmund P. Tileston District—Rose M. Connelly, assistant, elementary, Feb. 14, 1936, one day, court summons.

Longfellow District—Mary A. McCarthy, master's assistant, Feb. 12, 1936, one day, and Feb. 13, 1936, one-half day, court summons.

Department of Music—Joseph F. Wagner, assistant, director, Jan. 2 and 3, 1936, one and one-half days, court summons.

On the report of the Superintendent, leave of absence under a suspension of the regulations was granted each of the following-named teachers for the terms specified:

Dorchester High School for Girls—Alice J. Healy, assistant, Dec. 17, 1935 to Mar. 17, 1936, without pay.

Clarence R. Edwards Intermediate District—Louise C. Leary, assistant, intermediate, Feb. 13, 1936 to June 30, 1936, without pay.

John Marshall District—Anne E. Flanagan, assistant, elementary, Dec. 14, 1935 to Mar. 14, 1936, without pay.

Department of Manual Arts—Joseph P. Donovan, assistant, manual training, elementary, Jan. 2, 1936 to Mar. 31, 1936, without pay.

ASSIGNMENTS

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named teachers to classes attended exclusively by boys in grades above the third in the district herein stated:

Bigelow District—Henry G. Farley, assistant, intermediate, Mar. 7, 1934; Agnes T. Ahern, assistant, elementary, Mar. 7, 1934.

Placed on file and the assignments approved, to take effect on the dates stated.

DESIGNATIONS

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that he has made the following designation of a teacher to serve in the position indicated until such time as it shall be filled otherwise in accordance with the rules and regulations but not beyond Aug. 31, 1936:

Edward Everett District—Rose M. Hoye, assistant, elementary, as acting master's assistant (vice Leona J. Sheehan, absent on leave), Feb. 3, 1936.

Placed on file.

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that he has made the following designation of a school physician to serve in the position indicated until such time as it shall be filled otherwise in accordance with the

rules and regulations but not beyond Aug. 31, 1936:

Department of School Hygiene—Charles F. Stack, M. D., school physician, as acting supervising school physician (vice Simon F. Curran, M. D., absent on leave, Feb. 3, 1936).

Placed on file.

CLOSING OF CENTRAL EVENING HIGH SCHOOL TERM

The Superintendent offered the following:

ORDERED, That the current term of the Central Evening High School shall close on Thursday evening, May 28, 1936.

The regulations were suspended and the order passed.

EVACUATION DAY

The Superintendent offered the four following orders:

ORDERED, That the sessions of the day and evening schools in South Boston be suspended on Evacuation Day, Tuesday, Mar. 17, 1936, and that the Dorchester High School for Girls, the Dorchester High School for Boys, and the Edward Everett and William E. Russell Districts close at twelve o'clock noon on that day.

ORDERED, That weather permitting, the South Boston and Dorchester High School for Boys battalions be permitted, if they so desire, to participate in the parade to be held in South Boston in commemoration of Evacuation Day.

ORDERED, That the Superintendent is hereby requested to instruct the principals of schools and districts, except those in South Boston and Dorchester, the sessions of which have been suspended, to hold appropriate patriotic exercises during the afternoon of Tuesday, Mar. 17, 1936, in commemoration of Evacuation Day.

ORDERED, That pupils who reside in South Boston but attend public schools situated in other parts of the city be excused from attendance on Tuesday, Mar. 17, 1936, in connection with the celebration of Evacuation Day.

The four orders passed.

Dr. Mackey asked for and received the assurance of the Committee that accommodations in several school buildings along the line of march would be offered for the convenience of the women and children of the section.

Dr. Mackey stated that last year the South Boston High School, the John A. Andrew School and the Thomas N. Hart School were the schools designated and if possible he would like to have the same buildings available this year.

The Chairman stated that it is the intention of the Committee to co-operate with those in charge of the Evacuation Day celebration in every way, and the same or other equally convenient schools will be made available.

The designation of the schools to be opened was left to the Superintendent with full powers.

ATTENDANT, HORACE MANN SCHOOL

On motion of the Superintendent, it was

ORDERED, That the employment of Ellen Fitzgerald, attendant at the Horace Mann School, for the purpose of accompanying pupils to and from school, is hereby authorized, compensation for such service to be at the rate of two dollars (\$2) for each day of actual service, to take effect Feb. 10, 1936 and to continue for the school year ending Aug. 31, 1936.

SUBSTITUTE TEACHER COACHES

On motion of the Superintendent, it was

ORDERED, That the employment of J. Stephen Patten as substitute teacher coach in the Public Latin School is hereby authorized for three days, Feb. 10, 11 and 12, 1936, compensation for such service to be at the rate of six dollars (\$6) per day.

On motion of the Superintendent, it was

ORDERED, That the employment of Daniel H. O'Leary as substitute teacher coach in the South Boston High School is hereby authorized for three days, Feb. 3, 4 and 5, 1936, compensation for such service to be at the rate of six dollars (\$6) per day.

ESTABLISHMENT OF SPECIAL CLASSES

A communication was received from the Superintendent, under date of Mar. 4, 1936, reporting that subject to the approval of the School Committee, he has established two additional special classes, making six in all, in the Samuel G. Howe Special Class Center in the Norcross District, to take effect Mar. 9, 1936.

Approved.

ACCEPTANCE OF TRUST FUND FOR HORACE MANN SCHOOL

The following was offered:

ORDERED, That the bequest made under the will of Mabel E. Adams, late Principal of the Horace Mann School, to the School Committee of the City of Boston for the benefit of the Horace Mann School be and the same hereby is accepted under the terms and conditions as set forth in the said will of Mabel E. Adams, the bequest to be held as the Mabel E. Adams-Hannah T. Osgood Bequest.

The order passed unanimously.

In connection with the foregoing, the Chairman made the following statement:

Under the terms of the will of Miss Mabel E. Adams, late Principal of the Horace Mann School for the Deaf, a trust fund of ten thousand dollars (\$10,000), the income of which was paid to Miss Adams during her life and expended by her for the benefit of the Horace Mann School for the Deaf has been turned over to the School Committee of the City of Boston to be held in trust for the benefit

of the Horace Mann School, the income thereof to be expended in the discretion of the Principal of the Horace Mann School for the benefit of pupils, graduates, or past pupils. Miss Adams's will further provides that the bequest shall be known as the Mabel E. Adams-Hannah T. Osgood bequest, the fund having been established originally under the will of Mrs. Hannah T. Osgood, late of Hopedale, Massachusetts. The bequest under the terms of Miss Adams's will, may be added to from her estate under certain conditions.

Miss Adams has thus given final testimony of her deep affection for the Horace Mann School and for the pupils who through the years have been privileged to profit by the instruction and the many advantages offered through the labors of the noble women who have served as principals and teachers in that school. The School Committee gratefully accepts the trust under the terms and conditions set forth in the will of Miss Adams.

AMENDMENT TO REGULATIONS

The Superintendent offered the following:

ORDERED, That the regulations are hereby amended as follows:

Section 337, paragraph 1 (g) Strike out the line "Court attendance on school business," and substitute in place thereof the following.

(g) Court attendance except in cases to which the teacher or member of the supervising staff is a party.

Strike out paragraph 2.

Re-numbers paragraphs 3, 4, 5, and 6, to read 2, 3, 4, and 5.

Laid over.

APPOINTMENT OF SCHOOL PHYSICIAN

A communication was received from the Secretary, under date of Mar. 4, 1936, reporting that the Division of Civil Service has certified the following-named persons as eligible for appointment as school physician:

Morris N. Davidow, John J. Dunphy, Jr., Benjamin M. Banks; Marion D. Wilkinson, Elinor B. Martin, Helena M. Murphy.

Placed on file.

The Committee proceeded to the election of a school physician.

The members as their names were called respectively stated that they voted as follows:

Dr. Lyons: Dr. Praino. I qualify my vote by saying that there has been for some time a petition before the Board from Dr. Praino for what he calls reinstatement.

Dr. Mackey: Dr. Dunphy.

Mr. Smith: Dr. Dunphy.

Mr. Tobin: I had a desire to vote for a woman doctor in the person of Dr. Wilkinson because I feel that the all-girls' schools of the city should be covered by women physicians. Since a majority of the members of the Committee are voting for Dr. Dunphy, and having appreciation of his standing in the profession, I am voting for Dr. Dunphy.

Dr. Lyons: To what schools is the doctor to be assigned?

Chairman: He will be assigned under the direction of the Director of School Hygiene.

Dr. Lyons: To a girls' school?

Chairman: Not so far as I know.

Superintendent: I have no definite knowledge. I should say probably the new appointee would take Dr. Schwartz' program—East Boston—mixed schools.

Mr. Tobin: I'd like to state that at the present time, although the women doctors are assigned to all-girls' schools, there are several all-girls' schools covered by men physicians.

Dr. Mackey: It happens that Dr. Dunphy is a classmate of mine. He has had a very extensive practice and experience in the gynecological service of the Boston City Hospital. I feel that he is very able and capable of taking care of the girls' schools as well as the boys' schools.

Chairman: Dr. Dunphy.

The Chair announced the result of the roll call: Four votes for Dr. Dunphy and one for Dr. Praino. Appointment of Dr. Dunphy is to take effect Mar. 5, 1936.

Dr. Lyons: I object. I cast my vote for Dr. Praino. In the conference, on roll call, I voted for Dr. Praino. Then, at the close of the roll call, there being no other votes for Dr. Praino, I voted for Dr. Dunphy.

Dr. Mackey: I feel that it should not be a question of whether it is to be a woman doctor or a man. The decision should be on the question of the ability of the individual.

The Chair called a point of order, ruling that the discussion is extraneous in view of the fact that the election of Dr. Dunphy had been declared.

Dr. Lyons: May I add that I would not have qualified my vote if it wasn't for the fact that the Chair had declared there were four votes for Dr. Dunphy and one for Dr. Praino.

Chairman: Isn't that a fact?

Dr. Lyons: It is, but I wanted to remind the Chair and the members of the Committee that I was the first man to cast a vote upstairs. I cast it for Dr. Praino. I then cast my vote for Dr. Dunphy, who was my second choice.

CHANGE OF RANK

A communication was received from the Business Manager, under date of Mar. 4, 1936, recommending, with the approval of the Commissioner of Civil Service, that the rank of Mary C. Madden, assistant, Group C, in the office of the Business Manager, be changed to Voucher Clerk, to take effect Feb. 17, 1936.

Placed on file.

On motion, it was

ORDERED, That the rank of Mary C. Madden, Assistant, Group C, in the office of the Business Manager, be changed to Voucher Clerk to take effect Feb. 17, 1936.

On question of Dr. Lyons, the Business Manager stated that no change of salary is involved.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Mar. 4, 1936, recommending that the following-named custodians be granted leaves of absence on one-half net compensation for the periods specified because of personal illness:

Francis L. Butler, custodian, Frank V. Thompson Schoolhouse, Feb. 27 (one-half day) to Mar. 1, 1936, inclusive.

Oliver L. Fortin, James J. Chittick Schoolhouse, March 1, to Apr. 4, 1936, inclusive.

Jeremiah L. Lynch, custodian, Bunker Hill Schoolhouse, Feb. 23 to March 31, 1936, inclusive.

James E. Norris, custodian, Gilbert Stuart Schoolhouse, Feb. 11 to 14, 1936.

James S. Reardon, custodian, William Bradford Schoolhouse, Feb. 24 to 28, 1936, inclusive.

James J. Smith, custodian, George T. Angell Schoolhouse, Feb. 20 (one-half day) to Feb. 22, 1936.

Placed on file and leaves of absence on one-half net compensation granted for the periods specified.

TRANSFER OF CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Mar. 4, 1936, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated, to take effect on the dates specified:

Lester F. Chessman, from the James J. Storrow to the Old Edward Everett Schoolhouse, Mar. 8, 1936.

Walter D. Crawford, from the Samuel Dexter to the B. F. Tweed Schoolhouse, Mar. 8, 1936.

Henry Lamond, from the Jefferson to the Winship Schoolhouse, Mar. 8, 1936.

Hilary J. Johnson, from the Dorchester High School for Boys to the Public Latin Schoolhouse, Mar. 8, 1936.

John J. Libbey, from the Henry Vane to the Nanum Chapin Schoolhouse, Mar. 8, 1936.

Edwin G. McCaffrey from regular substitute custodian to the custodianship of the Williams Schoolhouse, March 8, 1936.

John L. Merna, from the Elizabeth Peabody to the Henry Vane Schoolhouse, Mar. 15, 1936.

William F. Tobin, from regular substitute custodian to the custodianship of the George Bancroft Schoolhouse, Mar. 8, 1936.

Placed on file and the transfers approved to take effect on the dates stated.

UNFINISHED BUSINESS

Mr. Smith: There is a motion of mine on the table—that the Press be invited to our conferences. I'd like to have action on that motion.

Dr. Lyons: I second that motion. I think it is the next best thing to public meetings.

The Secretary read the motion which was presented by Mr. Smith at the meeting of Jan. 20, 1936, as follows:

That the Press be invited to sit in on all conferences of the School Committee.

In answer to roll call, the members voted as follows:

YEAS—Dr. Lyons and Mr. Smith—2.

NAYS—Dr. Mackey, Messrs. Sullivan and Tobin—3.

The Chair declared the motion lost.

Mr. Smith: I would move that the minutes of our conferences be open to the Press.

Chairman: I second the motion.

Dr. Lyons: May I say that I think perhaps that will be the best of all. Mr. Smith's first motion was for open public meetings, his second motion was for the presence of the Press, and as we have been denied both, I think the presentation to the Press of all that transpires will be in effect the same as having the Press present.

Chairman: Will you put that motion over to the next public meeting?

Dr. Lyons: May I ask the reason for putting it over?

Chairman: I seconded that motion and I'd like to review all phases of it before going to the vote. I would be sorry to feel that hasty action on my part would in any way endanger the work we are doing, or the attempt we are making to do a good job.

Dr. Lyons: I would go further. I would be glad to offer a motion to have a public stenographer present at all our conferences. Then we would have, verbatim, everything discussed pro and con. That I would be glad to take up later.

Dr. Mackey: When it comes to the minutes of the conferences, I feel that here we are dealing with the personal aspects of our school system. Giving out the minutes quite possibly may bring shame to individuals, whether pupil or employee of our school system. I would much rather vote for public meetings for discussion of our budget and other factors than agree to a proposition which would give to each and every citizen of this city items in relation to those children or our employees, and for that one reason I shall vote no on the motion.

Chairman: The motion has been put over to our next public meeting.

Dr. Lyons: In conclusion I would say briefly that we have a stewardship for which we are responsible to the people of this city who elected us to take care of their business, namely, the education of their children. I don't think there would be any better way to carry out that trust than in any one of those three forms. There would not be any member of this Committee who would go further to protect the private, confidential affairs of any employee than I would, so I will be glad to take that up at another meeting.

NUTRITION CLASSES

Chairman: I wish to call attention to the work being done by our Nutrition Classes. There are 22 classes throughout the city in

which we have over 450 children, as follows:

LOCALITY	No. of Classes	No. in Classes	Accommodations in Active Classes	Not in Classes Due to Finances
West End	2	28	34	26
South End	4	116	57	98
North End	1	28	2	15
South Boston	4	61	36	74
East Boston	2	57	7	33
Roxbury	3	40	24	49
Jamaica Plain	1	31	9	10
West Roxbury	1	14	5	8
Dorchester	3	64	48	32
Allston	1	20	4	22
Total	22	459	228	367

Thorough examination shows that many children require special medical attention and nutritious foods which the school department endeavors to supply. Daily these children are given milk and crackers at 10:30; they are compelled to rest between 12 and 12:35; and then have a beneficial meal at 12:40. This service is performed at a cost of approximately \$.70 a week.

A regrettable fact is that all children who are in need of such special diet are not able to participate because of financial reasons.

The Director of the Nutrition Classes—Dr. Carl F. Maraldi—estimates that there are approximately 370 children in those schools which have nutrition classes who are prevented from attending because of financial reasons. Of the 450 children in the classes, approximately 20% are carried by the good will of friends, teachers, nurses and private charitable institutions. It is difficult to estimate the number of children who would be admitted to such classes if funds were available to install them completely throughout the city. Suffice it to say that the numbers would be greatly increased.

Diagnoses indicate that the children admitted to nutrition classes fall within the following groups:

Group 1—Malnutrition.

Group 2—Tubercular Contacts and Hilum (T.B.).

Group 3—Underweights.

Group 4—Cardiac (Heart Disease).

Group 5—Multiple Conditions.

Group 6—Miscellaneous (orthopedic, convalescent, medical etc.).

Our records indicate that a tremendous improvement is shown by those pupils fortunate enough to attend nutrition classes. The percent average gain in weight for a period of two to eight months is 8.39 per cent.

My reason for bringing this matter to your attention is that I feel such work should be encouraged and expanded if possible.

I hesitate to propose to this Committee that it appropriate funds for this specific purpose as I feel that to do so might eventually lead us into fields which would be far removed from the purposes for which this Committee was organized. However, I would like to propose that a resolution be adopted requesting the Overseers of Public Welfare to begin again the practice which had formerly been used of contributing additional welfare funds to families now on welfare in which it is determined

there is a child in need of this medical supervision. I do not think that the cost would be in any way exorbitant and I do feel certain that with such moneys available we should be able to do much more work of inestimable value to our school children. We would protect and build up the health of those very children who are most likely to be physically affected by stringency and want over which they had no control.

Therefore, I submit the following:
ORDERED, That the Boston School Committee respectfully request that the Overseers of the Public Welfare start again the practice which was discontinued during 1935 of supplying funds to welfare families for the maintenance of any undernourished and sickly children of those families in school Nutrition Classes.

Dr. Lyons: I'd like to ask the Superintendent a question: On an occasion probably a year ago, I met with you. Mr. Superintendent, with a group of probably ten or twelve reputable citizens of the Dorchester district who had a proposition out forth to take care of the children to the extent of furnishing them milk. At that time we met with difficulties and I want to ask you now, with what knowledge you have of that occasion, if you have not looked up the question of the welfare to show at that time whether they could provide milk for the children of this city.

Superintendent: I did look up and while I feel—I am wrong to quote him perhaps—I felt that the Executive Secretary was favorable to the proposition, the Board of Overseers reversed their former stand and denied us the appropriation which had been carried through at that time—about seventy cents a child for every child whose family was on the welfare, and the same sum obtained through the social service agencies by Mr. Dowling for undernourished children whose families were not on welfare.

Dr. Lyons: As a result, it was not successful. I am in very hearty accord and want to compliment you, Mr. Chairman, on that order. I think it is a very admirable thing, and if it can be successful I would be heartily with it.

Dr. Mackey: I think four years ago when Dr. Keenan was appointed as Director of School Hygiene, we had twenty-three per cent of all the school children in what we called the malnutrition or undernourished class, and as a result of the able and capable work of our Director I am pleased to say today we are down to fourteen per cent. If I remember, Mr. Campbell, last year Mr. Dowling, without the other children knowing of the conditions, allowed some sixty-eights cents for each and every child on the welfare list. Three weeks ago I talked with Mr. Casey and as I understand he is trying now to have funds of the National Youth Administration applied to the elementary and intermediate schools as well as the high schools. These children will be obliged in return to do minor work around the school, such as caring for blackboard and the like. In conjunction with your resolution, Mr. Chairman, I feel safe in saying that we will continue to go along on the

lines Dr. Keenan has been very ably carrying on. I think the man deserves a great deal of credit. I say that as a physician because I have followed the work very closely and I think in conjunction with our Committee and your resolution that we shall be able to do even better work along these lines.

Chairman: Thank you, Doctor.

Dr. Lyons: I heartily subscribe to the plan outlined.

The order offered by the Chairman was passed by unanimous vote.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
 Secretary.

EXTENSION OF CONTRACTS.

HOSPITAL DEPARTMENT.

M. B. Foster Electric Company has been granted an extension of time for completion of contract made December 17 for new electric generator unit in Power House, Boston City Hospital, from February 1, 1936, to May 1, 1936. This extension is requested because of unavoidable delays in signing the contract and starting the work, which have made it impossible for the contractor to complete the contract on the date specified.

PENAL INSTITUTIONS DEPARTMENT.

The S. & T. Construction Company has been granted an extension of the contract for repairs to side walls and fire-box of boiler No. 2 at the House of Correction, Deer Island. The work was to be done by the S. & T. Construction Company, 27 School street, at a cost of \$1,785. The contract was to be completed in ten working days. Due to the fact that the boiler had not sufficiently cooled to start work immediately the work was not completed in the required time.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of April 18, 1935, determining damages caused by the making of the public improvement, consisting of the taking of 5,777 square feet of land for schoolhouse purposes on Pleasant avenue, West Roxbury district, be, and the same hereby is, amended, by striking from said order the amount \$1 awarded to Rose F. Gately in said order and inserting in place thereof the amount \$6,700 and the name John Gately; that the amount \$6,700 be, and the same hereby is, awarded to John Gately for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of January 7, 1919, determining damages caused by the making of the public improvement, consisting of the taking of 672 square feet of land and building for schoolhouse purposes on Medford street, Charlestown, be, and the same hereby is, amended, by striking from said order the amount \$600 awarded to Frank C. Jennings heirs or devisees in said order and inserting in place thereof the amount \$575.50; that the amount \$575.50 be, and the same hereby is, awarded to Frank C. Jennings heirs or devisees for the damages so sustained.

LOCATION OF STREET.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the location, direction, width and grade of the private way, in the West Roxbury district, designated as Bunker road, leading westerly from Veterans of Foreign Wars Parkway for a distance of approximately 935 feet, as shown on a plan approved in writing by the Board of Street Commissioners and on file in the office of the Street Laying-Out Department, be, and the same hereby are, approved.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
 OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING ART EDUCATION AND MANUAL TRAINING SUPPLIES FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering at the several schools, and to the Supply Room of the School Committee as directed by the Business Manager, art education and manual training supplies, as per schedule. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Art Education and Manual Training Supplies." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Thursday, April 2, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
 Business Manager of the School Committee.
 (Mar. 21.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR ROAD ASPHALT FOR CONSTRUCTION.

The Supply Department of the City of Boston invites proposals for furnishing and applying road asphalt for construction, OA-2, as per specifications. The bidder must use the form of proposal to be obtained at the office of the Supply Department, Room 801, City Hall Annex. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. Deliveries to be made on such streets as may be designated by the Commissioner of Public Works within the city limits, to be delivered as required. Proposals, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, will be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Monday, April 6, 1936, at which time and place they will be publicly opened and read. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. A duplicate bid, without check, must be left with the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
 Superintendent of Supplies.
 (Mar. 21.)

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Traffic Rules and Regulations as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective March 23, 1936:

Section 8, Part 2, is amended by striking out the following:

Congress Street.

Both sides, from Milk street to Purchase street, 7 a. m. to 6 p. m.

Section 8, Part 2, is amended by adding the following.

Bedford Street.

North side, from Chauncy street to Harrison avenue, 7 a. m. to 6 p. m.

Congress Street.

Both sides, from Milk street to Atlantic avenue, 7 a. m. to 6 p. m.

Southwest side, from Atlantic avenue to Dorchester avenue, 7 a. m. to 6 p. m.

Section 9 is amended by striking out the following:

Cambridge Street, Brighton.

Northwest side, from a point one hundred and fifty-five (155) feet southwest of Hano street to North Beacon street.

Section 24, Part 1, is amended by adding the following:

Port Norfolk Street, Dorchester.

From Ericsson street to Water street.

Walnut Street, Dorchester.

From Water street to Ericsson street.

Section 35 is amended by striking out the following:

Maverick Square, East Boston.

Into Maverick street, westerly.

Meridian Street, East Boston.

Into Maverick street, easterly.

WILLIAM P. HICKEY,
Commissioner.

(Mar. 14-21.)

CITY OF BOSTON.

HOSPITAL DEPARTMENT (SANATORIUM DIVISION).

PROPOSALS FOR WINDOW CLEANING.

The Trustees of the Boston City Hospital invite sealed proposals for window cleaning of the Sanatorium Division, 249 River street, Mattapan, for the period of one year, and giving bond of a surety company therefor in the sum of 45 per cent of estimate. Only proposals obtained at the office of the Assistant Superintendent, 249 River street, Mattapan, and left before 12 o'clock noon of Wednesday, April 8, 1936, with a certified check for \$50, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The bids must be made in duplicate, the one with the check to be left as above, the other to be filed with the City Auditor, City Hall, before 12 o'clock noon on the date given above for receiving proposals. The Trustees reserve the right to reject any and all proposals.

JAMES W. MANARY, M. D.,
Superintendent.

(Mar. 21.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR AUTOMOBILE MOTOR OIL.

The Supply Department of the City of Boston invites proposals for furnishing automobile motor oil, as required, to the various city departments. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex, and the successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bid with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies before 12 m., Friday, April 3, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.

(Mar. 21.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING 45 PER CENT ASPHALTIC ROAD OIL.

The Supply Department of the City of Boston invites proposals for furnishing to the Public Works Department, Street Cleaning and Oiling Service, 45 per cent asphaltic road oil, as per specifications. Quote prices applied to the road. Oil to be delivered as required. The bidder must use the form of proposal to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* Proposals with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above mentioned office, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Tuesday, April 7, 1936, at which time and place they will be publicly opened and read. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.

(Mar. 21.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING MILK, CREAM, ETC.

The Supply Department of the City of Boston invites proposals for furnishing milk, cream, etc., to the various city departments, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$400, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read at 12 m., Wednesday, April 1, 1936, at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

(Mar. 21.)

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING LUMBER FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering in the shops or stock rooms of the various schools, lumber as per schedule. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Lumber." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for \$100, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Wednesday, April 1, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than 50 per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.

A SQUARE DEAL IN ASSESSMENTS FOR TAXATION.

Many cities are finding it greatly to their advantage to have their tax valuations periodically overhauled. The first criterion of any assessment is equity. For every citizen who wants through "pull" or however else to get off easy, there are twenty, nay a hundred who want a fair and square deal for all.

The appraisal of city real estate is a highly technical affair.

Few things are more important than the equalization of assessments. Particularly in cities that are cramped by an inflexible debt or tax limit, an honest, full value assessment may be a great boon. Without the slightest raise in the tax rate a substantially greater tax yield may be had.

HISTORICAL DATA ABOUT WARDS.

The term "ward" first appears in a fire-protection order, approved by the Town on August 29, 1679, dividing the Town into 4 quarters with 2 wards each. The 8 wards had previously been military districts.

On August 11, 1713, the Selectmen "agreed upon a distribution of the Town into distinct Wards or Precincts."

On February 1, 1715, it was "voted to make a new division of the Town into eight distinct Wards."

On March 9, 1735, it was voted to divide the Town into 12 wards to facilitate the work of the Overseers of the Poor.

On March 13, 1822, the Selectmen divided the Town into 12 wards on the basis of the U. S. Census of 1820.

By an ordinance which took effect on the second Monday of December, 1838, there was a revision of the wards.

On April 29, 1850, the City Council accepted Chap. 167 of the Acts of 1850, which altered the wards on the basis of legal voters rather than on the number of inhabitants.

By ordinance taking effect on November 15, 1865 new ward lines were established.

In the annexation period, 1865-1875, the number of wards was increased from twelve to twenty-one.

By Chap. 243, Acts 1875, the City Council was ordered to cause a new division of the City into twenty-four wards in the year 1875 in such manner as to include an equal number of voters in each ward. This division was made, taking effect on December 13, 1875. On May 27, 1876, the City Council, in accordance with Chap. 242, Acts of 1876, divided one of the wards in two, making a total of 25 wards for the City.

By ordinance passed April 20, 1895, under authority of Chap. 437, Acts of 1888, and Section 96 of Chap. 417, Acts of 1893, ward lines were established on the basis of the number of voters registered at the City election of 1894, there still being 25 wards.

The annexation of Hyde Park, effective January 1, 1912, made an additional ward.

By enactment of December 28, 1914, under authority of Chap. 630, Acts of 1914, the City Council redivided the City into 26 wards.

The latest redivision, established December 30, 1924, under authority of Chap. 410, Acts of 1924, consists of 22 wards.

RECEIPTS AND EXPENDITURES, FISCAL POPULATION OF BOSTON, BY SEX, NATIVITY, ETC., 1930.

Total population, 781,188 (383,454 males and 397,734 females); ratio of males to females, 96.4 to 100 as against 97.2 to 100 in 1920. Native white, 529,400 (260,419 males and 268,981 females) or 67.77 per cent; sex ratio, 96.8 to 100. Of the 529,400 native whites, 200,130, or 37.80 per cent, are of native parentage; 248,653, or 46.97 per cent, are of foreign parentage and 80,617, or 15.23 per cent, are of mixed parentage (i. e., one half native). Foreign-born whites, 229,356 (111,261 males and 118,095 females) or 9.563 less than in 1920; sex ratio 94.2 to 100. The foreign-born whites are 29.36 per cent of total population. Negroes, 20,574 (10,223 males and 10,351 females) or 2.63 per cent of population; sex ratio, 98.8 to 100. The Negro population has increased 4,224 since 1920 and 4,993 since 1915. Other races, 1,858 (females); 55 to 64 years, 63,416 (30,671 (1,551 males and 307 females), or 0.24 per cent, comprise 1,595 Chinese, 69 Japanese, 43 Indian, 26 Mexican and 125 miscellaneous. Total foreign white which is 61.19 per cent of all inhabitants. stock, 478,009 (viz., 229,356 plus 248,653) which is 61.19 per cent of all inhabitants.

SAND, CINDERS AND SALT IN DULUTH.

About 385 miles of sidewalk are sanded every year and about 250 miles of streets are snow-plowed and sanded. Ordinarily, flat grades are not sanded, this work being confined to steep grades where dangerous ice conditions exist. During the past season the maintenance department used about 500 cubic yards of cinders, 500 cubic yards of sand, and 5 tons of calcium chloride on the streets.

The use of salt, or sodium chloride, has been discontinued entirely, because of its injurious effect on concrete walks and pavements. The action of salt is not clearly understood, but it is much more active during cold weather than in summer, and is apparently due to the formation of crystals after penetrating the surface, the force of which disintegrates the concrete. Calcium chloride does not seem to be entirely free from this difficulty, but is much less active than sodium chloride.

PUBLIC DEBT, JANUARY 1, 1933.

Gross funded debt, January 1, 1933, \$165,758,499.95 (including \$119,999.95 issued by State for enlargement of Court House); sinking funds, \$35,737,619.21; other redemption means, \$3,078,263.28; net debt, \$126,942,617.46 or \$7,588,429.94 more than on January 1, 1932. Of said debt (net) \$79,310,526.63 or 62.48 per cent was City debt; \$46,199,623.96 or 36.39 per cent, Rapid Transit debt (representing 4½ per cent investment); \$994,466.87 or 0.78 per cent, County debt; \$438,000 or 0.35 per cent, Water debt.

Debt paid in 1932 was \$9,935,301 but there was an increase in total gross debt of \$5,437,698.99.

Net debt per capita, \$160.62 (approx.); net debt, exclusive of Rapid Transit debt, \$80,742,993.50 or \$102.17 per capita (approx.).

Per capitas are based on U. S. Census Bureau's estimated population on January 1, 1933.

Loans authorized but not issued (within debt limit), \$1,898,000; same outside of debt limit, \$2,680,000; total, \$4,578,000.

POPULATION OF COUNTIES, 1930.

(1) Middlesex (11 cities and 43 towns), 934,924 or 156,572 over 1920; (2) Suffolk (3 cities and 1 town), 879,536 or 44,014 over 1920; (3) Essex (8 cities and 26 towns), 498,040 or 15,884 over 1920; (4) Worcester (4 cities and 57 towns), 491,242 or 36,107 over 1920; (5) Bristol (4 cities and 16 towns), 364,590 or 5,585 over 1920; (6) Hampden (4 cities and 19 towns), 335,496 or 35,191 over 1920; (7) Norfolk (1 city and 27 towns), 299,426 or 80,345 over 1920; (8) Plymouth (1 city and 26 towns), 162,311 or 5,343 over 1920; (9) Berkshire (2 cities and 30 towns), 120,700 or 7,667 over 1920; (10) Hampshire (1 city and 22 towns), 72,801 or 3,202 over 1920; (11) Franklin (26 towns), 49,612 or 251 over 1920; (12) Barnstable (15 towns), 32,305 or 5,635 over 1920; (13) Dukes (7 towns), 4,953 or 581 over 1920; (14) Nantucket (1 town), 3,678 or 881 over 1920. Total for the 14 counties (39 cities and 316 towns), 4,249,614 or 397,258 (i. e., 10.3 per cent) over 1920. Of said total, 2,940,335 (i. e., 69.19 per cent) were in the cities and 1,309,279 (i. e., 30.81 per cent) in the towns. The four counties, Suffolk, Middlesex, Essex and Bristol, contain 63.00 per cent of the State's inhabitants.

If the municipalities having a population of 5,000 or over are properly called urban, then the percentage of urban population in the entire State reaches the notable figure of 90.71, while the rural shows but 9.29 per cent.

POPULATION OF NEW ENGLAND, 1930.

Total population, 8,166,341 (4,024,657 males and 4,141,684 females); total white, 8,065,113 (3,972,465 males and 4,092,648 females); total native white, 6,230,803 (3,067,723 males and 3,163,080 females); native white of native parentage, 3,167,082 (1,572,885 males and 1,594,197 females); native white of foreign or mixed parentage, 3,063,721 (1,494,838 males and 1,568,883 females); foreign-born white 1,834,310 (904,742 males and 929,568 females); Negro, 94,086 (46,963 males and 47,123 females); Indian, 2,466 (1,273 males and 1,193 females); Chinese, 3,794 (3,233 males and 561 females); Japanese, 352 (277 males and 75 females); Mexican, 107 (69 males and 38 females); all other races, 423 (377 males and 46 females).

POPULATION OF UNITED STATES, 1930.

Total inhabitants of continental United States, 122,775,046, or 62,137,080 males and 60,637,966 females. Total native white, 95,497,800 or 48,010,145 males and 47,487,655 females; native white of native parentage 70,136,614 or 35,460,001 males and 34,676,613 females; native whites of foreign parentage, 16,999,221 (8,438,676 males and 8,560,545 females); native whites of mixed parentage, 8,361,965 (4,111,468 males and 4,250,497 females); foreign-born whites, 13,366,407, or 7,153,709 males and 6,212,698 females; total foreign white stock, 38,727,593, or 19,703,853 males and 19,023,740 females; Negroes, 11,891,143, or 5,855,669 males and 6,035,474 females; Mexicans, 1,422,533, or 758,674 males and 663,859 females; Indians, 332,397, or 170,350 males and 162,047 females; Japanese, 138,834, or 81,771 males and 57,063 females; Chinese, 74,954, or 59,802 males and 15,152 females; all others, 50,978, or 46,960 males and 4,018 females.

ANNEXATIONS OF BOSTON.

East Boston in 1637; South Boston in 1804, being set off from Dorchester; Roxbury in 1868, a city of Norfolk County since March, 1846; Dorchester in 1870, a town since September, 1630; Charlestown in 1874, a city of Middlesex County since February, 1847; Brighton in 1874, set off from Cambridge and incorporated as a town of Middlesex County in February, 1807; West Roxbury in 1874, set off from Roxbury and incorporated as a town of Norfolk County in May, 1851; Hyde Park in 1912, a town of Norfolk County since April, 1868.

These annexations, which added 24,312 acres of land to the original land of Boston, were by area as follows: East Boston, 1,435 acres; South Boston, 795; Roxbury, 2,450; Dorchester, 5,600; West Roxbury, 8,075; Brighton, 2,664; Charlestown, 424; Hyde Park, 2,869. Filled land increased the area later by 1,396 acres. In 1875 the annexed territory had a population of 201,250, or 58.86 per cent of city's total; in 1910 its population had increased to 477,311, or 71.18 per cent, Hyde Park not included. By 1915 the total was 549,139, or 73.67 per cent of city. By 1925 the total was 607,519, or 77.92 per cent.

BOSTON INCORPORATED AS A CITY, 1822.

The act of incorporation was passed by the Legislature on February 23, 1822. On March 4 following, the voters of Boston accepted said act, chapter 110, 1821-22, as its first city charter by a majority of 916 in a total vote of 4,678. The vote was 2,797 yeas, 1,881 nays. Previous attempts to incorporate as a city had been made in 1650, 1659, 1667, 1708, 1744, 1762, 1784, 1791, 1804 and 1815. The charter was revised in 1854, 1885 and 1909. Amendments to the 1909 charter were enacted in 1910, 1912, 1914, 1918, 1919, 1921, 1922 and lastly in 1924 (see "Municipal Register" for 1928, pages 19-43).

POPULATION OF MASSACHUSETTS, 1930.

Total population, 4,249,614 (2,071,672 males and 2,177,942 females); total white, 4,192,926 (2,042,213 males and 2,150,713 females); total native white, 3,138,290 (1,532,751 males and 1,605,539 females); native white of native parentage, 1,429,784 (702,983 males and 726,801 females); native white of foreign or mixed parentage, 1,708,506 (829,768 males and 878,738 females); 1,202,191 (584,705 males and 617,486 females) of them being of foreign parentage; foreign-born white, 1,054,636 (509,462 males and 545,174 females); Negro, 52,365 (26,097 males and 26,268 females); Indian, 874 (458 males and 416 females); Chinese, 2,973 (2,530 males and 443 females); Japanese, 201 (151 males and 50 females); Mexican, 66 (43 males and 23 females); all other races, 209 (180 males and 29 females).

AIRPORTS AND LANDING FIELDS IN THE UNITED STATES.

The latest report of the Aeronautics branch of the Department of Commerce, dated January 1, 1934, states that there were 2,188 airports and landing fields in the United States on that date, an increase of 71 since January 1, 1933. These figures do not include new airports which are being established in the various states by the State Civil Works Administration Committees.

No. 13

MAYOR MANSFIELD GETS PLEDGES FROM SENATOR COOLIDGE IN WASHINGTON THAT MEASURES ARE BEING RUSHED IN CONGRESS TO AID AREAS STRICKEN BY THE RECENT FLOOD—INFORMS OF CONFERENCES OF NEW ENGLAND DELEGATION AND OF MEASURES BEING DRAFTED AND PRESENTED—LIEUTENANT-GOVERNOR HURLEY ALSO WIRES MAYOR, PLACING AT HIS DISPOSAL FOR FLOOD TAG DAY ALL RESOURCES OF AMERICAN LEGION AND VETERANS OF FOREIGN WARS.

Mayor Mansfield has received enthusiastic messages from Senator Marcus A. Coolidge and Lieutenant-Governor Joseph L. Hurley relative to aid in the reconstruction of areas devastated by the flood. Senator Coolidge has wired the Mayor to the effect that a conference of the entire New England delegation in Congress was held for the purpose of discussing flood disaster and control, out of which great relief is promised to the state. Senator Coolidge also announced to Mayor Mansfield that bills have been introduced in the Senate by both Senator Coolidge and Senator Walsh providing for the construction and maintenance of bridges destroyed by the flood. They have also made provisions for the authorization of loans to industries affected by the ruin.

Lieutenant-Governor Hurley in his message announced that the American Legion and the Veterans of Foreign Wars would offer the services of their membership to the Mayor for the tag day efforts in which the City of Boston will share.

The messages follow:

The following is a copy of telegram to the Mayor from Senator Marcus A. Coolidge.

March 24, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

Conference of entire New England delegation in Congress held today for the purpose of discussing flood disaster and flood control. Captain Clay, representing the Corps of Engineers, War Department, stated that a complete survey had been ordered by the War Department and was being made under the supervision of Colonel Spaulding, of the Army Engineers, in New England. As soon as the report of the Army Engineers is received it will be sent for consideration to the Commerce Committee of the Senate of which Senator Royal S. Copeland is chairman. Senator Copeland, present at the hearing, stated that immediate consideration will be given the report of the Army Engineers and he was hopeful that next week recommendations could be made to the Senate for flood control legislation and that further recommendations would be made for appropriations to provide for the rebuilding, repairing and replacing of bridges and highways destroyed by the flood. Matter of furnishing financial assistance to industry can be taken care of through loans which may be furnished by the R. F. C. Army Engineers now in the field. Howard Hunter, Assistant Administrator, Works Progress Administration, now in Massachusetts for the purpose of making a complete survey of the destruction to property. As soon as the report of actual conditions is received Works Progress Administration will start work of rehabilitation and restoring damaged and destroyed property. An effort will be made to include the Connecticut river in future flood control projects.

MARCUS A. COOLIDGE, U. S. S.

The second telegram received by Mayor Mansfield from Senator Coolidge on March 24 reads as follows:

WASHINGTON, D. C., March 24, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

Bills were introduced yesterday in the United States Senate by Senators Walsh and Coolidge providing for the construction and maintenance of bridges which were destroyed as a result of floods and for the authorization of loans to industry that has been affected by the flood disaster. The Works Progress Administration advises me that six hundred thousand dollars additional to the regular monthly allotment for the State of Massachusetts has been allocated for emergency and relief work. Those unfortunates who have had their homes damaged may receive loans under title one of the Federal Housing Act. Manufacturers whose factories and equipment have been damaged and destroyed as a result of floods are allowed to borrow under title one of the Federal Housing Act to the extent of fifty thousand dollars for the purpose of restoring plant and equipment. It is the purpose of Congress to extend title one of the Federal Housing Act, which is due to expire April 1, 1936, for one year. I am assured that the Works Progress Administration is doing everything possible to furnish funds to protect health and prevent disease. Howard Hunter, Assistant Administrator, Works Progress Administration, is in Massachusetts today for the purpose of making a complete survey and investigation of the flood situation. The Massachusetts members of Congress, I assure you, are lending every assistance to bring relief to those affected by the flood. I am hopeful that legislation may be enacted to give relief in the matter of replacing bridges and highways and assisting private industry.

MARCUS A. COOLIDGE, U. S. S.

(Continued on page 283.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending March 21, 1936: Population as of July, 1936, Massachusetts State Census, 817,713; population estimated July, 1936, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 200; nonresidents, 48; total, 248.

Death rate per 1,000 of population: All deaths, 16.08; nonresidents deducted, 12.98.

CORPORATION COUNSEL HENRY E. FOLEY OF LAW DEPARTMENT GIVES MAYOR MANSFIELD RULING SHOWING ORDINANCE ON AUTO HORN SOUNDING PASSED BY CITY COUNCIL IS LEGAL AND DOES NOT CONFLICT WITH ANY STATE REGULATIONS.

An opinion handed to Mayor Mansfield, on request, by Corporation Counsel Henry E. Foley, relative to the new auto horn sounding ordinance passed by the City Council, reads as follows:

BOSTON, March 19, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—You have requested my opinion as to whether or not, if approved by you, the amendment to section 92 of chapter 39 of the Revised Ordinances of 1925, passed by the City Council on March 16, 1936, would be valid, particularly in view of the provisions of section 16 of chapter 90 of the General Laws. Said amendment would add at the end of said section 92 the following:

"No person shall sound an automobile horn between the hours of 11 p. m. and 7 a. m. anywhere in the City of Boston except in cases of extreme emergency."

Said section 16 provides in part as follows:

"No person operating a motor vehicle shall in a thickly settled or business district open the muffler cut-out or sound a bell, horn or other device for signalling so as to make a harsh, objectionable or unreasonable noise, or at any time permit such motor vehicle to make any unnecessary noise, by opening the muffler cut-out, or otherwise, or permit any unreasonable amount of smoke to escape from such vehicle"

Section 21 of chapter 40 of the General Laws provides that:

"Towns may, for the purposes herein-after named, make such orders and by-laws, not repugnant to law, as they may judge most conducive to their welfare"

"For directing and managing their prudential affairs, preserving peace and good order, and maintaining their internal police"

The above quoted amendment is, in my opinion, a regulation for the preservation of good order in the city and is reasonable and "not repugnant to law," it is, in my opinion, valid. I see no basis for questioning the reasonableness of the amendment. An amendment is repugnant to law if it conflicts with the provisions of an existing statute or if the subject matter thereof has been fully covered by legislation. (*See Commonwealth v. Baronas*, 285 Mass. 221, 323.) There is no conflict, in my opinion, between the provisions of said amendment and the provisions of section 16 of chapter 90 of the General Laws, above quoted. Moreover, in my opinion, section 16 was not intended to deal fully with the subject matter of the control of automobile horn noises. The prohibitions of section 16 in this regard are definitely confined to thickly settled and business districts and are intended, in my opinion, to prohibit certain specified conduct, without in any way condoning all other conduct. I am, therefore, of the opinion that the above quoted amendment, if approved by you, would be valid.

I have considered in this connection the decision in *Commonwealth v. McFarlane*, 257 Mass. 530 (1926) and find therein nothing that, in my opinion, conflicts with the foregoing conclusion. In that case the Court held that the following regulation prepared by the Registrar of Motor Vehicles was beyond his statutory authority:

"No bell, horn or other means of signalling as required by section 7 of chapter 90 of the General Laws as amended, shall be operated by means of compressed gas from the engine or its exhaust."

The power of the registrar to prepare regulations was contained in section 31 of chapter 90 of the General Laws, which provided as follows:

"The registrar may prepare rules and regulations governing the use and operation of motor vehicles . . . and may alter, rescind or add to any rules and regulations previously made by him"

Section 7 of chapter 90 of the General Laws provided in part as follows:

"Every motor vehicle . . . shall be provided with a muffler or other suitable device to prevent unnecessary noise and with a suitable bell, horn or other means of signalling"

The Court in that case merely decided that (1) the power of the registrar under section 31 to regulate "the use and operation" of motor vehicles did not empower regulations as to a signalling device since as stated by the Court:

"Such device is no more a part of the 'use and operation' of a motor vehicle as those words are used in section 31 than is the horse power of the engine or the number of brakes or any other part of its equipment."

and (2) that the Legislature having specifically provided for suitable devices in section 7, it did not intend by section 31 that the registrar should rule on the matter. Neither of these determinations by the Court are, in my opinion, controlling in a consideration of the validity of the above quoted amendment.

Very truly yours,

HENRY E. FOLEY,
Corporation Counsel.

BOSTON IN NEED OF NO FLOOD AID.

The following is a copy of telegram sent by Mayor Mansfield to Governor Curley:

BOSTON, March 23, 1936.

HON. JAMES M. CURLEY, Governor's Office, State House, Boston, Mass.

Answering your telegram asking engineering force to compile estimates of requirements to be sent to W. P. A. district directors, Colonel Thomas F. Sullivan, in charge for Boston, reports that no substantial damage was reported in Boston and no emergency exists requiring transfer of funds already allocated for other purposes, but Boston ready to cooperate in every way with stricken areas.

FREDERICK W. MANSFIELD,
Mayor of Boston.

MESSAGES TO THE MAYOR.

(Continued from page 281.)

The telegram received by Mayor Mansfield from Lieutenant-Governor Hurley reads as follows:

BOSTON, MASS., March 24, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

Enthusiastic response has been received from every community in Massachusetts to invitation to conduct Tag Day on Saturday, March twenty eighth, for Massachusetts flood sufferers. American Legion and Veterans of Foreign Wars will offer you services of their members and those of their auxiliaries especially trained in tag day and poppy drives. All other patriotic, fraternal and service organizations have been requested by their state presidents to communicate with you and offer their services as well. It is now considered advisable that tags should be uniform throughout the state and that containers for money should be similarly uniform. They are being prepared and will be distributed to all communities on Friday. Method of distribution to be announced later. My sincere appreciation for your assistance in this great enterprise.

JOSEPH L. HURLEY,
Lieutenant-Governor.

MAYOR MANSFIELD OFFERS SERVICES OF CITY HEALTH DEPARTMENT FOR AID IN FLOOD DISASTER.

Doctor Keeler, with the approval of the Mayor, has offered to the State Health Department the services of a Boston Health Department unit of physicians and nurses for emergency service outside of Boston, if their services may be necessary on account of flood conditions. This is a temporary service to the extent that such physicians and nurses can be spared from Boston's own particular needs.

Doctor Keeler held a conference with deputy commissioners and supervising officers of the City Health Department in respect to the effect upon the milk, water and food supply and sanitation in Boston, of the flood conditions in the western part of the state and in New England.

ADDITIONS TO CONTRACTS.

HOSPITAL DEPARTMENT.

Matthew Cummings Company, contractor for erection of Surgical Operating and Ward Building, has been instructed to add to the contract the sum of \$262.83 for furnishing and installing additional electric power wiring, conduit, connections, fittings, switches, and do all cutting and patching, etc., to the twin assembly of vacuum and boiler feed pumps located in engineer's service room, No. B-15. Original contract, \$1,182,458.08; corrected contract, as per order No. A-1843, \$1,203,598.04; now added, \$262.83; corrected contract, \$1,203,860.87; total added, \$27,723.79; total deducted, \$6,321.

MAYOR NAMES COMMITTEE FOR FLOOD AID.

The Mayor, on March 19, named a committee of citizens who will be asked to act as a relief committee to supervise the aid which may be extended by Boston to other communities in need of our assistance.

Public Works Department (Sewer Service).

For the week ending Monday, March 16:

Patrick Griffin, fireman, one day, \$6.92.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

N. Cibotti & Co. have been granted an extension of the time of completion of the contract for the building of sewerage works in B and Seventh streets, overflow in land of New Haven Railroad about 1,600 feet south of and parallel to Dover street, South Boston, from March 21 to May 29, sixty-nine days.

The Metalcoat Corporation of New England has been granted a further extension of time of completion of the contract for repairs to steel work of Huntington Avenue Bridge, from March 14 to June 1.

The Marine Company has been granted a further extension of the time of completion of the contract for repairing hull, etc., of ferryboat "Daniel A. MacCormack," from March 7 to March 31. This extension is requested on account of the contractor being required to do extra work under the contract, which work consisted of furnishing new valve stem in main sea valve, repairing leak in inlet box, and furnishing one new high pressure valve stem.

BOSTON LOANS BOATS FOR FLOOD RELIEF.

In response to a call received at two o'clock on the morning of March 20 from the State Police, the Park Department has loaned to the state authorities twelve Park Department boats. These were sent over the road to Hadley in two of the new Mack trucks.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

ASSESSING DEPARTMENT.

Upon March 23 permission was given by the Mayor to award a contract to Dewell Company for furnishing type-written lists of assessed polls and poll-tax bills for 1936, and received the following bids in response:

Unit No. 1.—Healy's Office Service, 4 cent; William A. Dinsmore and B. A. Aubrey, as Institutional Service, \$248; Dewell Company (by S. T. Lydon), \$790.

Unit No. 2.—Healy's Office Service, 5 cent; William A. Dinsmore and B. A. Aubrey, as Institutional Service, \$2,700; Dewell Company (by S. T. Lydon), \$2,090.

Unit No. 3.—Healy's Office Service, 5 cent; William A. Dinsmore and B. A. Aubrey, as Institutional Service, \$3,000; Dewell Company (by S. T. Lydon), \$2,960.

Total.—William A. Dinsmore and B. A. Aubrey, as Institutional Service, \$5,948; Dewell Company (by S. T. Lydon), \$5,840.

The above bids were the only ones received and were publicly opened and read at a meeting of the Board of Assessors, held on Wednesday, February 19, 1936.

The proposal received from Healy's Office Service was so indefinite as to make it impossible for the Board of Assessors to determine the cost to the city, and the City Law Department so advised.

Therefore, from the other bids received, the Board of Assessors determined the Dewell Company to be the lowest bidder, as noted above.

PUBLIC WORKS DEPARTMENT (Sewer Service).

Upon March 19 permission was given by the Mayor to award a contract to A. Baruffaldi Company for sewerage works in Stony brook, section 14, from 404 feet northeast of Mt. Hope street to 156 feet southwest of Mt. Hope street, West Roxbury, P. W. A. Docket No. 4193. The lowest bidder, Charles Andreassi & Co., was not approved by the P. W. A. authorities, as this concern failed to comply with an important provision of the proposal, and as a result of this informality the State Director of the P. W. A. advised to award the contract to the next lowest bidder, the Baruffaldi Company. The work under this contract is to be completed within eight months after the contract has been signed by the Mayor. The following bids were received February 18:

Charles Andreassi & Co., \$59,458; A. Baruffaldi Company, \$59,760; John Williams, \$62,928; Charles Struzziery, \$63,075; Keystone Engineering and Contracting Company, \$63,525; A. Grande, \$63,615; National Engineering and Contracting Company, \$64,484; P. De Cristofaro & Co., Incorporated, \$67,820; Crane Construction Company, Incorporated, \$69,650.

SCHOOL COMMITTEE.

The School Committee has received bids and awarded contracts for rebinding books for Boston public schools. Bids were opened Tuesday, January 28, and

contract was awarded to George Coleman Company under date of February 10, 1936.

SUPPLY DEPARTMENT.

Upon March 20 permission was given by the Mayor to award a contract to B. J. Spillane, agents, for building materials for the Park Department, W. P. A. Project. The amount of the contract was \$1,070. Bids, opened February 28, were as follows:

Basement Sash.

27 Standard Basement Windows, Each.—Detroit Steel Products Company, \$2.97 each; \$80.19, lot; B. J. Spillane, Agents for Truscon Steel Company, \$80, lot*;

Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

Model 5 Casements (Light Weight).

64 Units Composed of following: 42 Type 4416 VC, 10 Type 4418 VC, 7 Type 2418, 1 Type 2316, 2 Type 2214, 1 Type 8528 VC, 1 Type 4326, Each, and 2 Only Standard 3-Light Vertical Mullions (for Kitchen), Each.—Detroit Steel Products Company, \$575, lot; B. J. Spillane, Agents, for Truscon Steel Company, \$575, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

Series 15 Casements (Intermediate Weight).

7 Only Units 3 Feet by 3 Feet Horizontally Pivoted (12 Lights), Each.—Detroit Steel Products Company, \$117, lot; B. J. Spillane, Agents for Truscon Steel Company, \$117, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

7 Only Fixed Units in Dining Room Bay with Equal Leg Outside Section, Each.—Detroit Steel Products Company, \$83, lot; B. J. Spillane, Agents for Truscon Steel Company, \$83, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

1 Only Combination Casement Unit in Dining Room Bay 5 Feet by 5 Feet 6 Inches (30 Lights), Each.—Detroit Steel Products Company, \$47, lot; B. J. Spillane, Agents for Truscon Steel Company, \$47, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

Series 25 Casements (Heavy Custom Build).

2 Only Units 3 Feet by 5 Feet 6 Inches (20 Lights), Each.—Detroit Steel Products Company, \$61, lot; B. J. Spillane, Agents for Truscon Steel Company, \$61, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

2 Operating Devices, Rack and Pinion Type With Horizontal Shaft and Vertical Pipe, Each.—Detroit Steel Products Company, \$107, lot; B. J. Spillane, Agents for Truscon Steel Company, \$107, lot*; Arthur C. Harvey Company, bid irregular, no copy filed at auditor's office; E. Van Noorden Company, see total.

Total.—Detroit Steel Products Company, \$1,070.19; B. J. Spillane, Agents for Truscon Steel Company, \$1,070; Arthur C. Harvey Company, \$1,070; bid unsigned, identified by certified check; E. Van Noorden Company, \$1,070.

* Contract awarded.

Upon March 23 permission was given by the Mayor to award a contract to the Sparrow-Chisholm Company for approximately 75,000 yards toweling for the Park Department. The approximate amount of the contract was \$3,000. Bids, opened February 17, were as follows:

Approximately 75,000 Yards Toweling.—Taylor, Symonds Company, 4.21 cents a yard; total, \$3,187.50; as per sample inclosed, deliveries, about 3,500 yards on February 20, 7,500 yards in about two weeks and about 7,500 yards a week until completed; National Coat and Apron Manufacturing Company, 4.46 cents a yard, sample No. 1 or No 2; total, \$3,345; deliveries, sample No. 1, 10 per cent in two weeks after order is placed and 10 per cent weekly thereafter; sample No. 2,

10,000 yards in three days after order is placed, balance one week later; Sparrow-Chisholm Company, 4 cents a yard; total, \$3,000; Jennings Linen Company, Incorporated, 4½ cents a yard; total, \$3,150.

Amalgamated Paper Company, Incorporated.	\$4,992 50*	\$2,778 60*	1 per cent, ten days.	Bidding on paper according to their tests (thickness 0.0022; bursting strength, average 10 points (tests 8-12); penetration .10 sec.).
Edward E. Babb & Co., Incorporated.	3,418 40†	1,774 20	None.	
Milton Bradley Company	6,889 09	3,307 50	2 per cent, thirty days.	
J. L. Hammett Company	5,565 01	2,865 00	None.	
New England Stationery Company	7,443 50	3,975 00	1 per cent, ten days.	
Henry S. Wolkins Company	6,066 94	3,090 00	None.	

Lowest bidder on Group 1, Edward E. Babb & Co., \$3,418.40, net.

Lowest bidder on Group 3, Edward E. Babb & Co., \$1,774.20, net.

* Contract.

† Unsatisfactory.

The School Committee has received bids and awarded contracts as follows for furnishing interfolded paper towels and roll towels for Boston public schools. Bids were opened Tuesday, January 14, and contracts were executed with the following bidders:

February 26, 1936, Fort Hill Paper Company, \$2,400; February 24, 1936, Hurlbert & Hatfield, \$1,400.

Tabulation follows:

FOUR HUNDRED CARTONS PAPER TOWELS IN ROLLS IN ACCORDANCE WITH SPECIFICATIONS.

CARTONS TO CONTAIN 25 ROLLS OF 150 TOWELS EACH, MAKING 3,750 TOWELS TO A CARTON.

NAME OF BIDDER.	Price per Carton.	Cash Discount.	Delivery and Remarks.
Carter Rice & Co.	\$2 60	2 per cent, 30 days.	Delivery within six weeks. No sample submitted. See letter.
Casey-Bigley Company	2 70	2 per cent, 10 days or 2 per cent, 30 days.	Delivery will be made within two weeks after award.
H. J. Dowd Company, Incorporated	2 34	2 per cent, 10 days.	Time of delivery not stated under Section 1. Cannot consider.
Fort Hill Paper Company	2 75	2 per cent, 10 days or 2 per cent, 30 days.	Delivery on or before ten days after receipt of order. Bidding on rolls 10 by 10, 150 towels to roll, and packed 25 rolls to carton.
Ginsburg Brothers, Incorporated	2 75	4 per cent, 10 days or 3 per cent, 30 days.	Delivery as required. No sample submitted. See letter filed with bid stating that it would cost too much to make up a sample.
Hurlbert & Hatfield	† 3 50	2 per cent, 10 days or 2 per cent, 30 days.	Time of delivery not stated under Section 1. Cartons to contain 24 rolls instead of 25 rolls. Letter to Business Manager only; stating towels made from chemical pulp entirely.
M. A. King Company	2 54	3 per cent, 10 days or 2 per cent, 30 days.	Time of delivery not stated under Section 1. Letter filed with bid stating that it is too costly and impractical to furnish sample.

* All bids rejected.

† Awarded contract, 24 rolls or 3,600 towels to a carton.

CONTRACTS AWARDED.

SCHOOL COMMITTEE.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with firms and contractors for labor and supplies, etc. Communications from the heads of the several departments were as follows:

PENAL INSTITUTIONS DEPARTMENT.

BOSTON, March 19, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Under date of February 21, 1936, a contract was approved by the Acting Mayor for repairs to tubes of boiler No. 2 at the House of Correction, Deer Island, the work to be performed by the Daniel Russell Boiler Works, Incorporated, for the sum of \$1,185.

While the work was in progress it was found necessary to perform extra work electric welding rivets on rear head of boiler No. 2, which was not included in the original contract, at a cost of \$25.

Your Honor's approval for this extra work is therefore requested.

Respectfully,

JOHN J. DOUGLASS,
Commissioner.

W. P. A. SUPPLY DEPARTMENT.

BOSTON, March 14, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Permission is respectfully requested to award a contract, without publicly advertising for same, to the Lamson Company, Incorporated, of 213 Congress street, Boston, Mass., for supplying to the Public Welfare, 43 Hawkins street, Boston, one pneumatic message system, constant, running type, for the sum of \$1,892.

As the Lamson Company is the manufacturer, no advantage would accrue by publicly advertising. Therefore I would respectfully request your approval of this recommendation.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

LAND-TAKING IN BRIGHTON.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of an extension of Euston road, Brighton district, as a highway, from Colborne road to Commonwealth avenue, bounded and described as follows:

An extension of the highway named Euston road is hereby laid out, from Colborne road to Commonwealth avenue, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Easterly by Colborne road, by two measurements, forty-six and 75-100 feet on a curve of six hundred and fifty feet radius and forty-five and 9-100 feet; southerly by the southerly line of said extension of said Euston road as hereby laid out, by three measurements, thirty-nine and 27-100 feet on a curve of twenty-five feet radius, one hundred and thirty feet and one hundred twenty-five and 66-100 feet on a curve of eighty feet radius; again easterly by the easterly line of said extension of said Euston road as hereby laid out, by two measurements, two hundred forty-five and 46-100 feet and fifty-four and 86-100 feet on a curve of forty feet radius; southerly by Commonwealth avenue, one hundred seven and 75-100 feet on a curve of ten hundred ninety-eight and 30-100 feet radius; northerly by the northerly line of said extension of said Euston road as hereby laid out, forty-six and 70-100 feet on a curve of twenty-five feet radius; westerly by the westerly line of said extension of said Euston road as hereby laid out, two hundred thirty-four and 30-100 feet; and northerly by the northerly line of said extension of said Euston road as hereby laid out, by three measurements, one hundred eighty-eight and 50-100 feet on a curve of one hundred and twenty feet radius, one hundred twenty-eight and 38-100 feet, and forty-one and 7-100 feet on a curve of twenty-five feet radius.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of an extension of Euston road, Brighton district, as a highway, from Colburne road to Commonwealth avenue, under the order of the Board of March 16, 1936, and awards no damages therefor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of underground construction by the Boston Consolidated Gas Company, the following temporary rule is effective from 7 p. m. March 23, 1936, to 7 a. m. March 24, 1936, and from 7 p. m. March 24, 1936, to 7 a. m. March 25, 1936:

Vehicles are excluded from the following street:

West Street.

From Washington street to Tremont street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of the Metropolitan Opera Company season, from March 23, 1936, to March 28, 1936, inclusive, the following street is one way in the direction indicated:

Opera Place.

From St. Stephen street to Huntington avenue.

LAND-TAKING IN DORCHESTER.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Oldfields road, Dorchester district, as a highway, from Columbia road northwesterly, bounded and described as follows:

A highway named Oldfields road is hereby laid out, from Columbia road northwesterly for a distance of approximately four hundred and ten feet and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southeasterly by Columbia road, by two measurements, thirty-five and 24-100 feet and four and 80-100 feet; southwesterly by the southwesterly line of said Oldfields road as hereby laid out, by three measurements, one hundred ten and 96-100 feet, seventy-six and 14-100 feet on a curve of fifty feet radius and two hundred and twenty feet; northwesterly by the northwesterly line of said Oldfields road as hereby laid out, forty feet; and northeasterly by the northeasterly line of said Oldfields road as hereby laid out, by three measurements, two hundred and twenty feet, eighty-two and 24-100 feet on a curve of ninety feet radius and one hundred thirteen and 1-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Oldfields road, Dorchester district, as a highway, from Columbia road northwesterly, under the order of the Board of March 19, 1936, and awards no damages therefor.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly West Roxbury and are bounded as follows:

A parcel of land, owners unknown, being part of the private way known as Rendall road, bounded:

Southeasterly by Weld street, ten and 2-100 feet; southwesterly by another part of Rendall road, one hundred eighty-six and 10-100 feet; southeasterly by the same, two hundred twenty and 14-100 feet; southwesterly by Church street, ten and 35-100 feet; northwesterly by another part of Rendall road, two hundred twenty-seven and 48-100 feet; and northeasterly by the same, one hundred ninety-six and 73-100 feet, containing forty-one hundred and fifty-two square feet, more or less.

The sewerage works to be constructed are as follows: 450 linear feet of 10-inch pipe sanitary sewer and 450 linear feet of 12-inch pipe surface drain, in the above described premises, being part of the private way known as Rendall road, between Weld street and Church street.

This Board determines that no person sustains damages in his estate by the taking of the aforesaid easement and construction of said sewerage works and awards no damages therefor.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this Board estimates that the abutting lots of land on Rendall road, between Weld street and Church street, excluding the lots at the corners of Weld street and Rendall road and at the corners of Church street and Rendall road, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, each of said lots in the amount hereinafter respectively set against it; said lots and the supposed owners thereof being shown on a plan marked "City of Boston, Plan No. 1150, Sewerage Works, Rendall Road, West Roxbury, February 20, 1936, William J. Sullivan, Chief Engineer, Street Laying-Out Department" and on file in the office of said department.

Patrolman Patrick J. O'Reilly, from Division 19 to Division 15.

Patrolman Walter E. Morrissey, from Division 19 to Division 13.

Patrolman James W. Riley, from Division 19 to Division 7.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 153.

Thousands of innocent flood victims men, women and children, are cold, hungry and homeless. They need our help and they need it now! Members of the Boston Police Department who are in a position to make a cash donation, however small, will be doing a most worthy and charitable act. These fellow human beings cannot help themselves. It is our job to help see them through this crisis. Food, clothing, medicine and care can all be made available promptly if we all act now.

It is my earnest hope that the members of the Boston Police Department, who have always responded generously and promptly in emergencies, will give quickly, whatever their means will afford.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

FIRE DEPARTMENT ORDERS.

General Order No. 19.

I. AMERICAN RED CROSS.

His Honor, Mayor Frederick W. Mansfield, has asked all city employees to aid the American Red Cross in its urgent appeal for funds to assist victims of the recent floods which have occurred throughout Massachusetts and New England during the past two weeks.

As the members of the Fire Department no doubt realize, thousands of our fellow citizens have lost all their worldly possessions in this terrible catastrophe and are now without homes, food, medical aid or sufficient clothing.

The funds of the Red Cross and other organizations have been sadly depleted because of aid already given and it is necessary to have more money to relieve

the sufferings of unfortunate victims of the floods.

The commissioner feels sure that the members of this department realize the seriousness of the situation and will contribute generously as they have in the past to aid those in distress.

Money donated by members of this department will be collected by company commanders and turned over to the deputy chiefs of each division, who will in turn forward it to Headquarters on or before Saturday, March 28, 1936.

Company commanders will forward through regular channels a report on Form 5, containing the names and amount contributed by the members of their respective companies.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

OWNED AND RENTED HOMES IN UNITED STATES, NEW ENGLAND AND MASSACHUSETTS, 1930—ALSO BOSTON.

Total homes in UNITED STATES, 29,904,663, of which 14,002,074 or 46.8 per cent were owned, 15,319,817 or 51.2 per cent were rented, and 582,772 were of unknown tenure. Native white families, 20,968,803; foreign-born white families (the head of the family being a foreign-born white person), 5,736,491; Negro families, 2,803,756; other races, 395,613.

The native white families owned 10,255,682 homes and rented 10,314,500 homes; the foreign-born white families owned 2,968,707 homes and rented 2,690,300 homes; the Negro families owned 669,645 homes and rented 2,050,217 homes; the other races owned 108,040 homes and rented 264,800 homes.

Total homes in NEW ENGLAND, 1,981,499, of which 915,441 or 46.2 per cent were owned, 1,042,521 or 52.6 per cent were rented, and 23,537 were of unknown tenure. Native white families, 1,203,304; foreign-born white families, 753,231; Negro families, 22,864; other races, 2,100.

Total homes in MASSACHUSETTS, 1,021,160, of which 439,238 or 43.0 per cent were owned, 569,645 or 55.8 per cent were rented, and 12,277 were of unknown tenure. Native white families, 579,751 (306,978 or 30.06 per cent were native white of native parentage and 272,773 or 26.71 per cent were native white of foreign or mixed parentage); foreign-born white families, 427,385 or 41.85 per cent; Negro families, 12,637 or 1.24 per cent; other races, 1,387 or 0.14 per cent.

Total homes in BOSTON, 179,200, of which 45,986 or 25.66 per cent were owned, 130,140 or 72.62 per cent were rented and 3,074 were of tenure unknown. Divided by color and nativity of head of owner-families, 7,741 were native white of native parentage; 11,137 were native white of foreign or mixed parentage; 26,366 were foreign-born white; 726 were Negro and 16 were of other races.

Of the renter-families, 27,267 were native white of native parentage; 36,428 were native white of foreign or mixed parentage; 61,505 were foreign-born white; 4,431 were Negro, and 509 were of other races.

POPULATION OF UNITED STATES, NEW ENGLAND AND MASSACHUSETTS.

Continental United States (*i. e.*, 48 states and the District of Columbia) in 1930, 122,775,046; outlying possessions, 14,233,389; total, 137,008,435; New England, 8,166,341; Massachusetts, 2,429,614 or 52.04 per cent of New England and ranking eighth in the Union. In density of population Massachusetts ranks second, *i. e.*, 528 per square mile of land, Rhode Island ranking first, with 644 per square mile of land.

Population of the other New England States in 1930, ranking from the highest total: Connecticut, 1,606,903; Maine, 797,423; Rhode Island, 687,497; New Hampshire, 465,293; Vermont, 359,611. Density for New England, 132 per sq. m.; for U. S. (48 states and the District of Columbia) 41 per sq. m.

The population of the United States increased 16.1 per cent since 1920; that of New England 10.3 per cent and that of Massachusetts 10.3 per cent.

CIVIL SERVICE EXAMINATIONS.
(STATE.)STATE EXAMINERS OF ELECTRICIANS.
Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, April 6.
Springfield, Wednesday, April 8.
Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
PAYSON SMITH,
JAMES M. HURLEY,
ALBERT FRANK,
WALTER J. KENEFICK,
State Examiners of Electricians.

For application blanks or other information apply to State Examiners of Electricians, Room 303, 14 Beacon St., Boston, Mass.

PROCEEDINGS OF CITY COUNCIL.

Monday, March 16, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Peter A. Murray and Tobin.

Coun. GALLAGHER in the chair.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments, viz.: Weighers of Goods: John Day, 93 F street, South Boston; Charles Newton, 2 Summer street, Sharon, Mass.

Weighers of Coal: John Biddescomb, 212 Lexington avenue, Cambridge; William Currie, 64 Goran street, Cambridge; Donald W. Lamb, 36 Fairfield street, Boston; W. Chester Welch, 71 Franklin street, Arlington.

Severally laid over a week under the law.

REMOVAL OF CONSTABLE.

The following was received:

City of Boston,
Office of the Mayor, March 9, 1936.

To the City Council.
Gentlemen,—You are hereby notified that I have this day removed from office the following-named constable for failure to file the bond required by law:

David Bashitsky, 237 Quincy street, Dorchester.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

EXPENSES FOR DOLAN LAWSUIT.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.

To the City Council.
Gentlemen,—I am in receipt of the attached communication from the Corporation Counsel requesting an appropriation of \$12,000 for the purpose of defraying the expenses incident to the suit now pending between the City of Boston and Edmund L. Dolan and others.

In compliance with the request, I respectfully recommend the adoption of the accompanying order by your Honorable Body.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Law Department, March 13, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—This department is representing the City of Boston in a proceeding in equity now pending in the Superior Court for the County of Suffolk, brought by the city against Edmund L. Dolan, former City Treasurer, and others. For the protection of the interests of the city in this proceeding certain expenses must, of course, be incurred. In view of the nature of the proceeding, I recommend most strongly that a special appropriation from Reserve Fund be made to cover such expenses and estimate that \$12,000 will be a sufficient sum. I am therefore inclosing a form of appropriation order, which I trust will be passed at as early a date as possible.

Very truly yours,

HENRY E. FOLEY,

Corporation Counsel.

Ordered, That the sum of twelve thousand dollars be appropriated, to be expended under the direction of the Corporation Counsel, for the purpose of meeting necessary and proper expenditures which may be incurred in connection with the suit now pending in the Superior Court for Suffolk County between the City of Boston and Edmund L. Dolan and others, said sum to be charged to Reserve Fund, when established.

Referred to Executive Committee.

RESURFACING OF FRANKLIN FIELD TENNIS COURTS.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of February 17, concerning the resurfacing of the tennis courts at Franklin Field and the screen-inclosing of the courts.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, March 13, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of March 11, with inclosure, order from the City Council that the Park Commission be requested to resurface the tennis courts at Franklin Field, and also to have the courts screen-inclosed.

It is a pleasure to assure the City Council that the tennis courts will be placed in their usual good condition as soon as the weather permits. There is, however, no necessity for further wire inclosures.

Very respectfully yours,

WILLIAM P. LONG, Chairman.

Placed on file.

ISSUANCE OF GROCERY ORDERS.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the Overseers of the Public Welfare relative to your order of February 24, 1936, concerning the issuance of grocery orders pending the investigation of applications for relief.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Overseers of the Public Welfare,
March 13, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—This is to acknowledge receipt of your communication of March 11, 1936, inclosing the following order from the City Council, dated February 24, 1936:

"Ordered, That the Overseers of the Public Welfare Department be instructed, through his Honor the Mayor, to issue grocery orders, pending investigation of the applications in all cases where the application for relief includes more than two persons."

I beg to say that it is a fundamental rule of this department if a person presents a prima facie condition of need, a grocery order is immediately given to him and a visit made thereafter.

Yours truly,

JOHN C. L. DOWLING,

Executive Director.

Placed on file.

TESTS OF FUEL FOR WELFARE RECIPIENTS.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the Superintendent of Supplies relative to your order of February 24, 1936, concerning tests of fuel received in homes of welfare recipients from the Babcock Coal Company and Alfred E. Ventola.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Supply Department, March 12, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—Replying to your communication of March 11, 1936, with attached order from the City Council relative to fuel deliveries, I have taken up this matter with the Overseers of the Public Welfare and I am awaiting the names and addresses of the welfare recipients.

When I receive this information I shall give you a further report upon the matter.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Placed on file.

MONTHLY CHECK-UP ON FUEL DELIVERIES.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the Overseers of the Public Welfare relative to your order of February 24, 1936, concerning a monthly check-up on the fuel deliveries made by the Babcock Coal Company and Alfred E. Ventola to welfare recipients.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Overseers of the Public Welfare,
March 13, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—This is to acknowledge receipt of your communication of March 11, 1936, inclosing the following order from the City Council, dated February 24, 1936:

"Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, to assign one or more employees to promptly check up monthly with reference to the promptness, amounts and qualities of fuel deliveries ordered and made to welfare recipients by Alfred E. Ventola and by the Babcock Coal Company."

I beg to report that coal orders are under the charge of Miss Margaret P. Quinn of this department, who handles all matters connected with delivery, quality and quantity of fuel delivered.

Yours truly,

JOHN C. L. DOWLING,
Executive Director.

Placed on file.

BUS LINE, FRANKLIN PARK TO CARSON BEACH.

The following was received:

City of Boston,
Office of the Mayor, March 13, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the trustees of the Boston Elevated Railway relative to your order of March 2, concerning the establishment of a bus line from Franklin Park to Carson Beach during the summer months.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Boston Elevated Railway Company,
March 12, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—Replying to your letter of March 11 with copy of order of the City Council requesting establishment of bus line from Franklin Park Station at Columbia road and Blue Hill avenue to run down Columbia road through Edward Everett square to Columbia Station and terminate at Carson Beach during the summer months, as stated in my letter of February 14, 1936, we have previously received similar requests and filed petitions with the City Council in 1924, 1925 and 1930 for a license to operate bus service over practically the same route during the summer months, which petitions have never been granted. The last petition filed in 1930 was for a license to operate buses from the junction of Blue Hill avenue and Talbot avenue to Marine Park via Blue Hill avenue, Columbia road, Columbia Station and Carson Beach.

Very truly yours,

EDWARD DANA,

Executive Vice President and General Manager.

Placed on file.

REOPENING OF CHARLESTOWN STAIRWAY.

The following was received:

City of Boston,
Office of the Mayor, March 10, 1936.

To the City Council.
Gentlemen,—I transmit herewith a letter from the Commissioner of the Public Works Department relative to your order of February 3, 1936, concerning a request to reopen the stairway leading from the high bridge to Water street, Charlestown, making same available for public use.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 10, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of February 8 with attached order of the City Council dated February 3, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to reopen the stairway leading from the high bridge to Water street, Charlestown, making the same available for public use."

and to state that the stairway referred to was built by the owner of the abutting property, Charles F. Morrill, and maintained by said abutter until the stairs rotted and were pulled down.

In order for the City of Boston to build a flight of stairs on the easterly side of the bridge it would be necessary for the city to acquire property from the abutters.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

CLEANING OF STREETS.

Coun. BRACKMAN offered the following:

Ordered, That his Honor the Mayor be requested to instruct the Public Works Commissioner to immediately provide sufficient men to clean the streets.

Passed under suspension of the rule.

INFORMATION FROM PARK DEPARTMENT.

The following was received:

To the City Council

Gentlemen,—I transmit herewith five letters from the chairman of the Park Department relative to five orders passed by your Honorable Body as follows:

Date of Order.	Subject.
1. 1/27/36	Trucks, garages and chauffeurs.
2. 1/27/36	Arranging to hold Championship Tournament of National Public Playgrounds Tennis Association at Franklin Field, this year.
3. 2/3/36	Erecting club house and convenience station on Franklin Field.
4. 2/3/36	Installation of drinking fountain at, or near, the Columbia Mall entrance to Franklin Park.
5. 2/10/36	Renovating Franklin Field locker building with W. P. A. funds.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum with inclosure, order from the City Council that the Park Commission advise the City Council as to—

1. Total number of trucks under its supervision—38 trucks.

2. Park Department holding rating of chauffeurs, etc. All drivers are Civil Service employees, with the exception of the men working on W. P. A. projects, and these trucks are not allowed on departmental work.

3. Location of garages hired by Park Department for storage, etc. This department hires no garages—all trucks are garaged in our own department buildings.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

City of Boston,
Park Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum with inclosure, order from the City Council that the Park Commission be requested to consider the advisability of renovating the locker building on Franklin Field with W. P. A. funds.

A large portion of this building is used at the present time for storage. It will be possible to renovate this building, in fact, it has to be done each year on account of the large amount of usage it receives,—and we will attempt to start renovations at the earliest moment.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

City of Boston,
Park Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum with inclosure, order from the City Council that the Park Department be requested to make the necessary arrangements to hold the Championship Tournament of the National Public Playgrounds Tennis Association at Franklin Field.

I regret exceedingly to inform you that the National Tennis Tournament was awarded to this city with the distinct understanding that same would not be held in Franklin Field.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

City of Boston,
Park Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum with inclosure, order from the City Council that the Park Commission consider the advisability of the erection of a club house and convenience station on Franklin Field.

It will be a pleasure to consider the advisability of such a request, but there is very little chance of complying with same, due to economic conditions, also due to the fact that at the present time at Franklin Field, which is one of the largest recreational centers in the city, there is a large field house on the Blue Hill avenue side.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

City of Boston,
Park Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum with inclosure, order from the City Council that the Park Commission be requested to install a drinking fountain at the Blue Hill avenue entrance to Franklin Park.

The terrain at this particular point is very ledgy. I feel, however, it will be possible for the Park Department to place a fountain somewhere in the immediate vicinity.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

Placed on file.

City of Boston,
Office of the Mayor, March 13, 1936.

BOSTON CONSOLIDATED GAS COMPANY
CONTRACTS.

The following was received:

City of Boston,
Office of the Mayor, March 11, 1936.
To the Honorable the City Council.

Gentlemen,—On January 13, 1936, I submitted to your Honorable Body two contracts between the City and the Boston Consolidated Gas Company for

(1) furnishing illuminating gas for street lighting; and
(2) lighting, extinguishing and maintaining gas lamps.

As I informed your Honorable Body in said letter of transmittal of January 13, 1936, if the five-year contracts under Item 1 (for a term of five years for approximately 9,500 single-burner lamps) are approved by your Honorable Body and me prior to March 1, 1936, the company has agreed to give to the city a total discount or allowance from the purchase price of \$12,607.60.

Although a public hearing was held on said contracts on February 4, 1936, no further action was taken by your Honorable Body prior to March 1, 1936; and in order to keep open the opportunity of obtaining the discount or allowance of \$12,607.60 the city has entered into an agreement with the Boston Consolidated Gas Company whereby the city will obtain said discount or allowance if said contracts are approved by your Honorable Body and me prior to March 16, 1936.

I recommend prompt consideration by your Honorable Body of said contracts.

Respectfully submitted,
FREDERICK W. MANSFIELD, Mayor.

Referred, on motion of Coun. AGNEW, to the Committee on Municipal Lighting.

COST OF GAS LAMPS ON YEARLY BASIS.

The following was received:

City of Boston,
Office of the Mayor, March 10, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of the Public Works Department relative to your order of February 10, 1936, concerning a request that certain information pertaining to gas lamps be secured from the Boston Consolidated Gas Company.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 9, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 3, 1936, with attached City Council order dated February 10, 1936, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to secure for the City Council the following information from the Boston Consolidated Gas Company: What will be the cost per unit of furnishing light for the 9,500 gas lamps now in use, said lighting to be contracted for by the year,"

and to state that the cost per unit of furnishing light for the 9,500 gas lamps now in use, said light to be contracted for by the year, will be at the rate of \$23.12 per lamp per year. This information has been obtained from Mr. Barnum, President of the Gas Company.

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Benjamin Berkowitz, for compensation for injuries caused by an alleged defect at 7 Edgewood street, Roxbury.

Caroline G. Claus, for compensation for damage to property at 471 Beech street, Roslindale, caused by breaking of sewer connections.

Harold Herman, for compensation for damage to car by city truck.

Bernard F. Murphy, to be reimbursed for execution issued against him on account of his acts as operator of truck of Street Cleaning Division.

Charlotte Rhea Bakeries Corporation, for compensation for damage to property at 1 Ellery street, South Boston, caused by water seeping into cellar.

Catherine A. Riley, for compensation for injuries caused by ice falling from roof of Old State House.

Russell C. Smith, for compensation for damages to car by fire of Fire Department.

W. A. Theiling, for refund on refuse tickets.

Samuel Thomas, for refund on refuse tickets.

John Coenen, for compensation for damage to property at 17 Pershing road, Jamaica Plain, caused by raising grade of sewer.

Roy W. Pigeon, for compensation for damage to car in East Boston Tunnel.

LEAVE FOR MINOR CHILDREN TO
APPEAR.

Petitions for children under fifteen years of age to appear at places of public amusement, viz.:

Mildred Davenport, Repertory Theatre, May 29.

Leave was granted under usual conditions.

REPORT OF FINANCE COMMISSION ON
SNOW REMOVAL.

The following was received:

Finance Commission,
Boston, March 14, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Honorable Sir,—For several months past the staff of the Finance Commission has been engaged in an effort to determine the actual cost of snow-removal work to the City of Boston for the year 1935.

An analysis of the data obtainable indicates that the city has been defrauded of hundreds of thousands of dollars because the Mayor and the Commissioner of Public Works, whose sworn duty covers executive and administrative action in this case, did not go behind the skeleton reports. If they had done so, the records would have shown them that the contractors claimed to load and unload snow faster than light travels.

In no case investigated by the Finance Commission has there been developed more justification than in this for penalizing city officials and employees obviously guilty of gross indifference and perhaps corruption in the expenditure of large sums of city money, or for compelling recipients of this money to pay back ill-gotten gains.

It was not the system nominally pursued that was at fault, but rather the blind or reckless indifference to it of those assumably in charge of it, that hundreds of thousands of dollars were inexplicably spent in 1935 (and in 1934) for snow removal.

The City Auditor testified before the Finance Commission that had he known of the basis of the bills submitted to him in 1935 for snow-removal work, he would not have allowed them to be paid. The Public Works Commissioner testified that he had "faith in his subordinates," and admitted that had he seasonably known of the disclosures by the Finance Commission of the unreliability of the records of his department, he would have ordered these bills held up.

All the disclosures herein are based on facts and figures contained in the records of the Public Works Department.

The city paid \$1,117,154.84 from funds specifically appropriated for snow-removal work in 1935. But there were other sums expended on this work. There was approximately \$100,000 from welfare funds; there was yet another amount, estimated by W. P. A. officials at \$175,000 from E. R. A. money. In addition to all these, a considerable portion of the appropriations for regular maintenance work of the Paving and Sanitary Divisions was utilized for snow-removal work in the year of 1935. It has been variously estimated that the total cost was in the neighborhood of \$2,000,000. This enormous cost of snow work in 1935 was far in excess of the cost recorded in any previous administration.

E. R. A. funds were not available for snow work previous to 1934. While welfare funds previous to 1934 helped out to some slight extent in city snow work, they were never previously used in the measure they were used in 1934 and 1935. In 1935 the city paid for snow work approximately \$3 for every \$1 paid in 1926, the year of the highest snow costs in any year preceding the Mansfield administration, and from \$5 to \$10 for every \$1 spent for snow work by other administrations in comparable period.

The Finance Commission finds difficulty in establishing comparative snow costs in the several years previous to 1931 because the costs in those years are arrived at in many different ways and are not based on a classification of snow expenses uniform throughout those earlier years.

The only item in the City Auditor's official annual reports for the past twenty-five years which indicates the cost to the city for snow removal affords the following comparison:

YEARS.	Administration.	Removal Cost.
1914-18.....	James M. Curley.....	\$101,973 88
1918-22.....	Andrew J. Peters.....	497,075 76

YEARS.	Administration.	Snowfall In Inches.	No. of Days On Which Snow Fell.*
1914-18.....	James M. Curley.....	206.8	122
1918-22.....	Andrew J. Peters.....	160.0	88
1922-25.....	James M. Curley.....	151.6	78
1926-30.....	Malcolm E. Nichols.....	203.2	97
1930-34.....	James M. Curley.....	141.9	86
1934-35.....	Frederick W. Mansfield.....	90.9	43

* These figures do not include days on which only "traces" of snow fell.

Since 1931, the City Auditor testified, the snow costs given in the auditor's annual reports are the total of all city moneys spent for snow work, excepting expenditures of welfare funds. These

MAYOR CURLEY.	Total Fall.	Days.	Total Cost.	Cost Per Inch.
1931.....	34.4	19	\$122,723 84	\$3,567 55
1932.....	31.4	21	58,009 38	1,847 43
1933.....	50.5	28	275,564 84	5,456 72

MAYOR MANSFIELD.	Total Fall.	Days.	Total Cost.	Cost Per Inch.
1934.....	45.8	21	715,050 67	15,612 46
1935.....	45.1	22	1,117,154 84	24,770 61

In each of the above five years many welfare recipients were employed on snow-removal work, but only in 1934 and 1935 were E. R. A. men, paid out of Federal Funds, employed on this work. The number of welfare recipients on snow work did not reach its peak until 1934 and 1935. The amount paid to them, estimated to be approximately \$100,000 in 1935, is not included in the above figures. The sum paid for the time of E. R. A. employees on snow work in 1935, as given by Federal authorities, was approximately \$175,000. This amount is not included in the above figures. These two facts serve to emphasize the enormity of the 1934 and 1935 figures.

The Public Works officials have attempted to explain these astounding discrepancies in the cost from year to year on the alleged basis that 1934 and 1935 had deeper snowfalls than other years. The Commissioner of Public Works testified that it is the practice of his department to call out the contractors for removal of snow only when the depth of the snowfall has reached 5 or 6 inches.

To compare the amount of work required to be done from this angle, the Finance Commission has examined the statistics relating to the number and depth of the storms since 1931. The United States Weather Bureau records disclose that in 1931 there were storms of 7.4 inches, 5.8 inches and 6.4 inches in the nineteen days on which snow fell. In 1932 there was one storm of 8 inches in the twenty-one days on which snow fell. In 1933 there were storms of 10.5 inches, 9.1 inches and 9.4 inches in twenty-eight days of snowfall. In 1934 there were storms of 6.8 inches, 15 inches, 9 inches and 8.3 inches in the twenty-one days on which snow fell. In 1935 there were storms of 13.4 inches and 5.2 inches in the twenty-two days on which snow fell.

Because 1934 had four storms of sufficient depth to call out the snow contractors against three in 1931, there would seem to be some justification for an increase in costs of 1934 over 1931. But the great spread in costs, as shown by figures from the City Auditor's reports, —\$122,723.84 for 1931 and \$715,050.67 for 1934,—cannot be justified by the fact that there was one more snowfall in 1934 than in 1931. The year 1935, on the other hand, had only two storms of the importance that is necessary to bring out the city contractors, which are less in number than in either 1931 or 1934, and yet the cost of snow removal in 1935, according to the auditor's figures, was a still greater sum than in 1934, namely, \$1,117,154.84. This great spread in costs is more striking when it is recalled that in 1931 there was no E. R. A. assistance on snow work and very much less assistance from welfare recipients than in 1934 or 1935.

To what extent fraud and collusion among city contractors and employees colored the records on which the 1935 payments were based can be surmised. That there was fraud and collusion is glaringly apparent from the following disclosures made before the Finance Commission at public hearings and under oath:

1. In one district where the contractor was paid for 5,730 loads of snow removed, records of approximately 2,000 loads were examined and it was found that the records of approximately 900 loads were grossly irregular in form. In another district in which the contractor is credited with 4,412 loads, the records of 1,683 loads were examined and approximately 590 found to be irregular.

2. The records of one day's work in the Charlestown district credit the contractor with 704 loads in a period of eleven and one half hours. The inspector at this dumping place informed the Finance Commission that there was only one scupper or manhole open to receive all this snow. The records credit the contractor with having dumped into this one hole a load of snow every

1922-25.....	James M. Curley.....	302,199 81
1926-30.....	Malcolm E. Nichols.....	359,639 48
1930-34.....	James M. Curley.....	476,019 39
1934-35.....	Frederick W. Mansfield.....	1,832,205 51

These differences in costs cannot be justified on the basis of greater or more snowfalls alone. This is apparent from the following figures obtained from official records of the United States Weather Bureau:

Snowfall In Inches.	No. of Days On Which Snow Fell.*
206.8	122
160.0	88
151.6	78
203.2	97
141.9	86
90.9	43

costs as given, having a common basis, are comparable. From the figures given by the City Auditor, the Finance Commission therefore offers this comparison of unit prices:

MAYOR CURLEY.	Total Fall.	Days.	Total Cost.	Cost Per Inch.
1931.....	34.4	19	\$122,723 84	\$3,567 55
1932.....	31.4	21	58,009 38	1,847 43
1933.....	50.5	28	275,564 84	5,456 72

MAYOR MANSFIELD.	Total Fall.	Days.	Total Cost.	Cost Per Inch.
1934.....	45.8	21	715,050 67	15,612 46
1935.....	45.1	22	1,117,154 84	24,770 61

fifty-eight seconds continuously for eleven and one half hours. Such a record of performance is preposterous. In contrast, the Finance Commission has been informed by the district engineer in charge of the Charlestown district in the 1936 work that it required eighty-one hours to load and dump 3,100 loads at the same locus but with four scuppers open. This means that in 1936, at Charlestown, snow was dumped at the rate of one load a hole every six and one-fifth minutes against a load dumped every fifty-eight seconds in 1935 when there was but one scupper open. The Finance Commission has been unable to find any one of experience in this work who will accept such a record of achievement, except the Public Works Commissioner, who states, "If the record is there, I believe it was done."

3. The records of one day's work credit the contractor in the Charlestown district with having dumped 475 loads before the time of loading at points from one half to three quarters of a mile away. This contractor is credited also by the dumping inspector with having dumped 101 loads at the same minute at which they are recorded as being loaded at a point one half to three quarters of a mile away.

4. In the records of another day, the dumping inspector records 359 individual loads as having been dumped at the same hour and minute given by the loading inspector as the time of their loading. On this day the dumping inspector records fifty-two individual loads as having been dumped before the hour and minute given by the loading inspector as the loading time.

5. On still another day, the records of the dumping inspector credit the contractor with having dumped seventy-six individual loads at an hour and minute earlier than the loading inspector records as the loading time of those loads; and the same dumping inspector credits the contractor with having dumped thirty-one individual loads at the same hour and minute at which the loading inspector records the loading.

6. In the Charlestown district the contractor was credited on the dumping inspector's records with a total of 295 loads for which there is no yellow slip (the original crediting record) to be found.

7. The Finance Commission was informed by one loading inspector that he frequently met the dumping inspector at meal time and arranged records so that they might check one against the other.

8. A district engineer admitted that, contrary to the plain instructions of the department, he made a practice of taking his records and the records turned over to him by the loading and dumping inspectors to his home first "for examination purposes" before he turned them in to the clerical department at City Hall.

These are but a few of the many discrepancies found in the records for contract snow-removal work in 1935. The system of recording them in operation in 1935 and also in 1936, with slight and almost negligible variations, has been described by the Public Works Commissioner as "air-tight" and "fool-proof."

The Commissioner of Public Works having requested the Finance Commission to return to him at once all records and data belonging to his department relating to snow removal, the commission now announces its compliance with that request. Even if such request had not been made of it, this commission would find it impracticable at this time to pursue further this investigation because of the imperative demands of current matters upon its time and its limited resources.

The commission, however, believes that the evidence revealed at the recent public hearings has established beyond doubt that there was fraud and collusion between city employees and

contractors, as a result of which contractors were given credit for having removed a grossly exaggerated number of loads of snow in the winter of 1935. The city subsequently paid for this exaggerated number of loads and that accounts for a substantial portion of the abnormal amount of money paid for snow removal in 1935. It is obvious, therefore, that it is incumbent on you as Mayor of the city to do these two things: First, to attempt to get back for the city the money unjustifiably paid out; and secondly, to obtain prosecution of those who made such payment possible.

The Finance Commission has made a tabular analysis of portions of the records in three districts which are available to you and to anyone who, on your request or authorization, undertakes to obtain action either in the civil or criminal courts. This case is one that reflects on your own administration, and, therefore, it is particularly appropriate that you commence the actions.

Respectfully submitted,

E. MARK SULLIVAN, Chairman,
PHILIP A. CHAPMAN,
ROBERT ROBINSON,
JAMES E. MAGUIRE,
JOSEPH A. SCOLPNETT,
The Finance Commission.

Placed on file.

NIGHT CLINIC.

Coun. BRACKMAN offered the following: Ordered, That his Honor the Mayor be requested to direct the Superintendent of the Boston City Hospital to establish a night clinic in the Out-Patient Department, also night service in the X-Ray Department for emergency cases.

Coun. BRACKMAN—Mr. President, this matter has been up before the City Council on a number of occasions. It seems to me a very important thing to have a night clinic in the Out-Patient Department of the City Hospital, and also night service in the X-Ray Department for emergency cases. There have been many cases of serious accidents at night where the X-ray service was not available until the next day, and in the meantime great damage can result because of such delay. So I think it very important particularly to have some X-ray service at night in emergency cases.

The order was passed under suspension of the rule.

CITY COLLECTION OF ASHES AND GARBAGE.

Coun. ROSENBERG offered the following: Ordered, That his Honor the Mayor be requested to consider the advisability of having the Sanitary Division of the Department of Public Works, beginning in 1937, take over the collection of ashes and garbage in the suburban sections of Boston which is now being collected by contractors.

Coun. ROSENBERG—Mr. President, it has become clear from my experience in the Council and the complaints that have been coming continuously, I understand for years, that the contractors to whom the work of collecting garbage and ashes in the suburban sections of Boston has been let have never lived up to the contracts, that garbage and ashes have been strewn around in front of premises, that cans have been thrown back in every manner, broken and busted, and that in certain instances ashes and dirt have had to be picked up by tenants and owners of property. I think we have reached a state in the operation of municipal government, and certainly in our Public Works Department, when, rather than have such continuous complaints of improper action in the collection of garbage and ashes, the work should be taken care of by city employees, so that if it is not being done efficiently and promptly we will not have to look to the contractors, but can look directly to our department, and so that a proper standard of wages may be maintained, not leaving it to contractors who apparently fail to pay the standard rate of wages and who work the men overtime without overtime payment, the men not daring to complain for fear they will lose their jobs. You and I know how hard it is to get a job today, and those men, regardless of the fact that they are being worked overtime and underpaid, do not want to come in and complain. I believe that our city department could well take over this service, having it done by city employees, and not bother with the contractors, who have been chiseling the city for years.

The order was passed under suspension of the rule.

TAXATION OF TELEPHONE MANHOLES, ETC.

Coun. WILSON offered the following: Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to at once file a report with the City Council as to how many manholes, terminals, conduits, and other appurtenances in use by the New England Telephone and Telegraph Company underground are now located in or under Boston streets, with the location and surface area of each.

Ordered, That the Corporation Counsel be requested, through his Honor the Mayor, to promptly

advise the City Council as to the ability or right of the City of Boston to tax the New England Telephone and Telegraph Company on various manholes, terminals, conduits, and other appurtenances in use by said company underground and located or in under Boston streets.

Coun. WILSON—Mr. President, in these days when real estate values are rapidly dropping and when the average home throughout the city is being taxed, in my opinion, for about twice what it could be sold for in the open market, it occurs to me that it might be an excellent idea to check up on the situation with reference to the Telephone Company and perhaps other utilities, with reference to their use of city streets. I have in mind the massive work going on in Tremont street near the Common, incident to which there is a small-sized cave, that, I believe, is being constructed by Federal work, I think for one of their terminals. The space beneath our city streets, I understand, is honeycombed with the conduits and other properties of the New England Telephone and Telegraph Company. It may be that this vast amount of taxable property is included in the annual tax assessed on that particular corporation, although I don't understand that it is. I read with interest, although with disagreement, the recent suggestion of the President that there be a further substantial tax on the surplus of many of the companies. I assume that the Telephone Company would be one of the companies that would be hit. While I disagree with that suggestion, that any company or individual should be taxed because it or he has had foresight enough to lay aside money for a rainy day, I do wonder whether such property of the Telephone Company under our streets is now taxed. For that reason, and hoping that the information will be furnished with some degree of promptness, so that we may determine the situation in regard to this under-surface property; and I believe we should also have the opinion of the Corporation Counsel as to the right of the City of Boston to levy a substantial annual tax on this property, if it is not already being done.

The order was passed under suspension of the rule.

HARRIET A. BALDWIN SCHOOL.

Coun. AGNEW—Mr. President, I would ask unanimous consent to make a statement.

Chairman GALLAGHER—If there is no objection, the council will proceed.

Coun. AGNEW—Some time ago I introduced an order in regard to the Harriet Baldwin School in my district, where children were being housed in the basement of the school. I visited that school with Superintendent Campbell, and I have here a communication from the superintendent that I would ask to have incorporated in the record.

Chairman GALLAGHER—If there is no objection, the communication will be incorporated in the record.

City of Boston,
School Committee, March 10, 1936.
Hon. James E. Agnew, Councillor, Ward 21, 92 Wal-lingford Road, Brighton, Mass.

My dear Councillor Agnew,—During our visit to the Harriet A. Baldwin School on Saturday, you requested certain information in reference to the improvement of conditions in the classrooms located in the basement of that building. You then informed me that some objection was raised on the part of parents to the housing of children in these basement rooms. Of course you will understand that in order to provide accommodations for the children attending this particular school it became necessary to fit up these basement classrooms. As the quickest way to provide accommodations, it was the best possible thing to do under the circumstances.

Realizing your great interest in this matter, I respectfully submit for your information the following facts:

1. It was proposed to provide accommodations in three portables in the yard of this school building. It is my own personal feeling, however,—based on many years' experience,—that portable buildings are cold and wholly unsatisfactory for school purposes. Therefore this plan was abandoned.

2. A proposed addition to this school building was considered. As the building now stands, it is impossible satisfactorily to make further additions to it. Furthermore, considering the financial condition of the city, it appears to me that if an addition could be constructed it would be three or four years before such an addition could be made ready for occupancy.

3. Another plan which was discussed was to send some of the children to another building in the district. I am very much opposed to this plan, because I consider it a great danger to the children to compel them to cross automobile thoroughfares in order to attend a building in the other part of the school district.

In view of the above I believe that the best solution has been arrived at in placing the children in these basement rooms. The level of the basement, as you know from your visit Saturday, is well above the street level and the floor is dry and comfortable at all times.

I feel, however, that until we can give up these basement rooms we should improve them, which I believe can be done at a reasonable cost. Therefore I am recommending the following:

1. Divide the large classroom into two rooms by installing a suitable partition.
2. Install wooden floors.
3. Remove large platform now located in one of the temporary classrooms.
4. Furnish and install blackboards and tack-boards.
5. Whiten ceiling.
6. Check and relocate if necessary the present electric lights.
7. Permanently fasten in place pupils' desks.
8. Install in each of the classrooms a teachers' closet.
9. Remove from these rooms the present wash bowls and locate same in the corridor.
10. Provide suitable pupils' wardrobes and locate them in the rear of the classrooms.

These recommendations, you will understand, also apply to the third classroom now located at the other end of the building. In the carrying out of these recommendations I am assured that the three basement classrooms will be made very attractive and comfortable.

Respectfully submitted,
PATRICK T. CAMPBELL,
Superintendent of Public Schools.

REPORT OF COMMITTEE ON ORDINANCES.

Coun. GALLAGHER, for the Committee on Ordinances, submitted the following:

Report on order (referred February 24) that proper signs as to price be placed on each pump selling gasoline—recommending passage of following ordinance, viz.:

City of Boston.

In the Year Nineteen Hundred and Thirty-Six.
An Ordinance.

Be it ordained by the City Council of Boston, as follows:

Section one of chapter thirty-nine of the Revised Ordinances of nineteen hundred and twenty-five is hereby amended by inserting after section eighty-nine of said chapter the following new section,—

Section 89A. No person engaged in the sale of gasoline by pump shall display or suffer the display of the price thereof by sign or other marking located at or near the premises upon which such person is so engaged unless such sign or other marking or a similar sign or other similar marking is attached to the pump or pumps to which said price applies, or unless such sign or other marking clearly indicates the pump or pumps to which said price applies.

Report accepted; said ordinance passed.

2. Report on communication from Mayor and ordinance (referred January 27, 1936) concerning sounding of automobile horns—recommending passage of accompanying new draft, viz.:

An Ordinance Concerning Sounding of Automobile Horns.

Be it ordained, etc.

Section 92 of chapter 39 of the Ordinances of the City of Boston is hereby amended by adding thereto the following:

"No person shall sound an automobile horn between the hours of 11 p. m. and 7 a. m. anywhere in the City of Boston, except in cases of extreme emergency."

so that said section shall read as follows:

"The commissioner of public works shall, at the request of the hospital authorities, place and maintain a sign or signs displaying the words, 'Warning! Hospital—Make No Noise' at such points as he may determine on public streets and places in the vicinity of hospitals accommodating more than fifty patients. No foot traveller, driver of a vehicle, motorman of a street car or operator of a motor vehicle shall make any unnecessary noise in the vicinity of such hospitals so as to unreasonably disturb patients therein.

"No person shall sound an automobile horn between the hours of 11 p. m. and 7 a. m. anywhere in the City of Boston, except in cases of extreme emergency."

Coun. DOWD—Mr. President, I am going to vote against this ordinance because I am convinced that there are no drivers in the City of Boston who would deliberately sound their horns and make an unnecessary noise, unless it was absolutely necessary to do so. I think we have enough blue laws in the City of Boston now, without adding to them for the highbrows or the members of the Hotelmen's Association and a few more who want such an ordinance passed. I think this is going to give the Police Department a chance to arrest anybody they see fit who sounds the horn in a way that they think is unnecessary, and I am satisfied that no driver of an automobile does that deliberately.

Coun. ROBERTS—Mr. President, I would like to say a word for the hotel owners of the city. I think we may all be well proud of many of our hotels and of their managers, and of the accommodations they furnish to visitors. There are a great many hotels in my district, and there are no finer men anywhere than those operating our hotels. They have the interests of Boston at heart, and are doing all they can to bring business here, and I am convinced that they are right in wishing the passage of an ordinance of this kind. Therefore, I am sorry to take issue with my good friend from Roxbury (Coun. Dowd), with whom I am pleased to be in accord on a great many occasions. But on this occasion, living in the

Back Bay district, where people park their cars until after eleven o'clock at night and where they frequently blow their horns late to attract attention of passersby or people in houses, and where this horn blowing has become a good deal of a nuisance, I feel that I must favor the proposed ordinance. This horn blowing has certainly become a nuisance to the people of the Back Bay district of Boston, entirely apart from the men running hotels. When you talk of people who may be back of such an ordinance, I know of no interest that you could not call a good interest that is back of it. New York has passed similar legislation, as well as Chicago, and I think Councilor Dowd will agree with me that if the ordinance is reasonably enforced there will be no trouble arising from it. The whole question is, whether our Police Department can reasonably enforce it, and I believe they can. It is aimed at the horn-blowing pest, late at night, using the automobile horn for a purpose for which it was never created. I have in mind the fact that the Legislature some years ago repealed the statute regarding the blowing of horns when approaching an intersection, on the theory that a person was supposed to have his automobile slowed down and under control, anyway, near a crossing. But I do believe this ordinance is worthy of favorable consideration at this time.

Coun. SELVITELLA—Mr. President, I am a member of the Committee on Ordinances, but due to illness was not able to be present when the meeting was held in regard to this matter. I want to be recorded as dissenting, as a member of the committee, from the report, and I shall vote against this particular ordinance.

Coun. McGRATH—Mr. President, I happened to attend the meeting of the Ordinance Committee, being interested in these affairs of the city although not a member of the committee, and the word "emergency" struck me. I asked the Corporation Counsel of the City of Boston what his opinion of that emergency was and how it would be determined in the event that the driver of an automobile sounded his horn. He said, "Of course, the courts will determine that." Now, if I blow my automobile horn and the police don't think it is an emergency, I don't think I should be obliged to go to court. I think that is extending the ordinance a little too far. While I agree with Councilor Roberts that the hotel men in his district are a fine type of men, I still say that the orchestras are going in their hotels until two o'clock in the morning, and I don't see why they should object to automobile horns at that same time.

Coun. AGNEW—Mr. President, may I ask the Committee on Ordinances what became of the order, of greater magnitude, calling for the restriction of other noise-making devices besides automobile horns?

Chairman GALLAGHER—Although chairman of the Committee on Ordinances, I do not remember such an ordinance coming before the committee.

Coun. AGNEW—I introduced the order myself, Mr. President.

Chairman GALLAGHER—Last year?

Coun. AGNEW—Yes.

Chairman GALLAGHER—It died with the outgoing Council.

Coun. WILSON—Mr. President, I am inclined to agree with the argument advanced by Councilor Roberts and to believe that this prohibition should be extended into the residential sections of the city. I can appreciate the handicap that the continual blowing of horns in downtown Boston must be to the carrying on of legitimate hotel business; but in my opinion the particular nuisance is in our residential sections, particularly in our suburban districts, and I think the automobile operators in those sections are the principal offenders. There is at least one pest in every neighborhood who will drive around in front of houses at six o'clock in the morning, perhaps to take somebody to work, and instead of ringing the doorbell will simply blow his horn; and there is always somebody late in the evening who will call at a house and, instead of going to the door and ringing the bell, will press on the Klaxon horn to attract the attention of the one he is calling for. It is at such indefensible noises as that that the ordinance is chiefly aimed. With reference to the suggestion as to the difficulty of proving unreasonable blowing of the horn, I would suggest that the law is supposed to prevent a person operating an automobile going at a greater speed than is proper under the circumstances, and that drivers are called into court to prove whether they were going along on the turnpike or to Worcester at a greater speed than was reasonable and proper. It does seem to me that an ordinance like this, which has the support of many taxpayers and hotel proprietors, which deals with a nuisance which is continually in evidence in our residential districts, should be passed. It is something which not only concerns downtown Boston but the suburban areas. I believe the ordinance is fairly worded and should be passed. Certainly, such an ordinance, which has been passed in the city of New York and other large cities of this country, should properly be placed on the law books of the City of Boston.

Coun. BRACKMAN—Mr. President, while I don't think it is necessary to prolong the discussion, I do think this is a very sensible ordinance and one that, if not passed now, is bound to be passed at some later date. There is nothing more disturbing in the city proper, or in the residential section, to people trying to get to sleep, or to poor

unfortunates who are sick, than to have these drivers blowing automobile horns where it is not necessary. Many of them will go tearing through the streets blowing their horns at intersections instead of trying to bring their cars down to the proper rate of speed. I think the ordinance should pass.

The report was accepted and the ordinance was declared passed.

Coun. DOWD doubted the vote and asked for the yeas and nays.

The roll was called and the ordinance was passed, yeas 11, nays 8:

Yeas—Coun. Agnew, Brackman, Finley, Peter J. Fitzgerald, Gallagher, Kerrigan, Norton, Roberts, Shattuck, Rosenberg, Wilson—11.

Nays—Coun. Doherty, Dowd, Gleason, Kilroy, McGrath, Mellen, George A. Murray, Selvitella—8.

CENTRAL CARD INDEX.

Coun. WILSON offered the following:

Ordered, That his Honor the Mayor be urgently requested not to discontinue the Central Card Index by Habitations and Cross-Reference Alphabetical Index created in July, 1932, by the Statistics Department following City Council order approved by the Mayor, and especially designed for the purpose of indicating measures of greater economy in the administration of the Public Welfare and Soldiers' Relief Departments, and preventing fraud.

Coun. WILSON—Mr. President, in my opinion, this is an important enough matter to take a little time about, even before the big holiday in South Boston tomorrow, and so I may go into it at reasonable length. Those of us who have served in the Council for some years past were gratified at the result of a City Council order approved by a former Mayor, resulting in a project carried through by the Statistics Department of the City of Boston by which a habitation index was made of every adult resident of Boston by wards, precincts, streets and number,—an index kept upstairs originally by Mr. Balfe, as I remember, primarily for the checking up of welfare and hospitalization cases. No members of the Council, I assume, certainly not myself, have any criticism to make of poor families in Boston who should be receiving aid; but all of us who have urgently desired not only proper welfare and soldiers' relief, but even larger relief than has been given to families of five, six and seven, have seen the growing up of fake cases, which automatically cut down the amount that should be receivable and payable to the poor families legitimately entitled to receive it. The biggest thing in cutting our fraud in the Welfare and Soldiers' Relief Departments of the City of Boston was this work done by the Statistics Department under that gentleman, Mr. Balfe, whose experience and ability were such as to guarantee the very best results in such a tabulation. That index is a wonderful thing. Perhaps some of the new members of the Council have not seen it. It has been kept in this building, with 2,115,000 cards available up into December of 1934, and with a quarter of a million cross-reference cards available, listing every adult in the City of Boston by ward, precinct, street and number, and through the use of colored tabs it could be instantly found whether some one died of a contagious disease in a certain house, with another notation showing whether there was real estate ownership, and showing the financial record and status of everybody in the city. It showed, for example, each police registered poll, by ward, precinct, street and number, whether any person in a particular family was receiving welfare, whether any person owned real or personal property for which, if he did, he should be assessed, whether anybody there had died of a communicable disease, which would throw some light on the question of whether a special section of the city was unhealthy, whether any person in the family had registered in his name an automobile, whether he was a city, state or county employee, and whether anybody in that particular location had been to the City Hospital and the bill should properly have been thrust back on to some other city or town for reasons of settlement. I was amazed to learn last week that the work that has been done since that index was created in July, 1932, is not only to be discontinued, but that those thousands of cards are to be stored in the attic or down in the cellar somewhere, or destroyed. The Statistics Department started that important record in July of 1932. It was a C. W. A. project, and a splendid one, one of those where the men were not only drawing money from the government but were producing something for the money they obtained, in the carrying on of that C. W. A. work, from December, 1931, to April, 1934. It was carried on as an E. R. A. project from April, 1934, to December of last year. Now all of that work, all of these valuable records—valuable to the Welfare Department, to the Assessing Department, to the Soldiers' Relief Department, valuable to the families themselves in many instances, valuable to the Boston City Hospital, and valuable in other ways,—is not only to be discontinued, I understand, but this work of months and years is to be almost literally thrown out the window. I understand that the expense to the City of Boston itself as a C. W. A. and an E. R. A. project, was only from \$1,000 to \$1,200 a year for the cards and material. It may or may not be that the government is

willing to continue it as a government project, although it has received the commendation not only of state and local E. R. A. officials but of the national coordinator himself. I feel that it is a matter that should not be thrown out the window, because during 1932 and in 1933, at an annual expense of but \$1,000 or \$1,200 for materials, this work went on. We have men on public welfare, hundreds of them, men of ability who have seen better days, who perhaps cannot go out with a pick and shovel or cannot even rake leaves,—so-called white-collar men, men who have been bank tellers and cashiers and who understand clerical work, and there is no reason in God's world why this work, carried so far by the white-collar workers, a work so valuable to different departments of our city who have to deal with those requiring aid, and which has been carried on under the supervision of the Statistics Department at this small expense for materials, should be thrown out the window. So I ask for the adoption of this order, which urges the Mayor not to undo the work that has been done since 1932, but to continue what I myself feel is the most valuable record that we have in the City of Boston at the present time, ranking even the Police List itself as a matter of record, not only for the departments particularly interested but for the different families of the city, giving their death and sickness records and not only up-to-date, but if possible for years to come.

The order was passed under suspension of the rule.

TRAFFIC LIGHTS.

Coun. GALLAGHER, for Coun. John I. Fitzgerald, offered the following:

Ordered, That his Honor the Mayor request the Traffic Commissioner to include in his budget the sum of \$2,800 for traffic lights to be installed on Charles street at the foot of Allen street.

Passed under suspension of the rule.

RETAINING FENCE AND WALL, CHARLES-BANK PARK.

Coun. GALLAGHER, for Coun. John I. Fitzgerald offered the following:

Ordered, That his Honor the Mayor instruct the Park Commissioner to replace the retaining fence and wall which was removed during the rebuilding of Charlesbank Park.

Passed under suspension of the rule.

SIDEWALK ON WASHINGTON STREET, WARD 9.

Coun. GLEASON offered the following:

Ordered, That the Commissioner of Public Works make a sidewalk along Washington street, from Circuit street to Dale street, Ward 9, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Passed under suspension of the rule.

MUSIC AND DRAMA PROJECT.

Coun. ROBERTS offered the following:

Ordered, That his Honor the Mayor request the W. P. A. Administrator to investigate the conduct of the Music and Drama Project located at Paine Memorial Hall.

Coun. ROBERTS—Mr. President, I understand that this investigation has been already ordered, but I am also informed that the W. P. A. administrator of the City of Boston has nothing to do with the music and drama project and has no control over that matter whatsoever. I understand that there has been very much question raised over these music and drama projects, that there are Communists and Socialists in positions of importance on the project, that they are not properly carried on, and I understand that in many of them the girls are complaining because they are simply seats for the distribution of communistic literature.

The order was passed under suspension of the rule.

FINGERPRINTING OF WELFARE WORKERS.

Coun. AGNEW offered the following:

Ordered, That the Mayor of Boston request the Police Commissioner to withdraw the order calling for fingerprinting of welfare workers employed in police buildings, and destroy those already taken.

Coun. AGNEW—Mr. President, it has been called to my attention that the welfare workers employed in the police building have been finger printed by the department and that their finger prints have been filed away for future reference, although not being placed in the criminal files. But the questions troubling me in regard to the particular situation are twofold. In the first place, I don't understand for what reason or purpose

welfare recipients are assigned to the Police Department for work; secondly, I don't know what work they would do in the police buildings. Furthermore, the idea of the Police Department finger printing welfare recipients merely because they are assigned to any one of the police buildings for work is beyond comprehension on my part. Why not finger print the welfare recipients sent to other places to work, as well as those sent to the police buildings? Perhaps it is because the department of finger printing would like more experience and for that reason would like to have more customers, therefore taking advantage of the welfare recipients. So I am, in this order, asking that the Mayor request the Police Commissioner to not only withdraw the order calling for the finger prints of welfare recipients that have already been taken and filed away, but to stop the continuation of that work. I see no necessity for it. The reason given is that the recipients of welfare, those employed, in case of dishonesty can be identified, and so, to protect the department, the welfare recipients are penalized to that extent. I do not think that to any member of this Council that will seem a good and sufficient reason. I don't think any of us would want our finger prints on file at police headquarters, and I hope the Mayor will send this order to the Police Commissioner and that the Police Commissioner will see the wisdom of doing away with this regulation.

Coun. WILSON—I don't like to differ with Councilor Agnew, as I realize that he always speaks one hundred per cent as he believes. I freely admit that I am sorry to see any particular section of our population on welfare singled out for the finger printing. Personally, however, I would like to see every resident of the City of Boston, including myself, have a finger print record. I am one of those who fails to see criminal connection between the fact that you have had your finger prints taken and a criminal record. An organization to which I belong has made the excellent rule for many years, that when you receive your membership card it has upon it not only a sample of your handwriting, but an imprint of your thumb. The members have not reared up for fear that it would be placed in the rogues' gallery. For many purposes finger prints can be extremely valuable. Take the case of missing girls we read about, people mutilated beyond recognition in street railway or railroad accidents, finger prints can be extremely valuable to the family; and I can see not the least logical objection on the part of any man or woman in Boston to being finger printed, at police headquarters or anywhere else, even when he or she are not wanted by the police.

Coun. AGNEW—Mr. President, I appreciate the force of what my colleague says in regard to finger prints that have been taken, apart from this particular instance. The only reason, however, why the Police Department are taking the finger prints of these individuals, welfare recipients, is because they happen at the present to be employed in the police building, and in case any wrongdoing is committed in any one of those buildings they will first say, "Let us look over the finger prints of the recipients of welfare who are here." True, I will agree with the councilor from Dorchester in regard to the value of a general finger print record. I sent my finger prints to Washington, and every veteran has his finger prints on file. But I don't think a special case should be made of welfare recipients, only those employed in a police building. It is done there for a particular reason, and, as I say, I believe it is in case something wrong takes place in any of the police buildings, the reference will first be made to the finger prints of the welfare recipients. I don't think any welfare recipient, whether working in a police building or anywhere else, should be subject to a regulation calling for finger prints, photographs or anything else, to be used for specific identification purposes, any more than any other class of the community.

Coun. WILSON—Mr. President, do I understand that the members of the Police Department working at headquarters are not also finger printed? If that were not so, I would be glad to see an order introduced that they also be finger printed. But isn't it a fact that each member of the Police Department has his finger prints on the records?

Coun. AGNEW—I will say that it is, yes, but what of it, so far as welfare recipients are concerned? The order was passed under suspension of the rule.

CHARLESTOWN STAIRWAY.

Coun. MELLE offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to consider the advisability of purchasing the property abutting the stairway, now closed, leading from the high bridge to Water street, Charlestown, with the object of again making the stairway available for public use.

Passed under suspension of the rule.

SIDEWALK, CHELSEA STREET.

Coun. MELLE offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide for the installation of a sidewalk along the left-hand side of Chelsea street, from the Chelsea South to the Chelsea North Drawbridge, Ward 2.

Passed under suspension of the rule.

CITY BUDGET.

Coun. NORTON offered the following:

Ordered, That the Mayor present a tentative county and city budget to the Council as soon as possible.

Coun. NORTON—Mr. President, two and one half months of the year have gone by, and there is no budget before the Council. As in previous years, the rush hour will soon be on and we will be told that we will have to pass it this week or the boys won't have their pay next week. The result will be insufficient time to go into the budget properly. It is true that the Legislature has not finished on the budget, but the chances are nine out of ten that it will be about the same as in previous years. We ought to have here a tentative budget, so that we may get busy and not be rushed upon it at the last moment.

The order was passed under suspension of the rule.

ACCEPTANCE OF ALABAMA STREET.

Coun. NORTON offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out that part of Alabama street, Ward 18, from the beginning of Alabama street at Almont street to the corner of Currier street.

Passed under suspension of the rule.

REPRESENTATION OF CITY IN RE CHELSEA DIVISION.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of informing the Council why it was that no official representative of the City of Boston appeared at the hearing before the Massachusetts Department of Public Utilities to protest against the taking over of the Chelsea-Revere branch of the Eastern Massachusetts Railway by the Boston Elevated Railroad system.

Coun. NORTON—Mr. President, a public hearing was held last week by the Department of Public Utilities on the question of the Boston Elevated taking over the Chelsea branch of the Eastern Massachusetts Railway. Boston pays over 60 per cent of the Boston Elevated expense, and here it is proposed that we take over another bankrupt outfit, another streak of rust, at a high price, adding to the cost which comes upon the City of Boston. And yet no official representing the city appeared at that hearing to oppose it.

The order was passed under suspension of the rule.

MILK FOR WELFARE RECIPIENTS.

Coun. NORTON offered the following:

Ordered, That the Director of Public Welfare, through his Honor the Mayor, be requested to reconsider the advisability of furnishing welfare recipients with milk at a price below the standard retail price.

Coun. NORTON—Mr. President, for some months now I have been interested to see if we were not possible for the Welfare Department of the city to furnish welfare recipients with milk, say at 8 cents a quart. Milk is the most important food for people on relief. I have been interested to look into the situation in other cities, and I find that in some of the cities milk is not only furnished to welfare recipients but to others not having enough to eat. They are given a card, and with that card they are able to buy milk for 8 cents a quart, or at some price below the usual market price in those places. There is no reason I can discover, after looking into this matter for months and examining into what is being done by Federal milk officials, why the city cannot arrange so that welfare recipients here may have a card and go to certain stores where they can buy milk at 8 cents a quart. It certainly means a great saving to them and it means furnishing a valuable food, nutriment, to the poor people of this community who do not have enough to eat. It is a very important thing. I have here letters from the Health Commissioner of New York City and from the Administrator of the Baltimore Emergency Relief Commission, which I would like to have included in our record.

(The letters referred to are as follows:

The Commissioner of Health,
City of New York,

March 13, 1936.

Mr. Clement A. Norton, Boston City Council,
City Hall, Boston, Mass.

My dear Mr. Norton,—Your communication to Mayor LaGuardia has been referred to this department. Although the Milk Control Board has set a price of 12 cents for the retail sale of milk, it has given permission to the city of New York to distribute, or arrange for the distribution, of milk to the needy through official agencies at 8 cents per quart.

Arrangements have been made with several of the milk companies in the city to distribute milk at this price through our Baby Health Station and the Commodity Distribution Depots of the Emergency Relief Bureau. We have approximately 145 such stations in the city at which this milk is being distributed from 6.30 to 8.30 a. m.

This milk is delivered, serviced and sold by an employee of the company.

Each recipient of this 8-cent milk must present a card which is issued after determining their financial status. This is done by the nurse in charge of the Baby Health Station or the Depot Chief Clerk in the Commodity Depots.

Inclosed find forms used for this purpose.

Yours very truly,

JOHN L. RICE, M. D.,
Commissioner.

Baltimore Emergency Relief Commission,

Baltimore, Maryland,

Howard C. Beck, Jr., Administrator.
Mr. Clement A. Norton, Boston City Council,
Council Chamber, City Hall, Boston, Mass.

My dear Mr. Norton,—This will acknowledge receipt of your letter of March 5 addressed to Miss May Reid, who was formerly our Director of Social Work, making certain inquiries relative to the price we are now paying for milk. We are still paying the price of 7½ cents per quart, that was originally bid by the dairy handling the business for their Grade A milk, which is retailing on the street at 12 cents per quart.

Trusting that this information will answer your purpose, I am,

Yours very truly,

HOWARD C. BECK, JR.,
Administrator.)

This order simply asks the Mayor of Boston to intercede with the directors of public welfare and see if it is not possible to work out such a scheme here. If other cities can do this, why cannot Boston do it? The leading milk companies—the Whiting Companies, the Elm Hill Farm and others—claim that it can be done.

Coun. McGRATH—Mr. President, I think this order offered by Councilor Norton contains a good idea. Mrs. William Randolph Hearst is spending a large amount of money in the course of a year in the city of New York in this same way, and it seems to me it is something that can well be done here. I am in favor of the order.

Coun. AGNEW—Mr. President, at the present time the Mayor of Boston has under consideration an order introduced by me sometime ago, relative to conducting a milk fund in Boston, and I think it would be a splendid thing to cooperate with outside influences in this work, which, when made to function in a proper manner, can be exceedingly valuable. I know it is the desire of the Mayor that the under-nourished children of Boston shall have a good supply of milk given to them without any cost, if possible.

Coun. NORTON—Mr. President, I appreciate what the councilor states, but that has to do with a milk fund. It is easy enough to raise a fund. I wanted Joe Louis to come over here and talk for a milk fund, and he was willing to do so, but it seemed that there were many loopholes in the thing. Shaughnessy, a backer of Joe Lewis, said that if he ever came to Boston nothing would please him better than to box for a milk fund. But that represents a different angle of this thing. Mrs. William Randolph Hearst conducts a movement of this sort every year in New York City. This is fine and good, but here is something that can be done immediately, to meet present day necessities. People are buying milk every day, not only those on welfare but others, people who have to conserve their resources to the last cent. They are entitled to 8-cent milk, and I trust that they may get it.

Coun. McGRATH—Mr. President, we don't need outside help. I think we can run the thing right here. We don't need Joe Louis; we can do something else. We can have an athletic contest and raise thousands for this fund. Paul Bowser, the man who stages the wrestling shows in Boston, has contributed a good deal of money for this sort of thing every year. I think Mr. Bowser will be glad to cooperate with the Mayor and the members of the City Council in putting such a thing through, and I think we could follow that up with other athletic events and probably get a couple of hundred thousand dollars. That is not to be laughed at, and it is not a great deal of money when we look back at the figures of what Mrs. William Randolph Hearst has done and is doing in New York City.

The order was passed under suspension of the rule.

FIXING OF NON-MAJOR STREETS.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of fixing every non-major street in Boston with the assistance of W. P. A. employees.

Coun. NORTON—Mr. President, if we don't act quickly we are going to lose the finest opportunity this city has ever had to fix up its streets. I wish every one who goes down to that office would ask the Mayor to take advantage of a chance we will never have again. After this year the thing will blow up; the Federal Government assistance will blow up after this year. This is the last round, the last chance to get W. P. A. help on fixing our streets. Good roads can now be made, we are told by engineers, on a very economical basis, at less than 75 cents a square yard, and perhaps under 50 cents, although in the past we have probably been paying \$2 in many cases. Put on this bituminous product, cheap and easily obtained and easily put on the surface, and you

can put in good shape streets that are now nothing but mud holes. There are streets in my ward today that you can only go through with a boat. Police cars start out on them, and have to be pulled out. Those are conditions that are existing today in this city. I will admit that we have been having an unusual situation in Boston within the last week because of floods, but entirely apart from the present conditions in that respect there is great need to have our streets put in proper shape. Many of the children in our suburban areas—I know of many cases in Ward 18—are unable to get back and forth between their homes and school. Here is a chance, with the help of Uncle Sam, to put 20,000 or 40,000 men at work. Uncle Sam will pay their wages, and why shouldn't we fix up every street in the City of Boston?

Coun. FINLEY—Mr. President, I can't let the opportunity pass by to indorse every word that the councilor from Hyde Park has said. I want to add to his remarks and to say that we are faced with a very serious situation in the suburban section of Boston unless remedial measures are adopted to relieve existing conditions. I believe every effort should be made by the Mayor and the Street Commissioners to carry out such action as is proposed in this order today, having the interests of those outlying sections at heart. I was much surprised this morning in talking with the Commissioner of Public Works to find, with regard to a substantial number of streets where work was to be commenced in the very near future, unaccepted streets in my district, that that work most likely will be eliminated because of the amount of money it has been necessary to use for the removal of snow. If that is the case, we are going to face a very serious situation, which will result in drastic protests from the residents of the suburban sections of this city. I hope, therefore that this order will be given every possible consideration, because I know if it is not given the consideration it deserves residents of such sections of the city as Wards 18 and 20 are certainly going to protest in a very emphatic way.

Coun. ROSENBERG—Mr. President, I am in accord with the measure introduced by the councilor from Ward 18, who happens to be my neighbor in an adjoining ward. The local Dorchester papers have been saying for some time that I think dread to see the conditions existing in the Dorchester section, on the streets, sidewalks and gutters, with the disappearance of the snow and ice. I know that probably quite a task may be placed upon the city or P. W. A. to resurface all the streets in the suburban areas of Boston, but I believe some measures should be taken for at least a partial fixing up of those streets that are now in almost hopeless shape. I know that if such work is done it is going to probably save the city thousands of dollars in claims that will be coming in for broken springs of automobiles, and that sort of thing, on these non-major streets. I am informed that some of the streets in my ward have not been fixed up for thirty years, that they are sunken and full of mud holes, and the reports sent in to the Paving Division indicate that, as the music goes "round and round," when a rain storm comes the water goes round and round, resulting in mud holes and ruts. In the old Dorchester section of the city, where the original streets were laid out with cobblestones, gravel and sand have been washed in, and the water from the rains and the melting snow has practically ruined the streets. I believe if the fixing up of the non-major streets in the suburban parts of the city is arranged, we are going to save many claims against the city, and we are also going to give a large number of men a chance to work. I believe it will also afford protection to the small home owners, the protection that is now received on the major streets.

Coun. BRACKMAN—Mr. President, this order sounds awfully good, but I wish I could be as optimistic as some of my colleagues. I would not want anybody to think that I would not like to see all the streets paved with smooth paving or otherwise; but I feel that this is the most unseasonable order that has been presented to the body. I believe it would take a space of ten years to do what the councilor would like to see done, because it has already taken six months to do what the W. P. A. have been doing on the streets of Boston, and the streets where such work has been done, I believe, can be counted on the fingers of your two hands. I know how the streets in my ward have been tied up for months with excavations and one thing and another, and in my opinion it will take ten years to do this work.

Coun. NORTON—Mr. President, that is an extraordinarily interesting point of view. Then, let us go home and do nothing. I am willing to argue this from a technical engineering standpoint. We have 675 miles of streets in Boston, Detroit has over 2,500 miles and Cleveland over 2,000, and St. Louis 2,200. We are the oldest city in the country and have been at this street work for years, I agree. But a ten-year period required to do the streets of Boston! That is ridiculous, Mr. President. Here we have Paul Edwards, through Tom Sullivan, trying to find work for men to do, and we are told that it will take ten years to fix up our streets. There have been more streets fixed up in my ward in the last two years than were fixed up in any previous ten-year period. That is encouraging. When you really go at a thing of this kind, something is done. Instead of fixing up forty streets, we need to fix up four hundred. When you get this work going under engineers, they run right along, and it is surprising when the work is laid out, how rapidly it can be

done on these non-major streets. You don't have to go along on those streets with four inches of crushed stone, binder and filler. You merely look out for your irrigation, and you just put this bituminous coating on and roll it. Here we have 20,000 people looking for that kind of work, and when you put them on to it under proper engineers it will go rapidly. To say that it will take ten years is bunk. What is the use of arguing that proposition? My answer to the councilor is this. Go to any responsible engineer in the Public Works Department of the city and see if he will not verify what I have said. I claim that every non-major street in this city can be placed in passable condition, and that is all I ask for, in the next two years, if the Mayor of Boston will go at this with the proper spirit and will appropriate a sufficient amount of money for the coal-tar mixture that they use for fixing the street.

The order was passed under suspension of the rule.

NEW SCHEDULE OF FEES.

Coun. NORTON offered the following:

Ordered, That the Street Commissioners, through his Honor the Mayor, be requested to draw up a new schedule of fees for the taxing of various kinds of signs, and submit such schedule to the Council.

Coun. NORTON—Mr. President, I am informed that a new schedule of fees, put into effect by the Street Commissioners, will bring in an increased revenue to the city of at least \$25,000. This comes from a man who happens to be an expert on that particular subject, and I ask that this memorandum be included in our minutes.

(The memorandum referred to is as follows:

No fee in excess of \$1 is now allowed to be charged for any projecting sign in the City of Boston. In the case of an awning with lettering thereon, \$1 is charged for the awning and \$1 is charged for the lettering, making a total of \$2 in this instance. \$1 is likewise charged for a marquee and \$1 additional is charged for each side of the marquee which carries lettering. Thus, the fee for a marquee may run from \$1 to \$4.

A scale of fees figured on the amount of sign space on the projecting sign would be far more equitable and give a greater return to the city.

Illuminated Signs: \$3 for 20 square feet or less; \$5 up to 40 square feet; 10 cents per square foot in excess of 40 square feet. No illuminated sign to project more than 5 feet over the highway without an additional charge of \$1 a linear foot or fraction thereof.

Plain Signs: \$2 per year for 20 square feet or less; 10 cents per square foot in excess of 20 square feet.

Marquees: \$5 for plain marquees; 10 cents a square foot for any lettering thereon.

Should increase revenue at least \$25,000.)

The order was referred to the special committee on license fees.

WARD 6 IMPROVEMENTS.

Coun. GEORGE A. MURRAY offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to make provisions for additional lockers during the coming season in both the women's and men's sections at the Head House, Ward 6.

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to include in his budget for this year a sum sufficient to provide for the installation of automatic traffic signals at the intersection of D street and Broadway, Ward 6.

Severally passed under suspension of the rule.

ROPING OFF UNION PARK STREET.

Coun. DOWD offered the following:

Ordered, That the City Messenger be, and he hereby is, authorized to rope off Union Park street, between 2.30 and 4.30 p. m., on Saturday, April 11, for the cross-country run of the Cathedral Club, the expense incident thereto to be charged to the appropriation for City Council, Flags, Ropes and Stakes.

Passed under suspension of the rule.

HEARING ON SCHOOL EXPENDITURES.

Coun. NORTON—Mr. President, I ask unanimous consent to make a statement.

Chairman GALLAGHER—If there is no objection, the councilor may proceed.

Coun. NORTON—Mr. President, next Sunday, I understand, the \$17,500,000 which is proposed to be spent by the Boston School Committee is to be made a subject of discussion in a hall in this city. It does seem as if in these difficult days a board that proposes to spend \$17,500,000 should be expected to defend its position. Next Sunday, I understand, an opportunity will be offered to them to do so, and anybody who would like to take part in the discussion will be welcome.

Adjourned at 3.39 p. m., on motion of Coun. McGRATH, to meet on Monday, March 23, 1936, at 2 p. m.

POPULATION OF UNITED STATES, 1930.

Total inhabitants of continental United States, 122,775,046, or 62,137,080 males and 60,637,966 females. Total native white, 95,497,800 or 48,010,145 males and 47,487,655 females; native white of native parentage 70,136,614 or 35,460,001 males and 34,676,613 females; native whites of foreign parentage, 16,999,221 (8,438,676 males and 8,560,545 females); native whites of mixed parentage, 8,361,965 (4,111,468 males and 4,250,497 females); foreign-born whites, 13,366,407, or 7,153,709 males and 6,212,698 females; total foreign white stock, 38,727,593, or 19,703,853 males and 19,023,740 females; Negroes, 11,891,143, or 5,855,669 males and 6,035,474 females; Mexicans, 1,422,533, or 758,674 males and 663,859 females; Indians, 332,397, or 170,350 males and 162,047 females; Japanese, 138,834, or 81,771 males and 57,063 females; Chinese, 74,954, or 59,802 males and 15,152 females; all others, 50,978, or 46,960 males and 4,018 females.

THE MUNICIPAL WATER-WORKS TREND.

In 1800 there was but one municipally-owned water-works plant in the United States. Now there are 7,853 municipally-owned installations, or 72.8 per cent of the entire number. In the United States there are ninety-four cities of over 100,000 population. All but eleven of these own their water works. Municipal plants serve 96.1 per cent of the population of the ninety-four cities, while private plants serve only 3.9 per cent.

AIRPORTS AND LANDING FIELDS IN THE UNITED STATES.

The latest report of the Aeronautics branch of the Department of Commerce, dated January 1, 1934, states that there were 2,188 airports and landing fields in the United States on that date, an increase of 71 since January 1, 1933. These figures do not include new airports which are being established in the various states by the State Civil Works Administration Committees.

REVISION OF ASSESSMENTS.

The Mayor has approved the following vote of the Board of Street Commissioners:

In the matter of the application for revision of assessment levied on account of the construction of sewerage works the Board of Street Commissioners, acting under the provisions of chapter 359 of the Acts of the year 1896, and deeming it just and proper that such action should be taken on said application, *Order*, That the amount hereinafter specified, being the annual apportionment of said assessment for the year specified below, be, and the same is hereby, abated.

J. Frank and Leslie P. Moran, 1934 apportionment, plan 1930-37, lot 20, Church street, assessed March 7, 1932, \$14.83.

UNITED STATES GROSS DEBT.

November 30, 1932, total gross debt of the United States was \$20,806,013,836, of which \$20,476,034,190 was interest-bearing. This is a reduction of \$6,120,667,458 from the peak of \$26,596,701,648 on August 31, 1919. The gross debt on June 30, 1931, was \$16,801,281,492.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING KHAKI CLOTH.

The Supply Department of the City of Boston invites proposals for furnishing to the Penal Institutions Department, House of Correction, khaki cloth as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Tuesday, April 7, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Mar. 28.) Superintendent of Supplies.

CITY OF BOSTON.

ASSESSING DEPARTMENT.

PROPOSALS FOR FURNISHING TYPEWRITTEN LISTS OF TAX ACCOUNTS.

At a meeting of the Board of Assessors of the City of Boston, Room 303, City Hall Annex, Boston, it was *Voted*, That the Board invite sealed proposals for furnishing "Typewritten Lists of Tax Accounts," and giving a bond of a surety company approved by the Board in the sum of fifteen hundred dollars (\$1,500). Only proposals obtained at the office of the Board, signed by the bidder, and left before 12 o'clock noon on Wednesday, April 1, 1936, at said office, with a certified check for five hundred (500) dollars, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The proposals shall be made in duplicate, the one with the check to be submitted as indicated above and the other to be deposited with the City Auditor, City Hall, Boston, previous to the time named for opening the proposals. The Board reserves the right to reject any or all proposals or to award the contract as it may deem for the best interests of the city to do so.

EDWARD T. KELLY, Chairman,
TIMOTHY W. MURPHY,
(Mar. 28.) Board of Assessors.

MAYOR MANSFIELD REMEMBERED BY TEXANS ON BIRTHDAY.

On the occasion of the fifty-ninth birthday of Mayor Frederick W. Mansfield, on Thursday, March 26, he was presented a birthday cake from Mayor George Sergeant of Dallas, Texas. A group of Texans (now residents of Boston), headed by Rev. Dr. Harold Major, rector of the First Baptist Church of Boston, represented Mayor Sergeant and the State of Texas and made the presentation. The cake was suitably inscribed, commemorating not only the birthday of Boston's Mayor but also noting that Texas this year celebrates its 100th birthday of its admittance into the Union.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

TO GENERAL CONTRACTORS.

The Superintendent of Construction of the Department of School Buildings of the City of Boston invites sealed proposals for alterations in the Damon School, Readville street, Readville, Boston, and giving bond of a surety company satisfactory to the Superintendent of Construction therefor in the full amount of the contract price. Plans ready for contractors March 30, 1936. Only proposals obtained at the office of the Superintendent of Construction, eighth floor, 11 Beacon street, Boston, signed by the bidder and left before 2 o'clock p. m. of Monday, April 6, 1936, at said office, with a certified check for \$250, payable to the city if the proposal is not carried out, will then and there be publicly opened and read. The proposal shall be made in duplicate, the one with the check to be submitted as indicated above, the other to be deposited with the City Auditor, City Hall, previous to the time named for opening proposals. The Superintendent of Construction reserves the right to reject any or all proposals. A deposit of a certified check in the sum of \$25 will be required in order to procure a complete set of plans and specifications, said sum to be refunded to all but the successful bidder. If all unused plans and specifications are not returned prior to noon of Monday, April 13, 1936, said deposit for specifications shall be forfeited. Mutilation of the plans and specifications will be deemed sufficient cause for the forfeiture of the said deposit.

WM. W. DRUMMEY,
(Mar. 28.) Superintendent of Construction.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FLOUR (BREAD AND PASTRY) TO THE VARIOUS CITY DEPARTMENTS.

The Supply Department of the City of Boston invites proposals for furnishing flour (bread and pastry) to the various city departments according to specifications to be obtained from the office of the Supply Department, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* Bidder must use the form of proposal to be obtained at this office, and the successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. Bids, with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before 12 m., Friday, April 10, 1936, at which time and place they will be publicly opened and read. A duplicate bid, without check, must be left with the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(Mar. 28.) Superintendent of Supplies.

DAMAGES ASSESSED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That in the matter of Francis J. Haggerty, petitioner for damages on account of the laying out and construction of Public Alley No. 808, under the order of the Street Commissioners and Mayor of December 10, 1930, after consultation with the Law Department, and on its advice, the Board assesses the petitioner's damages in the sum of three hundred (300) dollars, and consents that the Corporation Counsel agree to judgment in said case on the terms herein stated.

CITY OF BOSTON.

BOARD OF OVERSEERS OF THE PUBLIC WELFARE.

PROPOSALS FOR FURNISHING TRUCKS FOR CARTAGE OF WOOD.

The Overseers of the Public Welfare of the City of Boston invite proposals for furnishing trucks according to specifications to be obtained from the office of the Board, first floor, 43 Hawkins street, Boston. *There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out.* Bidders must use the form of proposal to be obtained at this office and the successful bidder must furnish a bond for one fourth of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. Bids with a certified check for one hundred (100) dollars, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Board, first floor, 43 Hawkins street, before 12 m. Wednesday, April 8, 1936, at which time and place they will be publicly opened and read. A duplicate proposal, without check, must be left with the City Auditor prior to the time stated for opening the bids. The Board of Overseers of the Public Welfare reserves the right to accept or reject any and all bids or any part of the bid and to award the contract in whole or in part. All contracts made subject to appropriations to meet the payments thereunder.

BOARD OF OVERSEERS OF THE PUBLIC WELFARE,
JAMES A. McMURRY,
(Mar. 28-Apr. 4.) Chairman.

CITY OF BOSTON.

ASSESSING DEPARTMENT.

NOTICE TO BIDDERS.

At a meeting of the Board of Assessors, held this day, it was *Voted*, That the Board of Assessors of the City of Boston, herein-after designated as the Board, Room 303, third floor, City Hall Annex, invite proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, for furnishing one typewritten and one carbon copy of motor vehicle excise tax accounts; also typing tax bills for same; and giving bond therefor of a surety company approved by the Board in the sum of one thousand (1,000) dollars, to secure the due performance of the contract and the full protection of the city. Forms of proposal may be obtained at Room 303, third floor, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Furnishing Typewritten Lists of Motor Vehicle Excise Tax Accounts," and left at Room 303, third floor, City Hall Annex, before 12 m. on April 2, 1936, with a certified check for five hundred (500) dollars, payable to, and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the proposals. The Board reserves the right to reject any or all proposals or to award the contract as it may deem for the best interests of the city so to do.

EDWARD T. KELLY, Chairman,
TIMOTHY W. MURPHY,
(Mar. 28.) Board of Assessors.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, APRIL 4, 1936.

No. 14

BOSTON'S WELFARE RELIEF PROBLEM CONTINUES TO SHOW IMPROVEMENT—MONTHLY REPORT FOR MARCH, SUBMITTED TO MAYOR, SHOWS CITY PAID OUT TO RECIPIENTS OVER \$11,000 LESS IN MARCH THIS YEAR THAN IN SAME MONTH IN 1935—AT SAME TIME SALARY NEEDS SHOWED A DECREASE OF ABOUT \$22,000—WEEKLY REPORT ALSO SHOWS PROGRESSIVELY DECREASING BURDEN—NEW SYSTEM OF PAYMENTS BY CHECK LIKEWISE PROVING ADVANTAGEOUS.

In the monthly report made by the Public Welfare Department to Mayor Mansfield for the month of March, relief conditions are showing a very decided improvement. The report of the treasurer for the month of March shows that during the month there had been expended for relief the sum of \$956,008.02. For this same period in 1935 the expenditure was \$967,014.86. February of this year showed an expenditure of \$892,576.30.

In the month of March the amount paid out in salaries was \$50,736.32 as against \$72,181.60 for the same month in 1935. Even February of this year was higher in the amount of salaries paid than in March, with the sum reaching the total of \$63,713.51.

In a like manner it is shown by reports that the relief rolls are dropping. The number of cases active this week was 26,201, while the number last week was 27,605. The expenditures during the week totaled \$196,828.89 and for last week \$210,690.28.

A substantial part of this decrease is due to the fact that in several units cash payments were changed to check payments during the week of March 16 to 23, inclusive. This change necessitated changes in weekly aid days and in a large number of cases it was necessary to grant relief for a week and part of a week. These cases did not actually receive relief during the past week, but, of course, are active cases. This condition will right itself during the current week.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, April 6, 1936, at 2 p. m.

A regular meeting of the School Committee of the City of Boston will be held in the Administration Building, 15 Beacon street, on Monday, April 6, 1936, at 7.30 o'clock p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MAYOR MANSFIELD SAVES CITY \$25,000 A YEAR FOR NEXT FIVE YEARS IN CONTRACTS WITH GAS COMPANY FOR STREET LIGHTING—PUTS MATTER UP TO CITY COUNCIL IN LETTER TELLING OF SUCCESSFUL NEGOTIATIONS AND ASKING FOR CONCURRENT ACTION.

The following is a copy of letter addressed by Mayor Mansfield to City Council on March 30:

Boston, March 30, 1936.

To the City Council.

GENTLEMEN,—There is now pending before your Honorable Body and under consideration by the Committee on Municipal Lighting two proposed contracts for street lighting in Boston. Under the terms of these contracts, had they been approved last year when they were disapproved by your Honorable Body, Boston would have saved approximately \$25,000 a year for the ensuing five years, represented by a reduction under present prices. When the contract failed of approval it became necessary for the city to enter into provisional month-to-month contracts under the old rates. This resulted as stated above in a loss of about \$25,000 for the year 1935.

The Boston Consolidated Gas Company, however, is willing to give a discount to the city of about \$13,000 of the sum paid for lighting in 1935 and, if the contracts are approved by your Honorable Body today, to execute new contracts for the next five years at the same reduced figure, which would result in a saving to the city of about \$25,000 a year for each of the next five years. Failure to execute

the contracts will result in a corresponding loss of the same amount for that period of time, plus the loss of the discount of about \$13,000 which the company now offers to give to the city. Furthermore, if the contracts are not approved by your Honorable Body and the Mayor and signed now, it will be necessary again to enter into provisional monthly contracts at the old rate, or possibly at higher rates because of the brevity of the provisional contracts and the uncertainty of their duration.

The Boston Consolidated Gas Company, while willing to agree to a further extension of time, has informed me that the Welsbach Company, a necessary subcontractor, will not consent to a further extension, and that if these contracts are not approved and signed before April 1, 1936 (to which date a further extension had been made from March 16), the proposed contracts at the reduced price will be withdrawn.

Under these circumstances I most earnestly urge upon your Honorable Body the importance and necessity of immediate action to the end that this proposed saving of practically \$138,000 may be preserved to the city.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

DEPARTMENT OF SCHOOL BUILDINGS.

Advertises for proposals for alterations in the Damon School. Surety bond will be required in a sum equivalent to the full amount of the contract price. DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 2:

ASSESSING DEPARTMENT.

The employment of Paul M. Finan as provisional temporary first assistant assessor has been continued for an additional three months' period, effective April 3, at 1,700 a year.

ELECTION DEPARTMENT.

Leave of absence, without pay, of Henry S. Dunn, assistant, has been continued for a period of eleven months, beginning March 1.

INSTITUTIONS DEPARTMENT.

The following changes were made in the personnel for the week ending Thursday, March 26:

Long Island Hospital.

Appointments: Alexander J. MacNeil, institution employee, cook, \$600 a year, to succeed John Crandell; Ruth H.

Head, staff nurse, \$960 a year, temporary; Florence Laspasio, staff nurse, \$960 a year, temporary; Mark F. Dalton, institution employee, attendant, \$600 a year, temporary; Catherine M. Clark, staff nurse, \$960 a year, temporary; Ralph H. Crowell, institution employee, helper in carpenter shop, \$600 a year, temporary; Beatrice Foulis, institution employee, waitress, \$316 a year, temporary; Cecelia Balduc, institution employee, waitress, \$316 a year, temporary; Florence J. MacDonald, staff nurse, \$960 a year, temporary; Robert J. Driscoll, institution employee, helper in kitchen, \$526 a year, to succeed Edward Ronca.

Transfers: Grace Priola, institution employee, housemaid, \$500 a year, from waitress at \$316 a year; Evelyn R. Porter, institution employee, attendant, \$600 a year, from waitress at \$316 a year.

Course Completed: Ruth H. Head, Kathleen E. Crossen, Catherine M. Clark, student nurses, \$600 a year.

Resignations: Josephine Brennan, institution employee, laundress, \$600 a year; Timothy B. Hannon, institution employee, watchman, \$800 a year; Marguerite A. Molineaux, institution employee, housemaid, \$500 a year; Edward L. Ronca, institution employee, helper in kitchen, \$526 a year; Ernest A. Boston, institution employee, cook, \$600 a year; Anna R. Murphy, staff nurse, \$960 a year.

OVERSEERS OF THE PUBLIC WELFARE.

Approval has been given for the continued temporary employment of the following persons as stenographers, for a period of three months, at \$900 a year:

Cecelia E. Batchelder, Marie J. Bertsch, Frances V. Clarke, Lillian I. Coulton, Camilla C. Gibbons, Mary B. McGowan, Frances J. Montello, Marguerite Rooney, Esther Taranto, Rose G. Waters.

Approval has been given for the continued temporary employment of the following persons as assistant paymasters, for a period of one month from April 6, at \$1,500 a year:

John V. Condon, Samuel Elman, Maurice Gertlin, Morris Katz.

PUBLIC WORKS DEPARTMENT.

Permission has been given to designate Joshua Atwood, Division Engineer of the Highway Division, as Deputy Commissioner of Public Works, during the period from April 1, 1936, to June 30, 1936, both dates included.

PUBLIC WORKS DEPARTMENT (Bridge Service).

Approval has been given to promote Joseph B. Shea from the position of assistant drawtender at \$1,700 a year to first assistant drawtender at \$1,800 a year, to take effect on March 20, 1936. Mr. Shea will fill a permanent vacancy in place of Bernard J. Hagerty, who was promoted to first assistant on February 7, 1936, but later declined.

PUBLIC WORKS DEPARTMENT (Paving Service).

Approval has been given to appoint Myers Rosenberg as constable at \$1,600 a year in Paving Permit Office, in the vacancy caused by the death of John L. Gleason and to take effect March 27, 1936.

Approval has been given to employ three temporary steam roller engineers in the

Paving Service at \$41.50 a week (union scale) for three months.

PUBLIC WORKS DEPARTMENT (Sanitary Service).

Approval has been given to continue the temporary employment of John O'Neill as wheelwright-carpenter at \$6 a day, for three months from April 3.

PUBLIC WORKS DEPARTMENT (Sewer Service).

Approval has been given to transfer James E. St. George from the Boston City Hospital to the Sewer Division as laborer at \$5 a day, to fill a permanent vacancy and to take effect on April 6, 1936.

PUBLIC WORKS DEPARTMENT (Water Income Division).

The Boston Retirement Board has ordered the retirement of John C. McDonough, inspector and estimator at \$2,300 a year in the Water Income Division, to take effect at the close of work on March 31, 1936. His continued employment for an additional period of thirty days from April 1 is necessary to clean up odds and ends of his work and to instruct his successor and has been approved.

Approval has been given to continue the temporary employment of Herman A. Tigges as water meter reader at \$1,700 a year, for three months from April 4, in Water Income Division.

SOLDIERS' RELIEF DEPARTMENT.

Permission has been given to extend the temporary employment of William J. Murphy in the capacity of visitor at \$1,700 a year, for a period of three months beginning Saturday, March 28.

DAMAGES ASSESSED.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That in the matter of Jane Cassell, petitioner for damages occasioned her estate by the laying out and construction of Public Alley No. 808, after consultation with the Law Department, and on its advice, the Board assess the petitioner's damages in the sum of one hundred (100) dollars; and consents that the Corporation Counsel agree to judgment in said case on the terms herein stated.

AMENDED DAMAGES.

The Mayor has approved the following vote of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of November 4, 1935, determining damages caused by the making of the public improvement, consisting of the laying out and construction of Central street, West Roxbury, be, and the same hereby is, amended, by striking from said order the amount \$1 awarded to Boston and Providence Railroad Corporation in said order and inserting in place thereof the amount \$310.56 to the New York, New Haven and Hartford Railroad Company; that the amount \$310.56 be, and the same hereby is, awarded to the New York, New Haven and Hartford Railroad Company, for the damages so sustained.

FIRE DEPARTMENT ORDERS.

General Order No. 21.

I. JOSEPH J. FLYNN.

It is with deep regret that the Fire Commissioner announces the death, on March 26, 1936, of Joseph J. Flynn of Engine Company 41. Hoseman Flynn was appointed to this department on June 14, 1918.

The funeral was held from the home of his mother, No. 15 St. William street, Dorchester, at 8 a. m., March 30, 1936, followed by services at St. Columbkille's Church, Market street, Brighton, at 9 a. m.

The chief of department made the customary detail and the members of Engine Company 41 were excused from duty in order to attend the funeral.

II. CHANGES IN ASSIGNMENT CARDS.

Because of changes in street names the following changes should be made in assignment cards in the department:

The designation of location of Box 2538 should be changed from Canterbury and Berry streets, to Canterbury street and Mt. Calvary road.

The designation of location of Box 3586 should be changed from Greenfield and Ridge roads to Greenfield and Ridlon roads.

No new assignment cards will be issued for these boxes. Company commanders will make the necessary corrections in a neat and legible manner.

III. NEW BOX CIRCUIT.

A new box circuit, No. 89, has been made, into which the following boxes have been connected:

12-6117 out of 29 circuit.
6131 out of 29 circuit.
6134 out of 29 circuit.
6136 out of 29 circuit.
6139 out of 29 circuit.
12-6151 out of 28 circuit.
6154 out of 28 circuit.
6157 out of 28 circuit.
6162 out of 6 circuit.
6172 out of 6 circuit.
6177 out of 6 circuit.
12-6184 out of 29 circuit.
6186 out of 48 circuit.
6195 out of 6 circuit.
6211 out of 48 circuit.
12-6212 out of 48 circuit.
6215 out of 6 circuit.
6219 out of 6 circuit.

IV. A. D. T. ASSIGNMENT.

The following signal number of the A. D. T. Company will be added to the running cards of that company in this department:

Signal 461—Harrington King & Co., 79 and 81 Commercial street, Boston. Apparatus to respond: Engine 8, Ladder 1, Chief of District 4. Nearest box is No. 1251.

V. CHANGE OF STREET NAME.

Notice has been received that Ridge road, Hyde Park, from 107 Blake street to 645 Cummins Highway, has been changed to Ridlon road.

VI. COMMENDATIONS.

The Fire Commissioner is in receipt of a letter from Mr. Andrew B. Sides, president of John G. Hall & Co., Incorporated, which he is pleased to publish herewith for the information of the department:

March 19, 1936.

COMMISSIONER EDWARD F. McLAUGHLIN,
Boston Fire Department, 60 Bristol Street, Boston, Mass.

DEAR SIR,—On behalf of the Hamburg-American Line-North German Lloyd, for which companies we act as agents in Boston, we wish to express our appreciation and admiration for the fine work done by the Boston Fire Department in connection with the recent fire on the steamship "Chemnitz."

The use of CO-2 I assume was rather a new experiment in fighting a fire of such magnitude and while no evidence of impatience was shown by the officers fighting the fire it hardly seems but natural that their inclination would be to combat the flames with all the forces at their command, and their forbearance and complete cooperation with all concerned is, highly commended by the master of the vessel and the shore executives of the Hamburg-American Line-North German Lloyd.

The handling of this fire is only another outstanding example of the efficiency, discipline and consideration for property owners which is always demonstrated by the Boston Fire Department.

You have on behalf of our principals our compliments and appreciation and we would appreciate it if you would also extend our compliments and appreciation to Chief Fox, Deputy Chiefs Stickel, Kenney, Pope, Tague and Aylward, and to all the others.

With sincerest regards, we are,

Yours very truly,

JOHN G. HALL & Co., INCORPORATED,
ANDREW B. SIDES,
President.

The Fire Commissioner is in receipt of the following letter from Baron K. von Tippleskirch, German Consul-General, which he is pleased to publish for the information of the department:

DEUTSCHES KONSULAT,
BOSTON, MASS.,

March 20, 1936.

COMMISSIONER EDWARD F. McLAUGHLIN,
Boston Fire Department, 60 Bristol Street, Boston, Mass.

DEAR SIR,—Before leaving Boston Capt. John Meller of the German steamship "Chemnitz" asked me to convey to you the expression of his gratitude for all the assistance and consideration extended to him by the forces under your command in combating the recent fire on board his ship.

In performing this pleasant task I would like to add the appreciation of this Consulate for your efficient cooperation.

Very truly yours,

K. VON TIPPESKIRCH,
German Consul-General.

Hoseman Michael T. Barrett of Headquarters is hereby commended for responding to and working at fire, Box 3263, March 13, 1936, while off duty.

Ladderman John F. Doherty of Ladder Company 18 is hereby commended for responding to and working at fire, Box 711, March 22, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

HENRY A. FOX,
Chief of Department.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

Upon March 27 permission was approved by the Mayor to award a contract to lowest bidders as indicated for screened bank gravel and sand for the Public Works Department, as required, during 1936, with the exception of sand for the Highway Division in City Proper, West Roxbury, and Hyde Park districts. In the three districts named, the total difference in bids on sand between the lowest bidders, who do not pay taxes in Boston, and the second lowest bidder, who does pay taxes in Boston, is \$43.56, \$5.85 and \$15.96, respectively. Therefore permission was given to award these three districts on sand to the George H. Noone Sand and Gravel Company, the second lowest bidder. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened January 29, were as follows:

Approximate Totals of Awards.—George H. Noone Sand and Gravel Company, sand, South Boston, Highway Division, 2,300 tons at 64 cents, \$1,472; sand, West Roxbury, Highway Division, 1,300 tons at 53 cents, \$689; sand, Dorchester and Ashmont, Highway Division, 1,500 tons at 64 cents, \$960; sand, City Proper, Highway Division, 3,300 tons at 64 cents, \$2,112; sand, Hyde Park, Highway Division, 300 tons at 56 cents, \$168; sand, Ward street, Sanitary Division, 1,200 tons at 58 cents, \$696—\$6,097; gravel, South Boston, Highway Division, 50 tons at 54 cents, \$27; gravel, East Boston, Highway Division, 50 tons at 83 cents, \$41.50; gravel, West Roxbury, Highway Division, 50 tons at 49 cents, \$24.50; gravel, Dorchester and Ashmont, Highway Division, 100 tons at 54 cents, \$54; gravel, Roxbury, Highway Division, 50 tons at 52 cents, \$26; gravel, City Proper, Highway Division, 100 tons at 54 cents, \$54; gravel, Hyde Park, Highway Division, 50 tons at 56 cents, \$28—\$255; total, \$6,352. Reynolds Sons Company, 46½ cents; Rower Dental Supply Company, 67 cents; Stratford Cookson; Garfield Dental Supply Company, Incorporated, 80 cents, Noval; J. J. Crimmings Company, 65 cents, 15 per cent.

Item 21, 1 Quart Eugenol, Per Quart.—John Hood Company, \$7.87 lot; S. S. White Dental Manufacturing Company, \$5 lot*; S. H. Reynolds Sons Company, \$5.95; Rower Dental Supply Company, \$6.28; Garfield Dental Supply Company, Incorporated, \$16; J. J. Crimmings Company, \$7.75, 15 per cent.

Item 22, 25 Packages Gauze (Cut 6 by 6 Inches, 100 to Package), Lewis Manufacturing Company, Per Package.—John Hood Company, \$11.68 lot; S. S. White Dental Manufacturing Company, \$5.25 lot*; S. H. Reynolds Sons Company, 29½ cents; Rower Dental Supply Company, 55 cents, J. & J.; Garfield Dental Supply Company, Incorporated, \$37.50 lot; Johnson & Johnson, 55 cents, 6 by 6, No. 2, J. & J. Nufold; J. J. Crimmings Company, 26 cents, 15 per cent.

Item 23, 6 Dozen Mandrels No. 303 for No. 7 Handpiece, Per Dozen.—John Hood Company, \$5.10 lot; S. S. White Dental Manufacturing Company, \$2.55 lot*; S. H. Reynolds Sons Company, 51 cents; Rower Dental Supply Company, 60 cents; Garfield Dental Supply Company, Incorporated, 60 cents; J. J. Crimmings Company, 55 cents, 15 per cent.

Item 24, 25 Pounds Mercury, Per Pound.—John Hood Company, \$45.68 lot; S. S. White Dental Manufacturing Company, \$27 lot*; S. H. Reynolds Sons

Company, \$1.70; Rower Dental Supply Company, \$2; Garfield Dental Supply Company, Incorporated, \$2; J. J. Crimmings Company, \$2, 15 per cent.

Item 25, 12 Dozen Matrix Bands (6 Dozen No. 1 and 6 Dozen No. 8), Per Dozen.—John Hood Company, \$3.57 lot; S. S. White Dental Manufacturing Company, \$3.10 lot*; S. H. Reynolds Sons Company, 29½ cents; Rower Dental Supply Company, 20 cents, No. 1; 30 cents, No. 8; Garfield Dental Supply Company, Incorporated, 30 cents; J. J. Crimmings Company, \$3 lot, 15 per cent.

Item 26, 12 Boxes Polishing Strips (Fine), Cuttle, Per Box.—John Hood Company, \$4.25 lot; S. S. White Dental Manufacturing Company, \$3.40 lot*; S. H. Reynolds Company, \$3.40 lot; Rower Dental Supply Company, 40 cents; Garfield Dental Supply Company, Incorporated, \$4.25 lot; J. J. Crimmings Company, \$4 lot, 15 per cent.

Item 27, 12 Boxes Carborundum Strips (Medium), Cuttle, Per Box.—John Hood Company, \$4.25 lot; S. S. White Dental Manufacturing Company, \$3.40 lot*; S. H. Reynolds Company, \$3.40 lot; Rower Dental Supply Company, 40 cents; Garfield Dental Supply Company, Incorporated, \$4.25 lot; J. J. Crimmings Company, \$4 lot, 15 per cent.

Item 28, 12 Boxes Sandpaper Discs, S. S. White Manufacturing Company (525 Assorted), Per Box.—John Hood Company, \$9.87 lot; S. S. White Dental Manufacturing Company, \$7.14 lot*; S. H. Reynolds Company, 71 cents; Rower Dental Supply Company, 40 cents, Crescent Dental; Garfield Dental Supply Company, Incorporated, 60 cents, Moyer; J. J. Crimmings Company, 70 cents, 15 per cent.

Item 29, 12 1-Pound Packages Bicarbonate of Soda, Per Package.—John Hood Company, \$1.32 lot; S. S. White Dental Manufacturing Company, \$1.10 lot*; S. H. Reynolds Company, 10 cents; Rower Dental Supply Company, 30 cents; Garfield Dental Supply Company, Incorporated, 87 cents lot; J. J. Crimmings Company, \$1.50 lot, 15 per cent.

Item 30, 20 Pounds Silox, Per Pound.—John Hood Company, \$1.44 lot; S. S. White Dental Manufacturing Company, 90 cents lot*; S. H. Reynolds Company, 7 cents; Rower Dental Supply Company, 20 cents; Garfield Dental Supply Company, Incorporated, \$3.40 lot; J. J. Crimmings Company, 10 cents, 15 per cent.

Item 31, 20 Pounds Oxide of Zinc (Formula Zno Agno), Per Pound.—John Hood Company, \$20 lot; S. S. White Dental Manufacturing Company, \$6.60 lot*; S. H. Reynolds Sons Company, 15 cents; Rower Dental Supply Company, 35 cents; Garfield Dental Supply Company, Incorporated, \$12 lot, less 10 per cent; J. J. Crimmings Company, 30 cents, 15 per cent.

Item 32, 12 Bottles Adrenalin (1 Ounce Each), Per Bottle.—John Hood Company, \$10.20 lot; S. S. White Dental Manufacturing Company, \$10.20 lot*; S. H. Reynolds Sons Company, \$1.14½; Rower Dental Supply Company, \$1.30; Garfield Dental Supply Company, Incorporated, \$15 lot; J. J. Crimmings Company, \$1.15, 15 per cent.

Item 33, 100 Boxes Novacaine (100 Capsules to Box), No. 336 Cook's, Per Box.—John Hood Company, \$5.63 lot; S. S. White Dental Manufacturing Company, \$5.63 lot*; S. H. Reynolds Sons Company, \$5.63; Rower Dental Supply Company, \$5.63, Noval Novacaine; Garfield Dental Supply Company,

Incorporated, \$7, 20 per cent; J. J. Crimmings Company, \$7.50 less 25 per cent.

Item 34, 12 of Each, Powder and Liquid, Kryptex No. 9, Each.—John Hood Company, \$25.33 lot; S. S. White Dental Manufacturing Company, \$25.09 lot*; S. H. Reynolds Sons Company, \$2.12; Rower Dental Supply Company, \$2.50; Garfield Dental Supply Company, Incorporated, \$3; J. J. Crimmings Company, \$28.52 lot, 15 per cent.

Item 35, 12 Chip Blowers, S. S. White No. 23, Each.—John Hood Company, \$9.18 lot; S. S. White Dental Manufacturing Company, \$9.18 lot*; S. H. Reynolds Sons Company, 76 cents; Rower Dental Supply Company, 70 cents, Crescent Dental; Garfield Dental Supply Company, Incorporated, \$9.60 lot, 10 per cent; J. J. Crimmings Company, 90 cents less 15 per cent.

Item 36, 12 Water Syringes (Moffort, Red Bulb), Each.—John Hood Company, \$10.20 lot; S. S. White Dental Manufacturing Company, \$8.80 lot*; S. H. Reynolds Sons Company, 64 cents; Rower Dental Supply Company, 75 cents; Garfield Dental Supply Company, Incorporated, \$12 lot, 10 per cent; J. J. Crimmings Company, \$1.40 lot, 15 per cent.

Item 37, 12 Mercury Holders No. 3, Each.—John Hood Company, \$7.65 lot; S. S. White Dental Manufacturing Company, \$10.20 lot*; S. H. Reynolds Sons Company, 51 cents; Rower Dental Supply Company, 75 cents; Garfield Dental Supply Company, Incorporated, 50 cents; J. J. Crimmings Company, 40 cents less 15 per cent.

Item 38, 12 Cotton Pellet Holders (Richmond Beehive), Each.—John Hood Company, \$20.40 lot; S. S. White Dental Manufacturing Company, \$20.40 lot*; S. H. Reynolds Sons Company, \$1.70; Rower Dental Supply Company, \$1.75; Garfield Dental Supply Company, Incorporated, \$30 lot, 10 per cent; J. J. Crimmings Company, \$2 less 15 per cent.

Item 39, 12 Amalgam Carriers for Placing Amalgam, All Metal Cleve-Dent, Each.—John Hood Company, \$15.30 lot; S. S. White Dental Manufacturing Company, \$15.30 lot*; S. H. Reynolds Sons Company, \$1.27; Rower Dental Supply Company, \$1.25, Arrow Supply; Garfield Dental Supply Company, Incorporated, \$18 lot, 10 per cent, Arrow; J. J. Crimmings Company, \$1.50 less 15 per cent.

Item 40, 12 Matrix Retainers No. 8 Ivory, Each.—John Hood Company, \$51 lot; S. S. White Dental Manufacturing Company, \$51 lot*; S. H. Reynolds Sons Company, \$4.25; Rower Dental Supply Company, \$3.25, Crescent, New Ivory Style; Garfield Dental Supply Company, Incorporated, \$5, 10 per cent; J. J. Crimmings Company, \$5 less 15 per cent.

Item 41, 12 Bottles Engine Oil (1 Ounce Each), S. S. White, Per Bottle.—John Hood Company, \$2.55 lot; S. S. White Dental Manufacturing Company, \$2.55 lot*; S. H. Reynolds Sons Company, 21 cents; Rower Dental Supply Company, 20 cents, Crescent; Garfield Dental Supply Company, \$3 lot, 15 per cent; J. J. Crimmings Company, 25 cents less 15 per cent.

Total Amount of Bid.—John Hood Company, \$1,504.33; S. S. White Dental Manufacturing Company, \$1,272.22*; S. H. Reynolds Sons Company, \$1,459.95; Rower Dental Supply Company, \$1,520.78; Garfield Dental Supply Company, \$1,690.10; Johnson & Johnson, \$40.62; bid on Items 17, 18, 19 and 22 only; J. J. Crimmings Company, \$1,423.

Cash Discount, Ten Days.—John Hood Company, 2 per cent; S. S. White Dental

Manufacturing Company, 2 per cent; S. H. Reynolds Sons Company, 2 per cent; Rower Dental Supply Company, 2 per cent; Garfield Dental Supply Company, 2 per cent; Johnson & Johnson, 2 per cent; J. J. Crimmings Company, 2 per cent.

* Contract awarded.

Upon March 27 permission to award contracts to lowest bidders as indicated was given by the Mayor for engine, machine and cylinder oils for the various city departments, as required, during 1936. The approximate totals of awards were as follows:

Colonial Beacon Oil Company, Incorporated, \$1,576.30; Cities Service Refining Company, \$880; Tide Water Oil Company, \$712.25; Gulf Oil Corporation of Pennsylvania, \$300.50; Sinclair Refining Company, \$46; Standard Oil Company of New York, \$23. Total, \$3,538.05.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened February 5, were as follows:

Approximate Amounts on All Items.

48 Barrels Cylinder Oil, Specification 1, 2,400 Gallons, Per Gallon.—Pennsylvania Oil Company, 43 cents; The Texas Company, 35 cents; Sinclair Refining Company, 29 cents; Shell Eastern Petroleum Products, Incorporated, 36 cents; Gulf Oil Corporation of Pennsylvania, 30 cents; Senate Cylinder Oil A; Colonial Beacon Oil Company, Incorporated, 28 cents; Lincoln Oil Company, 36 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 28 cents,* Tycol CB; Standard Oil Company of New York, Incorporated, 29 cents, No. 628; Cities Service Refining Company, 36 cents.

21 Barrels Cylinder Oil, Specification 2, 1,050 Gallons, Per Gallon.—Pennsylvania Oil Company, 45.5 cents; The Texas Company, 35 cents; Sinclair Refining Company, 31.5 cents; Shell Eastern Petroleum Products, Incorporated, 36 cents; Gulf Oil Corporation of Pennsylvania, 32 cents; Senate Cylinder Oil B; Colonial Beacon Oil Company, Incorporated, 30 cents*; Lincoln Oil Company, 37.5 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 35 cents; Tycol CB Special; Standard Oil Company of New York, Incorporated, 32 cents, No. 625; Cities Service Refining Company, 39 cents.

17 Barrels Cylinder Oil, Specification 3, 850 Gallons, Per Gallon.—Pennsylvania Oil Company, 43.5 cents; The Texas Company, 40 cents; Sinclair Refining Company, 33 cents; Shell Eastern Petroleum Products, Incorporated, 40 cents; Gulf Oil Corporation of Pennsylvania, 38 cents; Acorn Cylinder Oil B; Colonial Beacon Oil Company, Incorporated, 30 cents; Lincoln Oil Company, 35 cents; Atlas Petroleum Company, Incorporated, 40 cents; Tide Water Oil Company, 42 cents; Tycol CB Valve; Standard Oil Company of New York, Incorporated, 35 cents, No. 637; Cities Service Refining Company, 30 cents.*

10 Barrels Engine Oil, Specification 4, 500 Gallons, Per Gallon.—The Texas Company, 39 cents; Sinclair Refining Company, 28 cents; Shell Eastern Petroleum Products, Incorporated, 41 cents; Gulf Oil Corporation of Pennsylvania, 35 cents; Harmony Oil D; Colonial Beacon Oil Company, Incorporated, 31 cents; Lincoln Oil Company, 35 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 35 cents,

Tycol 310; Standard Oil Company of New York, Incorporated, 37.8 cents, Etna Heavy; Cities Service Refining Company, 21 cents.*

124 Barrels Engine Oil, Specification 5, 6,200 Gallons, Per Gallon.—Pennsylvania Oil Company, 24.5 cents; The Texas Company, 15 cents; Sinclair Refining Company, 20 cents; Shell Eastern Petroleum Products, Incorporated, 22 cents; Gulf Oil Corporation of Pennsylvania, 20 cents; Legion Oil D; Colonial Beacon Oil Company, Incorporated, 16.4 cents*; Lincoln Oil Company, 27 cents; Atlas Petroleum Company, Incorporated, 23 cents; Tide Water Oil Company, 16.7 cents; Tycol Polar Engine; Standard Oil Company of New York, Incorporated, 18 cents, No. 250 Engine; Cities Service Refining Company, 21 cents.

40 Barrels Engine Oil, Specification 6, 2,000 Gallons, Per Gallon.—Pennsylvania Oil Company, 29 cents; The Texas Company, 34 cents; Sinclair Refining Company, 27 cents; Shell Eastern Petroleum Products, Incorporated, 41 cents; Gulf Oil Corporation of Pennsylvania, 33 cents; Harmony Oil C; Colonial Beacon Oil Company, Incorporated, 27.5 cents; Lincoln Oil Company, 27 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 35 cents; Tycol Heavy Medium; Standard Oil Company of New York, Incorporated, 36.9 cents, Etna Heavy Medium; Cities Service Refining Company, 26 cents.*

3 Barrels Machine Oil, Specification 7, 150 Gallons, Per Gallon.—The Texas Company, 15 cents; Sinclair Refining Company, 18.5 cents; Shell Eastern Petroleum Products, Incorporated, 19 cents; Gulf Oil Corporation of Pennsylvania, 18 cents; Legion Oil C; Colonial Beacon Oil Company, Incorporated, 16 cents; Lincoln Oil Company, 27 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 15.7 cents,* Tycol 1143; Standard Oil Company of New York, Incorporated, 16.5 cents, No. 255; Cities Service Refining Company, 21 cents.

Three Barrels Turbine Oil, Specification 8, 150 Gallons, Per Gallon.—The Texas Company, 30 cents; Sinclair Refining Company, 31 cents; Shell Eastern Petroleum Products, Incorporated, 39 cents; Gulf Oil Corporation of Pennsylvania, 19 cents,* Security Oil A; Colonial Beacon Oil Company, Incorporated, 23 cents; Lincoln Oil Company, 38 cents; Atlas Petroleum Company, Incorporated, 68 cents; Tide Water Oil Company, 35 cents; Tycol Turbine Oil, light; Standard Oil Company of New York, Incorporated, 27 cents, No. 251; Cities Service Refining Company, 59 cents.

17 Barrels Engine Oil, Specification 9, 850 Gallons, Per Gallon.—The Texas Company, 32 cents; Sinclair Refining Company, 34.5 cents; Shell Eastern Petroleum Products, Incorporated, 50 cents; Gulf Oil Corporation of Pennsylvania, 32 cents,* Marine Engine Oil; Colonial Beacon Oil Company, Incorporated, 34 cents; Lincoln Oil Company, 48 cents; Atlas Petroleum Company, Incorporated, 58 cents; Tide Water Oil Company, 33 cents; Tycol A Marine; Standard Oil Company of New York, Incorporated, 45.9 cents, Voco Marine No. 1; Cities Service Refining Company, 36 cents.

2 Barrels Cylinder Oil, Specification 10, 100 Gallons, Per Gallon.—The Texas Company, 28 cents; Sinclair Refining Company, 23 cents; Shell Eastern Petroleum Products, Incorporated, 36 cents; Gulf Oil Corporation of Pennsylvania, 27 cents; Majestic Oil B; Colonial Beacon Oil Company, Incorporated, 25.5 cents;

Lincoln Oil Company, 41 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 26 cents; Tycol EHF; Standard Oil Company of New York, Incorporated, 23 cents,* No. 619, 2 per cent; Cities Service Refining Company, 42 cents.

2 Barrels Engine Oil, Specification 11, 100 Gallons, Per Gallon.—The Texas Company, 16 cents; Sinclair Refining Company, 32.5 cents; Shell Eastern Petroleum Products, Incorporated, 21 cents; Gulf Oil Corporation of Pennsylvania, 17 cents; Legion Oil B; Colonial Beacon Oil Company, Incorporated, 16.4 cents*; Lincoln Oil Company, 28 cents; Atlas Petroleum Company, Incorporated, 30 cents; Tide Water Oil Company, 16.7 cents; Tycol Polar Engine; Standard Oil Company of New York, Incorporated, 20 cents, No. 121; Cities Service Refining Company, 40 cents.

2 Barrels Engine Oil, Specification 12, 100 Gallons, Per Gallon.—The Texas Company, 28 cents; Sinclair Refining Company, 32.5 cents; Shell Eastern Petroleum Products, Incorporated, 38 cents; Gulf Oil Corporation of Pennsylvania, 24 cents; Security Oil D; Colonial Beacon Oil Company, Incorporated, 32 cents; Lincoln Oil Company, 31 cents; Atlas Petroleum Company, Incorporated, 35 cents; Tide Water Oil Company, 16.7 cents,* Tycol Polar Engine; Standard Oil Company of New York, Incorporated, 51.3 cents, D. T. E. heavy; Cities Service Refining Company, 42 cents.

4 Barrels Cylinder Oil, Specification 14, 200 Gallons, Per Gallon.—The Texas Company, 25 cents; Sinclair Refining Company, 23 cents*; Shell Eastern Petroleum Products, Incorporated, 45 cents; Gulf Oil Corporation of Pennsylvania, 23.5 cents; Majestic Oil A; Colonial Beacon Oil Company, Incorporated, 25 cents; Lincoln Oil Company, 37 cents; Atlas Petroleum Company, Incorporated, 38 cents; Tide Water Oil Company, 25 cents; Tycol 406; Standard Oil Company of New York, Incorporated, 29 cents, No. 628; Cities Service Refining Company, 42 cents.

6 Barrels Machine Oil, Specification 15, 300 Gallons, Per Gallon.—The Texas Company, 15 cents; Sinclair Refining Company, 19 cents; Shell Eastern Petroleum Products, Incorporated, 19 cents; Gulf Oil Corporation of Pennsylvania, 20 cents; Legion Oil D; Colonial Beacon Oil Company, Incorporated, 16.4 cents*; Lincoln Oil Company, 28 cents; Atlas Petroleum Company, Incorporated, 38 cents; Tide Water Oil Company, 16.7 cents; Tycol Polar Engine; Standard Oil Company of New York, Incorporated, 18 cents, No. 258; Cities Service Refining Company, 21 cents.

2 Barrels Engine Oil, Specification 16, 100 Gallons, Per Gallon.—The Texas Company, 16 cents; Sinclair Refining Company, 18 cents; Shell Eastern Petroleum Products, Incorporated, 14 cents; Gulf Oil Corporation of Philadelphia, 20 cents,

Legion Oil D; Colonial Beacon Oil Company, Incorporated, 14.9 cents*; Lincoln Oil Company, 24 cents; Atlas Petroleum Company, Incorporated, 38 cents; Tide Water Oil Company, 16.7 cents; Tycol Polar Engine; Standard Oil Company of New York, Incorporated, 20 cents, No. 121; Cities Service Refining Company, 40 cents.

Cash Discount, Ten Days.—Pennsylvania Oil Company, 2 per cent; The Texas Company, 1 per cent, Texas Company specifications; Sinclair Refining Company, 1 per cent; Shell Eastern Petroleum Products, Incorporated, 1 per cent, prices exclusive of taxes, Shell specifications; Gulf Oil Corporation of Pennsylvania, 1 per cent; Colonial Beacon Oil Company, Incorporated, 1 per cent; Lincoln Oil Company, 1 per cent, prices include drum non-returnable, prices do not include Federal tax, see changes in specifications; Atlas Petroleum Company, Incorporated, 1 per cent; Tide Water Oil Company, 1 per cent; Standard Oil Company of New York, Incorporated, 2 per cent; Cities Service Refining Company, 1 per cent, prices exclusive of taxes.

* Contract awarded.

Upon March 30 permission was approved by the Mayor to award a contract to the Nathan Manufacturing Company for composition castings for the Water Division. A letter from the Commissioner of Public Works states that the lowest bidder is a jobber and does not operate a foundry; while the Nathan Manufacturing Company, the second lowest bidder, operates a large first-class brass foundry, and has had the contract in past years, and is thoroughly equipped for this class of work. For these reasons, and because there is only a total difference of \$50 between the lowest bid and the second lowest bid, the Commissioner of Public Works recommended that this contract be awarded to the Nathan Manufacturing Company, the second lowest bidder. The approximate amount of the contract was \$9,380. Bids, opened March 24, were as follows:

20,000 Pounds Composition Castings, No. 1, Per Pound.—Rochester Brass Corporation, 21.6 cents; Mechanics Iron Foundry Company, 23 cents; Kitson Company, 27.3 cents; Nathan Manufacturing Company, 20.5 cents; The Walthaw Corporation, 20 cents.

25,000 Pounds Composition Castings, No. 2, Per Pound.—Rochester Brass Corporation, 19.5 cents; Mechanics Iron Foundry Company, 21 cents; Kitson Company, 26.1 cents; Nathan Manufacturing Company, 18 cents; The Walthaw Corporation, 17 cents.

4,000 Pounds Composition Castings, No. 3, Per Pound.—Rochester Brass Corporation, 17.6 cents; Mechanics Iron Foundry Company, 26 cents; Kitson Company, 21.9 cents; Nathan Manufacturing Company, 19.5 cents; The Walthaw Corporation, 27 cents.

Total.—Rochester Brass Corporation, \$9,899; Mechanics Iron Foundry Company, \$10,890; Kitson Company, \$12,861; Nathan Manufacturing Company, \$9,380; The Walthaw Corporation, \$9,330.

Upon March 30 permission was approved by the Mayor to award a contract to Arthur D. Little, Incorporated, for fuel sampling, testing and engineering service for the Supply Department for a year commencing April 1, 1936. It was impossible to state definitely the number of samples that would be tested during the

year, therefore, approximate estimates were furnished the bidders to quote upon, and a total bid covering these samples and all service for the year requested. The following bids were received on March 16, 1936, and were opened and read in the presence of the Superintendent of Supplies and the bidders:

Arthur D. Little, Incorporated, \$5,460; Perry Barker Engineering Company, \$5,700.

Upon March 31 permission was given by the Mayor to award contracts with lowest bidders for furnishing surgical dressings to the various city departments, as required, during 1936. Five of the low bidders guaranteed their prices for six months only, while the other three low bidders quoted their prices for the year. Therefore permission was given to award the items to the lowest bidders for the periods for which prices are guaranteed, namely, six months or for the year. In the cases where the items will be awarded for the six months' period, the estimated quantities on these items in the proposal will be reduced to one half the original amounts. The approximate totals of awards, and the periods for which the contracts were made were as follows:

For the year, Stimpson & Co., Incorporated, \$2,852; Sparrow-Chisolm Company, \$1,938.27; George L. Dodd, \$780.

For six months, Lewis Manufacturing Company, Division of The Kendall Company, \$16,297.56; E. F. Mahady Company, \$3,281.87; Surgeons & Physicians' Supply Company, \$2,972.50; Thomas W. Reed Company, \$1,634.22; McKesson & Robbins, Incorporated, \$13.63.

Total, \$29,770.05.

Privilege of purchasing on same terms and conditions extended to February 1, 1937.

Bids, opened February 14, were as follows:

Approximate Amounts on All Items.

4,850 Rolls Adhesive Plaster, 12 Inches by 5 Yards, U. S. P., Per Roll.—Lewis Manufacturing Company, Division of The Kendall Company, 67 cents; Johnson & Johnson, 67 cents; The Good Drug Company, Incorporated, 67 cents; Seabury, Incorporated, 67 cents; McKesson & Robbins, Incorporated, 67 cents; Charles W. Broadbent Company, 67 cents; Thomas W. Reed Company, 67 cents; E. F. Mahady Company, 66 cents*; Surgeons & Physicians' Supply Company, 67 cents.

28 Rolls Adhesive Plaster, 2 Inches by 10 Yards, Per Roll.—Johnson & Johnson, 32.4 cents; The Good Drug Company, Incorporated, 32.4 cents; Seabury, Incorporated, 32.04 cents; McKesson & Robbins, Incorporated, 32.4 cents; Charles W. Broadbent Company, 32.4 cents; Thomas W. Reed Company, 32.4 cents; E. F. Mahady Company, 29 cents*; Surgeons & Physicians' Supply Company, 32.4 cents.

100 Rolls Adhesive Plaster, 3 Inches by 5 Yards, Per Roll.—Johnson & Johnson, 27 cents; The Good Drug Company, Incorporated, 27 cents; Seabury, Incorporated, 27 cents; McKesson & Robbins, Incorporated, 27 cents; Charles W. Broadbent Company, 27 cents; Thomas W. Reed Company, 27 cents; E. F. Mahady Company, 24 cents*; Surgeons & Physicians' Supply Company, 27 cents.

100 Rolls Adhesive Plaster, 2 Inches by 5 Yards, Per Roll.—Johnson & Johnson, 21.5 cents; The Good Drug Company, Incorporated, 21.5 cents; Seabury, Incorporated, 21.5 cents; McKesson & Robbins, Incorporated, 21.5 cents; Charles W.

Broadbent Company, 21.5 cents; Thomas W. Reed Company, 21.5 cents; E. F. Mahady Company, 19 cents*; Surgeons & Physicians' Supply Company, 21.5 cents.

100 Rolls Adhesive Plaster, 1 Inch by 5 Yards, Per Roll.—Johnson & Johnson, 13.5 cents; The Good Drug Company, Incorporated, 13.5 cents; Seabury, Incorporated, 13.5 cents; McKesson & Robbins, Incorporated, 13.5 cents; Charles W. Broadbent Company, 13.5 cents; Thomas W. Reed Company, 13.5 cents; E. F. Mahady Company, 13 cents*; Surgeons & Physicians' Supply Company, 13.5 cents.

100 Rolls Adhesive Plaster, One-Half Inch by 5 Yards, Per Roll.—Johnson & Johnson, 8 cents; The Good Drug Company, Incorporated, 8 cents; Seabury, Incorporated, 8 cents; McKesson & Robbins, Incorporated, 8 cents; Charles W. Broadbent Company, 8 cents; Thomas W. Reed Company, 8 cents; E. F. Mahady Company, 7 cents*; Surgeons & Physicians' Supply Company, 8 cents.

712,500 Yards Absorbent Gauze, Bleached, Doublefold, 100-Yard Bolts, 20 by 12, Per Yard.—Lewis Manufacturing Company, Division of The Kendall Company, 2.03 cents*; Johnson & Johnson, 2.1 cents; The Good Drug Company, Incorporated, 2.1 cents; Seabury, Incorporated, 2.15 cents; McKesson & Robbins, Incorporated, 2.1 cents; Charles W. Broadbent Company, 2.1 cents; Thomas W. Reed Company, 2.1 cents; E. F. Mahady Company, 2.1 cents; Surgeons & Physicians' Supply Company, 2.1 cents.

25,000 Yards Absorbent Gauze, Bleached, 40 by 36, 1 Yard Flat Fold, Soft Compress, Per Yard.—Lewis Manufacturing Company, Division of The Kendall Company, 5.75 cents*; Johnson & Johnson, 5.95 cents; The Good Drug Company, Incorporated, 5.95 cents; McKesson & Robbins, Incorporated, 5.95 cents; Charles W. Broadbent Company, 5.95 cents; Thomas W. Reed Company, 5.95 cents; E. F. Mahady Company, 5.95 cents; Surgeons & Physicians' Supply Company, 5.95 cents.

7,250 Bellevue Rolls, 30-Inch Gauze, Break-Off, 1 Yard by 10 Yards, to be Cut 2, 3 and 4 Inches as Needed, Per Roll.—Lewis Manufacturing Company, Division of The Kendall Company, 41 cents; Johnson & Johnson, 41 cents; The Good Drug Company, Incorporated, 41 cents; Seabury, Incorporated, 41 cents; McKesson & Robbins, Incorporated, 41 cents; Charles W. Broadbent Company, 41 cents; Thomas W. Reed Company, 41 cents; E. F. Mahady Company, 41 cents; Surgeons & Physicians' Supply Company, 41 cents.*

835 Bandage Rolls Crinoline, Red Cross, or Equal, to be in 10-Yard Rolls, Cut 3, 4 and 6 Inch Widths as Needed, Per Roll.—Lewis Manufacturing Company, Division of The Kendall Company, 61 cents; Johnson & Johnson, 61 cents; The Good Drug Company, Incorporated, 61 cents; McKesson & Robbins, Incorporated, 61 cents; Charles W. Broadbent Company, 61 cents; Thomas W. Reed Company, 61 cents*; E. F. Mahady Company, 61 cents; Surgeons & Physicians' Supply Company, 61 cents.

POLICE DEPARTMENT ORDERS.

General Order No. 154.

The following transfers are hereby ordered to take effect Wednesday, April 1, 1936, at 7.45 o'clock a. m.:

Alfred Walton, from Division 15 to Division 19.

Lewis W. Allsopp, from Division 17 to Division 19.

Walter M. Butterworth, from Division 19 to Division 15.

Clarence B. Ochs, from Division 19 to Division 17.

The Superintendent of Police will promulgate this order.

EUGENE M. McSWEENEY,
Commissioner.

General Order No. 155.

A trial board, consisting of Captains Campbell, Killen and Mulrey, having heard by reference a complaint made by Thomas S. J. Kavanagh, captain, Division 9, against Thomas J. Sullivan, patrolman, Division 9, for alleged violation of Rule 41 of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification 1: In that on the twentieth day of March, 1936, the said Patrolman Thomas J. Sullivan, while not on duty and not in uniform, was under the influence of intoxicating liquor to such an extent that he was not fit to perform the duties of a police officer if called upon so to do.

Specification 2: In that on the twentieth day of March, 1936, the said Patrolman Thomas J. Sullivan, while in the town of Dedham, Massachusetts, committed an act in violation of the law by becoming drunk and being arrested for drunkenness by a member of the Dedham Police Department. The said Sullivan, after signing a request to be released from custody in accordance with the provisions of section 45 of chapter 272, General Laws, was released by the Probation Officer of the Dedham District Court,—

has submitted the following finding and recommendation:

"Patrolman Sullivan has been in the department since 1928, and has never been before a trial board. His commanding officer testified that he is an excellent police officer, and has never been reprimanded by his superior officers. He has been commended three times by the Police Commissioner. His commanding officer further testified that he was considering him seriously for special duty.

"At the time of the alleged violation Patrolman Sullivan was on a 'day off' and in civilian clothes, and was in the town of Dedham for a legitimate reason. When seen by Deputy Superintendent Anderson and Sergeant Smith he showed signs of having drunk liquor, but he bailed himself in two hours and fifty minutes.

"From the seriousness of the second specification, wherein he violated the law, the Board would be inclined to recommend serious punishment, but in consideration of the testimony of his commanding officer and sergeant, the Board respectfully recommends that the said Patrolman Thomas J. Sullivan be suspended for a period of fifteen days, effective as of March 21, 1936, at 7.45 a. m., and at the expiration of said suspension, he be ordered to perform 70 hours' punishment duty."

The commissioner accepts the finding and recommendation of the Trial Board and hereby orders that the said Patrolman Thomas J. Sullivan be suspended from duty for a period of fifteen days, effective as of March 21, 1936, at 7.45 a. m., and at the expiration of said period of suspension he perform 70 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner, upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Superintendent of Police will promulgate this order.

EUGENE M. McSWEENEY,
Commissioner.

A communication was received from the Superintendent, under date of Mar. 16, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named persons to serve in the Department of Extended Use of the Public Schools, for the term 1935-36:

Leader—Dorothy R. Padula, Mar. 4, 1936.

Assistant Leader—William F. Carey, Mar. 11, 1936.

General Helper—William F. Carey, Mar. 13, 1936.

Helpers—Julia M. Ashman, Anna H. Curley, Gertrude D. Wilson, Feb. 24, 1936.

Operator—Thomas Aykroyd, Mar. 4, 1936.

Approved.

TRANSFER

A communication was received from the Superintendent, under date of Mar. 16, 1936, reporting that subject to the approval of the School Committee, he has made the following transfer of a teacher:

Christine Hamburger, assistant, kindergarten, one session, Wells District, to the same position in the Edward Everett District, Mar. 23, 1936.

Approved.

LEAVE OF ABSENCE

On the report of the Superintendent and under a suspension of the regulations, leave of absence was granted as follows:

Boston Clerical School—Marion L. McCarthy, senior assistant, Mar. 2 to June 30, 1936, inclusive, without pay.

DESIGNATION

A communication was received from the Superintendent, under date of March 16, 1936, reporting that he has made the following designation of a teacher to serve in the position indicated until such time as it shall be filled otherwise in accordance with the rules and regulations, but not beyond Aug. 31, 1936:

Sherwin District—Annie Golden, assistant, special class, as acting master's assistant, special classes (vice Beatrice U. Bridges, absent on leave), Mar. 9, 1936.

Placed on file.

HOME INSTRUCTION OF PHYSICALLY HANDICAPPED CHILDREN

A communication was received from the Superintendent, under date of Mar. 16, 1936, reporting that subject to the approval of the School Committee, he has assigned the following-named temporary teachers for home instruction of physically handicapped children, to take effect on the dates stated:

Anna J. Linehan, Mar. 10, 1936; Emily F. Costello, Ruth B. Dowd, Edith Keeler, Mar. 11, 1936; Florence B. Pockwinse, Mar. 16, 1936.

Approved.

ATTENDANCE AT CONVENTION

On motion of the Superintendent, it was

ORDERED, That one assistant director of music and one assistant in music are hereby authorized to attend the National Music Supervisors' Conference in New York City during the week of Mar. 29, 1936, without loss of pay.

ADVANCE IN DATE OF GRADUATING EXERCISES, THE TEACHERS COLLEGE

The Superintendent offered the following:

ORDERED, That for the current school year, the Superintendent is hereby authorized to advance the

date of the graduating exercises of The Teachers College to Friday, June 12.

The regulations were suspended and the order passed.

BOUNDARY LINES

On motion of the Superintendent, it was

ORDERED, That the boundary lines of school districts are hereby amended as follows:

John A. Andrew District, for Girls—Strike out the boundary lines.

John A. Andrew District, for Boys—Add the words "and Girls"—so that the heading shall read as follows: John A. Andrew District, for Boys and Girls.

Oliver Hazard Perry District, for Girls—Strike out the boundary lines.

Oliver Hazard Perry District, for Boys—Add the words "and Girls"—so that the heading shall read as follows: Oliver Hazard Perry District, for Boys and Girls.

Norcross District, for Girls—Strike out the boundary lines and substitute in place thereof the following:

Beginning at Dorchester street on the northern shore; thence by the center of Dorchester street, the rear of the westerly side of G street and the northerly side of Thomas park, the centers of Old Harbor street, Eighth street, E street, Old Colony avenue, D street, and D street extended to the South Bay, and the water to the point of beginning

Gaston District, for Girls—Strike out the boundary lines and substitute in place thereof the following:

Beginning on the northern shore at a point opposite M street; thence by M street extended, the centers of M. East Seventh, and L streets, the water, the center of Old Harbor street, the rear of the northerly side of Thomas park and the westerly side of G street, the center of Dorchester street, and the water to the point of beginning

Strike out the boundary lines for the Shurtleff District, for Girls, and substitute in place thereof the following:

Patrick F. Gavin Intermediate District, for Girls

Beginning at Old Harbor Bay at the former boundary line between South Boston and Dorchester; thence by said line, the Midland Division of the New York, New Haven & Hartford Railroad to Fort Point Channel, and the water to the point of beginning.

The Superintendent offered the following:

ORDERED, That the Regulations are hereby amended as follows:

Section 430, paragraph 1. In the sixth line, insert to immediately follow the word "Children" the words—or they may do so in co-operation with Federal Savings and Loan Associations established under an Act passed by Congress in June 1933—so that the paragraph shall read as follows:

Section 430. 1. Principals who desire to establish and maintain a savings system for the benefit of their pupils may do so under the provisions of Chapter 211, Acts of

1911, entitled "An Act to Authorize Savings Banks to Receive Deposits from School Children," or they may do so in co-operation with Federal Savings and Loan Associations established under an Act passed by Congress in June 1933, or they may recommend to their pupils the postal savings system conducted by the Post Office Department.

Laid over.

The four orders were laid over.

APPROPRIATIONS AND EXPENDITURES TO MAR. 1, 1936

A communication was received from the Business Manager, under date of Feb. 29, 1936, submitting, pending the adoption of the maintenance budget, a statement showing the expenditures for the maintenance of the public schools for the first two drafts of the current financial year, the expenditures for the first two drafts of the financial year 1935 and the increases and decreases in the several items.

Place on file.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Mar. 16, 1936, recommending that the following-named custodians be granted leaves of absence on one-half net compensation for the periods specified because of personal illness:

Daniel J. Gibbons, custodian, Daniel Webster School-house, Mar. 2 and 7, 1936.

Jeremiah L. Lynch, custodian, Bunker Hill School-house, Apr. 1 to 30, 1936.

James V. Manning, custodian, Cora L. Etheridge School-house, Mar. 8 to 14, 1936.

John F. Muldoon, custodian, Thomas N. Hart School-house, Mar. 9 and 10, 1936.

Joseph J. Mulhern, custodian, Damon School-house, Feb. 23 to 29, 1936, and Mar. 2 to 15, 1936.

Jeremiah Murphy, custodian, Mather School-house, Mar. 11, 1936 (one-half day).

Francis L. McDonough, custodian, Charles H. Taylor School-house, Mar. 6, 1936 (one day).

James E. Norris, custodian, Gilbert Stuart School-house, Feb. 3 to 6, and Mar. 5 to Apr. 4, 1936.

Frederick J. Wright, custodian, William H. Kent School-house, Mar. 3 to 7, 1936.

Placed on file and leaves of absence on one-half net compensation granted for the periods specified.

SAFETY EDUCATION PROGRAM

Chairman: I am very happy to announce that effective today, we are to have a W. P. A. program to study safety education or accidents to school children. About a year ago we proposed such a plan to the School Committee. It has been rather long in getting started due to various delays in completing formalities and getting approval, but we are now ready to start on a program which is defined as a "Safety education research survey of the incidence, nature of accidents and injuries, and the contributory factors of such accidents and injuries to the pupils of the Boston Public Schools."

As a result of such survey, it is hoped that we shall have a definite safety education program which we

may incorporate in our school program. We all know the number of deaths and injuries due to auto traffic and other accidents occurring to school children, and I think we will have made a big step forward when we find the causes of those accidents, and, through co-operation with the Principals, do everything in our power to prevent them.

I am deeply indebted to Colonel Sullivan of the W. P. A. for the co-operation which he has given us and I hope that before very long we will have definite results.

Mr. Tobin: Mr. Chairman, in that connection I noticed recently the report of the Police Commissioner to the Governor of the state in which there is a statement as reported in the press that I think will interest the members of the School Committee. "... It is impossible under present conditions to provide protection for the children at 48 out of 296 school crossings, he informed the Governor, stressing his conviction that more men are needed, for traffic, school and extra work, with 1,500,000 persons entering and leaving the city daily."

I was unaware of the fact that we had forty-eight traffic crossings adjacent to our public schools not covered by traffic police, and I would suggest, Mr. Chairman, that this Committee refer to your survey group a study of this particular question. I think it would be a good idea to have the School Committee petition the Mayor and the Police Commissioner for police protection for every crossing adjacent to a school building, or, in the event that that is not possible, to have this survey group study and make plans for some substitute proposal, for I know of no greater danger to the lives of children than unguarded crossings adjacent to school buildings.

Chairman: When I first proposed such a plan, I organized a committee which had the very hearty cooperation of Mr. McSweeney, Police Commissioner; Mr. McLaughlin, Fire Commissioner; Mr. Goodwin, Registrar of Motor Vehicles; and the Chief of the Traffic Department, Mr. Hickey; all of whom expressed willingness to co-operate with the School Department in our efforts. As a matter of fact, in each case these gentlemen assigned a very able lieutenant to sit with me on that committee, and while the committee has not been very active during the last year due to the fact that we have not been able to get our research started, I expect that we shall get together in the very near future. With that assurance I had a year ago that they were eager to cooperate, I think we shall accomplish a beneficial survey.

UNFINISHED BUSINESS

The order laid over at the meeting of Mar. 4, 1936 (see p. 41) amending Section 337, paragraph 1 (g) of the regulations, relative to the deduction for leave of absence for court attendance, was taken up and passed.

Mr. Smith: There is a motion of mine on the table to open the minutes of our conferences to the

Press. On account of the absence of Dr. Lyons from the meeting tonight, I would ask that the motion be laid over for another two weeks. Chairman: The motion is laid over to the next public meeting.

The Committee adjourned.
Attest:

ELLEN M. CRONIN,
Secretary

M. I. T. PRESIDENT ACCEPTS MAYOR MANSFIELD'S APPOINTMENT AS DELEGATE TO WORLD POWER CONFERENCE.

The following is a copy of letter from President Compton of M. I. T. to Mayor Mansfield:

BOSTON, March 31, 1936.

THE HONORABLE FREDERICK W. MANSFIELD, City Hall, Boston, Mass.

MY DEAR MAYOR MANSFIELD,—It gives me pleasure to accept appointment as delegate to the Third Plenary World Power Conference in accordance with your letter of March 30.

I am pleased also to report that the Committee on Arrangements has requested M. I. T. to arrange for the demonstration of several important pieces of work in its laboratories for the benefit of delegates who will come on a tour through Boston in their visit of significant power projects in this part of the country.

Very sincerely yours,

KARL T. COMPTON,
President.

CIRCULAR LETTER NO. 4.

CITY OF BOSTON,
MAYOR'S OFFICE, March 31, 1936.

To the Department Heads.

GENTLEMEN,—In conformity with custom you are hereby directed to suspend all activities in your department from 12 m. to 3 p. m. on Good Friday, April 10, 1936.

Very truly yours,

FREDERICK W. MANSFIELD, Mayor.

W. P. A.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING CHAIN LINK FENCE AND ALL NECESSARY ACCESSORIES AND EQUIPMENT TO THE PARK DEPARTMENT.

The Supply Department of the City of Boston invites proposals for furnishing Chain Link Fence and all necessary accessories and equipment to the Park Department as per specifications contained in proposals which may be obtained at the office of the Supply Department, Room 801, City Hall Annex. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The bidder must leave his proposal with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Monday, April 13, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
Superintendent of Supplies.
(April 4.)

UNITED STATES GROSS DEBT.

November 30, 1932, total gross debt of the United States was \$20,806,013,836, of which \$20,476,034,190 was interest-bearing. This is a reduction of \$6,120,667,458 from the peak of \$26,596,701,648 on August 31, 1919. The gross debt on June 30, 1931, was \$16,801,281,492.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

FURNISHING AND INSTALLING FURNITURE AND EQUIPMENT IN THE INTERMEDIATE SCHOOL IN THE WASHINGTON IRVING DISTRICT, CUMMINS HIGHWAY, HAWTHORNE AND SYCAMORE STREETS, WEST ROXBURY DISTRICT, FOR THE DEPARTMENT OF SCHOOL BUILDINGS, CITY OF BOSTON, MASSACHUSETTS, NATIONAL INDUSTRIAL RECOVERY PROJECT, P. W. A., DOCKET No. 4217 W. R.

NOTICE TO CONTRACTORS.

Sealed proposals for furnishing and installing the furniture and equipment for the Intermediate School in the Washington Irving District, West Roxbury,

FURNITURE,
WINDOW SHADES (INCLUDING DARK SHADES AND TRIM),
RADIO EQUIPMENT,
LOCKERS,
GYMNASIUM EQUIPMENT,
REFRIGERATORS,
GAS RANGES,
KITCHEN EQUIPMENT,
CAFETERIA EQUIPMENT,
STAGE CURTAINS, PROJECTION EQUIPMENT FOR MOVING PICTURE BOOTH,

will be received by the Superintendent of Construction at the office of the Department of School Buildings, 11 Beacon street, Boston, Mass., until 2 o'clock p. m. eastern standard time, of Wednesday, April 15, 1936, and at that place and time will be publicly opened and read. The proposal submitted to the Superintendent of Construction shall not be separated from the book of specifications. The additional copy of the proposal shall be removed from the book of specifications and after filling out shall be sealed in an envelope and delivered to the Auditor of the City of Boston at the City Hall, School street, Boston, Mass., before the time for the opening of the proposals. Consideration shall be given to the fact that this is a project being constructed and financed by grant under terms of the National Industrial Recovery Act and chapter 366 of the Acts of 1933 of the Commonwealth of Massachusetts, as amended by chapter 21 of the Acts of 1934. The attention of bidders is directed to the construction regulations prescribed by the P. W. A. Attention is called to the fact that not less than the minimum wage rates prescribed by the Federal Emergency Administration of Public Works must be paid on this project. The employment agency designated by the Government for this project is Edward L. Hanna, Manager, 100 Nashua street, Boston, Mass. All bids must be accompanied by a certified check on a bank located in the Federal Reserve District (5) payable to the City of Boston in the sum of \$300. The certified check shall be attached to the proposal, sealed and delivered to the Superintendent of Construction. The right is reserved to reject any or all proposals or to accept the proposal deemed best for the City of Boston. The certified checks of three lowest bidders will be retained until the contract has been signed by all interested parties. All other certified proposal checks will be returned not less than forty-eight hours after the date of the opening of the proposals. A bond of an approved surety company shall be given by the Contractor in the full amount of the contract price. The contract is subject to the approval of the Mayor. No award can be made without the approval of the State Engineer, P. W. A. A deposit of a certified check for \$50, made payable to the City of Boston, will be required for each set of plans and specifications, said sum to be refunded not later than seven days after the opening of bids. Mutilation of the plans or the specifications shall be deemed sufficient cause for the forfeiture of the said deposit. Specifications and forms of proposals may be obtained at the office of the Superintendent of Construction, Department of School Buildings, 11 Beacon street, Boston, Mass.

WM. W. DRUMMEY,
(April 4.) Superintendent of Construction.

REVISED ADVERTISEMENT.

CITY OF BOSTON.

TRUSTEES OF THE GEORGE ROBERT WHITE FUND.

PROPOSALS FOR WADING POOL.

The City of Boston, Trustees of the George Robert White Fund, invite sealed proposals for the construction of a Wading Pool, together with grading, etc., on lot adjacent to the George Robert White Fund Health Unit No. 7, bounded by Whittier, Downing, Vernon and Hampshire streets, Roxbury, and giving bond of a surety company therefor, in the sum of forty-five (45) per cent of the estimate. Only proposals obtained at the office of the Manager of Real Estate of the George Robert White Fund, Room 1005, City Hall Annex, Boston, Mass., signed by the bidder, placed in an envelope properly sealed and marked "Proposal for Whittier Street Wading Pool," and left before 2 o'clock p. m. of April 24, 1936, at the office of the Manager of Real Estate, with certified check for \$2,500, payable to the Trustees if the proposal is not carried out, will then and there be publicly opened and read. The bids must be made in duplicate; the one with the check to be left as above, the other, without check, to be filed with the City Auditor, City Hall, Boston, before 2 p. m. of the date given above for receiving proposals. Trustees reserve the right to reject any and all proposals or to accept any proposal which in the opinion of the Trustees they deem best to their interest. Plans and specifications can be obtained at the office of the Manager of Real Estate of the George Robert White Fund, 1005 City Hall Annex, on and after 12 o'clock m., April 7, 1936. All plans and specifications must be returned in good condition to Room 1005, City Hall Annex, at the time of filing bids. Contractors desiring to bid must notify the Manager of Real Estate in writing on or before April 17, 1936, so that one set of plans and specifications may be ready for them. A deposit of \$50 in cash will be required for each set of plans and specifications taken out for estimating; amount to be refunded on return of the plans in good condition. No plans or specifications will be available after April 17, 1936. All sub-contractors so listed in the specifications must file bids at the office of the Manager of Real Estate of the George Robert White Fund, Room 1005, City Hall Annex, 48 hours prior to 2 p. m., April 24, 1936, and there opened and read. No sub-bids will be considered unless so filed.

(April 4-11.)

CITY OF BOSTON.

BOARD OF OVERSEERS OF THE PUBLIC WELFARE.

PROPOSALS FOR FURNISHING TRUCKS FOR CARTAGE OF WOOD.

The Overseers of the Public Welfare of the City of Boston invite proposals for furnishing trucks according to specifications to be obtained from the office of the Board, first floor, 43 Hawkins street, Boston. *There will be a charge of twenty-five cents (\$0.25) for each blank proposal taken out.* Bidders must use the form of proposal to be obtained at this office and the successful bidder must furnish a bond for one fourth of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. Bids with a certified check for one hundred (100) dollars, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Board, first floor, 43 Hawkins street, before 12 m. Wednesday, April 8, 1936, at which time and place they will be publicly opened and read. A duplicate proposal, without check, must be left with the City Auditor prior to the time stated for opening the bids. The Board of Overseers of the Public Welfare reserves the right to accept or reject any and all bids or any part of the bid and to award the contract in whole or in part. All contracts made subject to appropriations to meet the payments thereunder.

BOARD OF OVERSEERS OF THE PUBLIC WELFARE,
JAMES A. McMURRY,
(Mar. 28-Apr. 4.) Chairman.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR RESURFACING OR REPAIRING WITH BITUMINOUS MATERIALS THE PAVEMENT IN ANY STREET UPON WHICH THERE IS NO MAINTENANCE GUARANTY.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for resurfacing or repairing with bituminous materials the pavement in any street upon which there is no maintenance guaranty when ordered to do so by the Commissioner and giving bond therefor of a surety company approved by the Commissioner in the sum of one hundred per cent of the amount of the contract in each district to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each bidder must give the location of the plant which it is intended to operate and the capacity of the same. Each proposal should be inclosed in an envelope, sealed, marked "Proposals for Repairing Pavements with Bituminous Materials," and left at Room 508, fifth floor, City Hall Annex, before 12 m. on Friday, April 17, 1936, with a certified check for three thousand (\$3,000) dollars for each district, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. *There will be a charge of two dollars (\$2) for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The boundaries of the districts are to be determined by the Commissioner so as to make the amount of work done in each district about equal. The undersigned reserves the right to reject any or all proposals or to award the contract as he may deem for the best interests of the city so to do.

C. J. CARVEN,

Commissioner of Public Works.
(April 4-11.)

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR HAY, GRAIN AND STRAW.

Sealed proposals will be received at the office of the Superintendent of Supplies, Room 801, City Hall Annex, until 12 m., Wednesday, April 15, 1936, at which time and place they will be publicly opened and read, for furnishing hay, grain and straw to the various city departments. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must include the cost of delivery. The bidders are requested to bid on United States No. 2 timothy hay. Hay must be no less than 40 per cent green. The grade of hay must comply with the federal hay grades, and No. 2 white oats to test no less than thirty-six pounds to bushel graded under federal standards. The hay and oats must be weighed by sworn weighers and on the scales designated by the Superintendent of Supplies. All articles covered by this contract shall be the growth production of the United States. The bidder must use the form of proposal to be obtained at Room 801, City Hall Annex. Proposals must be accompanied by a certified check for \$200. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder. No reservations or stipulations submitted by the various bidders will be considered by the Superintendent.

D. FRANK DOHERTY,
(April 4.) Superintendent of Supplies.

PROCEEDINGS OF CITY COUNCIL.

Monday, March, 23, 1936.

Regular meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Peter A. Murray.

VETO OF ANNABEL STREET SIDEWALK.

The following was received:

City of Boston,
Office of the Mayor, March 18, 1936.
To the City Council.
Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 9, 1936, for the making of a sidewalk with granite edgestones on Annabel street, Ward 7.
I am informed by the Commissioner of Public Works that there are no funds available at the present time for this construction. Under the circumstances I am constrained to veto the order.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Placed on file.

VETO OF JUNIPER TERRACE SIDEWALK.

The following was received:

City of Boston,
Office of the Mayor, March 18, 1936.
To the City Council.
Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 9, 1936, for the making of a sidewalk with granite edgestones on Juniper terrace, Ward 9.
I am informed by the Commissioner of Public Works that Juniper terrace is a private way and consequently the city has no jurisdiction. Under the circumstances I am constrained to veto the order.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Placed on file.

RIGHT OF WAY ALONG NEW YORK, NEW HAVEN & HARTFORD RAILROAD TRACKS.

The following was received:

City of Boston,
Office of the Mayor, March 16, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of February 10, 1936, concerning a right of way along the tracks of the New York, New Haven & Hartford Railroad Company from Harrison square to the Savin Hill Playground in Dorchester.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 13, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 3 with attached order of City Council dated February 10 and reading as follows:

"Ordered, That the New York, New Haven & Hartford Railroad Company be requested, through his Honor the Mayor, to construct a right of way with a seven-foot guard fence along its tracks from Harrison square to the Savin Hill Playground in Dorchester, said right of way to be open to the public, also a seven-foot fence to be erected upon the request of the Mayor at any location along the railroad right of way considered hazardous to the safety of children."

and to state that a conference was had with Mr. Arthur Tuttle, district engineer, of the New York, New Haven & Hartford Railroad, and as a result of this conference Mr. Tuttle informed us to the effect that the New York, New Haven & Hartford Railroad are in no condition financially at the present time to go to any expense to erect a fence and a right of way and consequently will not consider any suggestions from the city for the railroad to perform the work requested.

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

UNPAID TAXES ON CERTAIN WOOD AVENUE LAND.

The following was received:

City of Boston,
Office of the Mayor, March 17, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the Board of Assessors relative to your order of March 2, 1936, concerning unpaid taxes owed to the City of Boston by the present owner of the tract of land in the Wood avenue section of Hyde Park.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Assessing Department, March 16, 1936.

Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—The Board of Assessors respectfully submits the following reply to the appended City Council order dated March 2, 1936:

"To advise the City Council, not later than March 16, 1936, full information concerning unpaid taxes owed to the City of Boston by the present owner of the tract of land in the Wood avenue section of Hyde Park.

Query No. 1.—Size and location. Lot A, south side Westminster street. (Assessors' Block 339/372/P.127, Ward 18.)

Query No. 2.—Amount of unpaid taxes outstanding, plus interest, for each of the years 1931 to 1935:

YEAR.	Owner.	Value.	Feet of Land.	Tax Plus Interest.
1931.....	Irving S. Chyett, Mortgagee in Possession..	\$12,600	1,258,815	\$537 47
1932.....	Suburban Realty Corporation.....	12,600	1,258,815	569 94
1933.....	Suburban Realty Corporation.....	12,600	1,258,815	493 53
1934.....	Suburban Realty Corporation.....	11,000	1,258,815	454 70
1935.....	Massachusetts Bond and Mortgage Com- pany.	11,000	1,258,815	417 30
				Total....\$2,472 94

Query No. 3.—Massachusetts Bond and Mortgage Company is the present owner of this property, and owes unpaid taxes as follows:

WARD.	Year.	Tax.	Betterments	Costs.	Interest.	Total.
18.....	1935	\$1,528 10*	\$95 43		\$48 28	\$1,671 81
19.....	1931-35	1,742 25		\$4 50	347 21	2,093 96
19.....	1931-35	2,963 34†		4 15	401 05	3,368 54
21.....	1935	2,405 00		35	69 45	2,474 80
Total tax plus interest as shown in Query No. 2.....						\$2,472 94
Total for taxes assessed in the name of the present owner, and accumulation of prior years on parcels owned at present.....						\$12,082 05

* This includes Lot A in question.
† Title acquired 1934.

Respectfully,
BOARD OF ASSESSORS,
T. W. MURPHY, Secretary.

Placed on file.

TRAFFIC LIGHTS, WARDS 9 AND 14.

The following was received:

City of Boston,
Office of the Mayor, March 19, 1936.
To the City Council.
Gentlemen,—I transmit herewith three letters from the Traffic Commissioner relative to your orders of March 9, 1936, concerning the installation of traffic signal lights at the following locations:

1. Junction of Tremont street and Columbus avenue, Ward 9.
2. Junction of Blue Hill avenue, American Legion Highway, Ward 14.
3. Blue Hill avenue and Glenway street, Ward 14.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, March 19, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.
Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 9, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at the junction of Tremont street and Columbus avenue, Roxbury, Ward 9."

There are no funds available at this time for the installation of traffic signals at this location.

Very truly yours,
WILLIAM P. HICKEY, Commissioner.

City of Boston,
Traffic Commission, March 19, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 9, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at the junction of Blue Hill avenue, American Legion Highway, Dorchester, Ward 14."

I regret to state that there are no funds available at this time for the installation of traffic signals at the above location.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

City of Boston,
Traffic Commission, March 19, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 9, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signal lights at Blue Hill avenue and Glenway street, Ward 14."

There are no funds available for the installation of traffic signals at the above location.

This intersection is on a list of locations where this commission has previously recommended the installation of traffic signals if money is procured.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

TRAFFIC LIGHTS, WARD 11.

The following was received:

City of Boston,
Office of the Mayor, March 19, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the Traffic Commissioner relative to your order of March 2, 1936, concerning the installation of automatic traffic signals at the junction of Amory and Boylston streets, Ward 11.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, March 19, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 2, 1936, which reads as follows:

"Ordered, That the Traffic Commission be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Amory and Boylston streets, Ward 11."

This intersection is on a list of locations where this commission has recommended the installation of traffic signals if funds are procured.

There are no funds available at present for this installation.
The estimated cost of this traffic signal is \$2,400.

Respectfully yours,
WILLIAM P. HICKEY, Commissioner.

Placed on file.

WARD 14 TRAFFIC LIGHTS.

The following was received:

City of Boston,
Office of the Mayor, March 19, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the Traffic Commissioner relative to your order of February 10, 1936, concerning the installation of signal lights at the intersection of Washington street, Bowdoin and Harvard streets, Ward 14.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commission, March 19, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated February 10, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install signal lights at the intersection of Washington street, Bowdoin and Harvard streets, Dorchester, Ward 14."

"I regret to state that there are no funds available at present for the installation of a traffic signal at this intersection."

The estimated cost of an installation at this location is \$3,500.

While the accident records in this office do not indicate that the accident hazard at this intersection is as serious as at many other non-signalized intersections in the city, it is the opinion of the engineers of this department that a traffic signal would operate successfully and would improve conditions at this location.

Respectfully yours,

WILLIAM P. HICKEY, Commissioner.

Placed on file.

SMOOTH PAVING, WARD 6 STREETS.

The following was received:

City of Boston,
Office of the Mayor, March 19, 1936.
To the City Council.

Gentlemen,—I transmit herewith two letters from the Commissioner of Public Works relative to your orders of February 10, 1936, concerning the repaving with smooth pavement of the following streets in Ward 6:

1. East Fifth street.
2. O street.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 16, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 3 with attached order of City Council dated February 10 and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement East Fifth street, Ward 6."

and to state that East Fifth street from G to Farragut road is 5,047 feet in length and a roadway width of 34 linear feet, sidewalk width, 8 feet on each side of the roadway. The road surface is a waterbound macadam and the existing sidewalks are 93 per cent brick and the remaining 7 per cent is artificial stone. To repave this length of East Fifth street with a smooth pavement will cost approximately \$72,000 and at the present time this money is not available.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

City of Boston,
Public Works Department, March 17, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 3 with attached order of City Council dated February 10 and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement O street, Ward 6."

and to state that O street from East First street to Columbia road has a length of 2,327 feet and a roadway width of 34 feet. The sidewalk on either side of the roadway has a width of 8 feet. The present surface is of waterbound macadam. The existing sidewalks are of brick and to repave this length of O street with a smooth pavement will cost approximately \$34,000. At the present time there is no money available for this work.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

WAITING BOOTHS, FRANKLIN PARK STATION.

The following was received:

City of Boston,
Office of the Mayor, March 19, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the trustees of the Boston Elevated Railway relative to your order of February 17, 1936, concerning the advisability of inclosing the waiting booths at the Franklin Park Station on Blue Hill avenue.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Boston Elevated Railway,
March 17, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—The trustees considered request with regard to the advisability of inclosing waiting booths at Franklin Park Station.

They do not believe that under present conditions the added expense to accomplish this is justified in view of the fact that very suitable shelters now exist at this point and that if they were inclosed as suggested the space in rush hours would be very materially reduced. Experience has also shown that inclosed waiting rooms present very undesirable aspects and that this particular point is one where more protection is given than at many other points on the system.

Very truly yours,
EDWARD DANA,

Executive Vice President and General Manager.

Placed on file.

NUMBER OF MILES OF ACCEPTED STREETS.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of February 24, 1936, concerning a request that your Honorable Body be advised as to the number of miles of accepted streets within the jurisdiction of each of the ten or eleven city yard districts for snow-removal work.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 20, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 11 with attached order of City Council dated February 24, 1936, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to advise the City Council with reference to the following desired information, namely, the number of miles of accepted streets within the jurisdiction of each of the ten or eleven city yard districts for snow-removal work."

and to state that the number of miles of accepted streets within the jurisdiction of each of the ten district yards for snow-removal are:

District No. 1, South Boston.....	45.55 miles.
District No. 2, East Boston.....	35.45 miles.
District No. 3, Charlestown.....	23.40 miles.
District No. 4, Brighton.....	60.75 miles.
District No. 5, West Roxbury.....	115.60 miles.
District No. 6, Dorchester.....	79.60 miles.
District No. 7, Roxbury.....	62.90 miles.
District No. 8, South End, Roxbury, City Proper and Back Bay.....	138.25 miles.
District No. 9, Dorchester North.....	70.35 miles.
District No. 11, Hyde Park.....	39.25 miles.

Total number of miles 672.10.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

OVERHEAD PASS, WARD 14.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of February 17, 1936, concerning the erection of an overhead pass leading from Blue Hill avenue, facing Hosmer street, and extending up to Duke street, Ward 14.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 17, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 11, with attached order of City Council dated February 17 and reading as follows:

"Ordered, That the Commissioner of the Public Works Department be requested, through his Honor the Mayor, to consider the advisability of the erection of an overhead pass leading from Blue Hill avenue, facing Hosmer street, and extending up to Duke street, for the safety and convenience of the children attending the Solomon Lewenberg School on Outlook road, Dorchester, Ward 14."

and to state that the erection of any overhead pass from Blue Hill avenue to Ormond street will necessitate the crossing of private property both fronting Blue Hill avenue and Ormond street and this order should be referred to the Street Commissioners, who after considering the matter and making the necessary takings will then come to the Public Works Department for erection. The primary steps as to the question of taking and the cost of same is a function of the Board of Street Commissioners.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

PIER AND PREMISES, 337 MARGINAL STREET.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Building Commissioner relative to your order of February 17, 1936, concerning an examination and report of the pier and premises at 337 Marginal street, East Boston, and condemnation proceedings if necessary.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Building Department, March 21, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—This will acknowledge the receipt of your letter of March 11 inclosing an order from the City Council, dated February 17, 1936, "That the Building Commissioner be requested, through his Honor the Mayor, to make an immediate examination and report to the City Council with reference to the condition of the pier and premises at 337 Marginal street, East Boston, and that he be requested to take condemnation proceedings if, upon examination, the said pier and premises are found to be in a dangerous and unsafe condition."

The district inspector makes the following report:

"Acting under the direction of Frank M. Curley, Supervisor of Construction, I made an examination of the wharf numbered 337 Marginal street, East Boston.

"I found that about 60 per cent of the diagonal bracing piles were decayed or broken free from the wharf. That about 50 per cent of the outer row of piles were rotted at their heads. At low water level, the piles show evidence of marine borer action that has decreased the diameter. About 70 per cent of the pile capping at the edge of the wharf is decayed, missing or broken free, making any anchorage faulty.

"There is no horizontal bracing of the interior piles, leaving the entire structure subject to failure. About 40 per cent of the wharf flooring is decayed or missing, making this structure dangerous to life and limb. If this wharf is permitted to remain it should have all defective parts replaced and all piling securely stayed, braced and bolted.

"There is a two-story wood building 23 feet by 45 feet at the land end of this wharf. This building appears to be plumb, but in a general dilapidated condition. About 50 per cent of the clapboards removed, window frames on the first story removed but boarded from the inside. Outside wall boarding is removed in some parts but the building is also boarded on the inside. Part of this building appears to have been cut off at the north end and closed with a temporary partition. The wood girder carrying the second floor at center of building is shored from the outside. Some of the wall studs show decay at the foot. This building is closed to trespass. See photographs attached."

From the above report and from the inclosed photographs it can be seen that the wharf property is in an exceedingly unsafe condition. While the building on the wharf is in a dilapidated condition it is closed to trespass and is not structurally unsafe.

For your information I am quoting part of section 10, chapter 550, Acts of 1907, as amended, the Building Law of the City of Boston.

"The provisions of this act shall not apply to public highway and railway bridges, quays or wharves, nor to . . ."

Therefore it can be seen that while the Building Commissioner is responsible for the condition of a building erected on a wharf he has no jurisdiction whatever over the structural condition of the wharf property and cannot take the necessary steps to condemn the same.

I would recommend that the Commissioner of Public Works of the Commonwealth of Massachusetts be informed of the condition of this wharf so the condemnation proceedings may be properly carried out.

Respectfully yours,

EDWARD W. ROEMER,
Building Commissioner.

Placed on file.

INFORMATION RE NURSES, PATIENTS, ETC.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Superintendent of the Hospital Department relative to your order of February 24, 1936, concerning certain information pertaining to nurses, patients, equipment and household accessories at the hospital.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Hospital Department, March 20, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—I have received an order from the City Council that the Superintendent of the Boston City Hospital be requested, through his Honor the Mayor, to advise the City Council promptly as to the following:

1. Whether the nurses at the hospital are now working on approximately an eight-hour day and, if not, what are the present arrangements?
2. The average number of patients, together with the total average number of nurses available at the City Hospital during the month of January for each of the past ten years.

3. Whether or not there is a shortage of bed linen and blankets in various departments at the Boston City Hospital.

4. With reference to the possibility of better ventilation and also the installation of proper weather strips for the windows in Peabody No. 1.

I am transmitting herewith the following information in answer to the above questions:

1. Nurses are on an approximately eight-hour day.

YEAR.	Month.	Average Number of Patients.
1927,	January.....	744
1928,	January.....	833
1929,	January.....	868
1930,	January.....	944
1931,	January.....	1,099
1932,	January.....	1,201
1933,	January.....	1,347
1934,	January.....	1,330
1935,	January.....	1,303
1936,	January.....	1,301

Totals of the Entire Nursing Staff for all Hospital Departments for the Past Ten Years.

February, 1926.....	260
February, 1927.....	260
February, 1928.....	292
February, 1929.....	357
February, 1930.....	418
February, 1931.....	479
February, 1932.....	543
February, 1933.....	541
February, 1934.....	557
February, 1935.....	529
March 20, 1936.....	559

On April 1 we are accepting a class of fifty affliating students.

Twenty-three will have completed their course March 31, and our count then will be 586 nurses. This count changes constantly by pupil nurses graduating.

3. There is no shortage of bed linen or blankets.
4. Storm sashes, with slide windows, are already in the process of being built to be placed on the inside frames on the porches of Peabody Nos. 1 and 2.

Yours sincerely,

JAMES W. MANARY, Superintendent.

Placed on file.

FUEL ORDERS TO WELFARE RECIPIENTS.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Overseers of the Public Welfare relative to your order of February 24, 1936, concerning the names of welfare recipients who, during the final week of February and the first two weeks of March, 1936, were given fuel orders directed to the Babcock Coal Company and to Alfred E. Ventola.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Overseers of the Public Welfare,
March 19, 1936.

Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—Your letter of March 11 received inclosing order of the City Council relative to furnishing the Supply Department with the names and addresses of welfare recipients during the final week of February and the first two weeks of March, 1936, who had been given fuel orders on the Babcock Coal Company and the Ventola Oil Company of Hyde Park.

I am replying to the order by stating that orders to the Babcock Coal Company amounted to 7,977, and to the Ventola Oil Company 2,420, a total of 10,397 during this period, and if we attempted to list these names it would take approximately the time of three clerks for two weeks; and inasmuch as the coal has been delivered and presumably used by this time, the sending of this list would accomplish no useful result.

May I say in passing that we have received reports from the Arthur D. Little Company on eleven tests made by them of coal delivered by the Babcock Coal Company. On seven of the tests this company recommended premiums ranging from 15 cents to 84 cents per ton; on two other tests, penalties of 52 cents and 75 cents; and on the two remaining no premium or penalty was recommended. The Arthur D. Little Company reported that on six tests made of oil delivered by the Ventola Oil Company, all of the oil was up to the standard set in the contract.

These samples were taken by the Weights and Measures Department while the coal and oil were in transit from the wharf or delivery point of the company to the homes of the welfare recipients.

Yours truly,

JOHN C. L. DOWLING,
Executive Director.

Placed on file.

TRANSFER WITHIN HOSPITAL APPROPRIATION.

The following was received:

City of Boston,
Office of the Mayor, March 14, 1936.
To the City Council.

Gentlemen,—I am in receipt of the attached request from the Acting President of the Board of Trustees of the Boston City Hospital for a transfer of \$661 within special appropriations under the control of the Hospital Trustees. This transfer is necessary in order to take care of the balance of the commission due the architect in connection with the supervision of contract work at the hospital. I submit herewith an order providing for the transfer and respectfully recommend its adoption by your Honorable Body.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Hospital Department, March 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—You are requested to transfer the sum of \$661 from the appropriation for Kitchen Building, etc., to the appropriation for Hospital Buildings, Plans, etc.

This transfer is requested in order to take care of the balance of commission due James H. Ritchie and Associates on the contract of John Bowen Company for erection and completion of Kitchen Building, Boston City Hospital.

Very truly yours,

CARL DREYFUS,
Acting President, Board of Trustees.

Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Kitchen Building, etc., \$661, to the appropriation for Hospital Buildings, Plans, etc., \$661.

Referred to Executive Committee.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following:

Constables to serve civil process upon filing bond: Jacob Braunstein, 87 Devon street, Roxbury; Sidney Williams, 5 Hestia park, Roxbury.

Weighers of Goods: John G. Cassidy, 9 Gertrude road, West Roxbury, Mass.; Daniel J. Kelly, 44 Everett street, East Boston, Mass.

Severally laid over a week under the law.

PROPOSED EASEMENT TO STAR BREW- ING COMPANY.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I am in receipt of the attached communication from the Commissioner of Public Works relative to the request of the Star Brewing Company to build over a sewer which runs through a portion of its premises on Shirley street, Roxbury.

I submit herewith an order authorizing me to grant to the Star Brewing Company the right and easement to build over the said land and recommend that said order be passed by your Honorable Body.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 21, 1936.
To His Honor the Mayor.

The Star Brewing Company in a communication dated February 20, 1936, which is sent herewith, has requested permission to build over a sewer which runs through a portion of its premises on Shirley street, Roxbury.

The land over which the Star Brewing Company is desirous of placing its building was taken for sewer purposes by a resolve and order of the Board of Aldermen of the City of Boston, approved by the Mayor of the City of Boston, April 15, 1896. This instrument of taking did not include, as many of the later takings do, a provision permitting the Mayor of Boston to grant a license for the person owning land through which the sewer passes to build over the said land, provided the said building does not in any way injure the sewer taking.

It will be necessary, therefore, for an order to be passed by the City Council, with the approval of your Honor, granting to the said Star Brewing Company the right to place its building over the said sewerage works in accordance with plans which have been approved by the Commissioner of Public Works.

A draft of an order, which has been prepared by the Law Department, is attached. I respectfully recommend that your Honor submit the request of the Star Brewing Company and the order which has been prepared to the City Council for appropriate action.

Yours respectfully,
C. J. CARVEN,
Commissioner of Public Works.

Whereas, The Board of Aldermen of the City of Boston by a vote of said Board, approved by the Mayor of Boston on April 15, 1896, took for and in behalf of the City of Boston for sewerage purposes a certain parcel of land situated in that part of Boston formerly Roxbury, and more fully described in said vote of the Board of Aldermen; and

Whereas, The Star Brewing Company, a corporation organized under the laws of the Commonwealth of Massachusetts, is the present owner of a portion of the land adjacent to the lands so taken for sewerage purposes as aforesaid and more fully described in a deed from the Star Brewing Company to the Star Manufacturing and Producing Company, dated April 29, 1922, and recorded with Suffolk Deeds November 1, 1926, Book 4847, page 374; and

Whereas, The Star Brewing Company, desires to erect upon a portion of its said land a building which will extend over a portion of the said land taken for sewerage purposes as aforesaid and shown on plans marked "Plot Plan, Scale 1/16"-1' 0", Additions for Star Brewing Company, Boston, Mass., Emil Hartmann, Brewery Engineer and Architect, North Middleboro, Mass., Drawn by J. F. N., Checked by E. H., date, January 13, 1936, No. P.": "Foundation Details Column Schedule, Additions for Star Brewing Company, Boston, Mass., Emil Hartmann, Brewery Engineer and Architect, North Middleboro, Mass., Drawn by J. F. N., Checked by E. H., date, January 13, 1936, No. S2"; and "Foundation Plan, Scale 1/8"-1' 0", Additions for Star Brewing Company, Boston, Mass., Emil Hartmann, Brewery Engineer and Architect, North Middleboro, Mass., Drawn by J. F. N., Checked by E. H., date, January 13, 1936, No. S1"; and

Whereas, That portion of the premises so taken which will give to the Star Brewing Company the right and easement to place its buildings as shown on said plans is no longer needed for public purposes; now, therefore, it is hereby

Ordered, That his Honor the Mayor be, and he hereby is, authorized to grant, in the name and behalf of the City of Boston, by a written instrument and in form satisfactory to the Law Department of the City of Boston to the Star Brewing Company, a corporation duly organized under the laws of the Commonwealth of Massachusetts, and having a usual place of business in Boston, the right and easement to construct and maintain, in accordance with the above-mentioned plans and to the satisfaction of the Commissioner of Public Works of the City of Boston for the time being, the building over the said land taken for sewerage purposes as is shown on the above-mentioned plans, reserving, however, to the said City of Boston the right to go upon the said premises, by its agents or servants, at any and all times to maintain, repair and reconstruct the said sewerage works, and his Honor the Mayor is further authorized to deliver to the said Star Brewing Company, upon payment to the said City of Boston of one (1) dollar, the said written instrument.

Referred to Committee on Public Lands.

LOAN OF \$375,000 FOR RECONSTRUCTION OF STREETS.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I am in receipt of the attached communication from the Commissioner of Public Works in which he requests that a loan of \$375,000 be made available for the reconstruction of streets.

It is essential that this loan be given early consideration in order that the Public Works Department may start actual construction as early as possible on this year's program. I submit herewith an order providing for this loan, and respectfully recommend its adoption by your Honorable Body.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 23, 1936.
To the Honorable Mayor.

Practically every year a sum of money is provided either by loan or in the budget for the reconstruction of various streets in the City of Boston. In the year of 1935 no money was requested, due to P. W. A. activities. This year, in going over the budget with the Budget Commissioner, the suggestion was made that the work of reconstruction of streets be handled by a loan.

I respectfully suggest that a loan appropriation for the reconstruction of streets be made in the sum of \$375,000. The streets to be reconstructed under this loan, and which are badly in need of said reconstruction are:

Dorchester avenue, Wards 6 and 7, West
Fourth to West Seventh streets..... \$27,300

Fulton street, Ward 3, Clinton to Lewis streets.....	\$15,100
Intersection of Gallivan Boulevard and Washington street.....	3,500
Merrimac street, Ward 3, Causeway to Portland streets (including Causeway and Portland street intersections)...	17,600
Morton street, bridge to Norfolk street...	11,000
Neponset avenue, section turned over to Public Works Department by the Commonwealth of Massachusetts...	10,000
North street, Ward 3, Ferry to Commercial street.....	3,500
State street, Ward 3, Washington street to Merchants row.....	12,200
Warren avenue, Wards 4 and 5, Berkeley street to Columbus avenue.....	55,400
Washington street, Ward 3, Haymarket square to abutment of Charlestown Bridge.....	48,200

In addition to the streets named, each year two asphalt patching contracts are awarded by public advertisement to do the necessary patching and repairing on all asphalt surfaced streets. The estimated cost of that work, namely, \$145,000, is included in the amount of \$375,000 requested.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Ordered, That the sum of \$375,000 be, and the same hereby is, appropriated, to be expended by the Commissioner of Public Works, for Reconstruction of Streets, and that to meet said appropriation the City Treasurer be authorized to issue, from time to time, on request of the Mayor, bonds or certificates of indebtedness of the City of Boston to said amount.

Referred to Executive Committee.

SEAVER STREET AS ONE-WAY STREET.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Traffic Commissioner relative to your order of February 24, 1936, concerning the advisability of making Seaver street one way from Blue Hill avenue to Columbia road, Ward 14.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Traffic Commissioner, March 20, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated February 24, 1936, which reads as follows:

"Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to consider the advisability of making Seaver street one way from Blue Hill avenue to Columbia road, Ward 14."

Our engineers do not deem it advisable to make that portion of Seaver street between Blue Hill avenue and Columbia road one way. This street is of average width and the making of it one way would cause a great inconvenience to motorists because it would force them up Columbia road to Blue Hill avenue and thence down Blue Hill avenue to Seaver street, during which detour they would encounter two traffic signals besides having to travel more than 1,500 feet out of their way.

Respectfully yours,

WILLIAM P. HICKEY, Commissioner.

Placed on file.

SURVEY OF LIGHTING CONDITIONS.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of February 10, 1936, concerning a survey of the lighting conditions of the streets of the City of Boston.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 23, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 3 with attached order of City Council dated February 10, 1936, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to make a survey of the lighting conditions of the streets of the City of Boston and determine the street locations of overhead lighting service and also underground service. Also to determine the cost of replacing the 9,500 gas lamps now in use with electric lights."

and to state that:

1. The Public Works Department already has at the present time the locations of all gas lamps and all electric lamps in the City of Boston.

2. To determine the cost of replacing 9,500 gas lamps now in use with electric lights the department has again contacted the Edison Electric Illuminating Company who again repeat that they can install approximately 4,700 80 candle-power street lamps to replace the corresponding number of gas lamps and this cost would be approximately between \$300,000 and \$350,000. The cost to said Edison Electric Illuminating Company includes new investment necessary to supply this service. The letter also states:

"In order to give you any reasonably near approximation of the money that would have to be spent to supply the balance of the lights in question a very considerable expense would be necessary and several months would be required in order to secure the necessary field data required to make the estimates.

"As you have already been advised we have at present no facilities on the streets where the balance of the lamps would be located."

It is to be borne in mind that in the installation of an underground system to be able to take care of 4,750 small candle-power lamps the city would be compelled to pay \$54 for each lamp post so installed, and in addition to the cost to the Edison Electric Illuminating Company, it would entail a cost to the City of Boston of approximately \$250,000, more or less.

Respectfully yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

APPROPRIATION FOR HYDE PARK PLAYGROUND.

On motion of Coun. WILSON, the Council took up, under unfinished business, No. 2 on the calendar, viz.:

2. Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to transfer:

From the appropriation of Sales of City Property, \$10,000, to the Appropriation for Playground, Wood Avenue, Hyde Park, \$10,000.

On March 2, 1936, the foregoing order was read once and passed, yeas 17, nays 1.

The question came on giving the order its second and final reading and passage.

Coun. TOBIN—Mr. President, I don't think we ought to act upon this matter at this time, out of deference to the councilor from Hyde Park (Coun. Norton), who has not yet arrived. I know that he is very much interested in the order and, whether it is defeated or passed, I think it should be only acted upon when all the members are here. I think the only reason for calling it up at this time is that the councilor from Dorchester (Coun. Wilson) thinks that there will not be enough votes to pass it, and that it will therefore be defeated. I think out of courtesy to our fellow member from Hyde Park, who will be here in a few minutes, we should delay action.

Coun. WILSON—Mr. President, just a few words for the record. There is something in what the councilor from Ward 15 says. If the councilor who is so much interested in this particular order had not been so invariably against the spending of money for playgrounds and other matters, except when he is concerned in Hyde Park, there might be more sense in his advocacy of the order. It seems to me the members of the Council have had plenty of opportunity to look over the order submitted by the Mayor since March 16. If they wish further postponement, that is perfectly satisfactory to me. I do wish to repeat, however, what I said three weeks ago, that since it has been up to this particular taxpayer to settle his indebtedness to the city, going back to 1931, upon this land at the margin of Neponset river, and has not done so, I see no reason why the City of Boston should not take this property the same as it would take any dwelling house property, which might belong to you or me, upon which the owner had not paid his taxes back to 1931. I don't know why the city should make fish of one and fowl of another, but I will withdraw my motion and trust that the matter will be taken up in the Executive Committee.

CLEANING OF WARD 2 STREETS.

Coun. MELLEEN offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to immediately clean the streets and alleyways of Ward 2, even if it required an increase of the present working force.

Passed under suspension of the rule.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Boston Baking Company, Inc., for compensation for damage to truck by city truck.

Lillian A. Catarius, for compensation for damage to car caused by an alleged defect at 881 Huntington avenue.

Anne M. Connolly, for compensation for damage to car caused by an alleged defect at Jamaica-way and Huntington avenue.

Bessie S. Deveaus, for compensation for injuries caused by an alleged defect in Webber street.

Mary Fay, for compensation for injuries caused by an alleged defect at 11 Aldworth street, Jamaica Plain.

Galassi Company, for compensation for damage to car by city truck.

John Kennedy, for compensation for damage to property at 6 Atlantic street, South Boston, caused by stone from street.

Mitchell A. Mintz, for compensation for damage to car caused by an alleged defect at 103 Humboldt avenue, Roxbury.

Michael Needham, for compensation for damage to property at 140 and 142 Boston street, caused by ice and snow lifting device.

Rita Ryan, for compensation for damage to coat caused by an alleged defect at Greenwood and Erie streets.

Suffolk Real Estate Trust, for compensation for damage to property at 52 Beverly street, caused by broken water hydrant.

Ernest Watson, for compensation for damage to property at 4019 Washington street, Roslindale, caused by negligent maintenance of sewer.

William C. Williams, to be reimbursed for judgment issued against him on account of his acts as operator of motorcycle of Police Department.

Helen Wright, for compensation for injuries caused by an alleged defect in Boylston street.

Executive.

Petition of Boston American League Baseball Company for season license for Sunday sports.

Committee on Jitney Licenses.

Petition of Middlesex and Boston Street Railway Company for license to operate motor vehicles between Newton line and Cleveland Circle, on Beacon street, over Beacon street to Cleveland Circle and around the circle.

Petition of Medway and Dedham Bus Lines for license to operate motor vehicles from Dedham line to Park square, viz.: from Dedham-Boston line on Route 1, thence over State Route 1 to Spring street; thence on Spring street to Centre street; thence on Centre street to Columbus avenue; thence on Columbus avenue to Park Square; and return over same route.

SIDEWALK ASSESSMENTS.

A communication was received from the Commissioner of Public Works together with order assessing half of cost of construction of sidewalks adjoining estates on Thornton street, viz.:

Thornton street, Ward 11, half cost, \$152.16.

Report accepted; said order passed.

SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in the City of Boston for the month of March, 1936.

Report accepted; said order passed.

WARD 11 AUTOMATIC SIGNALS.

Coun. KILROY offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to furnish the City Council with an estimate of the cost of installing automatic traffic signals at the junction of New Heath street and Columbus avenue, Ward 11.

Passed under suspension of the rule.

SOCIAL SECURITY ACTS.

Coun. BRACKMAN offered the following:

Ordered, That the Legislative Committee of the Boston City Council be instructed to appear before the Legislature and urge the passage of the bill now pending before said Legislature which purports to make our state law conform with the Federal social security act which reduces the eligible age for old age pensions from seventy to sixty-five years.

Coun. BRACKMAN—Mr. President, this matter is now before the Legislature and has been since before the start of this session. It is proposed to bring our laws into conformity with the Social Security Act passed in the last session of Congress. The present age in Massachusetts at which the old-age pension law goes into effect is seventy. The proposed law reduces the age to sixty-five, so that we may receive the benefit of the amount to be given to various states to take care of this pension. I think now is the time to act upon the matter, while it is pending before the committee, and I hope the order will pass.

The order was referred to the Committee on Legislative Matters.

PROPERTY ACQUIRED BY TAX SALES.

The following was received:

City of Boston,
Office of the Mayor, March 23, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Superintendent of Public Buildings relative to your order of February 24, 1936, concerning certain information relative to property acquired by tax sales.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Buildings Department,
March 23, 1936.

Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—In reply to request from the City Council of March 11, 1936, relative to information on property acquired by the City of Boston through foreclosures by the Law Department, I inclose a report covering all improved property on which the Law Department has been able to furnish information pertaining to amounts due the city.

The figures in the column showing amounts

owed the city on date of decree are correct as far as they go, but I have not had time to check amounts due, if any, for street, sewer and sidewalk assessments, water bills or moth tax, etc. These amounts will be obtained for a final report later.

In the time I have had it has not been possible to obtain the requested information on the hundreds of vacant properties. However, I will continue to assemble these amounts and make a complete report.

Respectfully yours,
ROSSELL G. HALL,
Superintendent of Public Buildings.

NOTE: The amounts owed the City of Boston are listed from figures obtained from the Law Department and in some cases do not include assessments due for betterment, water bills, moth tax, etc.

Placed on file.

REVISION OF W. P. A. REGULATIONS.

Coun. ROSENBERG offered the following:
Ordered, That his Honor the Mayor be requested to intercede with President Roosevelt and Harry L. Hopkins, Federal Relief Administrator, to consider the advisability of revising the present regulations of W. P. A. to permit assignments to applicants for relief work who have registered after May 31, 1935.

Coun. ROSENBERG—Mr. President, you and I and other members of the body have probably had the experience of being approached by ap-

plicants for relief, who have gone down to seek employment from the W. P. A. office, and have found upon doing so that unless they were registered prior to May 31, 1935, they were not eligible to a place on the roll. I believe that is an unjust regulation—that those registered prior to May 31, 1935, are to be given preference, while those not registered at that time, and who may be in as great or even greater need, are not to be considered. I believe the rules should be amended so that every person needing relief may have an equal opportunity to consider employment under the W. P. A. regulation. The fact that they were

not registered on May 31, 1935, should not be a barrier or bar. I know many will say that hundreds and thousands on the records today here will not be employed. I agree with that. We know of families where seven, eight or nine members are out of employment, are not working, and every one of them has gone down to a W. P. A. office and registered, although under the regulations only one in such a case can receive employment. But the regulations should not bar those who have not been able to file prior to May 31, 1935. All should be given an equal opportunity to secure employment. This is not a question

like filing an income tax, which must be done by March 1 or March 15. In this case a purely arbitrary date is named, and those who were not registered by May 31, 1935, under the rules are barred. That certainly is not just, and that rule should be amended.

Coun. DOWD—Mr. President, if there is no objection, I move that this be sent to the Executive Committee, and that the local administrator, Colonel Sullivan, be sent for, so that we may find out the exact status of those who are working for the W. P. A.

Coun. Dowd's motion was carried, and the matter was referred to the Executive Committee.

REPAVING WARD 14 STREETS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, Warner street and Floyd street, Ward 14.

(Coun. ROSENBERG submitted for the minutes the following, from a constituent:

May I not call your attention to the deplorable and dangerous condition of Warner street, Dorchester? Last year I wrote to our then councilor and called his attention to the same, and at that time I inclosed a petition signed by all the tenants, neighbors and owners of the properties on Warner street, asking that the street be repaired. All that was done was a shovelful of macadam thrown here and there. The street is actually in a dangerous condition. The excavations and holes are a nuisance and are probably costing the city more money in personal injuries and damages to property than would be the expense in having the street macadamized. Cannot something be done? Will you not use your efforts and see that Warner street is repaved or macadamized?)

The order was passed under suspension of the rule.

BUS LINE TO CARSON BEACH.

Coun. ROSENBERG offered the following:

Ordered, That the trustees of the Boston Elevated, through his Honor the Mayor, be requested to establish a bus line from Franklin Park Station, at Blue Hill avenue and Columbia road, to run down Columbia road through Edward Everett square to Columbia Station and terminate at Carson Beach, during the summer months, at such time as it may be deemed advisable to operate said route and that a five-cent fare be charged.

Coun. ROSENBERG—Mr. President, speaking on that last order referring to the proposed bus line, I was speaking to Mr. Dana of the Elevated and he told me that the previous order never reached him, and suggested that I introduce this order again, so that it may be taken up and acted upon by the Trustees of the Boston Elevated.

The order was passed under suspension of the rule.

RECESS.

The Council, at direction of President FITZGERALD, at 2.37 p. m., took a recess subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.43 p. m.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Action on appointments submitted by the Mayor March 16, 1936, of John Day and Charles Newton, to be Weighers of Goods; and John Biddescomb, William Currie, Donald W. Lamb and W. Chester Welch, to be Weighers of Coal.

The question came on confirmation. Committee, Coun. Agnew and Mellen. Whole number of ballots, 17, yes 16, no 1, and the appointments were confirmed.

APPROPRIATION FOR HYDE PARK PLAYGROUND.

President FITZGERALD called up, under unfinished business, No. 2 on the calendar, viz.:

2. Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Sales of City Property, \$10,000, to the appropriation for Playground, Wood Avenue, Hyde Park, \$10,000.

On March 2, 1936, the foregoing order was read once and passed, yeas 17, nays 1.

The question came on giving the order a second and final reading and passage.

Coun. WILSON—Mr. President, not so hasty. I understand that this is the \$10,000 order which we have spent a large part of the afternoon upon. Just for purposes of the record let me say that my opposition to this order is not because of any feeling against playgrounds for children or for the poor of the city. It was largely through my efforts that the Dunbar Avenue Playground was obtained in Ward 17, and I voted for the Fallon Playground, in the district of the gentleman near

to me (Coun. Finley). I believe at that time the councilor from Hyde Park (Coun. Norton) voted against that. But that is neither here nor there. I simply say this to show that I am not against playgrounds as playgrounds. But I do not want to see the natural desire for the establishment of playgrounds in any section of the city used as a vehicle for somebody to take an advantage to which he is not entitled. This land in Hyde Park comes to us under peculiar circumstances. We heard first that it was ex-Governor Foss' land, that he had owned it for years, and that he wanted to sell it to the city, or that he was in a position where he might be teased into selling it to the city for \$10,000. Then we heard that he would not require quite so much teasing as was thought, when it was found that the Park Department had discovered some other land for sale. But suddenly, strange to say, we find that Mr. Foss thought, as appears from some source, that he was going to get \$25,000 for this piece of land, although that may be simply salesmanship. And then we are told that if this particular piece of ground in Hyde Park were to be bought for use as a playground, a quarter of a million dollars of Federal money would be spent upon it, although Mr. Murphy told us that there were a lot of better places to spend it. But we find that there are unpaid taxes on the land since 1931; also, incidentally, that Mr. Foss is not the owner of the land, but that it stands in the name of the Massachusetts Bonding & Mortgage Company; that instead of its being the wonderful bargain that some of our members seem to think, the land is assessed for only \$11,000, and that during the five years from 1931 to 1935 taxes upon it amounting to \$2,472.94 have accumulated. I was under the impression a couple of weeks ago, when this order was introduced, that it was simply a question of the payment of the 1931 taxes, but it appears today that while the tax title has been outstanding since as long ago as 1931, unpaid and accumulating taxes have apparently been carried down, since the happy days of 1927, 1928 and 1929, unpaid taxes, on this very property, seemingly dating back to those old happy days. I cannot help thinking that if it were property of the ordinary taxpayer in my ward, where people are up against it, and where the thing had not been running along anywhere nearly as long, my constituent or my constituent, the everyday man, would have lost his property under a tax sale. But, because we have here a case of an ex-Governor of the Commonwealth, it appears that out of the mist and dust of all these years we now find this offer to sell this property,—which under ordinary circumstances would have been lost to the everyday property owner and which is a proper subject for completing the city's title in the Land Court,—for, as we thought, \$10,000, and as it now appears, Mr. Foss thought, \$25,000. This, in spite of the fact, that there are over a series of years unpaid taxes to the amount of \$2,472.94 against the property, as well as presumably unpaid taxes of years gone by, and when the natural process would be for the city to complete its tax title in the Land Court, thereby wiping out the \$2,472.94 since 1931, applying the remaining \$7,500, or whatever it is, that might be realized, to other unpaid taxes that this owner owes the city. I see no reason why the Law Department of the City of Boston should not be instructed tomorrow morning to go ahead and complete this tax title in the Land Court, as would naturally be done with any other tax-title property of the city, whether at Roxbury Crossing, the Back Bay, Dorchester, or in other sections. Let the Corporation Counsel go to the Land Court and take steps to complete the title. Of course, the owner will still have his rights to reclaim the property upon proper payment. And let me say again that this does not mean that I am against playgrounds for children. I don't want any smoke screen started to that effect. Neither am I against paying the owner of that land the proper price for the property, if it should come to that, nor against giving him an opportunity to reclaim it. I do feel, however, that it has been entirely improper to allow the nonpayment of taxes on this property to go along as it has, with no land court action taken to complete the tax title in the City of Boston, admitting, of course, that in any proceedings any rights that the owner may have, as well as the rights of the city, should be preserved.

Coun. AGNEW—Mr. President, while not intending to impeach any of the statements made by the councilor from Ward 17, nevertheless, I am not entirely in accord with what he has said regarding this transaction. I would like to have it understood that I am not opposed at any time to playgrounds or to the improvement of playgrounds in any district of Boston, and that at any time I am able to encourage further playground facilities when I can possibly do so. At every opportunity so far as my own district is concerned, I have made request after request for playgrounds and the improvement of playgrounds therein. But in this particular instance, while I do not want in any way to refute what has been so ably said by Councilor Wilson in regard to this particular transaction, in my opinion he has been a little off. In 1931 the city obtained a tax title, and in 1933 the period of redemption expired. Up to the present time the city has taken no steps to secure a Land Court title giving to the city that particular piece of property for the amount owed to the city, \$2,472.94. There has been some talk to the effect that if the city takes this piece of land and makes it into a playground—at the present time I understand that it is only a swamp—the Federal

Government will spend \$225,000 in putting it into playground condition. It is the opinion of men dealing with property, the personal opinion of Mr. Murphy of the Assessing Department, that that amount is far, far in excess of what should be expended on any playground, but the mere fact that none of this money will be expended by the city is advanced as an enticement for us to vote for this particular order. Now, what difference does it make whether the City of Boston or the Federal Government will spend that money? A certain portion of that expenditure will fall on the backs of the taxpayers of Boston, one way or the other. Another argument set forth here is that many men will be placed at work on this playground. That is a myth, bunk. We know from practical experience that, no matter what the project may be, no more men can be assigned to W. P. A. projects, that we cannot get any more assigned. In my opinion, however, this offers a golden opportunity for a trade on this piece of land. It will produce a certain amount which can be used for taxes on this and other pieces of land, the city taking this property off the hands of the owner and applying the proceeds to whatever other tax money may be owed the city. Major Hall has several hundred pieces of property in hand that unfortunately he has not had an opportunity to trade with in this way. I say, therefore, that this particular transaction should go through the regular tax title channels, and then that later, when it is foreclosed in the Land Court and the city has obtained this piece of property it will be getting it for the outstanding taxes.

Coun. SHATTUCK—Mr. President, it seems to me there are two questions for us to consider. The first is, Do we want this particular piece of land for a playground? Is it so located with reference to the school that it is desirable for a playground? If it is desirable for a playground, what is its condition today? Is it under water? How much would have to be spent upon it, and who will do it? If it is decided that the land is so located that it is suitable for a playground and it can be developed at a non-unreasonable cost, and we know where the money is coming from and what it will cost, the question then is, whether \$10,000 is a proper price to pay for it. I think the two questions should be considered separately and that they should be considered before we are asked to vote on the matter. I certainly should like a full answer to the first question, namely—Is the land so located as to be desirable for a playground, what is its condition as to swampiness, and what it is going to cost to grade it and fix it up for playground purposes? I hope the gentleman from Hyde Park (Coun. Norton) will fully explain that part of the question before we come to the price.

Coun. NORTON—Mr. President, just a word in reply to the councilor from the Back Bay. The Park Department has approved this land as a playground area. We have had the worst luck, so far as flooding is concerned, in the history of Massachusetts in the past few weeks, and yet this land that is referred to is not today a swamp. There was no water on that land at 5 o'clock today. It is not a swamp. As I say, it has been approved by the Park Department as a playground area. It is strategically well placed, right in front of the Hyde Park High School, or perhaps not directly in front, but not farther away than the Boston Post Office. The Hyde Park High School has been obliged at times to lease ground from the Gaelic Football Association, their football field, for athletic games. I think, councilor, that is an answer to your question.

Coun. SHATTUCK—It does not quite answer my question. We are all familiar with the golf course out there that was acquired for a comparatively small price, but upon which half a million dollars has been spent, and I don't know how much more, and which is not a golf course yet. They had to blast a lot of ledges and remake the face of nature. Now, I want to know if they will have to remake the face of nature on this land, and how much it is going to cost. I would like to see an estimate of what it will cost.

Coun. NORTON—Mr. President, the gift under the P. W. A. to put this in proper condition for playground purposes is about \$200,000. So the necessary amount in that respect will be forthcoming. Do you wish me to answer any other questions? I might answer the question of the councilor from Brighton (Coun. Agnew) as to why Mr. Foss is not treated the same as any other person. Mr. Foss is treated exactly the same as every other property owner. The City of Boston has never sold at public sale one of these pieces of property that has been referred to. You heard the chief assessor tell you that in his opinion Mr. Foss was treated worse than the ordinary property owner. The councilor from Brighton also asked why this does not go through the regular channel. It has gone through exactly the regular channel. The tax title has been taken for 1931 taxes. It is in exactly the same category as every other piece of property the taxes upon which were unpaid in 1931. Major Hall has not sold at public auction one of his 600 pieces of land, because the policy of the city has been, before it sells a piece of land, to try to get those taxes. It is not the policy of the city to sell the land for taxes if it is possible to get in the revenue in some other way.

Coun. SHATTUCK—Mr. President, I will ask the gentleman if he will object to postponing action on this question until we have been officially informed as to what the United States Government will do in reference to grading the land?

Coun. NORTON—Mr. President, I am not adverse to postponing action, but this matter has been here for over two months, and the Federal Government has \$200,000 ready to spend on labor out there. Two weeks ago that question was asked. Of course, you can postpone it for a year, if you wish, and throw it out the window. But here is this piece of property, assessed for \$11,000 and for which we would pay \$10,000. If you want to find out more definitely the attitude of the Federal Government in regard to the proposed expenditure, you can telephone and find out in ten minutes that what I have said is so.

Coun. SHATTUCK—We have been told so often about money that was going to come from the Federal Government, and then we have not got it. We appropriated \$20,000, I think, for architects' commissions for a new City Hall, because we were going to get the money to build that building from the Federal Government—which did not arrive. And we also had a strong intimation that we were going to get Federal money to build a new courthouse, and then it did not come. So I think we are really entitled to a statement in writing as to what the Federal Government will do or will not do in this matter.

Coun. NORTON—Mr. President, in answer to that let me say that when we voted money for the architects' fees for the new City Hall, \$20,000, that was based upon information which did not turn out to be correct. The Federal Government did not approve an expenditure for that building. But here is a case where the money has been actually earmarked to spend for this purpose. In the cases the councilor refers to the United States Government had not approved the expenditures when we appropriated the money for architects' fees. In fact, they said no, they would not do it. But here is an earmarked approval of this expenditure.

Coun. SHATTUCK—Mr. President, if the councilor will show me a written authorized statement from the United States Government that they will spend this money, and it is made clear that it will be sufficient to do the work, I will vote for the measure.

Coun. NORTON—Then, send for John Murphy and ask for a written communication to that effect, and you can get it. We can get the information the councilor desires in three minutes. Of course, postpone action if you want to do so. I cannot for the life of me, however, understand the logic of the councilor from Ward 17 (Coun. Wilson) or his reasoning in this matter. Can some one here tell me why this able fellow stands up here and says that Mr. Foss is being treated differently from anyone else? Mr. Foss is being treated the same as anyone else—worse, in the words of the chief assessor. Now, here is a man who owes the city quite an amount in taxes. Here is a piece of land that would form a natural playground for the Hyde Park High School. It is the piece of land they want, a place where the boys can play. Here is a man who says that this is going to Mr. Foss, this \$10,000. No, Mr. President, it is going for taxes on that land and on other land, and the National Government steps in and says, "Take it and we will give \$200,000 to fix it up," and that will put men at work. Now, in the name of common sense, why should you listen to these objections that have been made here? Just imagine,—what kind of reasoning or logic is it to take such a position when men are walking the streets here looking for work and when here is a chance to take this land which is needed for a playground, and fix it up, not a nickel for that fixing up going over the counter of the treasury of Boston. A thousand men will perhaps be given some weeks of work. Now, nothing is being done so far as this land of Mr. Foss is concerned that is not being done with other land. Suppose somebody does state that Mr. Foss wants \$25,000 for this piece of land. It might be natural for him to want it, but you heard what Mr. Murphy said. There will be no difficulty on that score. Go ahead and make any private or public investigation you want to make, and you will find at the end that Mr. Foss is not being treated differently from other people, the gentleman from Ward 17 to the contrary notwithstanding. Major Hall has all these other pieces of land, which have come from other people in the city, but they have not been disposed of, and no effort has been made in that direction. In the meantime, here is this land for which it is proposed to appropriate \$10,000 and the assessed valuation of which is \$11,000. Of course, Eugene Foss has a perfect right to go in and bid for the land, and will be given preference in the matter, so he will lose none of his rights. However, if you wish, as the gentleman from Ward 17 suggests, go up to the Land Court tomorrow and get the completed title. Fine! Let's go! But if you want to go ahead, having taken the land for unpaid taxes and sell it, proceed to do so. Mr. Foss can bid it in and the matter will then stand where we started. Shouldn't this whole thing be clear to us all? If we took a house in the councilor's ward and sold it at public auction, taking a home from some family, it might then be said that we were treating Mr. Foss differently and there might be some ground for complaint. But there has been no such case with any house in Boston. In the meantime, this matter has been before the Council for two months, there is a chance to take this land which is needed for a playground for that school, to take it at a very reasonable price, and the Federal Government will supply \$200,000 to put it in condition as a playground, putting a number of men at work at a

time when work is needed. The councilor has referred to what he considers an inconsistency on my part with reference to action taken upon a playground in West Roxbury some time ago, which I voted against, Fallon Field, West Roxbury. Yes, I did vote against Fallon Field, West Roxbury. I went to the Real Estate Exchange and paid \$100 out of my own pocket to have a real estate expert sent out there. If you will call up the secretary of the Real Estate Exchange by telephone, you will find that that was the situation, that I paid \$100 for that purpose. The expert came around, made an impartial investigation, and found that what the City of Boston was expected to spend \$60,000 for was worth \$30,000 or less. Now, here is a piece of land assessed for \$11,000, which we can buy for \$10,000. Fallon Field was worth \$30,000 or less, and we were expected to pay \$60,000. And yet the colleague wants to know, "What is the difference?" Well, we have out there that piece of land which is needed for use by these kids, a piece of land which can be made into a good playground, and for which the Federal Government will spend \$200,000 and more. There is the best place in Hyde Park for a playground in connection with the Hyde Park High School. Gene Foss owns that land, and it is assessed for \$11,000, and can be purchased for \$10,000. It is in front of the Hyde Park High School. The kids have no place to play. They have to hire the field of the Gaelic Football Association, who bought a piece of land near there for an athletic field. The Federal Government steps in and says, "If you buy that piece of land, paying \$10,000 for it, we will spend \$200,000 to put it in shape for the youngsters in the high school." Why all this fuss, all this objection? We spend millions for playground purposes, and no objection is raised. Why should we now have this thing held up for two months under the circumstances I have stated? Now, let me say that I will donate \$100 to any charity in Boston if the councilor from Ward 17 can show one case where we are treating this man Foss any differently from the way we are treating the poorest people in Boston. I will donate \$100 to any charity if any member of the body can show that there has been any preference shown toward the Foss land. The government stands ready to spend \$200,000 outright, cash, in fixing this land up and putting men in your ward and my ward at work, and here we have been holding it up for over two months.

Coun. BRACKMAN—Mr. President, I don't want to prolong this discussion, but I think some things that have been said here should be answered. I think if this piece of land was in my ward and I asked the city to buy it, under the circumstances which have been set forth here in regard to this particular property, the councilor who has just spoken would rise up in wrath and indignation and denounce every city official who was asking to have the order go through. I believe in calling them as I see them. I voted for this order two weeks ago, not knowing facts, but willing to vote to give it its first reading subject to subsequent investigation. I don't think anybody is getting a nickel out of the thing, but I do think our friend the ex-Governor is going to get a great break if it goes through. Here is a piece of land that Mr. Murphy says is not worth \$10,000. It looks to me like wiping off a deadhead, and we will probably wipe off some of the other deadheads, but we are doing it with the City of Boston's money. In other words, we are helping him to square his debts on these other parcels of land. I would like to believe that the W. P. A. is going to spend a lot of money and put a large number of my constituents at work. Unfortunately, however, we have letters here which show that they are tightening up, and that many of the men even who have been working on the W. P. A. have been dropped. Certainly, there will be no chance to employ new people. They have shut the thing down, and a lot of the people who should be employed under that project are not being employed. They have reached the end of their rope on W. P. A. So I can't see the Federal Government spending \$200,000 in fixing up this piece of land, for which the city is now asked to spend \$10,000. I, like the other members, am in favor of playgrounds. I have never voted against one since I have been in the Council. I have also voted for every possible improvement in that direction that would help the children of the district in recreation, in connection with their education in the public schools. But don't let us be swayed today with the promise of W. P. A. jobs.

Coun. NORTON—Mr. President, if the W. P. A. is not ready to spend the \$200,000, then everything is off, goes by the board. The whole thing is out the window.

Coun. ROBERTS—Mr. President, do I understand so far as either Foss or the Mortgage Company are concerned, that the whole deal is to be called off if there is not this assistance from the Federal Government?

Coun. NORTON—Mr. President, the land belongs to Mr. Foss, and unless this promised money from the Federal Government is to be put into fixing it up, the thing is off.

Coun. ROBERTS—Mr. President, I would like to ask why it is that the councilor from Hyde Park is in a position to know so much more about this than Mr. Murphy or others, as to the attitude of the Mortgage Company or Mr. Foss?

Coun. NORTON—The Mortgage Company are merely people that have the mortgage.

Coun. ROBERTS—Well, I have asked a question, and I would like to have an answer.

Coun. NORTON—Yes, Mr. President, I happen to know as much about that particular phase of it as anybody. In the first place, it is in my ward, and I have been in contact with various officials on the whole proposition for the last three months, and I say here categorically that if the government does not spend the money which it is proposed to put into this piece of land, the whole thing is off.

Coun. ROBERTS—Mr. President, I would like to ask what authority the councilor has for making that statement, not being an administrative officer of the city?

Coun. NORTON—Well, that is a nice sweetheart of a question! But I am ready to answer you. I know that the city has no money to put into the fixing up of this land. That is common sense, and I am not going to ask the City of Boston to spend a nickel for that purpose. Your question is answered. But the Federal Government is to spend \$200,000. You ask me to prove it? I think I have offered plenty of assurance and proof this afternoon.

President FITZGERALD—The Mayor sent the message in here with the understanding, as stated, that the government was going to provide the money.

Coun. ROBERTS—Well, Mr. President, that was not my question. I wanted to know what assurance there was that Mr. Foss and the Mortgage Company would call off the deal if the government did not spend the \$200,000?

Coun. NORTON—That can be easily verified by talking with Mr. Murphy, Mr. Foss, the officials of the Park Department and the W. P. A. people.

Coun. DOWD—Mr. President, I believe we have spent enough time on technicalities this afternoon. I cannot concur with the councilor from Ward 17 (Coun. Wilson) in regard to the tax title argument he has used. The only matter that interests me is the fact that whatever additional money there may be in the \$10,000, above the amount necessary to meet the taxes on this piece of land, will be paid on other taxes that are due to the city and that the city is going to get the money; and also that, with the government appropriation of \$200,000, men are going to be put at work in a time like this when employment is so much needed. If the assumption is correct that the United States Government is going to enter into this matter and place even fifty men at work for a period of three or four months, that will amply repay the members of the City Council for voting for this order; secondly, I assume that Hyde Park is entitled to a playground for the children. Therefore, I am certainly going to vote for this order, disregarding any mere technicalities. I shall vote for the order if it will put only fifty men at work. They are fathers, many of whom are now idle, and who need money for the support of their families. They are entitled to an opportunity to work. I think also that the children of Hyde Park, the same as those of any other section in Boston, are entitled to a playground.

Coun. McGRATH—Mr. President, Mr. Murphy was called into executive session, and said that Mr. Foss was treated worse than other individuals. He also said that he has held a piece of property since 1925, and I think \$35,000 was paid last week on it to the City of Boston. That is not the Foss property but the property of somebody else. So I don't think favoritism has been shown here in that respect. I have implicit faith in Mr. Murphy. I know Mr. Murphy's ability. He did not say that the property was not worth \$10,000. He said it was worth \$10,000 in the transaction that was to be performed. I had some experience two years ago with the tax titles, and, as I said in executive session, the men dealing in these tax titles were a lot of vultures, and I reiterate that statement. But, due to Mr. Doherty, the situation has been changed. So now anybody who wants to buy a tax title must put a substantial deposit on it. As long as we are talking about tax titles, what is to stop Mr. Foss going in and buying this piece of property back at a tax title sale? He can settle the taxes and clear the thing up through the Land Court. In regard to the other 600 or 700 parcels that we have, I say, give them back to the poor people who own them, if they can raise the money, and, if they cannot, make a substantial reduction. Take some action that will help the people of Boston. I voted awhile ago against the proposed Federal slum clearance plan, feeling that it was unconstitutional. I said so when I voted against it, but it passed the Council. The United States Government about two weeks ago, however, withdrew it from the United States Supreme Court, when a judge down in Louisville, I believe, declared that the slum clearance idea was unconstitutional and that the government could not grant money for the purpose. But this is a different question. The amount involved here is \$10,000, so far as the city is concerned, for land for a playground, and the Federal Government promises to give \$200,000 to fit it up for playground purposes. Not a cent of this is to be given to Mr. Foss. We are all interested in playgrounds. I am seeking a playground in my district, in the Cushing Hill section. During my campaign in Ward 15 a committee of children met me. They said "Are you Mr. McGrath?" I said, "Yes." And then the spokesman for the children said, "We have to walk about a mile and a half to one playground and a mile to the other, across Gallivan Boulevard, and when we get there we are tired, and when we play football we always get defeated, is there

anything you can do to help us?" So I am in the position where I will ask for an appropriation for a playground there, and with so much dickering and bickering on these matters I can see that the people of my section may not have the playground. But I will be in there fighting for it.

Coun. MELLE—Mr. President, I started out originally by voting against this order, but I have had some chance to look into the matter and I have now changed my mind. I think this order providing \$10,000 is a vital one, because of the fact that men will go to work under this W. P. A. project. Anything that will be the means of furnishing employment to people at this time should be encouraged.

The order failed of its final reading and passage on roll call, a two-thirds vote being required for passage, yeas 13, nays 7:

Yeas—Coun. Doherty, Dowd, John I. Fitzgerald, Peter J. Fitzgerald, Gleason, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Norton, Rosenberg, Tobin—13.

Nays—Coun. Agnew, Brackman, Finley, Gallagher, Roberts, Shattuck, Wilson—7.

On motion of Coun. NORTON, the rejection of the order was reconsidered and it was assigned to the next meeting of the Council.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on petition of National League Baseball Club of Boston (referred March 9) for season license for Sunday sports—recommending that permit be granted.

Report on petition of Boston American League Baseball Company (referred today) for season license for Sunday sports—recommending that permit be granted.

Reports accepted; licenses granted on usual conditions.

2. Report on message of Mayor (referred today) re letter from Board of Assessors relative to unpaid taxes by present owner of tract of land in Wood avenue section of Hyde Park—recommending that same be placed on file.

Report accepted; said message placed on file.

3. Report on order (referred today) that the Mayor be requested to intercede with President Roosevelt and Harry L. Hopkins, Federal Relief Administrator, to consider advisability of revising present regulations of W. P. A. to permit assignments to applicants for relief work who have registered after May 31, 1935—that same ought to pass.

Report accepted; said order passed.

4. Report on message of Mayor and order (referred today) authorizing transfer of \$661 from appropriation for Kitchen Buildings, etc., to Hospital Buildings, Plans, etc., Boston City Hospital—that same ought to pass.

Report accepted; said order passed, yeas 19, nays—Coun. Tobin—1.

5. Report on message of Mayor and order (referred today) appropriating \$375,000 to be expended by Commissioner of Public Works for reconstruction of streets—recommending reference to Committee on Finance.

Report accepted; said reference ordered.

ADDITIONAL FIREMEN AND POLICEMEN.

Coun. AGNEW offered the following:

Ordered, That the Fire Commissioner be requested, through his Honor the Mayor, to appoint immediately three hundred firemen to fill existing vacancies in the Fire Department and to insure the residents of Boston the protection to which they are entitled.

Ordered, That the Police Commissioner be requested, through his Honor the Mayor, to appoint immediately three hundred patrolmen to fill existing vacancies in the Police Department and to insure the residents of Boston the protection to which they are entitled.

Severally passed under suspension of the rule.

SUNDAY SERVICE, CITY HOSPITAL BUS LINE.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That his Honor the Mayor request the trustees of the Boston Elevated Railway to operate the Savin Hill-City Hospital bus line on Sundays from 1 p. m. to 8 p. m.

Passed under suspension of the rule.

MUNICIPAL SERVICES TO FLOOD VICTIMS.

Coun. TOBIN offered the following:

Ordered, That the Mayor of Boston consider the advisability of instructing all department heads of the city to waive any residence requirements as to people in the flood area who desire use of our facilities, so that all municipal services of Boston may be available to flood victims during the present emergency.

Coun. TOBIN—Mr. President, a lot of our health facilities which are available to citizens of Boston are not available to nonresidents. Many municipal services furnished by the City of Boston to its citizens are not granted freely to nonresidents. I have in mind the fact that in the present emergency people from outside cities, not having the facilities we have, would like to take advantage of the opportunities that exist here, and that his Honor the Mayor might instruct the heads of departments in such cases to waive the usual requirements and give to those nonresidents the same treatment that the people of the City of Boston are receiving.

The order was passed under suspension of the rule.

WARD 20 IMPROVEMENTS.

Coun. FINLEY offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, Aldrich street, Ward 20.

Ordered, That the Board of Street Commissioners, through his Honor the Mayor, be requested to accept and lay out, under the W. P. A. type of construction, Oak avenue, Ward 20.

Severally passed under suspension of the rule.

CONSTRUCTION OF WARD 16 STREETS.

Coun. McGRATH offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to proceed with the acceptance and laying out of all unaccepted and unfinished streets in Ward 16 under the W. P. A. plan of construction.

Passed under suspension of the rule.

HARROW STREET, WARD 7.

Coun. KERRIGAN offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to accept and lay out Harrow street, Ward 7, as a public highway.

Passed under suspension of the rule.

TAXES OF SUBURBAN REALTY CORPORATION.

Coun. WILSON offered the following:

Ordered, That the Board of Assessors be requested, through his Honor the Mayor, to at once advise the City Council as to the amount of unpaid taxes due the city from the Suburban Realty Corporation for each of the years from 1931 to 1935, inclusive, and if any tax titles are outstanding against said concern then for what years, in what amounts, and the date or dates of such sales.

Passed under suspension of the rule.

PAYMENT TO PARENTS OF ALEXANDER J. MCCARTHY.

Coun. GEORGE A. MURRAY offered the following:

Resolved, That the City Council of Boston hereby favors the enactment of legislation authorizing the city to pay a sum of money to the parents of Alexander J. McCarthy, who died as a result of a fall in the Norcross School, South Boston, in July, 1929, provided that such legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

SIDEWALK ON F STREET, WARD 6.

Coun. GEORGE A. MURRAY offered the following:

Ordered, That the Commissioner of Public Works make a sidewalk along F street, between Seventh and Eighth streets, Ward 6, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of artificial stone, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Passed under suspension of the rule.

WARREN AVENUE, WARD 4.

Coun. ROBERTS offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement Warren avenue, Ward 4.

Passed under suspension of the rule.

CHARGE FOR SCHOOL BUILDINGS TO UNIVERSITY EXTENSION.

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of conferring with the School Committee relative to eliminating the charge for the use of school buildings by the University Extension division of the Commonwealth.

Coun. NORTON—Mr. President, I think it may be possible to work out some plan whereby, in the interests of this University Extension work, the use of schoolhouses might be given free for this purpose at certain hours of the day.

The order was passed under suspension of the rule.

AID TO "NEW POOR."

Coun. NORTON offered the following:

Ordered, That the Mayor of Boston be requested to consider the advisability of conferring with the Directors of Public Welfare relative to working out a policy to aid the so-called "new poor" as well as the "so-called" chronic poor.

Coun. NORTON—Mr. President, a man owns a house and has not applied for welfare. He has kept away from W. P. A. or from asking for relief under any circumstances, but is finally obliged to do so. It does seem that these men who have succeeded in keeping off welfare for months but who have finally been obliged to resort to it, should be helped as well as the other fellow. If a man does own a house, he cannot eat the house, and his children cannot eat the plaster.

The order was passed under suspension of the rule.

THE NEXT MEETING.

Coun. GALLAGHER moved that when the Council adjourn it be to meet on Monday, April 6, 1936, at 2 p. m.; declared carried (reconsidered later).

LAND SWAP WITH TELEPHONE COMPANY.

Coun. NORTON—Mr. President, I would like to ask what has happened with regard to the proposed swap of land with the telephone company?

President FITZGERALD—It is in the committee.

Coun. NORTON—Mr. President, how long do we expect that it will be in the committee? Do I understand that the committee will report either adversely or in favor at some definite date? I want to say that I have looked into this matter of the proposed swap with the telephone company and am pleased to stand here and state, from what information I can gain, that I believe it would be a pretty good idea for the city to go through with the swap. It is the first time I have had to differ with Bob Cuniff across the street, on the Finance Commission. I think this proposed swap stands on an absolutely fair ground, and that what is proposed by the telephone company will benefit that whole section and will result incidentally in benefits to the city treasury and to the whole community.

Coun. KERRIGAN—Mr. President, with unanimous consent I would like to say just a word. When the committee has its meeting upon this matter, we shall be very glad to notify the gentleman from Hyde Park (Coun. Norton).

Coun. NORTON—Thank you.

GOVERNMENT EXPENDITURE ON WOOD AVENUE LAND.

Coun. SHATTUCK offered the following:

Ordered, That his Honor the Mayor be requested to advise the City Council as to what agreement, if any, has been made by the Federal Government to prepare the property at Wood avenue, Hyde Park, for playground purposes and at what cost.

Passed under suspension of the rule.

THE NEXT MEETING.

Coun. DOWD—Mr. President, I object to a two weeks' adjournment, because we never can tell what is going to come up in the next two days. I believe the Council should meet every Monday.

The Council voted to reconsider the passage of the two weeks' adjournment order.

REQUEST OF MUNICIPAL LIGHTING COMMITTEE.

Coun. NORTON—Mr. President, may I ask when the Committee on Municipal Lighting is to report on the gas light business?

Coun. DOWD—Just as soon as we get definite assurance from Commissioner Carven whether or not the Edison Electric Illuminating Company would be able to go ahead and electrify the city, whether within one month or five years. I suppose we will report next week if we get a report from Commissioner Carven.

Adjourned, on motion of Coun. DOWD, at 5:40 p. m., to meet on Monday, March 30, 1936, at 2 p. m.

No. 15

MAYOR MANSFIELD WELCOMES REPRESENTATIVES OF PAROCHIAL SCHOOL SPELLERS TO CONTEST CONDUCTED BY BOSTON "HERALD" AND SCHOOL DEPARTMENT—DISCUSSES, IN ADDRESS, THE VALUE OF FUNDAMENTALS IN EDUCATION AND PROGRESS MADE IN RECENT DECADES—POINTS TO IMPORTANCE AND VALUE OF SPELLING IN THE BUSINESS AND COMMERCIAL WORLD AS WELL AS IN THE WORLD OF CULTURE AND CULTURAL ARTS—PRAISES TEACHERS AND EDUCATORS FOR THEIR WORK.

Upon April 4 Mayor Mansfield spoke as follows at Faneuil Hall in opening Boston *Herald's* spelling bee:
Mr. Sullivan, Chairman of the Boston School Committee, Reverend Father Richard J. Quinlan, Diocesan Supervisor Parochial Schools of Boston, Mr. Harold F. Wheeler, Executive Editor of the Boston "Herald," Mr. Patrick T. Campbell, Superintendent of the Boston Public Schools, Ladies and Gentlemen, Boys and Girls and Radio Friends.

In the good old days when the world was younger and modern theories of education had not developed to the extraordinary degree they have now attained, it used to be generally accepted that the basis of all education was the three R's,—reading, 'riting and 'rithmetic. And a generation ago no one would have dreamed of disputing that assertion.

On this simple foundation in later years a tremendous edifice has been erected, which has constantly grown higher and spread wider until, in the opinion of a great many people, the structure is altogether too top heavy. Many wise observers think that modern theories have gone too far and the structure that has been erected needs to be trimmed, that school courses should be simplified and that many of the things now thought important by educators are in reality fads or fancies.

In very recent times, however, the soundness of the old adage has been questioned and with the invention of the typewriter, which has to such a large extent taken the place of the written hand, many critics believe that writing has ceased to be important. Certainly, it is not as important as it was when the only means of written communication was by handwriting.

And there are some who are bold enough to say that with the invention of machines that add, subtract, multiply and divide merely by pushing buttons and pulling levers, the time is not far distant when arithmetic will not be so important.

I think, however, that the day will never come when reading will not be necessary to a full education and I venture to suggest that spelling is of more importance at the present time and will become more important as the typewriter becomes further developed than penmanship. Because it will be impossible to invent a machine that will spell. The typewriter cannot spell of itself but the person who operates the typewriter must know how to spell or the machine itself is of little use.

Spelling is largely a matter of memory — memory aided, of course, by the sounds of letters and of combinations of letters, by a knowledge of classical languages and word roots and the like — but, nevertheless, it is largely a matter of memory and mental photography. The letters forming the word are instantly photographed in the mind when one is asked to spell it and the importance of this accomplishment can hardly be exaggerated and, I predict, that it will rapidly become more important and will be indispensable to the education of the cultured person.

Any agency, then, that encourages proficiency in this useful and necessary art deserves encouragement. Our teachers who are specialists in spelling deserve great praise for their devotion to their work. The Boston *Herald* deserves special praise for the aid that it is giving in this endeavor and especially to the widespread publicity that it has given to the movement to improve spelling and for the interest that it has aroused among persons who otherwise might remain indifferent.

Great progress and improvement has been made in the art of spelling since these spelling bees were inaugurated by the Boston *Herald* and I wish to congratulate Chairman Sullivan and the other members of the Boston School Committee, Superintendent Patrick T. Campbell of the Boston Schools, and the Reverend Richard J. Quinlan, Director of the Parochial Schools of Boston, for the encouraging results of their painstaking efforts.

As Mayor of the City of Boston I am pleased to welcome the representatives of the various schools who are here to engage in this important contest and to bring to all of you the greetings of the City of Boston.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Wednesday, April 22, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 4, 1936:

MAYOR MANSFIELD SUBMITS ORDER TO THE CITY COUNCIL FOR BORROWING \$4,000,000 FOR PUBLIC WELFARE PURPOSES—IN SUBMITTING ORDER POINTS TO FACT IT CALLS FOR \$3,000,000 LESS THAN WAS ACTUALLY BORROWED LAST YEAR AND IS BUT HALF OF SUM AUTHORIZED TO BE BORROWED FOR NEEDS.

Upon April 6 Mayor Mansfield submitted the following to the City Council:

BOSTON, April 6, 1936.

To the City Council,

GENTLEMEN,—Under the provisions of chapter 80 of the Acts of 1936 municipalities are authorized to borrow during the current year for Public Welfare, Soldiers' Relief and W. P. A. projects, amounts which in the aggregate will not exceed one half of one per cent of the average valuation for the three previous years. Under this authority the maximum amount which Boston may borrow in 1936 is \$8,376,323. In 1935 under similar authority the city borrowed \$7,000,000.

I have received a recommendation from the City Auditor that authority be secured at an early date to borrow under the provisions of chapter 80 for Public Welfare purposes. The auditor states that the amounts the Welfare Department is now spending must eventually be raised through the medium of the tax levy, since under the financial procedure of the city no retroactive charges can be made against a loan. In other words, until borrowings are authorized under the provisions of chapter 80, all welfare expenditures will constitute tax levy charges.

In order to relieve the tax levy of a portion of the relief disbursements of the Welfare Department I submit herewith

an order providing for the borrowing of \$4,000,000, under the provisions of chapter 80 of the Acts of 1936, for Public Welfare purposes. This amount is approximately one half of the maximum amount authorized under chapter 80, and is \$3,000,000 less than the amount actually borrowed in 1935.

While it may be necessary to recommend at a later date additional borrowings under the provisions of chapter 80, it is my sincere intention to limit the issuance of loans for maintenance purposes during 1936 to an amount which will assure at the end of the current fiscal year a reduction in the net funded debt of the city. I respectfully recommend adoption of the accompanying order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Ordered, That under the provisions of chapter 80 of the Acts of 1936 the sum of \$4,000,000 be, and hereby is, appropriated, to be expended under the direction of the Overseers of Public Welfare, for Care of Dependents, and that to meet said appropriation the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount, the same to be issued outside the limit of indebtedness.

office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, April 24, at 2 p. m.

INSTITUTIONS DEPARTMENT.

Advertises for proposals for repairs to steamer "George A. Hibbard." Surety bond will be required in a sum equivalent to the full amount of the contract price. Course Completed: Frances D. Monahan, student nurse, \$600 a year.

Transfer: Marjorie Sullivan, institution employee, attendant, \$600 a year, from waitress at \$316 a year.

Retirement: Mary J. Sullivan, institution employee, head matron, \$1,000 a year.

OVERSEERS OF THE PUBLIC WELFARE.

Eben Rosenfield, temporary clerk, is now employed by the Boston School Department.

The following persons resigned their positions, effective Thursday, April 2: Natalie C. Ryan, temporary stenographer; William P. Cox, temporary clerk.

Approval has been given for the temporary appointments, for three months, of Edward B. Steele as real estate consultant at \$1,500 a year, and Helen E. McCarthy as real estate social worker at \$1,300 a year, effective April 6.

PENAL INSTITUTIONS DEPARTMENT.

The following appointments have been made for the week ending Thursday, April 9:

House of Correction.

Roland E. McIsaac, officer, \$1,600 a year and maintenance, temporary.

Michael Collins, officer, \$1,600 a year and maintenance, temporary.

PUBLIC WORKS DEPARTMENT (Ferry Service).

Approval has been given to appoint Frank M. Trinchella, now temporary deckhand, as permanent deckhand at \$5.25 a day, to fill vacancy caused by death of Henry A. Lewis, effective April 6.

PUBLIC WORKS DEPARTMENT (Paving Service).

Approval has been given to appoint John E. Pitts as permanent chauffeur-

laborer at \$5 a day, in the East Boston Paving District, effective April 6.

PUBLIC WORKS DEPARTMENT (Sanitary Service).

Approval has been given to reinstate Walter J. Martin as teamster-laborer at \$5 a day, effective February 10, 1936. On September 1, 1932, he was granted a leave of absence on account of sickness and on January 26, 1933, was admitted to the Veterans' Hospital in Bedford for treatment and remained there until February 3, 1936, when he was discharged with a certificate that he is now able to resume his former occupation. He did not withdraw his pension money from the Retirement System during his absence. He has been employed in the department since July 10, 1923.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law:

Hospital Department (Sanatorium Division).

For the week ending Thursday, March 26:

Florence McCarthy, fireman, 1 day, \$6.92.

The office of Inspector of Divisions, attached to the Superintendent's Office, is hereby abolished.

This order becomes effective Saturday, April 11, 1936, at 5.45 o'clock p. m.

The Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A surface drain of 12-inch pipe, W. P. A. Project 65-14-4953, Work Project 6386, in Weld street, between Rendall road and Willowdean avenue, in the West Roxbury district, at an estimated cost of \$4,000.

A sanitary sewer of 10-inch pipe and a surface drain of 12-inch pipe, W. P. A.

Project 65-14-4953, Work Project 5789, in Keith street, between Carroll street and Perham street, in the West Roxbury district, at an estimated cost of \$6,530.

A sanitary sewer of 10-inch pipe, W. P. A. Project 65-14-4953, Work Project 6385, in Montebello road, between Haverford street and Washington street, in the West Roxbury district, at an estimated cost of \$3,800.

A sanitary sewer of 10-inch pipe and a surface drain of 12-inch pipe, W. P. A. Project 65-14-4953, Work Project 6386, in Rendall road, between Church street and Weld street, in the West Roxbury district, at an estimated cost of \$10,500.

A surface drain of 24-inch and 30-inch pipe, W. P. A. Project 65-14-4953, Work Project 5823, in private land (east of Lane park), between 362 feet northwest of Foster street and Board of Survey street No. 1047, in the Brighton district, at an estimated cost of \$3,700.

MAYOR MANSFIELD EAGER TO CHECK ON AND PROSECUTE INFERIOR COAL FRAUDS, IF ANY SUCH ARE PROVEN.

Upon April 3 Mayor Mansfield issued the following statement:

Yesterday a draft for \$200 was presented to me to pay the expenses of Robert E. Cunniff to Pittsburgh and return in connection with the coal investigation. I signed the draft immediately, although I doubt very much if a trip to Pittsburgh is necessary in order to discover whether or not coal delivered by retail dealers in Boston is of an inferior quality.

But I am as anxious to discover if inferior coal is being palmed off upon the poor as the Finance Commission, and if the investigation discloses that there has been an intentional substitution of inferior for high grade coal I shall ask the Law Department to institute proper proceedings to recover any money that may be due to the city for breach of contract and also shall ask the Law Department to present the matter to the District Attorney for immediate investigation and prosecution.

The following added comment was made by the Mayor on April 6:

In re Finance Commission's visit to Pittsburgh.

No hard coal whatsoever is mined out of the city. In fact, nothing but soft coal is used by the inhabitants. Whatever information that may be received from the New York Anthracite Institute can be obtained right here in Boston.

ADDITIONS TO CONTRACT.

HOSPITAL DEPARTMENT.

Matthew Cummings Company, contractor for Surgical Operating and Ward Building, has been instructed to add to the contract the sum of \$369.31 for furnishing and installing additional removable translucent chipped plate wire glass screens on ten windows of Examining Rooms and Shock Rooms Nos. 51, 52, 53 and 54, and furnishing and installing obscure glass in lower sash of seven windows in Rooms Nos. 47, 49, 55 and 56, and in sash at Massachusetts avenue end of Corridor No. 1 on ground floor. Original contract, \$1,182,458.08; corrected contract as per order No. A-1846, \$1,203,860.87; now added, \$369.31; corrected contract, \$1,204,230.18; total added, \$28,093.10; total deducted, \$6,321.

MAYOR MANSFIELD DENIES INTIMATION OF SALARY INCREASES IN THIS YEAR'S BUDGET PLANS.

On April 4 Mayor Mansfield issued the following statement:

Mayor Mansfield, in discussing further his budget plans today, stated that intimation in today's press with regard to increases this year in salaries to employees were not accurate. The Mayor stated that it was most doubtful that any salary increases could be made, except the customary step-rate increases.

Even as to these there was considerable doubt, in view of the necessity of curtailing substantially the city's borrowings from last year's figures and of his desire to prevent an increased tax rate. The Mayor pointed out that an increased state tax and increasing metropolitan assessments, which now appear likely unless the Legislature reduces drastically proposed expenditures, will throw a heavy additional burden on the city and that the curtailments which will be required in Boston to keep both taxes and borrowings within reasonable bounds will depend in large part on these factors beyond the city's control.

While more than \$7,000,000 has been cut by the Mayor up to the present time from city departmental estimates and while these items are now below those of last year, substantial further cuts must be made and real cooperation of state, county and school officials will be needed, the Mayor said.

CITY HALL EMPLOYEES CONTRIBUTE TO FLOOD RELIEF.

The following has been received from the American Red Cross, Boston Metropolitan Chapter.

BOSTON, April 1, 1936.

MR. JOHN H. DORSEY, *Treasurer*, City of Boston.

DEAR MR. DORSEY,—I acknowledge receipt of your letter of March 31, 1936, inclosing a check for \$4,184.84 made payable to the City of Boston and indorsed to the order of the American Red Cross.

This splendid result of the Flood Relief Tag Day on March 21 puts the Boston Metropolitan Chapter over its quota of \$225,000. We shall never forget the support that the Chapter has received from the City of Boston. In many ways his Honor the Mayor, yourself, and all the departments of the City of Boston continually evidence their belief in the work of the American Red Cross. We are very grateful.

Sincerely yours,
FREDERICK C. MUNROE,
Executive Director.

CLAIMS DISALLOWED.

The Law Department has disapproved seventy-six claims against the City of Boston. These claims are classified as follows:

Collecting Department, one claim; Fire Department, seven claims; Health Department, one claim; Hospital Department, four claims; Park Department, three claims; Penal Institutions Department, one claim; Police Department, three claims; Public Buildings Department, two claims; Public Works Department, fifty-one claims; Public Welfare Department, one claim; School Buildings Department, one claim; Street Commissioners, one claim.

OVERSEERS OF THE PUBLIC WELFARE IN THE CITY OF BOSTON.

STATISTICAL REPORT AND FINANCIAL STATEMENT FOR THE WEEK ENDING APRIL 4, 1936.

† Includes expenditures for March for fuel, rent, medicine, burials and administrative expenses.

‡ Collections on account of Boston City Hospital, \$24,834.59.

MEMORANDUM.

While the Weekly Statistical Report for the week ending April 4 shows a large increase in Dependent Aid cases added, this is due to the fact that in changing over from cash payment to check payment during the week March 16 to 21 a large number of cases were paid in excess of one week's allotment. These cases were not counted in for the week ending March 28, but reappear during the week of March 30 to April 4.

Bill Company, 2 per cent.

* Contract awarded.

The Mayor received the following communication and upon April 3 approved the following revised list of awards:

BOSTON, March 31, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—Because of an error in the Long Island Hospital's April estimate on lamb carcasses, I am sending you the revised list of awards as follows:

Wald Baram Company, \$7,062.44; Armour & Co., \$3,648.85; Faneuil Beef Company, \$3,261.15; Wattendorf & Co., \$2,325.15; Batchelder & Snyder Company, \$2,166.75; Swift & Co., \$1,908.12; Colonial Provision Company, \$1,644.50; Boston Sausage and Provision Company, \$1,378.50; John P. Squire Company,

\$788.40; Carl Weitz Company, \$587.70; Cudahy Packing Company, \$328.21.

A new contract will be made with Wald Baram Company, which has agreed to supply the difference at the original price quoted.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Upon April 7 permission was given by the Mayor to award a contract to the Trimount Bituminous Products Company for approximately 2,000 tons bituminous patching mixture for the Public Works Department, to be delivered as required during 1936. The approximate amount of the contract was \$8,180. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened April 2, were as follows:

For Each Ton of Bituminous Patching Mixture Furnished and Delivered to the City Yards or to Any Street in the Following Sections of the City, East Boston, South Boston, Charlestown, City Proper, Ashmont and Hyde Park.—M. F. Gaddis, Incorporated, \$4.49 per ton; total, \$8,980; Trimount Bituminous Products Company, \$4 per ton; total, \$8,180; Samuel J. Tomasello Corporation, \$4.73 per ton; total, \$9,460.

Cash Discount, Ten Days.—M. F. Gaddis, Incorporated, 2 per cent; Trimount Bituminous Products Company, 2 per cent; Samuel J. Tomasello Corporation, 2 per cent.

ASSESSING DEPARTMENT.

Upon April 6 permission was given by the Mayor to award a contract to Healy's Office Service for furnishing typewritten lists of real estate tax accounts, personal estate tax accounts, typing and writing real estate and personal estate tax bills, for 1936. The following bids were received:

William A. Dinsmore and B. A. Aubrey (as Institutional Service), \$4,444.50; Rose F. Healy (as Healy's Office Service), \$4,418.25; M. A. Dewell Company, \$4,575.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with firms and contractors for supplies, labor, etc. Communications from the heads of the several departments were as follows:

W. P. A. SUPPLY DEPARTMENT.

BOSTON, April 1, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Permission is respectfully requested to award a contract, without advertising for same, to the Boston Blue Print Company for planographing for the City Planning Board. Quotations were solicited from the following:

Spaulding Moss Company, \$1,195; Boston Blue Print Company, \$1,195.

Three other major companies in this line of business were solicited and they were not interested in quoting.

I am attaching a copy of letter from the Chief Engineer of the Planning Board concerning the immediate need of contracting for this particular planograph.

Therefore I respectfully request permission to award this contract as recommended.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

SUPPLY DEPARTMENT.

BOSTON, April 3, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—The Traffic Commission for the City of Boston has a yard at 8 Atkinson street in which the automobiles owned by the commission are housed.

It has been the practice of the Traffic Commission to secure the gasoline for the trucks and automobiles for this station from a nearby service station. The commission has never installed a gasoline tank at this point, as the location is somewhat isolated; and they feel that if they did install a gasoline tank it would necessitate the services of a night watchman, resulting in considerable expense to the commission.

The Supply Department has secured prices for the service station delivery directly into the cars from the leading gasoline companies as shown on the attached sheet. The lowest bidder for an approximate quantity of twenty-one thousand gallons of gasoline (the estimated quantity for one year's supply) was the Lincoln Park Service Station, a Cities Service dealer, located at the corner of Southampton street and Massachusetts avenue, at a price of nine and one-half cents per gallon, excluding all taxes.

In view of the above explanation, I request permission be granted me to award a contract, without publicly advertising, to the Lincoln Park Service Station at a price of nine and one-half cents per gallon, excluding all taxes.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

Approximately 21,000 Gallons of Gasoline for Traffic Commission.—Lincoln Park Service Station (Cities Service Dealer), 9.5 cents a gallon, excluding all taxes; Tide Water Oil Company, Tydol, 12.5 cents a gallon, excluding all taxes; Tidex, 11.5 cents a gallon, excluding all taxes; Standard Oil Company, Mobilgas, 12.5 cents a gallon, excluding all taxes; American Oil Company, Orange, 12.5 cents a gallon, excluding all taxes; White Star Oil Supply Company, 14.5 cents a gallon, including all taxes; Colonial-Beacon Oil Company, Essolene, 15.5 cents a gallon, including State tax, excluding Federal tax; Acto, 14.5 cents a gallon, including State tax, excluding Federal tax; Shell-Eastern Petroleum Products, Incorporated, Shell Heavy Duty, 14.5 cents a gallon, including State tax, excluding Federal tax; Super Shell, 15.5 cents a gallon, including State tax, excluding Federal tax; Texas Company, Texaco Fire Chief, 16.5 cents a gallon, including taxes; Atlantic Refining Company, Atlantic White Flash, 15.5 cents a gallon, including State tax, excluding Federal tax; Atlantic Capitol, 14.5 cents a gallon, including State tax, excluding Federal tax.

NO COST CONTROL FOR REFUSE DISPOSAL.

American cities on the whole may be clean housekeepers, but they don't know how much it is costing them to be clean or whether they are spending too much. Only a few cities are able to report accurately the unit cost of removing garbage and other refuse and of cleaning streets, according to the Public Administration Service of Chicago, Ill., which further reports that at least 90 per cent of the cities in this country have no cost control over this service.

ADDITIONS TO CONTRACTS.

HOSPITAL DEPARTMENT.

Daniel Cunningham Construction Company, contractor for additions and alterations, Power House, Boston City Hospital, has been instructed to add to contract the sum of \$3,796.13 for reinforcing existing west wall, see plan No. 50, \$2,111.40; additional caissons for boiler foundations due to inadequacy of existing foundations, see plan No. 54, \$888.20; concrete facing for existing granite walls and installing iron stairway and door in boiler room, see plan No. 53A, \$476.39; extra work at two caissons, including pile cut-offs, excavation and pulling existing piles, \$320.14—\$3,796.13, in accordance with your letters of February 10, 11, 15, 26, 1936, with estimate sheets attached thereto. Original contract, \$14,680; corrected contract, as per order No. A-1849, \$14,819.04; now added, \$3,796.13; corrected contract, \$18,615.17; total added, \$3,935.17.

Matthew Cummings Company, contractor for Surgical Operating and Ward Building, Boston City Hospital, has been instructed to add to contract the sum of \$219.02 for installing lead pipe speaking tube from Room 637 to Room 636, at a

cost of \$23.68; changing sink in Room 642 to an enameled iron sink at request of Hospital Staff, to cost (size 18 inches by 4 feet), \$71.03; additional electric cabinet to accommodate fourteen circuits instead of four, to cost \$124.31—\$219.02, in accordance with your letters of January 30, 1936, and January 31, 1936, original contract, \$1,182,458.08; corrected contract, as per order No. A-1847, \$1,204,230.18; now added, \$219.02; corrected contract, \$1,204,449.20; total added \$28,312.12; total deducted, \$6,321.

Daniel Cunningham Construction Company, contractor for additions and alterations, Power House, Boston City Hospital, has been instructed to add to contract the sum of \$139.04 for providing masonry seal for old doorway in engineer's room uncovered during alteration work, and to complete finish to conform with new work, add \$31.39; covering existing pits in engineer's room with iron frames and covers, and to perform additional concrete work for these pits, add \$107.65—\$139.04, in accordance with letter of January 17, 1936, and estimate sheet attached, and letter of February 11, 1936, and estimate sheet attached. Original contract, \$14,680; now added, \$139.04; corrected contract, \$14,819.04; total added, \$139.04.

MAYOR APPROVES ADVISORS TO HEALTH COMMISSIONER.

Upon April 4 the Mayor approved the following advisory Health Council:

It has been the custom for many years for the Boston Health Commissioner to appoint an Advisory Council, who serve unofficially and without compensation whenever they are called upon for assistance by the Health Commissioner. Doctor Keeler announces that he has appointed the following persons as advisors to the Health Commissioner and they have expressed their willingness to serve in that capacity:

Dr. John W. Bartol, President of the Boston Health League.

Prof. Alexander Begg, Dean of Boston University Medical School.

Prof. Samuel Prescott, Dean of Science, Massachusetts Institute of Technology.

Dr. Roger I. Lee, member of the Board of Governors, Harvard College.

Rev. Richard J. Quinlan, Diocesan Director of Parochial Schools.

Prof. Wilson Smilie, Harvard School of Public Health.

Dr. George Shattuck, Chairman, Executive Committee, Boston Health League.

Dr. Hyman Morrison, professor of Clinical Medicine at Tufts Medical School.

Mr. Horace Morison, Vice Chairman, Boston Health League.

Gertrude Peabody, Vice President, Community Health Association.

MAYOR MANSFIELD REFUTES CHARGE THAT CARDINAL O'CONNELL IS "INDIRECT CITY CENSOR."

Upon April 6 Mayor Mansfield issued the following statement:

The statement of Rev. John Haynes Holmes that his Eminence Cardinal O'Connell was the "indirect censor" of the Boston stage is entirely without foundation, unless he means by that that the many years of teaching and guidance of his Eminence in the City of Boston has had such a salutary influence on the people that they themselves refuse to tolerate indecent plays. If that is what he means then I would agree and would say that Cardinal O'Connell has always exercised a wholesome and salutary influence on the general public.

But if the Reverend Mr. Holmes means that Cardinal O'Connell has ever interfered with the Board of Censorship, or endeavored in any way to influence any of its members, then he is utterly mistaken. I know of no reason, however, why Cardinal O'Connell should not indicate his views about any play or picture that might be presented in Boston. He has that right as a citizen, and as the spiritual leader of a very large number of people it is not only a right but a duty.

Since I have been Mayor, however, his Eminence has never endeavored to impress his views upon me or the Board of Censors about any particular play. Of course, every one knows that his Eminence, like all decent citizens, wishes to have a clean stage in Boston. Neither in this matter of public censorship, nor in any other official matter, has the Cardinal ever spoken a word to me or in any way tried to influence me. Honesty would seem to indicate that the Reverend Mr. Holmes should be more careful about his public statements.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of the Ten Mile Road Race of the Presentation Literary and Social Association, vehicles are excluded from the following street, between the hours of 2.30 p. m. and 4.30 p. m. on April 4, 1936:

Tremont Street, Brighton.

From Oak square to Cuffin street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective April 6, 1936:

Lawrence Street.

From Berkeley street to Dartmouth street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of children's play, the following temporary rules are effective, from April 6, 1936, to April 13, 1936, inclusive:

Vehicles are excluded from the following streets, from 4 p. m. to 6 p. m. each day:

North Margin Street.

From Stillman street to Cooper street.

Stillman Street.

From North Margin street to Endicott street.

Wiggin Street.

From North Bennet street to Tileston street.

Voted, That the Revised Traffic Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective April 21, 1936:

Section 8, Part 2, is amended by adding the following:

Greenleaf Street, Roxbury.

South side, from Huntington avenue to Leon street, twenty-four hours.

Massachusetts Avenue.

Both sides, from Beacon street to Back street, twenty-four hours.

Voted, That as urgently required by considerations of public safety and convenience, during the period of baseball games at National League Park, parking of vehicles is prohibited in the following streets, effective April 10, 1936:

Alcorn Street.

West side, from Commonwealth avenue to Gardner street.

Ashford Street.

South side, from Babcock street to Chester street.

Babcock Street.

East side, from Commonwealth avenue to the Boston & Albany Railroad.

Gaffney Street.

East side, from Commonwealth avenue to the railroad.

Gardner Street.

South side, from Babcock street to Chester street.

Malvern Street.

East side, from Brighton avenue to Ashford street.

PROCEEDINGS OF CITY COUNCIL.

Monday, March 30, 1936.

Regular meeting of the City Council in the Council Chamber at 2 p. m., President FITZGERALD in the chair. Absent, Coun. Peter A. Murray.

VETO OF SIDEWALK ORDER.

The following was received:

City of Boston,
Office of the Mayor, March 27, 1936.
To the City Council.

Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 16, 1936, for the making of a sidewalk with granite edge-stones on Washington street, from Circuit street to Dale street, in Ward 9.

I am informed by the Commissioner of Public Works that there are no funds available at the present time for this construction. Under the circumstances I am constrained to veto the order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

Coun. GALLAGHER in the chair.

LOCKERS, HEAD HOUSE, WARD 6.

The following was received:

City of Boston,
Office of the Mayor, March 27, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of March 16, 1936, concerning additional lockers during the coming season at the Head House, Ward 6.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, March 23, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of March 21, with inclosure, order from the City Council that the Park Commission make provision for additional lockers during the coming season in both the women's and men's sections at the Head House, Ward 6.

I regret exceedingly to inform you that due to economic conditions this department has no funds available for this purpose, nor is there any possibility of the department doing the work in time for the opening, June 15, with W. P. A. help.

Very respectfully yours,

WILLIAM P. LONG, Chairman.

Placed on file.

CHARLESBANK PARK FENCE AND WALL.

The following was received:

City of Boston,
Office of the Mayor, March 27, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of March 16, 1936, concerning the replacing of the retaining fence and wall which was removed during the rebuilding of the Charlesbank Park.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, March 23, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of March 23, with inclosure, order from the City Council that the Park Commissioner replace the retaining fence and wall which was removed during the rebuilding of Charlesbank.

I regret exceedingly to inform you that the former wall was a retaining wall, with the changing of the grade a ten per cent beach slope was made into the Charles river.

In order to replace the wall and fence on same it will be necessary to change the entire grade and excavate to a depth of 4 to 5 feet.

The department cannot see any reason for doing this work even if the finances were available.

Very respectfully yours,

WILLIAM P. LONG, Chairman.

Placed on file.

EASTERN MASSACHUSETTS STREET RAILWAY JITNEY LICENSE.

The following was received:

City of Boston,
Office of the Mayor, March 30, 1936.
To the City Council.

Gentlemen,—On January 13, 1936, a petition was received by your Honorable Body and referred to the Committee on Jitney Licenses, wherein the Eastern Massachusetts Street Railway Company applied for a license to operate motor vehicles from the city line over the Chelsea Bridge to Charlestown, and from City square to Haymarket square and on certain other streets and highways.

The petitioner obtained an emergency license, which expires on April 8, 1936, and under the statute the Department of Public Utilities has no power to extend that license, although it does have power to grant a permanent license not of an emergency nature.

In order that the Department of Public Utilities may grant a permanent license it is necessary for the petitioner to obtain approval of its petition by your Honorable Body and unless the petition is approved today insufficient time will remain for the petitioner to obtain a permanent license and all right to operate its buses through those streets and highways will be terminated.

Such a result would entail great inconvenience, not only to the people of Charlestown but to a very large body of persons who constantly come into Boston by way of Chelsea and the Charlestown Bridge. In order that this important section of Boston may have this very necessary service and that persons living to the north of Boston may have an opportunity to come here, with the least inconvenience, to trade with Boston merchants, I earnestly urge upon you the necessity and importance of favorable consideration of this petition and respectfully request that final action may be taken upon it at your meeting today.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

BOSTON CONSOLIDATED GAS CONTRACTS.

The following was received:

City of Boston,
Office of the Mayor, March 30, 1936.
To the City Council.

Gentlemen,—There is now pending before your Honorable Body and under consideration by the Committee on Municipal Lighting two proposed contracts for street lighting in Boston. Under the terms of these contracts, had they been approved last year when they were disapproved by your Honorable Body, Boston would have saved approximately \$25,000 a year for the ensuing five years, represented by a reduction under present prices. When the contract failed of approval it became necessary for the city to enter into provisional month-to-month contracts under the old rates. This resulted, as stated above, in a loss of about \$25,000 for the year 1935.

The Boston Consolidated Gas Company, however, is willing to give a discount to the city of about \$13,000 of the sum paid for lighting in 1935 and, if the contracts are approved by your Honorable Body today, to execute new contracts for the next five years at the same reduced figure, which would result in a saving to the city of about \$25,000 a year for each of the next five years. Failure to execute the contracts will result in a corresponding loss of the same amount for that period of time, plus the loss of the discount of about \$13,000 which the company now offers to give to the city. Furthermore, if the contracts are not approved by your Honorable Body and the Mayor and signed now, it will be necessary again to enter into provisional monthly contracts at the old rate, or possibly at higher rates because of the brevity of the provisional contracts and the uncertainty of their duration.

The Boston Consolidated Gas Company, while willing to agree to a further extension of time, has informed me that the Welsbach Company, a necessary subcontractor, will not consent to a further extension, and that if these contracts are not approved and signed before April 1, 1936 (to which date a further extension had been made from March 16), the proposed contracts at the reduced price will be withdrawn.

Under these circumstances I most earnestly urge upon your Honorable Body the importance and necessity of immediate action to the end that this proposed saving of practically \$138,000 may be preserved to the city.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Referred to Executive Committee.

ORDINANCE IN RE HAWKERS AND PEDLERS.

The following was received:

City of Boston,
Office of the Mayor, March 27, 1936.
To the City Council.

Gentlemen,—On November 30, 1935, I submitted to your Honorable Body a proposed amendment of section 19, chapter 39, of the Revised Ordinances of the City of Boston, requiring hawkers and pedlers of fruits, vegetables and certain other articles to present to the Health Commissioner a passport-size photograph to be attached to each license. On December 21, 1935, that order was rejected, without prejudice.

I am in receipt of the attached letter from the Health Commissioner, again requesting the proposed amendment for the reason stated in the letter. I am accordingly submitting herewith an ordinance providing for an amendment to section 19, chapter 39, of the Revised Ordinances of 1925. I respectfully recommend adoption of the accompanying ordinance.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Health Department, February 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I respectfully request your approval to forward to the City Council for action the following proposed amendment to the City Ordinances regarding licenses to hawkers and pedlers, with a request that it become effective upon passage.

I have been informed that the late Health Commissioner, Doctor Mahoney, submitted this request and that it was rejected by the City Council, without prejudice, on December 21, 1935, because of the fact that the Health Commissioner was unable to appear to explain the necessity for its passage.

The photographs suggested would cost only about 25 cents apiece and it is probable that from 150 to 200 additional pedlers would be licensed at \$5 each, if this amendment is adopted. It will also protect the legitimate pedler. The amendment proposed is as follows:

Revised Ordinances 1925, chapter 39, section 19, paragraph 1, sixth line, insert after the word "residence" the following: "and until a recent photograph of said applicant shall be presented to the health commissioner, to be attached to his license (said photograph to be a passport size, viz., 2 inches by 2 inches)," making said section 19, paragraph 1, read as follows:

"No person shall hawk or peddle any fruits or vegetables, or any of the articles enumerated in section 17 of chapter 101 of the General Laws and acts in amendment thereof or in addition thereto, until he has been assigned a number by the health commissioner, and until he has recorded with said commissioner his name and residence, and until a recent photograph of said applicant shall be presented to the health commissioner, to be attached to his license (said photograph to be a passport size, viz., 2 inches by 2 inches) and, if he hawks or peddles articles which are sold by weight or measure, a certificate from the sealer of weights and measures that all weights, measures and balances to be used by him have been properly inspected and sealed. The presence of unsealed weights or measures on the team, cart or person of such hawker or pedler shall terminate permission to hawk or peddle under such registration."

My reason for this request is because I have been informed that numerous complaints of violations of law by pedlers have been received, due to the fact that, without authority, they have transferred their licenses to others, to be used in violation of the law.

There are from 400 to 500 pedlers in the market district on Saturdays. Under our present system we have no means of properly identifying the holder of a license to peddle. At present the law requires that first citizenship papers be taken out before an applicant may receive a pedler's license, and we require a signature. The applicants may obtain their first papers without writing their signature. Furthermore, under the present system of the law, even though they cannot read or write, they are entitled to obtain a license upon presentation of first papers signifying intention to become a citizen of the United States.

Many of the pedlers are unable to write, and sign only by a cross, which makes it easy to sell licenses for the day to persons not entitled to such licenses. The captain and sergeant in charge of pedlers in the market district have been conferred with and heartily approve of the above plan.

The Fruit and Vegetable Association, Inc., all duly authorized pedlars, unanimously went on record as favoring the amendment above outlined.

Yours respectfully,
WILLIAM B. KEELER, M. D.,
Health Commissioner.

Be it ordained by the City Council of Boston, as follows:

Chapter thirty-nine of the Revised Ordinances of 1925 is hereby amended in section nineteen by inserting after the word "residence" in the first paragraph the following: "and until a recent photograph of said applicant shall be presented to the health commissioner to be attached to his license (said photograph to be a passport size, viz., 2 inches by 2 inches)"—so as to read as follows:

"No person shall hawk or peddle any fruits or vegetables or any of the articles enumerated in section 17 of chapter 101 of the General Laws and acts in amendment thereof or in addition thereto, until he has been assigned a number by the health commissioner, and until he has recorded with said commissioner his name and residence, and until a recent photograph of said applicant shall be presented to the health commissioner, to be attached to his license (said photograph to be a passport size, viz., 2 inches by 2 inches) and, if he hawks or peddles articles which are sold by weight or measure, a certificate from the sealer of weights and measures that all weights, measures and balances to be used by him have been properly inspected and sealed. The presence of unsealed weights or measures on the team, cart or person of such hawker or pedler shall terminate permission to hawk or peddle under such registration." Referred to Committee on Ordinances.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz.:

Claims.

Martin C. Birchall, for compensation for damage to car caused by an alleged defect at 40 Jamaica way.

John Brabants, for compensation for injuries caused by city truck.

Louis Cohen, for compensation for injuries caused by city truck.

Morris Cohen, for compensation for damage to car by city truck.

Ralph H. Cooper, for compensation for injuries caused by an alleged defect at 68 Norfolk street.

Florence Dockharty, for compensation for injuries caused by an alleged defect at Chelsea and Tremont streets.

Anna Donnaruma, for compensation for damage to car caused by an alleged defect at 862 Blue Hill avenue.

Catherine G. Fenerty, for compensation for damage to property at 145 I street, South Boston, caused by water in cellar.

George S. Gifford, to be reimbursed for execution issued against him on account of his acts as operator of truck of Sanitary Service.

Louis H. Jacobs, for compensation for damage to car caused by an alleged defect in Robert street, Roslindale.

Jennie R. McEwen, for compensation for injuries caused by an alleged defect in Norfolk street.

Mrs. Joseph Monna, for compensation for damage to property at 6 Langley road, Brighton, caused by backing up of sewage.

Ellen Murphy, for compensation for injuries caused by an alleged defect in Greenwood avenue, Hyde Park.

Eleanor Sidel, for compensation for damage to car by city cart.

Harlow M. Smith, for compensation for damage to car by city truck.

Anne F. Sullivan, for compensation for damage to property at 84 Regent street and 1 Regent square, caused by water being shut off.

Margaret E. Sweeney, for compensation for personal injuries.

Sarah Wolf, for compensation for damage to property at 19 Heath place, caused by bursting of pipe line.

COMMUNICATION FROM HYDE PARK BOARD OF TRADE.

The following communication was received: Hyde Park Board of Trade, Hyde Park, Boston, Mass.

March 26, 1936.

To the Honorable the City Council of the City of Boston.

Whereas, It has come to our attention that at a hearing granted by his Honor Mayor

Mansfield, on the question of a uniform gas rate for Ward 18, held in City Hall, Boston, March 25, certain irrelevant and wanton references were made which reflected on the personal character and integrity of your Honorable Body in discharging the duties incumbent, in accordance with your oath of office.

We, the Board of Directors of the Hyde Park Board of Trade, of Ward 18, hasten to convey to you that we sincerely regret that such statements were made, that they were entirely unwarranted, and do not represent the attitude of the citizenry of our ward toward your Honorable Body, and herewith beg to assure you that in a marked degree you enjoy their confidence for honest, intelligent and able service.

C. T. GRIFFITHS, President.
W. W. PETRIE, Secretary.
IVORY H. MORSE.
MARTIN L. ODSON.
JOHN F. ROONEY.
GEORGE W. EARLE.
THOMAS F. McMAHON.
JAMES D. GRANT.

Placed on file.

ABSENCE OF MAYOR FROM CITY.

Notice was received from the Mayor of his absence from the city February 9 to and including March 8.

Placed on file.

APPROVAL OF BONDS.

The following bonds were received in re Sunday sport licenses:

Boston American League Baseball Company, 24 Jersey street.
National League Baseball Club.

Severally approved.

MINORS' LICENSES.

Applications for minors' licenses were received from forty-two newsboys and four boot-blacks.

Permits granted on usual conditions.

REPORT OF COMMITTEE ON MUNICIPAL LIGHTING.

Coun. DOWD, for the Committee on Municipal Lighting, submitted report on proposed contracts with Boston Consolidated Gas Company for furnishing gas for, and for the equipment and lighting and extinguishing of gas lamps for street lighting—recommending reference to Executive Committee.

Report accepted; said reference ordered.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. SELVITELLA, for the Committee on jitney Licenses, submitted the following:

1. Report on petition of Boston Elevated Railway Company (referred September 9, 1935) for permit to operate motor vehicles between Columbus square and junction of Washington and Northampton streets—that permit be granted.

Report accepted; permit granted under usual conditions.

2. Report on petition of Boston Elevated Railway Company (referred October 21, 1935) for permit to operate motor vehicles between South and North Stations—that permit be granted.

Report accepted; permit granted under usual conditions.

3. Report on petition of Boston Elevated Railway Company (referred January 4) to operate motor vehicles between Sullivan square and Everett line, over Main and Alford streets—that permit be granted.

Report accepted; permit granted under usual conditions.

PAYMENT TO DANIEL F. MCCARTHY.

Coun. MELLEN offered the following: Ordered, That chapter 157 of the Acts of 1936, entitled "An Act Authorizing the City of Boston to Pay a Certain Sum of Money to Daniel F. McCarthy of Boston," be, and hereby is accepted.

Ordered, That under the provisions of chapter 157 of the Acts of 1936 there be allowed and paid to Daniel F. McCarthy of Boston the sum of fourteen hundred dollars; said sum being a refund of the amount paid by said McCarthy for a retail package store liquor

license, no right, power or privilege under said license having been exercised by said McCarthy; the amount so paid to be charged to the Reserve Fund.

Severally referred to the Executive Committee.

REINSTATEMENT OF SUPERVISORS.

Coun. McGRATH offered the following: Ordered, That his Honor the Mayor be requested to direct the Commissioner of Public Works to reinstate, for one day at least, the inspectors of that department who were suspended some time ago, in order that the said inspectors may have their Civil Service standing preserved.

Coun. McGRATH—Mr. President, it has been called to my attention that about fifty inspectors from this department will lose their civil service rating unless they are reinstated today, for one day. I am requesting the Mayor to reinstate them for one day so that they will not lose their civil service rating. I would ask the Chair to appoint a committee to wait on the Mayor and ask him if he will not do this today, and I understand that it is the last day, that if not reinstated today they will lose their civil service rating.

Chairman GALLAGHER—The order will be referred to the Executive Committee, and action looking to the appointment of a committee to wait upon the Mayor can be taken there.

Coun. McGRATH—Thank you. The order was referred to the Executive Committee.

INFORMATION RE DEPENDENT RELIEF ROLLS.

Coun. SHATTUCK offered the following: Ordered, That the Overseers of the Public Welfare in the City of Boston, through his Honor the Mayor, be requested to furnish the City Council with a classification of the persons on the dependent aid relief rolls, showing:

1. Total number on dependent aid relief.
2. Total number of these unemployable.
3. Total number of these employable, male.
4. Total number of these employable, female.
5. The present distribution of work to employables, giving the number at work in each department, and activity and type of work which is being done by the several groups.

Coun. SHATTUCK—Mr. President, at our meeting last week we had the Commissioner of Public Works before us, discussing work on the improvement of streets and, as I recall it, he said that he had only about 600 men from persons on relief working in his department, and that that was all he could get. Now, not counting the mothers' aid and the old age cases, I understand that there are about 21,000 persons on relief, and it would seem as though there must be some of those who are employable and might be used to improve our streets and do other work for the city. Therefore, my order is to find out how many of the persons on relief, not including mothers' aid and old age groups, are employable, how many are men and how many are women, and what they are doing.

The order was passed under suspension of the rule.

TRANSFER FOR HYDE PARK PLAYGROUND.

On motion of Coun. NORTON the Council took up assignment No. 3 on the calendar, viz.:

3. Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Sales of City Property, \$10,000, to the appropriation for Playground, Wood Avenue, Hyde Park, \$10,000.

On March 2, 1936, the foregoing order was read once and passed, yeas 17, nays 1.

The question came on giving the order its second and final reading and passage.

Coun. WILSON—Mr. President, in view of the broadside of misinformation issued this past week relating to the proposed Hyde Park Playground I, for one, again wish to try to make my position clear, and in order that there may be no more misquoting, I am making it clear in this way. The stenographic report of last Monday's meeting ought to be clear enough, but there are always those who welcome any opportunity to make political capital out of confusing some issue. Like the bag snatcher in the crowd, shouting "Fire" in order to get away with something, there are always those who will see the chance to raise the cry, "They voted against a playground for the kiddies!" But that is not the issue here, no matter how much dust is thrown. I understand that some gentleman

from Hyde Park last week, in referring to members of this body as "nincompoops." threatened to drive some of us out of political life with his magic sound wagon. The young man in question has never before been elected to any office. And sound wagons are not wholly a new invention. When I was a little boy, years ago, I used to like to watch circus parades, and, especially in the country towns, at the very end of every circus parade was the sound wagon, the steam callopie, usually operated by some clown. The kids liked it. It made lots of noise, not much music, and plenty of smoke and dirt, and it was always at the end of the procession. After the parade they stored it out back of the main tent, with the wagons and the rest of the rubbish, while the real show went on. Now, these remarks are intended as a response to the gentleman who made that statement, are not intended for the gentleman from Hyde Park (Coun. Norton), and are not intended as a reply to that splendid body of gentlemen representing the Hyde Park Board of Trade, who have been fair enough to send to us today a message to the effect that such statements were not made with their authority. I have some friends in Hyde Park whom I hope I still retain as friends, and I think the members of the Hyde Park Board of Trade, in common with other business organizations of the city, would not expect any member of the City Council to vote on any measure otherwise than as his conscience dictates. I know that that is the position of the Hyde Park Board of Trade, the same as of other responsible organizations in this city. I for one certainly take that position on this, as on other matters coming before the body, and I thank the Hyde Park Board for their fairness as shown in the communication they have sent to the Council today. Now, for the facts in the present case. I am not opposed to a playground in Hyde Park, especially if the United States Government is willing to give away \$272,996 on it as a W. P. A. project. But that has nothing to do with this vote. This is an order, in effect, to pay \$10,000, whether in money or marbles, to an owner for some land on which no taxes have been paid for the past six or eight years, and a tax title to which, for earlier taxes, the City Collector tells us was bought in by the city as long ago as the spring of 1931. But let us take it a step at a time. In the first place, with reference to the money having been promised by the Federal Government for this particular purpose, let us have the truth. As I understand the situation, Boston has some \$35,000,000 of approved projects in Washington, and we have been advised that we can have \$9,000,000 of the \$35,000,000. This is one of the projects included in the \$35,000,000, and with a limit of \$9,000,000 the Mayor can play whatever shots he wishes, up to the \$9,000,000. I certainly am glad to see a playground for Hyde Park chosen in preference to a new City Hall, for example. So, with all the dust that has been raised, let us get that straight. Colonel Sullivan's letter of March 25 is correct, as far as it goes. This \$272,996 item, being included in the \$35,000,000 of approved projects, can be put through now, or a week from now, so long as the Mayor does not use up the \$9,000,000 limit he has been granted. I don't know a more worthy project than a playground for Hyde Park. Now, for the method of acquiring this land for the playground. The original message from the Mayor calls for a transfer of \$10,000 from sales of city-owned property for the purpose of buying this land. Letters which you and I have received continually refer to this land as consisting of "500,000 square feet of land," assessed for "over \$11,000." I know that the error made by the councilor from Hyde Park, for instance, has been far from intentional. I know the enthusiasm he has for this project, and I don't blame him, as we sometimes do not always visualize all the facts when we are naturally enthusiastic. It only shows the danger of not knowing the facts. The official reply we received from the Assessing Department last week states that the \$11,000 assessment is on 1,258,815 square feet of land, as shown on page 1 of last week's City Council Minutes. So if I may be pardoned for sticking to the facts, if we are buying 500,000 square feet of land for \$10,000, we are not buying the land for less than the assessed value. We are paying about twice the assessed value for the part we are interested in. And at that, it may be a good bargain, even though Mr. Murphy of the Assessing Department says it is not worth \$10,000. But let us assume that it is worth \$10,000, or twice the assessed value, and that after we have bought it the government will spend some \$275,000 there—incidentally grading and filling it, as Colonel Sullivan says, and straightening and clearing out a brook. Fine! Hyde Park wants a playground there. I am for it. But why hand over \$10,000 for it? They tell us now that we are getting 500,000 feet. It is

the whole tract of 1,250,000 that is assessed for \$11,000, and which has unpaid taxes outstanding on it amounting to some \$2,500, covering the five most recent years from 1931 to 1935. We learned from the City Collector last week that in addition the city got a tax title in the spring of 1931 covering years prior to that. I have to take the word of the Tax Collector. I don't keep his records or those of the Assessing Department. But that is what he told us in Executive Committee last week. I don't know what this talk is about selling it now at auction. Irrespective of the unpaid taxes from 1931 to 1935, if we bought in a tax title in June of 1931, covering the unpaid taxes for years prior to that, it is not a question of any sale or any auction, but a simple question of perfecting our title by a petition filed in the Land Court on the tax title that we have had ever since 1931. That is a question of a few weeks. It should have been done months ago. Read the partial list of properties with the amounts and the dates that the City Law Department put through the Land Court in 1934 and 1935, in the City Council Minutes of last week. Fifty-eight properties, none of them vacant, every one on the list having a building on it, and I think most of them homes, in every section of the city from Charlestown to South Boston. Not a single piece of vacant land. And, looking back to last week's minutes, there are some of them on which we perfected our tax titles as long ago as 1934. All of them involved taxes and tax sales far more recent than the outstanding tax title reported to be on this vacant land. Why action on them while this lay dead? If we are going to vote on this, let us at least understand what we are voting on. We will never get the facts listening to some sound wagon, while the "music goes 'round and around.'" This is not a vote for or against a playground. I will venture to say that there are twenty-two votes in this Council for this playground. But just because there is going to be a playground here is no reason why it should be used as a smoke screen to treat this taxpayer or tax dodger a lot better than the little home owner in your ward or mine, who could not pay his taxes in 1933 or 1931 or 1928,—and his title is gone. Perhaps I am narrow enough to think that right is right. Now, for the argument that no money will change hands. What difference does it make to me whether my grocer hands to me \$100 in cash or crosses off \$100 in unpaid grocery bills that I owe him? The Assessing Department tells us that the owner of this property owes the city over \$12,000 in back taxes. In effect, we are going to pay the owner \$10,000 for less than half of a parcel of 1,250,000 square feet of land on which the city has held a tax title since 1931, with the understanding that the \$10,000 is to be applied to back taxes. And I still say that there is no reason why we should not perfect the title that the city already has, without the payment of any \$10,000, just as was done, in the cases of the properties contained in the list furnished by Mr. Hall last week. No auction. No sale. The mere perfecting of a tax title for unpaid taxes, that the City Collector says that we have had since June of 1931. Those are facts. And I still say that I am for the Hyde Park Playground. I may be misunderstood, but I am answerable to my own conscience, and not to some clown on a sound wagon. When I start climbing up on the table every time some political mouse runs squeaking through the Hall, I will get out of political life, and I will not wait to be pushed. Take the land. Use it for a playground. Let the government spend \$275,000 there. Included in the \$9,000,000 they say we can have out of the \$35,000,000 of approved projects, let us count this suggested \$275,000 for this playground. Fine! But don't get so excited, seeing Santa Claus, that we waste \$10,000 of our own money when we don't have to. Handle this tax title property like any other piece would be handled, like the others have already been handled. I am not against the playground. I am against this proposed method of acquiring the land for the playground. We have a tax title to it. Why not perfect it?

Coun. SHATTUCK—Mr. President, the discussion we had on this subject at the last meeting, at which Mr. Murphy was present, showed very definitely that this tax title was not perfected, that another step was needed before it could be perfected, namely, registration in the Land Court, and that until a petition for registration in the Land Court had been filed and had been allowed, the owner still has a right to redeem. Now, that is a very material fact, if it is a fact. That is certainly the statement that I understood to be made at the last meeting. I would like to know if that statement is or is not correct?

Coun. NORTON—Mr. President, I think possibly everything that can be said has been said, and I don't want to take up further time unless some councilor would like to have me

answer specifically any statement that has been made here.

President FITZGERALD—The clerk will call the roll.

Coun. SHATTUCK—Mr. President, I simply want to add just a word on another feature of the question—namely, the matter of appropriation or commitment by the government. It seems clear that the government has included this playground at about \$272,000 in a number of other projects totalling about \$35,000,000 or \$36,000,000, out of which \$9,000,000 may be allowed. I think it has not become clear, and never will be clear until the work is done, that the government will go through on that or that this program will be a part of the \$9,000,000. But I think there is sufficient hope that it may to justify our acting on the question; and, with that hope, I shall accordingly vote for the measure.

Coun. DOWD—Mr. President, I will vote, as I voted last week, for this measure. I believe the arguments presented by Councilor Wilson are well founded, but are merely technicalities. I remember as a youngster that former Governor Foss, who at the present time is land poor, was one of the most liberal Democratic Governors that this Commonwealth had up to the time when he was elected. He was the first Democratic Governor to recognize Democrats in this state. I do think—and I don't want to be sentimental—that it should not be said in this Council that that man, who is now land poor, is a tax dodger. Ex-Governor Foss has been a very important man in Hyde Park and in our state, an employer of thousands and thousands of people, and at one time one of our largest taxpayers. The argument made against this is merely a matter of technicality. As I said last week, this really means what? First, a playground for the children of Hyde Park, and I well remember, speaking of playgrounds for that section, when Councilor Wilson, Gallagher, John I. Fitzgerald and myself voted for the Rugby Playground. I have always, like other members of this Council, favored playgrounds for the young of our city. I think we all want to see Hyde Park treated just as well as any other section of Boston. As I say, to my mind the argument that has been made against this is a technical one. Personally, like other members of this body, I favor playgrounds, and in this case I favor a playground for the children of Hyde Park, incidentally placing men at work. I favor placing even 50 men at work, although my colleague from Hyde Park believes that this will place 1,000 men at work. That may be a trifle exaggerated, but suppose it places 50, 100, 200 or 500 men at work, at the present time, that will repay for the few thousands spent on this order, rather than taking the land through Land Court proceedings.

Coun. WILSON—Mr. President, I appreciate some of the points that the councilor from Roxbury (Coun. Dowd) has made, but frankly I cannot agree that the position I have taken is a mere technicality. The land is not in the name of Mr. Foss, but in the name of the Massachusetts Bonding and Mortgage Company, and prior to that it was in the name of another Massachusetts corporation, the Suburban Realty Corporation. Nor do I think it only a technicality that instead of paying only about the assessed value, we are paying, or allowing to be paid, over twice the assessed value. Nor do I think it is a technicality that the owner of this piece of vacant land in Hyde Park has been allowed to get away with this since 1928, when home owners all over the city of Boston, from Charlestown to South Boston and Dorchester, who have owed taxes in more recent years, have seen the titles to their houses go through the Land Court and have lost them for good.

Coun. FINLEY—Mr. President, without attempting to prolong the discussion, I want to rise today and make a statement, as one who voted against the second reading of this particular order last week. I rise here today because I feel that I should do so after the knowledge I have acquired since the last meeting. I believe that the members of the Council should vote for this order and that the neighboring district to West Roxbury should have the playground facilities it is entitled to. I did not feel last week that we had sufficient information to assure us that this project would go through if the order was passed. I now feel that we have, in view of the letter sent in by Colonel Thomas Sullivan, and I shall vote for the order today.

The order was given its second and final reading and passage, yeas 18, nays 3:

Yeas—Coun. Agnew, Doherty, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Norton, Rosenberg, Selvella, Shattuck, Tobin—18.

Nays—Coun. Brackman, Roberts, Wilson—3.

Coun. NORTON—Mr. President, I now ask unanimous consent to make a statement. I do not desire to take up time unnecessarily on

the matter, and I shall be brief. But I do think there should be an explanatory note in the record. I have had nothing whatever to do with this playground coming to Hyde Park. Many years ago a well-known man in the community, Mr. James B. Grant, who is now sitting in our gallery, started this proposition. I never thought it could be carried through, but through the efforts of the Hyde Park Board of Trade and through the support of this body, the thing has now culminated in what I know will be one of the finest playground areas in New England. Time and again I have stood on the floor of this body and called attention to the fact that Boston needs more playgrounds. There should be, according to the American Recreation Association, an acre of playground to each 100 people. It is the only antidote we have for vice, crime, juvenile delinquency, the outstanding social problem of today. We have 2,500 juvenile delinquents a year in our Juvenile Court. There is only one thing that we can do for the 100,000 juveniles, youngsters graduating from our schools and walking our streets, and that is to give them places where they will have an opportunity to obtain proper recreation. I am against extravagant expenditures by our city at the present time. You know my attitude upon that matter. But I do not feel, under the conditions which surround this matter, that it comes within that category. Not a cent is coming out of the city treasury to fix up this land, and it will afford the only opportunity that the youngsters in the high school out there will have for play and recreation. Now, just another word. In regard to the city taking a playground area in Hyde Park, the name of former Gov. Eugene N. Foss was brought into the discussion. Perhaps some folks may think the ex-Governor was desirous of selling land to the city. Such is not the case. He was sent for by Mayor Mansfield. Asked what he wanted for the land in question, he finally said to the Mayor: "I owe much to Hyde Park. I invested millions of dollars there in my factories. I want to leave something to the folks out there. Whatever price you name, Mr. Mayor is O. K. with me." What citizen has been more useful to our city than the ex-Governor? As a fifteen-year old boy, he came off a Vermont potato farm with 50 cents in his pocket. He worked hard, built the B. F. Sturtevant Company in Hyde Park, built the Becker-Brainard Company, operates the Maverick Mills, East Boston. Over 1,500 worked in the Sturtevant plant at one time. Over 1,000 work today in the East Boston mill. Called foolish years ago, he had faith in Boston, and built large buildings out at Governor's square and started that development. When he was Governor a movement was on foot to name it "Foss Square." He suggested "Governor's Square" and so it was. As Governor, he was the first to recognize all classes and creeds in his appointments to the bench. He represented tolerance. The present Chief Justice, Arthur P. Rugg, was appointed by Governor Foss, as was Chief Justice Perley Hall of the Superior Court. He appointed more judges than any Governor in history, and not one of them but what proved his metal. Today, with the Governor seventy-eight years of age, he says: "My judges—everyone of them—were the finest men I could get. Nothing pleases me so much today as this." Boston is proud of ex-Governor Foss.

President FITZGERALD in the chair.

CONFIRMATION OF EXECUTIVE APPOINTMENTS.

President FITZGERALD called up, under unfinished business, Nos. 1 and 2 on the calendar, viz.:

1. Action on appointments submitted by the Mayor March 23, 1936, of Jacob Braunstein and Sidney Williams, to be Constables, authorized to serve civil process.

2. Action on appointments submitted by the Mayor March 23, 1936, of John G. Cassidy and Daniel J. Kelly, to be Weighers of Goods.

The question came on confirmation. Committee, Coun. Agnew and Mellen. Whole number of ballots, 18; yes 13, no 5, and the appointments were confirmed.

RECESS.

The Council voted at 3.15 p. m., on motion of Coun. GALLAGHER, to take a recess subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.19 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. GALLAGHER, for the Executive Committee, submitted the following:

1. Report on order (referred today) accepting chapter 157 of Acts of 1936, authorizing payment of money to Daniel F. McCarthy of Boston—that same ought to pass.

Report on order (referred today) that \$1,400 be paid to Daniel F. McCarthy, being refund of amount paid by him for retail package one store liquor license, same to be charged to Reserve Fund—that same ought to pass.

Reports accepted; said orders passed.

2. Report on order (referred today) that Mayor request Commissioner of Public Works to reinstate for one day at least inspectors of that department who were suspended some time ago, in order that said inspectors may have their civil service standing preserved—that same ought to pass.

Report accepted; said order passed.

3. Report on message of Mayor (referred today) asking for immediate action on Boston Consolidated Gas Company contracts—that same be placed on file.

Report accepted; said communication placed on file.

4. Report on message of Mayor and on contracts for street lighting by gas with Boston Consolidated Gas Company (referred today)—that said contracts be approved.

The report was accepted and the question came on the approval of said contracts.

Coun. PETER J. FITZGERALD—Mr. President, I am opposed to the acceptance of these contracts, chiefly because there is a principle involved. I represent a section of Dorchester, Ward 13, which contains some 33,000 men, women and children. We have in Dorchester, as I said in Executive, a city within a city, a population of over 180,000, and we have 3,300 gas lamps. Every morning, or at least two or three times a week, you will pick up your morning newspaper and find that there has been an assault, a bag snatcher or a sneak thief or thug has been operating in some part of the city. On checking up that part of the city you will find—whether it is in Dorchester, West Roxbury, or any other section—that the crime has taken place in the vicinity of a gas lamp. In my own immediate section gas lamps have been out for a week or more, and protests have been to no avail. You may call up City Hall or even the gas company, and no one shows any interest. Sometimes the thing adjusts itself and the light finally comes on again. It is a ridiculous spectacle to see a gas lamp in front of a house and yet see a man lighting a match to attempt to find out the number of a house. That may sound exaggerated, but it is the truth. You cannot distinguish a person within twenty feet of a gas lamp when it is lit. I am as much concerned as any man in Boston in saving money, the taxpayers' money, for the city, but when it comes to the protection of human life, money should not enter into the question. Imagine a gas company or an electric light company furnishing the necessities of life, being forced to do something that the city wants, getting franchises from the city, and yet not being interested in providing the citizens what they want and need. I realize that in the old days the gas company, the electric light company and the telephone company had to do what they were told. By whom? By the old Board of Aldermen. They didn't dare to contradict or go against the wishes of the Board of Aldermen. Then the public service commission was established, and the Legislature blocked the power of the local authorities over the companies, giving that power to the public service commission, and that commission is just as weak today as it ever was. Men simply sit there and if you or I or the people of Boston want to get any consideration at their hands, do you suppose that we can do so? No. The only time when the people of Boston and Massachusetts have ever been able to get a break from the Public Utilities Commission has been under the term of the present Governor, who has forced them to prevent the companies from raising the rates. Otherwise, have they ever given the people—either in the matter of electric or gas light or telephones—a break? And as far as we sitting here as a City Council are concerned, we are simply told to take it or leave it. We are told here that we will get a refund if we sign the contract within a certain period. Councilor Dowd speaks of a refund and says that he is rather suspicious of that, and so am I. We are told that we will save \$12,000 if we accept the contract. Something is wrong, radically wrong. Mr. President, and I do not propose to stand here as a councilor and go along with this because the thing has a certain number of votes. Nobody will line me up, a utility or anything else, for something that hits the people of my district. Something should be done as a matter of law, and it ought to be

done by the Mayor of Boston, as a lawyer. He should find out what recourse we have when a utility refuses to do what it ought to do. We ought to have some power with regard to what goes over or under our streets. Are we to understand that when we do not vote a certain way we are out of the picture? I am not a lawyer, corporation or any other kind, but I do feel that when important questions arise the people should have some redress when they are not properly treated. Boston has 3,300 gas lamps that do not throw light more than ten or twelve feet. I would offer a solution that may be taken as a joke or otherwise, that the Mayor hire or purchase every available plumber's torch in the City of Boston and arrange with householders to project flagpoles ten or twelve feet from their houses, with a torch at the end, so as to furnish some light in our streets beyond that which is furnished by the gas lamps. I am against the making of this contract, in the interests of the people of Boston as a whole, as well as of the people of my district.

Coun. ROBERTS—Mr. President, I don't see how I could possibly vote for the order without some sort of explanation. Of course, our street lighting should be electrified but, as the chairman of the Municipal Lighting Committee tells us, it is impossible to have the Edison Company, the only company with which the City of Boston can do business, undertake the complete lighting of all the streets, eliminating the gas lamps. For that reason there is nothing we can do but vote for this order, it seems to me. If we vote the order down, the lighting will be continued at the old rate, at a loss to the City of Boston. I dare say it would be very pleasant for the gas company to continue in that way, getting more money than it otherwise would get from month to month, because of continuing under the old rate. This Council awhile ago adopted an order I introduced calling upon the Mayor and the Governor to initiate a program before the Legislature, not for a municipal lighting plant but for the sole purpose of competing with the Boston Edison Company in supplying the city alone with electricity. Knowing the obstacles with which we have had to contend in the line of legislation, the Mayor as the administrative officer of the city was urged to go forward with some legislation, at the Legislature, so that we could light our own streets and public buildings. It appears absolutely impossible for us to do that without legislation, and we have not the benefit of that legislation, and we cannot use the Edison Company as a competitor of the gas company. Therefore, it is with an apology that I shall vote for this order now, as I can see at the present time no alternative.

Coun. ROSENBERG—Mr. President, I come from the Dorchester district and only a short time ago I introduced an order asking that all the lights in my district be electrified. I believed that we might be able to arrive at some method of having the gas lights in my district supplanted by electric lights. However, after several meetings of the lighting committee and after conferring with the representatives of the gas company and the Commissioner of Public Works, we find that we are unable to get all the streets electrified, and we also find that if we carry on under the present arrangement, paying as we are from month to month, the taxpayers of Boston are going to pay \$160,000 more for our lights in the next five years. Since we are unable to electrify all the streets of Boston and can only at best electrify half of them, in which case we might probably get one or two electric lights on a street, but leaving the whole thing in an unsettled and haphazard form, and inasmuch as by making this proposed contract we will save the taxpayers of the city \$163,000, which could be well used by the Welfare Department, I shall, although under protest, vote for the order. I will add that I have no interest whatever in either the Edison or the gas company; that I neither own nor represent any stock in either of the companies or in any public utilities. I believe in a certain measure they are gouging us, holding us by the throat. But we are in the position of trying to do the best we can for the taxpayers of Boston under the circumstances. As a member of the committee, therefore, I am going to vote in favor of the measure, because I believe it is the only solution. Otherwise, we will have to pay an exorbitant rate on a month-to-month basis to the Boston Gas Company, and will be getting nowhere.

Coun. MELLE—Mr. President, I also believe that we should have an opportunity to get a better bargain. As that seems impossible at the present time, I believe that it will be more advantageous to vote for the measure than to pay thousands of dollars extra from month to month by continuing on with the present arrangement. On that basis, I am going to vote for the measure,

and only because of the situation which confronts us otherwise, and which we do not seem to be able to avoid.

Coun. WILSON—Mr. President, I would like to submit a few facts and figures as a matter of record, upon this matter, which I consider one of the most important matters that we have had come before us for some time. In 1934 there were 13,598 electric street lamps in the City of Boston, and in 1936 there are 13,680. With reference to the location of gas street lamps the following figures are somewhat illuminating, even if most of the lamps are not. Hyde Park has its own arrangement. The remaining sections of the city have the number of gas lamps listed as of each year, as follows:

The Back Bay, in 1934, none; in 1936, none.
East Boston, in 1934, 429; in 1936, 429.
Charlestown, in 1934, 512; in 1936, 509.
South Boston, in 1934, 676; in 1936, 670.
Brighton, in 1934, 1,030; in 1936, 1,030.
Roxbury, in 1934, 1,208; in 1936, 1,197.
West Roxbury, in 1934, 2,470; in 1936, 2,473.
Dorchester, the district I have the honor to represent, in 1934, 3,212; in 1936, 3,205.

That is, of the 9,500 gas lamps throughout the entire city, in 1934, 3,212 were in Dorchester, and in 1936, 3,205, or something more than a third of the entire number in the City of Boston. That is the reason why I assume that the gentleman who so ably represents Ward 13 (Coun. Peter J. Fitzgerald) feels so strongly that our section of the city should be favored with more modern lighting. It will thus be noted that, although the Public Works Commissioner at the public hearing expressed a belief that 80-candle power electric lights on 30-foot 9-inch poles give less satisfactory light than 60-candle power gas lamps on 11-foot poles, the great majority of the remaining gas lamps are in such residential districts as Dorchester and West Roxbury without a single such lamp in the entire Back Bay district. But at the most recent meeting of the committee, held last week, Mr. Carven finally stated that, in his opinion, electric street lighting is not only more satisfactory but, to his mind, eventually inevitable in the City of Boston. During the past two years the number of gas lamps has only been reduced by 24—that is, from 9,539 to 9,515. As has been pointed out, the Edison Electric Light Company, if so requested, is prepared within six months to a year, at its own expense, to substitute electric lights for gas lamps at approximately 4,700 out of the present 9,513 gas lamp locations. Also, while the gas contract for Boston would call for over 9,500 lamps, as against the 1,218 gas lamps in the town of Brookline, the charge for that small number of lamps in Brookline is but \$26.13 per lamp, while the proposed gas company contract here provides for a penalty increase from \$20.50 per lamp to \$26.21 per lamp provided the city retains the right during the five-year period to substitute electric lights for gas lights at more than 5 per cent of the light locations, and then only up to 50 per cent of the total. In other words, our rate here in Boston for 4,800 gas lamps would be the same as the rate in Brookline with only 1,218 gas lamps. Even with that penalty provision, the additional cost to the city on a substitution of electric lights for some 4,700 of the gas lamps would be about \$2,500 per month. The changes in rates during successive years, and the comparative prices on the items in the proposed contracts, show rather clearly that the holding up of the price so far as Boston is concerned is due not to the Boston Consolidated Gas Company but its subsidiary. I do not profess to be a radical, and I don't assume that I am looked upon as a radical, but coming from a section that has within its borders almost a third of the old gas lamps in the City of Boston, and taking the same position in this matter that Councilor Roberts takes, I would assume that any member coming from such a residential section would want to see some awfully good reason for tying up the City of Boston for five years on a contract under which we could not shift from gas to electric light in those sections of the city. Therefore, I would rather see the City of Boston held up—and that is what it is—by the Boston Consolidated Gas Company and its subsidiary, than to see it put back for five years so far as modern lighting is concerned.

The Council voted to approve the contract. Coun. WILSON doubted the vote and asked for the yeas and nays.

The contracts were approved, yeas 17, nays 3.

Yeas—Coun. Agnew, Brackman, Doherty, Dowd, Finley, John I. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Roberts, Rosenberg, Selvittella, Shattuck—17.

Nays—Coun. Peter J. Fitzgerald, Tobin, Wilson—3.

6. Report on message of Mayor and order (referred March 16) appropriating \$12,000 to be expended under direction of Corpora-

tion Counsel for purpose of meeting necessary expenditures in re suit between City and Edmund L. Dolan and others—that same ought to pass.

Report accepted, and the order was rejected on roll call (a two-thirds vote being required for passage), yeas 12, nays 8:

Yeas—Coun. Agnew, Brackman, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Roberts, Rosenberg, Shattuck, Wilson—12.

Nays—Coun. Doherty, Kerrigan, Kilroy, McGrath, Mellen, George A. Murray, Selvittella, Tobin—8.

On motion of Coun. AGNEW the vote was reconsidered, and the order was assigned to the next meeting.

EASTERN MASSACHUSETTS BUS PERMITS.

Coun. SELVITELLA, for the Committee on Jitney Licenses, submitted the following:

1. Report on petition (referred today) of Eastern Massachusetts Street Railway Company to operate motor vehicles from Boston-Revere boundary line and plaza contiguous to traffic tunnel exit in and/or adjacent to Haymarket square, on Union street, between Dock square and Haymarket square—that permit be granted on usual conditions.

Report accepted; permit granted on usual conditions.

2. Report on petition (referred today) of Eastern Massachusetts Street Railway Company for license to operate motor vehicles on Chelsea street between Chelsea-Boston boundary line and Haymarket square circle—that permit be granted on usual conditions.

Report accepted and the question came on granting the permit.

Coun. MELLEN—Mr. President, this is the first official knowledge that I have had of this matter. All I know about the Eastern Massachusetts operation in Charlestown is that the buses run very irregularly and very infrequently, and that they don't stop for pick-up but only for passengers alighting. I was always of the opinion that where a councilor's district was concerned, he was extended the courtesy of having a chance to be present at the hearing. Therefore, as this is the first I have heard of the matter officially I am going to vote against the permit. I move that the matter be laid on the table.

The motion to lay on the table was declared lost. Coun. MELLEN doubted the vote. A show of hands was taken to solve the doubt, and the motion to lay on the table was lost, 6 to 8.

Coun. GEORGE A. MURRAY—Mr. President, I further doubt the vote and ask for the yeas and nays.

Coun. DOWD—Mr. President, I am not a bit interested in the Eastern Massachusetts, but I am interested in giving some consideration to our fellow members. If there is a matter before the Committee on Jitneys that concerns the district of one of our members, certainly the courtesy of an invitation to attend a hearing or a meeting upon that matter should be given to him. I believe that common courtesy be given to the members of this Council.

Coun. SELVITELLA—Mr. President—President FITZGERALD—Councilor Selvittella, the acting chairman of the committee—

Coun. DOWD—Mr. President, you recognized me, and I have not finished. I object to being interrupted.

President FITZGERALD—The gentleman is out of order.

Coun. DOWD—I am not out of order, Mr. President, and I am talking on the question. As I said before, common courtesy and decency demand that the representative of the district concerned, Councilor Mellen, be given an opportunity to consider the question of whether or not these jitneys should run through his district. Every member of the Council knows that when it is proposed to run a jitney line through his district he is interviewed and his desires one way or the other are consulted. Councilor Mellen has asked a fair question, and that is the only reason why I shall vote against this permit. If he had been invited to the committee and asked if the thing was all right, I would vote for the jitney line. But as it is, I shall vote against it. I hope the members will be fair. We older members realize that when a member's district is concerned in a proposed jitney permit he is always consulted and given an opportunity to consider whether it is going to help his district or not. I hope, therefore, that the matter will lie on the table until Councilor Mellen has an opportunity to look into it.

President FITZGERALD—Councilor Dowd's statement is out of order. The motion before the house is on the question of laying on the table. I have allowed the councilor to proceed, but he was really out of order.

Coun. DOWD—Very generous of you, Mr. President. I appreciate it!

Coun. SHATTUCK—Mr. President, I feel on this matter just the same as the gentleman who has just taken his seat. I don't know the merits of the measure; I have not heard of it before. I don't know how I shall vote upon it after I have heard it. But I think at present it should be postponed until the gentleman from Charlestown has a chance to look into it.

Coun. SELVITELLA—Mr. President, I wish to say just a word as acting chairman of the Jitney Committee. I wish to give the members of the body whatever information I have. This petition was sent in to the Council last January, but, due to the sickness of the chairman of that committee, Mr. Peter A. Murray, it stayed in the committee room until the Mayor's message that we received this afternoon urging immediate approval of the petition. Before the Chelsea drawbridge was closed for repairs, the Eastern Massachusetts had a surface line from Chelsea to Haymarket square, under arrangements made with the Boston Elevated and the City of Boston. Then those tracks were taken up and buses were substituted where formerly the surface cars ran. The Eastern Massachusetts is now running a bus line from Chelsea to Haymarket square under permission it has received from the Department of Public Utilities at the State House. That permit expires April 6, next Monday, and if we do not approve that petition the people of Chelsea and Charlestown will be deprived of the service they have been getting the past two months. Some action must be taken today, because it is necessary, under the law, to call a public hearing and get a certificate of convenience from the Department of Public Utilities. This petition is no different than the ordinary petition we receive from the Boston Elevated or the Eastern Massachusetts. It was my duty to invite the councilor, or the duty of the Clerk of Committees. Whether or not he was invited, I don't know, but I do know, that it is essential, if there is going to be a continuation of that service without interruption, that this be approved, as today is the last time we can act on the measure.

Coun. MELLEN—Mr. President, I ask unanimous consent to say a word. I recognize the fact that Councilor Murray is sick, and I place no blame on the gentleman who has taken over the duty of chairmanship of the committee involuntarily. I still maintain, however, that the service is of no value to the district I represent, Charlestown. The buses do not stop there regularly. I first knew of this matter today and, with the desire of investigating more fully, I still maintain that reconsideration of the approval should prevail.

Coun. GEORGE A. MURRAY—I, too, Mr. President, feel very strongly upon this matter, being a new member of the Council. Councilor Mellen feels that this is an issue which is vital to his district, and he certainly should have been consulted in the matter. The common courtesy of being invited to the meeting of the committee on this matter affecting his district should certainly have been extended. In so far as interruption of the service is concerned, because of time limitation, I feel that a temporary license could be given and then another meeting could be called for some future date. Certainly, however, the councilor from Charlestown who is vitally interested in this as a matter affecting his district should be given proper consideration.

Coun. SELVITELLA—Mr. President, in order to clarify the statements already made, I will say this, that under the rules and regulations of the Department of Public Utilities they can only grant the temporary permit under which the road is now operating, that they cannot grant another temporary permit.

President FITZGERALD—The Council understands that this has been in committee since January 24.

Coun. MELLEN—I had no knowledge of that, Mr. President. If, as the councilor from Ward 1 (Coun. Selvittella) says, no further extension can be made, it is very easy to hold a special meeting to take up this matter in a day or two, and I would so move.

Coun. KERRIGAN—Mr. President, as a member of the Jitney Committee I voted in favor of the granting of the license, but with all due respect to the colleague from Charlestown, I think we should be fair with him. I think the Clerk of Committees should have extended to him an invitation to be present at our hearing. I think there should be a hearing on the matter at which the colleague may be present. Apparently he received no invitation, so I would like to see a special meeting called at which he can be present. I am heartily in accord with that idea, and I suggest that such a motion be made and that it prevail.

Coun. MELLEN—Mr. President, I have already made the motion.

President FITZGERALD—The motion is out of order. The question is on solving the doubt on laying on the table.

The roll was called, and the motion to lay on the table was lost, yeas 7, nays 13:

Yeas—Coun. Dowd, Kerrigan, Mellen, George A. Murray, Roberts, Shattuck, Tobin—7.

Nays—Coun. Agnew, Brackman, Doherty, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kilroy, McGrath, Rosenberg, Selvitella, Wilson—13.

The question came on granting the license, and it was declared carried. Councilor MELLENDOTT doubted the vote and asked for the yeas and nays.

The Council voted to grant the license, yeas 14, nays 6:

Yeas—Coun. Agnew, Brackman, Doherty, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, McGrath, Rosenberg, Selvitella, Wilson—14.

Nays—Coun. Dowd, Mellen, George A. Murray, Roberts, Shattuck, Tobin—6.

Coun. MELLENDOTT moved a reconsideration of the vote; declared lost.

Coun. GEORGE A. MURRAY doubted the vote and asked for the yeas and nays.

Reconsideration of the vote granting the permit was lost, yeas 6, nays 14:

Yeas—Coun. Dowd, Mellen, George A. Murray, Roberts, Shattuck, Tobin—6.

Nays—Coun. Agnew, Brackman, Doherty, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gallagher, Gleason, Kerrigan, Kilroy, McGrath, Rosenberg, Selvitella, Wilson—14.

ROPING OFF STREETS FOR MARATHON RACE.

Coun. FITZGERALD offered the following:

Ordered, That the City Messenger be authorized to rope off the streets at such points as may be necessary for the Annual Marathon Race, under the auspices of the B. A. A. on April 19, 1936, the expense to be charged to the appropriation for Flags, Ropes and Stakes.

Passed under suspension of the rule.

WIDENING OF BAKER STREET.

Coun. FINLEY offered the following:

Ordered, That his Honor the Mayor be requested to instruct the Law Department to institute at once the necessary proceedings to provide for the alteration of the crossing by an overhead railroad bridge of the West Roxbury branch of the New York, New Haven & Hartford Railroad at Baker street, West Roxbury, between Centre and Spring streets, so as to widen said Baker street at said crossing to correspond to its width on either side, and to provide a proper clearance and head room for vehicles using the street.

Passed under suspension of the rule.

TENNIS TOURNAMENT AT FRANKLIN FIELD.

Coun. ROSENBERG offered the following:

Ordered, That the Park Commissioner through his Honor the Mayor, be requested to make the necessary arrangements to hold the National Public Parks Tennis Championship at Franklin Field the week of August 17, 1936.

Ordered, That the Park Commissioner, through his Honor the Mayor, be requested to resurface with clay the courts at Franklin Field, erect a fence and stationary nets, in preparation for the National Public Parks Tennis Championship Tournament which will be held the week of August 17, 1936.

Coun. ROSENBERG—Mr. President, in connection with these two orders, looking to arrangements for the carrying out of the National Public Parks Tennis Championship Tournament at Franklin Field, I would simply like to call the attention of the members of the Council to the fact that for several years the Park Commissioner and the Mayor of Boston have been attempting to have that National Public Parks Tennis Championship Tournament come to Boston. It is due to such efforts that the tournament is now to be held here during the week of August 17. When it was originally proposed that it come here, it was thought that it would have to be held on a private playground, but since then the members of the different tennis associations have got together and decided, if agreeable to Commissioner Long, that the tennis tournament should be held on Franklin Field. That field contains some thirty-five tennis courts, and is the largest available tennis field in Boston. When you think of a distinctively tennis playground you think of

Franklin Field, and I think the efforts that are being made will result in the tournament being held on Franklin Field. Touching on the importance of this tennis tournament, I would like to read a brief message that has been sent to me, under date of March 23, by Commissioner Long:

"You are probably not aware of the fact that Boston has been awarded the National Public Parks Tournament. This is one of the biggest events of the country in tennis, as boys and girls come from all over, as far west as Honolulu, also from all over the West and South."

I believe, to hold this tournament on Franklin Field would bring back the old tennis standing and prestige of the Dorchester district and will give the merchants of that district additional business. It will not only be a fine thing for the district and the City of Boston, but will afford the players an ideal place to play, on a tennis field that is well known throughout Greater Boston and also favorably known in this respect throughout the country.

The orders were passed under suspension of the rule.

BUS LINE TO FOREST HILLS STATION.

Coun. ROSENBERG offered the following:

Ordered, That the Board of Trustees of the Boston Elevated Railway consider the advisability of establishing a bus line to run from Blue Hill avenue and Morton street to Forest Hills Station, fare to be five cents.

Coun. ROSENBERG—Mr. President, just a brief word in reference to this order. The people coming from the Forest Hills section to the Mattapan district of Boston have to go through Forest Hills, down to Egleston square, and then take the roundabout route going along Seaver street, up through Blue Hill avenue and back to Morton street. The establishment of such a bus line as is proposed in this order, running from Blue Hill avenue and Morton street to Forest Hills Station, will greatly relieve the congestion now existing in the Egleston square section. The people from Mattapan will be able to reach their homes very easily, and the line will also be accessible to people going to the state institutions from Forest Hills and Brookline. We have no so-called cross-country route, and the establishment of this line will greatly relieve the congestion during the busy hours and will also secure quicker transportation of people coming from Dedham and using the different lines terminating in the Forest Hills section. I ask that the order be passed.

The order was passed under suspension of the rule.

OVERHEAD PASS FROM BLUE HILL AVENUE.

Coun. ROSENBERG offered the following:

Ordered, That the Board of Street Commissioners be requested, through his Honor the Mayor, to consider the advisability of the erection of an overhead pass leading from Blue Hill avenue, facing Hosmer street, and extending up to Duke street, for the safety and convenience of the children attending the Solomon Lewenberg School on Outlook road, Dorchester, Ward 14.

Passed under suspension of the rule.

RESURFACING OF SHAFTER STREET, WARD 14.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works Department be requested, through his Honor the Mayor, to resurface with smooth paving Shafter street, Dorchester, Ward 14.

Passed under suspension of the rule.

LEAVE FOR JEWISH EMPLOYEES.

Coun. ROSENBERG and BRACKMAN offered the following:

Ordered, That his Honor the Mayor be requested to permit all city employees of the Jewish faith to take two days' leave of absence from their work on the occasion of the Jewish holidays, Tuesday and Wednesday, April 7 and 8, without loss of pay.

Passed under suspension of the rule.

IMPROVEMENTS AT DORCHESTER HEIGHTS.

Coun. KERRIGAN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to make the necessary improvements at Dor-

chester Heights, such as grading, sodding, repairing fence, etc., and to provide additional fences at the foot of the slopes at the various entrances to protect the embankment at these points.

Passed under suspension of the rule.

INFORMATION TO SOCIAL SERVICE WORKERS.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor request that the Director of Public Welfare immediately proceed to stop all social service workers connected with private organizations other than that of the City of Boston from investigations or learning the names of anyone receiving aid from the City of Boston.

Passed under suspension of the rule.

CHANGE OF NAME OF BELMONT PARK.

Coun. SELVITELLA offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to change the name of Belmont Park, in the First Section of East Boston, to Michael J. Brophy Park.

Passed under suspension of the rule.

WARD 9 IMPROVEMENTS.

Coun. GLEASON offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement Dilworth street, Ward 9.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement Lamont street, Ward 9.

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install an arc light at the corner of West Brookline street and Shawmut avenue, Ward 9.

Ordered, That the Commissioner of Public Works make a sidewalk along Dilworth street, entire length, both sides, Ward 9, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of granolithic, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Ordered, That the Commissioner of Public Works make a sidewalk along Lamont street, entire length, both sides, Ward 9, in front of the estates bordering thereon; said sidewalk to be from 3 to 10 inches above the gutter adjoining, to be from 5 to 12 feet in width, and to be built of granolithic, with granite edgestones, under the provisions of chapter 196 of the Special Acts of 1917.

Severally passed under suspension of the rule.

Adjourned at 5.10 p. m., on motion of Coun. SHATTUCK, to meet on Monday, April 6, 1936, at 2 p. m.

FINANCING SEWAGE WORKS BY SPECIAL ASSESSMENT IN IOWA.

The cost of constructing sewage disposal plants in a number of states, and in Iowa in particular, may be levied against the various lots, parts of lots or parcels of ground draining to, or susceptible to drainage to, the site of the disposal plant. Such assessments must be in proportion to the benefits to each property and must not, in any case, exceed one-fourth of the fair value of the property in question. These special assessments are payable in the same manner as other municipal improvement costs; that is, in ten annual equal installments, paid at the same time and place as the March 1 installment of ordinary taxes in Iowa. Any property owner may pay off the unpaid portion of such tax at any time. Interest on the deferred payment must not exceed 6 per cent.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the following temporary rules are effective April 13, 1936:

Parking of vehicles is prohibited in the following street:

Maitland Street.

West side, from Beacon street to Boston & Albany Railroad.

The following street is one way in the direction indicated:

May Street, West Roxbury.

From Pond street to Centre street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of baseball games at Fenway Park, the following temporary rules are effective April 12, 1936:

Parking of vehicles is prohibited in the following street:

Jersey Street.

Both sides, from Boylston street to Brookline avenue.

The following street is one way in the direction indicated, from 1 p. m. to 6 p. m.:

Jersey Street.

From Boylston street to Brookline avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewerage construction, estimated to be sixty (60) days, vehicles are excluded from the following street, effective April 3, 1936:

Fairmount Avenue, Hyde Park.

From Highland street to Summit street.

UNITED STATES GROSS DEBT.

November 30, 1932, total gross debt of the United States was \$20,806,013,836, of which \$20,476,034,190 was interest-bearing. This is a reduction of \$6,120,667,458 from the peak of \$26,596,701,648 on August 31, 1919. The gross debt on June 30, 1931, was \$16,801,281,492.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING FIVE ONE AND ONE-HALF TON CHASSIS AND TWO ONE AND ONE-HALF TON DUMP TRUCKS.

The Supply Department of the City of Boston invites proposals for furnishing to the Public Works Department five one and one-half ton chassis and two one and one-half ton dump trucks, as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Tuesday, April 21, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(April 11.) Superintendent of Supplies.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Raymond J. Trull, 15 Eldora street, Boston, in the sum of \$50, as compensation for personal injuries caused by hole in sidewalk in front of 114 Hemenway street, August 24, 1935.

Winifred Tully of 28 Sharon street, Boston, in the sum of \$75, as compensation for personal injuries caused by defect in roadway at or near 8 Meander street, Boston, February 19, 1934.

Mrs. Dennis Hegarty, 62 South Hobart street, Brighton, in the sum of \$75, as compensation for personal injuries caused when she stepped into a hole while crossing driveway on Glencoe street, about fifty feet from corner of North Beacon street, August 14, 1933.

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

AIRPORTS AND LANDING FIELDS IN THE UNITED STATES.

The latest report of the Aeronautics branch of the Department of Commerce, dated January 1, 1934, states that there were 2,188 airports and landing fields in the United States on that date, an increase of 71 since January 1, 1933. These figures do not include new airports which are being established in the various states by the State Civil Works Administration Committees.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING POWDERED ARSENATE OF LEAD.

The Supply Department of the City of Boston invites proposals for furnishing to the Park Department approximately ten tons of arsenate of lead as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. Bidder must leave a one-pound sample with his proposal. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read at 12 m., on Tuesday, April 21, 1936, at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The proposal must state the price per ton of 2,000 pounds, f. o. b. Franklin Park Yard, Boston, Mass., for ten tons, more or less, powdered arsenate of lead in twenty-pound packages, net weight. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(April 11.) Superintendent of Supplies.

POPULATION OF COUNTIES, 1930.

(1) Middlesex (11 cities and 43 towns), 934,924 or 156,572 over 1920; (2) Suffolk (3 cities and 1 town), 879,536 or 44,014 over 1920; (3) Essex (8 cities and 26 towns), 498,040 or 15,884 over 1920; (4) Worcester (4 cities and 57 towns), 491,242 or 36,107 over 1920; (5) Bristol (4 cities and 16 towns), 364,590 or 5,585 over 1920; (6) Hampden (4 cities and 19 towns), 335,496 or 35,191 over 1920; (7) Norfolk (1 city and 27 towns), 299,426 or 80,345 over 1920; (8) Plymouth (1 city and 26 towns), 162,311 or 5,343 over 1920; (9) Berkshire (2 cities and 30 towns), 120,700 or 7,667 over 1920; (10) Hampshire (1 city and 22 towns), 72,801 or 3,202 over 1920; (11) Franklin (26 towns), 49,612 or 251 over 1920; (12) Barnstable (15 towns), 32,305 or 5,635 over 1920; (13) Dukes (7 towns), 4,953 or 581 over 1920; (14) Nantucket (1 town), 3,678 or 881 over 1920. Total for the 14 counties (39 cities and 316 towns), 4,249,614 or 397,258 (i. e., 10.3 per cent) over 1920. Of said total, 2,940,335 (i. e., 69.19 per cent) were in the cities and 1,309,279 (i. e., 30.81 per cent) in the towns. The four counties, Suffolk, Middlesex, Essex and Bristol, contain 63.00 per cent of the State's inhabitants.

If the municipalities having a population of 5,000 or over are properly called urban, then the percentage of urban population in the entire State reaches the notable figure of 90.71, while the rural shows but 9.29 per cent.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER,
TENTH FLOOR.

PROPOSALS FOR FURNISHING FUEL OIL FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing fuel oil required for the school buildings from June 16, 1936, to December 31, 1936, deliveries to be continued until June 15, 1937, provided appropriation is made therefor and the School Committee so orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked, "Proposal for Furnishing Fuel Oil for Boston Public Schools." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for three hundred dollars (\$300), payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Wednesday, April 22, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. Fuel oil is to be delivered in the tanks of the several buildings and the price per gallon named in the proposal must include the delivery in said tanks in a manner satisfactory to the School Committee. The total estimated quantity of fuel oil required during the period June 16, 1936, to June 15, 1937, both dates included, is as follows:

1,700,000 gallons of heavy fuel oil.
335,000 gallons of medium fuel oil.
35,000 gallons of light fuel oil.

The School Committee reserves the right to reject any or all bids and to accept such bid, or part of bid, as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than fifty (50) per cent of the amount of the contract.

ALEXANDER M. SULLIVAN,
Business Manager of the School Committee.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR RESURFACING OR REPAIRING WITH BITUMINOUS MATERIALS THE PAVEMENT IN ANY STREET UPON WHICH THERE IS NO MAINTENANCE GUARANTY.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for resurfacing or repairing with bituminous materials the pavement in any street upon which there is no maintenance guaranty when ordered to do so by the Commissioner and giving bond therefor of a surety company approved by the Commissioner in the sum of one hundred per cent of the amount of the contract in each district to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each bidder must give the location of the plant which it is intended to operate and the capacity of the same. Each proposal should be inclosed in an envelope, sealed, marked "Proposals for Repairing Pavements with Bituminous Materials," and left at Room 508, fifth floor, City Hall Annex, before 12 m. on Friday, April 17, 1936, with a certified check for three thousand (3,000) dollars for each district, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. The boundaries of the districts are to be determined by the Commissioner so as to make the amount of work done in each district about equal. The undersigned reserves the right to reject any or all proposals or to award the contract as he may deem for the best interests of the city so to do.

C. J. CARVEN,
Commissioner of Public Works.
(April 11.)

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER,
TENTH FLOOR.

PROPOSALS FOR RUN OF MINE AND NUT AND SLACK SEMI-BITUMINOUS COAL FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing run of mine and nut and slack semi-bituminous coal required for the school buildings from June 16, 1936, to December 31, 1936, deliveries to be continued until June 15, 1937, provided appropriation is made therefor and the School Committee so orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked, "Proposal for Furnishing Run of Mine and Nut and Slack Semi-Bituminous Coal for Boston Public Schools." The bid must be in duplicate. One copy signed by the bidder and accompanied by a certified check for fifty dollars (\$50) for each district bid for, four hundred and fifty dollars (\$450) for the whole nine districts, payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock m. on Wednesday, April 22, 1936. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock m. of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The coal is to be delivered in the bins of the several buildings, and the price per ton named in the proposal must include the delivery and housing in a manner satisfactory to the School Committee. The contractor must furnish suitable equipment and sufficient number of men to house the coal properly and promptly. The estimated tonnage required is as follows and as much of it as possible will be housed during July and August, 1936:

District.	Semi-Bituminous Coal. Run of Mine, Nut & Slack.
1. City Proper.....	5,200 tons
2. South Boston.....	2,800 tons
3. East Boston.....	2,400 tons
4. Roxbury	6,000 tons
5. Dorchester	6,000 tons
6. Charlestown	1,500 tons 300 tons
7. Brighton	1,600 tons 300 tons
8. West Roxbury.....	2,400 tons
9. Hyde Park.....	1,300 tons
Totals	29,200 tons 1,275 tons

Bidders may submit a proposal for furnishing the run of mine and nut and slack semi-bituminous coal required in any one or more of the above nine districts of the city and may also submit one bid covering the whole city. The School Committee reserves the right to reject any or all bids and to accept such bid, or part of bid, as may be deemed best for the interests of the city. The successful bidder will be required to furnish a bond for not less than fifty (50) per cent of the amount of the contract.

CITY OF BOSTON.

TRUSTEES OF THE GEORGE ROBERT WHITE FUND.

PROPOSALS FOR WADING POOL.

The City of Boston, Trustees of the George Robert White Fund, invite sealed proposals for the construction of a Wading Pool, together with grading, etc., on lot adjacent to the George Robert White Fund Health Unit No. 7, bounded by Whittier, Downing, Vernon and Hampshire streets, Roxbury, and giving bond of a surety company therefor, in the sum of forty-five (45) per cent of the estimate. Only proposals obtained at the office of the Manager of Real Estate of the George Robert White Fund, Room 1005, City Hall Annex, Boston, Mass., signed by the bidder, placed in an envelope properly sealed and marked "Proposal for Whittier Street Wading Pool," and left before 2 o'clock p. m. of April 24, 1936, at the office of the Manager of Real Estate, with certified check for \$2,500, payable to the Trustees if the proposal is not carried out, will then and there be publicly opened and read. The bids must be made in duplicate; the one with the check to be left as above, the other, without check, to be filed with the City Auditor, City Hall, Boston, before 2 p. m. of the date given above for receiving proposals. Trustees reserve the right to reject any and all proposals or to accept any proposal which in the opinion of the Trustees they deem best to their interest. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office, 1005 City Hall Annex, Boston. Plans and specifications can be obtained at the office of the Manager of Real Estate of the George Robert White Fund, 1005 City Hall Annex, on and after 12 o'clock m., April 7, 1936. All plans and specifications must be returned in good condition to Room 1005, City Hall Annex, at the time of filing bids. Contractors desiring to bid must notify the Manager of Real Estate in writing on or before April 17, 1936, so that one set of plans and specifications may be ready for them. A deposit of \$50 in cash will be required for each set of plans and specifications taken out for estimating; amount to be refunded on return of the plans in good condition. No plans or specifications will be available after April 17, 1936. All sub-contractors so listed in the specifications must file bids at the office of the Manager of Real Estate of the George Robert White Fund, Room 1005, City Hall Annex, 48 hours prior to 2 p. m., April 24, 1936, and there opened and read. No sub-bids will be considered unless so filed.

CITY OF BOSTON.
SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING COAL.

The Supply Department of the City of Boston invites proposals for furnishing and delivering best quality anthracite and semi-bituminous coal. The bidder must use the form of proposal to be obtained at the office of the Supply Department, Room 801, City Hall Annex, and deposit his bid with a certified check for \$500, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above-named office. There will be a charge of eighty cents (\$0.80) for each blank proposal taken out. A duplicate bid, without check, must be left at the office of the City Auditor, prior to the time named for opening bids. Proposals will be publicly opened and read on Wednesday, April 22, 1936, at 12 m., at the Supply Department, 801 City Hall Annex. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder. Surety bond will be required for one fourth the total estimated amount of the contract.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, APRIL 18, 1936.

NO. 16

MAYOR MANSFIELD PROVIDES FOR ACCEPTANCE OF STATUE OF GOVERNOR ENDECOTT OF COLONIAL NAME — SUBMITS ORDER TO CITY COUNCIL SEEKING FORMAL RATIFICATION ACCEPTANCE OF GIFT MADE POSSIBLE THROUGH GENEROSITY OF LATE GEORGE AUGUSTUS PEABODY, BY WHOSE WILL THE SUM OF \$50,000 WAS PROVIDED FOR ERECTION OF MONUMENT — ALL LEGAL OBSTACLES TO BE REMOVED WHEN CITY COUNCIL ACTS.

Upon April 9 the following communication was addressed to the City Council:

BOSTON, April 9, 1936.

To the City Council.

GENTLEMEN,—On February 5, 1936, I received from Mr. G. H. Edgell, Director of the Museum of Fine Arts in Boston, a letter, copy of which is inclosed, whereby it appears that George Augustus Peabody, late of Danvers, Mass., died on May 3, 1929, leaving a will, to the executors of which he gave the sum of \$50,000 to be expended for the purpose of erecting a statue of Governor John Endecott, of whom Mr. Peabody was a direct descendant in the eighth generation.

The executors of the will, Mr. William C. Endicott and Mr. George P. Gardner, turned the principal of this \$50,000 fund over to the Museum of Fine Arts, to whom was entrusted the responsibility of selecting a site and building a monument. This was accepted by the trustees of the Museum of Fine Arts and a committee of the trustees employed Mr. Ralph Weld Gray, an architect, to assist them and, after consultation, Mr. Carl P. Jenne-
wein was chosen as sculptor for the statue. Preliminary designs have been made and approved and a site has been selected in the triangle of land between the Fenway and Forsyth way, between the Forsyth Dental Institute and the Museum. The site has been approved by the Park Commission of the City of Boston and both the site and preliminary design have been approved by the Boston Art Commission, so that the committee appointed by the trustees of the Museum of Fine Arts is now ready to proceed with the erection of the statue, which cannot be done until it is formally accepted by the City of Boston. The letter closes with the specific offer, on behalf of the executors of the will of George Augustus Peabody, of this monument through the Art Commission of the city and no part of the expense of erecting the statue is to be borne by the City of Boston.

I inclose also copy of a letter from the Boston Art Commission, signed by Robert P. Bellows, chairman, dated February 6, 1936.

I referred this matter to the Corporation Counsel for an opinion, a copy of which opinion is submitted herewith. By that opinion it appears that the city is authorized to take and hold in trust such property as may be given it for the improvement or ornamentation of its parks, provided that if it is a work of art the design and site must be approved by the Board of Art Commission.

A form of order providing for the acceptance of this proposed gift, drawn by the Corporation Counsel, is transmitted herewith. I recommend the acceptance of the gift and the passage of the accompanying order.

Respectfully,

FREDERICK W. MANSFIELD, *Mayor.*

BOSTON, April 7, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—I have received a memorandum from your office dated February 7, 1936, with which was submitted a letter, returned herewith, addressed to you by G. H. Edgell, Director of the Museum of Fine Arts, relating to a proposed memorial to Governor Endecott. Mr. Edgell, in his letter to you, requests that the city formally accept the monument to be erected as such memorial.

George Augustus Peabody of Danvers died May 3, 1929. Article 10 of his will, which will was allowed July 2, 1929, and under which William C. Endicott and George P. Gardner were appointed executors, provides, in part, as follows:

“ . . . to the said William C. Endicott and George P. Gardner for a statue of Governor Endecott and its base, I give the sum of \$50,000.”

Mr. Edgell in his letter to you states that on August 1, 1929, Messrs. Endicott and Gardner turned over the amount of said bequest to the Museum of Fine Arts, placing on the Museum the responsibility of selecting a site and creating a monument and that on October 17, 1929, said sum was accepted by the Museum. It is not clear from Mr. Edgell's letter whether or not it was intended that the Museum was to own the monument when erected.

Preliminary designs have been made for the monument and the site proposed therefor is the triangle of land, belonging to the city and under the control of the Park Department, between the Forsyth Dental Institute and the Museum. I understand that the site and the preliminary drawings of the statue have been approved by both the Park Department and the Art Commission.

(Continued on page 364.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 11, 1936:
Population as of July, 1936, Massachusetts State Census, 817,713; population estimated July, 1936, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 174; nonresidents, 33; total, 207.

FIRE DEPARTMENT ORDERS.

General Order No. 22.

I. PRIVATES' NEW-STYLE SACK COATS.

The special order, dated March 28, 1936, concerning privates' uniform overcoats is rescinded, effective at 8 a. m., Sunday, April 12, 1936.

Effective at 8 a. m., Sunday, April 12, 1936, privates in the department will wear the new-style sack coat with blue shirt and black four-in-hand tie. The blue shirt is to be of the style and specification approved by the Fire Commissioner. Black suspenders or black belt will be worn with the new-style coats. All privates in the department who have the new-style sack coat by April 12, 1936, are hereby ordered to wear them on and after that date.

II. CIRCUIT CARDS.

High-pressure signaling circuits Nos. 92 and 93 have been changed to Nos. 104 and 105, respectively. Company commanders will make this change on the high-pressure circuit card in a neat and legible manner.

New cards for circuits 85, 86, 87, 88 and circuits 89, 90, 91 and 92 will be

issued to the department shortly. On the new circuit cards 92 and 93 will be blank.

III. A. D. T. ASSIGNMENT.

The following signal number is to be added to the running cards of the A. D. T. Company in this department: Signal 466, Jordan Marsh Company, 35 Bedford street, Boston. Apparatus to respond, Engine 7, Ladder 17, Chief of District 5. Nearest box is No. 1463.

IV. COMMENDATIONS.

Ladderman John F. Gallagher of Ladder Company 11 is hereby commended for apprehending a hit-and-run driver in West street, Boston, March 17, 1936, and turning him over to a police officer. The man who was apprehended was the operator of a stolen car which had struck and seriously injured a police officer in Bedford street.

Engineers Bernard J. Hoppe and Ernest G. C. Learson of the motor squad are hereby commended for performing unusual and hazardous duty in connection with the operation of lighting plant No. 1 at Springfield, Hatfield, Mount Tom and Northampton during the flood, from March 18 to March 22, 1936.

Engineer of Motor Apparatus James W. Ryan, Assistant Engineers of Motor Apparatus James Wall and Henry T. Brennan and Engineers James E. Plunkett, William H. Tobin and William J. McCarthy of the motor squad are hereby commended for operating two reserve pumpers of this department from March 24 to March 28, 1936, in supplying the city of Lawrence with water from the Andover water system during the serious shortage of water in Lawrence.

Hoseman Robert F. Barry of Engine Company 14 is hereby commended for responding to and working at fire, Box 2253, March 30, 1936, while off duty.

Apparatus Operator John J. Lowney of Engine Company 34 is hereby commended for volunteering and giving blood in transfusion to a patient at the Boston City Hospital on April 1, 1936.

Hoseman James F. Mahoney of Engine Company 8 is hereby commended for volunteering and giving blood in transfusion to a patient in the Massachusetts General Hospital on April 6, 1936.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

COMMUNICATION TO THE CITY COUNCIL.

(Continued from page 361.)

Chapter 185 of the Acts of 1875 provides, among other things, for the establishment of a board of park commissioners.

Section 3 of said chapter 185 provides, in part, as follows:

"Said board shall have power to locate within the limits of the city of Boston, one or more public parks; and for that purpose, from time to time, to take in fee, by purchase or otherwise, any and all such lands as said board may deem desirable therefor; or to take bonds for the conveyance thereof to said city, to lay out, improve, govern and regulate any such park or parks, and the use thereof; . . ."

Section 6 of said chapter 185 provides that:

"The fee of all lands taken or purchased by said board under this act shall vest in the city of Boston, and said city shall be liable to pay all damages assessed or determined, as provided in the preceding section, and all other costs and expenses incurred by said board in the execution of the powers vested in them by this act. *Said city shall also be authorized to take and hold in trust or otherwise any devise, grant, gift or bequest that may be made for the purpose of laying out, improving or ornamenting any parks in said city.*"

Section 3 of chapter 410 of the Acts of 1898 as amended by section 2 of chapter 87 of the Special Acts of 1919 provides, with reference to the Board of Art Commissioners, in part, as follows:

"SECTION 3. The board shall have the custody and care of all works of art owned by the city and heretofore under the control of any department thereof. *No work of art shall become the property of the city by purchase, gift or otherwise, until it, or a design or model thereof, and the situation proposed therefor shall have been approved by the board, and no work of art, until approved by the board, shall be erected or placed in, over or upon, or allowed to extend in, over or upon any street, avenue, square, park or other property belonging to the city.* The board may, with the approval of the mayor, order the removal, relocation or alteration of any existing work of art owned by the city, and no such work of art shall be removed, relocated or altered without such order and approval. . . ."

It is my opinion that by virtue of the provisions of section 6 of chapter 185 of the Acts of 1875 the city is authorized to take and hold in trust any property that may be given it for the improvement or ornamentation of its parks but that, in view of the provisions of section 3 of chapter 410 of the Acts of 1898 above quoted, the city may not accept any work of art until such work or a design or model thereof and the situation proposed therefor has been approved by the Board of Art Commissioners and that no work of art may be erected or placed in or upon any park until such work has been approved by said board.

In view of the foregoing and pursuant to your request, I have drawn and submit herewith an order, which if it meets with your approval may be submitted to the City Council, authorizing the acceptance of the proposed statue and base.

This order if passed will authorize you to accept the proposed statue and base when completed and ready to be placed upon the proposed location, provided that the statue and its base

and the location therefor are approved both by the Park Commissioners and the Art Commissioners, subject to the condition that the city may remove said statue and its base to another location in the parks, if such removal is required in the city's interest.

The reservation of a right to remove said statue together with its base is, in my opinion, necessary as a matter of law and desirable as a matter of policy.

Before the inclosed order is submitted to the City Council it would be well to have Mr. Edgell's approval and I am sending him today a copy of the proposed order.

I will advise you as soon as I hear from him.

Very truly yours,

HENRY E. FOLEY,
Corporation Counsel.

Whereas, By his last will, duly approved and allowed July 2, 1929, George Augustus Peabody of Danvers bequeathed the sum of fifty thousand dollars (\$50,000) to William C. Endicott and George P. Gardner, executors under said will, for a statue to Governor Endecott and its base; and

Whereas, Said executors have turned over the fifty thousand dollars (\$50,000) so bequeathed to the Museum of Fine Arts, Boston, Mass., for the purpose of selecting a site for the monument of Governor Endecott and constructing and erecting the same, and said sum was accepted by the trustees of said Museum of Fine Arts on October 17, 1929; and

Whereas, The site which has been selected for said monument is the triangle of land between Forsyth Institute and said Museum of Fine Arts, which is the property of the City of Boston and part of its Park System; and

Whereas, Preliminary designs have been made of said statue of Governor Endecott and said designs and the proposed site of said statue have been approved both by the Board of Park Commissioners of the City of Boston and by the Art Commission of said city; now, therefore, it is hereby

Ordered, That his Honor the Mayor be, and he hereby is, authorized to accept, in the name and behalf of the City of Boston, said statue of Governor Endecott, including the base therefor, when completed, between the Forsyth Dental School and the Museum of Fine Arts, provided that said statue, including the base thereof and the location thereof, shall have been approved both by the Board of Park Commissioners and by the Art Commission of the City of Boston; and it is hereby further

Ordered, That any acceptance of said statue by his Honor the Mayor, for and in behalf of the City of Boston, shall be made upon the condition that said statue, together with its base, may be removed, in the event that in the opinion of the Park Department the interests of the city require such removal, to another location in the Park System of the City of Boston which shall be satisfactory both to the Park Department of the City of Boston and to the Art Commission of the City of Boston or to those boards or officers, if any, which shall at the time of said removal have the same powers and duties as or powers and duties similar to the powers and duties now exercised by the Park Department of the City of Boston and the Art Commission of the City of Boston, respectively; and it is further

Ordered, That said statue, together with its base, when accepted by his Honor the Mayor, for and in behalf of the City of Boston, shall be placed in the care and custody of the Park Department of the City of Boston.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

TRAFFIC COMMISSION.

Joseph L. Cullen, employed as a painter at \$1,900 a year, has been continued on sick leave for an additional period of thirty days, without loss of

salary, unless he is able to resume his duties before that date.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law:

Public Works Department (Sewer Service).

For the week ending Thursday, April 9:

James Conlon, John J. Barden, firemen, 1 day, \$6.92 each. Total, \$13.84.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the widening and construction of Perkins street, West Roxbury district, as a highway, at the northeasterly corner of South Huntington avenue, bounded and described as follows:

The highway named Perkins street is hereby widened at the northeasterly corner of South Huntington avenue and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the trustees of the House of the Angel Guardian, bounded:

Southerly by the northerly line of Perkins street as it existed previously to this widening, thirty-three and 3-100 feet; westerly by the easterly line of South Huntington avenue as it existed previously to this widening, thirty-three and 3-100 feet; and northeasterly by the northeasterly line of said Perkins street as established under this order, forty-eight and 86-100 feet on a curve of twenty-eight and 37-100 feet radius, containing two hundred and forty-four square feet, more or less.

Trees or structures standing upon or affixed to the aforescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Perkins street as hereby widened is bounded: Southerly by the northerly line of said Perkins street as it existed previously to this widening, thirty-three and 3-100 feet; westerly by the easterly line of South Huntington avenue as it existed previously to this widening, thirty-three and 3-100 feet; and northeasterly by the northeasterly line of said Perkins street as hereby widened, forty-eight and 86-100 feet on a curve of twenty-eight and 37-100 feet radius, containing two hundred and forty-four square feet, more or less.

Voted, That this Board determines that the undermentioned persons sustain damages in their estate by the making of the public improvement, consisting of the widening of Perkins street, West Roxbury district, as a highway, at the northeasterly corner of South Huntington avenue, under the order of the Board of April, 1936, in the amount hereinafter mentioned, and awards said amount therefor.

The trustees of the House of the Angel Guardian, 244 square feet, \$1 (released).

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

OVERSEERS OF THE PUBLIC WELFARE.

Upon April 14 permission was approved by the Mayor to award a contract to the Merchants Towel Supply and Laundry Company for laundry work at the Wayfarers' Lodge during the year 1936. This company was the low bidder. The prices quoted are as follows:

Sheets and pillow slips, 2½ cents a pound; bedspreads, 4 cents a piece; blankets, 15 cents a blanket. The cost for the year at these prices will be \$2,134.06.

The only other bidder was the Hub Laundry Company, who quoted prices as follows:

Sheets and pillow slips, 5 cents a pound; bedspreads, 5 cents a piece; blankets, 14 cents a blanket. The cost for the year at these prices would be \$3,744.18 or \$1,610.12 more than the cost under the Merchants Towel Supply Company bid.

The cost for this work in 1935 was \$2,314.08. The prices quoted by the Merchants Towel Supply Company will result in a saving of \$180.08.

SUPPLY DEPARTMENT.

Upon April 13 permission was approved by the Mayor to award a contract to Thomas E. Hogan, Incorporated, and the Merchants Tire Company for tires and tubes for the various city departments, as required, during 1936. The approximate totals of awards were as follows:

Thomas E. Hogan, Incorporated, \$14,000; Merchants Tire Company, \$5,000. Total, \$19,000.

Privilege of purchasing on same terms and conditions extended to March 31, 1937. Contractor will protect city against increase in price and give city benefit of any decrease in price. Bids, opened March 20, were as follows:

Pneumatic Tires, Six-Ply, First Line Only, Discount Allowed From the Last Published Standard Consumers' Price List.

—Norwalk Tire and Battery Company, 30-10 per cent less excise tax, tires; 40-10 per cent less tax, heavy duty tubes; no guarantee of prices; guarantee of discounts from prevailing price lists; Thomas E. Hogan, Incorporated, 22½-10-10-5 per cent, tires*; 33½-10-10-5 per cent, tubes*; excise tax is included in these discounts; Armstrong Rubber Company, 50 per cent; discount includes excise tax; George W. McLaren, 22½-14-10 per cent less tax, tires; 33½-10-5 per cent less tax, tubes; city protected for six months only; Allan Motors, Incorporated, 22½-14-10-5 per cent, pneumatic and balloon tires; 33½-14-10 per cent, truck and passenger tubes; these discounts apply after Federal excise tax has been deducted from price list; Barabee Service Stores, Incorporated, 22½ per cent less tax, tires; 33½ per cent less tax, tubes; prices guaranteed for six months, after which these discounts will apply to prevailing price list; The Goodyear Tire and Rubber Company, Incorporated, 22½ per cent less excise tax, tires; 33½ per cent less excise tax, tubes; Merchants Tire Company, 22½-10-20-2 per cent, pneumatic tires; 33½-10-20 per cent, tubes; discounts include excise tax.

Solid Tires, First Line Tires Only, Discount Allowed From the Last Published Standard Consumers' Price List.—Thomas E. Hogan, Incorporated, 33½-10 per cent; excise tax is included in these discounts; Allan Motors, Incorporated,

30-14 per cent; these discounts apply after Federal excise tax has been deducted from price list; Barabee Service Stores, Incorporated, 30 per cent less tax; prices guaranteed for six months, after which these discounts will apply to prevailing price list; The Goodyear Tire and Rubber Company, Incorporated, 30 per cent less excise tax; Merchants Tire Company, 30-20 per cent*; discount include excise tax.

* Contract awarded.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved the award of contracts for supplies, etc., for the several departments. Communications from the heads of the departments interested were as follows:

OVERSEERS OF THE PUBLIC WELFARE.

Upon April 14 permission was approved by the Mayor to award a contract to the International Business Machines Corporation.

BOSTON, April 13, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—The Board of Overseers of the Public Welfare respectfully request your permission to award a contract without advertising to the International Business Machines Corporation for the furnishing of tabulating machine service, comprising the use of the following machines during the year 1936:

Two electric non-printing counting sorters, \$50 each, \$100; two alphabetic tabulators with bill feed device, one at \$300, one at \$275, \$575; three alphabetic printing punches, \$35 each, \$105; one high speed reproducer, \$60; one check interpreter, \$50. Total per month, \$890. Total cost for the year, \$10,680.

This request is made due to the fact that the International Business Machines Corporation is the only company which manufactures these machines. These machines are leased, as they cannot be purchased. Under this contract the International Business Machines Corporation is responsible for all repairs and replacements.

This contract is a continuation of a contract made with this company in November, 1934, for furnishing the department with this service.

Very truly yours,

JAMES A. McMURRY,
Chairman.

PARK DEPARTMENT.

BOSTON, April 3, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—By vote of the Board of Park Commissioners your authority is respectfully asked to reduce the yearly rental of the refreshment concession at the City Point Public Landing, South Boston, from \$3,100 to \$2,000 per year, same to take effect from May 1, 1935. This concession was awarded, after advertising, to Richard A. Kelly, 1690 Columbia road, South Boston, for the sum of \$3,100 per year from May 1, 1934, to April 30, 1939, a five-year lease.

The reason for this request is that the Board has been notified by Mr. Kelly that his bid of \$3,100 for this concession was too high and that he cannot continue unless the rental is reduced. There is no doubt the concession is not worth what he bid for it.

This case is very pathetic. At the present time the father is in the hospital seriously ill and another boy at home recently operated on, with no funds available and with a large family of children to support who are dependent on this concession.

The Board believes the rental of \$2,000 per year is fully as much as it is worth and that if we advertised for new bids nothing would be gained, either in the amount bid or in the quality of the service rendered, as Mr. Kelly has conducted this concession in a better manner than ever before.

The Board therefore recommends for the best interests of the city that the rental be reduced to \$2,000 per year.

Respectfully yours,

WILLIAM P. LONG, *Chairman.*

PENAL INSTITUTIONS DEPARTMENT.

BOSTON, April 14, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR SIR,—Permission is requested to award a contract, without publicly advertising, for the extermination of vermin at the House of Correction, Deer Island, to the Paramount Laboratories, Incorporated, 123 Heath street, Roxbury, for the period from April 1, 1936, to December 31, 1936, for the sum of \$98 per month, or a total of \$882.

This work was performed in a very satisfactory manner by the above company during the year 1935 and I believe the best interest of the city will be served by making this award.

Respectfully,

JOHN J. DOUGLASS,
Commissioner.

CONSTRUCTION WORK.

The Mayor has approved the request of the Public Works Department for the following construction work:

A sanitary sewer of 10-inch pipe in Neponset avenue, between 465 feet south-east of Summit street (from existing sewer) and 124 feet southeasterly, in the Hyde Park district, at an estimated cost of \$990.

MAYOR MANSFIELD NAMES CITY'S CONSTABLES.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS.

Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.

STEPHEN C. GARRITY,
PAYSON SMITH,
JAMES M. HURLEY,
ALBERT FRANK,
WALTER J. KENEFFICK,

State Examiners of Electricians.

POLICE DEPARTMENT ORDERS.

General Order No. 161.

Since 1932 there has developed in the department, in a large measure, a practice of assigning men to various divisions and units on so-called "details." In the majority of cases, in order to receive their weekly pay, it has been necessary for officers on such details to travel to the division or unit from which they were detailed in the first instance. To save this needless waste of time and eliminate unnecessary records, only such details will be made in the future as are temporary and imperative.

For the purpose of adjusting details made by the superintendent, the following transfers are hereby ordered to take effect at 7.45 o'clock a. m., Saturday, April 11, 1936:

Lieut.-Insp. John A. Dorsey, from Division 7 to Bureau of Criminal Investigation.

Lieut. Louis DiSessa, from Division 15 to Bureau of Criminal Investigation.

Lieut. Max B. F. Thormer, from Division 16 to Division 4.

Lieut. John J. McArdle, from Division 17 to Division 7.

Lieut. Joseph A. Buccigross, from Division 18 to Division 19.

Lieut. Thomas F. Harvey, from Superintendent's Office to Bureau of Traffic.

Lieut. Edward J. Keating, from Bureau of Criminal Investigation to Supervisor of Cases as Supervisor of Cases.

Lieut. John J. Coughlan, from Superintendent's Office to Bureau of Criminal Investigation.

Sergt. John J. Crimmins, from Division 1 to Division 17.

Sergt. Patrick J. Freeley, from Division 1 to Division 17.

Sergt. Coleman S. Joyce, from Division 1 to Bureau of Criminal Investigation.

Sergt. Joseph B. Fallon, from Division 4 to Bureau of Criminal Investigation.

Sergt. William J. Harrow, from Division 4 to Bureau of Criminal Investigation.

Sergt. William H. Foley, from Division 6 to Division 17.

Sergt. Raymond A. L. Monahan, from Division 6 to Bureau of Criminal Investigation.

Sergt. John J. Tesorero, from Division 6 to Division 1.

Sergt. Joseph P. Leahy, from Division 10 to Division 15.

Sergt. Edward A. Ryan, from Division 11 to Division 2.

Sergt. Albert R. Hagan, from Division 13 to Property Clerk's Office.

Sergt. Ferdinand E. Breed, from Division 15 to Division 18.

Sergt. John L. Willard, from Division 15 to Division 6.

Sergt. Maurice W. Sullivan, from Division 16 to Supervisor of Cases.

Sergt. Mark J. Leonard, from Division 18 to Superintendent's Office.

Sergt. Edward G. Kennedy, from Superintendent's Office to Commissioner's Office.

Sergt. Walter A. Driscoll, from Superintendent's Office to Supervisor of Cases.

Sergt. Patrick J. Magner, from Superintendent's Office to Supervisor of Cases.

Sergt. Warren H. Liese, from Bureau of Criminal Investigation to Division 13.

Sergt. John H. McFarland, from Superintendent's Office to Division 1.

Patrolmen.

Joseph A. Marshall, from Division 1 to Bureau of Criminal Investigation.

Reginald C. Millett, from Division 1 to Superintendent's Office.

Francis S. Tipping, from Division 1 to Superintendent's Office.

William E. Payne, from Division 1 to Superintendent's Office.

Andrew P. Donellon, from Division 1 to Superintendent's Office.

John H. Gottschalk, from Division 1 to Property Clerk's Office.

James W. Broderick, from Division 1 to Division 2.

James J. Galvin, from Division 1 to Division 7.

John J. Mortelle, Jr., from Division 1 to Division 7.

Emmett L. Mahoney, from Division 1 to Division 9.

William A. Belzarine, from Division 1 to Division 16.

William T. Downey, from Division 1 to Division 18.

George M. Fish, from Division 1 to Division 19.

William A. Cohen, from Division 1 to Bureau of Criminal Investigation.

Daniel P. Byrnes, from Division 2 to Superintendent's Office.

Arthur P. Larvey, from Division 2 to Superintendent's Office.

John G. Barrett, Jr., from Division 2 to Superintendent's Office.

Fred C. Brauneis, from Property Clerk's Office to Division 1.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 162.

The following transfers are hereby ordered to take effect Monday, April 13, 1936, at 7.45 o'clock a. m.:

Lieut. Bernard J. Graham, from Division 7 to Division 2.

Patrolman Robert J. Remmes, from Division 1 to Division 15.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Commissioner.

General Order No. 163.

A trial board, consisting of Captains Campbell, McGrath and Towle, having heard by reference a complaint made by Mathew Killen, captain, Division 15, against Gregory J. Donohue, patrolman,

Division 15, for alleged violation of the Rules and Regulations of the Police Department, to wit:

Charge: Conduct unbecoming an officer.

Specification 1: In that on the p. m. of March 28, 1936, the said Patrolman Gregory J. Donohue, while in uniform and on duty, was under the influence of intoxicating liquor to such an extent that he was unfit to perform police duty if called upon so to do.

Specification 2: In that at 9.30 p. m., March 28, 1936, the said Patrolman Gregory J. Donohue when ordered by a superior officer to remain at a certain police box, No. 24, at Medford and Tufts streets, to await a superior and ranking officer, he wilfully absented himself without just cause,—

has submitted the following finding and recommendation:

"The Board accepts the plea of guilty to Specification 1 of said charge, and finds the said Patrolman Gregory J. Donohue not guilty of Specification 2 of said charge. The Board has considered the fact that the patrolman has been in the department for sixteen years and that this is his first appearance before a trial board; also, the fact that a sergeant testified that he has never had occasion to warn this officer of the use of liquor. Therefore the Board respectfully recommends that the said Patrolman Gregory J. Donohue be suspended from duty for a period of fifteen days, effective as of March 29, 1936, at 7.45 a. m., and that at the expiration of the said period of suspension the said Patrolman Gregory J. Donohue perform 105 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman Gregory J. Donohue be suspended from duty for a period of fifteen days, effective as of March 29, 1936, at 7.45 a. m., and that at the expiration of the said period of suspension he perform 105 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner, upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 164.

The following transfers are hereby ordered to take effect Tuesday, April 14, 1936, at 7.45 o'clock a. m.:

Sergt. John J. Devine, from Division 6 to Division 4.

Sergt. William H. Foley, from Division 17 to Division 4.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 165.

A trial board, consisting of Captains Campbell, Killen and Towle, having heard by reference a complaint made by

James F. Daley, captain, Division 4, against John J. Cameron, patrolman, now of Division 4, for alleged violation of the Rules and Regulations of the Police Department, to wit:

Charge 1: Conduct unbecoming an officer.

Specification: In that on the thirtieth day of March, 1936, the said Patrolman John J. Cameron, while in uniform and on duty, was under the influence of intoxicating liquor to such an extent that he was unable to perform police duty if called upon so to do, tending to bring into disrepute and criticism himself and his associates in the Police Department.

Charge 2: Neglect of duty.

Specification: In that on the thirtieth day of March, 1936, the said Patrolman John J. Cameron did fail to make his "on duty" call from 10.35 p. m. to 12.30 a. m., a period of one hour and fifty-five minutes,—

has submitted the following finding and recommendation:

"The Board, having heard and carefully considered all the evidence as presented, accepts the plea of guilty. The Board has considered the testimony of Captain Daley to the effect that he had previously warned this officer on several occasions regarding the use of liquor, and Captain Daley's additional testimony that he believed Cameron could become a good police officer if he refrained from the use of liquor. Patrolman Cameron was previously before a trial board for failure to make an "on duty" call. He has filed a pledge card, signed by his spiritual adviser, and has promised the Board that he will refrain from the use of liquor in the future. Therefore the Board respectfully recommends that the said Patrolman John J. Cameron be suspended from duty for a period of fifteen days, effective as of March 31, 1936, at 12.45 a. m., and that at the expiration of the said period of suspension the said Patrolman John J. Cameron be ordered to perform 315 hours of punishment duty."

The commissioner accepts the finding and the recommendation of the Trial Board and hereby orders that the said Patrolman John J. Cameron be suspended from duty for a period of fifteen days, effective as of March 31, 1936, at 12.45 a. m., and that at the expiration of the said period of suspension the said Patrolman John J. Cameron perform 315 hours of punishment duty.

Civil Service Rule 23, Section 3, requires approval of the Civil Service Commission before reinstatement.

Rule 23.

"Section 3. With the consent of the Commissioner, upon good cause shown, an appointing officer may reinstate in the same position or in a position in the same class and grade any person who has been separated from the service; provided, however, that the Commissioner shall not allow reinstatement of a person discharged for cause."

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 166.

The appointment of Capt. John J. Mullen, Division 15, as Harbor Master is hereby canceled; and the appointment of Lieut. Carleton B. Perry, Division 18, as Assistant Harbor Master is hereby canceled.

This order becomes effective as of Wednesday, April 15, 1936, at 7.45 a. m.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 167.

Capt. Thomas S. J. Kavanagh, Division 1, is appointed Harbor Master of the Port of Boston, Massachusetts, in accordance with chapter 147 of the Acts of 1889, with all the powers, duties and obligations pertaining thereto.

This order becomes effective as of Wednesday, April 15, 1936, at 7.45 a. m.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 168.

The Special Service Squad is hereby detached from the Superintendent's Office and established at Police Headquarters as a separate unit designated as the Special Service Squad.

This squad has been established for the purpose of performing night patrol duty in motor vehicles throughout the city.

The duties of the officers of this squad shall be to prevent the commission of crime and, if acts of violence or other serious crimes have been committed, to arrest and prosecute the offenders.

The commanding officer of the Special Service Squad shall be responsible for the proper keeping of all records and accounts in accordance with the rules and regulations.

The office of the Special Service Squad shall be kept open at all times for police purposes, with an officer on duty.

This order becomes effective Thursday, April 16, 1936, at 7.45 a. m.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 169.

Section 8 of Rule 44 of the Rules and Regulations, relating to "Prisoners in General," as amended by General Order No. 252, May 27, 1931, is further amended by striking out all of said Section 8 inserted by General Order No. 252, referred to, and substituting in place thereof a new Section 8, to read as follows:

(Words in italics show changes.)

8. Every person arrested for any cause shall be taken at once to the station house of the division upon which such person is arrested, and registered upon the books of that division, *excepting that persons arrested by officers attached to Headquarters (other than the Special Service Squad) shall be taken to the Bureau of Criminal Investigation and there registered; and excepting, also, that persons arrested by officers of the Special Service Squad shall be taken to that unit and there registered.*

The arrest of persons charged with murder by officers attached to Headquarters and the Special Service Squad shall be carried on the books of the division in which the crime occurred, and the record in the arrest book of the Bureau of Criminal Investigation or Special Service Squad, red-lined.

Prisoners taken from station houses to Headquarters or other places for purposes of identification or detention, or for any other purpose whatsoever, shall be guarded properly by a sufficient number of patrolmen or officers of rank, and shall (*except-*

ing women and juveniles) be handcuffed to either a patrolman, an officer of rank, or to another prisoner. Under no circumstances are handcuffs to be removed while said prisoners are being transported, or while in Headquarters or such other place to which they may be taken, *except for the purposes of taking fingerprints, writing on forms as may be required, line-up, or when otherwise absolutely necessary.* Officers having prisoners in their custody shall be held strictly responsible for the safe custody of the prisoner or prisoners under their care.

Persons arrested for felonies, or other serious crimes, and as "suspicious persons," shall be sent immediately to Headquarters where they shall be photographed and fingerprinted. *All persons arrested for shoplifting, with the exception of juveniles (those under seventeen years of age), shall be sent immediately to Headquarters, where they shall be photographed and fingerprinted.*

Whenever notice of a "line-up" at Headquarters is sent out, division commanders shall see to it that all prisoners and witnesses needed for the "line-up" arrive at Police Headquarters not later than *eight o'clock a. m.*

This order becomes effective Thursday, April 16, 1936, at 7.45 a. m.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 170.

The following transfers are hereby ordered to take effect Friday, April 17, 1936, at 7.45 o'clock a. m.:

Deputy Superintendent William W. Livingston from Superintendent's Office to Special Service Squad as commanding officer.

Lieut. James F. O'Neil, from Division 1 to Special Service Squad.

Lieut. Robert A. Lynch, from Division 9 to Special Service Squad.

Lieut. Hugh D. Brady, from Division 14 to Special Service Squad.

Sergt. Leo E. Hoban, from Division 17 to Special Service Squad.

Sergt. Joseph F. Condon, from Division 18 to Special Service Squad.

Sergt. Edward L. Kelley, from Superintendent's Office to Special Service Squad.

Patrolmen.

Roy A. Boning, from Division 1 to Special Service Squad.

Joseph Gilleo, from Division 1 to Special Service Squad.

William E. Jennings, from Division 2 to Special Service Squad.

Seventy-six traverse jurors, Superior Criminal Court, to appear May 4, 1936:

John Cadigan, Ward 1; Anthony Chiampa, Ward 1; William H. Frizzell, Ward 1; George Lemos, Ward 1; John J. Bellevue, Ward 2; William H. Fitzpatrick, Ward 2; Louis V. Kenney, Ward 2; Timothy F. McCarthy, Ward 2; Jeremiah A. O'Leary, Ward 2; George W. Swales, Ward 2; Richard Boonissar, Ward 3; Robert O'Malley, Ward 3; Andrew A. Canavan, Ward 4; James McConnell, Ward 4; Hector D. MacDonald, Ward 4; Daniel J. McFadden, Ward 4; Charles E. Mason, Jr., Ward 5; Alfred J. Obet, Ward 5; John A. Coughlin, Ward 6; Joseph L. Coleman, Ward 7; Peter F. Keenan, Ward 7; James J. Nagle, Ward 7; Thomas P. O'Keefe, Ward 7; William F. Wall, Ward 7; Philip Gagnor, Ward 9; James J. Hart, Ward 9; Harry Malone, Ward 9; Christopher F. Niles, Ward 9; Robert E. Brown, Ward 10; Frederick R. Harvey, Ward 10; John Caddle, Ward 11; Edward Baum, Ward 12; Charles E. Sherman, Ward 12; Henry P. Welby, Ward 12; Daniel J. Honen, Ward 13; John H. Phillips, Ward 13; Robert A. Southworth, Ward 13; Jeremiah F. Spillane, Ward 13; Alfred Bloom, Ward 14; Albert Meltzer, Ward 14; Joseph Pollak, Ward 14; Elias S. Reinstein, Ward 14; Thomas B. Callanan, Ward 15; John F. Clougherty, Ward 15; Harry W. Cummings, Jr., Ward 15; Fred H. Livingston, Ward 15; George W. Ray, Ward 15; Dwight F. Walker, Ward 15; Albert S. Eichel, Ward 16; John M. Fallon, Ward 16; John Troy, Ward 16; Hugh D. Gillis, Ward 17; John R. Newcomb, Ward 17; James R. Flynn, Ward 18; John G. Ray, Ward 18; Jacob F. Knecht, Ward 18; Louis H. Rosenberg, Ward 18; Harold C. Knapp, Ward 19; Axel N. Peterson, Ward 19; William M. Slattery, Ward 19; William Chauncey French, Ward 20; Charles D. Malaguti, Ward 20; Charles W. Phillips, Ward 20; William J. Samsel, Ward 20; Robert F. Babcock, Ward 21; George P. Boyd, Ward 21; Edward Goldman, Ward 21; Samuel Gordon, Ward 21; Oscar D. LeCain, Ward 21; Morris Selig, Ward 21; Frederick H. White, Ward 21; Hollis S. Harrington, Ward 22; Everett F. Howe, Ward 22; William H. Murphy, Ward 22; Thomas H. Murray, Ward 22; Frank X. Wright, Ward 22.

Ninety-eight traverse jurors, Superior Civil Court, April Sitting, to appear May 4, 1936:

Gaetano Bondanza, Ward 1; Cornelius F. Cahalane, Ward 1; Joseph Caprio, Ward 1; George F. Coffin, Ward 1; Samuel A. Colantuone, Ward 1; Ralph David Conkey, Ward 1; Patrick Curran, Ward 1; Thomas Donahue, Ward 1; Cornelius J. Donohue, Ward 1; William L. Fowler, Ward 1; Albert Kuchner, Ward 1; Peter LaCourt, Ward 1; Joseph Zona, Ward 1; Michael F. Dwyer, Ward 2; James P. Frizzell, Ward 2; William Howell, Ward 2; Daniel T. Mayo, Ward 3; Harold J. Mead, Ward 3; Charles B. Wallace, Ward 4; Edward E. Rice, Ward 4; Walter R. Bartlett, Ward 6; John J. Hanafin, Ward 6; Patrick J. Hurley, Ward 6; Francis Kahler, Ward 6; Burt L. Clifford, Ward 7; Frederick J. Gallagher, Ward 7; Charles C. Halstrom, Ward 7; Myer Kadiff, Ward 7; Harry Quimby, Ward 7; Vincent W. Travi, Ward 7; Thomas F. Beckwith, Ward 8; John A. Glynn, Jr., Ward 8; Edward J. Gatt, Ward 9; Donald A. McEachern, Ward 9; George B. Broome, Ward 10; Joseph P. Cullinane, Ward 10; Frank E. Fisher, Ward 10; William F. Finan, Ward 11; Joseph P. Howley, Ward 11; Archie A. MacDonald, Ward 11; Joseph D. McLaughlin, Ward 11; James H. Phalen, Ward 11; Harold W. Shaw, Ward 11; Edward C. Walker, Ward 11; Walter C. Howland, Ward 12; Ralph J. Hutt, Ward 12; Russell A. McDonald, Ward 12; David H. Miller, Ward 12; Freemont A. Tarr, Ward 12; Andrew S. Carten, Ward 13; Joseph Glick, Ward 14; Harry Goldberg, Ward 14; Israel E. Goldman, Ward 14; Harry Hamel, Ward 14; Charles Pollack, Ward 14; Harry B. Rosenbloom, Ward 14; Simon Rosnosky, Ward 14; Fred Besnick, Ward 15; Arnold Blair, Ward 15; Ernest Frost, Ward 15; George A. Magner, Ward 15; Edward V. Maloney, Ward 15; John F. McNamara, Ward 15; Charles F. Dwyer, Ward 16; William L. McAnaul, Ward 16; Leo A. McDonnell, Ward 16; Joseph Rosenblatt, Ward 16; Philip H. Tukesbury, Ward 16; John C. O'Connell, Ward 17; Joseph E. Christian, Ward 18; Ernest M. Flint, Ward 18; Ralph C. Magnuson, Ward 18; James McIsaac, Ward 18; James McWhorter, Ward 18; William N. Sinclair, Ward 18; Robert L. Anderson, Ward 19; Albert G. Gunther, Ward 19; Fred L. Peterson, Ward 19; Harry D. Stevens, Ward 19; Axel Anderson, Ward 20; Ralph L. Booker, Ward 20; Richard

L. Deshon, Ward 20; John Hamilton, Ward 20; Michael J. Prindeville, Ward 20; Walter H. Schlichting, Ward 20; James H. Fairclough, Ward 21; William T. Grant, Ward 21; Charles W. Pike, Ward 21; Guy E. Putnam, Ward 21; John A. Theall, Jr., Ward 21; Willard L. Tibbets, Jr., Ward 21; Eldridge L. Branch, Ward 22; William D. Howell, Ward 22; Thomas J. McVey, Ward 22; Thomas J. Morrissey, Ward 22; Robert L. Munroe, Ward 22; Edward J. Murphy, Ward 22; Coleman O'Toole, Ward 22.

TRAFFIC LIGHTS ON CHARLES AND ALLEN STREETS.

The following was received:

City of Boston,

Office of the Mayor, April 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the Boston Traffic Commission relative to your order of March 16, 1936, concerning the inclusion in the Traffic Commission budget of the sum of \$2,800 for traffic lights to be installed on Charles street, at the foot of Allen street.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Traffic Commission, April 1, 1936.

Hon. Frederick W. Mansfield,

Mayor of Boston.

Dear Sir,—I have the honor to acknowledge receipt of Council order dated March 16, 1936, which reads as follows:

"Ordered, That his Honor the Mayor request the Traffic Commissioner to include in his budget the sum of \$2,800 for traffic lights to be installed on Charles street, at the foot of Allen street."

All traffic signals which have been installed in the city have been paid for out of special appropriations from loan orders or special funds diverted from other sources. There is no provision in the Traffic Commission departmental budget for the erection of new signals.

The intersection of Allen street and Charles street is on a list of locations where this commission has previously recommended to your Honor that traffic signals be installed if money is made available.

There are no funds available at present for this installation. The estimated cost of a traffic signal at this location is \$2,800.

Respectfully yours,

OWEN A. GALLAGHER,

Acting Commissioner.

Placed on file.

FEDERAL AGREEMENT IN RE WOOD AVENUE PLAYGROUND.

The following was received:

City of Boston,

Office of the Mayor, April 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of March 23, 1936, concerning what agreement, if any, has been made by the Federal Government to prepare the property at Wood avenue, Hyde Park, for playground purposes and at what cost.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Park Department, April 1, 1936.

Hon. Frederick W. Mansfield,

Mayor of Boston.

Dear Sir,—I have your memorandum of March 30, with inclosure, order from the City Council requesting to be advised as to what agreement, if any, has been made by the Federal Government to prepare the property at Wood avenue, Hyde Park, for playground purposes and at what cost.

Under date of November 1, 1935, I submitted a plan for the taking of the proposed Wood Avenue Playground in Hyde Park and recommended the purchase of the land necessary for same. Acting under your instructions I made up a project and submitted same, which was accepted by the Federal Government under date of November 13, 1935, for \$234,847, of which \$26,450 is the city's contribution, that is, \$10,000 for the land and \$16,450 for supervision, materials, supplies, equipment and incidental expenses. The Federal Government's contribution is \$197,312 for labor and \$21,085 for materials and supplies, making a total of \$218,397.

To the best of my knowledge and belief, this amount of money is available at the present time. The only change, of necessity, will be in the date of completion, which was set for July 1, 1936. It will be impossible to complete this project at that time, due to the delay in the purchasing of the land.

Very respectfully yours,

WILLIAM P. LONG, Chairman.

Placed on file.

REPAVING OF CERTAIN STREETS.

The following was received:

City of Boston,

Office of the Mayor, April 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith three letters from the Commissioner of Public Works relative

to three orders of your Honorable Body of March 23, 1936, concerning requests that the following streets be repaved with smooth paving:

1. Warner street, Ward 14, and Floyd street, Ward 14.
2. Warren avenue, Ward 4.
3. Aldrich street, Ward 20.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,

Public Works Department, April 2, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 30, with attached order of City Council dated March 23, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, Warner street and Floyd street, Ward 14."

and to state that Warner street, from Harvard street to West Park street, has a length of 830 feet, roadway width of 34 feet and a sidewalk width of 8 feet. The existing pavement is of waterbound macadam laid in 1900; the sidewalks are artificial stone with loam spaces. To place a smooth pavement on a concrete base and the necessary regulating would cost \$12,000.

Floyd street, from Blue Hill avenue to Lucerne street, has a length of 696 feet, roadway width of 26 feet and a sidewalk width of 7 feet. The existing pavement is waterbound macadam, laid in 1912; sidewalks are of artificial stone. The roadway is in poor condition. To place a smooth pavement on a concrete base and do the necessary regulating would cost \$8,000. At the present time there are no funds available for this project.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

City of Boston,

Public Works Department, April 2, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 30, with attached order to City Council dated March 23, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to repave with smooth pavement Warren avenue, Ward 4."

and to state that Warren avenue, from Berkeley street to Columbus square, has a length of 2,060 feet, roadway width of 54 feet and a sidewalk width of 13 feet. The existing pavement is wood block with a concrete base, laid in 1913, the sidewalks are brick and the entire roadway and sidewalk is in poor condition. To place a smooth pavement with a concrete base, artificial stone sidewalks and the necessary regulating would cost approximately \$50,000.

This street is included in the list of streets submitted in the request for Reconstruction of Streets loan of \$375,000.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

City of Boston,

Public Works Department, April 2, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 30, with attached order of City Council dated March 23, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving Aldrich street, Ward 20."

and to state that Aldrich street, from Belgrade avenue to Beech street, has a length of 1,754 feet, roadway width of 26 feet and a sidewalk width of 7 feet. The existing pavement is waterbound macadam, laid in 1910, with dish gutters and artificial stone sidewalks with loam spaces.

To place a smooth pavement on a concrete base, granite edgestones and regulating the artificial stone sidewalks and loam spaces would cost \$22,000.

At the present time there is no money available for this construction.

Respectfully yours,

C. J. CARVEN,

Commissioner of Public Works.

Placed on file.

BUS LINE FROM FRANKLIN PARK STATION.

The following was received:

City of Boston,

Office of the Mayor, April 6, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the trustees of the Boston Elevated Railway relative to your order of March 23, 1936, concerning the establishment of a bus line from Franklin Park Station at Blue Hill avenue and Columbia road to run down Columbia road through Edward

Everett square to Columbia Station and terminate at Carson Beach, during the summer months, and that a five-cent fare be charged.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Boston Elevated Railway,
Boston, March 31, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.
Dear Sir,—Replying to your letter of March 30, the trustees have authorized me to file a petition for license to operate motor coach service during the summer months between a point on Columbia road near the Columbia Station of the Dorchester Rapid Transit extension to the junction of Columbia road and Blue Hill avenue via Columbia road, on which the fare will be five cents without transfer privilege.

This petition will be filed with the City Council in a few days.

Very truly yours,

EDWARD DANA,
Executive Vice President and
General Manager.

Placed on file.

MONEY FROM PUBLIC EMERGENCY FUNDS.

The following was received:

City of Boston,
Office of the Mayor, April 6, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Corporation Counsel relative to your order of February 3, 1936, concerning a request of your Honorable Body that it be furnished with any available information that he may have regarding the amounts of money, if any, still left in the Police Strike Fund, the Halifax Disaster Fund and other public funds of such a nature.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Law Department, April 1, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have received a memorandum from your office submitting the following order of the City Council:

"Ordered, That the Corporation Counsel, through his Honor the Mayor, furnish the Council with any available information that he may have regarding the amounts of money, if any, still left in the Police Strike Fund, the Halifax Disaster Fund and other public funds of such a nature, and if money still remains in said funds, what is proposed to do with the same."

An examination of the records of this department discloses no information regarding the Police Strike Fund, the Halifax Disaster Fund or other funds of a similar nature, and no information appears to be obtainable from other city departments with reference thereto.

Neither the Police Strike Fund nor the Halifax Disaster Fund were ever under the control or management of the city. I have been informed, however, that the Halifax Disaster Fund was administered by Kidder Peabody & Co. I also find a reference to the Police Strike Fund in the City Council Minutes, 1921, at page 33, wherein the then Police Commissioner advised the City Council that the fund was in the hands of a Board of Trustees named in his letter to the City Council.

As these funds are not under the control of the city, I am unable to advise as to what money, if any, may remain or as to their future disposition.

Very truly yours,

HENRY E. FOLEY,
Corporation Counsel.

Placed on file.

SIDEWALK ON CHELSEA STREET.

The following was received:

City of Boston,
Office of the Mayor, March 31, 1936.
To the City Council,

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of March 16, 1936, concerning the installation of a sidewalk along the left-hand side of Chelsea street, from the Chelsea South to the Chelsea North Drawbridge, Ward 2.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, March 30, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of recent date with attached City Council order reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to provide for the installation of a sidewalk along the left-hand side of Chelsea street, from the Chelsea South to the Chelsea North Drawbridge, Ward 2."

and to state that the total length of sidewalk requested on the left-hand side of Chelsea street is 2,152 linear feet, this length including 1,352 feet on the Boston & Maine viaduct and 800 linear feet on the Chelsea North Bridge approach. The

viaduct is maintained by the Boston & Maine Railroad, said viaduct carrying the roadway over the various tracks to the docks on the harbor front.

The sidewalk constructed on this length of viaduct would have to be attached to said viaduct and would require the consent and approval of the Boston & Maine Railroad. Due to the additional weight of overhanging sidewalk, the railroad would undoubtedly be compelled to perform expensive construction work in order to strengthen the present viaduct supports.

The estimated cost of sidewalk constructed in a manner similar to the present sidewalk on the right-hand side of Chelsea street, from Chelsea South to the Chelsea North Drawbridge, will be \$25,000. There is no money available for this work and, in addition, it is the opinion of this office that the present sidewalk answers all demands and that a sidewalk on the left-hand side is not needed.

The only openings on the left-hand side for the entire length of the viaduct are a ramp used by trucks to descend to the lower level and one flight of steps leading to the office building on the Boston & Maine property.

Very truly yours,

C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

APPROPRIATION OF \$4,000,000 FOR CARE OF DEPENDENTS.

The following was received:

City of Boston,
Office of the Mayor, April 6, 1936.
To the City Council.

Gentlemen,—Under the provisions of chapter 80 of the Acts of 1936, municipalities are authorized to borrow during the current year for Public Welfare, Soldiers' Relief and W. P. A. projects, amounts which in the aggregate will not exceed one half of one per cent of the average valuation for the three previous years. Under this authority the maximum amount which Boston may borrow in 1936 is \$8,376,323. In 1935 under similar authority the city borrowed \$7,000,000.

I have received a recommendation from the City Auditor that authority be secured at an early date to borrow under the provisions of chapter 80 for Public Welfare purposes. The auditor states that the amounts the Welfare Department is now spending must eventually be raised through the medium of the tax levy, since under the financial procedure of the city no retroactive charges can be made against a loan. In other words, until borrowings are authorized under the provisions of chapter 80, all welfare expenditures will constitute tax levy charges.

In order to relieve the tax levy of a portion of the relief disbursements of the Welfare Department I submit herewith an order providing for the borrowing of \$4,000,000, under the provisions of chapter 80 of the Acts of 1936, for Public Welfare purposes. This amount is approximately one half of the maximum amount authorized under chapter 80, and is \$3,000,000 less than the amount actually borrowed in 1935.

While it may be necessary to recommend at a later date additional borrowings under the provisions of chapter 80, it is my sincere intention to limit the issuance of loans for maintenance purposes during 1936 to an amount which will assure at the end of the current fiscal year a reduction in the net funded debt of the city. I respectfully recommend adoption of the accompanying order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Ordered, That under the provisions of chapter 80 of the Acts of 1936 the sum of \$4,000,000 be, and hereby is, appropriated, to be expended under the direction of the Overseers of Public Welfare, for "Care of Dependents," and that to meet said appropriation the City Treasurer be authorized to issue, from time to time, upon request of the Mayor, bonds or certificates of indebtedness of the city to said amount, the same to be issued outside the limit of indebtedness.

Referred to Executive Committee.

PETITIONS REFERRED.

The following petitions were received and referred to the committees named, viz:

Claims.

Margaret Butkus, for compensation for injuries caused by an alleged defect at Washington and Dimock streets.

Gulf Oil Company of Pennsylvania, for compensation for damage to car by city truck.

Gulf Oil Corporation of Pennsylvania, for compensation for damage to truck by Engine 23 of Fire Department.

Mrs. Asma Koram, for compensation for damage to property at 16 Florence street, caused by leak in water pipe.

William Leslie, for compensation for damage to raincoat caused by catching on waste paper container at Atlantic avenue and Summer street.

Charles G. Loring, for refund on building permit.

Helen E. McCarthy, for compensation for injuries caused by an alleged defect at 80 Holden street.

John L. McCarthy, for compensation for injuries caused by an alleged defect at 35 Princeton street.

Elna M. Marston, for compensation for damage to property at 36 Dunlow street, caused by dynamiting for new school.

Abraham and Harry Millen, for compensation for damage to property at 400 Centre street, Dorchester, caused by leak in water main.

Ralph E. Mills, for compensation for damage to car caused by an alleged defect in Huntington avenue.

Mary J. Morgan, for compensation for damage to property at 617 Hyde Park avenue, caused by construction work.

Executive.

Petition of Catherine E. Roche, for annuity on account of death of her husband, James B. Roche, late of Police Department.

Petitions for children under fifteen years of age to appear at places of public amusement, viz:

Edith M. Leavis, Repertory Theatre, June 22.
Lilla Frances Viles, Current Events Clubhouse, May 2.

A. Marie Govone, Repertory Theatre, May 27.

Viola K. Breiding, Repertory Theatre, June 4.

Doris W. Jones, Repertory Theatre, June 1.

Freyda Pransky, Repertory Theatre, June 15.

Lilla Viles Wyman, Repertory Theatre, May 16.

Gertrude Dolan DePetro, Repertory Theatre, June 12, 19.

Committee on Jitney Licenses.

Petition of Boston Elevated Railway Company for license to operate motor vehicles between Columbia Station and Franklin Park Station, over Columbia road, traffic circle at junction of Columbia road and Old Colony Boulevard, Columbia road; Old road, Glenway street and Blue Hill avenue, return over Columbia road.

PROBATION OFFICER, EAST BOSTON COURT.

Communication was received from Charles J. Brown, Justice of East Boston District Court, of appointment of Clara M. Brown of Winthrop, as Female Probation Officer of East Boston District Court, to take effect May 1, 1936, at yearly compensation of \$1,800.

Referred to Committee on County Accounts.

APPROVAL OF CONSTABLE'S BOND.

The constable's bond of Sidney Williams, having been duly approved by the City Treasurer, was received and approved.

TRACK LOCATION.

Notice was received from the Board of Street Commissioners of 90th location to Boston Elevated Railway Company for double track on proposed new Chelsea Street Bridge over Chelsea creek, and on Chelsea street, East Boston, from Boston-Chelsea line.

Placed on file.

APPOINTMENTS BY THE MAYOR.

Notice was received from the Mayor of the following appointments:

Edward T. Kelly, as assessor, for term ending March 31, 1939, designated as chairman.

Owen A. Gallagher, member of Board of Street Commissioners, in Street Laying-Out Department, for three-year term commencing first Monday in January, 1936.

Francis B. McKinney, Election Commissioner, for term ending March 31, 1940.

Severally placed on file.

APPROPRIATION FOR DOLAN SUIT.

Coun. McGrath called up assignment No. 2 on the calendar, viz:

2. Ordered, That the sum of twelve thousand dollars be appropriated, to be expended under the direction of the Corporation Counsel, for the purpose of meeting necessary and proper expenditures which may be incurred in connection with the suit now pending in the Superior Court for Suffolk County between the City of Boston and Edmund L. Dolan and others, said sum to be charged to Reserve Fund, when established.

The question came on the passage of the order.

Coun. DOWD—Mr. President, I move that action upon No. 2 be postponed until after our executive session.

Coun. Dowd's motion was declared carried. Coun. SELVITELLA doubted the vote, and asked for the yeas and nays.

The roll was called, and the Council voted to postpone action on No. 2 on the calendar until after the meeting of the Executive Committee, yeas 13, nays 4:

Yeas—Coun. Agnew, Brackman, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gleason, Kerrigan, Mellen, George A. Murray, Roberts, Rosenberg, Wilson—13.

Nays—Coun. Kilroy, McGrath, Selvittella, Tobin—4.

Following the recess, later in the session, Coun. McGRATH called up No. 2 on the calendar, and the question came on the order of the order.

The order was passed, yeas 15, nays 3.

Yeas—Coun. Agnew, Brackman, Doherty, Dowd, Finley, John I. Fitzgerald, Peter J. Fitzgerald, Gleason, Kerrigan, Mellen, George A. Murray, Roberts, Rosenberg, Shattuck, Tobin—15. Nays—Coun. Kilroy, McGrath, Selvittella—3.

COMMITTEE ON SOLDIERS' RELIEF.

Coun. KERRIGAN, for the Committee on Soldiers' Relief, submitted report recommending passage of order for payment of aid to soldiers and sailors and their families in City of Boston for month of April, 1936.

Report accepted; said order passed.

REPORT OF COMMITTEE ON CLAIMS.

Coun. SELVITELLA, for the Committee on Claims, submitted the following:

1. Report on petition of William C. Williams (referred March 23) to be reimbursed for amount of judgment issued against him on account of hit acts as operator of motorcycle belonging to Police Department—recommending passage of following:

Ordered, That the sum of twenty-one dollars and seventy cents be allowed and paid to William C. Williams in reimbursement for amount of judgment issued against him on account of his acts as operator of a motorcycle belonging to the City of Boston, Police Department, said sum to be charged to the Reserve Fund.

Report accepted; order passed.

2. Report on petition of Bernard F. Murphy, (referred March 16) to be reimbursed for amount of execution issued against him on account of his acts as operator of motor vehicle belonging to Public Works Department, Street Cleaning Division—recommending passage of following:

Ordered, That the sum of two hundred three dollars and sixty cents be allowed and paid to Bernard F. Murphy in reimbursement for amount of execution issued against him on account of his acts as operator of a motor vehicle belonging to the Public Works Department, Street Cleaning Division, said sum to be charged to the Reserve Fund.

Report accepted; order passed.

REPORT OF COMMITTEE ON JITNEY LICENSES.

Coun. SELVITELLA, for the Committee on jitney licenses, submitted the following:

Report on petition (referred March 23) of Medway and Dedham Bus Lines for extension of route to Park square, Boston, from termination of present route on Spring street, West Roxbury—that license be granted.

Report accepted; license granted on usual conditions.

Later in the session Coun. BRACKMAN said:

Mr. President, I move reconsideration of the vote passed earlier in the session giving a license for a bus line from Dedham to Boston. The report of the committee was read rather rapidly with a lot of other reports, and I think it escaped the attention of most of the councilors here. I know it escaped my attention, and I was listening very attentively. This bus line is to be run from outside of Dedham to Park square, Boston, and I think it will establish a very grave precedent, resulting in taking away considerable travel from the Boston Elevated Railway. I was present at a meeting of the Jitney Committee when the officials of the Boston Elevated appeared and testified that it would mean a considerable loss to their road. We understand now that the taxpayers of the City of Boston are paying from a million and a half to two million dollars yearly on the deficit of the Boston Elevated, which comes out of our tax rate. Why should we, therefore, encourage in this way the cutting down of travel on the Elevated and the taking of additional money out of the taxpayers' pockets? I see no reason for setting this very dangerous precedent, and I think it is up to us to stop this sort of thing right now. I trust that the vote whereby we granted the license will be reconsidered.

The motion to reconsider was declared lost. Coun. BRACKMAN doubted the vote and asked for the yeas and nays.

Coun. WILSON—Mr. President, I would like unanimous consent to ask the chairman of the committee a question. It is my understanding that this bus line is not allowed to pick up passengers along the line in Boston and thereby take away revenue from the Elevated.

Coun. SELVITELLA—Mr. President, in answer to the question I would say that that is perfectly correct. The license here proposed to be granted to this bus line is no different from that granted to the Eastern Massachusetts to come from Salem and other points to the north of Boston to Haymarket square. We are not here establishing any precedent. I understand that the Boston & Worcester line some years ago had the same privilege. These buses operating from Dedham to Park square will not be permitted to pick up passengers, once they reach the Boston line. The Boston Retail Merchants Association

and the Chamber of Commerce have gone on record as favoring this as a means of bringing business into Boston. It was explained to the committee that many people using the buses will stop in Boston and do their shopping, and that it will be a great help to the retail merchants of the city. But I wish to repeat that there is no precedent established here, because similar permits have been granted in the past to the Eastern Massachusetts and the Boston & Worcester Company.

Coun. BRACKMAN—Mr. President, I want to say just a word in answer to the councilor. It is true that the buses are not going to pick up any passengers going through Boston. But it is going to injure the Elevated road just the same, in this way. Without this license, people would be brought to the Boston line and dumped there, and then would take the Elevated cars or buses to Boston. That is where, under this proposed license, the Elevated is going to lose its revenue.

Reconsideration of the granting of the license was refused, yeas 6, nays 13.

Yeas—Coun. Brackman, Finley, Peter J. Fitzgerald, Mellen, Rosenberg, Shattuck—6.

Nays—Coun. Agnew, Doherty, Dowd, John I. Fitzgerald, Gleason, Kerrigan, Kilroy, McGrath, George A. Murray, Roberts, Selvittella, Tobin, Wilson—13.

RESANDING DEWEY BEACH.

Coun. MELLEN offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to make provision in budget for this year for sufficient funds to resand Dewey Beach and to repair the buildings thereon.

Passed under suspension of the rule.

TRANSFER OF WELFARE VISITORS.

Coun. MELLEN offered the following:

Ordered, That the Overseers of Public Welfare be requested, through his Honor the Mayor, not to transfer or shift visitors now stationed regularly in local units of the Public Welfare Department.

Coun. MELLEN—Mr. President, I find that the Overseers of Public Welfare are contemplating a change in procedure, in shifting the location of visitors now dealing with the welfare cases. I hold no brief for the efficiency and ability of the visitors as they are now working, but it does seem to me that the burden of proof lies upon those who wish to change the present situation, because each visitor knows the cases that he or she is confronted with and is familiar with the peculiar conditions surrounding each case. The contemplated change, providing a circulating arrangement whereby visitors will go from the location where they are now to other locations, simply means that after a visitor becomes familiar with the conditions in his particular neighborhood, has familiarized himself with them, and is acquainted with the cases, he or she is then transferred to another neighborhood. It certainly seems that that means a waste of money of the city and a loss of efficiency in the department, giving new neighborhoods and new cases to visitors periodically. Because of that thought I have introduced this order.

Coun. TOBIN—Mr. President, I think that order should be adopted. I had prepared a similar order asking the Mayor to instruct the Overseers of Public Welfare not to change the visitors about. It seems that every so often the Public Welfare Department decides to make some drastic change. We have had proposed changes offered in the department before, but have been able to get them to change their contemplated new policy—for example, in the matter of giving single men, instead of \$4, a food order. They were going to adopt that, but the Council committee and the Mayor asked the Overseers not to put such a policy into effect, and it was not done. They were going to have the single men sleep in the Hawkins street home, but the members of the Council stopped that move. I think in this case the councilor from Charlestown has presented a good order. We have visitors who have been for some time in certain locations, who have become familiar with the people of the district, and who understand what the individual needs are. They know who the people who really need help are, and also know those who do not. Therefore from the standpoint of efficiency in carrying out the business of the city, and also of help to the people who need assistance, I believe it is all wrong to have such a wholesale change of visitors throughout the Welfare Department as is proposed. It is unfair to the visitors who have put in years of work and effort, who have maintained steady contact with the different people with whom they deal and who know the individual needs, to take them from districts with which they are familiar and where they know the people and put them in other districts. I had some trouble years ago out in my neighborhood, where a colored visitor was brought into the district, and where there was some feeling on the part of those receiving aid against that particular visitor. But I think the visitors we have in Dorchester are exceptionally kind and have been very friendly to the people with whom they have been brought in contact. So I think this proposed policy of shifting the visitors about is wrong. I am quite sure that if we appoint a

committee to go down and see the Mayor, going over the whole situation, he will order the Overseers of Public Welfare to change their policy and leave the present system alone.

Coun. WILSON—Mr. President, I am constrained to disagree with the councilors from Charlestown and Dorchester who have just spoken opposing the contemplated shift of the various welfare visitors, although I understand that the proposed plan does not go as far as has been stated, that it involves only some one hundred and fifty visitors at the present time, although I personally wish that the shift were 100 per cent. I read with interest the reported reasons for the proposed shift of Welfare Department visitors. Two additional factors suggest themselves to me. First, from the point of view of the taxpayers, I have not forgotten my visit to some alleged welfare case addresses in East Boston a few years ago, with the present President of the City Council, Councilor John I. Fitzgerald. As typical examples of laxity on some one's part, one address turned out to be a one-story meat market; another was a deserted loft over a store. How any visitor could have failed to find such so-called residences fraudulent is beyond me. And so, while I believe that the collusion which undoubtedly did exist at one time has been practically eliminated, I fail to see why a shift of operations now and then is such a bad idea. Second, from the point of view of the unfortunate welfare case, I suppose those on welfare, the same as the taxpayers, are entitled to consideration. After all, we are all human, whether we are welfare visitors, probation officers, or members of the City Council. A slant once taken against a person is sometimes hard to wipe out. Original impressions sometimes indefinitely prejudice a case. I believe more than one welfare family, unfortunate enough to be on the welfare rolls of the City of Boston, may welcome new faces and a new deal. Personally, I would like to see a complete shift of the personnel in the various districts every so often. A partial shift in a district might only result in the new visitor, instead of treating each case fresh on its own merits, taking too much on hearsay from such older officials of the department as may be left behind in a district following a general shift. From the point of view of the visitors themselves, I believe the proposed plan would not only keep them on their toes—where any city employee should expect to be—but offer an opportunity for greater experience and service, and make each individual of more value to the department. Getting in a rut is never beneficial to either employee or employer. A little shake-up in the Police Department now and then never did any harm. On more than one occasion, if I am any judge, it did plenty of good. If the third degree examination they give each new applicant for aid is justifiable, and if the detailed records they keep of each case is of any real value, and if no distinctions are really made among similar cases, then once a case is on the books there is no logical reason why Visitor B cannot attend to the case from then on as well as Visitor A. If the department limit for a family of three on Dependents' Aid, for example, is \$9, then while it remains a family of three there is no great leeway thereafter, unless or until the rates become more humane for all such cases. And I assume that all welfare cases are disposed of on a wholly impersonal basis, without any favoritism or distinctions. I therefore feel that the Welfare officials should be given a fair chance to try out the proposed changes. I personally would also like to see the various shifts accompanied by a prompt re-registration of all active welfare cases in each section of the city. We all remember that the Welfare budget jumped from about \$2,000,000 in 1928 to almost \$14,000,000 in 1934. The overhead of the department itself that year amounted to almost \$900,000, of which over \$600,000 was for pay roll alone. Any department that runs over half a million dollars a year for pay roll is big business, and any constructive steps calculated by those in charge to improve the efficiency of the department should not be discouraged without at least a fair trial. And so in closing, Mr. President, I urge that there be no Council opposition to this proposed measure of the Public Welfare Trustees—first, from the point of view of the taxpayer, who is entitled to have that department, one of the heaviest in the city, on its toes all the time, a department the pay roll of which has more than doubled in the last two years; and, in the second place, from the point of view of the welfare cases themselves, those of them that are on the level. Some of them will undoubtedly welcome a new face and a new deal in the district where they live, and if there has been some collusion existing a shift will not do the city any harm. Finally, I urge that there be no interference with the proposed plan from the point of view of the Welfare visitors themselves. I cannot believe that any Welfare visitor, other than a drone in the hive, would not welcome a broader viewpoint and an opportunity to make himself or herself more acceptable, at the present time or a year from now, when possibly many Welfare visitors will be dropped from the pay roll of the City of Boston.

Coun. MELLEN—Mr. President, I fail to see the potency of the gentleman's argument. In the first place, he feels that while perhaps fraud did exist at one time, it does not exist now. Certainly, the fact that it may once have existed is no argument for a change at the present time.

Also, shifting visitors about to unfamiliar districts might well increase that danger. Another thing, he speaks of the proposed change keeping the visitors on their toes. Keeping visitors on their toes is not a matter of geographical allocation, merely shifting a visitor from East Boston to Charlestown or West Roxbury. Then, by shifting visitors, you are discarding the great experience that they have obtained through continuous service in a certain locality. The work they do in that locality gives them valuable experience in accomplishing results. They are dealing with human people, finding out about them, about their particular needs, and the experience and knowledge they acquire in that way count for much. The councilor talks about detailed records. If I remember aright, a few weeks ago he fought detailed records in the Statistics Department. Also, at the present time, visitors working in certain neighborhoods, as a result of their contacts and their experience among the cases in those neighborhoods, acquire the sympathy that comes from knowledge of the people with whom they are dealing. The more you see of people the more you understand of their problems and their troubles, the more you get acquainted with their habits the greater sympathy you have and the greater the knowledge which enables you to deal with their particular cases. The gentleman also talks about re-registration. That would only increase the expenses of the department. He also says that the visitors will welcome such a shift. The fact is that they do not welcome it, and it seems to me there are very good reasons why they should not welcome it. They have given their lives to social work, to sincere effort to improve conditions in the neighborhoods where they are. They can work more sympathetically and with more knowledge under conditions with which they are familiar than with unknown conditions. For these reasons, I trust that the order will pass.

Coun. DOWD—Mr. President, I quite agree with the purpose of the order. As a matter of fact, I had prepared an order along similar lines. The only suggestion I would add is that, instead of talking about transferring or shifting a number of these visitors, in the case of some of the hard-boiled ones, they should be fired. I don't believe this shifting about is going to help the morale of the visitors. In some of the districts we have the good fortune to have visitors who have a heart and sympathy. In the case of others it is not so. But it is not fair to transfer 125 or 150 just because perhaps 25 are not doing their work right. I, for one, hope that the Council will go on record as against the wholesale transfer. If the Public Welfare Department has some visitors whom they do not want to offend, but who are not doing a good job, why do they not come right out and fire them? There are some of these visitors who do not recognize the fact that they are on the pay roll by the grace of the unfortunate individuals who are receiving welfare. To my mind, those arrogant visitors should be fired from the service, because they don't know how to treat the unfortunates who are on welfare. I certainly hope that the order will be passed.

President FITZGERALD—The order will be referred to the Committee on Public Welfare.

Coun. DOWD—Mr. President, I was going to suggest that, instead of referring it to the Committee on Public Welfare, it might well be referred to the committee of the whole Council, the Executive Committee, and ask Mr. Dowling to come up.

President FITZGERALD—Well, the Committee on Public Welfare will have a meeting on Wednesday.

The order stood referred to the Committee on Public Welfare.

RESCISSION OF GASOLINE STATION PERMIT.

Coun. DOWD offered the following:

Ordered, That his Honor the Mayor consider the advisability of rescinding the permit for the gasoline station situated on the corner of Blue Hill avenue and Dudley street, Roxbury.

Coun. DOWD—Mr. President, a very unfortunate thing happened in my ward, something that I was not acquainted with until recently. Every member of the Council knows that it is at least the understanding that the Clerk of Committees shall notify a member of the Council when a gasoline station is to be erected in his district, so that he may have an opportunity to attend the hearing upon the matter. But unfortunately in this case no notice was sent out. I am not objecting to a gasoline station in my ward or in any other part of the city where it is not going to injure anybody, but here, close to the corner of Blue Hill avenue and Dudley street, you have St. Patrick's Church, within 35 feet you have the Little Sisters of the Poor, where there are old women of seventy-five to eighty years; within 500 feet you have the Hugh O'Brien School, where thousands of youngsters go to school every day; within 200 feet you have St. Patrick's High School, on Dudley street, and St. Patrick's Parochial School, on Mt. Pleasant avenue, where a thousand youngsters of between four and six years of age go to school; and within 300 feet you have the Sons of St. Patrick and within 400 feet the Carmelite Convent. And yet, over the objections of the pastor of my church, the Street Commissioners

of the City of Boston have given the right to some individual to place a gas station at the corner of Blue Hill avenue and Dudley street. I was interested to find out who had enough political pull in the City of Boston to place a gasoline station almost on the very steps of St. Patrick's Church. Lo and behold! I find it is a gentleman who has been connected with public life for a long time, and he in turn, I assume, will sublet it to some one else. But I say to you, Mr. President, it is a sorry state of affairs when the pastor of a church representing practically two-thirds of my district, where 10,000 people worship on Sundays and holidays of obligation, should allow the placing of this gas station within a short distance of all these schools and religious institutions. I don't know who is responsible for it, but on checking up I find that back in 1933 the then Board of Street Commissioners gave at that time a permit. I don't know why the station was not built at that time. Perhaps it might have been because of the fact that the then chairman of the Board of Street Commissioners lived in the district and did not want the responsibility placed on his doorstep. Well, the responsibility is not going to be placed on my doorstep. I know that we cannot stop them from building there, but I will serve notice to the gas people that they will get damned little business from the people of Roxbury in that vicinity. The Street Commissioners never should have issued the permit, and in doing so showed little respect for the wishes of the pastor of my parish. They certainly should have invited the councilor from that district to say "Yes" or "No," and I am now asking the Mayor to rescind that permit. I know that he won't do it, but I am simply doing my part. It is a damnable shame, an outrage, that they should commercialize such a point, and the gentlemen who authorized the issuance of this permit should be held responsible.

The order was passed under suspension of the rule.

INSURANCE OF WELFARE RECIPIENTS.

Coun. DOWD offered the following:

Ordered, That the Committee on Public Welfare hold a hearing and invite to said hearing all representatives of the different insurance companies in order that they might definitely ascertain the attitude of the Public Welfare Department in reference to individuals who have small insurance policies and who are forced to cancel same under penalty of having their aid stopped.

Coun. DOWD—Mr. President, I believe it is about time that some drastic action was taken, in so far as insurance policies of recipients of public welfare are concerned. We were of the opinion that such recipients having small policies would be left alone, that they would have enough insurance left to give them a proper burial and to assure their not being buried in Potter's Field. I simply want, however, to read a letter that I have received, as one of the many complaints in regard to this matter:

"Councilor John Dowd.

"Dear Sir,—I want you to see what you can do about this case. Mrs. — of — avenue, a widow, was getting \$5 a week, and because she has 45 cents a week insurance—she will be sixty-seven years old April 15—and is getting department aid they stopped it; this makes the second week now. My poor mother is almost insane thinking about how mean they were to cut her out because she would not sell her insurance. She said she wanted to be sure she had a burial and a mass when she died. A Mr. — of the insurance department said she was allowed to carry that, for she has had it since the 1890's some time. I think that it is a terrible disgrace for the city to do that to anyone in their old life. The insurance agent for the Welfare, a Mr. —, told her if she didn't sign she would not get any more aid. So now it is two weeks. Don't you think it is a shame? So I am asking you to do what you can,"—

and so forth. I say, Mr. President and members of the Council, it is about time that these welfare insurance agents minded their own business and left a woman of that type, sixty-seven years of age, with only a few years more to live, alone in this matter, with her little insurance, instead of telling her that she must sell the insurance policy or her aid will be discontinued. I trust, therefore, that the Committee on Public Welfare will have a hearing upon this matter and will invite officials of the John Hancock, Prudential and other insurance companies in Boston to appear so that we may find out what is happening. Suppose the daughter of such a woman was paying for the insurance—is there any reason why the daughter should not carry it along? None whatever. But these so-called insurance agents of the Welfare Department will chop you down if you have a 45-cent a week or even less insurance policy, and stop you from getting welfare from the city, no matter how great your need may be. If the insurance policy was a substantial one, that might be one thing, but why should they act in this way when these poor people have these little policies upon which they are depending for their burial? It was bad enough when they cut people getting \$7 a week down to \$6.65 a week, saying, "That is what our dietitian thinks you can live on." And so it is all along the line. Oh, how proud the city officials of Boston should be to say, "We are saving 35 cents a week on this case," cutting these poor people down to such a

starvation amount. This sort of thing is entirely wrong, Mr. President, and certainly the city should not do anything to stop these little policies which will simply help to give a small amount for decent burial.

The order was referred to the Committee on Public Welfare.

JURISDICTION OF MAYOR OVER CERTAIN DEPARTMENTS.

Coun. DOWD offered the following:

Ordered, That the Legislative Committee be requested to prepare legislation whereby all such departments as the Police, Licensing, Finance Commission, School Committee, and all county departments be placed directly under the jurisdiction of the Mayor.

Coun. DOWD—Mr. President, I have come to the conclusion that unless something is done in the course of the next few years our men and women employed by the city are going to suffer. It is very interesting to find out that, out of every dollar that comes in to the city treasury, the Mayor of Boston has direct control of only 45.25 cents. That means that the other 54.75 cents is not under his direct control. Still, the Mayor of Boston is held responsible for the tax rate and the people of Boston are of the opinion that he spends every dollar taken into the city treasury. As a matter of fact, the School Department spends, entirely outside of the control of the Mayor, 20.35 cents out of every dollar collected. Could any business concern function if carried on the way that our city is carried on in these respects, with over \$17,000,000 in the School Committee budget, more than 90 per cent for salaries, under the control of the School Department, and with no control of the expenditure by the Mayor, to say nothing of the fact that the same method applies in a number of other departments of our city? The answer is plain, unless something is done. I want to protect the men working for the City of Boston who are getting, say, \$3,000 a year. And I would like to see the School Committee of Boston take a strong stand in favor of employment of Boston men and women in our schools. As our Commissioner of Education said yesterday, speaking before a gathering, it was his idea that nobody but Massachusetts men and women should teach in Massachusetts. At present, we have over 7,000 coming from Vermont and New Hampshire. When it comes to that, however, I know what our School Committee is going to say. We have attempted time and again to get them to discharge the 1,500 nonresident teachers. If something is not done to control them now, in a few years, the way things are going, every individual in the city is going to suffer. We have this state of affairs in our Police Department, our Finance Commission, our School Committee, our Licensing Board, our county departments—all departments over which the Mayor has no control, departments which spend nearly fifty-five cents out of every dollar that goes into our treasury and which are not under the control of the Mayor. Let me say to the Legislature that their duty is very plain. They ought to say,

"We are going to give to the Mayor of the City of Boston full authority and jurisdiction over every cent expended by the Police Department, the Finance Commission, the Licensing Board, the counties and other departments not now under the Mayor's control, and if anything goes wrong the Mayor of Boston is then to blame." At present, the Mayor is blamed,—not only this Mayor, but that has been the case with every Mayor,—although he has no authority over the expenditures of these departments. This condition has been going on for years. I say that the responsibility should be placed where it belongs, on the shoulders of the Legislature. We are the only large city in America where this condition exists. In every other large city the Mayor has practical control of every dollar that comes into the city treasury. How many of the people of Boston, how many of the reform organizations, recognize the fact that the Mayor of Boston has control of only forty-five cents out of every dollar that comes into the city treasury? The responsibility should be placed on the Mayor's shoulders, and then if things do not go right the Mayor can properly be blamed. Your county officials will not take any responsibility. And just look at the employees of Suffolk County. Many of them come from Cambridge, from Somerville, from Swampscott and other outside cities and towns, while Boston and Suffolk County boys and girls are unable to get a job in certain county offices. How long is that situation going to exist? Just as long as it is allowed to exist. I think it is a damnable outrage that we cannot take care of our own citizens. I think when we elect a Mayor of Boston he should be responsible for the expenditure of every five-cent piece that comes into the city treasury. I say to you, sir, that we cannot go along the way we have been going much longer. We are near the end of the rope, and something has to be done, and I certainly say that the sooner something is done to give the Mayor of Boston the authority he should have in this matter the better. As it is now, whom do we hold responsible? The School Committee throw up their hands and say, "We are not to blame for the budget or the tax rate." The county officials do the same thing, and they go on spending money, and when the tax bills go out the blame is placed on City Hall, the City Council and the Mayor of Boston. I know full

well that the Legislature will not sanction any such thing as I have proposed here, but we can at least try, and I hope that the Mayor will do whatever he can to further this effort.

Coun. McGRATH—Mr. President, I would like to offer an amendment to Councilor Dowd's order, if it is in order—that, in drawing up such proposed legislation, the Council be given the veto power over the Mayor, in the event that the bill goes through.

Coun. DOWD—That is agreeable to me, Mr. President.

Coun. McGRATH—When we talk about employees of the city not living in the City of Boston, I have in mind that employees of the dog track at Revere are Revere residents, and I read something in the newspapers to the effect that every councilor holding office in Revere had the right to put residents of Revere at work on the dog track. I introduced an order here some time ago asking that employees at the race track in East Boston be residents of Boston. I think if they take that attitude in Revere, we should take the same attitude at Suffolk Downs, and that only Boston people should be employed there.

The order was passed under suspension of the rule.

TOWELS FOR WARD 8 MUNICIPAL BUILDING.

Coun. DOWD offered the following:

Ordered, That the Park Commission be requested, through his Honor the Mayor, to see to it that a sufficient number of towels are on hand at all times to take care of all persons using the shower baths at the Vine Street Municipal Building, Ward 8.

Passed under suspension of the rule.

GOOD FRIDAY CLOSING, CITY HALL.

Coun. KERRIGAN and DOWD offered the following:

Ordered, That his Honor the Mayor be requested to close City Hall, between the hours of 12 and 3 p. m., on Good Friday, April 10, 1936.

Passed under suspension of the rule.

ROPING OFF CENTRE STREET.

Coun. PETER A. MURRAY, DOHERTY, KILROY and FINLEY offered the following:

Ordered, That Centre street, Jamaica Plain, be roped off on Saturday afternoon, April 18, 1936, on the occasion of the Michael J. O'Connell Post Annual Road Race, the expense to be charged to the appropriation for City Council, Ropes and Stakes.

Passed under suspension of the rule.

President FITZGERALD in the chair.

TRANSFER WITHIN HOSPITAL APPROPRIATION.

President FITZGERALD called up, under unfinished business, No. 1 on the calendar, viz.:

1. Ordered, That under authority of chapter 261 of the Acts of 1893 the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Kitchen Building, etc., \$661, to the appropriation for Hospital Buildings, Plans, etc., \$661.

On March 23, 1936, the foregoing order was read once and passed, yeas 19, nays 1.

The order was given its second and final reading and passage, yeas 16, nays—Coun. Tobin—1.

RECONSTRUCTION OF McCONNELL PARK PLAYGROUND.

Coun. PETER J. FITZGERALD offered the following:

Ordered, That his Honor the Mayor request the Park Commissioner to furnish an estimate of reconstructing the McConnell Park Playground located at Savin Hill Beach, Dorchester, and the erection of bleachers thereon.

Passed under suspension of the rule.

CLEAN-UP AND PAINT-UP WEEK.

Coun. ROSENBERG offered the following:

Ordered, That his Honor the Mayor be requested to consider the advisability of setting aside the first week in May as "Clean-up and Paint-up Week."

Coun. ROSENBERG—Mr. President, this coming Sunday poor and rich alike will dress up and polish up for the Easter holiday, and I believe in the same way that the public are dressing up for that holiday, in this spring season, it would be fitting and proper to call the attention of the Mayor to the matter of cleaning the streets, alleys, yards and cellars of our city. Let there be a good clean-up all around; let us have a Clean-up-Week, setting aside the first week in May for that purpose. A large amount of refuse naturally collects

through the winter, cellars, back yards and alleyways are filled with debris, and let us all turn in and help in this good work, getting ready for the coming summer season. I am sure that the Press will be glad to cooperate in advertising and helping along this Clean-up-Week, and that business corporations, individual householders, our Health Department, Sanitary Department and Fire and Police Departments will be more than pleased to assist in helping to bring about healthful and clean conditions.

The order was passed under suspension of the rule.

SHUTTLE BUS LINE FROM FRANKLIN PARK STATION.

Coun. ROSENBERG offered the following:

Ordered, That the trustees of the Boston Elevated Railway, through his Honor the Mayor, be requested to consider the advisability of having a shuttle bus line from Franklin Park Station to Quincy street and Blue Hill avenue, Roxbury, in order that people living in the lower section can travel between these points at a five-cent rate.

Passed under suspension of the rule.

WARD 14 IMPROVEMENTS.

Coun. ROSENBERG offered the following:

Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to resurface with smooth paving, Hazleton, Greenwood, Mascot and Greenock streets, Ward 14.

Ordered, That his Honor the Mayor consider the advisability of including in the budget an amount sufficient for the installation of traffic signal lights at the corner of Harvard and Morton streets, Dorchester, Ward 14.

Ordered, That his Honor the Mayor and the Park Commissioner be requested to consider the advisability of the installation of a wading pool in Franklin Park, in the vicinity of Blue Hill avenue and the American Legion Highway.

Severally passed under suspension of the rule.

EMPLOYMENT BY PUBLIC LIBRARY.

Coun. TOBIN offered the following:

Ordered, That his Honor the Mayor request the trustees of the Boston Public Library to inform the City Council whether or not the fact that a person is a resident of Boston is thereby, because of his residence in Boston, deprived of the right to be employed by the Boston Public Library Department of the City of Boston.

Coun. TOBIN—Mr. President, I am at a loss to understand the attitude of the trustees of the Boston Public Library. I think the majority of our citizens want to know whether or not there is some special provision in the law which prevents people living in Boston from being employed by the Boston Public Library. The trustees have recently appointed three men to important positions, paying as high as \$6,500 a year, and those men do not live in this city. One came from Newburyport, one from Somerville and one from Cambridge. Their legal residences are established in those cities and their homes are there; but the trustees of the Public Library, without consulting anybody in the city, without apparently considering any citizens of Boston, have appointed these outside people. Now, in a way, the department is under the jurisdiction of the Mayor. That is, he is responsible for the appointment of the trustees and in that way can be said to O. K. or sanction the appointments that they make. They certainly serve at his pleasure, and yet we see men from outside of Boston appointed to these three important positions without even apparently considering Boston men. And I understand that these men were already occupying good positions, one of them working for the state and the others employed in some other responsible positions. How can the trustees justify the appointment of these nonresidents to positions that citizens of Boston are qualified to fill and where they need the work?

Coun. SHATTUCK—Mr. President, I have not heard the gentleman say one word about the qualifications of these men, whether they are qualified to fill the positions to which they are appointed. That would seem to me the very important thing. We want the library efficiently run for the benefit of the people of Boston. We well know that for positions requiring certain technical ability it is sometimes necessary to comb the entire country for the best men for the particular places. If the gentleman wants to criticize, let him examine the qualifications of these men. If they are not qualified, or if he can show that there are some other individuals just as well or better qualified for the particular positions, and living in Boston, then perhaps there might be some basis for his criticism. But the mere fact that they do not live in Boston, without saying anything about their qualifications, would not seem to me a just criticism of the Library Trustees. The business of the trustees is to see that the library is staffed with people who know the job and who will run the library for the best interests of the people of Boston.

Coun. DOWD—Mr. President, I am rather surprised at the attitude taken by the councilor from the Back Bay, a very intelligent gentleman. He does not want us to believe that in this city of 700,000 or 800,000 people there are no men qualified to fill these jobs. What a lot of bunkum, Mr. President, that our citizens cannot furnish men and women qualified to fill any position. We know that we have among our citizens people qualified for any branch of the city service, and it is rather disgusting to sit here and listen to an intelligent gentleman like the councilor from the Back Bay taking the position he does. He speaks of qualifications. What qualifications have these employees got that cannot be found among our own citizens? I quite agree with the councilor from Dorchester that everyone working for the library or for any other department of this city, who does not reside in Boston, should be fired. We heard the same sort of talk about Mr. Loomis, when he was appointed Purchasing Agent, that they had to get an expert, and so they went to Needham. But he got through, and the Purchasing Agent now is doing a better job and in a more capable manner than Mr. Loomis ever did—and he comes from Boston.

Coun. SHATTUCK—Mr. President, possibly the gentleman has not had as much experience as I have had. I have had some experience in matters of this kind, and I know what I am talking about, and I am not going to accept such statements as have been made without specifications as to what the qualifications of these men are, when we simply hear the demand that any man taking a job for the city must live in Boston.

Coun. TOBIN—Mr. President, I would ask the gentleman from the Back Bay whether he sponsored the employment of Warren Loomis, a non-resident of our city?

Coun. SHATTUCK—I had nothing to do with it.

The order was passed under suspension of the rule.

TRAFFIC REGULATIONS, WARD 17.

Coun. WILSON offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install a traffic sign which shall warn operators of motor vehicles either to slow down or stop before entering Washington street from Ashmont street, Ward 17.

Passed under suspension of the rule.

SPECIFICATIONS FOR WELFARE COAL.

Coun. WILSON offered the following:

Ordered, That the Superintendent of Supplies be requested, through his Honor the Mayor, to consider such provisions as the following with reference to future contracts for coal deliveries to Boston welfare recipients.

The undersigned bidder agrees to furnish in all cases a sufficient number of men to deliver and house the coal, properly and without delay, and to the satisfaction of the Board of Public Welfare, and agrees to deliver promptly after the order is received, such coal as may be ordered from time to time from the acceptance of this offer by the Board of Public Welfare, or their agent or agents in the City of Boston.

If the undersigned fails to carry out in all respects the contract awarded to him, he shall forfeit and pay to the city all damages sustained by it in consequence of such failure; and the Board of Public Welfare may direct that any sum unpaid under this contract be applied in satisfaction of such damages.

The coal desired is Pennsylvania anthracite, freshly mined, reasonably free from slate, bone and other impurities, and properly screened in accordance with the following sizing standards:

Size, nut, round mesh screens, through 1 9/16-inch and over 1 1/16-inch.

The coal desired shall contain not more than the following percentages of ash on the dry coal basis:

Size, nut, ash in dry coal, 12 per cent.

The coal delivered shall be as follows:

1. Maximum ash, 12 per cent.

2. That the dealer shall provide anthracite from the mines of companies or shippers who are members of the Anthracite Institute, and shall, when rendering bills to the department head, name the shipper or operator from whom the coal was purchased, and in the event any coal delivered is bought from a non-member of the Anthracite Institute, then this contract may be terminated at the option of the Board of Public Welfare and the contractor shall be liable for damages as herein provided.

Coal delivered which does not conform to the above specifications shall be subject to rejection and at the option of the Board of Public Welfare shall (1) be accepted and paid for at a reduced price, 6 cents per ton for each half of 1 per cent of ash or fraction thereof above the figures for ash content specified, or shall (2) be removed and replaced by other coal satisfactory to the Board of Public Welfare.

Coun. WILSON—Mr. President, briefly, and without any pride of authorship, because very frankly I have taken these provisions from the contract that is used in the little city of Chelsea,—I believe that Chelsea can teach the City of Boston in this matter something as to the proper

contract to be drawn with reference to fuel to be delivered to the poor of our city. When I say that I have in mind all of the items contained in these provisions, as set forth in the order. There is, for example, first the provision that the successful bidder agrees to furnish in all cases a sufficient number of men to deliver and house the coal properly and without delay, and to the satisfaction of the Board of Public Welfare, and agrees to deliver promptly after the order is received such coal as may be ordered from time to time from the acceptance of this offer by the Board of Public Welfare or their agent or agents in the City of Boston. That is, if the welfare family is not fortunate enough to be waiting on the front porch and living in the front of the house, the fuel will nevertheless be delivered and housed, men being paid for housing it, and that condition, of course, being included in the contract, and lived up to. I have in mind, also, the provision that exists in the contract of the City of Chelsea making a definite penalty provision if the coal in question has more than the specified amount of ash; also the specific provision in reference to proper screening of the coal, because there has been much discussion about coal that has been delivered to welfare recipients, and that you would not be able to hold in your trousers pocket. And the other provisions here in regard to the quality of the coal are important. In that connection I would refer to the last provision, containing an option on the part of the city that in the case of coal delivered that is not of proper quality, it shall be removed and replaced by other coal satisfactory to the Board of Public Welfare. It is evident that the city of Chelsea has been wise enough to include in its contract these different provisions, including a provision that the unpaid balance can be taken by the city as liquidated damage for the amount. So I offer these items, with no pride of authorship, because I did not write them, but with the feeling that we may learn something from the contract provisions that have been drawn for the city of Chelsea.

The order was passed under suspension of the rule.

RE-REGISTRATION OF WELFARE CASES.

Coun. WILSON offered the following:
Ordered, That the Overseers of Public Welfare, through his Honor the Mayor, be requested, incident to the proposed shifting of all welfare visitors, to consider the advisability of a fresh re-registration of all active welfare cases.

Referred to the Committee on Public Welfare.

PAYMENT TO PEARL J. CUMMINGS.

Coun. FINLEY offered the following:
Resolved, That the City Council of Boston hereby approves the enactment of legislation to authorize the City of Boston to pay a sum of money to Pearl J. Cummings in compensation for property damaged by the Fire Department, provided that said legislation includes a referendum to the Mayor and City Council.

Passed under suspension of the rule.

TRAFFIC SIGNALS, WARD 21.

Coun. AGNEW offered the following:
Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install automatic traffic signals at the junction of Mountfort and St. Mary's streets, Ward 21.

Passed under suspension of the rule.

SIGNAL LIGHTS, CHARLES AND ALLEN STREETS.

Coun. JOHN I. FITZGERALD offered the following:

Ordered, That the sum of \$3,000 be, and hereby is, appropriated, to be expended by the Traffic Commission, for traffic signal lights on Charles street, at Allen street, and that to meet said appropriation the City Treasurer be authorized to issue and sell bonds of the city to said amount for said purpose.

Referred to Committee on Finance.

RECESS.

President FITZGERALD appointed Coun. Dowd chairman of the Executive Committee in the temporary absence of Coun. Gallagher.

The Council voted at 4.10 p. m., on motion of Coun. AGNEW, to take a recess subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President FITZGERALD at 4.27 p. m.

EXECUTIVE COMMITTEE REPORTS.

Coun. DOWD, for the Executive Committee, submitted the following:

1. Report on petition (referred December 21, 1935) of Theresa F. Gilligan to be paid annuity

on account of death of her husband, Michael J. Gilligan, late member of Boston Fire Department—recommending passage of accompanying order, viz.:

Ordered, That under the provisions of chapter 340 of the Acts of 1933 an annuity of one thousand dollars be allowed and paid to Theresa F. Gilligan, widow of Michael J. Gilligan, a member of the Fire Department, who died on March 17, 1935, as a result of injuries received in the performance of his duty; such annuity to date from March 18, 1935, to continue so long as said widow remains unmarried, and to be charged to the appropriation for Fire Department, Pensions and Annuities.

Report accepted; said order passed.

2. Report on petition (referred February 3) of Annie A. Sullivan to be paid annuity on account of death of her husband, Cornelius J. Sullivan, late member of Boston Fire Department—recommending passage of accompanying order, viz.:

Ordered, That under the provisions of chapter 340 of the Acts of 1933 an annuity of \$1,400 be allowed and paid to Annie A. Sullivan, widow of Cornelius J. Sullivan, a member of the Fire Department, who died on January 16, 1936, as a result of injuries received in the performance of his duty; said annuity being made up of allowances as follows:

For the widow, Annie A. Sullivan, so long as she remains unmarried, \$1,000 per annum;

For each of the following-named children during such time as he or she is under the age of eighteen or over such age and physically or mentally incapacitated from earning, \$200 per annum: Mary R. Sullivan, born July 9, 1923; Shirley A. Sullivan, born July 30, 1930.—

the payments to date from January 17, 1936, and to be charged to the appropriation for Fire Department, Pensions and Annuities.

Report accepted; order passed.

3. Report on message of Mayor and order (referred today) that under provisions of chapter 80 of Acts of 1936 the sum of \$4,000,000 be appropriated, to be expended under direction of Overseers of Public Welfare, for Care of Dependents—that same ought to pass.

Report accepted; said order passed, yeas 16, nays—Coun. Shattuck—1.

4. Report on petitions (referred today) for children under fifteen years of age to appear at places of public amusement, viz.:

Edith M. Leavis, Repertory Theatre, June 22; Lilla Frances Viles, Current Events Clubhouse, May 2; A. Marie Govone, Repertory Theatre, May 27; Viola K. Breiding, Repertory Theatre, June 4; Doris W. Jones, Repertory Theatre, June 1; Freyda Fransky, Repertory Theatre, June 15; Lilla Viles Wyann, Repertory Theatre, May 16; Gertrude Dolan DePetro, Repertory Theatre, June 12, 19,—recommending that leave be granted on usual conditions.

Report accepted; leave granted on usual conditions.

DANGER AT SOUTH POSTAL STATION.

Coun. McGRATH—Mr. President, I wish to make a statement. It has been called to my attention that at the new South Station Postal Building, under construction on Dorchester avenue, eight men have already lost their lives through neglect. I don't believe that the Building Department of the City of Boston has any jurisdiction in the matter. I am not sure who is responsible, but when eight men lose their lives on such a small job there must be some reason for it. I would like to have the Council go on record as protesting against the working conditions—and, mind you, I don't know them, but I know that eight men, or about that number, have lost their lives there. Let us send a letter to our Congressmen and Senators asking for an investigation of the working conditions. I understand that the staging on that particular job is inadequate for the safety of the men, and I would like to have our President appoint some committee to investigate this job. We are talking about loss of life in connection with traffic lights. This is certainly something fully as important, and I think we should look into it immediately.

Adjourned at 4.35 p. m., on motion of Coun. AGNEW, to meet on Wednesday, April 22, 1936, at 2 p. m.

WATER-SUPPLY DEVELOPMENT IN THE UNITED STATES.

In 1652 Boston introduced the first American public water supply. The first mechanical pumps were used in 1761 at Bethlehem, Pa., where Hans Christiansen, an American pioneer water-supply engineer, made his pumps work "after severe struggles." In 1850 there were only 100 water plants in the United States, and as late as 1875 only 243. In 1933 there were more than 11,000 public water supplies, some serving more than one community.

TRAFFIC COMMISSION RULINGS.

Scotia Street.

From Dalton street to St. Cecilia street.

St. Cecilia Street.

From Belvidere street to Boylston street.

PROCEEDINGS OF SCHOOL COMMITTEE.

Apr. 6, 1936

A regular meeting of the School Committee of the City of Boston was held in the Administration Building, 15 Beacon Street, at 7:41 o'clock P. M., the Chairman presiding.

Present: Messrs. Lyons, Mackey, Smith, Sullivan, and Tobin.

APPROVAL AND AMENDMENT OF MINUTES

The reading of the minutes of the previous meeting was omitted, the Committee approving them as printed.

On motion, the minutes of Mar. 4, 1936, were amended on page 39 to provide that the leave of absence granted to Rose M. Connelly, assistant, elementary, Edmund P. Tileston District, for Feb. 14, 1936, one day, court summons, shall read "without pay."

APPROVAL OF APPOINTMENTS

The Chairman stated the question was on approving the appointments of teachers as reported by the Superintendent and laid over at the previous meeting.

The appointments were approved.

ELECTION OF SUPERINTENDENT

The Chairman stated that the term of office of Superintendent of Public Schools Patrick T. Campbell expires Aug. 31, 1936. The rules of the School Committee provide for the election of a Superintendent during the month of April. This being the first meeting in April the election of a Superintendent of Schools for the term of six years beginning Sept. 1, 1936, is therefore in order. Under the rules the election will be by a voice vote, each member as his name is called stating his choice.

The Committee then proceeded to the election of a Superintendent of Schools for the term of six years, beginning Sept. 1, 1936.

The members as their names were called respectively voted as follows:

For PATRICK T. CAMPBELL—Messrs. Lyons, Mackey, Smith, Sullivan and Tobin—5.

The Chair declared Patrick T. Campbell re-elected Superintendent of Schools for a six-year term beginning September 1, 1936, by unanimous vote.

The Superintendent came in to the meeting.

Chairman: Dr. Campbell, may I offer my congratulations? The Committee by unanimous vote has re-elected you Superintendent of Schools for a six-year term.

Superintendent: Mr. Chairman, may I express publicly my appreciation of the action of the School Committee in this re-election, placing the seal of approval upon the work of the last five years,—years that have been difficult for them and perhaps not rendered any

more easy by me. I wish to say that whatever I have accomplished is far less than my desire. I would like to express publicly my appreciation also of the very friendly and generous attitude of all the members of the School Committee toward me personally in many trying situations.

Mr. Tobin: Mr. Chairman, no official act of mine during my service on the School Committee has given me greater pleasure than the casting of my ballot for the re-election of Dr. Patrick T. Campbell as Superintendent of Public Schools in Boston.

Dr. Campbell has demonstrated in the carrying out of his duties unusual executive ability and qualities of leadership that have secured for him the wholehearted co-operation and support of the entire school employee personnel. Under his direction, five thousand employees have been working toward one goal—the turning out of the best mentally developed student body in the country. That they have succeeded in this under his direction is best demonstrated by the outstanding record made by our graduates in the College Board examinations in competition with the public and private schools of the entire country.

Mr. Smith: Mr. Chairman, Dr. Campbell, I have been a member of the Committee for only three months but during that short period I have had ample opportunity of witnessing you, Dr. Campbell, handling your very difficult position in a most admirable way. It has been a pleasure to serve with you and I am very happy to cast my ballot for your re-election. I congratulate you.

Dr. Mackey: Mr. Chairman, it is a pleasure to cast my vote for Dr. Campbell. For the past four and a half years it has been my privilege to be a member of this Committee, and on numerous occasions the assistance and the service that Dr. Campbell has rendered to me, and through me to the children of Boston, not only from a health standpoint but from a safety standpoint and an educational standpoint as well, have been of great value. It therefore is pleasing to me to have the opportunity to cast my vote for such an able and capable Superintendent.

Dr. Lyons: I offer you, Dr. Campbell, my hearty congratulations.

ELECTION OF ASSISTANT SUPERINTENDENT

The Chairman stated that the term of office of Assistant Superintendent Michael J. Downey expires Aug. 31, 1936. The election of an Assistant Superintendent for the term of six years beginning Sept. 1, 1936, is therefore in order.

The Committee proceeded to the election of an Assistant Superintendent of Schools for the term of six years, beginning Sept. 1, 1936.

The members as their names were called respectively voted as follows:

For MICHAEL J. DOWNEY—Messrs. Lyons, Mackey, Smith, Sullivan, and Tobin—5.

The Chair declared Michael J. Downey duly elected Assistant Superintendent for the term specified by unanimous vote.

ACCEPTANCE OF NEW SCHOOL BUILDING

A communication was received from the Superintendent of Construction, under date of Mar. 18, 1936, reporting that he has accepted finally, as of Jan. 23, 1936, the Patrick F. Gavin School in South Boston.

Placed on file.

DEATHS

The Superintendent reported the death of the following-named teacher:

Bennett District—Nettie L. Ballou, assistant, elementary, Mar. 19, 1936.

Placed on file.

The Superintendent reported the death of the following-named teacher who had been retired on pension:

Department of Household Science and Arts—Susan M. Cousens, Mar. 5, 1936.

Placed on file.

TERMINATION OF SERVICES

A communication was received from the Superintendent, under date of Apr. 6, 1936, reporting that subject to the approval of the School Committee, he has terminated the services of John R. O'Brien, assistant, intermediate, Lewis Intermediate District, to take effect Mar. 31, 1936. Mr. O'Brien has been absent on leave because of ill-health and there is apparently no likelihood of his immediate return to teaching.

Placed on file and the termination of service approved.

RETIREMENTS ON PENSION

A communication was received from the Superintendent, under date of Apr. 6, 1936, reporting that in accordance with the provisions of Section 9 of Chapter 521 of the Acts of 1922 and the order passed Feb. 6, 1933 (see p. 19), he has made application for the retirement of Charles E. Simpson, junior master, East Boston High School, because of ordinary disability.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 6, 1936, reporting the retirement from active service of the following-named member of the Boston Retirement System, as certified by the Boston Retirement Board under date of Mar. 16, 1936: East Boston High School—Charles E. Simpson, junior master, Mar. 31, 1936.

Placed on file.

The Superintendent offered the following:

ORDERED: That the following-named teachers are hereby retired on pension in accordance with the provisions of Chapter 589 of the Acts of 1908, as amended by Chapter 617 of the Acts of 1910, Chapter 569 of the Acts of 1912, and Chapter 304 of the Special Acts of 1915,

the dates of retirement and rates of pension to be as hereinafter specified:

Charles Sumner District—Marion L. Weston, first assistant, kindergarten, Apr. 30, 1936, \$600.

Dearborn District—Annie L. Coffey, assistant, elementary, Mar. 5, 1936, \$600.

John Marshall District—Anne E. Flanagan, assistant, elementary, Dec. 31, 1935, \$600.

Passed, the five members voting in the affirmative.

APPOINTMENTS

The following appointments, certified by the Superintendent as being in accordance with the rules and regulations, to take effect on the date stated, were presented:

(BY PROMOTION)

(Principal)

High School in West Roxbury—Ambrose B. Warren, head master (from master, head of department, Dorchester High School for Boys), April 27, 1936.

Laid over.

Lewis Intermediate District—John R. O'Brien, assistant, intermediate, Jan. 1 to Mar. 31, without pay.

Quincy District—Louise H. Reardon, assistant, elementary, Mar. 16 to June 30, 1936, without pay.

Department of School Hygiene—David E. Hanlon, M. D., school physician, Feb. 4 to Apr. 2, 1936, without pay.

On the report of the Superintendent, leave of absence was granted the following-named school nurses for the term specified on account of accident which occurred in the performance of duty:

Department of School Hygiene—Anna E. Donovan, school nurse, Feb. 5 to Mar. 7, 1936, inclusive without loss of pay.

DESIGNATIONS

A communication was received from the Superintendent, under date of Apr. 6, 1936, reporting that he has made the following designations of teachers to serve in the positions indicated until such time as they shall be filled otherwise in accordance with the rules and regulations but not beyond Aug. 31, 1936:

Girls' Latin School—Eva Z. Prichard, assistant, as acting first assistant, head of department (vice Helen A. Stuart, absent on leave), Feb. 4, 1936.

Agassiz District—Josephine M. Friery, assistant, elementary, as acting master's assistant (vice Alice Greene, absent on leave), Mar. 2, 1936.

John Winthrop District—Francis J. Driscoll, sub-master, as acting master (vice Vincent A. Keenan, absent on leave), Mar. 16, 1936.

Samuel Adams District—Helen M. MacDonald, assistant, elementary, as acting master's assistant (vice Annie A. Doran, absent on leave), Mar. 12, 1936; Grace E. Parlon, assistant, kindergarten, as acting first assistant, kindergarten (vice Mary R. Crane, absent on leave), Jan. 20, 1936; Irene O. Mulrey, assistant, kindergarten, as acting first assistant, kindergarten (vice Mary R. Crane, absent on leave), Mar. 18, 1936.

Wells District—Frances W. Weeks, assistant, elementary, as acting master (vice Anna A. Maguire, absent on leave), Feb. 24, 1936.

William Lloyd Garrison District—Beatrice Dvinsky, assistant, kin-

dergarten, as acting first assistant, kindergarten (vice Margaret M. Brine, absent on leave), Jan. 21, 1936.

Placed on file.

A communication was received from the Superintendent, under date of Apr. 6, 1936, reporting that he has made the following designation of a school physician to serve in the position indicated until such time as it shall be filled otherwise in accordance with the rules and regulations but not beyond Aug. 31, 1936:

Department of School Hygiene—Paul W. Carrigan, M. D., school physician, as acting supervising school physician (vice Simon F. Curran, M. D., absent on leave), Mar. 2, 1936.

Placed on file.

ANNUAL COMPETITIVE DRILLS AND PARADE

On motion of the Superintendent, it was

ORDERED, That the annual competitive drills and annual street parade of the Boston School Cadets to take place this year be as follows:

High School of Commerce—at 101st Infantry Armory, Wednesday, April 15, 1936.

English High School—at 101st Infantry Armory, Friday, April 17, 1936.

Dorchester High School for Boys—at the school—Wednesday, April 29, 1936.

East Boston High School—at the school—Wednesday, Thursday and Friday, April 29, 30, May 1, 1936.

Public Latin School—at the school—Friday, May 1, 1936.

Roxbury Memorial High School (Boys)—at 101st Infantry Armory, Friday, May 1, 1936.

Brighton High School—at the school—Friday, May 1, 1936.

Hyde Park High School—at Stony Brook Reservation, Tuesday, May 5, 1936.

Charlestown High School—at Charlestown Armory, Wednesday, May 6, 1936.

Jamaica Plain High School—at John W. Murphy, Jr., Playground, Wednesday, May 6, 1936.

South Boston High School—at 101st Infantry Armory, Friday, May 8, 1936.

Boston Trade School—at 101st Infantry Armory, Wednesday, May 13, 1936.

Mechanic Arts High School—at 101st Infantry Armory, Friday, May 22, 1936.

Bigelow, Donald McKay, Frank V. Thompson, Grover Cleveland, John Winthrop, Mary E. Curley, Michelangelo, Solomon Lewenberg, Theodore Roosevelt, Washington, William Barton Rogers and Woodrow Wilson Intermediate Schools—at 101st Infantry Armory, Monday, May 4, 1936.

Abraham Lincoln, Clarence R. Edwards, Joseph H. Barnes, Lewis, Oliver Wendell Holmes, Robert Gould Shaw, Thomas A. Edison, Thomas N. Hart, Washington Irving and William Howard Taft Intermediate Schools—at 101st Infantry Armory, Thursday, May 7, 1936.

Annual Street Parade—Monday, June 8, 1936.

Superintendent: Mr. Chairman, may I explain the change of date for the Parade? Ordinarily the Parade would occur on the first Friday of June, which this year would be the fifth of June, but that date conflicts with neighboring college entrance examinations and the Committee, to avoid that conflict, authorized the Superintendent to transfer the Parade to the following Monday, June 8.

PAYMENT OF PENSION DUE AT DEATH

On motion of the Superintendent, it was

ORDERED, That the amount due Susan M. Cousens, deceased pensioned teacher of sewing in the Department of Household Science and Arts, be paid to her son, Franklin L. Cousens.

PRINTING OF SCHOOL DOCUMENT

On motion of the Superintendent, it was

ORDERED, That the reprinting of Board of Superintendents' Circular No. 15, 1932-33, "Courses of Study in Latin and Greek, Grades VII to XII," is hereby authorized; six hundred (600) copies to be printed.

AUTHORIZED LIST OF TEXT BOOKS

The Superintendent offered the following:

ORDERED, That the revised editions of the following-named text books are hereby authorized for use as indicated to take the place of the old editions of the same:

ENGLISH

Avery, Fannie L. Prose and Poetry. Fourth Year. The L. W. Singer Company. cpt. 1935. Grade IV...net .72 f.o.b. N. Y.

Lapolla, Garibaldi M. and Wright, Kenneth W. Better High School English. Noble and Noble, Publishers, Inc. cpt. 1936. Grade X net .68 f.o.b. N. Y. C.

Laid over.

APPROPRIATIONS AND EXPENDITURES TO APR. 1, 1936

A communication was received from the Business Manager, under date of Mar. 31, 1936, submitting, pending the adoption of the maintenance budget, a statement showing the expenditures for maintenance of the public schools for the first three drafts of the current financial year, the expenditures

for the first three drafts of the financial year 1935 and the increases and decreases in the several items.

Placed on file.

LEAVES OF ABSENCE TO CUSTODIANS

A communication was received from the Schoolhouse Custodian, under date of Apr. 6, 1936, recommending that the following-named custodians be granted leaves of absence on one-half net compensation for the terms specified because of personal illness:

Frank Christie, custodian, Florence Nightingale School-house, Mar. 9 to 17, 1936

Robert W. Green, custodian, Martha A. Baker School-house, Mar. 15 to May 14, 1936

Francis L. McDonough, custodian, Charles H. Taylor School-house, Mar. 16 to 19, 1936

Placed on file and leaves of absence on one-half net compensation granted for the periods specified.

TRANSFERS OF CUSTODIAN

A communication was received from the Schoolhouse Custodian, under date of Apr. 6, 1936, recommending that the transfer of Walter D. Crawford from the Samuel Dexter to the B. F. Tweed Schoolhouse, approved at the meeting of Mar. 4, 1936, be rescinded.

Placed on file and the action approving the transfer rescinded.

A communication was received from the Schoolhouse Custodian, under date of Apr. 6, 1936, recommending that the following-named custodians, who stand at the head of their respective lists, be appointed as indicated to take effect on the dates specified:

Alexander W. Dickie, from the Bowdoin to the Jefferson School-house, Apr. 12, 1936.

Henry J. Fitzgerald, from the Eliot to the Martin School-house, Apr. 12, 1936.

Francis P. Linnehan, from the Grover Cleveland School-house to the Dorchester High School for Boys and Portables Nos. 2, 129, 149, and 203, Apr. 5, 1936.

Placed on file and the transfers approved to take effect on the dates stated.

AMENDMENT TO SCHEDULE OF EXTRA COMPENSATION FOR CUSTODIAN SERVICE

A communication was received from the Schoolhouse Custodian, under date of Apr. 6, 1936, recommending that the Schedule of Extra Compensation for Custodian Service—School Document No. 8, 1929—be amended in accordance with an accompanying order.

Placed on file.

On motion, it was

ORDERED, That the Schedule of Extra Compensation for Custodian Service—School Document No. 8, 1929—is hereby amended by inserting the following rates when the school is being used for ex-

tended use or other purposes, to take effect Feb. 1, 1936:

SCHOOL	Section 1		Section 2	
	Sun., Mon., Tues., Thurs. and Sat.	Wednesday	Ass'ts. Authorized	Sun., Mon., Tues., Thurs. and Sat.
Patrick F. Gavin				
As ssembly hall	\$.02	\$0.34	2	\$0.68
Gymnasium, bath and locker rooms	1.38	.46		.92
Lunchroom	1.32	.44		.88

REPORT ON AUDIT OF BOOKS AND ACCOUNTS

A communication was received from Charles E. Di Pesa and Company, under date of Mar. 16, 1936, submitting report of the audit of the books and accounts of the Business Manager, the Secretary, and the Treasurer of the Charlestown Free School Fund for the quarterly period ending Dec. 31, 1935.

Placed on file.

A communication was received from Charles E. Di Pesa and Company, under date of Mar. 30, 1936, submitting report of the audit of the books and accounts of the principals of the Continuation School, the Boston Trade School, the Trade School for Girls, and the High School of Practical Arts; and of the coordinators of the Brighton High School, the Dorchester High School for Boys, the Hyde Park High School, the Roxbury Memorial High School (Boys), and the South Boston High School; for the quarterly period ending Dec. 31, 1935.

Placed on file.

UNFINISHED BUSINESS

The order laid over at the meeting of Mar. 16, 1936 (see p. 47), amending Section 430, paragraph 1 of the regulations relative to school savings systems, was taken up and passed.

The four orders laid over at the meeting of Mar. 16, 1936 (see pp. 47-48), authorizing revised editions of certain text books, were taken up and passed collectively and unanimously.

The Committee adjourned.

Attest:

ELLEN M. CRONIN,
Secretary.

EAST BOSTON PARK'S NAME CHANGED TO HONOR CITIZEN OF DISTRICT.

At a meeting of the Board of Park Commissioners held on April 9 it was voted that the public park in East Boston known as Belmont Park, be, and hereby is, renamed Michael J. Brophy Park in honor and appreciation of the public services of the late Michael J. Brophy, a distinguished citizen of the district.

His Honor the Mayor, on April 11, approved this action by the Board of Park Commissioners.

LAND-TAKING IN BRIGHTON.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the laying out and construction of Madeline street, Brighton district, as a highway, from Faneuil street to Harriet street, bounded and described as follows:

A highway named Madeline street is hereby laid out, from Faneuil street to Harriet street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northwesterly by Faneuil street, forty and 33-100 feet on a curve of ten hundred and sixty-five feet radius; northeasterly by the northeasterly line of said Madeline street as hereby laid out, by two measurements, four hundred ninety-nine and 40-100 feet and one hundred ninety-four and 50-100 feet on a curve of two hundred forty and 4-100 feet radius; southerly by Harriet street, forty and 8-100 feet; and southwesterly by the southwesterly line of said Madeline street as hereby laid out, by two measurements, one hundred fifty-nine and 76-100 feet on a curve of two hundred and 4-100 feet radius and four hundred ninety-four and 23-100 feet.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Madeline street, Brighton district, as a highway, from Faneuil street to Harriet street, under the order of the Board of April 6, 1936, and awards no damages therefor.

AMENDED DAMAGES.

The Mayor has approved the following votes of the Board of Street Commissioners:

Voted, That the order of the Street Commissioners and Mayor of September 11, 1934, as amended October 27, 1935, determining damages caused by the making of the public improvement consisting of the laying out and construction of Goodway road, be, and the same hereby is, amended, by adding to said order the amount \$750 as an award to John S. Goodway; that the amount \$750 be, and the same hereby is, awarded to John S. Goodway for the damages so sustained.

Voted, That the order of the Street Commissioners and Mayor of May 13, 1935, determining that no person sustains damages by the making of the public improvement, consisting of the laying out and construction of Payson avenue, be, and the same hereby is, amended, by striking out in the first and second lines of said order the words: "that no person sustains in his estate," and by striking out in the last line of said order the word: "no." That said order be further amended by adding thereto Lucie J. MacDonald, \$55. That the amount \$55 be, and the same hereby is, awarded to Lucie J. MacDonald for the damages sustained by the making of the said improvement.

HISTORICAL DATA ABOUT WARDS.

The term "ward" first appears in a fire-protection order, approved by the Town on August 29, 1679, dividing the Town into 4 quarters with 2 wards each. The 8 wards had previously been military districts.

On August 11, 1713, the Selectmen "agreed upon a distribution of the Town into distinct Wards or Precincts."

On February 1, 1715, it was "voted to make a new division of the Town into eight distinct Wards."

On March 9, 1735, it was voted to divide the Town into 12 wards to facilitate the work of the Overseers of the Poor.

On March 13, 1822, the Selectmen divided the Town into 12 wards on the basis of the U. S. Census of 1820.

By an ordinance which took effect on the second Monday of December, 1838, there was a revision of the wards.

On April 29, 1850, the City Council accepted Chap. 167 of the Acts of 1850, which altered the wards on the basis of legal voters rather than on the number of inhabitants.

By ordinance taking effect on November 15, 1865 new ward lines were established.

In the annexation period, 1865-1875, the number of wards was increased from twelve to twenty-one.

By Chap. 243, Acts 1875, the City Council was ordered to cause a new division of the City into twenty-four wards in the year 1875 in such manner as to include an equal number of voters in each ward. This division was made, taking effect on December 13, 1875. On May 27, 1876, the City Council, in accordance with Chap. 242, Acts of 1876, divided one of the wards in two, making a total of 25 wards for the City.

By ordinance passed April 20, 1895, under authority of Chap. 437, Acts of 1888, and Section 96 of Chap. 417, Acts of 1893, ward lines were established on the basis of the number of voters registered at the City election of 1894, there still being 25 wards.

The annexation of Hyde Park, effective January 1, 1912, made an additional ward.

By enactment of December 28, 1914, under authority of Chap. 630, Acts of 1914, the City Council redivided the City into 26 wards.

The latest redivision, established December 30, 1924, under authority of Chap. 410, Acts of 1924, consists of 22 wards.

RECREATION, ADEQUATE AS TO KIND AND AVAILABILITY.

Although the ratio of park acreage to population has been used as the simplest measure of the extent to which cities provide areas for the recreation of their people, it is by no means an accurate basis for determining this. If most of the total acreage is in one large park, if the parks are poorly distributed, or if they do not provide various types of recreation facilities, the park system may be inefficient even though the acreage is large. The efficiently planned park and recreation system will involve balanced relationship and well-distributed location of several types of properties, namely, children's playgrounds, neighborhood playfield parks, neighborhood parks, reservations, boulevards, and parkways.

(Bureau of Labor Statistics, Publication No. 462.)

URBAN POPULATION, APRIL 1, 1930.

As defined by the Census Bureau, the urban population is, in general, that residing in cities and other incorporated places having 2,500 inhabitants or more, the remainder being classified as rural.

The total urban population of the UNITED STATES is 68,954,823 (34,154,760 males and 34,800,063 females), of whom 62,836,605 (31,162,570 males and 31,674,035 females) are white; of these whites 52,109,746 (25,520,483 males and 26,589,263 females) are native; 33,497,232 (16,515,816 males and 16,981,416 females) of these latter are of native parentage and 18,612,514 (9,004,667 males and 9,607,847 females) are of foreign or mixed parentage; there are 10,726,859 (5,642,087 males and 5,084,772 females) foreign-born white; there are 5,193,913 (2,479,158 males and 2,714,755 females) Negroes; other races, 924,305 (513,032 males and 411,273 females).

The urban population is 56.2 per cent of the total population of the country; native white, 54.6 per cent and foreign-born white, 80.3 per cent; Negroes, 43.7 per cent.

The total urban population of New England is 6,311,976 or 77.3 per cent of the total population of New England. Of the 4,660,339 native white, 2,089,031 are of native parentage and 2,571,308 are of foreign or mixed parentage; foreign-born whites number 1,564,769; Negro, 81,443; other races, 5,425.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

FURNISHING AND INSTALLING FURNITURE AND EQUIPMENT IN THE INTERMEDIATE SCHOOL IN THE WASHINGTON IRVING DISTRICT, CUMMINS HIGHWAY, HAWTHORNE AND SYCAMORE STREETS, WEST ROXBURY DISTRICT, FOR THE DEPARTMENT OF SCHOOL BUILDINGS, CITY OF BOSTON, MASSACHUSETTS. NATIONAL INDUSTRIAL RECOVERY PROJECT, P. W. A., DOCKET NO. 4217 R.

SPECIAL NOTICE TO FURNITURE AND EQUIPMENT CONTRACTORS.

Contractors are hereby notified that the opening of sealed proposals for furnishing and installing the furniture and equipment for the Intermediate School in the Washington Irving District, West Roxbury, Mass., is hereby deferred and the day for opening of bids is extended to 2 o'clock p. m. of Tuesday, April 21, 1936, and all of the terms and conditions contained in the notice of April 4, 1936, shall apply to this notice.

WM. W. DRUMMEY,
(April 18.) Superintendent of Construction.

POPULATION OF COUNTIES, 1930.

(1) Middlesex (11 cities and 43 towns), 934,924 or 156,572 over 1920; (2) Suffolk (3 cities and 1 town), 879,536 or 44,014 over 1920; (3) Essex (8 cities and 26 towns), 498,040 or 15,884 over 1920; (4) Worcester (4 cities and 57 towns), 491,242 or 36,107 over 1920; (5) Bristol (4 cities and 16 towns), 364,590 or 5,585 over 1920; (6) Hampden (4 cities and 19 towns), 335,496 or 35,191 over 1920; (7) Norfolk (1 city and 27 towns), 299,426 or 80,345 over 1920; (8) Plymouth (1 city and 26 towns), 162,311 or 5,343 over 1920; (9) Berkshire (2 cities and 30 towns), 120,700 or 7,667 over 1920; (10) Hampshire (1 city and 22 towns), 72,801 or 3,202 over 1920; (11) Franklin (26 towns), 49,612 or 251 over 1920; (12) Barnstable (15 towns), 32,305 or 5,635 over 1920; (13) Dukes (7 towns), 4,953 or 581 over 1920; (14) Nantucket (1 town), 3,678 or 881 over 1920. Total for the 14 counties (39 cities and 316 towns), 4,249,614 or 397,258 (i. e., 10.3 per cent) over 1920. Of said total, 2,940,335 (i. e., 69.19 per cent) were in the cities and 1,309,279 (i. e., 30.81 per cent) in the towns. The four counties, Suffolk, Middlesex, Essex and Bristol, contain 63.00 per cent of the State's inhabitants.

If the municipalities having a population of 5,000 or over are properly called urban, then the percentage of urban population in the entire State reaches the notable figure of 90.71, while the rural shows but 9.29 per cent.

POPULATION OF NEW ENGLAND, 1930.

Total population, 8,166,341 (4,024,657 males and 4,141,684 females); total white, 8,065,113 (3,972,465 males and 4,092,648 females); total native white, 6,230,803 (3,067,723 males and 3,163,080 females); native white of native parentage, 3,167,082 (1,572,885 males and 1,594,197 females); native white of foreign or mixed parentage, 3,063,721 (1,494,838 males and 1,568,883 females); foreign-born white, 1,834,310 (904,742 males and 929,568 females); Negro, 94,086 (46,963 males and 47,123 females); Indian, 2,466 (1,273 males and 1,193 females); Chinese, 3,794 (3,233 males and 561 females); Japanese, 352 (277 males and 75 females); Mexican, 107 (69 males and 38 females); all other races, 423 (377 males and 46 females).

CITY OF BOSTON.

POLICE DEPARTMENT.

PROPOSALS FOR AUTOMOBILES.

The Police Department for the City of Boston invites proposals for furnishing and delivering automobiles. The bidder must use the form of proposal to be obtained at the office of the Property Clerk, Room 105, 154 Berkeley street, Boston, Mass., and deposit with his bid, at the office of the Police Commissioner, a properly certified check for \$500, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, April 24, 1936, at 12 o'clock noon, at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any or all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department for the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated contract amount.

EUGENE M. MCSWEENEY,
(April 18.) Police Commissioner.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR REPAIRING THE CHELSEA BRIDGE, NORTH, DRAW OVER THE MYSTIC RIVER.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairing the Chelsea Bridge, North, draw and giving bond therefor of a surety company approved by the Commissioner in the sum of 100 per cent of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Bid for Repairing the Chelsea Bridge, North, Draw," and left at Room 508, fifth floor, City Hall Annex, before 12 o'clock m. on Monday, April 27, 1936, with a certified check for two hundred (200) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. There will be a charge of two dollars (\$2) for each set of plans and specifications taken out. If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the bid containing such price. The undersigned reserves the right to reject any or all proposals or to accept any proposal should he deem it to be for the best interest of the city so to do.

C. J. CARVEN,
(April 18.) Commissioner of Public Works.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING KEROSENE.

The Supply Department of the City of Boston, invites proposals for furnishing to the various city departments kerosene, according to specifications, a copy of which may be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. There will be a charge of twenty cents (\$0.20) for each blank proposal taken out. The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The bid with a certified check for \$200, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before Thursday, April 30, 1936, at 12 m., at which time and place the bids will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(April 18.) Superintendent of Supplies.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective April 26, 1936:

Section 8, Part 2, is amended by adding the following:

Harvard Street, Downtown Boston.
South side, from Harrison avenue to Washington street, 7 a. m. to 6 p. m.

Less 1935 Loan paid off.....	2,500,000 00
Net outstanding obligations.....	\$19,000,000 00

** Under the provisions of chapter 49, Acts of 1933, this amount will be liquidated by monthly payments to the Treasurer of the Commonwealth, of receipts from Tax Titles pledged to the redemption of the Loan.

*** Amount of original note was \$3,800,000.

MASSACHUSETTS BAY COLONY.

The first chartered colony in New England, charter granted by Charles I on March 4, 1629. About a year before, a patent had been granted to six prominent men of Dorchester, west of England, among whom was Capt. John Endicott. He sailed in June, 1628, with a party of fifty or sixty persons, arriving in September and settling at Naumkeag, afterward named Salem. In the spring of 1629, the Bay Company fitted out three ships conveying about four hundred persons and arriving at Salem in June. Endicott sent a small party to effect a settlement on the Bay in Mishawum, afterward named by the settlers Charlestown, the first town in New England to assume the town polity, Plymouth and Salem being governed by a governor and council. Endicott was appointed in London as the first resident governor on April 30, 1629. The Massachusetts Bay Company was reorganized in London on October 20, 1629, when John Winthrop was chosen as governor. He arrived at Salem on June 12, 1630, soon proceeded to Charlestown with a large following and finding that place unsuitable, finally settled in Boston. Winthrop served thirteen years as governor in four different periods ending in 1640 and Endicott fifteen years at various times ending in 1665. Other governors were Thomas Dudley, Richard Bellingham, John Haynes, Henry Vane, John Leverett and Simon Bradstreet, the latter serving twelve years until 1692 when the Bay Colony and the Plymouth Colony were merged, becoming the Royal Province of Massachusetts Bay, which existed eighty-two years to 1774, the governors being appointed by the King.

The name, Massachusetts, is Indian and signifies "near the big hills."

POPULATION OF CITIES OF OVER 300,000, 1930.

New York, 6,930,446, an increase of 1,310,398 or 23.3 per cent over 1920, divided thus: Brooklyn Borough, 2,560,401; Manhattan, 1,867,312; Bronx, 1,265,258; Queens, 1,079,129; Richmond, \$158,346. Other cities, with increase over 1920: Chicago, 3,376,438 (increase 674,733 or 25.0 per cent); Philadelphia, 1,950,961 (increase 127,182 or 7.0 per cent); Detroit, 1,568,662 (inc. 574,984 or 57.9 per cent); Los Angeles, 1,238,048 (inc. 661,375 or 114.7 per cent); Cleveland, 900,429 (inc. 103,588 or 13.0 per cent); St. Louis, 821,960 (inc. 49,063 or 6.3 per cent); Baltimore, 804,874 (inc. 71,048 or 9.7 per cent); Boston, 781,188 (inc. 33,128 or 4.4 per cent); Pittsburgh, 669,817 (inc. 81,474 or 13.8 per cent); San Francisco, 634,394 (inc. 127,718 or 25.2 per cent); Milwaukee, 578,249 (inc. 121,102 or 26.5 per cent); Buffalo, 573,076 (inc. 66,301 or 13.1 per cent); Washington, 486,869 (inc. 49,298 or 11.3 per cent); Minneapolis, 464,356 (inc. 83,774 or 22.0 per cent); New Orleans, 458,762 (inc. 71,543 or 18.5 per cent); Cincinnati, 451,160 (inc. 49,913 or 12.4 per cent); Newark, 442,337 (inc. 27,813 or 6.7 per cent); Kansas City, Mo., 399,746 (inc. 75,336 or 23.2 per cent); Seattle, 365,583 (inc. 50,271 or 15.9 per cent); Indianapolis, 364,161 (inc. 49,967 or 15.9 per cent); Rochester, N. Y., 328,132 (inc. 32,382 or 10.9 per cent); Jersey City, 316,715 (inc. 18,612 or 6.2 per cent); Louisville, 307,745 (inc. 72,854 or 31.0 per cent); Portland, Oregon, 301,815 (inc. 43,527 or 16.9 per cent).

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, APRIL 25, 1936.

No. 17

MAYOR MANSFIELD, THROUGH CITY TREASURER JOHN H. DORSEY, HAS RECEIVED MANY MESSAGES OF THANKS AS EVIDENCE OF GRATITUDE ON PART OF CHARITABLE ORGANIZATIONS FOR CONTRIBUTIONS MADE BY CITY AND COUNTY EMPLOYEES IN EMERGENCY CAMPAIGN OF 1935 — GIFTS IN TOTAL FROM EMPLOYEES AMOUNTED TO \$194,277.71 — MANY CONTRIBUTIONS SPECIFIED PARTICULAR INSTITUTIONS TO BE BENEFITED BY THEIR GIFTS.

Mayor Mansfield has made known, through the City Treasurer, John H. Dorsey, the facts concerning the contributions of the employees of the City of Boston to the Emergency Campaign of 1935. The facts are set forth in a letter from C. K. Neilson, executive manager of the drive to City Treasurer John H. Dorsey. This letter shows that the city and county employees contributed the sum of \$194,277.71. Mr. Neilson's letter to Treasurer Dorsey follows:

BOSTON, April 10, 1936.

MR. JOHN H. DORSEY, *City Treasurer*.

DEAR MR. DORSEY,—So that you may have the information, and in confirmation of our last conversation, I have outlined in this letter the facts involved in the receipt and distribution of the contribution of the city and county employees to the Emergency Campaign of 1935.

It is our understanding that the remittance of \$76,759.73, received on February 10, 1936, is the final payment. The total fully paid subscription, including the final payment, is \$194,277.71.

An analysis of the 8,724 individual employee pledge cards received from you shows the following:

1. Total designations to General Fund	\$74,691 18
2. Total designations to organizations participating in the 1935 Campaign	55,043 97
3. Total designations to organizations not participating in the 1935 Campaign	10,270 55
Total amount of contributions represented by the 8,724 employee pledge cards received by us	
4. Balance of payments made to us, covering which there were no pledge cards	\$140,005 70
4. Balance of payments made to us, covering which there were no pledge cards	54,272 01
Total subscription of the city and county employees	<u>\$194,277 71</u>

It is our understanding that we may expect to receive no more pledge cards covering the contribution of the city and county employees to the Emergency Campaign of 1935.

On this basis we are proceeding with the distribution of the funds as follows:

Where specific agencies have been designated by the employees (Items 2 and 3), payments to these organizations will include the amounts so designated, which will be reported to them as having been contributed by the city and county employees.

Funds represented by pledge cards showing designations for the General Fund (Item 1) and funds not covered by pledge cards (Item 4) will be placed in the General Fund and distributed to the participating organizations as are all other monies so received.

May I take this opportunity to express my sincere personal appreciation for the fine cooperation which both you and Mr. Dowling have shown in this entire matter.

Sincerely yours,

C. K. NEILSON,
Executive Manager.

Mayor Mansfield, through City Treasurer Dorsey, has also received letters of thanks from many of the institutions and organizations that have been recipients of their *pro rata* proportions of the Emergency Campaign Fund, where those sums were specified by employees donating to be applied to certain charitable organizations. In the drive it was specified that employees might name the organizations or institutions to be benefited by their gifts. The letters of several of these organizations, as received, were as follows:

ST. MARGARET'S RECTORY,
800 COLUMBIA ROAD, BOSTON 25, MASS.

April 18, 1936.

DEAR MR. DORSEY,—Please to accept my sincere thanks for the gift of ——— from yourself and the city and county employees through the Emergency Campaign of 1935. It will aid me in relieving some of the families suffering from poverty in this district.

Yours very sincerely,

WM. A. RYAN, *Pastor.*

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, APRIL 25, 1936.

No. 17

MAYOR MANSFIELD, THROUGH CITY TREASURER JOHN H. DORSEY, HAS RECEIVED MANY MESSAGES OF THANKS AS EVIDENCE OF GRATITUDE ON PART OF CHARITABLE ORGANIZATIONS FOR CONTRIBUTIONS MADE BY CITY AND COUNTY EMPLOYEES IN EMERGENCY CAMPAIGN OF 1935 — GIFTS IN TOTAL FROM EMPLOYEES AMOUNTED TO \$194,277.71 — MANY CONTRIBUTIONS SPECIFIED PARTICULAR INSTITUTIONS TO BE BENEFITED BY THEIR GIFTS.

Mayor Mansfield has made known, through the City Treasurer, John H. Dorsey, the facts concerning the contributions of the employees of the City of Boston to the Emergency Campaign of 1935. The facts are set forth in a letter from C. K. Neilson, executive manager of the drive to City Treasurer John H. Dorsey. This letter shows that the city and county employees contributed the sum of \$194,277.71. Mr. Neilson's letter to Treasurer Dorsey follows:

BOSTON, April 10, 1936.

MR. JOHN H. DORSEY, *City Treasurer.*

DEAR MR. DORSEY,—So that you may have the information, and in confirmation of our last conversation, I have outlined in this letter the facts involved in the receipt and distribution of the contribution of the city and county employees to the Emergency Campaign of 1935.

It is our understanding that the remittance of \$76,759.73, received on February 10, 1936, is the final payment. The total fully paid subscription, including the final payment, is \$194,277.71.

An analysis of the 8,724 individual employee pledge cards received from you shows the following:

1. Total designations to General Fund	\$74,691 18
2. Total designations to organizations participating in the 1935 Campaign	55,043 97
3. Total designations to organizations not participating in the 1935 Campaign	10,270 55
Total amount of contributions represented by the 8,724 employee pledge cards received by us	
4. Balance of payments made to us, covering which there were no pledge cards	\$140,005 70
	54,272 01
Total subscription of the city and county employees	<u>\$194,277 71</u>

It is our understanding that we may expect to receive no more pledge cards covering the contribution of the city and county employees to the Emergency Campaign of 1935.

On this basis we are proceeding with the distribution of the funds as follows:

Where specific agencies have been designated by the employees (Items 2 and 3), payments to these organizations will include the amounts so designated, which will be reported to them as having been contributed by the city and county employees.

Funds represented by pledge cards showing designations for the General Fund (Item 1) and funds not covered by pledge cards (Item 4) will be placed in the General Fund and distributed to the participating organizations as are all other monies so received.

May I take this opportunity to express my sincere personal appreciation for the fine cooperation which both you and Mr. Dowling have shown in this entire matter.

Sincerely yours,

C. K. NEILSON,
Executive Manager.

Mayor Mansfield, through City Treasurer Dorsey, has also received letters of thanks from many of the institutions and organizations that have been recipients of their *pro rata* proportions of the Emergency Campaign Fund, where those sums were specified by employees donating to be applied to certain charitable organizations. In the drive it was specified that employees might name the organizations or institutions to be benefited by their gifts. The letters of several of these organizations, as received, were as follows:

ST. MARGARET'S RECTORY,
800 COLUMBIA ROAD, BOSTON 25, MASS.

April 18, 1936.

DEAR MR. DORSEY,—Please to accept my sincere thanks for the gift of ——— from yourself and the city and county employees through the Emergency Campaign of 1935. It will aid me in relieving some of the families suffering from poverty in this district.

Yours very sincerely,

WM. A. RYAN, *Pastor.*

(Continued on page 393.)

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, April 27, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

TO THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquis, bay windows, coal holes and vaults.

TO THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

TO THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

TO Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

TO THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

TO THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

TO THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

TO THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

TO THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

TO THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

TO THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

TO THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

Bids close Friday, May 8, at 12 m.

DEPARTMENT CHANGES.

The following changes in the number, rating and compensation of the city employees have been made during the week ending Thursday, April 23:

DEPARTMENT OF SCHOOL BUILDINGS.

Permission has been given to employ, for a period of ninety days, Joseph L. Quinn as an architectural draftsman at \$40 a week.

HEALTH DEPARTMENT.

The School Committee has approved the transfer of Dr. Philip E. A. Sheridan, from school physician, assigned to otological duties at \$1,800 a year, to medical inspector in charge of a Health Unit, full time, at \$4,000 a year.

PUBLIC WORKS DEPARTMENT.

Approval has been given to continue the temporary employment of John J. Callahan as plumber at \$6 a day, for three months from April 20, in Water Division.

SUPPLY DEPARTMENT.

Permission has been given to extend the provisional temporary appointment of the following-named typists at \$900 a year, for a period of three months, ending July 29:

Anna L. Barry, Dorothy Bellis, Ida A. Gurevich, Blanche Long Ratzkoff.

Also to extend the provisional temporary appointment of Lillian Giller, typist at \$900 a year, for a period of three months, ending July 31.

MAYOR MANSFIELD MAKES KNOWN FACTS CONCERNING EMPLOYMENT OF WILLIAM H. DEVIN.

With reference to the highly imaginative "G-man" story featured in the news of April 15 I present the following facts:

William H. Devin was appointed a clerk in the Disbursement Section of the Auditing Department on July 12, 1935. When he had absorbed the details of the new disbursement system he was assigned to serve as contact man between the Disbursement Section and the employees and clerks responsible for receiving materials and handling bills in the various departments.

In this capacity, by suggestion and advice, he has worked to improve departmental receiving, filing and reporting methods. He has endeavored to create rather than destroy, and not a semblance of espionage has been attached to his work. Through his efforts a splendid spirit of cooperation has been developed between the Auditing Department and other branches of the city service.

During 1935 the Auditing Department examined and approved invoices and vouchers representing the expenditures of approximately \$95,000,000. This volume of business clearly warrants, in my opinion, the employment in the Auditing Department of at least one employee to work in the field to expedite and improve departmental procedure and records.

It is difficult to imagine upon what ground the appointment of Devin can be criticized, since the only purpose in appointing him was to see that the city gets full value for its money which, in the natural course of municipal routine, is one of the functions of the auditor in whose department Devin is a clerk.

CONTRIBUTIONS TO EMERGENCY CAMPAIGN.

(Continued from page 389.)

DALY INDUSTRIAL SCHOOL,
111 TRAIN STREET, DORCHESTER, MASS.
April 18, 1936.

MR. JOHN H. DORSEY,
City Hall, Boston.

DEAR MR. DORSEY,—I wish to convey to you and to the other city and county employees my hearty thanks for the generous donation we received through the Emergency Campaign of 1935.

We pray for you all choicest blessings and success in all your undertakings.

Gratefully yours in Christ,

SISTER MARY EDWIN,
Superior.

BOSTON INDUSTRIAL HOME.
BOSTON, April 16, 1936.

MR. JOHN H. DORSEY, *Treasurer*,
21 City Hall, Boston, Mass.

DEAR MR. DORSEY,—We have just received a check from the Emergency Campaign of 1935 to the amount of ——— representing a contribution to the work of our Home from the city and county employees and which I assure you is far more deeply appreciated than any words of mine could possibly express.

We are not affiliated with that campaign or with the one recently conducted for 1936 and for that reason it is particularly gratifying when contributors to that effort designate our work in the allocation of their gifts.

This splendid gift was undoubtedly made some time last year, but as it was only received this morning we cannot be charged with what appears to be an unwarranted delay in its acknowledgment.

With a profound sense of gratitude to each one who had a part in this wonderful expression of interest in our work and for your kindly interest in the matter, believe me, to remain,

Gratefully yours,

OLIVER C. ELLIOT,
Superintendent.

HOME FOR DESTITUTE CATHOLIC CHILDREN.

BOSTON, April 17, 1936.

JOHN H. DORSEY, *City Treasurer*, City Hall, Boston.

MY DEAR MR. DORSEY,—I am in receipt of a check in the amount of ———, designated to our home by the city and county employees. I wish to thank you kindly for this check, and to assure you that in these times it will help considerably. The sisters and children will not forget your generosity.

Sincerely,

MICHAEL H. CORCORAN,
Treasurer.

HOUSE OF THE ANGEL GUARDIAN.
JAMAICA PLAIN, April 16, 1936.

MR. JOHN H. DORSEY,
City Hall, Boston.

MY DEAR MR. DORSEY,—We have just received from Mr. Nelson Tisdell, comptroller, 70 Federal street, ———, the contributions made in the Campaign of 1935, and designated in your care for the House of the Angel Guardian.

I want to thank you, Mr. Dorsey, and, through you, to thank the good friends who contributed to this fund, and to

assure you that your thought of the boys of the House of the Angel Guardian is keenly appreciated by the boys and their teachers.

Yours sincerely,
BROTHER CLEOPHAS.

HOUSE OF MERCY.
BOSTON, April 17, 1936.

MR. JOHN H. DORSEY,
City Hall, Boston.

DEAR MR. DORSEY,—I have today received as treasurer of the House of Mercy a check for ——— from the Emergency Campaign of 1935, covering a subscription received from the city and county employees. I wish to acknowledge most gratefully this contribution from the employees and wish to say, through you, that the House of Mercy appreciates their interest and support.

Yours very truly,

AUGUSTUS W. SOULE,
Treasurer, House of Mercy.

THE SALVATION ARMY.
BOSTON, April 21, 1936.

MR. JOHN H. DORSEY,
City Hall, Boston.

MY DEAR MR. DORSEY,—A few days ago we received a check from the Emergency Campaign of 1935, included in which was an item of ——— that had been received from the city and county employees and designated for the Salvation Army in Boston.

I understand that you had personal charge of this subscription from the City Hall employees and trust that you will be able to bring to them the thanks of this organization for their kind and helpful remembrance of us in this way.

Our grateful thanks also to yourself for your kind interest.

Sincerely yours,

JOSEPH ATKINSON,
Colonel.

FAULKNER HOSPITAL.
JAMAICA PLAIN, April 16, 1936.

MR. JOHN H. DORSEY,
City Hall, Boston.

DEAR MR. DORSEY,—Will you be kind enough to express to the city and county employees my thanks for their most generous contribution of ———, which was contributed to the Faulkner Hospital through the Emergency Campaign of 1935? I wish that I had the names and addresses of each employee who contributed to this fund, but I know that is asking too much of you, and, therefore, my only way of thanking them is through you.

Very sincerely yours,

INGERSOLL BOWDITCH,
Treasurer.

HOLY GHOST HOSPITAL.
CAMBRIDGE, April 16, 1936.

CITY AND COUNTY EMPLOYEES,
Care of Mr. John H. Dorsey, City Hall, Boston.

DEAR MR. DORSEY,—Through the kindness of the Emergency Campaign of 1935 we are today in receipt of their check for ——— representing contribution to our hospital from the city and county employees at City Hall, Boston, Mass.

We are very grateful for this remembrance of our work of charity and assure

each and every one of the good people who made this donation possible for a large share in our humble prayers.

With every kind wish, we remain,

Yours very respectfully,

SISTER A. R. SAUVÉ, *Secretary*,
Holy Ghost Hospital.

BOSTON TUBERCULOSIS ASSOCIATION.
BOSTON, April 16, 1936.

We have received this day from the city and county employees, in care of Mr. J. H. Dorsey, the sum of ——— for the work of the Boston Tuberculosis Association, sent to the Emergency Campaign of 1935 and designated for the Boston Tuberculosis Association.

We are very grateful for this donation.

GEORGE S. MUMFORD,
Treasurer.
M. C. ROOME.

THE VOLUNTEERS OF AMERICA, INC.
BOSTON, April 22, 1936.

MR. JOHN H. DORSEY,
City Treasurer.

DEAR MR. DORSEY,—We have received from the Comptroller of the Emergency Campaign the sum of ——— kindly contributed by your employees and designated for the Volunteers of America, Inc. This amount, contributed during the 1935 Campaign, has only just reached us, but is none the less appreciated.

Will you please express to the city and county employees our most grateful thanks for their substantial and valued help.

Very truly yours,

WALTER DUNCAN,
Colonel.

POLICE DEPARTMENT ORDERS.

General Order No. 171.

The following transfers are hereby ordered to take effect Friday, April 17, 1936, at 7.45 o'clock a. m.:

Sergt. John F. Dunleavy, from Division 10 to Division 13.

Sergt. Joseph Maraghy, from Division 10 to Division 15.

Sergt. Joseph J. Callahan, from Division 11 to Division 10.

Sergt. Edward A. Carey, from Division 13 to Division 10.

Sergt. William H. Owen, from Division 15 to Division 10.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 172.

The police officers hereinafter listed, having arrived at the age of sixty-five years and more, and having performed faithful service in the Police Department for the number of years respectively stated, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service and their names placed upon the department pension roll with pay at the rate in each case respectively set out, said sum being one half of the amount of compensation received by each in the office from which he is retired; effective Wednesday, April 22, 1936, at 5.45 o'clock p. m.

Lieutenants.

(Amount of pension, \$1,350 each per annum; payable monthly.)

John J. Coughlan, Bureau of Criminal Investigation; age, 66 9/12 years; length of service, 40 6/12 years.

John F. Lyons, Division 15; age, 67 1/12 years; length of service, 34 5/12 years.

Sergeants.

(Amount of pension, \$1,250 each per annum; payable monthly.)

Frederick N. Wheeler, Division 6; age, 67 9/12 years; length of service, 41 11/12 years.

Bartholomew Merchant, Division 14; age, 65 4/12 years; length of service, 37 5/12 years.

Joseph J. Maguire, detective-sergeant, Bureau of Criminal Investigation; age, 66 3/12 years; length of service, 33 1/12 years.

Patrolmen.

(Amount of pension, \$1,050 each per annum; payable monthly.)

Samuel C. Hutchins, Division 2; age, 66 8/12 years; length of service, 40 6/12 years.

Dennis L. Murphy, Division 9; age, 65 6/12 years; length of service, 39 9/12 years.

William Hazlett, Superintendent's Office; age, 66 2/12 years; length of service, 35 years.

John F. Kenny, Superintendent's Office; age, 66 6/12 years; length of service, 40 11/12 years.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 173.

The following transfers are hereby ordered to take effect Saturday, April 18, 1936, at 7.45 o'clock a. m.:

Patrolmen.

Richard F. Finn, from Division 14 to Division 6.

Elmer L. J. Hamlet, from Division 14 to Division 7.

John J. Sullivan, from Division 7 to Division 14.

John J. Sheridan, from Division 6 to Division 14.

William A. Fox, from Division 4 to Division 14.

John F. Burke, from Division 2 to Bureau of Criminal Investigation.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 174.

The resignation of Patrolman Daniel J. McCarthy of Division 6, having been presented while charges against him are pending, it is hereby accepted to take effect Saturday, April 18, 1936, at 7.45 o'clock a. m. Seven days' notice waived.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 175.

Capt. Thomas M. Towle of the Superintendent's Office, having arrived at the age of sixty-six and two twelfths years,

and having performed faithful service in the Police Department for thirty-eight and five twelfths years, it is hereby

Ordered, His Honor the Mayor having approved the same, that the said Capt. Thomas M. Towle be retired from active service and that his name be placed upon the department pension roll with pay at the rate of \$2,000 per annum (payable monthly), said sum being one half of the amount of compensation received by him in the office from which he is retired; to take effect at 5.45 o'clock p. m., Friday, May 8, 1936.

Captain Towle was appointed a reserveman in this department December 1, 1897, and advanced to the grade of patrolman September 19, 1900. His subsequent promotions were as follows:

Sergeant, December 2, 1915; inspector, March 22, 1919; change of designation to lieutenant-inspector, September 4, 1931; captain, December 12, 1934.

On June 2, 1914, Captain Towle, then a patrolman at Division 9, was transferred to the Bureau of Criminal Investigation, and for over twenty years thereafter performed duty at that Bureau, conscientiously and faithfully.

For many years as a member of the "Bank Squad," so called, of the Bureau of Criminal Investigation, he patrolled the financial district of this city. His knowledge of persons and faces, gained by daily contact and observation in that busy thoroughfare, was of valuable service to its business people and the public, who expect a measure of safety and security with police in their midst.

While the captain has served but a year and four months in his present grade, he has shown that he is possessed of the qualities fitting for the position.

The captain has performed in an able, efficient and honorable manner the many duties which have confronted him as commanding officer of Division 2, city proper.

To Captain Towle, in his retirement, the commissioner, in behalf of all, extends a wish for continued good health, and that he may experience his share of happiness for many years to come.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 176.

The following transfers are hereby ordered to take effect, Thursday, April 23, 1936, at 7.45 o'clock a. m.:

Sergt. Manuel J. Suzan, from Division 16 to Division 6.

Sergt. Eugene E. O'Meara, from Division 16 to Division 14.

Sergt. William H. Long, from Division 6 to Division 16.

Sergt. William J. Harrow, from Bureau of Criminal Investigation to Division 15.

Sergt. Francis I. Mullen, from Supervisor of Cases to Division 16.

Sergt. Joseph P. Leahy, from Division 15 to Division 2.

Patrolmen.

William G. Gallagher, from Division 16 to Division 9.

William A. Lindahl, from Division 16 to Division 9.

Joseph H. Curran, from Supervisor of Cases to Division 16.

Daniel A. Phillips, from Division 15 to Division 16.

Timothy A. Sullivan, from Superintendent's Office to Division 14.

Donald F. MacKinnon, from Division 4 to Superintendent's Office.

Roger H. Ward, from Superintendent's Office to Bureau of Traffic.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)

UNEMPLOYMENT COMPENSATION COMMISSION, JUNIOR EMPLOYMENT REGISTRAR, SENIOR EMPLOYMENT REGISTRAR, JUNE 13, 1936.

Last date for filing applications, Monday, June 1, 1936, at 5 p. m.

These examinations are open to both males and females.

Only one application need be filed for Junior and Senior Employment Registrar, but applicants should indicate what position or positions they wish to apply for. A separate application must be filed for the position of Employment Office Superintendent.

The entrance salary for Junior Employment Registrar is \$1,140 a year; the entrance salary for Senior Employment Registrar is \$1,680 a year.

Duties: Interview and registration of applicants for employment and evaluation of their occupational qualifications; receipt of orders for workers, with as complete specifications as possible; selection and referral of applicants to prospective employers; maintenance of the required records; furnishing reliable employment information to both applicants and employers; attendance at pertinent local meetings and talks before groups when desirable; visiting employers and their plants in order to inform employers about the service, and be informed as to the general and specific needs of employers.

Entrance Requirements, Junior Employment Registrar: Applicants must be not less than twenty-one years of age at the time of filing application.

Entrance Requirements, Senior Employment Registrar: Applicants must be not less than twenty-five years of age at the time of filing application.

A certificate of date of birth must be filed with the application *unless* one has been filed with a previous application.

Applicants for both positions must have five years' experience, one year of which shall have been in personnel, commercial or industrial work.

Subjects and Weights: Training and experience, 4; practical questions, 3; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

UNEMPLOYMENT COMPENSATION COMMISSION, EMPLOYMENT OFFICE SUPERINTENDENT, JUNE 13, 1936.

Last date for filing applications, Monday, June 1, 1936, at 5 p. m.

This examination is open to both males and females.

The entrance salary is \$2,280 a year; the maximum salary is \$2,820 a year.

Duties: The superintendent of a local office shall direct and supervise its employees and work and perform personally as much of this work as is necessary or

desirable. This includes the assignment of work and its supervision, maintenance of the record system and preparation of required reports.

Entrance Requirements: Applicants must be not less than twenty-five years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must have eight years of experience, four years of which shall have been in commercial, industrial or personnel work, of which at least two years shall have entailed supervisory responsibilities.

Subjects and Weights: Training and experience, 4; practical questions, 3; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

CITY LABORERS' PICNIC SATURDAY, JULY 25.

The Mayor has approved the following request of the Public Works Department Commissioner:

BOSTON, April 16, 1936.

To His Honor the Mayor.

It has been the custom for some years to allow the employees a day off, without loss of salary, to attend the picnics conducted by the labor unions. Last year a Saturday was designated, with the approval of your Honor.

This office has been asked to name a day upon which the picnic can be held this year and, subject to the approval of your Honor, I respectfully recommend that Saturday, July 25, be designated as picnic day.

Very respectfully,

C. J. CARVEN,
Commissioner of Public Works.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Belnel road, Hyde Park district, as a highway, from Poydras street to Osceola street, bounded and described as follows:

A highway named Belnel road is hereby laid out, from Poydras street to Osceola street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northerly by Poydras street, eighty-one and 85-100 feet on a curve of two hundred and five feet radius; easterly by the easterly line of said Belnel road as hereby laid out, by four measurements, thirty-two and 95-100 feet on a curve of twenty-three and 88-100 feet radius, four hundred seventy and 67-100 feet, three hundred thirty-three and 16-100 feet and one hundred twenty and 39-100 feet on a curve of one hundred ninety-nine and 93-100 feet radius; northeasterly by the northeasterly line of said Belnel road as hereby laid out, one hundred nine and 92-100 feet; northerly by the northerly line of said Belnel road

as hereby laid out, seventy-three and 61-100 feet on a curve of fifty-one and 6-100 feet radius; northwesterly by the northwesterly line of said Belnel road as hereby laid out, four hundred and eighty-seven feet; westerly by the westerly line of said Belnel road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; northeasterly by Osceola street, sixty feet; southerly by the southerly line of said Belnel road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; southeasterly by the southeasterly line of said Belnel road as hereby laid out, four hundred and eighty-seven feet; southerly by the southerly line of said Belnel road as hereby laid out, one hundred thirty-one and 28-100 feet on a curve of ninety-one and 6-100 feet radius; southwesterly by the southwesterly line of said Belnel road as hereby laid out, one hundred nine and 92-100 feet; westerly by the westerly line of said Belnel road as hereby laid out, by three measurements, one hundred forty-four and 47-100 feet on a curve of two hundred thirty-nine and 93-100 feet radius, three hundred thirty-one and 49-100 feet and four hundred fifty-three and 4-100 feet; and southerly by the southerly line of said Belnel road as hereby laid out, twenty-one and 98-100 feet on a curve of ten and 17-100 feet radius.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Belnel road, Hyde Park district, as a highway, from Poydras street to Osceola street, under the order of the Board of April 18, 1936, and awards no damages therefor.

CIVIL SERVICE EXAMINATIONS. (STATE SERVICE.)

JUNIOR UNEMPLOYMENT COMPENSATION ANALYST, UNEMPLOYMENT COMPENSATION ANALYST, SENIOR UNEMPLOYMENT COMPENSATION ANALYST, UNEMPLOYMENT COMPENSATION COMMISSION, JUNE 6, 1936.

Last date for filing applications, Saturday, May 23, 1936, at 12 noon.

These examinations are open to both males and females.

The above date applies to all three examinations. It is necessary to file but one application in order to take one or more of these examinations, but applicants should indicate what position or positions they wish to apply for.

Applicants for any or all of these positions should be familiar with chapter 479 of the Massachusetts law and amendments thereto, also chapter 271 of the Federal law.

The minimum salary for Junior Unemployment Compensation Analyst is \$1,560 a year; the maximum salary is \$1,800 a year.

The minimum salary for Unemployment Compensation Analyst is \$1,920 a year; the maximum salary is \$2,280 a year.

The minimum salary for Senior Unemployment Compensation Analyst is \$2,400 a year; the maximum salary is \$2,760 a year.

Duties, Junior Unemployment Compensation Analyst: Under supervision, to assist in analyzing reports submitted to the Unemployment Compensation Commission, to secure facts necessary for determining whether employers or

employees are or are not subject to or covered by the Unemployment Compensation Laws; to make less important field surveys to secure additional facts necessary to the commission in connection with the administration of Unemployment Compensation Laws; to correspond with or to give information orally to employers and employees on less important matters in connection with such laws; and to perform related work as required.

Duties, Unemployment Compensation Analyst: Under supervision, to analyze reports submitted to the Unemployment Compensation Commission, to secure facts necessary for determining whether employers or employees are or are not subject to or covered by the Unemployment Compensation Laws; to make field surveys to secure additional facts necessary to the commission in connection with the administration of Unemployment Compensation Laws; to correspond with or to give information orally to employers and employees with reference to such laws; when necessary, to address employer, employee or other interested organizations for the purpose of explaining the various phases of the law; and to perform related work as required.

Duties, Senior Unemployment Compensation Analyst: Under general supervision, to supervise the work of Unemployment Compensation Analysts; to review the work of such analysts and to instruct them in their duties; to handle the more complex problems arising out of the analysis of the reports and returns to the commission; when necessary, to address employer, employee or other interested organizations for the purpose of explaining the various phases of the law; and to perform related work as required.

Subjects and Weights (for all three positions): Training and experience, 3; general information, 2; report, 1; practical questions, 4; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

\$50,000,000 WATER-SUPPLY PROJECT IN CALIFORNIA.

The city of San Jose has entered into contract with the Water Properties Company, Ltd., of San Francisco, to provide the city water from the head waters of the American river in the vicinity of Lake Tahoe. The agreement is for thirty years, during which time the municipality will acquire title to the local distribution system and receive a proportionate share of the production and transmission systems.

WATER-SUPPLY DEVELOPMENT IN THE UNITED STATES.

In 1652 Boston introduced the first American public water supply. The first mechanical pumps were used in 1761 at Bethlehem, Pa., where Hans Christiansen, an American pioneer water-supply engineer, made his pumps work "after severe struggles." In 1850 there were only 100 water plants in the United States, and as late as 1875 only 243. In 1933 there were more than 11,000 public water supplies, some serving more than one community.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

SUPPLY DEPARTMENT.

Upon April 16 permission was given by the Mayor to award a contract to the Somerset Bituminous Company for approximately 64,000 gallons 45 per cent asphaltic road oil, to be delivered, as required, during 1936 to the Public Works Department. The approximate amount of the contract was \$5,920, less 9 per cent cash discount for payment in ten days. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened April 7, were as follows:

Approximately 64,000 Gallons 45 Per Cent Asphaltic Road Oil, Per Gallon Applied.—Trimount Bituminous Products Company, 9.13 cents; total, \$5,843.20; Shell Eastern Petroleum Products, Incorporated, 9.5 cents, total, \$6,080; American Oil Products Company, 9.5 cents; total, \$6,080; Eastern Asphalt and Oil Company, 9.8 cents; total, \$6,272; Somerset Bituminous Company, 9.25 cents; total, \$5,920; American Bituminous Company, 9.5 cents; total, \$6,080; New England Asphalt and Tar Company, 9.5 cents, total, \$6,080; Socony-Vacuum Oil Company, Incorporated, 9.5 cents; total, \$6,080; The Lake Asphalt and Petroleum Company of Massachusetts, 9.5 cents; total, \$6,080.

Cash Discount, Ten Days.—Trimount Bituminous Products Company, 2 per cent; Shell Eastern Petroleum Products, Incorporated, 2 per cent; American Oil Products Company, 2 per cent; Eastern Asphalt and Oil Company, 2 per cent, ten days; 1 per cent, twenty days; Somerset Bituminous Company, 9 per cent; American Bitumuls Company, 2 per cent; New England Asphalt and Tar Company, 2 per cent; Socony-Vacuum Oil Company, Incorporated, 2 per cent; The Lake Asphalt and Petroleum Company of Massachusetts, 2 per cent.

Source of Crude Oil.—Trimount Bituminous Products Company, Venezuelan crude, manufactured in United States by American refinery; Shell Eastern Petroleum Products, Incorporated, Venezuelan crude, manufactured in American refinery; American Oil Products Company, South American crude oil; Eastern Asphalt and Oil Company, Colonial-Beacon; Somerset Bituminous Company, Mexican or Venezuelan, American refined; American Bitumuls Company, manufactured in United States from 100 per cent California crude; New England Asphalt and Tar Company, Mexico; Socony-Vacuum Oil Company, Incorporated, processing of crude oil done at Providence, R. I.; The Lake Asphalt and Petroleum Company of Massachusetts, South American crude, manufactured in United States of America by American companies.

Upon April 16 permission was approved by the Mayor for a contract with the Trimount Bituminous Products Company for approximately 1,200 tons OA-2 road asphalt for construction, to be delivered, as required, during 1936 to the Public Works Department. The approximate amount of the contract was \$29,676. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened April 6, were as follows:

Approximately 1,200 Tons OA-2 Road Asphalt, Per Net Ton.—American Oil Products Company, \$27.30; total, \$32,760;

American Bitumuls Company, \$27.30; total, \$32,760; The Lake Asphalt and Petroleum Company of Massachusetts, \$27.30; total, \$32,760; Somerset Bituminous Company, \$27.30; total, \$32,760; Trimount Bituminous Products Company, \$24.73; total, \$29,676; New England Asphalt and Tar Company, \$27.30; total, \$32,760; Shell Eastern Petroleum Products, Incorporated, \$27.30; total, \$32,760; Socony-Vacuum Oil Company, Incorporated, \$27.30; total, \$32,760; Eastern Asphalt and Oil Company, \$27.36; total, \$32,832.

Cash Discount, Ten Days.—American Oil Products Company, 2 per cent; American Bitumuls Company, 2 per cent; The Lake Asphalt and Petroleum Company of Massachusetts, 2 per cent; Somerset Bituminous Company, 2 per cent, ten days; 1 per cent, twenty days; Trimount Bituminous Products Company, 2 per cent; New England Asphalt and Tar Company, 2 per cent, ten days; 1 per cent, twenty days; Shell Eastern Petroleum Products, Incorporated, 2 per cent; Socony-Vacuum Oil Company, Incorporated, 2 per cent; Eastern Asphalt and Oil Company, 2 per cent, ten days; 1 per cent, twenty days.

Source of Crude Oil.—American Oil Products Company, South American crude oil; American Bitumuls Company, manufactured in United States from 100 per cent California crude; The Lake Asphalt and Petroleum Company of Massachusetts, South American crude, manufactured in United States of America by American companies; Somerset Bituminous Company, Mexican or Venezuelan, American refined; Trimount Bituminous Products Company, Venezuelan crude, manufactured in the United States by American refinery; New England Asphalt and Tar Company, Mexico, refined in United States; Shell Eastern Petroleum Products, Incorporated, Venezuelan crude; Socony-Vacuum Oil Company, Incorporated, processing of crude oil done at Providence, R. I.; Eastern Asphalt and Oil Company, Colonial-Beacon.

Upon April 16 permission was approved by the Mayor to award a contract to the Trimount Bituminous Products Company for approximately 150 tons asphaltic cement, to be delivered, as required, during 1936 to the Chestnut Hill Paving Yard, Brighton, Public Works Department. The approximate amount of the contract was \$3,216. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened April 6, were as follows:

Approximately 150 Tons Asphaltic Cement, to be Delivered in Drums to the Chestnut Hill Paving Yard, Brighton, Drums Not to be Charged for and Not Returnable, Per Net Ton.—American Oil Products Company, \$21.85; total, \$3,277.50; The Lake Asphalt and Petroleum Company of Massachusetts, \$21.70; total, \$3,255; Somerset Bituminous Company, \$21.50; total, \$3,225; New England Asphalt and Tar Company, \$21.70; total, \$3,255; Trimount Bituminous Products Company, \$21.64; total, \$3,246; Eastern Asphalt and Oil Company, \$22.70; total, \$3,405; Socony-Vacuum Oil Company, Incorporated, \$21.70; total, \$3,255; Shell Eastern Petroleum Products, Incorporated, \$23; total, \$3,450.

Cash Discount, Ten Days.—American Oil Products Company, 2 per cent; The Lake Asphalt and Petroleum Company of Massachusetts, 2 per cent; Somerset Bituminous Company, 2 per cent, ten days; 1 per cent, twenty days; New England Asphalt and Tar Company, 2 per cent,

ten days; 1 per cent, twenty days; Trimount Bituminous Products Company, 2 per cent; Eastern Asphalt and Oil Company, 2 per cent, ten days; 1 per cent, twenty days; Socony-Vacuum Oil Company, Incorporated, 2 per cent; Shell Eastern Petroleum Products, Incorporated, 2 per cent.

* Contract awarded.

Upon April 18 permission was approved by the Mayor to award a contract to the Massachusetts Gas and Electric Light Supply Company for flashlight equipment for the various city departments, as required, during 1936.

The various bidders submitted samples of the flashlights that they quoted on, and after examination of these samples by representatives of the Fire Department and the Boston City Hospital, the two departments requiring the largest amount of flashlight equipment, the Purchasing Agent was informed by these

two departments that the flashlights quoted on by the two lowest bidders are not satisfactory for their use, and that Bond flashlights are suitable and very satisfactory for their purposes. The approximate amount of the contract was \$976.04. Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened February 4, were as follows:

Approximate Amounts on All Items.

ADDITIONS TO AND DEDUCTIONS FROM CONTRACTS.

The following additions to and deductions from contracts have been approved:

DEPARTMENT OF SCHOOL BUILDINGS.

Rugo Construction Company, Incorporated, on Project No. 40539, has been ordered to deduct as follows: For omission of seeding, raking and rolling grass areas on this project, deduct the sum of \$200; original contract, \$636,800; add, previous orders, \$8,933.23—\$645,733.23; deduct, previous orders, \$2,241.40—\$643,491.83; deduct this order, \$200—total amount of contract to date, \$643,291.83, and the amount of \$200 will be deducted therefor, making the account as follows: Contract price, \$636,800; total additions, \$8,933.23; total deductions, \$2,441.40; amount of contract, \$643,291.83.

BIDS FOR SALE OF CITY OF BOSTON BONDS.

Mayor Mansfield has received the following letter:

BOSTON, April 16, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR SIR,—John H. Dorsey, City Treasurer, opened bids this day for \$2,500,000 City of Boston revenue notes dated April 21, 1936, and due November 6, 1936. The bids were submitted as follows:

Salomon Brothers and Hutzler bid .96 per cent (no premium). Halsey, Stuart & Co., Incorporated, Hemphill, Noyes & Co., G. M.-P. Murphy & Co., bid 1.24 per cent plus a premium of \$50.

The award was made to Salomon Brothers and Hutzler, who bid ninety-six one-hundredths per cent. Their bid represented the lowest net cost to the City of Boston.

Respectfully yours,

JOHN H. DORSEY,
City Treasurer.

TO ATTEND CONVENTIONS.

The Mayor has approved the following request of the Commissioner of the Institutions Department:

BOSTON, April 17, 1936.

HON. FREDERICK W. MANSFIELD,

Mayor of Boston.

DEAR MR. MAYOR,—It is my desire to attend a meeting of the Council on Medical Education and Hospitals and the Convention of the American Medical Association in Kansas City, and the following week a meeting of the Medical Superintendents' Club in Baltimore, Md. This will necessitate my leaving Boston on the afternoon of Thursday, May 7, and returning to be on duty Monday, May 18. This trip is, of course, without expense to the City of Boston.

I should be glad of your authority to take this absence, and request that Dr. Charles L. Clay, Medical Director, Long Island Hospital, be made Acting Commissioner of Institutions for this period.

Yours very sincerely,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

RELIEF-ROLL EMPLOYEES FOR SNOW REMOVAL.

It was good news to cities throughout the country when the Federal Emergency Relief Administration notified State Emergency Relief Administrations that men on relief rolls might be used for snow-removal projects in all communities where there was need for such labor. This action gave work to thousands of men who were in urgent need of help, and at the same time it aided materially in keeping streets and sidewalks open for traffic in many communities where street cleaning departments were financially unable to cope with the storm.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of the Marathon Run on April 20, 1936, between the hours of 1 p. m. and 4 p. m., vehicles are excluded from the following streets:

Beacon Street.

South roadway, between St. Mary's street and Park Drive.

Beacon Street.

Between Park Drive and Commonwealth avenue.

Commonwealth Avenue.

South roadway, between Beacon street and Exeter street.

Exeter Street.

Between Commonwealth avenue and Huntington avenue.

Between the hours of 9 a. m. and 4 p. m. parking of vehicles is prohibited in Massachusetts avenue, both sides, from Boylston street to Commonwealth avenue.

These rules shall not apply to official vehicles of the Boston Athletic Association.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be thirty (30) days, parking of vehicles is prohibited in the following street, effective April 16, 1936:

Lansdowne Street.

Both sides, from Brookline avenue to Ipswich street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be three (3) weeks, vehicles are excluded from the following street, effective April 16, 1936:

Glen Street, Dorchester.

From Glendale street to Trull street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of operation of buses by the Boston Elevated Railway, that portion of section 35 of the Traffic Rules and Regulations which prohibits the driver of a vehicle from making a left turn from Washington street into Stuart street, westerly, is suspended from 7.30 p. m. to 9.30 p. m. on April 27, 1936.

FIRE DEPARTMENT ORDERS.

General Order No. 23.

I. NEW FIRE ALARM BOX.

A new fire alarm box, No. 3448, will shortly be established opposite No. 36 Wrentham street, Dorchester. This box will be connected into circuit No. 84 and the assignments will be the same as those for box No. 3621.

A card for this box will be issued at an early date. Company commanders will place a memorandum in the assignment boxes until a new card is issued.

II. NEW CIRCUIT CARDS.

As announced in General Order No. 22 c. s., new circuit cards dated April 16, 1936, for circuits 85, 86, 87, 88 and circuits 89, 90, 91, 92 are being issued to the department today.

Company commanders will return the old card for circuits 85, 86, 87, 88 to headquarters on or before Tuesday, April 21, 1936.

III. AMERICAN RED CROSS FLOOD RELIEF.

The Fire Commissioner desires to extend his sincere thanks to the members of the department who contributed to the appeal of the American Red Cross for funds to aid the victims of the recent flood. It is pleasing to note that the sum of \$1,357.65 was contributed by the members of this department in aid of this worthy cause.

IV. WATER TURNED ON.

Notice has been received from the New York, New Haven & Hartford Railroad Company that the water is now turned on in the fire lines in Freight Houses Nos. 1, 2, 3, 4, 5, 6, 7 and 8; also at Pier 1 and Pier 4 and No. 20 House, Massachusetts avenue (Boston Freight Terminal), for the summer months.

V. NEW STREET DIRECTORIES.

New City of Boston street directories are being issued to the department today. These directories are to be kept at the patrol desk in each fire station.

VI. COMMENDATIONS.

The Fire Commissioner is in receipt of a letter from Rev. Joseph C. Walsh, Rector of St. John's Seminary, which he is pleased to publish herewith for the information of the department.

ST. JOHN'S SEMINARY,
BRIGHTON, MASS.

April 10, 1936.

DEAR MR. McLAUGHLIN,—I wish to express my deep gratitude to you and, through you, to all the members of your splendid Fire Department, who so efficiently and graciously took care of us last Wednesday when our House of Philosophy was burning. But for your excellent handling of the situation all our belongings would have been destroyed. We are prouder than ever of your department, and all, professors and students, join me in thanking you and your men.

May God bless you all and send you His choicest blessings of every kind.

Yours very sincerely,

JOSEPH C. WALSH, *Rector.*

To Mr. Edward F. McLaughlin,
Fire Commissioner,
Boston, Mass.

Ladderman John F. Doherty of Ladder Company 18 is hereby commended for volunteering and giving blood in transfusion to a patient at the Massachusetts General Hospital on March 26, 1936.

Hoseman Albert F. Kelley of Engine Company 1 is hereby commended for extinguishing a chimney fire at 62 Lonsdale street, Dorchester, on April 6, 1936, while off duty.

District Chief James F. Sheehan of District 4 is hereby commended for responding to fire, Box 5271, and assisting in operations on April 8, 1936, while off duty.

Capt. James A. Kennedy of Rescue Company 3 is hereby commended for responding to and working at fire, Box 5271, April 8, 1936, while off duty.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

Monday, April 13, 1936.

Special meeting of the City Council in the Council Chamber, City Hall, at 2 p. m., President FITZGERALD in the chair. Absent: Coun. Brackman, Peter A. Murray and Shattuck.

The meeting was held pursuant to the following call:

Boston City Council,
April 8, 1936.

To the Members of the City Council:

Gentlemen,—You are hereby requested to assemble in the City Council Chamber, City Hall, on Monday, April 13, 1936, at two o'clock p. m., for the purpose of receiving the appointments by the Mayor of constables and minor officers and to transact such other business as may be presented.

Yours very truly,

JOHN I. FITZGERALD, President.

Placed on file.

JURORS DRAWN.

Jurors were drawn under the law, Coun. ROBERTS presiding at the jury box in the absence of the Mayor, as follows:

Fifty traverse jurors, Superior Criminal Court, to appear April 15, 1936:

Antone G. Francis, Jr., Ward 1; E. Andrew Hodne, Ward 1; John P. Jones, Ward 1; John T. Stanton, Ward 1; John J. Galvin, Ward 2; Joseph Nassano, Ward 3; Harry A. Bixby, Ward 4; Martin J. Kilroy, Ward 4; Arthur J. Rogers, Ward 4; Alexander J. McMillan, Ward 5; Samuel D. Walker, Jr., Ward 5; William Dwyer, Ward 6; Joseph H. Gottlich, Ward 6; Lester D. Allen, Ward 7; George W. Bollard, Ward 7; James E. Cotter, Jr., Ward 7; Thomas H. Griffin, Ward 7; Joseph S. O'Brien, Ward 7; Charles J. Quinn, Ward 8; John E. Burke, Ward 9; Joseph A. Ehrhart, Ward 10; Walter H. Grady, Ward 11; David W. Whiting, Ward 11; Llewellyn P. M. Johnson, Ward 12; Edward McMahon, Ward 12; Thomas M. O'Connor, Ward 13; Paul Natenson, Ward 14; John J. DeFreitas, Ward 15; Leo C. Finn, Ward 15; William F. Mahoney, Ward 15; Cornelius J. O'Neill, Ward 15; Walter J. Charland, Ward 16; James A. Peckham, Ward 16; John J. Borstell, Ward 17; George E. Kelley, Ward 17; Edward Thomas McHugh, Ward 17; Leonard H. Newman, Ward 17; Charles D. Doppler, Ward 18; Arthur S. French, Ward 18; Joseph L. Lang, Ward 18; Norman A. MacLeod, Ward 18; Leon K. McConnell, Ward 19; Frederick A. Reilly, Ward 19; Fred S. Whitmarsh, Jr., Ward 19; Harold F. Barrett, Ward 20; Maurice Aronson, Ward 21; Edmund L. Browne, Ward 21; Sidney Z. Charak, Ward 21; Robert Goldman, Ward 21; John C. Sylvester, Ward 22.

VETOES OF SIDEWALKS.

The following were received:

City of Boston,
Office of the Mayor, April 7, 1936.

To the City Council.

Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 30, 1936, for the making of a granolithic sidewalk along both sides of the entire length of Lamont street in Ward 9.

I am informed by the Commissioner of Public Works that Lamont street, from Vernon street to Linden Park street, has at the present time an artificial stone sidewalk, said sidewalk being laid in 1931 and still under guarantee. Under the circumstances I am constrained to veto the order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Office of the Mayor, April 7, 1936.

To the City Council.

Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 30, 1936, for the making of a granolithic sidewalk with granite edgestones on both sides of the entire length of Dilworth street in Ward 9.

I am informed by the Commissioner of Public Works that there are no funds available at the present time for this construction. Under the circumstances I am constrained to veto the order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Office of the Mayor, April 7, 1936.

To the City Council.

Gentlemen,—I return herewith disapproved and without my signature an order adopted by your Honorable Body on March 23, 1936, for the mak-

ing of a sidewalk with granite edgestones on F street, between Seventh and Eighth streets, in Ward 6.

I am informed by the Commissioner of Public Works that there are no funds available at the present time for this construction. Under the circumstances I am constrained to veto the order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Severally placed on file.

CLOSING OF CITY HALL ON GOOD FRIDAY.

The following was received:

City of Boston,
Office of the Mayor, April 8, 1936.

To the City Council.

Gentlemen,—I am in receipt of your order of April 6, 1936, requesting me to close City Hall between the hours of 12 and 3 p. m. on Good Friday, April 10, 1936, and would advise that on March 31, 1936, I issued a circular letter to this effect to all department heads.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Placed on file.

SUNDAY OPERATION OF SAVIN HILL BUS LINE.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.

To the City Council.

Gentlemen,—I transmit herewith a letter from the trustees of the Boston Elevated Railway relative to your order of March 23, 1936, requesting

the operation of the Savin Hill-City Hospital bus line on Sundays from 1 p. m. to 8 p. m.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

Boston Elevated Railway,
April 9, 1936.

Mr. John F. Gilmore, Jr.,

Assistant Secretary, Mayor's Office.

Dear Sir,—Replying to your letter of March 30, with copy of order of the City Council requesting operation of the Savin Hill-City Hospital bus line on Sundays from 1 p. m. to 8 p. m., we have given the matter consideration but do not feel that the service would be sufficiently patronized on Sundays to meet the cost of operating it.

Patrons in the Savin Hill section now have service to the City Hospital on Sundays via Andrew Square Station and Southampton street. The service on Southampton street between Andrew Square Station and the hospital is operated on a seven and eight minute headway.

Very truly yours,

EDWARD DANA,

Executive Vice President and General Manager.

Placed on file.

UNPAID TAXES OF SUBURBAN REALTY CORPORATION.

The following was received:

City of Boston,
Office of the Mayor, April 7, 1936.

To the City Council.

Gentlemen,—I transmit herewith a report from the Collecting Department relative to your order of March 23, 1936, requesting advice as to the amount of unpaid taxes due the city from the Suburban Realty Corporation for each of the years from 1931 to 1935, inclusive, and if any tax titles are outstanding against said concern then for what years, in what amounts, and the date or dates of such sales.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

IMPROVEMENTS AT DORCHESTER HEIGHTS.

The following was received:

City of Boston,
Office of the Mayor, April 7, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of March 30, 1936, concerning improvements at Dorchester Heights.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, April 6, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of April 6, with inclosure, order from the City Council that the Park Commission be requested to make the necessary improvements at Dorchester Heights, such as grading, etc.

Please be assured that the Park Department will take pleasure in renovating Dorchester Heights as far as it can possibly do so with its limited finances and limited number of men.

Respectfully yours,
WILLIAM P. LONG, Chairman.

Placed on file.

WATER BOX, CAMBRIDGE AND STANFORD STREETS.

The following was received:

City of Boston,
Office of the Mayor, April 7, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of March 9, 1936, requesting that the water box, situated at the corner of Cambridge and Staniford streets, be placed in proper condition.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, April 6, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of March 16, with attached City Council order dated March 9, 1936, and reading as follows: "Ordered. That the Commissioner of Public Works be requested to have the Water Department place the water box, situated at the corner of Cambridge and Staniford streets, in proper condition."

and to state that the permanent granite block pavement on Cambridge and Staniford streets has been restored in proper condition.

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.
Placed on file.

TOWELS, WARD 8 MUNICIPAL BUILDING.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of April 6, 1936, concerning a request that a sufficient number of towels be on hand at all times to take care of all persons using the shower baths at the Vine Street Municipal Building, Ward 8.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, April 9, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of April 8, with inclosure, order from the City Council that the Park Commission be requested to have a sufficient number of towels on hand to take care of persons using the shower baths at the Vine Street Municipal Building.

Please be assured that the department endeavors at all times to have a sufficient number of towels in its gymnasiums and bathhouses throughout the city. It is possible there are times when there is a shortage of towels, due to excessive bathing, but this condition does not exist very often.

Very respectfully yours,
WILLIAM P. LONG, Chairman.
Placed on file.

WADING POOL, FRANKLIN PARK.

The following was received:

City of Boston,
Office of the Mayor, April 13, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of April 6, 1936, concerning the advisability of installing a wading pool in Franklin Park in the vicinity of Blue Hill avenue and the American Legion Highway.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, April 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of April 8, with inclosure, order from the City Council to consider the advisability of the installation of a wading pool in Franklin Park in the vicinity of Blue Hill avenue and the American Legion Highway.

I regret exceedingly to inform you it would be very inadvisable to attempt to establish a wading pool in this vicinity or in any part of Franklin Park. Wading pools at their best are unsanitary.

The area suggested is practically all ledge—on account of economic conditions the cost would be prohibitive.

Very respectfully yours,
WILLIAM P. LONG, Chairman.
Placed on file.

MICHAEL J. BROPHY PARK.

The following was received:

City of Boston,
Office of the Mayor, April 13, 1936.
To the City Council.
Gentlemen,—The order adopted by your Honorable Body on March 30, 1936, requesting the Park Commissioner to change the name of Belmont Park in the First Section of East Boston to Michael J. Brophy Park was referred by me to Park Commissioner Long for consideration and report.

I am in receipt of a letter from Mr. Long notifying me "that at a meeting of the Board of Park Commissioners held on April 9, 1936, it was voted that the public park in East Boston known as Belmont Park be, and hereby is, renamed Michael J. Brophy Park, in honor and appreciation of the public services of the late Michael J. Brophy, a distinguished citizen of the district."

I am pleased to approve the action of the Park Commissioners.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.
Placed on file.

ARC LIGHT, WARD 9.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.
To the City Council.
Gentlemen,—I transmit herewith a letter from the Commissioner of Public Works relative to your order of March 30, 1936, concerning the installation of an arc light at the corner of West Brookline street and Shawmut avenue, Ward 9.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Public Works Department, April 9, 1936.
Mr. John F. Gilmore, Jr.,
Assistant Secretary, Mayor's Office.

Dear Sir,—I beg leave to acknowledge receipt of your note of April 6, with attached order of City Council dated March 30, 1936, and reading as follows:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to install an arc light at the corner of West Brookline street and Shawmut avenue, Ward 9."

and to state that at the present time there is an arc lamp at the southwest corner of West Brookline street and Shawmut avenue and in the opinion of this department this one lamp is sufficient for lighting purposes at that particular intersection.

Respectfully yours,
C. J. CARVEN,
Commissioner of Public Works.

Placed on file.

SPECIFICATIONS IN FUTURE COAL CONTRACTS.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the Superintendent of Supplies relative to your order of April 6, 1936, requesting that consideration be given to a suggestion that certain provisions be inserted in future contracts for coal deliveries to Boston welfare recipients.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Supply Department, April 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—Replying to your letter of April 8, 1936, with attached order passed by the City Council, dated April 6, 1936, I shall give serious consideration to the recommendations contained in the order when we advertise again for coal for the Overseers of the Public Welfare.

Respectfully yours,
D. FRANK DOHERTY,
Superintendent of Supplies.

Placed on file.

RESANDING DEWEY BEACH.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your order of April 6, 1936, concerning the making of provision in the Park Department budget for this year for sufficient funds to resand Dewey Beach and to repair the buildings thereon.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, April 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of April 8, with inclosure, order from the City Council relative to sand at Dewey Beach and the repairing of buildings thereon.

The department will try and obtain sufficient funds to do the necessary sanding that will be required. The buildings, I can assure you, will be placed in proper condition for the opening—June 15.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

Placed on file.

NATIONAL PUBLIC PARKS TENNIS TOURNAMENT.

The following was received:

City of Boston,
Office of the Mayor, April 11, 1936.
To the City Council.

Gentlemen,—I transmit herewith a letter from the chairman of the Park Department relative to your two orders of March 30, 1936, concerning the arrangements to hold the National Public Parks Tennis Championship Tournament at Franklin Field in August of this year and the preparation of Franklin Field for this tournament.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

City of Boston,
Park Department, April 10, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—I have your memorandum of April 6, with inclosures, orders from the City Council that the Park Commission be requested to make

arrangements to hold the National Public Parks Tennis Tournament at Franklin Field during the week of August 17, and make certain improvements in the courts at Franklin Field in preparation for this tournament.

I regret exceedingly to inform the City Council that the National Public Parks Tennis Tournament was awarded to this city with the distinct understanding that same would not be held in Franklin Field. The tournament is to be held at Soldiers Field.

The tennis courts will be placed in their usual good condition just as soon as the weather permits. There is, however, no necessity for further wire inclosures.

Very respectfully yours,
WILLIAM P. LONG, Chairman.

Placed on file.

PROPOSED PURCHASE OF FISKE WHARF PROPERTY.

The following was received:

City of Boston,
Office of the Mayor, April 9, 1936.
To the City Council.

Gentlemen,—May I venture to remind your Honorable Body that the matter of proposed purchase of the Fiske Wharf property has now been pending before the Committee on Public Lands since November 12, 1935.

This offer includes valuable waterfront property which at one time was mortgaged for \$222,000 and then probably worth far more than that, but may be purchased now by the city, as I pointed out in my letter to you of November 7, 1935, for \$25,000. This is such an excellent opportunity to secure valuable waterfront property adjacent to the North End Park and available for future municipal development, possibly as a public landing stage, that the opportunity ought not to be lost, and I suggest that the offer may be withdrawn unless it is speedily acted upon. If this matter could be speedily reported and the purchase of this property authorized by the City Council, I am sure it would be for the best interests of the city.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Placed on file.

STATUE OF GOVERNOR JOHN ENDECOTT.

The following was received:

City of Boston,
Office of the Mayor, April 9, 1936.
To the City Council.

Gentlemen,—On February 5, 1936, I received from Mr. G. H. Edgell, Director of the Museum of Fine Arts in Boston, a letter, copy of which is inclosed, whereby it appears that George Augustus Peabody, late of Danvers, Mass., died on May 3, 1929, leaving a will, to the executors of which he gave the sum of \$50,000 to be expended for the purpose of erecting a statue of Governor John Endecott, of whom Mr. Peabody was a direct descendant in the eighth generation.

The executors of the will, Mr. William C. Endicott and Mr. George P. Gardner, turned the principal of this \$50,000 fund over to the Museum of Fine Arts, to whom was entrusted the responsibility of selecting a site and building a monument. This was accepted by the trustees of the Museum of Fine Arts and a committee of the trustees employed Mr. Ralph Weld Gray, an architect, to assist them and after consultation Mr. Carl P. Jennewein was chosen as sculptor for the statue. Preliminary designs have been made and approved and a site has been selected in the triangle of land between the Fenway and Forsyth way, between the Forsyth Dental Institute and the Museum. The site has been approved by the Park Commission of the City of Boston and both the site and preliminary design have been approved by the Boston Art Commission, so that the committee appointed by the trustees of the Museum of Fine Arts is now ready to proceed with the erection of the statue, which cannot be done until it is formally accepted by the City of Boston. The letter closes with the specific offer, on behalf of the executors of the will of George Augustus Peabody, of this monument through the Art Commission of the city and no part of the expense of erecting the statue is to be borne by the City of Boston.

I inclose also copy of a letter from the Boston Art Commission, signed by Robert P. Bellows, chairman, dated February 6, 1936.

I referred this matter to the Corporation Counsel for an opinion, a copy of which opinion is submitted herewith. By that opinion it appears that the city is authorized to take and hold in trust such property as may be given it for the improvement or ornamentation of its parks, provided that if it is a work of art the design and site must be approved by the Board of Art Commission.

A form of order providing for the acceptance of this proposed gift, drawn by the Corporation Counsel, is transmitted herewith. I recommend the acceptance of the gift and the passage of the accompanying order.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Museum of Fine Arts,
Boston, Mass.

February 5, 1936.

His Honor, Mayor Frederick W. Mansfield,
Dear Mr. Mayor,—George Augustus Peabody, a resident of Burley Farm, Danvers, Mass., died May 3, 1929. Mr. Peabody was the eighth generation in descent from Governor John Endecott and was the son of George Peabody of Salem and Clarissa Endicott, his wife. By will, dated December 22, 1924, he appointed William C. Endicott and George P. Gardner executors of said will. By the tenth clause of said will he gave to said William C. Endicott and George P. Gardner the sum of \$50,000 to be spent on a statue of Governor John Endecott.

On August 1, 1929, Messrs. Endicott and Gardner turned the principal of this fund over to the Museum of Fine Arts, placing upon this organization the responsibility of selecting a site and creating a monument. This was accepted by the trustees of the Museum on October 17, 1929. A committee of the trustees employed Mr. Ralph Weld Gray, architect, to assist them in the problem. After due consultation Mr. Carl P. Jennewein was selected as sculptor. Preliminary designs have been made and approved. The site selected is the triangle of land between the Forsyth Dental Institute and the Museum. This site has been approved by the Park Commission of the City of Boston and both site and preliminary design have been approved by the Boston Art Commission.

The committee is now ready to proceed with the erection of the monument. This cannot be done until it is formally accepted by the City of Boston. May I, therefore, on behalf of William Crowninshield Endicott and George Peabody Gardner, executors of the will of George Augustus Peabody, offer this monument through the Art Commission to the City of Boston? Needless to say the acceptance of this memorial will not involve the city in any expense.

Respectfully yours,
G. H. EDGELL, Director.

City of Boston,
Art Commission, February 6, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Sir,—The Boston Art Commission has the honor to transmit to you the formal offer to the City of Boston of a memorial to John Endecott for erection on the park triangle between the Forsyth Dental Institute and the Museum of Fine Arts.

This site has the approval of the Park Commission and both the site and the design for the monument, as far as the design has yet been carried, are most heartily approved by the members of the Art Commission unanimously.

The completed work should be a distinguished ornament to the city and worthy of the heroic figure commemorated, "strong valiant" John Endecott, active from the beginning in the affairs of a striving colony, who "failed not of his trust."

Respectfully yours,
ROBERT P. BELLOWES,
Chairman, Boston Art Commission.

City of Boston,
Law Department, April 7, 1936.
Hon. Frederick W. Mansfield,
Mayor of Boston.

Dear Mr. Mayor,—I have received a memorandum from your office dated February 7, 1936, with which was submitted a letter, returned herewith, addressed to you by G. H. Edgell, Director of the Museum of Fine Arts, relating to a proposed memorial to Governor Endecott. Mr. Edgell, in his letter to you, requests that the city formally accept the monument to be erected as such memorial.

George Augustus Peabody of Danvers died May 3, 1929. Article 10 of his will, which will was allowed July 2, 1929, and under which William C. Endicott and George P. Gardner were appointed executors, provides, in part, as follows: "to the said William C. Endicott and George P. Gardner for a statue of Governor Endecott and its base, I give the sum of \$50,000."

Mr. Edgell in his letter to you states that on August 1, 1929, Messrs. Endicott and Gardner turned over the amount of said bequest to the Museum of Fine Arts, placing on the Museum the responsibility of selecting a site and creating a monument and that on October 17, 1929, said sum was accepted by the Museum. It is not clear from Mr. Edgell's letter whether or not it was intended that the Museum was to own the monument when erected.

Preliminary designs have been made for the monument and the site proposed therefor is the triangle of land, belonging to the city and under the control of the Park Department, between the Forsyth Dental Institute and the Museum. I understand that the site and the preliminary drawings of the statue have been approved both by the Park Department and the Art Commission.

Chapter 185 of the Acts of 1875 provides, among other things, for the establishment of a board of park commissioners.

Section 3 of said chapter 185 provides, in part as follows:

"Said board shall have power to locate within the limits of the city of Boston, one or more public parks; and for that purpose, from time to time, to take in fee, by purchase or otherwise, any and all such lands as said board may deem desirable therefor; or to take bonds for the conveyance

thereof to said city, to lay out, improve, govern and regulate any such park or parks, and the use thereof;

Section 6 of said chapter 185 provides that: "The fee of all lands taken or purchased by said board under this act shall vest in the city of Boston, and said city shall be liable to pay all damages assessed or determined, as provided in the preceding section, and all other costs and expenses incurred by said board in the execution of the powers vested in them by this act. Said city shall also be authorized to take and hold in trust or otherwise any devise, grant, gift or bequest that may be made for the purpose of laying out, improving or ornamenting any parks in said city."

Section 3 of chapter 410 of the Acts of 1898 as amended by section 2 of chapter 27 of the Special Acts of 1919 provides, with reference to the Board of Art Commissioners, in part, as follows:

"Section 3. The board shall have the custody and care of all works of art owned by the city and heretofore under the control of any department thereof. No work of art shall become the property of the city by purchase, gift or otherwise, until it, or a design or model thereof, and the situation proposed therefor shall have been approved by the board, and no work of art, until approved by the board, shall be erected or placed in, over or upon, or allowed to extend in, over or upon any street, avenue, square, park or other property belonging to the city. The board may, with the approval of the Mayor, order the removal, relocation or alteration of any existing work of art owned by the city, and no such work of art shall be removed, relocated or altered without such order and approval."

It is my opinion that by virtue of the provisions of section 6 of chapter 185 of the Acts of 1875 the city is authorized to take and hold in trust any property that may be given it for the improvement or ornamentation of its parks but that, in view of the provisions of section 3 of chapter 410 of the Acts of 1898 above quoted, the city may not accept any work of art until such work or a design or model thereof and the situation proposed therefor has been approved by the Board of Art Commissioners and that no work of art may be erected or placed in or upon any park until such work has been approved by said board.

In view of the foregoing and pursuant to your request, I have drawn and submit herewith an order which if it meets with your approval may be submitted to the City Council authorizing the acceptance of the proposed statue and base.

This order if passed will authorize you to accept the proposed statue and base when completed and ready to be placed upon the proposed location, provided that the statue and its base and the location therefor are approved both by the Park Commissioners and the Art Commissioners, subject to the condition that the city may remove said statue and its base to another location in the parks, if such removal is required in the city's interest.

The reservation of a right to remove said statue together with its base is, in my opinion, necessary as a matter of law and desirable as a matter of policy.

Before the inclosed order is submitted to the City Council, it would be well to have Mr. Edgell's approval and I am sending him today a copy of the proposed order.

I will advise you as soon as I hear from him.

Very truly yours,
HENRY E. FOLEY,
Corporation Counsel.

Whereas, By his last will, duly approved and allowed July 2, 1929, George Augustus Peabody of Danvers bequeathed the sum of fifty thousand dollars (\$50,000) to William C. Endicott and George P. Gardner, executors under said will, for a statue to Governor Endecott and its base; and

Whereas, Said executors have turned over the fifty thousand dollars (\$50,000) so bequeathed to the Museum of Fine Arts, Boston, Mass., for the purpose of selecting a site for the monument of Governor Endecott and constructing and erecting the same, and said sum was accepted by the trustees of said Museum of Fine Arts on October 17, 1929; and

Whereas, The site which has been selected for said monument is the triangle of land between Forsyth Institute and said Museum of Fine Arts which is the property of the City of Boston and part of its Park System; and

Whereas, Preliminary designs have been made of said statue of Governor Endecott and said designs and the proposed site of said statue have been approved both by the Board of Park Commissioners of the City of Boston and by the Art Commission of said city; now, therefore, it is hereby

Ordered, That his Honor the Mayor be, and he hereby is, authorized to accept, in the name and behalf of the City of Boston, said statue of Governor Endecott, including the base therefor, when completed, between the Forsyth Dental School and the Museum of Fine Arts, provided that said statue including the base therefor and the location thereof shall have been approved both by the Board of Park Commissioners and by the Art Commission of the City of Boston; and it is hereby further

Ordered, That any acceptance of said statue by his Honor the Mayor, for and in behalf of the City of Boston, shall be made upon the condition that said statue, together with its base, may be removed, in the event that in the opinion of the

Park Department the interests of the City require such removal, to another location in the Park System of the City of Boston which shall be satisfactory both to the Park Department of the City of Boston and to the Art Commission of the City of Boston or to those boards or officers, if any, which shall at the time of said removal have the same powers and duties as or powers and duties similar to the powers and duties now exercised by the Park Department of the City of Boston and the Art Commission of the City of Boston, respectively; and it is further

Ordered, That said statue, together with its base, when accepted by his Honor the Mayor, for and in behalf of the City of Boston, shall be placed in the care and custody of the Park Department of the City of Boston.

Referred to Executive Committee.

APPOINTMENTS OF CONSTABLES.

The following was received:

City of Boston,
Office of the Mayor, April 13, 1936.
To the City Council.

Subject to confirmation by your Honorable Body, I hereby appoint the following-named persons constables of the City of Boston for the term of one year, beginning with the first day of May, 1936, authorized to serve civil process upon filing bond.

Since under the law all constables' terms expire on April thirtieth of each year, the commissions of all constables not named herein will expire on April 30, 1936, and such constables are hereby removed from office from and after May 1, 1936, for the good of the service.

Respectfully,
FREDERICK W. MANSFIELD, Mayor.

Authorized to Serve Civil Process Upon Filing Bonds.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING THREE ONE AND ONE-HALF TON DODGE TRUCKS.

The Supply Department of the City of Boston invites proposals for furnishing to the Park Department three one and one-half ton Dodge trucks as per specifications to be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The bids will be publicly opened and read Wednesday, May 6, 1936, at 12 m., at Room 801, City Hall Annex. The successful bidder must furnish a bond for one quarter of the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(April 25.) Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR REPAIRING HULL, ETC., OF FERRYBOAT "CHARLES C. DONOGHUE."

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairing hull, etc., of ferryboat "Charles C. Donoghue." A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Ferryboat 'Charles C. Donoghue,'" and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Friday, May 1, 1936, with a certified check for five hundred (500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. *There will be a charge of two (\$2) dollars for each set of specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

C. J. CARVEN,
(April 25.) Commissioner of Public Works.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC REGULATIONS.

Voted, That the Revised Rules and Regulations, as adopted by the Boston Traffic Commission on October 31, 1935, and on November 6, 1935, are amended as follows, effective April 26, 1936:

Section 8, Part 2, is amended by adding the following:

Harvard Street, Downtown Boston.
South side, from Harrison avenue to Washington street, 7 a. m. to 6 p. m.

WILLIAM P. HICKEY,
(April 18-25.) Commissioner.

CITY OF BOSTON.

SUPPLY DEPARTMENT.

PROPOSALS FOR FURNISHING GASOLINE.

The Supply Department of the City of Boston invites proposals for furnishing to the Traffic Commission gasoline, according to specifications, a copy of which may be obtained at the office of the Superintendent of Supplies, Room 801, City Hall Annex. *There will be a charge of twenty cents (\$0.20) for each blank proposal taken out.* The successful bidder must furnish a bond for one quarter the total estimated amount of the bid with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The bid with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out, must be left at the office of the Superintendent of Supplies, Room 801, City Hall Annex, before Friday, May 1, 1936, at 12 m., at which time and place the bids will be publicly opened and read. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The Superintendent reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city. All contracts made subject to appropriations to meet payments thereunder.

D. FRANK DOHERTY,
(April 25.) Superintendent of Supplies.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

PROPOSALS FOR SEWERAGE WORKS IN CHENEY STREET FROM ABOUT 90 FEET EAST OF MAPLE STREET TO ELM HILL AVENUE, ROXBURY.

The Commissioner of Public Works of the City of Boston, office 508 City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for sewerage works in Cheney street from about 90 feet east of Maple street to Elm Hill avenue, Roxbury. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 508, City Hall Annex. Each proposal should be inclosed in an envelope, sealed, marked "Proposal for Sewerage Works in Cheney Street," and left at Room 508, fifth floor, City Hall Annex, before 12 m. of Tuesday, May 5, 1936, with a certified check for three hundred (300) dollars payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read. Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. *There will be a charge of two dollars (\$2) for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost upon application therefor at the office of the Commissioner of Public Works. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

C. J. CARVEN,
(April 25.) Commissioner of Public Works.

POLICE DEPARTMENT.

PROPOSALS FOR CLOTH.

The Police Department of the City of Boston invites proposals for furnishing and delivering 16-ounce trouser cloth; 20-ounce dr cloth; and 14-ounce "Blue Serge" cloth. The bidder must use the form of proposal to be obtained at the office of the Property Clerk 154 Berkeley street, Boston, and deposit with his bid, at the office of the Police Commissioner, a properly certified check for \$50, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read Friday, May 1, 1936, at 12 o'clock noon, at the office of the Police Commissioner, Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any and all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated amount of the contract.

EUGENE M. MCSWEENEY,
(April 25.) Police Commissioner.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 28.

SATURDAY, MAY 2, 1936.

No. 18

EDUCATIONAL VALUES IN THE FUTURE OUTLINED BY MAYOR MANSFIELD IN ADDRESSING MEETING OF SCHOOL TEACHERS ENGAGED IN W. P. A. ADULT INSTRUCTION — POINTS TO THE MANY OPPORTUNITIES TO ENTER UPON LARGER AND BROADER LIFE, WITH TRAINING IN HOW BEST TO ENJOY LEISURE — SPIRIT TO BE ENRICHED AND THUS ENTIRE NATION WILL BE BENEFITED — PRAISE FOR PART PLAYED BY TEACHERS.

In addressing a meeting of school teachers engaged in W. P. A. adult instruction at 25 Warrenton street, Boston, on April 29, Mayor Mansfield spoke as follows:

More than anything we can say as to the value of education is the testimony which you give on that question by your presence here, day after day.

It is a truism today that education is the best asset a man or woman can have as they go out into this world to ask from it the right to earn a living.

The young people will learn to value an education as they see the desirable positions given over to their educated associates, but it is the adult of today and of the future who will truly value an education and find means of obtaining it through various opportunities which the city affords.

Education has its values, yes,— you know them,— but I want to touch upon a phase of education which is being forced upon our attention today to find the values contained therein.

Educational Values in the Future.

The return to regular employment will mean a smaller number of working days — so, more leisure — and one of the outcomes of these years of depression will be the establishment of centers of education in which adults may study, may meet for discussion and debate, to enjoy music and to learn handicrafts new to them.

Today the leisure of so many is given over to speeding autos, passive listening to radios and passive looking at motion pictures; all this in the leisure occupations of this generation today.

There must come a revulsion, and then the starved spirit will assert itself — for man cannot live by bread alone. When the time comes, the desire to learn more of all that is in the world will mean a spiritual renaissance, and the things of the spirit by which man lives will call for nourishment, and this will come only through his mental activity in the fields which bring him pleasure and happiness.

Passive Mind to be Stirred.

The passive mind of the leisure time of today must go, and real progress will be marked by a self-assertion which will demand something to react vigorously. Then the libraries will function to a greater degree; the museums will offer opportunities for instruction; the adult forums, slowly coming into the public consciousness, will give to the thinking individual a chance to listen and to talk. Our beautiful Park System will offer opportunities for the student and concerts, such as are now given on the Esplanade, where the best music can be enjoyed, will be multiplied.

This is my vision of the future. If we are to survive as a people we must face a definite training for the use of this leisure by finding and making opportunities by which the things of the spirit will reach and touch the lives of the community — so that education will thrive.

Sometimes we speak of this as the "larger life." It is a richer life for the individual and makes for a personal happiness which this generation is seeking but is not finding.

With the enrichment of the spirit there must come that, without which no nation can survive — a faith in God — strong, personal and active in daily living. And, perhaps, in that distant day man will have learned that the possibilities for happiness are within himself, and through education he will find the happiness which each of us is seeking.

You are doing here a pioneer work. It is just starting, its development will come as we go on with fewer financial burdens for our city, and an awakened interest in better and richer adult living will give new meaning to the value of education.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean,
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

MUNICIPAL CALENDAR.

Meeting of the City Council Monday, May 4, 1936, at 2 p. m.

Meetings of the Transit Department are held on Monday and Thursday of each week at 11 a. m.

Board of Zoning Adjustment. Public hearings and executive meetings are held on the first Friday of each month, Room 30, City Hall, at 2 p. m.

MUNICIPAL SERVICE.

Complaints, inquiries or suggestions regarding the work of municipal departments should be made in writing to the officials directly in charge. The failure of such official to make reply within a reasonable length of time should be brought to the attention of the Mayor. Communications should be directed as follows:

To THE BOARD OF STREET COMMISSIONERS, Room 401, City Hall Annex, for information relative to the laying out, relocation, widening and the discontinuance of highways; the taking of real property for municipal purposes; the assessments of betterments for streets and sewers; the plotting of undeveloped area for streets and the opening of private ways; the granting of licenses for the storage or sale of merchandise in

public streets; the making of specific repairs in public streets; the naming of public streets; the planting and removal of trees in public ways; the issuing of licenses for the storage of gasoline, oil and other inflammable substances or explosive compounds; the use of the public ways for any permanent or temporary obstruction or projection in, under or over the same, including the location of conduits, poles and posts for telephone, telegraph, street railway or illuminating purposes, signs, marquees, bay windows, coal holes and vaults.

To THE BOSTON TRAFFIC COMMISSION, 134 North street, for information relative to regulation of vehicular street traffic on all or any streets, ways, highways, roads and parkways under the control of the City of Boston, the issuing of all permits in connection therewith.

To THE COMMISSIONER OF PUBLIC WORKS, Room 511, City Hall Annex, for information as to the watering, cleaning, lighting and repairing of streets, the construction and care of sewers and catch-basins, the operation of the ferries, the maintenance of bridges and drawbridges and the removal of ashes and offal.

To Room 604, City Hall Annex, for information relative to the supplying or metering of water and the water charges of the city.

To THE HEALTH DEPARTMENT, Room 1107, City Hall Annex, for information relative to the inspection of milk, vinegar, meat, fish and vegetables, the issuance of permits for stables, slaughter houses, etc., smoke nuisances, the existence of contagious diseases, of public health nuisances.

To THE BOARD OF PARK COMMISSIONERS, 33 Beacon street, for information as to the care of the Common, Public Garden, Franklin Park, Franklin Field, Commonwealth avenue, Back Bay Fens, Marine Park, the Airport, and the small parks and playgrounds in general throughout the city, and as to the extermination of gypsy moths and the charges made for such service. Applica-

tion may be made to this department for information regarding the public baths and gymnasiums maintained by the city, and with regard to municipal indoor concerts and band concerts, also information relative to Mt. Hope, Evergreen, Fairview and other public cemeteries owned by the City of Boston.

To THE SCHOOL COMMITTEE, 15 Beacon street, for information relative to the operation of the schools in the city.

To THE DEPARTMENT OF SCHOOL BUILDINGS, 11 Beacon street, for information as to the construction and repair of school buildings.

To THE BOARD OF EXAMINERS, Room 1001, City Hall Annex, for information regarding the licensing of persons having charge or control of the work of construction, alteration, removal or tearing down buildings.

To THE STATISTICS DEPARTMENT, Room 76, City Hall, for historical, geographical, political and population facts about Boston; the personnel and accomplishments of present and past municipal administrations; and such similar information as may be found concerning other American municipalities in its Municipal Officials' Reference Library.

To THE WIRE DIVISION OF THE FIRE DEPARTMENT, 60 Bristol street, for all information relative to the erection of poles, building of conduits, the installation of all overhead and underground construction and electrical apparatus, as well as for general information relative to the entire division. To Room 103, City Hall Annex, for permits for the installing of wires and electrical apparatus within buildings of the City of Boston, and for the payment of fees incident to the granting of the privileges above named, and which must be paid in advance.

To THE BOARD OF ZONING ADJUSTMENT, Room 30, City Hall, relative to changes in the boundary lines of zoning districts of the City of Boston as established by chapter 488 of the Acts of 1924, and amendments thereto.

MORTALITY REPORT.

For the week ending April 25, 1936:
Population as of July, 1936, Massachusetts State Census, 817,713; population estimated July, 1936, United States Census Bureau, 801,880; number of deaths (stillbirths excluded): Residents, 203; nonresidents, 49; total, 252.

Death rate per 1,000 of population:
All deaths, 16.34; nonresidents deducted, 13.16.

MAYOR MANSFIELD VETOES PROPOSAL ADOPTED BY COUNCIL TO ALLOW BUS LINE FROM DEDHAM LINE TO PARK SQUARE — POINTS TO HARM SUCH LINE MIGHT CAUSE ELEVATED ROAD BY DECREASING REVENUE AND INCREASING BURDEN TO TAXPAYERS TO MEET DEFICIT THAT WOULD RESULT.

On April 22 Mayor Mansfield addressed the following to the City Council:

Boston, April 22, 1936.

To the City Council.

GENTLEMEN,—I return herewith disapproved and without my signature the order adopted by your Honorable Body on April 6, 1936, granting a petition to the Medway and Dedham Bus Lines, Incorporated, for a license to operate buses from the Dedham line to Park square in Boston.

At the present time the Boston Elevated Railway Company is receiving from all of its terminal points about \$400,000 per year in fares paid to it by passengers who are brought to those points by feeder lines. For example, the Eastern Street Railway Company alone delivers yearly to the Boston Elevated Railway Company lines at Quincy fares aggregating about \$98,000; at Ashmont, \$30,000; at Everett, \$29,000; at Spring street, \$15,000; at Forest Hills, \$14,000; at Mattapan, \$6,000. Other terminal points where passengers are delivered by other street railway or bus lines to the Boston Elevated Railway Company are Water-town square, Arlington Heights, Winthrop square, Medford, and Grove and Washington streets.

The permit in question would affect at the moment only the Spring street line, but it would mean at that terminal alone the loss of about \$15,000 per year to the Boston Elevated Railway Company and would not afford any adequately corresponding benefit. Passengers using this line at the present time are forced to transfer, but the fact remains that they are delivered into Boston by means of Boston Elevated Railway buses from the Spring street terminal. They have this service now. If this petition were granted it would merely mean that passengers would be able to come directly into Park square in their original buses without changing and while more convenient for

them it would undoubtedly work a serious loss of revenue to the Boston Elevated Railway Company.

The deficit of the Boston Elevated Railway Company, which is one of the things that the Boston taxpayer is compelled to shoulder, has just been announced at \$2,086,000 for the twelve months ending April 1, 1936. It seems obvious that if this license to operate into the Park square district of Boston were accorded to this particular line, every other line feeding the Boston Elevated Railway Company would probably apply for similar privileges, with the inevitable result of adding very materially to the deficit of the Boston Elevated Railway Company now being borne by the taxpayers. Another minor consideration which, while not so important as the possible effect upon the finances of the Boston Elevated Railway Company, is still worthy of consideration, is that the granting of this petition and others like it would result in further congestion by large and cumbersome buses in our already overcrowded streets.

I am not unmindful of the fact that some Boston merchants are of the opinion that the granting of this petition would make it more convenient for persons living along the route of the petitioner to get to Boston to transact business here, but that does not seem to me to outweigh the serious possibilities that I have outlined above.

In view of the fact that the rejection of this petition does not prevent the patrons of the petition from coming to Boston to do their shopping, but merely makes it more convenient for them by eliminating the necessity to transfer, and in view of the very serious consequences which may ensue to the Boston Elevated Railway Company with its inevitable augmentation of the taxpayers' burden, I am constrained to veto this order.

Respectfully,

FREDERICK W. MANSFIELD, Mayor.

PROPOSALS ADVERTISED.

Bids have been asked by advertisement in the *City Record* for the following departments. The attention of contractors and others is especially called to the closing time of receipt of such proposals. This will be published weekly.

PARK DEPARTMENT.

Advertisers for proposals for repairing bituminous pavement. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Park Department, 33 Beacon street, Boston. Bids, accompanied by certified check in the sum of \$2,000, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Thursday, May 14, at 2 p. m.

PUBLIC WORKS DEPARTMENT (Sewer Service).

Advertisers for proposals for sewerage works in Cheney street, from about 90 feet east of Maple street to Elm Hill avenue, Roxbury. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, May 5, at 12 m.

Advertisers for proposals for new floor for West Shaft House, Calf Pasture pumping station. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank

forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$100, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, May 8, at 12 m.

Advertisers for proposals for sewerage works in Estes place, from Congress street to Aldine street, city proper. Surety bond will be required in a sum equivalent to the full amount of the contract price. Blank forms for proposals may be obtained at the office of the Public Works Department, Room 508, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Monday, May 11, at 12 m.

SUPPLY DEPARTMENT.

Advertisers for proposals for furnishing athletic supplies to the Park Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Tuesday, May 5, at 12 m.

Advertisers for proposals for furnishing electrical supplies to the Park Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, May 6, at 12 m.

Readvertises for proposals for furnishing three one and one-half ton Dodge trucks to the Park Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$300, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, May 6, at 12 m.

Advertisers for proposals for furnishing mowers to the Park Department. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Friday, May 8, at 12 m.

Advertisers for proposals for furnishing ice to the various city departments. Surety bond will be required in a sum equivalent to 25 per cent of the contract price. Blank forms for proposals may be obtained at the office of the Supply Department, Room 801, City Hall Annex, Boston. Bids, accompanied by certified check in the sum of \$200, to be filed at the same office. Duplicate bid, without check, to be filed with the City Auditor.

Bids close Wednesday, May 13, at 12 m.

PUBLIC WORKS DEPARTMENT (Water Income Division).

Approval has been given to continue the temporary employment of Albert B. Colantonio as meter reader at \$1,700 a year, for three months from April 24.

SUPPLY DEPARTMENT.

Approval has been given to continue the provisional temporary employment of the following on municipal W. P. A. projects, for a period of three months from May 1 and May 7, respectively. These employees are experienced in the governmental regulations on these projects and it is necessary to continue their services during the progress of the work:

May 1: Charles H. Norton, assistant supervisor, \$35 a week; Edith A. Peterson, junior accountant, \$21 a week; Evelyn Walsh, junior accountant, \$18 a week; Ellen Jackson, junior accountant, \$18 a week; Frances Cady, junior accountant, \$18 a week.

May 7: Helene M. Gartland, junior accountant, \$22.50 a week; Margaret O'Leary, junior accountant, \$18 a week; Mary Connor, junior accountant, \$18 a week.

OVERTIME ALLOWED.

The heads of the various departments whose employees have received payment for overtime state in connection therewith that if any laborer has been allowed to work more than eight hours per day it has been only in case of emergency under the law:

Hospital Department (Sanatorium Division).

For the week ending Thursday, April 16:

Thomas Galvin, assistant engineer, 1 day, \$7.50.

For the week ending Thursday, April 23:

Florence McCarthy, fireman, 1 day, \$6.92.

Public Works Department (Sewer Service).

For the week ending Thursday, April 16:

James Conlon, fireman, 3 days, \$20.75.

FIRE DEPARTMENT ORDERS.

General Order No. 24.

I. JAMES P. MALONEY.

It is with deep regret that the Fire Commissioner announces the death, on April 20, 1936, of Executive Secretary James P. Maloney. Mr. Maloney was appointed to the Fire Department on February 21, 1895. He was promoted to assistant chief clerk on May 28, 1920, to chief clerk on June 1, 1923, and to executive secretary on February 4, 1936.

The funeral was held from his late residence, 38 Monument avenue, Charlestown, at 9.30 a. m., Wednesday, April 22, 1936, followed by services at St. Mary's Church, Warren street, Charlestown, at 10 a. m.

The Acting Chief of Department made a detail of thirty men to act as funeral escort and the members of the Headquarters Force were excused from duty in order to attend the services.

II. JAMES J. SREENAN.

It is with deep regret that the Fire Commissioner announces the death, on April 20, 1936, of James J. Sreenan of Ladder Company 28. Ladderman Sreenan was appointed to this department on April 11, 1919.

The funeral will be held from his late residence, 18 Water street, Hyde Park, at 8 a. m., Friday, April 24, 1936, followed by services at the Church of the Most Precious Blood, Maple and Oak streets, Hyde Park, at 9 a. m.

The Acting Chief of Department will make the customary detail to act as funeral escort and the members of Ladder Company 28 will be excused from duty in order to attend the funeral.

III. CHANGE OF TIME.

Sunday, April 26, 1936, is the date required by law to make a change in clock time. In order to conform with the law, clocks in the department stations will be set ahead one hour at 2 a. m. and all tower clocks maintained by this department will be set ahead one hour at 6 a. m., or as soon thereafter as is practical, by the men regularly assigned to wind clocks.

IV. COMMENDATION.

Hoseman Everett J. Hassell of Engine Company 48 is hereby commended for volunteering and donating blood in transfusion to the late Ladderman James J. Sreenan of Ladder Company 28 on April 15, 1936.

By order of Fire Commissioner EDWARD F. McLAUGHLIN.

THOMAS H. DOWNEY,
Acting Chief of Department.

LAND-TAKING IN BRIGHTON.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for sewerage works to be constructed as follows:

The right and easement is taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings, or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within sixty days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are in that part of Boston formerly Brighton and are bounded as follows:

A parcel of land, supposed to belong to the Roman Catholic Archbishop of Boston, bounded:

Northerly by easement taken by the City of Boston for sewerage purposes December 9, 1896, eleven and 46-100 feet; easterly by other land supposed to belong to said Archbishop, by two measurements, one hundred ninety-four and 75-100 feet and fifty-seven and 10-100 feet; southerly by easement taken by the City of Boston for sewerage purposes

August 14, 1928, twenty-seven and 48-100 feet; and westerly by other land supposed to belong to said Archbishop, by two measurements, thirty-two and 44-100 feet and one hundred ninety and 9-100 feet, containing twenty-three hundred and seventy-two square feet, more or less.

The sewerage works to be constructed are as follows: 207 linear feet of 24-inch and 30-inch pipe surface.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this Board determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes in private land between Foster street and Board of Survey street 1047 (north of Lane park), under the order of the Board of April 22, 1936, and awards no damages therefor.

The Roman Catholic Archbishop of Boston, 2,372 square feet, nothing.

MRS. MANSFIELD ADDRESSES BOSTON CITY FEDERATION AT LUNCHEON, PRESENTING GREETINGS OF CITY.

The following is the address of Mrs. Frederick W. Mansfield at the Boston City Federation Council Luncheon, Hotel Vendome, on Friday, April 17:

I bring to you the greetings of the City of Boston and wish you Godspeed in your various lines of endeavor. My message to the Federation today is to ask each and every member to carry on honestly and faithfully the work you are now doing. Keep your eye on your own ball. Never for one moment listen to the tempter who tries to put the poisonous thought in your mind that you could do the other fellow's job, which, by the way, is much more important than yours, just as good and perhaps better than she can. The moment you allow such a thought to dwell in your mind you are just then beginning to cheat on the work allotted to you and you are falling down on your own job.

We are all ambitious for success and it is very difficult to find a woman or man who is satisfied with her or his allotment. Temptation comes to all of us, but conscience will guide. Never for one moment pull the curtain down on conscience—not for any person living—because when a curtain that has none too good a spring to begin with is pulled down it is difficult to pull it up again and sometimes we are too ashamed even to try to get it up.

Be kind and humane in your contact, especially with the poor and unfortunate, for you must know that very much more can be accomplished by gentle treatment.

My last word to every lady present is—be yourself at all times and you will be much happier in your work.

ADDITIONS TO CONTRACT.

HOSPITAL DEPARTMENT.

M. B. Foster Electric Company, contractor for new electric generator, Power House, Boston City Hospital, has been instructed to add to the contract the sum of \$628 for relocating electric buss bar construction to front wall of Power House as shown on Plan 56. Entire load to come upon floor rather than upon roof structure. Original contract, \$32,318; corrected contract, as per order No. 1845, \$32,318; now added, \$628; corrected contract, \$32,946; total added, \$628.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Friendship road, Hyde Park district, as a highway, from Belnel road to Osceola street, bounded and described as follows:

A highway named Friendship road is hereby laid out, from Belnel road to Osceola street, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Belnel road, ninety-four and 36-100 feet; northerly by the northerly line of said Friendship road as hereby laid out, twenty and 44-100 feet on a curve of ten feet radius; northwesterly by the northwesterly line of said Friendship road as hereby laid out, three hundred eighty-three and 30-100 feet; westerly by the westerly line of said Friendship road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; northeasterly by Osceola street, eighty-four feet; southerly by the southerly line of said Friendship road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; southeasterly by the southeasterly line of said Friendship road as hereby laid out, four hundred twenty-six and 29-100 feet; and easterly by the easterly line of said Friendship road as hereby laid out, ten and 98-100 feet on a curve of ten feet radius.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Friendship road, Hyde Park district, as a highway, from Belnel road to Osceola street, under the order of the Board of April 28, 1936, and awards no damages therefor.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, parking of vehicles is prohibited in the following street, effective April 27, 1936:

Dorchester Avenue, Dorchester.

West side, from Bailey street to Fuller street.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewerage construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective April 25, 1936:

Church Street, West Roxbury.

From Halford road to Pierpont road.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewerage construction, estimated to be thirty (30) days, vehicles are excluded from the following street, effective April 28, 1936:

Weld Street, West Roxbury.

From Repton road to Willowdean avenue.

Voted, That as urgently required by considerations of public safety and convenience, during the period of sewerage construction, estimated to be sixty (60) days, vehicles are excluded from the following street, effective April 25, 1936:

Magnolia Street, Dorchester.

From Dudley street to Robin Hood street.

LAND-TAKING IN WEST ROXBURY.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement consisting of the discontinuance of a portion of Mt. Calvary road, West Roxbury district, as a highway, on the southeasterly side, adjoining Calvary Cemetery, bounded and described as follows:

A portion of the highway named Mt. Calvary road is hereby discontinued on the southeasterly side, adjoining Calvary Cemetery. Said portion of said highway as hereby discontinued is bounded:

Southeasterly by the southeasterly line of said Mt. Calvary road as hereby dis-

continued, by two measurements, four hundred forty-two and 65-100 feet and twelve and 49-100 feet; northwesterly by the southeasterly line of Mt. Calvary road as hereby established, four hundred fifty-seven and 93-100 feet; and easterly by the westerly line of said Mt. Calvary road as hereby established, five and 29-100 feet, containing eighteen hundred and one square feet, more or less.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the discontinuance of a portion of the highway named Mt. Calvary road, West Roxbury district, on the southeasterly side, adjoining Calvary Cemetery, under the order of the Board of April 23, 1936, and awards no damages therefor.

POLICE DEPARTMENT ORDERS.

General Order No. 177.

The Acting Superintendent of Police is hereby directed to make the following details for duty at the Party Primary in this city on Tuesday, April 28, 1936:

1. Three patrolmen for duty in the office of the Board of Election Commissioners, 111 City Hall Annex, on arrival of ballots for the Party Primary at about 11 o'clock a. m., Monday, April 27, 1936, such details to continue until all ballots cast at the primary have been returned.

2. An officer of rank above that of sergeant for duty at the City Hall Annex, to supervise the police detail for motor trucks, from 5 o'clock a. m., Tuesday, April 28, 1936, until relieved, and a patrolman from 8 o'clock p. m., on the same date until relieved for duty at the same place, to keep clear the approaches to the office of the Board of Election Commissioners for motor vehicles returning from the polling places with ballot boxes, etc.

3. The necessary number of patrolmen from the several police divisions to attend the several polling places in this city on Party Primary Day, to preserve order and protect voters in the full exercise of their rights.

4. Twenty-three sergeants, one to a motor vehicle, to report at the office of the Board of Election Commissioners in ample season to be prepared to leave that office for their respective destinations, according to the following schedule, in such vehicle with ballot boxes, ballots, etc., and deliver such ballot boxes, ballots, etc., to the police officer detailed in each precinct.

SCHEDULE FOR HOURS OF DEPARTURE OF SERGEANTS SO DETAILED FROM OFFICE OF BOARD OF ELECTION COMMISSIONERS ON MORNING OF APRIL 28, 1936.

(One motor vehicle for each of the twenty-two wards, excepting Ward 1, East Boston, for which two trucks have been engaged.)

Wards 1 to 7, both inclusive, 6 a. m.
Wards 8 to 10, both inclusive, 5.30 a. m.
Ward 11, 5 a. m.
Ward 12, 5.45 a. m.
Wards 13 to 17, both inclusive, 5.30 a. m.
Ward 18, 4.45 a. m.
Wards 19 and 20, 5.20 a. m.
Ward 21, 5.25 a. m.
Ward 22, 5.30 a. m.

5. For proper coordination in the delivery of ballot boxes, ballots, etc., by the sergeants, as herein set forth, to the police officers detailed at the various precincts, it is of the utmost importance that such sergeants leave the City Hall Annex promptly on time as per schedule.

6. One patrolman to report at each of the 367 precincts, as hereinafter set forth, on Tuesday, April 28, 1936, to receive ballot boxes, ballots, etc., from the sergeants detailed on motor trucks.

SCHEDULE OF THE HOUR FOR OFFICER TO REPORT IN EACH OF THE PRECINCTS.

Ward 1, 6.30 a. m.
Ward 2, 6.36 a. m.
Wards 3 to 7, both inclusive, 6.45 a. m.
Ward 8, Precincts 1 to 6, both inclusive, 6 a. m.
Ward 8, Precinct 7, 6.15 a. m.
Ward 8, Precincts 8 to 14, both inclusive, 6.20 a. m.
Ward 9, Precincts 1 to 6, both inclusive, 6 a. m.
Ward 9, Precincts 7 to 15, both inclusive, 6.30 a. m.
Ward 10, Precincts 1 to 4, both inclusive, 6 a. m.
Ward 10, Precincts 5 to 11, both inclusive, 6.15 a. m.
Ward 10, Precincts 12 to 16, both inclusive, 6.30 a. m.
Ward 11, Precincts 1 to 4, both inclusive, 6 a. m.
Ward 11, Precincts 5 to 12, both inclusive, 6.15 a. m.

Ward 11, Precincts 13 to 16, both inclusive, 6.30 a. m.
 Ward 12, Precincts 1 to 4, both inclusive, 6.30 a. m.
 Ward 12, Precincts 5 to 8, both inclusive, 6.40 a. m.
 Ward 12, Precincts 9 to 11, both inclusive, 6.45 a. m.
 Ward 12, Precincts 12 to 17, both inclusive, 7 a. m.
 Ward 13, Precincts 1 to 5, both inclusive, 6 a. m.
 Ward 13, Precincts 6 and 7, 6.15 a. m.
 Ward 13, Precincts 8 to 12, both inclusive, 6.30 a. m.
 Ward 13, Precincts 13 to 16, both inclusive, 6.45 a. m.
 Ward 14, Precincts 1 to 5, both inclusive, 6 a. m.
 Ward 14, Precinct 6, 6.15 a. m.
 Ward 14, Precincts 7 to 19, both inclusive, 6.30 a. m.
 Ward 15, Precincts 1 to 4, both inclusive, and Precinct 13, 6 a. m.
 Ward 15, Precincts 5 to 8, both inclusive, 6.15 a. m.
 Ward 15, Precincts 9 to 12, both inclusive, 6.30 a. m.
 Ward 15, Precincts 14 and 15, 6.45 a. m.
 Ward 16, Precincts 1, 2, 5 and 15, 6.15 a. m.
 Ward 16, Precincts 6 to 14, both inclusive, and Precincts 16 and 17, 6.30 a. m.
 Ward 16, Precincts 3 and 4, 7 a. m.
 Ward 17, Precincts 1 to 6, both inclusive, 6 a. m.
 Ward 17, Precincts 7 to 9, both inclusive, 6.15 a. m.
 Ward 17, Precinct 10, and Precincts 12 to 15, both inclusive, 6.30 a. m.
 Ward 17, Precinct 11, and Precincts 16 to 19, both inclusive, 6.45 a. m.
 Ward 18, Precincts 1 to 4, both inclusive, 5.30 a. m.
 Ward 18, Precincts 5, 6 and 15, 6 a. m.
 Ward 18, Precincts 13, 14, and Precincts 16 to 20, both inclusive, 6.15 a. m.
 Ward 18, Precincts 8, 9 and 12, 6.30 a. m.
 Ward 18, Precincts 7, 10 and 11, 6.45 a. m.
 Ward 19, Precincts 1 to 4, both inclusive, 6 a. m.
 Ward 19, Precincts 5 to 9, both inclusive, and Precinct 17, 6.15 a. m.
 Ward 19, Precincts 10 to 12, both inclusive, and Precinct 16, 6.30 a. m.
 Ward 19, Precincts 13 to 15, both inclusive, 7 a. m.
 Ward 20, Precincts 1 to 5, both inclusive, 6 a. m.
 Ward 20, Precincts 6 to 9, both inclusive, 6.15 a. m.
 Ward 20, Precincts 10 to 16, both inclusive, 6.30 a. m.
 Ward 20, Precincts 17 to 19, both inclusive, 6.45 a. m.
 Ward 21, Precincts 1 to 5, both inclusive, 6 a. m.
 Ward 21, Precincts 6 to 11, both inclusive, 6.15 a. m.
 Ward 21, Precincts 12 to 14, both inclusive, and Precincts 16 and 17, 6.30 a. m.
 Ward 21, Precinct 15, 7 a. m.
 Ward 22, Precincts 1 to 5, both inclusive, 6.15 a. m.
 Ward 22, Precincts 6 to 9, both inclusive, 6.30 a. m.
 Ward 22, Precincts 10 to 12, both inclusive, and Precincts 15 and 16, 6.40 a. m.
 Ward 22, Precincts 13 and 14, 7 a. m.

7. Commanding officers are to take notice that it is of the greatest importance, also, that the patrolmen herein detailed report at the polling places in the various precincts promptly according to schedule.

Failure for any reason of an officer to be on hand at a polling place at the appointed time delays the sergeant in the motor vehicle in his delivery of the ballot boxes, ballots, etc., and interferes, as is plainly seen, with the balance of the delivery schedule.

8. This detail of patrolmen at the various precincts will continue until the ballots are counted and the results declared. The officers are then to bring the ballots and returns to the Election Commissioners' office.

9. Cards with the ward and precinct number and location of voting booth printed thereon have been forwarded to the several police divisions, on which the division commander will write the name, the division number and the number of the officer detailed at the time stated on the morning of April 28, 1936, at the voting booth of each respective precinct on his division. This card, to be given to the officer so detailed at the voting booth, will be retained in his possession until delivered by him to an employee of the Board of Election Commissioners, who will arrive, accompanying a sergeant

(Continued on page 421.)

POLICE DEPARTMENT ORDERS.

(Continued from page 420.)

on motor vehicle, from the Election Commissioners' office on the morning of April 28, with ballot boxes, ballots, etc., as hereinbefore stated.

This card, when returned by such employee to the office of the Election Commissioners, will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

10. On receipt by the patrolman from the sergeant, detailed on motor vehicle as herein provided, of registering ballot box, ballots, voting lists and such other documents as may have been received from the Election Commissioners, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or handle them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the same, which receipt will be returned to the Election Commissioners.

11. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until after the polls have closed, except that, at the request of the warden, the patrolman may allow him to open the box for the purpose of pressing down the ballots, in order to make room for more ballots, after which the patrolman will see that the box is again locked and the key returned to the police officer.

12. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read. Tacks will be sent for the purpose.

13. The warden will deliver to the patrolman detailed at the polling place, for his use at that place, a copy of the descriptive voting list, which must be returned to the warden at the close of polls.

14. When the polls are opened the patrolman will mark in the place indicated on the tag attached to the key the figures which the register shows before any ballots are cast.

15. At 8 p. m., Tuesday, April 28, when the polls close, one sergeant, will report in each of the twenty-two wards (excepting Ward 1, East Boston, for which two sergeants and two motor trucks are provided), to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in his respective ward, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, receipts for ballots, unused ballot envelope, sealed and certified (containing unused and spoiled ballots), stamps for marking spoiled ballots, receipts for ballots and check lists, carry them to the Election Commissioners' office and deliver same to some member of the Board of Election Commissioners.

16. When the polls are closed the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, including the list used by the police officer, to be

sealed up in an envelope and the envelope certified by the signatures of himself and the other election officers and the same returned to the Election Commissioners, as described in Section 15 of this order. The patrolman will not allow this envelope to be put into the ballot box. The sergeant who will report on motor vehicle will keep it about his person until delivery at the office of the Election Commissioners. The unused and spoiled ballots are then to be put in the envelope for unused ballots and the envelope sealed and certified.

17. When returning from polls, all motor vehicles must drive to the easterly side of City Hall Annex, Court square, where ballot boxes will be conveyed by chute to the basement.

18. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

19. In case a patrolman is detailed to relieve another after the close of the polls, the commanding officer will see that he is properly instructed as to the duty of bringing the official returns, the box of ballots cast and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

20. When the ballots have all been counted, the ballots thus counted, tally sheets and nothing else (the ballots to be in their separate party envelopes), shall be placed by the warden in the leatheroid box for that purpose, which must be sealed up and signed by all the election officers. The patrolman will particularly see that this box is properly sealed up and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book and press return to the City Hall Annex, Court square, and deliver same to the Election Commissioners. The patrolman is directed not to allow the official return, press return or record book to be placed in the leatheroid box.

21. While the polls remain open an officer of rank will visit the polling place in each division at stated intervals, to be designated by the captain, and in case of any disturbance will report the fact to the commanding officer of the station house without delay. If additional men are needed beyond the number available in that division, the officer in charge will communicate immediately with headquarters.

22. Attention is called to the fact that the polls at the Party Primary on Tuesday, April 28, 1936, shall open at 8 o'clock a. m., and close at 8 o'clock p. m.

23. Commanding officers of divisions will see that the officers detailed for duty on Party Primary Day are furnished with a copy of the circular issued by the Board of Election Commissioners, entitled: "Instructions to Police Officers on Primary Days."

24. The counting of ballots will be done on one table only, with two inspectors counting and two inspectors watching the count.

Notes.

1. Attention is again called to the last paragraph of the circular, "Instructions to Police Officers on Primary Days," which reads: "The police officer is directed not to allow the official return or record book to be placed in the leatheroid box."

That this may not happen (as it has in the past, notwithstanding repeated instructions) in any of the precincts of this city at the coming primary, the officer of rank who will visit the polling places in each division (provided for in Section 21 of this order) shall, at an appropriate time, call to the attention of the police officer and of the warden on duty at the polls that the official return, press return and record book are not to be placed in the leatheroid box.

They shall be handed to the police officer who will deliver them as set out in the paragraph immediately following.

2. The officer going to the office of the Board of Election Commissioners with the leatheroid box, after the counting of the ballots, will take with him, in a separate package, the official return, press return and record book, which he shall safely deliver to the Election Commissioners with the leatheroid box, as provided in Section 20 of this order.

3. The police shall enforce the order that smoking is prohibited within the confines of the polling places during the entire day, while the polls are open, as well as after they are closed.

The Board of Election Commissioners makes special request that the officers detailed at the 367 precincts be instructed to see that this is enforced.

As polling places and their approaches and exits are, in many instances, in buildings used for places of religious worship, to say nothing of the danger to valuable property from careless persons, the importance of these instructions is apparent.

Commanding officers will take notice, and provide means to correct, the following conditions set out in a paragraph of a letter received by the Police Commissioner from the Board of Election Commissioners:

"May we again call your attention to the law which prohibits smoking in any polling place, and ask you to have the officers who are detailed to the three hundred and sixty-seven (367) precincts make a special effort to see that there is no smoking during the entire day, while the polls are opened, as well as after they are closed."

4. The following matter was on a previous occasion brought particularly to the attention of the Police Commissioner in writing by the Board of Election Commissioners. Commanding officers will see that this cause of complaint, if it again occurs, is corrected:

"During the hours from 6 p. m. to 8 p. m. there has been a large increase in the number of persons who congregate outside the polling places. This makes it disagreeable to voters who are entering and leaving the polling places. May we ask that the police use every effort to relieve this congestion?"

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner

General Order No. 178.

A trial board, consisting of Captains Campbell, McGrath and Killen, having heard by reference a complaint made by John J. Mullen, captain, Division 15 (formerly of Division 1), against Michael J. Dennehy, patrolman, Division 1, charging him with neglect of duty, conduct unbecoming an officer and untruthfulness, has reported to the commissioner a finding of not guilty as charged. In accordance with which it is hereby ordered that

the complaint against the said Patrolman Michael J. Denny he dismissed.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 179.

On March 15, 1936, Patrolman Walter J. Lindsay of Division 1 and Patrolman William R. Smith of Division 2 made a valiant attempt to rescue from drowning a four-year-old boy who had fallen into the Charles river at a point opposite Fruit street. The officers fearlessly plunged into the water at the spot where the boy disappeared and succeeded in recovering the body. The prone pressure method of resuscitation was applied at once and continued relentlessly but, unfortunately, the boy was beyond human assistance.

The commissioner is pleased to recognize and commend these officers for their courageous action and their disregard for their own personal safety in attempting to preserve the life of this youngster.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 180.

The attention of the Police Commissioner has been directed to the excellent police service performed on March 7, 1936, by Sergt. John H. McFarland and Patrolman Francis M. Harrington, both of Division 1, and Sergt. Joseph F. Condon and Patrolmen Edward J. Merrigan and William E. Jennings, latter three of the Special Service Squad.

The officers received information that a man, armed with a dangerous weapon, was terrorizing people in the vicinity of a certain building on Endicott street. As Sergeant McFarland and Patrolman Harrington entered the premises they were shot at by a man standing on the second-floor landing, and later a second shot was fired at Sergeant McFarland. In view of the seriousness of the situation, reinforcements were summoned. Sergeant Condon and Patrolmen Merrigan and Jennings, with others of the Special Service Squad, responded immediately. The officers then made a thorough search of the entire building and finally discovered the culprit upon a nearby roof, crouching beside a chimney. He was subdued and brought to the station.

The commissioner is pleased to recognize and commend these officers for their excellent judgment and courageous action in effecting this important arrest.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 181.

Patrolman Bernard H. McGinnis of Division 1 is commended in General Orders for effective police duty performed on April 15, 1936, in connection with the apprehension of three men who were wanted in Somerville for armed robbery. While doing traffic duty in Scollay square, Patrolman McGinnis observed an automobile previously reported as having been used by three men who had committed an armed holdup in the city of Somerville on April 14, 1936. He im-

mediately pursued the car and, through the exercise of unusual coolness and excellent judgment, succeeded in placing the three occupants under arrest.

The commissioner is pleased to recognize and commend Patrolman McGinnis for his keen observation and courageous action in effecting the arrest of these dangerous criminals.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

General Order No. 182.

It is hereby ordered that vacations for members of the force for 1936 shall begin May 15 and end October 14, and not more than one tenth of the whole number attached to any division shall be absent on vacation at the same time.

No day of relief will be allowed members of the force on July 3 and 4, and September 15, date of State Primary.

Members of the department before going on vacation shall give a definite address, so that commanding officers can communicate with them without delay.

Five days before each vacation begins, commanding officers shall forward to the superintendent a list, in triplicate, showing the names of all officers who shall be on that vacation. One day before the vacation begins commanding officers shall forward to the superintendent a list, one original copy, showing the names and emergency addresses of the officers who are going on vacation.

The time for each vacation shall be determined by lot in the usual way on Friday, May 8, 1936.

If officers desire a late vacation during the period October 15 to December 31, 1936, they may be accommodated when such request is approved by their division commanders and the superintendent.

VACATIONS TO BEGIN AND END AS
FOLLOWS:

No. 1, to begin at 7.45 a. m. May 15 and end at same hour May 29.

No. 2, to begin at 7.45 a. m. May 31 and end at same hour June 14.

No. 3, to begin at 7.45 a. m. June 18 and end at same hour July 2.

No. 4, to begin at 7.45 a. m. July 5 and end at same hour July 19.

No. 5, to begin at 7.45 a. m. July 19 and end at same hour August 2.

No. 6, to begin at 7.45 a. m. August 2 and end at same hour August 16.

No. 7, to begin at 7.45 a. m. August 16 and end at same hour August 30.

No. 8, to begin at 7.45 a. m. August 30 and end at same hour September 13.

No. 9, to begin at 7.45 a. m. September 16 and end at same hour September 30.

No. 10, to begin at 7.45 a. m. September 30 and end at same hour October 14.

Commanding officers of divisions and units will not allow vacations to interfere with the proper operation of their organization, making shifts in day and night duty and taking such other steps as may be necessary to provide adequate protection and proper functioning of the force under their control.

Two copies of this General Order are sent to each division, so that one copy may be placed on the bulletin board of the station for direct notice of all officers.

The Acting Superintendent of Police will promulgate this order.

EUGENE M. MCSWEENEY,
Police Commissioner.

LAND-TAKING IN HYDE PARK.

The Mayor has approved the order of the Board of Street Commissioners for the taking of land for a public improvement, consisting of the laying out and construction of Hopewell road, Hyde Park district, as a highway, from Belnel road to Osceola street, bounded and described as follows:

A highway named Hopewell road is hereby laid out, from Belnel road to Osceola street, and ordered constructed, the cost thereof to be charged to Federal Funds.

Said highway and the land, exclusive of trees or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Westerly by Belnel road, by two measurements, eighty-three and 25-100 feet on a curve of one hundred ninety-nine and 93-100 feet radius and nine and 26-100 feet; northerly by northerly line of said Hopewell road as hereby laid out, twenty and 44-100 feet on a curve of ten feet radius; northwesterly by the northwesterly line of said Hopewell road as hereby laid out, five hundred eighteen and 40-100 feet; westerly by the westerly line of said Hopewell road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; northeasterly by Osceola street, eighty-four feet; southerly by the southerly line of said Hopewell road as hereby laid out, fifteen and 71-100 feet on a curve of ten feet radius; southeasterly by the southeasterly line of said Hopewell road as hereby laid out, five hundred forty-three and 16-100 feet; and southerly by the southerly line of said Hopewell road as hereby laid out, fifteen and 14-100 feet on a curve of ten feet radius.

Voted, That this Board determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Hopewell road, Hyde Park district, as a highway, from Belnel road to Osceola street, under the order of the Board of April 28, 1936, and awards no damages therefor.

MAYOR SECURES FEDERAL
PROMISE OF CONTINUED
WORK FOR CITIZENS.

The following communication was received by Mayor Mansfield on April 22:

WORKS PROGRESS ADMINISTRATION,
WASHINGTON, D. C.

April 22, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MANSFIELD,—The President has requested that I acknowledge receipt of your letter of March 11, 1936, in which you ask that the Works Progress Administration program be continued in the City of Boston.

In a recent message to Congress the President stated that the trend of re-employment is upward, but at its present rate of progress it is inadequate. On the basis of this and other facts, he recommended an appropriation in order that the Federal Government might continue to provide work for the needy unemployed who could not be cared for by state and local funds.

Duration of the Works Program will depend upon legislation by the Congress.

Very sincerely yours,

HARRY L. HOPKINS,
Administrator.

CONTRACTS AWARDED.

Permission to award contracts for work, materials and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

SUPPLY DEPARTMENT.

Upon April 24 permission was given by the Mayor to approve contracts with low bidders as indicated for furnishing drugs for the various city departments, as required, during 1936. It was recommended that the various items be awarded to the lowest bidders on the grade of drugs called for in the proposals, with the following exceptions:

(a) That the bid of Gilman Brothers, Incorporated, be eliminated for the reason that its bid contained a provision that prices were subject to change, and were therefore not guaranteed for the full term, and that the items that it is low on be awarded to the second lowest bidders.

(b) That the insulin be awarded to a second low bidder, in view of the fact that the lowest bidder cut the established prices of the only three manufacturers of insulin, and there are on file at the Supply Department office letters from these manufacturers stating that because of this they will refuse to deliver insulin to the lowest bidder. As the prompt delivery of insulin is most necessary to the hospitals, it should not be required to speculate on the possibility of prompt delivery, and as the total difference in price between the low bidder and a second low bidder is only \$240.25, permission was given to award insulin to a second low bidder, thereby insuring prompt deliveries.

The approximate totals of awards were as follows:

Thomas W. Reed Company, \$18,765.71; The Good Drug Company, Incorporated, \$15,173.32; Edwin J. Marsh Estate, \$14,580.08; Lederle Laboratories, Incorporated, \$5,799.01; Norris Drug Company, \$4,240.90; Kenmore Hospital Supply, \$4,119.42; E. F. Mahady Company, \$3,524.08; Burroughs, Wellcome & Co. (U. S. A.), \$3,388.37; E. R. Squibb & Son, \$2,483.90; Berry & Withington, Incorporated, \$2,140.18; Howe & French, Incorporated, \$1,716.79; Parke, Davis & Co., \$1,695.09; Sanford Pharmacy, Incorporated, \$1,239.37; John Wyeth & Brother, Incorporated, \$1,238; United Drug Company, \$357.50; Hoffman, LaRoche, Incorporated, \$105.20. Total, \$80,571.92.

Privilege of purchasing on same terms and conditions extended to February 1, 1937. Bids, opened February 24, were as follows:

Approximate Amounts on All Items.

15 Bottles Acetic Acid, U. S. P., 5 Pints, 36 Per Cent, Merck, Mallinckrodt, General Compound, Per Bottle.—Thomas W. Reed Company, \$1.05*; Gilman Brothers, Incorporated, \$1.35, Merck, 5 pounds.

108 Bottles Acetone, U. S. P., 5 Pints, Merck, Mallinckrodt, General Chemicals, Per Bottle.—Thomas W. Reed Company, \$1.35*; Gilman Brothers, Incorporated, \$1.89, Merck, 5 pounds; Berry & Withington, Incorporated, \$1.85.

6 Dozen Adhesive Liquid Duo, Johnson & Johnson, Per Dozen.—Thomas W. Reed Company, \$3.25*; The Goode Drug Company, Incorporated, \$3.30; Gilman Brothers, Incorporated, \$3.30, half-ounce tubes.

4 Ounces Adrenalin Inhalant, P. D., Per Ounce.—Thomas W. Reed Company, 85 cents; Parke, Davis & Co., 85 cents*; E. F. Mahady Company, 85 cents; Sanford Pharmacy, Incorporated, 85 cents;

The Goode Drug Company, Incorporated, 85 cents; Gilman Brothers, Incorporated, \$1.

7 Gross Adrenalin Chloride Solution, 1 Ounce, P. D., Per Gross.—Thomas W. Reed Company, \$48, S. & D.; Parke, Davis & Co., \$122.40*; Sharp & Dohme, Incorporated, \$48, S. & D.; Adrin; E. F. Mahady Company, \$122.40; Sanford Pharmacy, Incorporated, \$123.84; Norris Drug Company, \$130; The Goode Drug Company, Incorporated, \$48, S. & D.; \$122.40, Parke, Davis; Edwin J. Marsh Estate, \$48, S. & D.; Gilman Brothers, Incorporated, \$144.

3 M. Allonol Tablets, Hoffman LaRoche Company, Per M.—Hoffman LaRoche, Incorporated, \$20.40.*

16 M. Alophen Pills, 10 M's, P. D., or Equal, Per M.—Thomas W. Reed Company, 90 cents, S. & D.; Parke, Davis & Co., \$2.60, P. D.; Sharp & Dohme, Incorporated, 90 cents, S. & D., Phenolphthalein Comp.; E. F. Mahady Company, \$2.60; Sanford Pharmacy, Incorporated, \$3; Norris Drug Company, \$3.80; The Goode Drug Company, Incorporated, \$2.60, P. D.; 90 cents, S. & D.; Edwin J. Marsh Estate, 90 cents, S. & D.

3 C. Amp. Amfetin Amp., 50 cc., Lilly, Per C.—Thomas W. Reed Company, \$125; Sanford Pharmacy, Incorporated, \$120; Norris Drug Company, \$119; Kenmore Hospital Supply, \$108.90.* Lilly; The Goode Drug Company, Incorporated, \$120; Gilman Brothers, Incorporated, \$110.

25 M. Amidopyrine Tab., Gr. 5, 10 M's, P. D., Lilly, S. & D., Squibb, Per M.—E. R. Squibb & Sons, \$4.40, Squibb; Thomas W. Reed Company, \$3.80, S. & D.; Parke, Davis & Co., \$4.25, P. D.; Sharp & Dohme, Incorporated, \$3.80, S. & D.; E. F. Mahady Company, \$4.25; United Drug Company, \$3.60, U. D.; John Wyeth & Brother, Incorporated, \$3.60, Wyeth; The Goode Drug Company, Incorporated, \$3.80, S. & D.; Edwin J. Marsh Estate, \$3.80, S. & D.; Gilman Brothers, Incorporated, \$5.60 M., 30 M., Lilly.

100 M. Amidopyrine Tab., Gr. 5, 25 M's, P. D., Lilly, S. & D., Squibb, Per M.—E. R. Squibb & Sons, \$4.20, Squibb; Thomas W. Reed Company, \$3.75, S. & D.; Parke, Davis & Co., \$4, P. D.; Sharp & Dohme, Incorporated, \$3.75, S. & D.; E. F. Mahady Company, \$4; United Drug Company, \$3.60, U. D.; John Wyeth & Brother, Incorporated, \$3.60, Wyeth; The Goode Drug Company, Incorporated, \$3.70*; Edwin J. Marsh Estate, \$3.75, S. & D.; Gilman Brothers, Incorporated, \$5.45, Lilly.

50 Pounds Ammon. Bromide Gran., U. S. P., 5 Pounds, Merck, or Equal, Per Pound.—E. R. Squibb & Sons, 60 cents, Squibb; Thomas W. Reed Company, 60 cents, S. & D.; Gilman Brothers, Incorporated, 63 cents, in 5 pounds; Berry & Withington, Incorporated, 62 cents.

85 M. Ammon. Chloride Tab., Gr. 5, 25 M's, P. D., Lilly, S. & D., Squibb, Per M.—Thomas W. Reed Company, 36 cents, S. & D.; Parke, Davis & Co., 36 cents, P. D.; Sharp & Dohme, Incorporated, 36 cents, S. & D.; E. F. Mahady Company, 36 cents; John Wyeth & Brother, Incorporated, 45 cents, Wyeth; The Good Drug Company, Incorporated, 34 cents, S. & D.; Edwin J. Marsh Estate, 36 cents, S. & D.

Stilphen Motor Company bids irregular. Copy at Auditor's Office received late.

INSTITUTIONS DEPARTMENT.

Upon April 24 permission was approved by the Mayor to award a contract as indicated in the following letter:

BOSTON, April 22, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

MY DEAR MR. MAYOR,—In response to advertisement in the *City Record*, three proposals for repairs to the steamer "George A. Hibbard" were received on April 21. The total amounts based upon estimated quantities were as follows:

Quincy Dry Dock and Yacht Corporation, 108 Folette street, Quincy, \$3,450; Bethlehem Shipbuilding Corporation, Ltd., 80 Border street, East Boston, \$3,508.50; The Marine Company, 173 Sumner street, East Boston, \$3,844.50.

Proposal submitted by the Quincy Dry Dock and Yacht Corporation was not received until after the time named for the opening of bids. The Bethlehem Shipbuilding Corporation, Ltd., and the Marine Company did not sign copies of their bids left at the office of the City Auditor. The figures, however, in said copies were identical with those in signed proposals submitted at this office.

Inasmuch as it is important to start the repair work at an early date, I would recommend that the contract be awarded to the Bethlehem Shipbuilding Corporation, whose bid was the lower of the two received prior to the time named for opening bids.

Very truly yours,

FREDERIC A. WASHBURN, M. D.,
Commissioner.

PUBLIC WORKS DEPARTMENT (Bridge Service).

Upon April 29 the Mayor approved a contract with the Progressive Iron Works, Incorporated, for repairing Chelsea Bridge North draw to the Progressive Iron Works, Incorporated. The following bids were received April 27:

Progressive Iron Works, Incorporated, \$1,085; The Boston Bridge Works, Incorporated, \$1,266; Bethlehem Shipbuilding Corporation, Ltd., \$1,375; Grossier & Shlager Iron Works, \$1,485; John F. Shea Company, Incorporated, \$1,600; The Marine Company, \$1,900.

SCHOOL COMMITTEE.

The School Committee has approved proposals for furnishing toilet paper in rolls for Boston public schools.

Bids, opened Wednesday, March 25, were received from the following concerns:

A. P. W. Paper Company, Carter Rice Company, H. J. Dowd Co., Incorporated, Fort Hill Paper Company, Hurlbert & Hatfield, D. F. Munroe Company, Stone & Forsyth Company, Woodland Paper Products.

Award was made to Fort Hill Paper Company under date of April 11. Tabulation as follows:

800 Cartons Toilet Paper.—A. P. W. Paper Company, New York, unit price, \$2.32; 2 per cent, thirty days; delivery within ten days; Carter Rice Company, Boston, unit price, \$2.43; 2 per cent, thirty days; delivery on or before April 20; no sample; H. J. Dowd Company, Incorporated, Boston, unit price, \$2.35; 2 per cent, thirty days; delivery on or before April 20; Fort Hill Paper Company, Boston, unit price, \$2.29*; 2 per cent, ten days; 2 per cent, thirty days; delivery within seven days; Hurlbert & Hatfield, Boston, unit price, \$2.585; 2 per cent, ten days; 2 per cent, thirty days; delivery ten days from receipt of order; D. F. Munroe Company, Boston, unit price, \$2.34; 2 per cent, ten days; 2 per cent, thirty days; delivery within thirty days; partial shipment at once if necessary; Stone & Forsyth

Company, Boston, unit price, \$2.37; 2 per cent, ten days; 2 per cent, thirty days; delivery within fourteen days; Woodland Paper Products, New York, \$2,064†; 2 per cent, ten days; no sample; Section 1 not filled in.‡

* Contract awarded.

† This is an error. Evidently the total.

‡ Sample received March 26, 1936.

WITHOUT ADVERTISING.

Upon varying dates, as indicated, the Mayor approved contracts with several concerns and businesses for supplies and materials for the several departments. Communications from the several department heads were as follows:

Upon April 24 the Mayor approved a contract with the Leopold Morse Company for men's clothing for the Long Island Hospital, Institutions Department. A communication from D. Frank Doherty of the Supply Department was as follows:

SUPPLY DEPARTMENT.

BOSTON, April 23, 1936.

HON. FREDERICK W. MANSFIELD,
Mayor of Boston.

DEAR MR. MAYOR,—I advised your Honor on March 26, 1936, that bids for men's clothing for the Long Island Hospital, Institutions Department, were opened on February 10, 1936, after public advertising. I also recommended that a contract for same, amounting to \$1,056, be awarded to the Leopold Morse Company, the lowest bidder.

I have been advised by the Law Department that all of the bids which were received should be rejected, due to a provision in the form of contract bid upon which should not have been inserted therein.

Because, in my opinion, readvertising will not yield a more favorable price than that bid by the Leopold Morse Company, and because the Institutions Department requests prompt delivery of the clothing, I respectfully request your approval to award the above contract to the Leopold Morse Company without readvertising.

Respectfully yours,

D. FRANK DOHERTY,
Superintendent of Supplies.

MAYOR TO SEEK REDRESS FROM THOSE RESPONSIBLE FOR SALE OF INFERIOR COAL WHEN TRUTH OF SITUATION IS DISCLOSED.

Upon April 25 Mayor Mansfield issued the following statement:

A dispute between city departments as to where the responsibility lies for the purchase and delivery to welfare recipients of an alleged inferior quality of coal does not present a very pretty picture. I am sure that the public is not much concerned as to with what particular city department responsibility lies, but they are interested in getting at the truth and fixing responsibility where it does belong. I trust that the case will not be prejudged and that the people will defer forming an opinion until the evidence is all in.

When the testimony is concluded, if violations of contract or bond obligations have been disclosed, the Law Department is under instructions to proceed immediately to obtain legal redress.

In the meantime heads of departments will adopt cooperative measures to ascertain the truth and any attempt at evasion or shifting of responsibility will not be favorably received by the Mayor.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)

JUNIOR UNEMPLOYMENT COMPENSATION ANALYST, UNEMPLOYMENT COMPENSATION ANALYST, SENIOR UNEMPLOYMENT COMPENSATION ANALYST, UNEMPLOYMENT COMPENSATION COMMISSION, JUNE 6, 1936.

Last date for filing applications, Saturday, May 23, 1936, at 12 noon.

These examinations are open to both males and females.

The above date applies to all three examinations. It is necessary to file but one application in order to take one or more of these examinations, but applicants should indicate what position or positions they wish to apply for.

Applicants for any or all of these positions should be familiar with chapter 479 of the Massachusetts law and amendments thereto, also chapter 271 of the Federal law.

The minimum salary for Junior Unemployment Compensation Analyst is \$1,560 a year; the maximum salary is \$1,800 a year.

The minimum salary for Unemployment Compensation Analyst is \$1,920 a year; the maximum salary is \$2,280 a year.

The minimum salary for Senior Unemployment Compensation Analyst is \$2,400 a year; the maximum salary is \$2,760 a year.

Duties, Junior Unemployment Compensation Analyst: Under supervision, to assist in analyzing reports submitted to the Unemployment Compensation Commission, to secure facts necessary for determining whether employers or employees are or are not subject to or covered by the Unemployment Compensation Laws; to make field surveys to secure additional facts necessary to the commission in connection with the administration of Unemployment Compensation Laws; to correspond with or to give information orally to employers and employees on less important matters in connection with such laws; and to perform related work as required.

Duties, Unemployment Compensation Analyst: Under supervision, to analyze reports submitted to the Unemployment Compensation Commission, to secure facts necessary for determining whether employers or employees are or are not subject to or covered by the Unemployment Compensation Laws; to make field surveys to secure additional facts necessary to the commission in connection with the administration of Unemployment Compensation Laws; to correspond with or to give information orally to employers and employees with reference to such laws; when necessary, to address employer, employee or other interested organizations for the purpose of explaining the various phases of the law; and to perform related work as required.

Duties, Senior Unemployment Compensation Analyst: Under general supervision, to supervise the work of Unemployment Compensation Analysts; to review the work of such analysts and to instruct them in their duties; to handle the more complex problems arising out of the analysis of the reports and returns to the commission; when necessary, to address employer, employee or other interested organizations for the purpose of explaining the various phases of the law; and to perform related work as required.

Subjects and Weights (for all three positions): Training and experience, 3; general information, 2; report, 1; practical questions, 4; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

JOHN P. O'HEARN NAMED TO BOARD OF ASSESSORS.

The following announcement was made by Mayor Mansfield on April 22:

I have today appointed John P. O'Hearn as a member of the Board of Assessors to take the place made vacant by the death of Michael J. Brophy, whose term expired on March 31, 1938.

Mr. O'Hearn is the son of Patrick O'Hearn, well known Boston citizen, former Building Commissioner, and at one time President of the Hibernia Savings Bank.

Mr. John P. O'Hearn was born in Boston, attended Boston schools, including the Boston Latin School, graduated from Holy Cross College in 1921 and attended Harvard Law School for one year. He was associated with his father in the building and real estate business and has had wide experience in building, leasing and appraising real estate and property of all kinds. Recently he has been employed for a time as fee consultant for the Home Owners Loan Corporation and the Federal Housing Administration. He has frequently acted as appraiser for the City Law Department and for many firms and corporations.

CIVIL SERVICE EXAMINATIONS.
(STATE SERVICE.)

UNEMPLOYMENT COMPENSATION COMMISSION, JUNIOR EMPLOYMENT REGISTRAR, SENIOR EMPLOYMENT REGISTRAR, JUNE 13, 1936.

Last date for filing applications, Monday, June 1, 1936, at 5 p. m.

These examinations are open to both males and females.

Only one application need be filed for Junior and Senior Employment Registrar, but applicants should indicate what position or positions they wish to apply for. A separate application must be filed for the position of Employment Office Superintendent.

The entrance salary for Junior Employment Registrar is \$1,140 a year; the entrance salary for Senior Employment Registrar is \$1,680 a year.

Duties: Interview and registration of applicants for employment and evaluation of their occupational qualifications; receipt of orders for workers, with as complete specifications as possible; selection and referral of applicants to prospective employers; maintenance of the required records; furnishing reliable employment information to both applicants and employers; attendance at pertinent local meetings and talks before groups when desirable; visiting employers and their plants in order to inform employers about the service, and be informed as to the general and specific needs of employers.

Entrance Requirements, Junior Employment Registrar: Applicants must be not less than twenty-one years of age at the time of filing application.

Entrance Requirements, Senior Employment Registrar: Applicants must be not less than twenty-five years of age at the time of filing application.

A certificate of date of birth must be filed with the application unless one has been filed with a previous application.

Applicants for both positions must have five years' experience, one year of which shall have been in personnel, commercial or industrial work.

Subjects and Weights: Training and experience, 4; practical questions, 3; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

UNEMPLOYMENT COMPENSATION COMMISSION, EMPLOYMENT OFFICE SUPERINTENDENT, JUNE 13, 1936.

Last date for filing applications, Monday, June 1, 1936, at 5 p. m.

This examination is open to both males and females.

The entrance salary is \$2,280 a year; the maximum salary is \$2,820 a year.

Duties: The superintendent of a local office shall direct and supervise its employees and work and perform personally as much of this work as is necessary or desirable. This includes the assignment of work and its supervision, maintenance of the record system and preparation of required reports.

Entrance Requirements: Applicants must be not less than twenty-five years of age at the time of filing application. A certificate of date of birth must be filed with the application unless one has been filed with a previous application. Applicants must have eight years of experience, four years of which shall have been in commercial, industrial or personnel work, of which at least two years shall have entailed supervisory responsibilities.

Subjects and Weights: Training and experience, 4; practical questions, 3; personality and fitness, as determined by an oral interview, 3; total, 10.

Passing Requirements: At least 70 per cent in each subject of the examination in order to become eligible.

Physical fitness to be determined by physical examination.

CIVIL SERVICE EXAMINATIONS. (STATE.)

STATE EXAMINERS OF ELECTRICIANS. Examinations, 1936.

Examinations will be held at the following points and on the following dates:

Boston, Monday, May 4.
Worcester, Wednesday, May 6.
Boston, Monday, June 8.
Boston, Monday, September 14.
Worcester, Wednesday, September 16.
Springfield, Thursday, October 15.
Pittsfield, Friday, October 16.
Boston, Monday, November 2.
Lowell, Wednesday, November 4.
Boston, Monday, December 7.
New Bedford, Wednesday, December 9.
New Bedford, Thursday, December 10.

Rules for Examinations.

All examinations shall be given in English.

Applicants for Class B or journeyman's certificate must be at least eighteen years of age and have had at least two years' practical experience or the equivalent in the installation of wires, conduits, apparatus, fixtures and other appliances for carrying or using electricity for light, heat or power purposes.

Applicants for Class A or master's certificate must be at least twenty-one years of age and have had at least two years' experience in the business of installing wires, conduits, apparatus, fix-

tures and other appliances for carrying or using electricity for light, heat or power purposes.

Examinations shall consist of applicant's knowledge of the National Electrical Code and practical electrical work.

All persons desiring to be examined, either for a master or journeyman certificate, shall have application on file at least ten days previous to the date of such examination.

Applicants for examination will be required to obtain at least 70 per cent in order to obtain a certificate.

Applicants who fail to obtain the required 70 per cent will not be entitled to re-examination until a period of three months has elapsed, and those who receive less than 50 per cent, or who fail on the practical demonstration, will not be re-examined for a period of six months.

Any person found referring to notes or books, or misbehaving during an examination, will be debarred from that examination.

Notice will be sent to applicants for certificates when and where examination will be held and only those so notified will be examined on that day.
